Juniors Will Do Honors

Saturday, Party in Gym

All is in readiness for the annual Junior party which will take place next Saturday evening in the Model School gymnasium. The committees in charge of the arrangements have been working diligently for nearly two weeks; planning decorations, refreshments, etc. It is announced that the party will be of a very informal nature and that the entire student body and every member of the faculty will be the guests of the Juniors. Surprises will be numerous.

Another evening of merrymaking is promised by the Junior class for next Saturday evening. As to exact nature of the entertainment the officers of the class were silent except they said “surprises will fairly rain in the gym.” They further stated that the guests need not fear a cut and dried form of amusement. Music and dancing and — well they want you to come and find out the rest.

The coming party will give those unlucky individuals who were unable to attend the last one, a chance to make up for lost time. Bitter tears are likely to be shed should anyone fail to come or fail to have “one big time.” A four piece orchestra will thunder at the gates of the gym promptly at 8:15. Guests are requested to arrive at 8:15.

Call Issued to Seniors

A call has been issued to the Seniors to begin on their class song. This song, written and composed only by Seniors, is to be sung at the June Commencement exercises, by the entire Senior class.

Zoellner Quartette Coming

The coming of the Zoellner String Quartette on February 2nd, assures us all of a decided musical treat. This quartette has a very high reputation, and is said by those who have heard it, to be unusually well worth while listening to. Let us back up the recital, both by attending it ourselves, and by selling tickets for it when Mr. French requests it of us.

Rehearsals Begun for “Twigs of Thorn”

The rehearsals for “Twigs of Thorn” have now started. This play, combined with the other, “The Neighbors,” will make up a very enjoyable program, when they are presented next month.

Remember Spring Schedule

All students should remember to take time to look at the Spring Term schedule which is posted in the upper hall. Notify the office at once if you have a conflict.

Pow-Wow Contribution Box is Now Ready for Use

The Pow-Wow contribution box has last found its place in the corridors as has already probably been noticed. Without doubt the contributions to the paper will increase and with the increase the Pow-Wow will grow in popularity. There are several things the students should keep in mind when they are offering items of news, poems, or any other such articles. These things will be found below. Please give them the most careful consideration as it is of the greatest importance to the staff that all of them be observed.

1. Do not hand in jokes or articles of a personal nature.
2. Please count the number of words and write the number at the top of the article.
3. Don’t waste your time in writing articles that have no sense to them.
4. Don’t use flowery or trite expressions.
5. Don’t “beat around the bush.”
6. Read the editorial caption.

Normals Win Second Basket Ball Game of 1920 Season, Defeat Winona “Y.M.” 35-21

Winona Normal won its second basket ball game last night when they defeated the Winona Y. M. C. A. team, 35 to 21 in one of the most spectacular basketball battles that has ever been played at the Normal gymnasium. The individual stars for the Normals were Kreger at forward and Gerecke at center.

During the first half of the game there was little advantage gained by either team. The Normal team showed a slight edge on team work. The half ended with the score 14 to 10 in favor of the Normal.

The second half started with a rush, the Y. M. C. A. boys showing a decidedly poor spirit at being losers. Kreger proved himself invaluable by never once getting “rattled.” Gerecke also did some phenomenal playing during this period. The game ended with the score 35 to 21 in our favor.

The line-up for the two teams was as follows:

<table>

Seniors Plan Best “Werona”

When we hear “that the Seniors are beginning to plan and look around for a peppy crowd for the Annual staff, we commence to realize that June is not so very far off. We hope to have the best Annual this year that the W. N. S. has ever had.

Follow-Up Work in Southeastern Minnesota Starts

According to the custom of the school, the faculty expects very soon to begin those visits to graduates and former students, known as “follow-up work.”

There are many teachers to be visited, in all parts of the state, but the first trips will include only those who are teaching down in this southeastern section. The other sections will be visited later.

If possible, two teachers will go out together on each trip, and will combine with their visits to the young women, a campaign for new students. This plan will concentrate effort, and also save money.

The “follow-up work” conducted by the school has always proved very helpful to those visited, and doubtless will be so again this winter. In this way the school is able to keep in very close touch with the teachers, and will be able to assist them in case they have been having any particular trouble, either with their work or with their supervisors.

Miss Meyers Explains Social Work at Meeting

At the union meeting of the Y. W. C. A. study classes, Miss Myers, the city probation officer, was a most interesting speaker. She tried to give just an idea of what social service was, as she followed its principles in her own special line. Those who attended feel that they have a much better understanding of it than before.

Mr. French Negotiates for Rectal Course

Mr. French is negotiating for more musical entertainments, such as the ones by the Zoellner Quartette. He wants to work out a rectal course such as we had last year. It is hoped that he will be as successful this year as he was then in procuring for us entertainments of a high grade.

Prize Offered for Best Suggestion to Improve Pow-Wow.

To the person who offers the best suggestion as to the way in which he thinks the Pow-Wow may be improved, the student will give a price of $1.00. This contest will close Friday noon at 12 o’clock sharp. No suggestion can possibly be accepted after that time. Please write your suggestion plainly, and count the number of words and write the same on the top of the sheet. Do not make them more than seventy-five words long, nor less than twenty-five. The best suggestion will be acted upon if possible. Your name should accompany your suggestion. The contest will be limited to the student body.
**Bull Dog Tenacity**

When a person can hang on, or stick with any thing he undertakes to do, until he accomplished that thing, then he may be said to have that excellent characteristic called bull dog tenacity.

Few people realize that this distinctive feature of their make up, is one of the fundamental parts of business. Over and above any one particular point of judgment employers with whom you come in contact will judge you from your manner of approach. Whenever you have a position in mind do not "phone"! If you have not enough faith in your ability to impress an employer favorably you will never succeed.

The one result of your "phone call" will be a flat refusal of the position. Make it a point to come in personal contact with the man under whom you are to work. Perhaps after you see him you will change your mind about wanting the job.

A face to face application is only "business courtesy."

**The Pow-Wow**

**TEN MONTHS OF SLEIGHING**

*Writes H. M. Dickman EX'17*

**IS THEIR SPEED IN NORTH**

"Ten months of winter and two months of cold weather is our speed up here," writes H. M. Dickman, '17, who is now employed in one of Wirhake's lumber mills at Cloquet, Minnesota. "There is only two months out of the year that we don't have sleighing," he further states.

"Dick" graduated at Normal in 1917. The following year he entered Illinois as a member of the Junior class and after completing a year there he took the federal oath on June 18, 1918, and soon after entered the Naval Officers training school at the Municipal Pier in Chicago. His career at the Normal was marked by his excellent record in athletics. During the two years he attended, he was twice on the football and basket ball teams, being captain of the former his last year. At Illinois he made the freshman football team, the varsity basket ball squad, and also the varisty swimming team.

His letter in part follows:

I've been very much interested in your paper, and have waited, expecting a copy soon. I did not realize that I would have the honor to contribute to the issue and now having it, have not a single word to offer. As for the I. W. W.'s, I am not exactly in their region although those crazy "foolies" may be most anywhere. What I know of these critters is only what has already been mentioned numerous times, even the darn cold weather. Ten months of winter and two months of cold weather, is our speed up here, and only two weeks out of the year that we don't have sleighing.

"As for the I. W. W. and its original meaning, "I won't work." Well I don't blame them in this cold weather. Be sure and mail me a copy of the Pow-Wow as I want very much to see it.

**GALLIEN IS ALUMNI DIRECTOR**

Arthur Gallien was recently appointed Alumni editor of the Pow-Wow because of the great amount of correspondence that comes in from these old graduates. Since the Alumni department of the Pow-Wow will be a permanent part of the paper, it was found necessary to have someone at its head. Mr. Gallien was chosen because of his wide range of acquaintances among the former students and for his ability to handle this particular type of work.

Arthur Gallien was recently appointed Alumni editor of the Pow-Wow because of the great amount of correspondence that comes in from these old graduates. Since the Alumni department of the Pow-Wow will be a permanent part of the paper, it was found necessary to have someone at its head. Mr. Gallien was chosen because of his wide range of acquaintances among the former students and for his ability to handle this particular type of work.

**Miss Smith is hoping to be able to make very definite plans for the Mendelssohn Club with the assistance of some of the boys, to give an operetta. Without doubt, this would take time and work, but it is felt that every one will have the school spirit necessary to make such an entertainment successful.**

**Basketball Schedule Announced**

Below is printed the complete basket ball schedule for 1920. It is plainly evident that the team has a big job before it, but if it continues to show the same fighting spirit that it has displayed so far, one can safely say that the season will be a great success.

Jan. 10—Cotter High School at W. N. S. 25
Jan. 16—Winona Y. M. C. A. 21 at W. N. S. 35
Jan. 23—Wabasha High School at W. N. S.
Jan. 30—St. Thomas Commercial at St. Paul a W. N. S.
Feb. 6—(Open)
Feb. 14—St. Mary's College at W. N. S.
Feb. 25—Mankato Commercial College at St. Cloud
March 6—St. Cloud Normal at W. N. S.
March 13—St. Thomas Commercial at St. Paul

**Y. W. C. A. SORRY FOR THOSE THAT MISSED MEETING**

There is just one thing to be said to those who did not go to the Y. W. C. A. meeting at which Doris Cronkhite gave her report of the convention at Des Moines, and that one thing is: We are very sorry for you, because you have missed something very worth while, which you are most unlikely ever to have offered you, again. Let us repeat — we are sorry for you!

If a man took some insect powder instead of headache powder, would be become "bug house?"
SCHOOL NOTES

On Monday morning, January 12, Mr. R. Reed treated the student body to one of the finest speeches which had been delivered from the platform. His subject was "Humor."

The Bay State Mill donated one of their instructive films for exhibition before the school Friday morning after chapel.

Dr. O. M. Dickerson and Mr. G. E. Maxwell attended the Normal School Board meeting at St. Paul Thursday of last week.

Mrs. F. O. Dillon, matron of the Men's Club, has been ill for the last two weeks. All the members of the club wish her a rapid recovery.

It is rumored that a piano will be at the Club for an indefinite length of time. Who will play it?

George Schroeder and Ralph Calkins are making for a credit in Manual Training, a Swedish loom. Any design for cloth material may be woven on the loom, either plain or designed. The loom is assembled and the more complicated parts are now being constructed and attached.

Arthur Wedge, a student at the Business College, is now living at the Club. He is well liked by the rest of the members of the club, and they are glad to have him with them.

FRENCH MAGAZINES IN LIBRARY

A copy of each of the following French magazines has recently been placed in our library:

Le Monde Illustre
Lectures from Trois
Gni, pourquoi, comment
Je Sais Tout
La France

La France is a new publication, published mainly in English and devoted to French-American activities.

SERVICES WILL BE PRIVATE!

If a boat would sink would a safety razor?
If a rose fades, does a shirt waist?
If a field is four miles square, how long will it take a man walking three miles an hour to walk two and a half times around it? Johnny ain't no man, so we had to send his daddy. He left early this morning, and my neighbors said he ought to be back late tonight, though it would be hard going. Dear Mum, please make the next problem about ladies, as my husband can't afford to lose the day's work. I don't have no time to loaf, but I can spare a day off occasionally better than my husband can.

The Colonial Theatre will give a silver loving cup to the school team that wins the city basketball championship of Winona. It is impossible to tell now, who will win it. The Normal, St. Mary's College, Winona High School, Cotter High School and the Business College will compete. The cup is now being displayed at Kratz's Candy Shop.

Maybe
"Electricity was in use before the flood."
"How do you know?"
"Why, didn't Noah have ark lights?"

TRY FORTY BELOW
Pupil: I don't think I deserve zero today.
Teacher: I know it, but that is the lowest mark we have.

YES IT WAS
Doc was discussing the football team of which he was a member, and said to his girl:
"You know Wilkins? Well he's going to be our best man before long."
"Oh, Mr. Edd," she cried, "what a nice way to propose to me."

Normal student: "A fellow must have a heart of oak if he doesn't pine, after he finds he ain't poplar with that peach he met." (The poor saphead.)

Mr. Stalcup in Civics: (At close of talk), "After all has been said the teacher dances to the tune of the school board."
Smart Student: "I don't care who's tune it is just so its good dance music."

Ruth: "Why is love like a candle?"
Gus: "The longer it burns, the less it becomes."
