HOME ECONOMIC GIRLS WORK WITH LOCAL JUVENILE COURT

The Senior Home Economic Girls are co-operating with the Juvenile court of the city, which has a number of mothers, who are receiving Mother's Pensions. Money is one thing, and proper food for the children is another. Therefore, the Probation officer felt that some of these mothers needed help in selecting and preparing of nutritious foods for their families.

The meeting was held in the Home Economic Club, and the direction of Miss Collins, the girls of the senior class are giving a course of twelve lessons to these mothers.

It is hoped that other classes of the kind will be formed for those interested in child welfare, in other cities of the county and state.

ST. MARY'S WINS CITY TITLE FROM NORMALS IN TERRIFIC STRUGGLE

Two Touch Downs in Second Quarter Scarcely Over the Line Are St. Mary's Only Scores—Normals Aerial Work in Second Half Feature—Wilkins and Benefice Show Remarkable Ability at Ground Gaining.

By hard fighting and terrific plunges, the St. Mary's College foot ball team succeeded in pushing the ball a few inches over our goal line for two touchdowns in the second quarter, winning the city title from the Normals 14-0. Both teams fought for a decisive victory but held each other in pinches. The purple and white aerial work in the second half was a feature. The terrace heights men out weighted our team several pounds to the man, and were handicapped by the absence of two stellar men, St. Mary's kicked to Triggs who ran the ball thirty yards in the direction of the red and white goal. A line plunge netted two yards, followed by an off tackle play netting five more. Two more line plunges were stopped in short order by our opponents but in the next play, Triggs tore through the line for fifteen yards. St. Mary's then held us for downs and took the ball down the field toward our goal. They failed to make their downs and we pointed out of danger. The ball see-sawed from one end of the field to the other, neither team showing any superior qualities, but both working in beautiful form.

The second quarter again proved the jinx for our men, who after holding St. Mary's on our goal line for three downs, were unable to keep it from being pushed over the line by a few inches. This was again repeated after a similar style of playing that marked the first tally. Benefice for St. Mary's and Wilkins for our team, were big factors in making large gains possible, each carrying the ball through the line and around the ends for big "chunks" of territory.

We received the kick off in the second half and began a fast march down the field but were

SENIORS: If you are leaving school, and will not return, do not fail to leave your address with Clarence Benz, or at the office, so we will be able to send you your Pow-Wow for the remainder of the year. Your subscription must be paid then, which is $1.30.

WINONA HIGH-NORMAL TURSSLE THANKSGIVING TO BE LIVELY AFFAIR

Both teams anxious to meet in last foot ball game of the year—Normals will outweigh opponents who have fast backs—large attendance anticipated.

The Winona Normal and The Winona High School will enter the football lists next Thursday in the last game of the season, which will without doubt be one of the largest attended games that have as yet ever been played in Winona. Both teams are on their tip toes, anxiously waiting the "zero hour," or 3 p.m., when the starting whistle will echo between the hills on either side of the city. The two teams are evenly matched to some degree. The purple and white line being considered for the heavier and more efficient of the two. But both back fields are fast, the highs having a slight advantage in that department.

Never in the gridiron history of Winona, has a game ever been looked forward to with more interest, than the coming one. It is hard to believe that there will be any Normal students not at the game, who have not gone to their homes to visit. We cannot afford to miss this, the last game, not only of the season, but the last one some of us will ever see. The team has promised to do all in their power to win by an overwhelming score, and to let them go out on the field without at least 500 voices rooting for them from the sidelines, should be a crime.

ST. MARY'S WINS CITY TITLE

FROM NORMALS IN STRUGGLE

(Concluded from page 1)

The Y. W. C. A. held its regular meeting on Wednesday, November 19th. The subject under discussion was "Home Missions." The speaker was Miss Meyers, the city probation officer. She gave a very informal and interesting talk on the duties of a probation officer, the work of the Juvenile Court, and the conditions which she finds in her work here.

A large number of the members were present at this meeting, and we hope that they will continue in their interest and help to make the organization a live one.

The Y. W. C. A. announces that contributions toward a Thanksgiving basket, to be given to some poor and needy family in town, are now in order. We hope that every one will help to give this family a real hearty Thanksgiving Day by doing his part.

Mr. Scarborough: "Will the persons who are about speak to me about it directly after class?"

Mystery Further Solved

By Dee Bee, Plot Thickens

Prow-Wow Office all a-dawg over recent remarkable discovery by mysterious person named Dee Bee—due consideration given Gert.

Completely puzzled by the signature Dee Bee, the staff of the Pow-Wow is now seeking information that will aid them in identifying this mysterious person who has given a further proof that the lights in hotel rooms were so situated that the H. C. L. might be considerably reduced. He gives all due consideration to our dear friend Gertrude, by asserting she is right and has partially solved the problem.

We think now, however, with the receipt of Dee Bee's letter there can be no doubt about the situation that has puzzling the thousands of Pow-Wow readers for the past weeks. It is with relief we publish this amazing epistle below:

Gert is right! She has offered a solution on the mystic problem of hotel lights. It's an undeniable fact that one has not only rolls but also turnovers in bed. But it always seemed to me that if you wished to read in bed, the feathers in the pillow would be light enough.

This way out! — Dee Bee.

Farewell Seniors

Well seniors, the time has come at last when you must say farewell to your old Alma Mater, so in behalf of the school and the Pow-Wow, we wish to bid you a formal adieu. However, we will entertain prospects of seeing you back here now and then for visits, and will anxiously wait for your return. You are lucky in being graduated from a Normal School, and especially the Normal School at Winona. Here are the reasons: First, it is the best Normal School in the state. PRETTY PARTY GIVEN IN GYMNASIUM MARKS END OF THE 1919 FOOTBALL SEASON

Marking the end of what is likely to be thought of as an unsuccessful football season, a very pretty party given under the auspices of the school, was held in the Model school gymnasium, Friday evening. To those who did not attend; we can say only this, that you missed one of the times of your young and hopeful lives by not doing so. Girls, there were actually real alive boys to dance with, my dear yes, the captain of the football team and every body.

The hall was beautifully decorated with purple and white streamers, practically making a roof above the dancers heads. In the northeast and southeast corners, were davenports, lamps and shades (made by the Industrial Arts Department), rugs, pillow plants, etc. After the second dance number, eight girls, under the supervision of Miss Pearson, danced a Russian dance and a little folk dance. Their work was very commendable and greatly enjoyed.

The dancing started at nine o'clock, after the guests and students had passed down the receiving line, made up of members of the faculty, board of directors, and the presidents of the two classes. Herrick's five piece orchestra was there in every sense of the word. Many young men from Winona, having been invited by Normal students were in attendance. At 10:45, ice cream cones were served and at 11:30, "Home, Sweet Home" made its appearance.

MEN'S GLEE CLUB ORGANIZED

The Men's Glee Club was organized last Wednesday, for the purpose of giving all the boys who enjoy singing, an opportunity of doing so. Nearly fifteen boys reported at the first meeting and elected the following officers:

President
Carlton Neville

Secretary-Treasurer
Ethan Steffensrud

It is hoped that this organization will become permanent at school and continue to take in new members. The social committee has been appointed, so it is evident the club will have a social as well as a musical program for the coming year.
