Commission elections on Friday

By David Harris

The yearbook has lowered; student commission elections are held.

Besides 22 candidates for ten offices, a referendum concerning the present plan for required assemblies will be voted upon by the student body when it goes to the polls next Monday.

The purpose of the referendum is to see if the student body wants to continue the present plan of having to attend two-thirds of the nine required assemblies per year.

The Students vote

May banquet to honor 25 WSC alumni

Twenty-five outstanding graduates of Winona State College are to be honored at a centennial alumni dinner May 28. Miss Angeline R. Jackson, Alumni Association secretary, has announced.

Reservations are now being accepted for the banquet.

Part of WSC's centennial celebration, the banquet will be in Richards Hall cafeteria.

DURING THE past month, both new memberships in the Alumni Association have been started.

CONTRIBUTORS to the Alumni Cornicopia Campaign include: Nancy Sterick, Louise Ward Clifford, Mary Laos, Cheryl Bel- lino, John J. Bulten, George Tann- dani and Ida Spalding Waldor.

Kathy Berg new Miss Snowflake

A Winona State freshman — Kathy Berg of Rushford — was named Miss Snowflake of 1959 at the Winona Winter Carnival.

Placing the crown on her head was the 1959 Miss Snowflake, Kay Way, a senior at WSC.

Kathy plans to teach physical therapist training, or sen-

Africa is the source of the following letter, written by Miss Olive Tovson (WSC '57) to Miss Angeline Monroe, assistant professor of the college staff.

Miss Tovson is currently teaching missionary children in the French Cameroun. She arrived in Africa last year, and her wedding will be held in a week.

Last year she wrote a letter published in the "Winonaan," describing the African background. This is the letter she wrote about her wedding, complete with several stories.

"SAW MY FIRST African wed- ding in N'Gaoundere. The bride and groom were whisked into the church for the regular Sunday morning service and took their places in the front, just ahead of us. We were sitting so far up front that we didn't realize that this would be a choice seat for Asahel.

"The bride wore a princess white gown with a dainty white hat (To Tell the Truth, it looked much like the mosquito netting which hangs over my bed). The gown had a double breast- ed suit (black) and white gloves. The gown also had a bouquet of yellow roses. There were no attendants.

"SPECIAL MUSIC was fur- nished by friends of the bride. They sang several songs in Bulu. Since this reporter could not un- derstand the language, the songs will not be translated for the readers of this paper.

"The ceremony was performed after the Bulu and sermon and every African knew that the bride and groom had said their famous vows on the marriage meaning, yes, they "rescued out of the church.""

"THROUGHOUT the service we had been distracted by various members of the staff, who were making an outside appearance. Outside waiting for the bride to have her first four motor vehicles: A small green French con- vertible in which the bride and groom sat up front (and this is what I am about to write back on the wall)!

"Beyond their tossing of the rose and cord, and other African instru- ments, in which the music was different from the American dance, and the ladies in white dresses. The wedding; the last car panel was the lead panel with the lead speaker on it. He was speaking for or about what purpose this track served, we never heard him.

="THIS MAN is the postmaster in N'Gaoundere. He and his wife were just baptized at Christmas. They have been married a few years ago, but now, since they were Christians, they wanted them blessing the church on their wedding. We were informed that they have two chil- dren, which added to the human interest of the story."

Publication crews may get credits

Beginning in the spring quarter, students working on the varsity editions of the Winonaan, the Press Club, of members of the Winonaan and the Press Club, are credited to the fact that crews toward graduation were no longer offered to published crews.

IN THE PAST, giving such credit has been customary, but this year it was decided that any activity not listed in the college bulletin would not deserve credit for graduation.

So the Press Club proceeded to get publications printed in 501 and 221 rooms. The Press Club received their spring, with the help of Dr. Har- goal Gutfine of the curriculum-spanning committee, Mr. Adolph Bremer, adviser to the Press Club, and Mr. Douglas Stro- nero, adviser to the Winonaan.

Each two-credit course is avail- able to students having prior ap-

Olive Tovson tells of African wedding

**In home finale tomorrow**

Cagers win two in row, come close in others

By Larry Engel

Two successive wins have boosted the Wisconsin State College men's basketball team to a 6-3 record. The Warriors, however, forced to assume a spoiler's role in the Wisconsin Intercollegiate Conference play by a 2-6 record. With two conference games remaining, Wes Wallingford and the Warrior coaches would help decide the little picture. An upset win here for Wisconsin State could both make the Warriors the driving forces in the Conference.

In compiling their 2-6 loop record, the purple and white have scored 400 points for a 78.8 percent game average. The opposition slipped 246 points into the net for a per game average of 81.

In the 21 games to date, the Warriors have pushed 1465 points into the opponents' goal for an average of 70.8 points a game. The opponents have scored 1728 for an 83 point average.

The Warrior's 78 point average is quite respectable. Here's the same old story - they lack the big man. The quintet needs another rebounder and defensive pivot man. If they had been able to pick up 5 or 10 additional rebounds per game, it might have been enough to turn the tide in many of the close losses they have absorbed.

It's easy to criticize a team and a coach with a losing record, but a little more difficult to do so justly. The locals have put on quite an offensive for what they've shown this year in quite an effort. Some fine ball players are making their final horse appearance against Stoughton Feb. 24; let's have a crowd backing the team, win or lose, they'll play an effing game.

**Fins edge Pipers; Voorhees 'Pleased'**

The Wisconsin State Winona team ended a five-year skid Saturday at Hamline in St. Paul. Warrior Coach Jim Voorhees said he was "... relatively pleased with the season. It was a lot tougher than last year. I think, hopefully, we built a good bit of depth for next year."".

Saturday's 47-44 win over the Pipers gave the fanciers a 6-2 posting for the campaign with them left with a 16-3 mark in the two years that WSC has had gymnastics. The officials here have pinned a fellow in 15 seconds.

**WRIA holds five college Sports Day**

Five sports participated in the five games played at Memorial Hall Feb. 8. Wisconsin State College defeated the guests from Winona and from Mankato in a straight 14-13 decision. WRIA bowling will start soon. A notice will be posted on the bulletin board, and the scores kept by the officials. Ten members attended a basketball meeting at Memorial Hall on the 23rd. The meeting was opened by John Young, who introduced Bob Spinks and played basketball. Mortel Arnold was elected secretary.

---

**Stellpgits hits 36, but WSC loses 102-97**

In a non-conference game played at Memorial Hall Feb. 8, Winona State College scored 36 points in the first period to pull ahead 51 and held a 97 point lead over the Bombers for the second period.

Kenny Stellpgits set an all-time WSC single game record with a 17.9 point average. He had 46 field goals and 51 free throws for a 61 point average. He is the leading scorer in the NSCC conference.

**Could matmen beat 'U'?**

A week ago last Sunday, the Iowa State College wrestling squad beat the University of Minnesota Gopher mat squad by a score of 15-9. Local fans will recall that it is the same squad that edged the Warriors in their meet at the Hall Feb. 14-15. Would this indicate WSC might give the "U" a close match? Fans will recall that the Pikes had a good chance to beat the Cyclones last night. WBC was run-
For President

Landro Schaper

My name is Ken Landro. I am a junior majoring in biology and English. In seeking the office of president of the student commission, I offer you the benefits of two years' experience with the student commission. Two years ago I represented the sophomore class on the commission. This past year before leaving school served as its vice-president, planning and organizing activities. I believe that greater student involvement in activities on campus will make not only a happier person but a better student.

Departmental Commissioners

Robert Cameron

Robert Cameron is my name. I seek the office of departmental commissioner. A Departmental commissioner must be able to understand the needs of his department and carry them to the best of his ability. I have been a member of the Wenonah Players, Kappa Delta Pi and Sigma Delta Chi. As a member of the Department of Speech, working with the students in the activities of the department, I feel that I am qualified to do the job as it should be done.

For Vice President

Clarence Crum

Clarence Crum: I am the third year, as vice-president of the student commission. In 1959 I was chairman of the Committee on Health Insurance and as a member of the committee for the past two years, I have been familiar with the problems that are involved in this job. If elected I will do my best to improve the health benefits already given. This year the best year the school has ever had.

Departmental Commissioners

Irvin P. Plitzuweit

Irvin P. Plitzuweit: I am presently majoring in physics. As a member of the department of physics and a member of the Student Government, I offer you the benefit of two years' experience on the student commission. I offer you the benefit of two years' experience on the student commission. I firmly believe that the student government should be provided with a better health benefits package, which would be highly beneficial to the students. As a member of the department of physics, I offer you the benefit of two years' experience on the student commission. If I am elected, I will try to improve the health benefits already given. This year the best year the school has ever had.

For President

Karen Aron

Karen Aron: In my two years at Winona State, I have been a member of the Student Government and a member of the Student Government. As a member of the Student Government, I offer you the benefit of two years' experience on the student commission. If I am elected, I will try to improve the health benefits already given. This year the best year the school has ever had.

Social Commissioner

Miss Aimee Rosepet

Miss Aimee Rosepet

Karen Aron: In my two years at Winona State, I have been a member of the Student Government and a member of the Student Government. As a member of the Student Government, I offer you the benefit of two years' experience on the student commission. If I am elected, I will try to improve the health benefits already given. This year the best year the school has ever had.

Athletic Commissioner

Jerry McCartney

Jerry McCartney: I am a junior majoring in Business Administration and a member of the swim team. I am the district III. If I am elected, I will try to improve the health benefits already given. This year the best year the school has ever had.

For President

Ginny Adams

Ginny Adams: As a candidate I promise to try to improve the health benefits already given. This year the best year the school has ever had.
