1. Maxwell Hall — houses the Fitness Center, Conference Center and Children's Center
2. Student Health Services and University Archives
3. Stark Hall — houses the College of Nursing and Health Sciences, the College of Science and Engineering, the Departments of Nursing and Engineering, as well as the Composite Materials Technology Center
4. Science Laboratory Center — houses science labs and some classroom space
5. Alumni House — Alumni Affairs
6. Somsen Hall — houses the College of Business, the departments of Accounting, Business Administration, Economics, Finance, Marketing, Foreign Language, and Management Information Systems & Operations. Also houses most administrative offices including the offices of the President, Academic Affairs, Administrative Affairs, Admissions, Financial Aid, Registrar, Adult Continuing Education and Extension, Human Resources (Personnel), University Advancement, Business, academic and administrative computer centers, Publications Office, and the Print Shop.
7. Howell Hall — houses Student Support Services, the television studio, Media Services, and Disability Resource Center (DRC) and Interpreter Services
8. Phelps Hall — houses the Mass Communication and Psychology departments, Advising and Retention, and the Public Information Office
9. Pasteur Hall — houses the departments of Biology, Chemistry, Physics, and Geoscience
10. Watkins Hall — houses the departments of Computer Science and Art, including a gallery for student and professional art shows and the Watkins Art Collection
11. Conway Hall — women's residence hall
12. Shepard Hall — co-ed residence hall
13. Morey Hall — co-ed residence hall
14. Richards Hall — co-ed residence hall, and houses Honors Hall
15. Lucas Hall — women's residence hall
16. Prentiss Hall — men's residence hall
17. Gildemeister Hall — houses the College of Education including the departments of Education, Special Education, Counselor Education, Educational Leadership, Mathematics and Statistics, as well as the Career Services Office and the Counseling Center
18. Performing Arts Center — houses the departments of Music, Communication Studies, Theatre Arts and Dance, and facilities for university-sponsored cultural events and KQAL, the campus radio station
19. Memorial Hall — houses the Health, Exercise & Rehabilitative Sciences and Physical Education and Recreation departments, and facilities for indoor athletic activities and events
20. Main Library — contains the University's library holdings and the Academic Assistance Center
21. Minne Hall — houses the College of Liberal Arts, departments of English, History, Paralegal, Political Science, Sociology and Social Work, Philosophy, Women's Studies, Global Studies, and the Writing Center
22. Kryzsko Commons and University Center — houses the University food services, recreational facilities and lounges, conference rooms, the "Smaug" snack bar, the Campus Book Store and the Alumni Lounge, as well as the offices for Cultural Diversity, International Services, Housing, and Student Affairs
23. Sheehan Hall — women's residence hall
24. Maintenance Building
25. Heating Plant
26. West Campus (not pictured)
   • Lourdes Hall — co-ed residence hall, houses Residential College
   • Maria Hall — co-ed residence hall
   • Tau Center — co-ed residence hall and conferencing facility
27. University Apartments at East Lake (not pictured) — apartment style residence complex located at the corner of Franklin and Sarnia Streets in Winona.

All buildings and parking lots accessible to the handicapped — all buildings equipped with elevators with the exception of #4, Alumni House. Call (507) 457-5008 to pre-arrange accessibility.

Note: Rochester Campus Map (See page 11.)
Welcome to Winona State University!

The WSU Mission Statement says we are all members of "A Community of Learners Dedicated to Improving Our World." This includes everyone from the president, administrators, faculty and staff, to alumni, community members and students.

Winona State University has a proud heritage as the first teacher-training institution west of the Mississippi River. In 1858, as the United States expanded the nation's frontier, the people of this area understood the value of having well-educated people lead the growth and educate future generations. Across 15 decades, the people of WSU have taken seriously the need to be good citizens and give something back to society while they seek to better themselves through education.

As you peruse the pages of this catalog, please keep WSU's proud legacy of service in mind. Of course, take courses that interest you and that move you toward your personal goals. At the same time, consider ways in which you can use your skills, talents, and abilities to make a difference in the world.

As a member of the WSU community of learners, you are part of a highly regarded institution with a national reputation for high-quality education and excellent value. It is my hope that you will be challenged here and that you will grow personally and achieve—and exceed—your goals.

Sincerely,

Darrell W. Krueger
President

2004–2005 ACADEMIC CALENDAR

FALL SEMESTER – 2004–2005

Registration begins, Tuesday
Deadline for applying for graduation in May 2005, Friday
Faculty Orientation/Development, Monday, Tuesday, Wednesday, Thursday, Friday
New Student Orientation/Registration, Wednesday, Thursday, Friday
Day classes begin, Monday
Evening classes begin, Monday
Last day to add classes without approval of instructor, Thursday
April 2, 2004
Chapel Services
Veterans’ Day Holiday, (observed—no classes), Friday
Thanksgiving break begins at 10:00 P.M., Tuesday
Non-Class Faculty Duty Day, Wednesday
Classes resume, Monday
Deadline for applying for graduation in December 2005, Friday
Fall Term tuition payment due, Friday
Midterm Day (Last day for undergraduates to make up work from Spring & Summer Terms), Thursday

SPRING SEMESTER – 2004–2005

Registration begins, Tuesday
Last day for new and former Graduate and Undergraduate students to complete application and file intent to return for Spring Semester, Monday
Deadline for applying for graduation in December 2005, Friday
Non-Class Faculty Duty Days, Thursday, Friday, Monday, Tuesday, Wednesday
Final application deadline for Arranged Classes, Independent Studies (Graduate and Undergraduate), Friday
New Student Registration, Wednesday
Day classes begin, Thursday
Evening classes begin, Thursday
Last day to add classes without blue cards, Wednesday
Approval of instructor needed to add classes, Thursday & Friday
Martin Luther King Holiday (no classes), Monday
Last day to drop classes with tuition refund, Friday
Last day to drop or add classes, Friday
Financial Aid Disbursement, Tuesday
All-University Assessment Day, Wednesday
Spring Term tuition payment due, Friday
Midterm Day (Last day for undergraduates to make up incompletes from Fall Semester), Monday

* Last day to notify the Office of Graduate Studies of intent to take Spring Semester Comprehensive Examinations, Thursday
Last day to withdraw from classes, Thursday

Veterans’ Day Holiday, (observed—no classes), Friday
Thanksgiving break begins at 10:00 P.M., Tuesday
Non-Class Faculty Duty Day, Wednesday
Classes resume, Monday
Deadline for applying for graduation in December 2005, Friday
Fall Term tuition payment due, Friday
Midterm Day (Last day for undergraduates to make up work from Spring & Summer Terms), Thursday

* Last day to notify the Office of Graduate Studies of intent to take Summer Comprehensive Examinations, Monday

The University calendar is subject to modification or interruption due to occurrences such as fire, flood, labor disputes, interruption of utility services, acts of God, civil disorder, and war. In the event of such occurrences, the University will attempt to accommodate its students. It does not, however, guarantee that courses of instruction, extra curricular activities or other University programs or events will be completed or rescheduled. Refunds will be made to eligible students in accordance with our governing board’s policy.

In general election years, no classes may be held after 6:00 P.M. on the first Tuesday in March due to the precinct caucuses.

*Pertains to Graduate students ONLY.
SUMMER TERM – 2005

Summer term classes begin and end at various times between Commencement, May 6, and the beginning of Fall Semester classes, August 29. Check course listings to find out when the classes in which you are interested begin and end.

Summer Registration opens, Monday ................................................................. March 21, 2005
Last day for new students to apply for admission ........................................... May 2, 2005
Last day for former students to file intent to return, Monday ............................. May 9, 2005
Deadline for applying for Arranged Classes, Internships, Independent Studies, Friday .................................................. May 27, 2005
Official beginning of Summer Term, Monday .................................................. June 6, 2005
(Some classes begin before this date. Check course listings for beginning and ending dates of all courses.)
Last day to add or drop (with 100% refund) a course that begins on June 6 or 7 and meets for more than 21 days, Wednesday ............................... June 8, 2005
Fourth of July Holiday (no classes), Monday .................................................. July 4, 2005
* Last day to notify the Office of Graduate Studies of intent to take Fall Comprehensive Examinations, Monday ............................... June 6, 2005
Deadline for applying for graduation in May 2006, Monday ............................. June 6, 2005
Summer tuition payment due, Friday ............................................................... Aug. 5, 2005
Official end of Summer Term, Friday ............................................................. Aug. 12, 2005

Final Examinations will be held during the last scheduled class meeting.

Note: Last day to withdraw (drop with "W" grade) is determined by start date of course.

* Pertains to Graduate Students ONLY

2005–2006 ACADEMIC CALENDAR

Winona State University is committed to providing equal education and employment opportunities to all persons and does not discriminate on the basis of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance, sexual orientation, disability, or any other group or class against which discrimination is prohibited by Title IX of the Education Amendments, 1972, Minnesota Statutes Chapter 363, Section 402 of the Vietnam Era Veteran's Readjustment Assistance Act, 1974, and other applicable state and federal laws. Inquiries regarding compliance should be referred to the Affirmative Action Officer at (507)-457-5008.
WINONA STATE UNIVERSITY

Winona State University holds a unique place in the history of higher education in the State of Minnesota. The University was founded on August 2, 1858, when the first Minnesota State Legislature passed a bill establishing normal schools, thereby establishing Winona State University as the first teacher preparation institution west of the Mississippi River. On September 3, 1860, classes began at Winona State University, which has since become a recognized leader in providing excellence in higher education. It is one of seven state universities that are part of the 34-member Minnesota State Colleges and Universities (MnSCU) system. The University operates on three campuses: its original, main campus and the west campus are located in the city of Winona; a non-residential campus is located in Rochester, Minnesota, 45 miles to the west.

The Winona campuses are largely residential and primarily serve a traditional student age population; whereas, the Rochester campus serves primarily non-traditional students. The Institute for Lifelong Learning, headquartered on the Rochester campus, meets the needs of the non-traditional student on each campus and provides the structure for outreach activities compatible with the University's mission. Commonly held principles help Winona State University (WSU) prepare undergraduate and graduate students. We value differences and work collaboratively, continuing the legacy of a century-and-a-half of service. The city of Winona (population 29,000) is nestled among the bluffs of the beautiful Hiawatha Valley on the banks of the Mississippi River—one of the most scenic areas in Minnesota. Students have convenient access to shopping, recreational activities, and community resources. Additional cultural opportunities are available in La Crosse, Wisconsin (30 miles away), Rochester (45 miles away), and in Minneapolis-St. Paul (120 miles away).

In addition to WSU, the city of Winona is home to two other institutions of higher learning: Saint Mary's University of Minnesota, and Minnesota State College-Southeast Technical. WSU cooperates with these area institutions, as well as institutions throughout the MnSCU system and the University of Minnesota, to enrich the educational and cultural opportunities for students at all institutions by sharing their programs and resources. University Center Rochester (UCR) is an example of the sharing characteristic of Minnesota institutions. The UCR partnership includes WSU-Rochester Center, Rochester Community and Technical College, and the University of Minnesota, offering degree programs from the Associate level through the Doctorate at a single location. Interactive TV and computing connections link UCR to Winona and other sites.

MISSION

The mission of Winona State University is to educate and enlighten our citizenry at a distinctive institution: a community of learners dedicated to improving our world. We are an exemplary arts and sciences institution with select professional and graduate programs anchored in a general education core. With an enrollment of approximately 7,600 undergraduate and graduate students, WSU is a mid-sized public university committed to retaining small class sizes and to challenging students by maintaining rigorous academic standards. Faculty and administration are involved with students, facilitate cooperative and active learning, and provide prompt respect for our students' diverse talents and ways of knowing. Faculty are dedicated to creating an optimal learning environment for students by using contemporary technology and by building learning communities, which help students maximize their post-graduation successes. Students acquire disciplinary expertise, enabling them to pursue careers or to enter graduate or professional schools. They learn the value of aesthetics and ethical integrity, along with the importance of becoming community leaders and furthering the public good.

WSU recognizes that many of the learning experiences of college occur outside the classroom. It is, therefore, committed to building and maintaining a caring community. Campus community members strive for amicable relationships based on shared values and an affirmation of the principle of freedom of speech within an atmosphere of civility and mutual respect. Governed by collective bargaining agreements and guided by principled leadership, we respect diversity and collaborate to resolve issues that affect us all. We celebrate our common successes and our distinctive heritage.

We are committed to measuring results against self-defined and national standards. Through this ongoing assessment—one in which students, faculty, and staff participate—we will improve continuously and establish accountability for results. Thus, we shall reaffirm WSU's social contract to provide educational benefits to the people of Minnesota, the nation, and the world.

GOALS OF THE UNIVERSITY

WSU is dedicated to the following goals:

- **Student Success:** All WSU students will graduate possessing the skills, capacities and talents required for high performance in subsequent endeavors by offering undergraduate and graduate programs and degrees which provide direct entry into graduate programs or employment opportunities that require significant educational preparation.
- **Student Satisfaction:** WSU students and alumni will report high levels of satisfaction with their experience at WSU. WSU will provide for the educational, personal, and social development of students through effective academic advising and counseling, and through high quality cultural, recreational, and extra-curricular programs.
- **General Education:** All WSU students will have a solid foundation in general education. WSU will provide a comprehensive base of liberal studies as the foundation for university degrees in the arts, letters, and sciences as well as offering specialized professional, technological and occupational degrees.
- **Faculty and Staff Development:** WSU will develop the human resources to accomplish the goals of the university by supporting a commitment to research and to scholarly and creative activities that enhance instructional programs and teaching excellence.
- **Partnership Development:** WSU graduates will meet or exceed the expectations of the citizens, businesses and communities that we serve.

WSU will:

- Provide pre-professional programs that are coordinated with professional programs at other universities.
- Maintain a special commitment to lifelong learning by meeting off-campus instructional and continuing education needs of the citizens of the service region.
- Provide public service to the region and serve as a cultural center and a source of problem solving expertise.
- Assume leadership in consortia relationships and cooperate with private business and research organizations to maximize educational and employment opportunities for citizens of the region through the sharing of expertise and resources.
- **Technology:** There will be a seamless integration of technology into the University at all levels.
- **Enrollment:** WSU will effectively manage enrollment to meet the needs of the university. WSU will provide educational opportunities for all individuals including minorities, the disadvantaged, handicapped, and non-traditional students.
- **Assessment:** WSU will evaluate all programs to meet the needs of a changing educational and technical environment.

MISSION OF GRADUATE EDUCATION

Consistent with the mission of Winona State University, the mission of Graduate Education is to:

- Provide lifelong educational opportunities.
- Support a diverse range of high quality graduate programs to reflect the strengths and expertise of the university, and that are responsive to the changing needs of people in the region.
- Promote quality graduate study that enhances undergraduate programs.
- Provide flexible delivery systems for high quality graduate programs.
GOALS FOR GRADUATE EDUCATION
Consistent with the WSU Long-Range Plan, implementing the graduate education mission includes the following goals:
1. To sustain and enhance the quality of graduate studies at WSU.
2. To explore opportunities for all departments and disciplines to offer or contribute to graduate programs that fulfill the needs of the region.
3. To prepare students as leaders and specialists in their chosen profession.
4. To develop a sense of collaboration and collegiality among students and faculty through the process of graduate education.
5. To require participation in research and scholarly or creative activities in all graduate programs.

EXPECTATIONS OF GRADUATE STUDENTS
Advanced Study: Students who study at the graduate level will build on previous academic preparation by becoming involved in rigorous advanced study within the chosen discipline to levels beyond basic knowledge and comprehension. Graduate study will require that students analyze, synthesize, apply, and evaluate concepts learned.
Scholarly Research: Graduate students will be expected to distinguish themselves through professional reading research, and writing. Students will demonstrate the ability to responsibly manage information and data in a manner truthfully and intellectually acceptable to professional peers.
Professionalism: Graduate students will be expected to become involved in scholarly research designed to question and critically evaluate the beliefs and ethics of the chosen profession. Central to this development is involvement in professional and scholarly association, and meaningful intellectual discussions and collaboration with graduate faculty for successful integration of knowledge, skills, and attitudes of the profession.
People Skill Development: In the current era of human development, the ability to work collaboratively and cooperatively with professional peers in a multicultural/gender fair/disability sensitive environment is the blueprint for future personal, professional, community and national success. Students will be expected to demonstrate these behaviors throughout their graduate study.

ACCREDITATION AND MEMBERSHIPS
WSU is accredited by the following organizations:
• Higher Education Commission of the North Central Association of Colleges and Schools (NCA) – for undergraduate and graduate programs
• National Council for the Accreditation of Teacher Education (NCATE) – for all education programs (undergraduate and graduate) and the Minnesota Board of Teaching for the preparation of elementary and secondary teachers, elementary and secondary principals, school superintendents, and guidance counselors
• Council for Accreditation of Counseling and Related Educational Programs (CACREP) – Counselor Education program
• National League for Nursing Accrediting Commission (NLNAC) – for undergraduate and graduate Nursing programs
• Commission on Collegiate Nursing Education (CCNE) – for undergraduate and graduate nursing programs
• Commission for Accreditation of Allied Health Education Programs – for Athletic Training (an Exercise Science program)
• Council on Social Work Education – for the Social Work program
• Accrediting Board for Engineering (ABET) – for the Composite Engineering program
• National Association of Schools of Music (NASM) – for the Music program
• National Association of Schools of Theatre (NAST) – for the Theatre program

WSU is recognized by the following organizations:
• National Association for the Education of Young Children (NAEYC)
• National Council of Teachers of English (NCTE)
• Association for Childhood Education International (ACEI)
• Council for Exceptional Children (CEC)
• National Council for the Social Studies (NCSS)
• National Council of Teachers of Mathematics (NCTM)
• Association for the Advancement of Collegiate Schools of Business (AACSB)
• American Bar Association (ABA) – for the Paralegal program

WSU programs are approved by:
• American Bar Association (Paralegal Program)
• American Chemical Society
• Minnesota Board of Teaching
• Minnesota Board of Nursing (undergraduate Nursing program)
• Minnesota Board of School Administrators (College of Education)
• Minnesota Board of Teaching

WSU is a member of the American Association of Colleges for Teacher Education, the American Council on Education, the Midwest Association of Graduate Schools, American Association of State Colleges and Universities, the University Continuing Education Association, and the North American Association of Summer Sessions.

LOCATION AND COMMUNITY
WSU’s 47-acre campus is located near the heart of downtown Winona. The 4.25-acre Residential College campus, located two miles across town, is connected to the main campus via free convenient bus service.

Winona (population: 29,000) is nestled among the bluffs of the beautiful Hiawatha Valley on the banks of the Mississippi River—one of the most scenic areas in Minnesota. Students have convenient access to shopping, recreational activities and community resources. Additional cultural opportunities are available in LaCrosse, WI (30 miles away) and in the Twin Cities (120 miles away).

Winona also is home to three institutions of higher learning: WSU, Saint Mary’s University and Minnesota State College, Southeast Technical. WSU cooperates with these area institutions, as well as institutions throughout the MnSCU system, to enrich the educational and cultural opportunities for students at all institutions by sharing their programs and resources.

WSU’s Rochester Center is an example of the sharing characteristics of Minnesota institutions. The Center is housed in the same facility as the Rochester Community and Technical College and University of Minnesota. Interactive television (ITV) and computing connections link the Center to Winona sites and Winona students can avail themselves of cultural opportunities in Rochester.

CAMPUS FACILITIES
The main WSU campus provides students ample facilities for education activities that combine traditional charm with modern convenience. Highlighting the educational facilities is the newly constructed university library with capacity for 1600 power/data connections, spaced every 15 feet throughout the building. The library contains 800,000 volumes including books, bound periodicals and microfilm, electronic classrooms, study rooms and lounge areas.

Stark Hall, dedicated in September of 1992, houses the Composite Materials Engineering Program and the accredited Nursing Program as well as elements of Biology and other programs.

In addition to the academic buildings, exceptional facilities are provided for students’ social, cultural and recreational interests. The Performing Arts Center contains facilities for musical performances, theater productions and studio work. Memorial Hall is one of the finest physical education/athletic facilities in Minnesota. Its swimming pool, six full-sized gymnasiums, indoor track and tennis facilities, handball/raquetball courts, weight training room, and physiology of exercise laboratory make it the center for the University’s 14 athletic teams (five men’s teams and nine women’s teams).

The University Center (Kryzsko Commons) is home to student lounges, dining facilities, a bowling alley, student organization offices, conference rooms and various other accommodations for student activities and relaxation.

While emphasis has been placed on providing students with exemplary facilities for academic work, the University also provides students with comfortable, satisfying living accommodations. WSU has excellent facilities for student living and activities. There are seven residence halls that can accommodate 1800 students, including the Lourdes Hall Residential College.

The Residential College, housed in Lourdes Hall, offers students both housing and a unique educational opportunity. The Residential College’s general mission is "to provide an enhanced learning environment for highly motivated students to promote excellence in the achievement of their undergraduate education." Students are encouraged to discover the love of learning, tolerance for individual differences and benefits of a liberal education by developing their talents through strong student
educational pursuits and high expectations from the University. Having the intimacy of a smaller environment and the resources of a state university, WSU is able to create an atmosphere of collaborative learning. This is accomplished, in part, through a required First-Year Experience Seminar during the fall semester, which focuses on critical thinking and through banquets, speaker series, world forum dinners and floor activities.

ACADEMIC PROGRAMS
WSU comprises five distinctive colleges:
- College of Business
- College of Education
- College of Liberal Arts
- College of Nursing and Health Sciences
- College of Science and Engineering

Through these colleges, WSU offers 7 master’s degree programs, 64 undergraduate degree programs, 12 pre-professional programs, and several licensure and specialist degree programs.

WSU-ROCHESTER CENTER

Rochester Campus Map
Rochester Community Technical College
University of Minnesota Rochester Center
Winona State University - Rochester Center

GENERAL INFORMATION
Since 1917, Winona State University has served students in Rochester and the surrounding area. In 1993, Winona State University, along with the University of Minnesota and Rochester Community and Technical College, collaborated to create the University Center at Rochester (UCR) that is equipped with state-of-the-art technology for interactive television and computer systems that link UCR students with the Winona campus and the world. The Greater Rochester Area, which UCR serves, has a population of over 100,000 people; area residents have a high level of education attainment, and they are highly receptive to the lifelong learning opportunities offered by WSU-Rochester and the other institutions. WSU-Rochester serves approximately 2,000 students per year.

Because it is located in the City of Rochester, UCR has unique opportunities to collaborate with IBM, Mayo Clinic, and the Rochester School District to offer specialized classes in computer science, the health professions, and education.

WSU has a formal 2+2 program with RCTC leading to eleven (11) baccalaureate degrees. There are also five (5) master’s degrees with sixteen (16) different programs and an educational specialist degree offered by WSU in Rochester.

WSU also cooperates with the University of Minnesota in offering a Master’s degree in teaching leadership and cooperates with Mayo Clinic in offering a master’s degree in nurse anesthesia. Partnerships also exist among the Nursing Department, Mayo Clinic and the University of Minnesota.
DEGREE/PROGRAMS

Undergraduate Programs (2 + 2)

WSU-Rochester cooperates with Rochester Community and Technical College to offer complete educational programs to the area. Through the 2 + 2 program, students can complete eleven (11) baccalaureate degree programs by transferring lower-division credits from RCTC and completing upper-level courses at WSU-Rochester. Students can also complete numerous undergraduate minors and five graduate degrees within sixteen (16) different graduate programs—all at the Rochester campus of WSU.

Undergraduate Programs

- Accounting
- Business Administration
- Computer Information Systems
- Computer Science
- K-6 Education with Middle School Communication Arts and Literature
- K-6 Education with Middle School Social Studies
- Nursing, Generic and RN Option
- Professional Studies
- Psychology, Option A
- Social Work

Graduate Programs

Students can complete five (5) graduate degrees containing sixteen different graduate programs at WSU-Rochester.

- Master of Science in Counselor Education
  - Community Counseling
  - Professional Development
  - School Counseling
- Master of Science in Education
- Master of Science in Educational Leadership
  - K-12 Principalship
  - Teacher Leadership (non-licensure program)
  - General School Leadership (non-licensure program)
- Master of Science in Nursing
  - Advanced Practice Nursing
  - Adult/Family Nurse Practitioner
  - Clinical Nurse Specialist
  - Nurse Administrator
  - Nurse Educator
- Collaborative Master’s Program with University of Minnesota with emphasis in Public Health/Psych/Mental Health Nursing
- Specialist Degree in Educational Leadership

Special Programs

WSU cooperates with Mayo Clinic in offering a master’s degree in nurse anesthesia.

Certification programs include two special education licensure programs offered by the Special Education Department. These programs can be taken at the undergraduate and graduate level. They include licensure in the following areas: Developmental Disabilities and Learning Disabilities.

National Technological University (NTU)

Through a cooperative agreement with IBM, WSU is administering graduate courses in engineering and computer science. All NTU classes are taught through satellite delivery, and the courses originate from over 35 participating universities.

Non-Credit Programs

WSU-Rochester cooperates with community and professional groups, and the Institute for Lifelong Learning to provide non-credit continuing education programs for educators, business and industry, agencies and government.

Adult Entry Program

The Adult Entry Program is designed for mature students who have never attended college or are returning to college. Counselors are available in Rochester on a regular basis to assist adult students seeking a college education. Awarding college credit for life/work experience is possible under this program. (See Institute for Lifelong Learning Section for more information.)

Computer Facilities

The center is equipped with state-of-the-art technology for interactive television and computer systems that link UCR students with main campuses and the world. The computer facilities consist of four teaching computer labs, two open computer labs, and a shared computer lab. All labs allow students access to mainframes on the Winona campus.

Faculty

All program areas offered at WSU-Rochester are staffed with residential faculty who live and work in the Rochester area. In addition, WSU faculty members, who commute from the main campus, teach some classes.

LIBRARY

WSU-Rochester students have access to both the UCR Goddard Library and the University Library on the main campus. WSU-Rochester’s library holdings are integrated into UCR’s Goddard Library holdings of over 57,000 volumes. This arrangement provides students with an extensive resource of reference and research material on the WSU-Rochester campus. In addition, students may request overnight courier service to the main campus library for articles and books; they may also do online searches using the PALS and Luminet systems.

REGISTRATION

Students can enroll at WSU-Rochester classes without being formally admitted, but graduate students not in a degree program need to enroll as a Graduate Special and provide proof of an undergraduate degree.

STUDENT SERVICES

Campus Visits

Students are encouraged to visit WSU-Rochester at the University Center in Rochester any time. For more information about programs and services, call (800)-366-5418 or (507) 285-7100.

Career Services

Career Services staff schedule appointment dates on the Rochester campus during the academic year for individual advising. Appointments can be made by calling Student Services at (507) 285-7100. In addition you may register on line with Career Services to access announcements of employment and internship opportunities, career search information, and to create an on-line resume for candidate referral to potential employers via the World Wide Web.

Counseling

Counseling services are available through WSU-Rochester. Staff members are professional counselors with extensive academic experience in counseling.

Financial Aid

Counseling is available for students concerning long and short-term plans for financing their education. An Application for Financial Aid should be requested when you apply for admission. Representatives from the WSU Financial Aid Office are available at WSU-Rochester on a weekly basis. Preliminary information is available at WSU-Rochester.

Housing and Dining

WSU-Rochester Center, along with its UCR partners, Rochester Community and Technical College (RCTC) and University of Minnesota-Rochester (UM-R) is considered a commuter campus. However, a variety of housing options are available in the Rochester area, including furnished and unfurnished apartments, efficiencies, single room rentals and houses. RCTC has a listing of housing information for students. In addition, Professional Property Management is a local independent agency, which also provides information on housing for UCR students. Students may obtain housing information from both of these sources at the UCR Information Desk.

WSU-Rochester Center’s cafeteria is located on the third floor of the College Center. In addition to the cafeteria, food and beverage vending...
machines are available throughout the campus complex. Microwaves for student use are also available in the cafeteria, as well as in some vending machine areas.

Joint WSU/RCTC Services
Other areas of student support, i.e., services to disabled students and childcare, are coordinated by WSU-Rochester staff members.

Parking Services
Students will be charged a $1.50 parking fee per credit with a maximum parking fee of $22.50 per semester. This fee will automatically be added to students' semester billing for tuition and fees. No parking permit will be issued. “Yellow” lots are for student parking.

Student Disclosure Policy
Attention UCR students: Winona State University shares administrative tasks and other functions with Rochester Community and Technical College and the University of Minnesota at the University Center Rochester campus. Educational records of students taking classes at the UCR campus may be made available to employees of these other two institutions while the student is attending the UCR campus if access is necessary for the employee to provide services to the student.

Director of Graduate Studies
Lee Gray, Ed.D.
Gildemeister 132 (507) 457-5346
lgray@winona.edu

Office of Graduate Studies
Mary Zeise, Office Manager
Somsen 114C (507) 457-5038
mzeise@winona.edu

The center of information and assistance for graduate students is the Office of Graduate Studies, 114C Somsen Hall. The Office reviews applications for admission, candidacy/programs, comprehensive examinations, graduation, and graduate assistantships and maintains graduate student records.

The Graduate Office coordinates graduate programs. The Graduate Council (an advisory group of graduate faculty) provides guidance and recommendations on graduate programs. Inquiries on specific program requirements should be addressed to the department chairperson or program director of the degree-sponsoring department.

The Office of Graduate Studies is open weekdays, except holidays.
GENERAL INFORMATION

AFFIRMATIVE ACTION OFFICE
Somsen Hall, Room 202B (507)457-5008 or (507)457-5013

The Affirmative Action Officer (AAO) provides information and investigates complaints of discrimination or harassment based upon sex, race, color, national origin, disability, and genetic information. They are available to provide information on any aspect of the Equal Employment Opportunity laws. The AAO is available to answer questions related to the job search, to critique resumes and cover letters, and to provide tips on interviewing. Content development assistance for WINGS (Winona Graduate Skills) web-based portfolio is available by scheduling an appointment with the WINGS student assistants at 126 Library, by calling 457-2330, or by emailing sac@winona.edu.

CAREER SERVICES
Gildemeister Hall, Room 110 (507)457-5340
Website: www.winona.edu/career
e-mail: career@winona.edu

Career Services assists seniors, graduate students and alumni seeking full-time employment; juniors and seniors seeking internships and firstand second-year students seeking career direction. Individual advising appointments are available to discuss career direction as well as questions related to the job search, to critique resumes and cover letters, and to provide tips on interviewing. Content development assistance for WINGS (Winona Graduate Skills) web-based portfolio is available by scheduling an appointment with the WINGS student assistants at 126 Library, by calling 457-2330, or by emailing sac@winona.edu.

Students can interact with employers through career fairs, job fairs, and on-campus interviews. Career Services also provides employers access to students' resumes directly through our website. Career Services is open from 8:00 a.m. to 4:30 p.m. during the academic year and 8:00 a.m. to 6:00 p.m. during the summer. Students can access job openings or update their resumes via the internet 24 hours a day, seven days a week from the comfort of their computers. Employment information and graduate follow-up results are available in the office as well as on our website. Graduates are encouraged to register one semester prior to completion to take full advantage of the services offered through Career Services.

STUDENT ANSWER CENTER (SAC)
Kryzsko Commons, Lower Level (507)457-2456
Website: www.sac@winona.edu
e-mail: SAC@winona.edu

When students are not sure where to go for answers to their questions, they can start with the Student Answer Center (SAC). SAC is open Monday through Thursday from 8:00 a.m. to 6:00 p.m. and Friday from 8:00 a.m. to 4:30 p.m. Students may also call SAC for an immediate response or, after hours, leave a voice mail for a response the next business day. If students have questions, they may email questions or they may access the list of frequently asked questions on the SAC website. SAC can handle a variety of requests; for example, SAC can print WSU bills for students, give out advisor information, complete change of address forms and declaration of major forms. SAC is the first stop for students interested in Study Abroad and is the one-stop resource for Winona State University students and guests.

COUNSELING CENTER
Gildemeister Hall, Room 132 (507)457-5330

The Counseling Center provides short-term counseling to currently enrolled students who are experiencing difficulty in their personal lives. Common concerns may include adjustment to college, relationship issues, depression, anxiety, alcohol use/abuse, self-esteem grief, etc.

Counselors can also assist with off-campus resources for the student's care.

In addition to personal counseling, the Counseling Center also offers career counseling. Outreach educational presentations are offered to the Winona State community, as well as to the community at large. Three professional counselors, a full-time office manager and graduate student interns staff the Center. Students should call the Counseling Center or stop by between 8:00 a.m. and 4:30 p.m. to schedule an appointment.

Services are provided at no cost to the student and information exchanged during the counseling process is confidential. Information will be released with the student's written permission. Students are advised of their "client rights" and the exceptions to confidentiality.

DISABILITY RESOURCE CENTER
Howell Hall, Room 136 (507)457-2391
www.winona.edu/disabilityservices

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Winona State University endeavors to make reasonable adjustments in its policies, practices, services and facilities to ensure equal opportunity for qualified persons with disabilities to participate in all educational programs and activities. A person with a disability is defined as:

- A person with a physical or mental impairment that substantially limits one or more major life activities. This includes care for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.
- A person who has a disability, has a record of the disability, or is regarded as having the disability.

A student requiring special accommodation or auxiliary aids must apply for such assistance through the Disability Resource Center. The ADA Office will respond to concerns about inequity of access or opportunity. Proof of disability from a competent authority will be required, as well as information regarding specific limitations for which accommodation is requested. Reasonable accommodations are the services that are necessary to provide equal access in an academic setting. Examples of possible accommodations may include testing accommodations, note-taking assistance, interpreter services, tape-recorded lectures, photocopying, writing/scribing assistance, lab assistance, adaptive equipment, priority registration, or taped textbooks.

A qualified person is one who has a disability and who meets the essential academic eligibility requirements for the WSU program or activity in which the individual seeks to participate. In order to receive academic accommodations, the person must identify/self-disclose his/her educational needs.

- Approval of accommodations is based on adequate supporting documentation of a disability.
- Qualified disabled students must meet the same academic requirements as all students on campus.
- Accommodation is not reasonable if it compromises the essential elements of a course or lowers academic standards.
- A request may be denied if it fundamentally alters a course or program or is an undue hardship for WSU.
- Some of the auxiliary aids may be provided by another agency such as Recordings for the Blind and Dyslexic and the National Library Service.
- Certain accommodations, such as course modifications or substitutions, may take up to one semester to be provided.

Further information is available in the Student or Faculty Disability Handbook, which is available in the Disability Resource Center or online at www.winona.edu/disabilityservices/handbooks/students/handbook.html.

INTERNATIONAL SERVICES AND CULTURAL DIVERSITY
Kryzsko Commons, Room 130 (507)457-5303
Website: www.winona.edu/internationaloffice

The International Student Office provides assistance to all multicultural and diverse students attending WSU. Information and advice is available regarding admission to the University, scholarships, immigration concerns, Friendship Family Program, orientation programs, insurance requirements, employment regulations for F-1 visa holders and other information related to the well-being of international students.

A limited number of English language courses are available for non-native speakers. Students are assigned to these courses on the basis of their scores on the WSU English Test for Non-Native Speakers. This test must be taken prior to registration for the initial term of attendance at WSU.

Health insurance provided by the University is required of all international students. Billing will occur during the fall for the entire year.

A required orientation is held prior to the beginning of each semester for all in-coming international students. The University requires that international students meet with a staff member of the International Student Office immediately after arrival to the University. At such time, updated information is provided on orientation dates and test times for the English screening exam.
The Maxwell Children’s Center, as part of the College of Education, provides:

- Full-service, affordable, educational and inclusive environment for all children.
- Valuable classroom setting for University students seeking a variety of Minnesota teaching licensures. Students participate as required for practicum/field placement assignments; they also serve as staff.
- A model program for regional early childhood professionals.

The Center serves children aged six weeks to 12 years and is open Monday through Friday from 7:00 a.m. to 5:30 p.m., twelve months each year, excluding university holidays and part of each semester break. Children may be enrolled as either part-time or full-time participants. Additionally, children aged 3-5 may be enrolled as morning or afternoon preschool participants. Children aged 6-11 may participate in after-school or full-day summer enrichment programs.

All WSU students who have children are strongly urged to contact the Children’s Center as soon as they are admitted to WSU due to high demand for the Center’s services.

PARKING SERVICES
Sheehan Residence Hall (507)-457-5062
Website: www.winona.edu/parking
E-mail: parking@winona.edu

Parking permits are required to park in all University parking lots of the Winona campus with the exception of metered spaces in the silver Kryszko lot and metered spaces on Johnson Street. This includes all students who have a state-issued handicapped permit. Information about how to obtain a visitor permit is available from Parking Services. For the Winona campus, the application process for parking permits starts April 1 to be effective the next school year. Applications exceed the parking spaces available, spring and fall drawings are held. If space becomes available after the drawing, permits are sold on a first-come, first-serve basis. If no permits are available, applicants’ names are put on a waiting list. For more details and information about the coast of parking permits on the Winona campus, contact Parking Services.

SECURITY SERVICES
Main Floor, Sheehan Residence Hall (507)-457-5555
Website: www.winona.edu/security

WSU security is responsible for the physical security of all residence halls and academic buildings throughout the University. Security provides 24-hour coverage of the campus and works to ensure the safety of students, staff, faculty and WSU property, as well as working proactively to prevent crime. Additionally, the Winona Police Department patrols and responds to calls on campus 24 hours a day throughout the year.

CRIME AWARENESS AND CAMPUS SECURITY ACT
WSU Security Services
Sheehan Hall (507)-457-5555
Website: www.winona.edu/security/crime_report_wsu.html

Winona State University recognizes providing the safest environment possible is an integral element of the University’s educational mission and annually publishes a Campus Security Report that is available to everyone. This report provides statements of policy for a broad range of safety and security programs including crime prevention programs, personal safety, community relations, environmental safety, enforcement authority and response and a 3-year statistical review of designated crimes on campus. A printed copy of this report may be obtained at no charge from Winona State University Security Office: Sheehan Hall, Winona State University, Winona, MN 55987, phone (507)-457-5555, or from the website above.

STUDENT CONDUCT
Office of Student Affairs, Conduct Officer
Kryszko Commons, Room 130 (507)-457-5300

The WSU Student Conduct Policy and related policies, which express expectations concerning behavior and state the rights of students, are available online at www.winona.edu/studentaffairs or www.winona.edu/handbook (online Student Handbook) or in the Office of Student Affairs. Students are responsible for being aware of and complying with all WSU student policies and regulations.

At the discretion of the University, students may be held accountable for behavior—both on and off campus—that constitutes a violation of local, state, and federal laws. Note that the WSU Student Conduct Policy does not replace or reduce the requirements of civil or criminal laws. If assistance with a complaint or additional information is needed, contact the Student Conduct Officer through the Office of Student Affairs.

STUDENT HEALTH SERVICE
West Wing of Maxwell Hall (507)-457-5160

Minnesota Law
Minnesota law (M.S. 135A.14) requires that ALL students born after 1956 and taking more than one class per semester/session, provide proof of immunization against measles, rubella, mumps, diphtheria, and tetanus in order to remain enrolled in classes. Questions regarding this policy can be referred to WSU Student Health Service, (507)-457-5160. The law requires you to submit your immunization information to the Student Health Service within 45 days of the beginning of the term. Forms are available at the Student Health Service, in the Class Schedules, and at the back of this catalog.

VETERANS’ ASSISTANCE
Veterans Assistance Office
Sornsen Hall, Room 106 (507)-457-5109

WSU is approved by the State Approving Agency for Veterans Training. Eligibility certificates should be presented to the Veterans Assistance Office, Sornsen 106, when students enroll.

Procedures:
1. Students’ application for veteran’s benefits can be submitted through the county Veterans Service Office or through WSU. Students must submit with the application a certified copy of their DD-214 Form or a Notice of Basic Eligibility.
2. Enrollment is certified only after students present their DD-214 Form to the Veterans Office (after they have been admitted to the University). Enrollment for full-time students is for the academic year. Summer sessions and/or workshops are separate enrollment periods. The date of students’ enrollment is based on the school calendar, workshop dates or contract periods. Note: A mixture of graduate and undergraduate credits is allowed only under special arrangements.
3. Students must report each change in academic load to the Veterans Assistance Office.
4. Payments of benefits: Allowances are paid on a monthly basis, conditional on students’ satisfactory progress in an approved course and their conduct. Payments are released upon certification furnished by the school. Students must notify the Registrar’s Office and the Veterans Assistance Office when they complete a course, drop a course or their course of training is interrupted.
5. Veterans with Dependents: The Veterans Administration requires students to submit certified copies of marriage certificates, birth certificates and/or adoption papers for their dependents before they can receive payments based on their marriage and dependents. They
are paid a single rate until these documents are on file with the VA. The WSU Veterans Assistance Office and the county Vets Services Office can help expedite this procedure.

7. Academic Load: Full-time training requires 12 s.h. of undergraduate credit or 9 s.h. of graduate credit. Three-fourths time training requires 9 s.h. of undergraduate credit or 7-8 s.h. of graduate credit. Half-time training requires 6-8 s.h. of graduate credit.

8. Tutorial Assistance: This program provides tutors to help students overcome a deficiency in any subject required for the satisfactory pursuit of an educational objective. It is available to Vietnam-era vets. See the Veterans Office for detailed information.

9. Credit for Military Schools: Service schools and training are evaluated according to the recommendations of the American Council on Education’s Guide to the Evaluation of Educational Experience in the Armed Services when students present an official DD-214 Form to the Office of Admissions.

**FINANCIAL INFORMATION**

Office of Student Accounts
Somsen Hall, Room 104 (507)457-5075

**TUITION**
Undergraduate tuition for full-time students (12-18 credits) for the Winona campus is billed at a flat rate. All full-time Wisconsin residents are also billed at a flat rate. Tuition for classes on the Rochester campus is billed on a per-credit basis (except for Wisconsin residents). All summer session and graduate courses are charged on a per-credit basis.

Note: Tuition rates can be viewed at [www.winona.edu/billing](http://www.winona.edu/billing)

**ESTIMATED FEES**
Note: All fees subject to change.

**Application Fee**
A non-refundable fee of $20 is required with any application for admission. Students who have previously been admitted to WSU and paid the application fee are not subject to this fee when they return to WSU.

**Athletics Fee**
The athletics fee is assessed to all students attending classes through the Winona and Rochester campuses. A committee consisting of members of the student senate and university administration determines the rates and distribution of funds.

**Course Fees**
Course fees are assessed to all students attending courses that have additional course fees indicated in the class schedule. Rates are determined by the department chairperson and approved by the Dean and Vice President for Academic Affairs. Departments use course fees to pay for costs not normally incurred in everyday instruction, (e.g., greens fees for a golfing course or a transportation fee for courses with a field trip component).

**Health Service Fee**
The health service fee is assessed to all students attending classes through the Winona and Rochester campuses. A committee consisting of members of the student senate and university administration determines the rates and distribution of funds.

**Incidental Fees**
Several small fees arise from other non-course related matters such as health service, credit by exam fees, ID card replacement fees, parking permits, and library fines.

**Insurance**
Health insurance is available to all full-time students. Further details are available in the Counseling Center (Gildemeister Hall, Room 132).

**Late Payment Fee**
Payment in full for all tuition, fees and residence hall charges must be paid by the payment due date indicated in the current class schedule (at [www.winona.edu/classschedule](http://www.winona.edu/classschedule)). Any payment accepted after the payment due date will be assessed a late fee of $30.00.

**MSUSA Fee**
The MSUSA Fee is assessed to all students attending classes for college credit. The rates are determined by the Minnesota State University Student Association (MNUSA) and the state board office. Funds are used by the Minnesota State University Student Association.

**Residential College Fee**
The Residential College fee is assessed to all students within the Residential College. The rates are determined by the University Administration and funds are used to provide additional programs for those in residence at the Residential College.

**Student Life Fee**
The student life fee is assessed to all students attending classes through the Winona and Rochester campuses. A committee consisting of members of the student senate and university administration determines the rates and distribution of funds. Areas receiving funds include the student senate, university clubs, and the Winonan.

**Technology Fee**
The technology fee is assessed to all students attending classes for college credit. The rates are determined by the university administration, and funds are used to support the student computer labs and academic computer services.

**Union Facility Fee**
The Union Facility Fee is assessed to all students attending classes through the Winona campus. The rate is determined by the university administration, and the state board office. Funds are used to finance the construction, maintenance, and daily operation of the student union building.

**REFUND POLICY**
If a student's course schedule is reduced for the convenience of the University, the tuition shall be adjusted without penalty. Students dropping classes must inform the Registrar's Office using the official drop procedures.

A student who withdraws from the University should obtain Application for Refund form from the Registrar's Office, Room 114, Somsen Hall. Students dropping classes must inform the Registrar's Office using the official drop procedures. Students who withdraw from the University or who drop one or more credits will receive a tuition refund according to the refund schedule below; refunds on activity fees will be calculated on the same basis as tuition.

Refunds are not given for textbooks and materials. Used books may be sold at the University Bookstore during the last week of each term.
WSU TUITION REFUND SCHEDULES

TERMS AT LEAST 10 WEEKS IN LENGTH:
Withdrawal Day | Withdrawing | Credit Drops |
--- | --- | --- |
Up to and including 6th class day of term or 1 day after 1st class session - whichever is later | 100% | 100% |
7th through 10th class day of term | 75% | None |
11th through 15th class day of term | 50% | None |
16th through 20th class day of term | 25% | None |
After 20th class day of term | None | None |

TERMS 3 TO 10 WEEKS IN LENGTH:
Withdrawal Day | Withdrawing | Credit Drops |
--- | --- | --- |
Up to and including 3rd class day of term or 1 day after 1st class session - whichever is later | 100% | 100% |
4th and 5th class day of term | 100% | None |
6th through 10th class day of term | 50% | None |
After 10th class day of term | None | None |

TERMS OF FEWER THAN 3 WEEKS IN LENGTH:
Withdrawal Day | Withdrawing | Credit Drops |
--- | --- | --- |
Up to and including 1 day after 1st class session | 100% | 100% |
After 1 day after 1st class session | None | None |

ENROLLMENT FOR A SINGLE 1, 2 OR 3 DAY SESSION OR LESS:
Withdrawal Day | Withdrawing | Credit Drops |
--- | --- | --- |
Prior to session beginning | 100% | 100% |
After session begins | None | None |

ESTIMATED TEXTBOOKS

Textbooks costs range between $300 and $450 per term. Books can be purchased at the WSU Bookstore or other locations.

FINANCIAL ASSISTANCE

Student Financial Aid Office
Somsen Hall, Room 108 (507-457-5090)

Application for financial assistance requires the completion of the Free Application for Federal Student Aid (FAFSA). To be considered for aid, a student must be enrolled or accepted as a graduate student in an eligible program for the purpose of obtaining a degree and must maintain good standing and meet satisfactory progress standards at the university. To qualify for student loans, graduate students must be enrolled on a half-time basis or more. Half-time enrollment requires a minimum of three graduate credits.

LOANS

Federal Perkins Loan: The Federal Perkins Loan is a 5% interest loan awarded through the Financial Aid Office to students enrolled on at least a half-time basis who demonstrate exceptional need based on the FAFSA. Repayment and interest does not begin until after the student ceases to be enrolled on a half-time basis. Cancellation may be available for teaching in certain areas or certain subjects, for service in a Head Start Program, full-time nursing or law enforcement, or other conditions per the terms of the promissory note the student signs at the time of disbursement.

Federal Subsidized Stafford Loan: This need based loan is available to students enrolled half time or more and provides up to $8500 per year for graduate study. The interest rate is variable capped at 8.25 percent with the federal government paying the interest while the student is in school and for a six-month grace period. Eligibility is determined by the Financial Aid Office based on the FAFSA and cost of attendance. Borrowing is done through a commercial lender.

Federal Unsubsidized Stafford Loan: Demonstrated financial need is not required for the Federal Unsubsidized Stafford Loan but a FAFSA must be filed before school certification can occur. The borrower is responsible for interest that occurs while he/she is in school. The interest rate is variable capped at 8.25 percent. Graduate students may borrow up to the cost of attendance at WSU minus any subsidized Federal Stafford or other aid received. Borrowing is done through a commercial lender.

Student Education Loan Fund (SELF): The Minnesota Higher Education Services Office provides loans of up to $9000 per year for graduate students who are enrolled at least half time. Loan amounts are determined by the cost of attendance, other aid and student's prior and current student loan indebtedness. A student is eligible for SELF-loans regardless of family income, but must have a creditworthy co-signer. Students make interest payments at a variable rate while they are in school. Students are required to file a FAFSA and have their application approved through the Financial Aid Office.

Short-Term Loans: These loans are available to students for emergency expenses. For applications and more information, students should contact the financial aid office.

EMPLOYMENT

The Federal and State Work-Study Programs provide part-time employment to students who demonstrate financial need. Most employment is on campus, but students can work in off-campus non-profit organizations or public agencies. Employment is limited to twenty hours per week while classes are in session.

Institutional employment is available to students on a limited basis through various departments on campus. Students seeking this employment should contact campus departments. Graduate assistantships for teaching, research and staff assignments may also be available. Contact the graduate departments for possible openings.
GRADUATE PROGRAMS

The colleges within the university that offer graduate programs are the College of Education, College of Liberal Arts and College of Nursing and Health Sciences. In addition to the Master of Science, Master of Arts, and Specialist degree, various advanced licensure programs are available. Each graduate student is responsible for complying with the regulations for admission, registration, completion of candidacy/program forms, program requirements, graduation requirements, and all other deadlines and stipulations applying to graduate study. The University catalog in effect at the time of approval of candidacy/program form governs student program and degree requirements. Deadlines applying to graduate students are specified in the academic calendar.

Undergraduate Students in Graduate Courses

Undergraduate students who need twelve or fewer semester credits to complete baccalaureate degree requirements may request permission from the Director of Graduate Studies to take 500 level courses for graduate credit to complete a regular course load during the semester of graduation. Undergraduate students may not enroll in courses at the 600 level or 700 level. These 500 level course credits will not apply toward undergraduate degree requirements, but will apply to graduate program requirements if within time limit regulations. Exceptions may be granted for special departmental programs.

Graduate Special Students (Non-degree seeking)

A student who has completed a baccalaureate degree from an accredited university and who wishes to enroll in graduate courses, but does not intend to pursue a graduate degree at Winona State University, may register as a graduate special student. Prospective graduate special students must complete a Graduate Special application form to be admitted to the university. Admission as a graduate special student does not constitute admission to a graduate degree program.

A graduate special student who later wishes to enter a graduate degree program at Winona State must meet all requirements for admission to graduate study and complete an Application for Admission to Graduate Study and an application for the particular program in which they wish to major. A maximum of twelve (12) semester graduate credits earned as a graduate special student may be accepted into a degree program upon recommendation of the major department.

Graduate Assistantships

Graduate assistantships are awarded to provide graduate students with additional study and experience in their field through interaction with faculty and staff. Graduate assistants may be assigned to instructional, laboratory, research, and/or other professional duties. A graduate assistant works under the direct supervision of a graduate faculty member or full-time professional employee with a Master's degree or equivalent experience and expertise in the area of the assignment. The supervisor is responsible for the academic integrity and quality of the assistant's performance.

Graduate assistantships are available to highly qualified graduate students. WSU Regulation 3-10 governs the requirements, responsibilities, and hiring procedures for graduate assistants. In addition to a WSU contract, students must also sign the Condition of Employment for Graduate Assistants. Graduate assistants receive a stipend and tuition assistance. Applicants should submit applications for assistantships to the appropriate department chairperson or program director. Anyone who has been appointed to a graduate assistantship prior to the first day of classes shall be granted resident tuition status for the period of the appointment.

GENERAL ACADEMIC REGULATIONS

The following regulations are applicable to all graduate programs unless otherwise stated. Academic departments may establish more stringent requirements so be sure to note departmental policies.

Academic Integrity

The University community requires that work produced by students in the course of their studies represents their personal efforts and requires that they properly acknowledge the intellectual contributions of others. Papers and other work in written or oral format prepared for classes should contain the student’s own words and ideas unless the student identifies the ideas of others being incorporated, paraphrased, or quoted. Such ideas must be duly cited by attributing all information that is not readily verifiable and not commonly understood in the discipline. To do otherwise is to plagiarize by using passages or ideas from others while claiming them as one's own.

PENALTY: to plagiarize is to be intellectually dishonest. Except for rare instances when there are mitigating circumstances, it will result in immediate dismissal from class with a grade of E.

REDRESS: the student must initiate arbitration of this penalty with the teacher involved. In case no satisfactory resolution is achieved, then the dean of the college in which the course is taught will make a determination. All affirmed incidents reported by the teacher will be recorded by the Vice President for Academic Affairs.

Time Limitation

All degree requirements including credits to be earned, transfer credits, final examinations, thesis, required research papers, and all other program requirements must be completed within the seven (7) years prior to the awarding of the degree, except for the Specialist degree in Educational Leadership wherein the limitation is eight (8) years.

Under exceptional extenuating circumstances, a student may submit a petition to the Director of Graduate Studies requesting a one-year extension of the time limitation. Such a request is to contain all pertinent facts, justifying rationale, and a plan for degree completion.

Course Credit

Courses numbered 600 and above are for graduate credit only and no undergraduate may enroll in them. Courses for either graduate or undergraduate credit rate are 400/500 level, with the 400 level for undergraduate credit and the corresponding 500 number for graduate credit. Compare the graduate and undergraduate catalogs to determine these courses. The 500 level courses will not apply toward an undergraduate degree. Graduate students registered in the 500 numbered courses will be required to do additional work to meet course requirements. Graduate credit will not be given for courses at the 500 level to students who have already received credit for an equivalent undergraduate course.

Courses offered for a letter grade only will be listed as Grade Only in the specific course description. Courses offered Pass/No Credit only will be listed as P/NC in the course description. If no grading option is listed in the course description, the course may be taken for either a letter grade or a Pass/NC.

Credit Limitations and Overloads

Six (6) credits of enrollment per semester are required for full-time status for students receiving financial aid. No graduate student is permitted to enroll for more than twelve (12) credits per academic semester or six (6) credits during the summer session without approval from the appropriate area dean or Director of Graduate Studies. This regulation applies to any combination of courses, workshops, weekend seminars, institutes, and other special offerings.

Transfer of Graduate Credits

Two official copies of all transcripts must be sent to the Graduate Office, 114 Somsen, Winona State University, P.O. Box 5838, Winona, MN 55987. Ten (10) semester graduate credits of A, B, or Pass grades may be transferred if earned from regionally accredited graduate institutions and
recorded as a graduate course on the official transcript. Acceptance is contingent upon the approval of the student's advisor, chairperson/program director of the student's major department and the Director of Graduate Studies. If graduate credits are being transferred from other Minnesota State Universities (Bemidji, Mankato, Metropolitan, Moorhead, St. Cloud, and Southwest) and/or the University of Minnesota, WSU may accept up to 16 semester hours. However, no more than a maximum total of 16 transfer credits will be accepted without special approval of the Graduate Council.

Subject to university approval, consortium/cooperative agreements for special degree programs may develop transfer credit regulations that apply only to students in those programs.

Transfer credits must have been earned within the seven-year time limit for completion of the degree program and will be accepted only after they have been approved as part of the student's degree program on the Application for Candidacy/Program Form.

Supplement to Candidacy/Program Form for Transfer of Graduate Credits

After the Application for Candidacy/Program form has been completed, enrollment at another college or university with the expectation of credit transfer must be approved by the advisor, chairperson/program director of the student's major department, and the Director of Graduate Studies on a Supplement to Candidacy/Program form.

Only grades of A, B, or Pass will be accepted in transfer and will not be used for computation of the required WSU grade point average. Pass grades may be accepted in transfer and applied to a graduate program, but in no case may the credits exceed the limits set forth in the section entitled PASS/NO CREDIT courses.

Grade Point Average (GPA)

Each semester hour of credit attempted receives honor points according to the following: each A credit = 4 honor points; each B credit = 3 honor points; each C credit = 2 honor points; each D credit = 1 honor point; each E credit = 0 honor points. The grade point average is computed by dividing the total number of honor points by the total number of credits attempted. Only those courses and credits taken at WSU will count for the computation of grade point averages. Although courses taken on a pass/no credit basis grant credit applying toward graduation, the credit does not affect the cumulative grade point average.

An A = Excellent, B = Good, C = Average, D = Poor, F = Failure, P = Passing, NC = No Credit, W = Official Withdrawal, V = Audit (registration without credit or grade). In addition, temporary grades may be issued as follows: I = Incomplete, IP = In Progress, Z = No Grade Reported, see Instructor.

Graduate students must have a minimum grade point average of 3.0 on courses taken at Winona State University. No course will be counted if the grade is below C. These are minimum standards and the departments offering graduate programs may require higher standards.

Incompletes

An "Incomplete" is permitted (by the instructor) for special cases when circumstances prevent the student from completing course requirements by the end of the semester, although the student is passing the course in all other respects.

All incompletes must be removed within one calendar year from the end of the semester in which an incomplete is incurred or the course grade becomes an F. All incompletes for course work must be removed before a graduate degree is granted.

An instructor may assign a grade of IP ("In Progress") to a student who is in a course that is not expected to end at the close of a semester. Certain internships and arranged classes, for example, are designed to continue beyond the close of a semester. If an "IP" is not replaced with a grade within one year of the close of the semester in which the course was offered, it becomes a failing grade.

Audited Courses

The course audit procedure permits a student to attend classes but not receive credit. Courses pursued on an audit basis must be declared and processed prior to completing the student's registration. Regular tuition charges apply. Students may not use "audit" credits to satisfy graduation, certification, or licensure requirements.

Pass/No Credit Courses

Courses taken on a pass/no credit basis receive credit toward graduation. These credits do not affect the cumulative grade point average. Completion of such a course is entered P (pass) or NC (no credit) on the permanent record. Departments designate which courses may be taken on the pass/no credit basis.

A student may be allowed to count six (6) credits of P/NC regular coursework on the master's degree. Internships, workshops, clinicals or practicums, which are only offered on a P/NC basis, may also be applied toward the degree program, if approved as part of the Application for Candidacy/Program. The P/NC limit for the Specialist degree is 16 credits. Consult the graduate departments for any additional restrictions.

A grade of "pass" means at least B quality work for graduate credit.

Independent Study

Projects beyond the scope or range of regular graduate courses may be pursued on an independent study basis. Arrangement must be made with the instructor and be approved by the advisor, department chairperson, college dean and the Director of Graduate Studies. Application for independent study must be completed according to announced deadlines specified in the class schedules. A maximum of nine (9) credits of independent study (3 credits in one semester or summer session) may be counted toward the approved degree program. Any exceptions will be considered on an individual basis.

Arranged Classes

A student who desires to enroll in a course that is listed in the WSU Catalog, but not offered during a specified term, must complete an Arranged Class Application Form. The application must be approved by the instructor of the arranged course, advisor, chairperson/program director of the student's major department, college dean, and the Director of Graduate Studies. Arranged courses may only be pursued during those semesters when the course is not offered through the regular schedule. Application for arranged classes must be completed according to announced deadlines specified in the class schedules. Only two required core courses may be taken on an arranged basis following appropriate approvals, and a maximum of nine (9) credits (core and electives) may be counted toward the approved degree program. Any exceptions will be considered on an individual basis.

Internships/Practicums/Clinicals

Internships/Practicums/Clinicals are available or required in many departments. The conditions and requirements are determined by the department supervising the experience. Applications, if necessary, must be completed according to announced deadlines specified in the class schedules. For descriptions and limitations, see departmental course descriptions.

Application forms for independent study, arranged classes, and internships may be obtained from the department office, Graduate Studies, or Registrar's Office.

Drop/Add Policy

In the event a student must drop and/or add a course after registration has been completed, the regulations published in the class schedule must be followed. For further information contact the Registrar's Office, Somsen 114; Continuing Education, Somsen 109; or the WSU Rochester Center (depending on how the course was offered).

Course and University Withdrawal

If a student withdraws either from a class or from the University, he/she is required to contact the Registrar's Office, Continuing Education, or Rochester Center to complete the appropriate forms. Withdrawals must be requested before the deadline date published in the class schedule. If a student processes the withdrawal by the deadline date he/she will receive a mark of withdrawal (W) on his/her transcript.

If a student withdraws (W) from a course he/she is repeating, the original grade is included in the computation of the GPA.

If a student drops a course or withdraws from the University without giving official notification to the Registrar's Office, Continuing Education, or the Rochester Center, he/she will be given a grade of E.

If a student withdraws from the University during any semester, he/she must discharge all business obligations and notify the Registrar's Office.
Admission Policies

Admission to Graduate Study
1. Follow application deadlines published in the catalog and class schedule to allow complete processing prior to registration.
2. Complete the Application for Admission to Graduate Study and send to Graduate Office, Winona State University, P.O. Box 5838, Winona, MN 55987, along with a $20 non-refundable application fee made payable to Winona State University. The fee is waived for students who have previously been admitted to WSU as an undergraduate or graduate special student.
3. Request two official transcripts from each undergraduate and graduate college or university attended. All transcripts must be submitted directly by each institution to the Graduate Studies Office. Transcripts must show that the student has received a Bachelor's degree from an institution accredited by an appropriate national accrediting body, a regional accrediting agency, or by the reporting state agency of the state in which the college or university is located.
4. Coursework must begin within two (2) years after admission to a graduate degree program or the student must reapply, provide two copies of official transcripts, and pay the application fee.

Admission to Graduate Degree Program
1. After admission to Graduate Study, completed applications from students who have a minimum, cumulative GPA of 2.5 on a four (4) point scale from their baccalaureate degree-granting institution will be forwarded to the appropriate department for admission review and recommendation. Check the departmental sections of the catalog to determine additional criteria such as a higher GPA, test scores, references, etc.
2. Students with a cumulative grade point average lower than required by their graduate department from their baccalaureate degree granting institution may be granted provisional status from the Graduate Studies Office. Students admitted on a provisional basis are required to achieve at least a 3.00 GPA in their first 12 semester hours of 600 level course work before being permitted to apply for a graduate degree program. In addition, provisionally admitted students will be required to satisfy any course work deficiencies or additional admission criteria indicated by the department/program to which the student is applying. Upon completion of the 12 semester hours and/or other requirements, the student must formally apply for admission to a degree program by contacting the Office of Graduate Studies, 114 Somsen, 507-457-5038. A registration hold will indicate when students have reached this level.
3. Following receipt of the departmental recommendation, the Office of Graduate Studies will notify the student of the action taken on the application.
4. Students unable to satisfy the departmental or above stated requirements will be allowed to continue to enroll in graduate level course work as a Graduate Special Student, not in a degree program.

Test Requirements
Students seeking the M.S., M.A., or E.D.S. degrees may be required to take the Graduate Record Examination (GRE). Refer to the department policies for those situations. Information concerning these tests may be obtained from the Office of Graduate Studies.

Prerequisites
Refer to department policies for prerequisites required for admission to the specific graduate degree program.

Graduate Level Appeals Process
An applicant for admission to graduate study who wishes to appeal a negative decision made by a department or the program director regarding the student's admission or retention should first appeal the decision at the departmental level. If the dispute is not resolved at that level, the applicant may appeal the decision to the appropriate Dean. If the Dean upholds the decision by the department, the applicant may then appeal to the Vice President for Academic Affairs, who will make the final determination in the dispute and inform both the applicant and the department of that decision.

International Students
All applicants from foreign countries must complete all WSU application procedures. Students will be admitted on the basis of certified credentials verifying completion of previous educational studies. Students must also submit a TOEFL score of at least 500 for undergraduates, and 550 for M.S. and M.A. graduate students. The university requires all non-native speakers of English to complete an on-campus English placement exam. This English test determines appropriate English placement for each individual student.

In addition to official academic credentials and the TOEFL score, international students must present proof of financial responsibility for the full course of study. The university will supply specific financial support forms for this purpose. The university requires that all financial obligations including tuition, fees, room and board be paid at the time of registration. All new transfer international students are automatically enrolled in the WSU Laptop Program at a cost of $500 per semester.
The International Student Office emphasizes that the financial support statement is of extreme importance because very little financial aid exists for foreign students and immigration regulations prohibit employment outside the campus community. In view of the increasing cost of education and unstable conditions that arise around the world, Winona State is unable to assume responsibility for emergency situations that arise while a foreign student is in attendance at the university.

International students must apply well in advance of the time they wish to enroll. This is necessary due to the complexity of the admission process and allows for the proper planning of mandatory orientation programs for international students.

International students interested in obtaining additional information about the university or interested in obtaining an application packet should direct their initial inquiries to the Director of International Students, Kryzsko Commons, Winona State University, Winona, Minnesota 55987, (507) 457-5303.

CANDIDACY/PROGRAM FORM

Before the student has completed 16 graduate semester credits with a grade point average of at least 3.0, the student, in consultation with the advisor, must submit a completed Application for Candidacy/Program Form to the Office of Graduate Studies. Graduate students who do not have at least a 3.0 GPA will not be allowed to make further progress in their program until the GPA is improved. To improve the GPA, students may retake courses for which they received a grade below B. However, below B grade courses may be retaken only once. Any courses taken beyond 16 credits will not apply to the degree program unless the Director of Graduate Studies approves a petition for waiver of the 16-credit requirement.

The Application for Candidacy/Program Form must include a detailed proposed program of completed and needed coursework for degree completion, must indicate a thesis plan or other capstone writing experience, and must include any courses/credits accepted in transfer toward the degree program. (Two official copies of transcripts for transfer credit must be on file in the Graduate Office.) The Application for Candidacy/Program form must be approved by the advisor, the chairperson/program director of the major department, and the Director of Graduate Studies. Any proposed changes to the approved Candidacy/Program must be requested in advance on the Supplement to the Application for Candidacy/Program Form and be approved by the advisor, the department chairperson/program director and the Director of Graduate Studies.

Research and Writing Requirements

All graduate degree programs must contain at least three (3) credits of research methodology, statistics, or the equivalent.

All graduate degree programs must also contain a capstone writing experience; for example, thesis, professional paper, written report of a project, written review of a simulation, or portfolio. The selected experience must be indicated on the Application for Candidacy/Program Form and the final product(s) must be submitted to the Department responsible for maintaining the materials.

M.S. AND M.A. DEGREE REQUIREMENTS

In addition to the provisions listed above, the following requirements must be met by all Master of Science and Master of Arts students:
1. The student must meet all academic prerequisites and requirements.
2. The student must complete at least 30 semester hours (WSU and transfer credits) with a minimum grade point average of 3.0. No course will be counted if the grade is below C. These are minimum standards; departments may require higher standards and additional credits. At least fifty percent of the credits required for the master's degree must be in courses numbered at the 600 level or above.

3. All degree candidates must pass a final comprehensive examination to be prepared by the major department. A Notification of Intent to Take the Comprehensive Exam form must be received in the Office of Graduate Studies by midterm day of the semester preceding the semester the exam will be taken. Students must have completed all coursework or be enrolled in their last course(s) to be eligible for the comprehensive examination. Students who choose the thesis option may take the examination before enrolling in the thesis course.

4. Each candidate in a thesis option must pass a final oral examination by a committee of three graduate faculty members at least two weeks before graduation. The advisor will be the chairperson of this committee. Candidates for the Master of Science degree without thesis may also be required by their major department to pass a final oral examination.

5. If the student has elected a plan that requires a thesis, the thesis must be completed and approved by the advisor no later than two weeks prior to graduation. Unbound copies of the thesis must be made available to the oral examination committee. After this committee has approved the thesis, three bound copies must be submitted to the Office of Graduate Studies for distribution. A bindery sign-off form must be received by the Graduate Studies Office before a degree can be granted.

6. Each candidate must submit to the Office of Graduate Studies a statement signed by the advisor or by the chairperson/program director of the major department certifying that the student has completed all departmental requirements for the master's degree at least ten days prior to the last day of the semester.

The requirements listed above in 1 through 6 are general, all-university regulations. Students should consult their advisors to determine whether there are additional departmental requirements.

Specialist Degree

For degree requirements, see College of Education, Educational Leadership Department.
COLLEGE OF BUSINESS
309 Somsen Hall, 457-5014
Kenneth L. Gorman, Dean

DEPARTMENTS
The Administrative Information Systems Department has changed its name to Business Education and become affiliated with the College of Education. See that section for the Training and Development Certificate Program requirements and courses.

MISSION
The WSU College of Education’s basic mission is to provide continuing leadership and excellence in preparing classroom teachers, counselors, administrators and other educational professionals. The College delivers educational services to public and private schools. It accomplishes its mission by offering baccalaureate, licensure and selected graduate programs to prepare professionals for public and private schools in the region.

The College’s specific mission is to provide the knowledge, skills, professionalism and practice necessary to enable students to perform with excellence as educational professionals in the service region, state and nation. The College endeavors to provide students with appropriate field experiences in the region, throughout Minnesota and other states. Further, it provides opportunities for cross-cultural and international awareness through both general education and professional work.

Faculty members in the College are committed to the serious study of education and the promotion of professional standards to foster innovation in professional preparation.

The College of Education at WSU is accredited by the National Council for Accreditation of Teacher Education (NCATE). The accreditation includes the basic and advanced levels of professional education programs offered at the University. All teacher education and school counselor programs are approved for licensure by the Minnesota Board of Teaching. Administration programs are approved by the Minnesota Board of Education.

RESEARCH AND REGIONAL SERVICE
The College has an educational alliance with public and private schools within the WSU service region. The alliance is a collaborative effort to meet school needs for research, in-service for teachers and educational services, and supports the publication of the Southeastern Minnesota Alliance Journal.

Field Experiences
All programs within the College provide professional field experiences and internships for students in schools, businesses, or other organizations.

Master of Science

COUNSELOR EDUCATION DEPARTMENT MISSION

The mission of the Counselor Education Department is to provide quality graduate education to persons seeking advanced study in counseling and related professions. Through didactic, experiential, and applied learning opportunities, students develop a personal theory and practice of counseling that will allow them to function as effective counselors, leaders, and agents of change in a variety of professional counseling settings. The department is committed to multicultural education and to preparing students for respectful, responsible work with clients reflecting the broad diversity of society.

COUNSELOR EDUCATION DEPARTMENT GOALS AND OBJECTIVES

Department Goals and Objectives are articulated in the Counselor Education Department Student Handbook.

ACCREDITATION

The Counselor Education Department Community Counseling and School Counseling programs are fully accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). Initial accreditation was granted in October 2001, with reaccreditation scheduled for December 2008.

The Professional Education Unit of Winona State is accredited by the National Council for Accreditation of Teacher Education (NCATE) including the advanced program in School Counseling. The Minnesota Board of Teaching has approved the licensure program in School Counseling. Community Counseling graduates are eligible for professional counseling licensure in Minnesota through the Board of Behavioral Health and Therapy (BBHT).

ADMISSION REQUIREMENTS

The department’s admissions process is designed to ensure that the most uniquely qualified students are identified, admitted, and retained. All student applications for admission must follow this sequence:

1. Application and admission to Graduate Study at WSU. An undergraduate GPA of 2.5 is the basic standard for admission to Graduate Study at WSU, as well as for CE applicants. Applicants with undergraduate GPAs lower than 2.5 are eligible only for Graduate Special Student admission status (see #2 below).

2. Completion of CE Department admissions application. All persons admitted to Graduate Study and all Graduate Special students are eligible to apply for admission into the CE Department. Deadlines for completed written application materials are March 1 for the following Fall Semester and September 1 for the following Spring Semester. Note to Graduate Special students: successful completion of the CE admissions process can only result in your being provisionally admitted into the department because you are not yet eligible for admission to Graduate Study. To complete the CE Department admission process, immediately upon completing 12 credits of A’s or B’s in the CE Department the student must complete their application for admission to Graduate Study with the WSU Graduate Office.

3. Notification of CE Department Administrative Assistant (507) 457-5335 of intent to enroll in CE 601, Foundations of Counseling, for the next academic semester. In addition to completing all written application materials, all prospective students must attend a group screening process on a specific date. Specific screening dates and all materials are available through the CE Department offices.

4. After admission to the CE Department, each student will be assigned an academic advisor. All persons initially are admitted into the Professional Development program, and the decision to admit into either the Community Counseling or School Counseling programs will be made by the CE faculty based on all of the student’s work in the department up to and including CE 660, Counseling Theory and Practice.

5. CE 601, Foundations of Counseling, must be among the first 12 credits taken in a student’s CE Department program, and must be taken in the semester following successful screening. Refer to the CE Department’s “Recommended Sequence of Courses” in the CE Department Student Handbook.

NOTE: Persons interested in applying to the Counselor Education Department may contact the CE Department Administrative Assistant in Winona at (507) 457-5335 for the names, telephone numbers, and e-mail addresses of department faculty who assist students with the application and admission process.
SUMMARY OF IMPORTANT ADMISSIONS/SCREENING DEADLINE DATES
Written application materials deadlines:
- March 1 (for following Fall semester)
- September 1 (for following Spring semester)
Required on-campus screening dates:
- Second Friday in April (for Fall 601 class)
- Last Friday in September (for Spring 601 class)

GRADUATE SPECIAL STUDENTS
General information regarding Graduate Special Student status at Winona State University is found under the Academic Information section of the Winona State University Graduate Catalog. Persons interested in applying to the Counselor Education Department but who do not meet the requirements for admission as a Graduate Regular Student may be admitted to the university as a Graduate Special Student. Graduate Special Students may apply for provisional admission to the Counselor Education Department (see above under Admission Requirements, #2).

Permitted Courses for Applicants and Graduate Special Students
Students not yet admitted to the CE Department and all Graduate Special Students are permitted to enroll in only the following Counselor Education Department Courses or other related graduate level coursework outside of the department: CE 532 - Stress Management, CE 534 - Human Relations and Diversity, CE 601 - Foundations of Counseling (only Graduate Special students who have completed the CE admissions process), CE 611 - Development over the Lifespan, CE 625 Career Development and Appraisal, and CE 633 - Ethical Practice and Social Change.

APPLICATION FOR ADMISSION TO CANDIDACY
Students complete the Application for Admission to Candidacy form in consultation with their academic advisor after they have been admitted to the Counselor Education Department, and while taking CE 601 - Foundations of Counseling. The Application for Admission to Candidacy defines the specific program requirements that a student must meet in order to complete their degree from the Counselor Education Department.

ADVISING
All students are assigned an advisor from the Counselor Education Department faculty. The faculty advisor will work with the student throughout their program of study unless the student requests in writing a change of advisor.

FINANCIAL ASSISTANCE
Financial assistance for graduate students enrolled in the Counselor Education Department is available through graduate assistantships, federal and state grants, scholarships, loans, and campus employment. Students may contact the Winona State University Financial Aid Office for financial assistance information or their faculty advisor for scholarships specifically earmarked for Counselor Education students.

GRADUATION REQUIREMENTS
1. Students must complete all degree requirements for the major as stated on their Application for Admission to Candidacy.
2. Students must complete a one hundred fifty (150) clock hour practicum experience.
3. Students must complete a six hundred (600) clock hour internship experience.
4. Students must pass a final written comprehensive examination.
5. Students must complete a major capstone writing project in consultation with their advisor, to be presented as part of the requirements for CE 695 - Capstone Project.
6. Students may elect to complete a master's thesis, an extensive research project that must be approved by the candidate's advisor and an oral examination committee.

ENDORSEMENT STATEMENT
When considering students for practicum and/ or internship, and program graduates for employment, licensure, and/ or certification, the faculty of the Counselor Education Department will endorse candidates only for positions for which they qualify by education, training, and personal qualifications. Program and/ or degree requirements as defined by the student's Application for Admission to Candidacy will serve as a guide to faculty when recommending students and graduates for specific positions in either a community counseling or school counseling setting. Both the Community Counseling and School Counseling programs offered by the Winona State University Counselor Education Department meet all curriculum and clinical instruction requirements as defined by the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

DESCRIPTION OF PROGRAMS
Community Counseling:
This program prepares persons for careers as professional counselors in public and private community counseling settings (e.g., community mental health centers, social service agencies, correctional institutions, and medical and rehabilitation settings). Successful completion of the program leads to eligibility for counselor licensure in many states, including Minnesota and Wisconsin.

School Counseling:
This program prepares effective school counselors for work in K-12 settings, and emphasizes the development of individual, group, consultation, advocacy, systemic, and leadership skills necessary to promote the development and academic success of all students in an increasingly pluralistic society. Successful completion of the program leads to recommendation for licensure as a school counselor in Minnesota, Wisconsin, and other states.

Professional Development (A Non-Counseling Degree):
This program provides practicing professionals with a non-counseling degree emphasizing:
1) professional growth and development,
2) a better understanding of self and others, and
3) the promotion of more effective work relationships in the students' respective fields. Upon completion of this major, some graduates apply for admission into the CE Department's counseling programs.
PROGRAM REQUIREMENTS

COMMUNITY COUNSELING (48 S.H.)

REQUIRED COURSES (46 S.H.)
534 Human Relations & Diversity (3)
601 Foundations of Counseling (3)
611 Development over the Lifespan (3)
615 Group Theory & Practice (3)
620 Tests, Meas., & Res. Design (3)
622 Family Systems Counseling (3)
625 Career Dev. & Appraisal (3)
633 Ethical Practice & Social Change (3)
640 Orientation to Community Counseling (3)
650 Diagnosis & Treatment Planning (3)
658 Microskills (3)
660 Counseling Theory & Practice (3)
680 Counseling Practicum (3)
690 Internship (6)
695 Capstone Project (1)

ELECTIVES (2 S.H.)

SCHOOL COUNSELING (48 S.H.)

REQUIRED COURSES (46 S.H.)
534 Human Relations & Diversity (3)
601 Foundations of Counseling (3)
611 Development over the Lifespan (3)
615 Group Theory & Practice (3)
620 Tests, Meas., & Res. Design (3)
622 Family Systems Counseling (3)
625 Career Dev. & Appraisal (3)
633 Ethical Practice & Social Change (3)
645 School Counseling Practice (3)
658 Microskills (3)
660 Counseling Theory & Practice (3)
680 Counseling Practicum (3)
690 Internship (6)
695 Capstone Project (1)

ELECTIVES (2 S.H.)

NOTE: Minnesota and Wisconsin school counselor licensure requirements specify directed coursework beyond the forty-eight (48) semester credit hours required for the MS degree by the Counselor Education Department. See the Counselor Education Department Student Handbook for detailed information regarding school counselor licensure in Minnesota and Wisconsin.

PROFESSIONAL DEVELOPMENT (34 S.H.)

(A non-counseling degree)

REQUIRED COURSES (28 S.H.)
534 Human Relations & Diversity (3)
601 Foundations of Counseling (3)
611 Development over the Lifespan (3)
615 Group Theory & practice (3)
620 Tests, Meas., & Res. Design (3)
625 Career Dev. & Appraisal (3)
633 Ethical Practice & Social Change (3)
658 Microskills (3)
695 Capstone Project (1)

Plus at least one (1) of the following:
An additional lifespan development course [610 or 612] (3)
532 Stress Management (3)
622 Family Systems Counseling (3)
635 Orientation to School Counseling (3)
640 Orientation to Community Counseling (3)
622 Family Systems Counseling (3)

ELECTIVES (6 S.H.)

COURSE DESCRIPTIONS

532/432 Stress Management - 3 S.H.
This course will provide an introduction to important concepts, issues, skills, and interventions related to the identification and management of personal stress. P/NC or letter grade.

534 Human Relations and Diversity - 3 S.H.
The purpose of this course is to: (1) promote student growth and development through the learning and practice of basic communication and helping skills; (2) study cultural diversity as it relates to human relations and communication; (3) examine gender and sexual orientation in terms of human relations and communication; and (4) address human relations and communication as they relate to special populations (persons with disabilities, older adults, economically disadvantaged individuals, children, etc.). Grade only.

592/492 Chemical Dependency: Assessment - 5-2 S.H.
This course looks at the assessment tools necessary 1) to identify the prechemically dependent person so that preventative steps may be taken, and 2) to detect the chemically dependent person at the earliest possible point so that intervention and treatment can occur when they are likely to be most effective. P/NC or letter grade.

593/493 Chemical Dependency: Special Populations - 5-2 S.H.
This course addresses special populations within chemical dependency counseling (e.g., women, adolescents, and older adults). Focus is on the unique counseling issues for special populations. P/NC or letter grade.

595/495 Workshop: Counseling Specialties - 5-4 S.H.
The topics of these workshops will vary. Announcements of the topics and any special enrollment issues will be made in advance of the workshop offering. P/NC or letter grade.

596/496 Chemical Dependency: Causes & Symptoms - 2 S.H.
This course focuses on research and related information regarding the biological, environmental, social and psychological causes and symptoms of chemical dependency. P/NC or letter grade.

597/497 Chemical Dependency Counseling - 2 S.H.
This course is designed for people who want to develop skills for counseling people with alcohol and drug-related concerns. Focus will be on learning the intervening processes to be used with the drug dependent person. Consideration will also be given to working with the affected family members. Prerequisite: CE 596 or equivalent. Grade only.

600 Independent Research in Counseling - 5-3 S.H.
This course provides an opportunity for qualified students to work independently. Topics may include research, development of special projects, field experiences, selected readings, etc. P/NC or letter grade.

601 Foundations of Counseling - 3 S.H.
This course introduces students to the profession of counseling. Through scholarly research and writing, students will examine the role and function of counselors in a variety of settings. Current trends and issues in counseling also will be addressed. Throughout the course, major emphasis will be placed on the learning and practice of basic helping skills in a supervised setting. Prerequisite: Admission to the Counselor Education Department. Grade only.

611 Development over the Lifespan - 3 S.H.
The purpose of this course is to promote students’ thinking and learning about human growth, adaptation, and change throughout the lifespan. Major theories, issues, eras, and trends in human development will be addressed. Grade only.

615 Group Theory and Practice - 3 S.H.
In this course students are introduced to the theory and practice of group counseling. The course will provide students with an academic/theoretical overview of groups and group work as well as the opportunity to develop group leadership skills through experiential learning activities. Grade only.

620 Tests, Measurement & Research Design - 3 S.H.
This course provides an overview of the fundamentals of measurement as applied to psychological testing, research design, and program evaluation. Knowledge of and practical experience in the use of standardized psychological tests in counseling for personality assessment, evaluation, and career and life decisions will be provided. Current methods of research design and program evaluation in counseling practice and school settings will be discussed. Prerequisite: basic statistics course (undergraduate or graduate). Grade only.

622 Family Systems Counseling - 3 S.H.
This course introduces students to the theory, assessment techniques, and intervention strategies used in the practice of family systems counseling. The focus of the course will be on building a theoretical base for
understanding and applying family systems counseling strategies and techniques. Didactic and experiential learning will provide students with the opportunity to apply and integrate knowledge and skills. Grade only.

625 Career Development & Appraisal - 3 S.H.
This course provides students with the basic theories, counseling techniques, and assessment tools used in career counseling. Through applied learning experiences students will be able to complete a comprehensive career assessment and plan. Grade only.

630 Counseling Children & Adolescents - 1.5 S.H.
This course presents students with basic counseling theory and practice as it relates to children and adolescents. Special attention will be given to issues/applications relevant to working with children in schools and mental health settings. Meeting the special counseling needs of children of color and children with disabilities also will be explored. Grade only.

633 Ethical Practice and Social Change - 3 S.H.
This course introduces students to the legal, professional and ethical issues that affect the practice of counseling and psychotherapy and the methods and ethical basis for counselors to be agents of social change. Students will become familiar with mental health law and the ethical codes that cover the counseling profession. A model for ethical decision-making will be presented. Also, students will be presented with models for social change in their function as leaders, change agents, collaborators, and risk takers. Providing outreach and advocacy services in the school and community settings, students will expand their role as counselors to include the social contexts of culture, the dynamics of power at work in any system, and the political processes essential for change. Grade only.

635 Orientation to School Counseling - 3 S.H.
This course introduces the student to current school counseling models and effective practice. The focus is on practical issues faced by school counselors as they implement a school counseling program with work students, colleagues, and families. Grade only.

640 Orientation to Community Counseling - 3 S.H.
This course examines the counseling profession including history, philosophy, theory, and professional issues. Emphasis is on different counseling populations and multiculturals. Grade only.

645 School Counseling Practice - 3 S.H.
This course addresses important conceptual and practical issues of effective school counseling practice, with an emphasis on the critical importance of proactive, primary prevention applications that positively impact student development and success. Developmental guidance curriculum, consultation, advocacy, and data-driven outcomes will be addressed, both in classroom and in field-based learning cohorts. Grade only.

650 Diagnosis and Treatment Planning - 3 S.H.
This course provides an overview of the etiology, classification, and recommendations for treatment of mental disorders, personality disorders, and adjustment problems. Students will gain practice with the DSM. Guidelines for treatment planning and case management also will be presented. Grade only.

658 Microskills - 3 S.H.
This is a practice course which provides a systematic skills approach to developing basic counseling skills. Students will have the opportunity to practice microskills (e.g., rapport building, attending, paraphrasing, etc.) on a weekly basis. Prerequisite: Students must be admitted to the Counselor Education Department and have successfully completed (earned a letter grade of B or better) in CE 601. P/NC only.

660 Counseling Theory and Practice - 3 S.H.
This course exposes students to theories of personality development and change, theories of counseling, and counseling techniques. Students practice application of counseling theories in a laboratory setting with simulated situations. Students are encouraged to identify and develop a tentative theory of personality as it relates to an effective counseling approach. A strong emphasis is placed on the ethical standards of the counseling profession and on multicultural issues. Prerequisite: CE 658 and successful completion (GPA of 3.0 or better) of thirty (30) semester credits of coursework in the Counselor Education Department. Grade only.

680 Counseling Practicum - 3 S.H.
This course provides an opportunity for the student counselor to begin to develop and refine their individual and group counseling skills within the functional milieu of a community or school setting. All practicum activities are closely supervised by university and field-based supervisors. Prior to entry into the course, all students must provide to the instructor verification of having current professional liability insurance. Prerequisite: All coursework up to and including CE 660. Note: Students must earn a letter grade of B or better in CE 660 in order to be admitted to CE 680. Grade only.

690 Internship - 3 or 6 S.H.
This course provides a practical, field-based experience in a school or community setting. This experience may be arranged with supervision coordinated through the CE Internship Coordinator and an on-site supervisor. A toal of six (6) credits of internship work must be completed. Prerequisite: CE 680 with a letter grade of B or better. Grade only.

695 Capstone Project - 1 S.H.
This course structures the completion of a major capstone paper in collaboration with the student’s academic advisor, and serves as a transition from the role of student to that of professional. Note: May be taken concurrently with CE 680 or CE 690, and a grade of B or A must be earned in the course. Grade only.

699 Master’s Thesis - 2-4 S.H.
This course is an opportunity for the student interested in pursuing a Ph.D. program to conduct independent research employing scientific methods and procedures in the area of the student’s field of concentration. P/NC or letter grade.

**EDUCATION**

152 Gildemeister Hall, 457-5360 Fax: (507)457-5354
Chairperson: Celeste Miller

Richard Bowman, Professor; B.S., M.A., Ohio University; Ph.D., University of Toledo; 1996-

Janice Sherman, Professor; B.S., State University of New York-Buffalo; M.S., Colorado State University; Ed.D., University of North Dakota; 1989 -

Thomas Sherman, Professor; B.S., State University of New York-Buffalo; M.Ed., Colorado State University; Ed.D., University of Colorado; 1989 -

Patricia Tolmie, Professor; B.S., M.S., Winona State University; Ph.D., University of Wisconsin-Madison; 1980 -
Winona State University, through the Department of Education, offers three distinct options leading to the Master of Science in Education. Candidates who elect the M.S. in Education must have or be currently eligible for a Minnesota teacher's license. They may follow the program with or without a thesis.

NOTE: Persons pursuing the M.S. Education program must first follow the admissions application procedure for the graduate school.

**Admission criteria leading to the Master's in Education degree program, including alternate admission criteria:**
1. Candidates with a composite undergraduate G.P.A. of 2.75 or better will be admitted without being required to take the Graduate Record Exam. Students applying for the Graduate Induction Program must meet the minimum 2.75 G.P.A. requirement.
2. If the composite G.P.A. is less than 2.75, the candidate must earn a combined GRE score of 900 or better on the verbal and quantitative tests, and an analytical writing score of 4.0 or better, in order to be admitted.
3. If a candidate does not meet criteria of either 1 or 2 above, and intends to apply to a graduate program in the education department, the candidate may enroll as a special graduate student. After completion of 6-9 semester credits, the student must re-apply for admission through submission of a professional portfolio. (See graduate advisor for portfolio guidelines.) Re-application for admission will be reviewed by the graduate committee of the Education Department.

NOTE: Students who have completed a baccalaureate degree in a field of education and do not intend to apply credits toward a graduate degree in education at WSU may register for an unlimited number of credits with special graduate student status.

**DEGREE PROGRAM WITH THESIS OR RESEARCH OPTION**

1. **Admittance:**
   a. File application for admission to graduate study in the Office of Graduate Studies at least one month prior to registration. The application must be supported by mail receipt of two official copies of all transcripts from other institutions attended. After the application for admission to graduate study has been approved, the student is eligible to enroll in course work. See calendar and schedule. Registration packets for GRE, if needed, are available in the Office of Graduate Studies.
   b. File application for admission to Education Department Master’s program. An advisor will be appointed by the department in accordance with departmental policy. The advisor will review all transcripts and determine whether any deficiencies exist.
   c. File Application for Candidacy /Program Form for the Master’s degree after the completion of six credits and before completion of eighteen credits. Forms are available in the Office of Graduate Studies. Deficiencies, if any, must be removed before the student is eligible for candidacy for the Master’s degree program.

2. **Course Work:** Complete all course work required for the degree (32 credits minimum). All course work must be approved by the advisor and the Director of Graduate Studies.

3. **Graduate Writing Thesis Option:** Complete a research-based thesis approved by the advisor, which demonstrates ability to use scientific methods and procedures. The thesis constitutes 4 credits of graduate work. (Two credits are counted in lieu of ED 618 and two are counted as program electives.) An oral examination of the thesis is required.

4. **Research Option:** Conduct an action research project which demonstrates a scholarly representation of work applicable to the candidate’s classroom, work setting, school district, and/or community. (See advisor for Research/Capstone Guidelines.)

5. **Comprehensive Examination:** Write a final examination compiled by the advisor based upon the candidate’s core course work.

6. **Academic Average:** Maintain a 3.0 average. A course will not be counted for graduate credit if the earned grade is below C.

7. **Timeline to be followed:**
   a. Applications: File in the order listed.
   1. Graduate study application, including official transcripts - Office of Graduate Studies.
   2. Education Department Master’s Program application - Education Office.
   3. WSU Master’s Candidacy/Program Form - Office of Graduate Studies (after 6 and before 18 credits are completed, with advisor’s approval).
   4. Registration for Research Project 699 (Thesis Option) one semester in advance of graduation.
   5. Oral Examination of Thesis Option at least two weeks in advance of graduation.
   6. Notification of Intent to take the Comprehensive Exam must be received by the Office of Graduate Studies by midterm day of the semester preceding the semester the exam will be taken (see academic calendar for deadlines).
   8. Participation in commencement exercises in accordance with current policy (caps, gowns and hoods can be obtained in the university bookstore).

**MASTER OF SCIENCE EDUCATION**

**32 S.H.**

Requirements for a Master of Science in Education degree may be completed on either the Winona or Rochester campus (Exception: Education 640 must be taken in Winona). The required courses (Education 600, 618, 623, 640, and 675) are offered each summer. Education 600, 623, and 675 are delivered via interactive television (ITV originating from Rochester to Winona) on an alternating year basis. Therefore it is possible to complete the required courses during two summers. The recommended sequence for the required courses is as follows:

**REQUIRED COURSES (14-16 S.H.)**

- 600 Improvement of Instruction & Curriculum Planning (3)**
- 618 Field Experience in Classroom Procedures (2-4) completed under direction of advisor
- 623 Foundations of Education (3)*
- 640 Current Education Issues (3)
- 675 Action Research: Assessment of Classroom Learning (3)**

* Offered via ITV during odd numbered summers (05,07, etc.)
** Offered via ITV during even numbered summers (04,06, etc.)

**ELECTIVES (16-18 S.H.)**

The 16-18 elective credits enable admitted graduate students, in consultation with their graduate advisors, to meet their individual professional staff development needs and those of the schools where they are employed. The 16-18 credits of electives for secondary candidates will include a minimum of 6 credits of graduate course work related to the content of their current licensure (Graduate Induction Program exempt).
MASTER OF SCIENCE
GRADUATE INDUCTION PROGRAM
(In collaboration with ISD 535)

Winona State University and Independent School District 535 are joint participants in a Graduate Induction Program for grades K-6 in the Rochester (Minnesota) Public Schools. The program is designed to assist inexperienced teachers with challenges unique to entry into the field of education. Resident teachers receiving a fellowship complete a Master of Science in Education through a sequence of course work and field components. Open annually to selected, inexperienced, licensed elementary teachers. Graduate Residents are classified as Minnesota residents for the purpose of tuition rate.

REQUIRED COURSES (32 S.H.)
583 Multicultural Children, Youth & Families (2)
600 Improvement of Instruction & Curriculum Planning (3)
612 Current Trends in Language Arts (3)
618 Field Experience in Classroom Procedures (2-4)
623 Foundations of Education (3)
640 Current Educational Issues (3)
650 Teacher Induction and Curriculum Orientation (3)
651 Induction Practicum (8)
675 Action Research: Assessment of Classroom Learning (3)
698 Seminars/Workshops in Education (2)

MASTER OF SCIENCE
MASTER TEACHER PROGRAM (32 S.H.)
The Master Teacher Program for a Master of Science in Education consists of a cohort of 40-50 in-service educators who meet one weekend per month for 2 years (4 semesters). Their learning is assisted by University and Practitioner Facilitators and is focused on constructivist learning within a community of practitioners, propositions from the National Board of Professional Teaching Standards, and action research. Admission to the WSU Master Teacher Program M.S. is the same as that of any graduate studies program at Winona State University. During the first term, the Master Teacher Program facilitators, in conjunction with the Winona State University Office of Graduate Studies, will provide assistance as you move through this process.

REQUIRED COURSES (14–16 S.H.)
600 Improvement of Instruction & Curriculum Planning (3)
618 Field Experience in Classroom Procedures (2-4)
623 Foundations of Education (3)
640 Current Educational Issues (3)
675 Action Research: Assessment of Classroom Learning (3)

PRESCRIBED COURSES (9–11 S.H.)
690 Developing Culture for Learning (3)
691 Constructivist Learning Theory (3)
692 Creating Inclusive Classroom Environments (2)
696 Trends & Issues in Teaching in the Content Areas (1-3)

ADDITIONAL ELECTIVES (5–9 S.H.)
Additional Graduate Credits: the 5-9 elective credits enable admitted Master Teacher graduate students, in consultation with the Master Teacher Program Facilitators, to meet their individual professional development needs and those of the schools where they are employed. The elective credits may be from WSU or transfer credits and are not subject to Master Teacher Program fees. WSU electives taken during enrollment in the Master Teacher Program can be drawn from existing course offerings in the content areas or designed in consultation/collaboration with experts in the field. Electives in the Master of Science in Education Master Teacher Program do not constitute specialization or endorsement in a given content area.

Graduate Certificate Options

EDUCATIONAL TECHNOLOGY CERTIFICATE
12 S. H.

This certificate program is designed for students interested in developing technology skills necessary to use technology in their classroom teaching in meaningful ways. Students will study the relationship between technology and classroom practice including technology’s impact on society, technology’s role in classroom instruction, and models of classroom integration. The program is based on the National Educational Technology Standards for Teachers (NETS-T) developed by the International Society for Technology in Education and assists students in developing a variety of technological skills that reflect the six NETS-T standards: 1) technology operations and concepts; 2) planning and designing learning environments and experiences; 3) teaching, learning and the curriculum; 4) assessment and evaluation; 5) productivity and professional practice; and 6) social, ethical, legal, and human issues. The collection of courses in the certificate program focuses on introductory issues in educational technology and practical use of multimedia software and the Internet.

The courses in the educational technology certificate program are taught as an integrated seminar. Because course projects will overlap course boundaries, students are expected to register for all five courses concurrently. The program is open to graduate students and teacher education seniors eligible within university guidelines, and is designed to be offered in the summer only.

501 Current Issues in Educational Technology (3)
502 Productivity Tools in Education (2)
503 The Internet in Education (3)
504 Digital Media (2)
505 Critical Thinking, Problem Solving, and Technology (2)

TRAINING AND DEVELOPMENT CERTIFICATE
PROGRAM 15 S.H.
The training and development field is a growing industry with exceptional employment opportunities. To help meet the increasing demand for training professionals, the Business Education faculty members have developed the Training and Development Certificate as a professional credential for persons seeking to change careers, upgrade skills or enter the human resources field.

BUED 510 Administrative Communication (3)
BUED 540 Training and Employee Development (3)
BUED 541 Training Techniques and Media (3)
BUED 570 Seminars in Business Education and Training (3)
EDUC 542 The Adult Learner (3)

EDUCATION COURSE DESCRIPTIONS

501 Current Issues in Educational Technology - 3 S.H.
This course is designed to introduce students to current issues in education technology including the digital divide, gender equity in technology, faculty/staff development, and other issues surrounding the integration of technology into teaching. Grade only.

502 Productivity Tools in Education - 2 S.H.
This course is a survey of computer software programs that transcend academic disciplines. Word processing, spreadsheets, databases, multimedia authoring tools (e.g., Hyperstudio and PowerPoint), and graphics programs and their use in educational settings. Grade only.

503 The Internet in Education - 3 S.H.
This course includes a brief history of the Internet and its educational uses. Practical content includes: Internet searches (including using various search engines and databases such as iNet Library, Marco Polo, and others), Internet technologies (including CU See Me, and other conferencing programs) and web authoring (including basic design issues incorporating elements found on other sites and ftp). Each of these areas will be explored in relation to their contribution to classroom instruction and learning. Grade only.

504 Digital Media - 2 S.H.
This course will focus on capturing and editing digital photographs, video, and sound. Students will create digital media and include them in multimedia (web-based or CD projects). Grade only.

505 Critical Thinking, Problem Solving, and Technology - 2 S.H.
This course is designed to introduce students to various digital media
and their instructional uses. Students will create digital movies, edit audio, and create and edit computer-generated graphics. Grade only.

510/410 Foundations of Early Childhood Education - 3 S.H.
History, theory, trends and contemporary issues in early childhood education. Graduate project required. Offered yearly. Grade only.

513/413 Development in Infancy - 3 S.H.
Genetics, prenatal development, birth, and physical, social, emotional, and cognitive development in the first three years. Methods for working with infants and toddlers and observations. Graduate project required. Offered yearly. Grade only.

514/414 The Developing Child in the Social World - 3 S.H.
Explores the physical, cognitive, and social development of young children from 2 to 8 years old. Parent-child, home-school, family-community relationships are examined. Graduate project required. Offered yearly. Grade only.

516/416 Early Childhood Curriculum I - 4 S.H.
Planning the curriculum and developing strategies for teaching young children in early childhood settings. Includes practicum experience. Graduate project required. Offered yearly. Grade only.

524/424 Organization and Administration of Early Childhood Programs - 3 S.H.
Local and state laws governing various types of early childhood programs are studied. Financial aspects, buildings, personnel, and administrative matters pertaining to the establishment of programs are explored. Graduate project required. Offered yearly. Grade only.

529/429 Secondary Reading & Teaching Strategies - 4 S.H.
Emphasis is on reading comprehension, strategies, study skills in content areas, lesson planning, lesson presentation skills, media techniques appropriate to the instructional process. Prerequisite: ED 301, 302. Offered each semester. Grade only.

533/433 Materials and Methods in Environmental Education - 2 S.H.
Curriculum materials relating to the broad topic of human impact upon the environment; group work, field trips, consultants, and lectures. Prerequisites: ED 301 and 302 for undergraduate or graduate status. Offered yearly. Grade only.

534/434 Remedial Mathematics Methods - 3 S.H.
Diagnostic and remediation techniques to facilitate acquisition of basic mathematics skills. Prerequisite: ED 334 or consent of instructor. Offered yearly. Grade only.

542/442 The Adult Learner - 3 S.H.
This course will focus on the characteristics and development of adult learners. Offered yearly. Grade only.

549/449 Middle School Philosophy, Organization and Interdisciplinary Planning - 3 S.H.
The major focus of this course will be the middle school concept including its philosophy, organization and methods of interdisciplinary planning. Prerequisites: ED 301, 302, 306. Offered yearly. Grade only.

550/450 Comparative Education - 3 S.H.
A study of the purposes, organization, offerings, and achievements of education in selected foreign countries. Grade only.

559/459 The Professional Educator - 3 S.H.
Designed to familiarize teacher education majors with school organizational patterns, legal responsibilities, philosophies of education, professional organizations, and related topics prior to student teaching. Offered each semester. Prerequisites: ED 300, 301 and 302.

561 Advanced Practicum in Kindergarten - 5 S.H.
Responsibilities for planning and conducting kindergarten activities under supervision. P/NC only.

567 Advanced Practicum in Preschool - 3 S.H.
Supervised teaching in a preschool program. Students enroll in the three-credit preschool experience. P/NC only.

570 Advanced Practicum in Middle School - 3-6 S. H.
A supervised practicum in middle level education at a middle school site. P/NC only.

583/483 Multicultural Children, Youth and Families - 2 S.H.
This course provides structure for acquiring, building, and demonstrating mechanisms for integrating multicultural content into mainstream curricula. Specific attention is geared toward concepts and instructional planning in elementary education addressing culture, ethnicity, race, gender, language, socioeconomic levels, religion, age, ethics and exceptionalities. The social reconstructionist approach is infused to provide demonstration of transforming teaching for educational equity and social justice. Offered yearly. Grade only.

590/490 Individual Problems in Education - 1-3 S.H.
Opportunity for the qualified advanced undergraduate and graduate student to work independently. Topics may include research, development of special projects, selected readings, etc. Time arranged. Prerequisites: Consent of major advisor, completion of the Common Professional Sequence, and for elementary majors, completion of the professional education sequence. May be repeated to a total of 4 credits. Offered each semester. Grade only.

598/498 Workshops and Seminars - 1-3 S.H.
The subject matter to be developed by the department and instructor prior to the workshop or seminar. The student may repeat the course without limitation on the number of credits as long as the subject matter is different. Offered on demand. P/NC only.

599/499 Workshops and Seminars - 1-3 S.H.
The subject matter to be developed by the department and instructor prior to the workshop or seminar. The student may repeat the course without limitation on the number of credits as long as the subject matter is different. Offered on demand. Grade only.

600 Improvement of Instruction and Curriculum Planning - 3 S.H.
An examination of current models of instructional strategies and curriculum development. Literature and training materials are reviewed and analyzed. Offered yearly. Grade only.

612 Current Trends in Language Arts - 3 S.H.
Current trends and contemporary research related to objectives, methods and curriculum in language arts. Offered yearly. Grade only.

613 Current Issues in Social Studies - 3 S.H.
Current trends and contemporary research related to objectives, methods, and curriculum in the social studies, a K-12 approach. Offered yearly.

614 Current Issues in Science Education - 3 S.H.
Current issues, the curriculum content, and materials of instruction generated by contemporary research for K-12 settings will be discussed. Offered yearly. Grade only.

615 Current Issues in Mathematics Education - 3 S.H.
Current issues and contemporary research related to objectives, methods, and curriculum in mathematics will be examined. Special emphasis on the use of manipulatives and the NCTM Standards. Offered yearly. Grade only.

618 Field Experience in Classroom Procedures - 2-4 S.H.
A culminating experience designed to encourage a student to apply principles and procedures learned during his/her graduate program. Students should take the course during the latter part of their program. Offered each semester. Grade only.

623 Foundations of Education - 3 S.H.
In order to critically examine current practice, this course presents students with an historical perspective of the philosophical concepts which have influenced American education. Offered yearly. Grade only.

640 Current Educational Issues - 3 S.H.
Study of the recognized current issues and trends in education. Offered yearly. Grade only.

650 Teacher Induction and Curriculum Orientation - 3 S.H.
Students involved as graduate residents in the induction program will progress through a designed series of in-service activities to prepare for their role as teachers. Includes curriculum training in specified areas. Offered yearly. Grade only.

651 Induction Practicum - 4-8 S.H.
Acting as a graduate resident in a graduate induction program, the licensed student will demonstrate professional levels of competency in methods, knowledge of content, planning, and classroom management as determined by the latest research and the curriculum goals of the participating school system. Offered yearly. P/NC only.

671 Supervision/Coaching of Instruction - 2 S.H.
A critical analysis of procedures and strategies practiced by student teacher/teaching assistant supervisors, peer coaches, and mentors. Offered yearly. Grade only.

675 Action Research: Assessment of Classroom Learning - 3 S.H.
Methodologies for classroom action research to evaluate teaching and learning are developed for use by teachers. Incorporates a variety of assessment strategies which can be utilized to measure and record student achievement. Offered yearly. Grade only.

690 Developing Cultures for Learning - 3 S.H.
The course is designed to help educators to collaborate effectively in the design and implementation of effective learning communities in their classrooms, schools, and school districts. Offered only through the Master Teacher Program. Grade only.
691 Constructivist Learning Theory - 3 S.H.
This course is designed to increase students' understanding of constructivist learning theory and increase their ability to apply principles of constructivist theory in their instructional planning and classroom teaching. Offered only through the Master Teacher Program. Grade only.

692 Creating Inclusive Classroom Environments - 2 S.H.
This course prepares teachers to become more responsive to the multifaceted dimensions of their students and enable groups to embrace diversity. The focus will be on developing a way to treat students equitably by recognizing each one's uniqueness and by structuring teaching methods accordingly. Offered only through the Master Teacher Program. Grade only.

696 Trends and Issues in Teaching in the Content Areas - 1-3 S.H.
This course is designed to allow students to explore in depth the current trends, issues and research related to curriculum, instructional design and methods, and assessment in designated content areas. Offered only through the Master Teacher Program. Grade only.

698 Seminars/Workshops in Education - 1-4 S.H.
Subject matter arranged by the department. Certain seminars will be designed for the graduate induction program. Offered each semester. Grade only.

699 Master's Thesis - 4 S.H.
The report must show evidence of the candidate's ability to carry an independent study and to employ scientific methods and procedures in the solution of a problem in the area of the student's field of concentration. Offered on demand. Grade only.

BUSINESS EDUCATION COURSE DESCRIPTIONS
BUED 510/410 Administrative Communication - 3 S.H.
Leadership communication for personnel at all organizational levels. A balanced emphasis between written and spoken communication includes such topics as persuasive proposals, routine managerial communications, case analysis and writing, meeting management, reporting, the visual briefing, multi-media and communications technology, and communications management. Grade only.

BUED 512/412 Team Building - 1-3 S.H.
Introduces teamwork concepts and skills as a collaborative approach to improved performance. Covers structural and process attributes of teams with the objective of enhancing team leader and participant performance. Team participation skills applied to collaborative class activities. Grade only.

BUED 540/440 Training and Employee Development - 3 S.H.
An overview of the training and development field with an emphasis on the systems approach to training program design. Focuses on the key phases of training program and development; preassessment, needs analysis, design, implementation, and evaluation. Includes the principles of instructional design using the experiential learning approach. Grade only.

BUED 541/441 Training Techniques and Media - 3 S.H.
Instructional techniques, methods, and multi-media to use for effective employer-based learning delivery systems. Topics include trainer/learner styles, training structures and formats, instructional presentation skills, training aids and technology, and computer-based training. A skills-based approach to effective training for adult learners. Grade only.

BUED 552/452 Managing Training and Development Programs - 3 S.H.
Focuses on the functions and responsibilities of the training program manager. Training management functions, methods, and techniques are examined for such areas as needs assessment, staffing, facilities planning, equipment and materials selection, training evaluation, and cost-benefit determination. Grade only.

BUED 570/470 Seminar in Business Education and Training - 1-3 S.H.
Specific subject matter is arranged by the department. May be repeated when offered with different subject matter content and title. Offered yearly. Grade only.

EDUCATIONAL LEADERSHIP
132 Gildemeister Hall, (507) 457-5345, Fax: (507) 457-5882
www.winona.edu/educationalleadership
Chairperson: Dr. Lee Gray

Lee Gray, Professor; B.S., University of Nebraska; M.S., Ed.D., University of Minnesota-Twin Cities; 1989 -
Wade Nelson, Professor; B.A., Coe College; M.A., Ph.D., University of Iowa; 1989 -
Mary Jane Wiseman, Associate Professor; B.A. George Washington University; M.A.; Longwood College; Ph.D. Virginia Polytechnical Inst. & State University; 1992 -

Faculty email: Gray (lgray@winona.edu), Nelson (wnelson@winona.edu), Wiseman (mwiseman@winona.edu)

DEGREES OFFERED:
Master of Science in Educational Leadership (M.S.)

Emphasis:
K-12 Principalship
Teacher Leadership (non-licensure program)
General School Leadership (non-licensure program)

Educational Specialist in Educational Leadership (Ed.S.)

Emphasis:
K-12 Principalship
General (Superintendency)

WEB-BASED COURSE OFFERINGS
The Department of Educational Leadership is committed to diversity in pedagogy and course delivery methods. The Department has delivered courses via interactive television (ITV) since 1990. However, since 1996 the department has also offered courses using a combination of online delivery and traditional class meetings (hybrid web-based course offerings). For web-based course listings, visit the department web site at www.winona.edu/educationalleadership.

Some courses are delivered online with no face-to-face class meetings. Most courses are web assisted or supported in the form of online syllabi, supplemental reading links, assignments, and discussion forums. Check with the course instructor for details.

ADMISSION TO THE DEPARTMENT OF EDUCATIONAL LEADERSHIP
Applicants wishing to be accepted as graduate students in the Department of Educational Leadership must first make application through the Office
of Graduate Studies. The Department of Educational Leadership Graduate Admissions Committee is responsible for making the final decision on admittance to the program. The committee may require a personal interview and/or a qualifying examination. All application forms can be downloaded from either of the following websites: http://www.winona.edu/educationalleadership or http://www.winona.edu/graduatestudy

Prospective graduate students must meet the following requirements to be considered for admission to graduate study in Educational Leadership.

1. vision of the purpose and role of education.
2. qualifications and aptitude for educational leadership.

MASTER OF SCIENCE DEGREE (M.S.)
EDUCATIONAL LEADERSHIP 33 S.H.

The M.S. degree provides a course of study that can lead to licensure as a principal or assistant principal, except in Minnesota and Wisconsin. In these states, a Specialist degree (Ed.S.) or equivalent (M.S. plus 30) is required for full administrative licensure. Students with goals not associated with elementary and secondary school administrative licensure may wish to choose the Teacher Leadership or General School Leadership program of study. The M.S. General is designed for individuals not interested in licensure as a K-12 principal or superintendent. Students who choose this option can prepare for leadership careers as an administrator in technical or community colleges, or non-profit organizations. An individualized program of study can be tailored to meet the general requirements of leadership. The Master of Science degree is also designed for individuals who wish to develop competency in non-licensure roles such as department chair, curriculum committee chair, lead teacher, special project leader, administrative assistant, or administrator in other educational settings. A candidate must earn a minimum of thirty-three (33) graduate semester credits approved by his/her advisor.

K-12 PRINCIPAL LICENSURE REQUIREMENTS

Where the Master’s degree meets initial licensure requirements, you must:

a. earn the Master’s degree.
b. have completed three years of teaching experience at the elementary or secondary level while holding teaching licenses valid for the position or positions in which the experience was gained.
c. complete three semester credits of field experience (practicum or internship) as an administrative aide to an appropriately licensed educational administrator.

Major Field Courses (15 S.H.)

601 Foundations of Educational Leadership (3)
604 Curriculum Planning and Development (3)
626 Educational Assessment (3)
635 Public Relations and Politics (3)
670 Research and Writing (3)

Specialization (Required - Choose one area)

General (does not lead to licensure)

655 Philosophical & Sociological Connections for Educational Leaders (3)

Teacher Leadership (does not lead to licensure)

640 Ethics for School Leaders (1)
655 Philosophical and Sociological Connections for Educational Leaders (3)

K-12 School Emphasis

610 School Law (3)
622 The Principalship (3)
627 School Business Management (3)
628 Human Resources and Collective Bargaining (3)

Field Experience

780/781 Practicum/Internship (3)

The practicum/internship, involving service as an administrative aide, is a capstone experience and required for individuals seeking licensure in Iowa and Wisconsin. As a guideline for registering for an internship, a minimum of 75% of program credits should be completed. Students planning to register for an internship should secure an information packet from the department. The Internship Agreement Form should be completed with a cooperating administrator and returned to the internship coordinator before or during the first week of each semester.

ELECTIVE COURSES (VARIABLE CREDITS)

Taken as necessary to satisfy particular competency requirements for licensure in various states, meet the needs and interests of students, and meet minimum credit requirements for the degree.

Writing Requirements without Thesis:

Candidates must write one comprehensive research paper to show proficiency in research and writing at the graduate level. The topic and proposal for this paper must be approved by the faculty advisor. Guides for form and style may be secured from the Department of Educational Leadership.

Writing Requirements with Thesis:

Candidate must complete a thesis for six (6) credits demonstrating their ability to use scientific methods and procedures in the solution of an independent study project in the area of school leadership. The six (6) credits will be applied to elective course.

Examinations:

Each candidate must pass a written comprehensive examination on course work. If the thesis option is chosen, the candidate will also be required to pass an oral examination on the thesis paper.

Educational Specialist Degree (Ed.S.)

Educational Leadership

Minimum of 30 S.H. beyond the M.S.

The Educational Specialist degree in Educational Leadership is designed for individuals who wish to achieve proficiency beyond the Master’s degree level in the principalship or general administration (Superintendency) level. Completion of the degree (or equivalent of M.S. plus 30 credits) meets initial licensure requirements as an administrator in Minnesota and Wisconsin. Licensure can be earned before completing requirements for this degree. This program is also for individuals who wish to pursue a degree higher than the Master’s for greater competency in non-licensure roles such as department chair, curriculum committee chair, lead teacher, special project leader, administrative assistant, or positions related to policy studies and research in public agencies. A minimum G.P.A. of 3.0 is required to receive the degree. Only grades earned at Winona State University will be counted in determining the grade point average.

Administrative Licensure Requirements:

Initial licensure requires that you:

1. apply for admission into the Ed.S. degree program (earning the degree is optional)
2. qualifications and aptitude for educational leadership.
b. complete a minimum of 30 credits beyond the M.S.
c. have completed three years of teaching experience at the elementary or secondary level while holding teaching licenses valid for the position or positions in which the experience was gained
d. complete six semester credits in Minnesota or three credits in Wisconsin of field experience (practicum or internship) as an administrative aide to an appropriately licensed educational administrator
e. demonstrate knowledge of administrative competencies (Minnesota only) to the satisfaction of a joint faculty-administrator panel

The field experience may be waived for persons who have gained licensure in one administrative area and who have had three years of experience under that administrative license.

Educational requirements for licensure in other states for administrative positions may be satisfied by specific program modifications. Contact the department for specific state licensure requirements.

MAJOR FIELD COURSES (23 S.H.)

601 Foundations of Educational Leadership (3)
604 Curriculum Planning and Development (3)
610 School Law (3)
626 Educational Assessment (3)
625 Public Relations and Politics (3)
780/781 Practicum/Internship (3-6) (Prerequisite: EL 601 and EL 604, or permission)
789 Writing Seminar: Specialist Degree Field Study (3)
799 Specialist Degree Thesis/Field Study (thesis credits) (2)

Specialization (required – choose one area)

K-12 Principal

622 The Principalship (3)
627 School of Business Management (3)
628 Human Resources and Collective Bargaining (3)
704 Supervision and Curriculum Development: An Action Research Approach (3)

General (Superintendency)

622 The Principalship (3)
628 Human Resources and Collective Bargaining (3)
708 Seminar: Problems and Trends (3)
756 Administrative Decision Making (3)
758 Educational Finance (3)

ELECTIVE COURSES (VARIABLE)

Taken as necessary to meet degree and/or licensure requirements.

The writing seminar (EL 789) prepares the student for the task of writing the field study. The class is designed to guide the student in writing the research proposal and early chapters of the study. Completing the field study is an independent research project after completing the class. Candidates will submit three copies of an approved field study to the Office of Graduate Studies. A guide for the completion of the field study is available from the department office.

PREREQUISITE FOR THE FIELD EXPERIENCE

The internship/practicum is a capstone experience. For individuals seeking K-12 administrative licensure, the internship/practicum is served in the capacity of an administrative aide. As a guideline for when to register for an internship/practicum, a minimum of 75% of program credits should be completed. For individuals seeking careers in other settings, an internship/practicum can be arranged specific to career aspirations or waived. Students planning to register for an internship/practicum should secure an information packet from the department. The internship/practicum agreement should be negotiated with a cooperating administrator and returned to the internship/practicum coordinator before or during the first week of each semester.

EXAMINATIONS

The candidate is required to pass a comprehensive examination. An oral examination covering the candidate’s field study is required.

COURSE DESCRIPTIONS

590/490 Special Topics - 1-3 S.H.
Specially arranged course offerings unique to both graduate and undergraduate student’s professional development. Course number may be repeated when offered with a different subject content and title. Grade or P/N.

600 Workshops in Educational Leadership - 1-4 S.H.
Topics vary according to needs and interests of educational leaders. This course number may be repeated when offered with different subject content. Grade or P/N.

601 Foundations of Educational Leadership - 3 S.H.
A comprehensive overview of the field of educational administration using a problem-based approach. Students are introduced to the organization, governance, and politics of American K-14 education with attention to administrative preparation and certification and to sources of information on educational leadership. Grade only.

604 Curriculum Planning and Development - 3 S.H.
Students will explore the nature of curriculum (purpose, definition, and theories), the leader’s role in curriculum development, planning processes and procedures, issues in curriculum development, and classroom-based curriculum design. Grade only.

610 School Law - 3 S.H.
Laws affecting education. The interaction between law and educational practice and new demands on the school’s under the press of social demands. Prerequisite: EL 601 or consent of instructor. Grade only.

622 The Principalship - 3 S.H.
Students will inquire into and reflect upon school leadership and conditions which produce a successful principalship. Grade only.

625 School Reform and Restructuring: Implications for Leadership - 3 S.H.
The study of the past and present efforts of school reform and restructuring to improve American K-12 education and their effects on educational leadership. Grade only.

626 Educational Assessment - 3 S.H.
The effective use and general misuse of measurement and evaluation in education. The role of accountability in education will be explored within the context of student learning assessment. Grade only.

627 School Business Management - 3 S.H.
Business management processes and practices, including procedures for strategic planning, budgeting and finance. Grade only.

628 Human Resources and Collective Bargaining - 3 S.H.
The personnel function, with particular attention to hiring, evaluation procedures, employee problems, affirmative action, due process, harassment in the workplace, and collective bargaining at the K-12 level in local districts. Grade only.

635 Public Relations & Politics - 3 S.H.
Purpose, techniques and problems of school-community relationships and partnerships, including the political context of these relations and means of developing effective interaction with staff, public, media and community. Oral and written communication receives special attention. Grade only.

640 Ethics for School Leaders - 1 S.H.
An approach to ethical issues in school administration in a multicultural educational environment with special emphasis on ethical decision making through case studies, the creation of personal and professional ethical codes, and the study of human relations practices in schools from a leadership perspective and as a reflection of current ideas, world views, ideologies, and belief systems. Grade only.

655 Philosophical and Sociological Connections for Educational Leaders - 3 S.H.
In this course, students will engage in dialogue related to the critical role of education in a democracy and will formulate or refine a personal philosophy of education. Grade only.

670 Research and Writing - 3 S.H.
Form, style, and appropriate research procedures in education. Master’s degree only. Grade only.

675 Technology in Educational Leadership - 3 S.H.
The study of past and present technology and its affect on K-14 administration, teaching, and learning. Particular attention will be given to the use of computer hardware and software for school improvement. Grade only.

690 Individual Research - 1-4 S.H.
Conducting and reporting research under the supervision of a member of the educational leadership staff. Prerequisite: Consent of the student’s advisor. Grade only.
The employment of scientific methods and procedures in an independent study in his/her field of concentration. P/NC only.

Students will perform guided research. The emphasis of this experience is on action-based research in the supervisory context, curriculum invention and implementation. Students will inquire into the teaching process in order to become more effective mediators of classroom improvement efforts. Grade only.

 Provides successful models and strategies of school linked services in an effective community and parental involvement in schools. Practical, context of systemic reform and partnerships to create the conditions for systemic reform. Prerequisite: Master's degree or at least four courses in Educational Leadership. Grade only.

The development and implementation of current educational policy; how legislation and regulations are translated into actual school district policy; the politics of policy creation. Prerequisite: Master's degree or at least four courses in Educational Leadership. Grade only.

Typically offered on a workshop basis. Subject matter determined by the department. Course may be repeated when offered with different subject matter, content, and title. Offered on demand. Grade only.

Invention and implementation. Students will inquire into the teaching process in order to become more effective mediators of classroom improvement efforts. Grade only.

The following courses can be used as electives in the Master of Science in Education Degree. Please refer to the section of this catalog that describes the requirements for the Master of Science in Education degree.

### PHYSICAL EDUCATION AND RECREATION

**122 Memorial Hall, (507)457-5200; Fax: (507)457-5606**

Chairperson: Loren Olson

Graduate Faculty: Callahan, Juaire, Olson, Reidy, Riley

**Doug Callahan**, Assistant Professor; B.S., M.A., University of Denver; Ph.D., University of Kansas; 2000-

**Stephen Juare**, Professor; B.S., M.S., Winona State University; Ph.D., Florida State University; 1975 -

**Loren Olson**, Professor; B.S., M.S., University of Wisconsin-La Crosse; Ph.D., University of New Mexico; 1989 -

**James Reidy**, Assistant Professor; B.S., M.S., Ed.D., Oklahoma State University; 2000-

**Roger Riley**, Associate Professor; B.S., M.S., University of Wisconsin-La Crosse; Ph.D., Texas A&M University; 2000-

The following courses can be used as electives in the Master of Science in Education Degree. Please refer to the section of this catalog that describes the requirements for the Master of Science in Education degree.

**601 Research Methods - 3 S.H.**

Methods and techniques of research potential and completed problems analyzed with view to selection of topics. Offered on demand. Grade only.

**610 Curriculum Construction in Physical Education - 3 S.H.**

A study of the construction and conduct of curriculum in physical education. A study of past experiences and results with due consideration for needs of the present and trends for the future. Offered on demand. Grade only.

**613 Independent Study in Physical Education/Recreation and Dance - 1-3 S.H.**

A problems discovery and identification course. Each student selects a problem for intensive study and files a written report of his/her investigation and suggested solutions or recommendations. Prerequisites: Advance consent of cooperating faculty member and approval of topic outline. Offered on demand.

**620 Psychology of Coaching - 3 S.H.**

Study of the emotional, attitudinal and personality problems of athletes, interpersonal behavior and motivational psychology. Offered on demand. Grade only.

**624 Historical Implications for Current Trends and Issues in Physical Education - 3 S.H.**

Relationship, from ancient to modern times, between physical education and factors in society with emphasis on influences on today's physical education trends and issues. Offered on demand. Grade only.

**626 Planning of Facilities in Physical Education - 3 S.H.**

Principles and standards for physical education and recreation equipment and facility planning, construction, use and maintenance.
Offered on demand. Grade only.

**628 Adapted Physical Education - 3 S.H.**
Analysis of physical education for the handicapped student with practical application in a laboratory situation and the legal implications. Offered on demand. Grade only.

**630 Supervision of Physical Education in Elementary and Secondary Schools - 3 S.H.**
The general aim and purpose of supervision, and the duties and relationships of the supervisor of physical education. Offered on demand. Grade only.

**633 Administrative Problems in Physical Education and Recreation - 3 S.H.**
A study of administrative problems in physical education and recreation that confront the teacher and leader. Offered on demand. Grade only.

---

**SPECIAL EDUCATION**

Gildemeister Hall 221, (507)457-5535, Fax (507)457-2483
Chairperson: Barbara Boseker
Graduate Faculty: Boseker, Long, Rocco

Barbara Boseker, Professor; B.S., University of Wisconsin-Milwaukee; M.A., Ph.D., University of Wisconsin-Madison; 1995-
Carol A. Long, Professor; B.S., M.A., Ph.D., University of Missouri-Columbia; 1993-
Frank Rocco, Professor; B.S., Clarion College; M.Ed., Boston College; Ph.D., Michigan State University; 1972-

The department prepares professionals to meet the special needs of students. Procedures include both classroom and clinical work with an emphasis on applied behavior analysis and systematic instruction.

Teachers completing a licensure program or degree are able to serve students in a variety of educational settings. Persons completing the master's degree may serve as teachers, consultants, coordinators, and lead teachers for special education programs.

**PROGRAMS AVAILABLE:**
There are three ways a graduate student may complete programs at WSU in the Special Education Department.

1. As a Masters degree candidate in Education with a Learning Disabilities and/or Developmental Disabilities licensure concentration.
2. As a Graduate Special Student (licensure only candidate) for licensure in LD and/or DD. (The Masters degree is not available with this program).
3. As a Post-Baccalaureate Undergraduate candidate for licensure in LD and/or DD. (This program is for graduates of four-year institutions who wish to continue their training as undergraduate students and obtain licensure in LD and DD.) This is not a graduate program. This program does not lead to a graduate degree. (See undergraduate catalog.)

All three programs require formal admittance to the SPED department and require consultation with, and the signature of a SPED advisor as part of the application process.

**ADMISSION**

**NOTE:** The Department reserves the right to limit enrollment due to space in the program. Early application may enhance a qualified student's opportunity for acceptance. Meeting established minimum criteria does not assure admission. THE APPLICATION FILE MUST BE COMPLETE BY THE BEGINNING OF ONE FULL SEMESTER PRIOR TO ENROLLMENT IN THE PROGRAM.

Before one can apply to the SPED Department for admission to any of the programs available, it is first necessary to be admitted as a graduate student or graduate special student (as the degree/licensure requires). One cannot have transcripts evaluated or programs planned, even in the most preliminary manner, without first qualifying for graduate school acceptance.

Graduate students must have two sets of official transcripts from every school attended mailed directly to the Office of Graduate Studies and complete all necessary Graduate Office paperwork before applying to the SPED Department.

*Graduate applications are included in the graduate catalog, and available in the Graduate Office and on the WSU website.

*SPED Department applications are available by phone, email, or letter to:

SPED Department
Graduate Application
Gildemeister 221
Winona State University
P.O. Box 5838
Winona, MN 55987-5838
Phone: (507) 457-5535 Email: jpickart@winona.edu

Each new student must have an Application for Admissions file in the SPED Department Office. THE APPLICATION FOR ADMISSION FILE MUST BE COMPLETE AT LEAST ONE FULL SEMESTER PRIOR TO BEING ADMITTED TO ANY PROGRAM. The student has responsibility for completing the file so that the SPED Department can make a timely decision on the applicant's admission status. Students with degrees in fields other than Education and without a teaching license must contact the SPED Department for special requirements and a special admission process.

The student is responsible for reading the catalog, knowing WSU regulations and policies, and notifying the Office of Graduate Studies at least one month in advance of intended registration at WSU.

**MASTER'S DEGREE PROGRAMS**
The Department offers two graduate programs leading to the M.S. degree in Education with concentrations in Learning Disabilities and Developmental Disabilities. Both degrees result in K-12 licensure. The Developmental Disabilities degree results in mild, moderate, severe, and profound K-12 licensure.
ADMISSION FILE REQUIREMENTS - MASTER'S DEGREE (LD OR DD)

1. Application Form for a particular program (LD and/or DD).
2. Evidence of Minnesota Teaching License (See department if licensed in another state or if unlicensed).
3. Transcripts of all undergraduate and graduate coursework documenting an accredited degree and GPA of 3.0 during the last half of undergraduate degree. Alternatives to the undergraduate GPA requirements are: Graduate Record Examination (GRE) scores 1350 or above OR accredited Master's degree with a minimum of 3.0 graduate GPA.
4. Three Departmental Recommendation Forms from references who can support the student's potential for successful graduate work and advanced professional educational performance. Forms are available in the Special Education Department Office.

NOTE: The Department reserves the right to limit enrollment due to space in the program. Early application may enhance a qualified student's opportunity for acceptance. Meeting established minimum criteria does not assure admission. THE APPLICATION FILE MUST BE COMPLETE BY THE BEGINNING OF ONE FULL SEMESTER PRIOR TO ENROLLMENT IN THE PROGRAM.

LICENSURE ADMISSION

Licensure requirements for graduate students may be completed at the undergraduate or graduate levels (see the undergraduate catalog for undergraduate program requirements). Students are STRONGLY ADVISED to complete post-baccalaureate licensure requirements at the graduate level. Undergraduate grade point averages required for admission are minimums of 2.75 for post-baccalaureate licensure and 3.00 for graduate licensure.

ADMISSION FILE REQUIREMENTS - LICENSURE PROGRAMS

1. Application Form for a particular licensure program (LD or DD).
2. Evidence of Minnesota Teaching License (see department if licensed in another state or if unlicensed).
3. Transcripts of all previous undergraduate coursework documenting an NCATE-accredited bachelor's degree (see GPA above).
4. Three letters of professional recommendation (obtain SPED Department forms).
5. Applications for Field Experience and Internship (obtain SPED Department forms).

NOTE: Students enrolling in SPED courses without applying to the SPED Department for formal admittance may only take 12 credits of course work. All other coursework beyond the first 12 credits will be dropped from the student's program at application for formal admittance. Make formal application to all SPED programs (licensure only, licensure with Master's degree, etc.) early in order that all aforementioned 12 credits apply to the student's graduate program.

REGISTRATION FOR FIELD EXPERIENCES:

All students are required to complete field experience applications as far in advance as possible, generally at the time of application for department admission. The candidate's deadline for priority placement in the next year is December of the current year. Applications are available in the SPED Department office, Gildemeister 221.

MASTER OF SCIENCE IN EDUCATION

LEARNING DISABILITIES CONCENTRATION

44-46 S.H.

PREREQUISITES:

Certified for a valid teaching license required
Undergraduate degree in teacher education or completion of WSU Professional Education Sequence (see undergraduate catalog)
Persons without a valid teaching license must complete the Professional Education Sequence (see undergraduate catalog) and must complete HHP 204
Reading Methods equivalent courses
Math Methods equivalent courses
500 Exceptional Children and Youth (3)* or equivalent
505 Student Management Systems (3)* or equivalent

CORE COURSES (IN LICENSURE SEQUENCE):

510 Introduction to Assessment/Methods (3)
520 Special Education Administrative Procedures (3)*
530 Characteristics of Students with Disabilities (3)
545 Assessment/Methods for Students with Learning Disabilities (3)
631 Field Experience (3)
655 Internship LD (15)

ADDITIONAL COURSE WORK:

ED 623 Foundations of Education (3) (from Education Department)
660 Collaborative Consultation (3)
661 Research Design (2)
662 Research Seminar (2)
600-level elective (2)

RESEARCH REQUIREMENT:

699 Master's Thesis (4) (no 600-level elective is required with this option) OR
698 Professional Paper (2)

*Enrollment permitted prior to admission to program

MASTER OF SCIENCE IN EDUCATION

DEVELOPMENTAL DISABILITIES CONCENTRATION

56-58 S.H.

PREREQUISITES:

Certified for a valid teaching license required
Undergraduate degree in teacher education or completion of WSU Professional Education Sequence (see undergraduate catalog)
Persons without a valid teaching license must complete the Professional Education Sequence (see undergraduate catalog) and must complete HHP 204
Reading Methods equivalent courses
Math Methods equivalent courses
500 Education of Exceptional Children/Youth (3)* or equivalent
505 Student Management Systems (3)* or equivalent

CORE COURSES (IN LICENSURE SEQUENCE):

507 Management Techniques for Severe Developmental Disabilities (3)

530 Characteristics of Students with Disabilities (3)*
545 Assessment/Methods for Students with Learning Disabilities (3)
561 Field Experience (3)
565 Internship DD (15)

* Enrollments permitted prior to admission to program.

GRADUATE WRITTEN EXAMINATION REQUIREMENT
Consult the catalog in the Graduate Catalog or the Course Schedule for dates and application deadlines. After consultation with the
advisor, essay examination questions (4) are solicited from professors in
courses chosen in cooperation with the candidate's advisor, at least one
month prior to the date of the examination. (Refer to Master of Science
Requirements section.) The questions must come from core courses.
The comprehensive exam is made up yearly by the department. Students are
given a review guide in preparation for the exam.

NOTE: The student is responsible for knowing all information and
regulations in the information sections of this catalog, and especially the
Academic Information section, including "Degree Requirements: Master
of Science." Knowledge of deadlines is the responsibility of the
candidate.

COURSE DESCRIPTIONS
500/400 Education of Exceptional Children/Youth - 3 S.H.
An overview of information to assist human service professionals in
understanding the educational, vocational and other transitional needs of
individuals in preschool through post-school who are speech impaired,
learning disabled, emotionally disturbed, behaviorally disordered, deaf,
blind, mentally disabled, physically disabled, health impaired or gifted.
IDEA, ADA and SEC 504 as well as parent participation are stressed.
Offered twice yearly and summer. Grade only.

505/405 Student Management Systems - 3 S.H.
A study of management systems used in modern preschool through
high school education settings with emphasis upon preventive, proactive
techniques. The course has an additional video laboratory component of
four hours per week wherein students are given guided practice in the
use of each technique learned. Both regulated and unregulated
management systems for regular and special education
students are taught. Enrollees may choose to obtain certification from
the National Crisis Prevention Institute as a result of course completion.
Offered twice yearly and summer. Grade only.

507/407 Management Techniques for Severe Developmental
Disabilities - 3 S.H.
Management of extremely challenging behavior problems (e.g., self-
stimulation, self-injurious behavior, ritualistic behavior, severe attention
deficits, etc.) Included are less severe behaviors that inhibit acquisition,
maintenance, and generalization of newly learned skills. Offered
summer only. This course is only offered in the summer at Camp
Winnebago in Caledonia, Minnesota. It is a 12 credit co-requisite
sequence with SPED 508, 509, and 531 requiring participation in the
Camp Winnebago programs on a Monday-Friday, 8:00 a.m. - 5:00 p.m.
basics. Advance application and departmental permission to enroll.
Prerequisites: SPED 500, 505, 520. Grade only.

508/408 Functional Skills Development - 3 S.H.
Methods and materials utilized in teaching functional skills to persons
with severe handicaps. Motor-physical mobility, self-help care,
independent living, self-sufficiency, pre-employment, and daily living
skills are emphasized. Objective is to develop skills that may be used in
self-care and assistive care environments. Offered summer only.
This course is only offered in the summer at Camp Winnebago in Caledonia,
Minnesota. It is a 12 credit co-requisite sequence with SPED 508, 509,
and 531 requiring participation in the Camp Winnebago programs on a
Monday-Friday, 8:00 a.m. - 5:00 p.m. basis. Advance application and departmental permission to enroll. Prerequisites: SPED 500, 505, 520. Grade only.

509/409 Medical Aspects of Developmental Disabilities - 3 S.H.
Emphasis is placed upon understanding the medical aspects of severe disability, which assist the teacher in communicating with the medical profession and other caregivers in a multidisciplinary setting.

The learning of first-respondence techniques that increase the safety of all students' clients is also emphasized. Offered summer only. This course is only offered in the summer at Camp Winnebago in Caledonia, Minnesota. It is a 12 credit co-requisite sequence with SPED 508, 509, and 531 requiring participation in the Camp Winnebago programs.

510/410 Introduction to Assessment/Methods - 3 S.H.
An introduction to the basic components of Special Education assessment, curriculum, instruction and IEP development. Standardized and informal assessment procedures and their relationship to direct instruction are emphasized. Offered twice yearly. Prerequisites: SPED 500, 505, EDUC 305 or equivalent, EDUC 312 or equivalent; methods courses in math and reading recommended.

514/414 Multisensory/Comprehensive Language Arts Instruction I - 5 S.H.
The first of a two-course sequence (SPED 514/515) in literacy methods. This first session examines the integration of reading, writing, listening, and speaking competencies in a unified literacy curriculum for learners from kindergarten through grade 12. Instructional emphasis is placed upon learning the sound/symbols associations for all levels of written language including the multisensory essential teaching techniques in literacy instruction based on the original work of Orton and Gillingham. Instruction encompasses linguistic rules and the structure of English from elementary to the highest levels of vocabulary, and matching appropriate instructional strategies with the present knowledge of learners and their language learning capabilities. A required supervised practicum is integral to the course. WSU students enrolled in this course must demonstrate mastery of the skills learned by teaching students with reading difficulties under supervised conditions. This two-course sequence meets the Minnesota Board of Teaching reading competency requirements (including licensure renewal 2004). Grade only.

515/415 Multisensory/Comprehensive Language Arts Instruction II - 5 S.H.
The second of a two-course sequence (SPED 514/515) in literacy methods. This course extends the examination of reading, writing, listening, speaking, and viewing competencies into all areas of language arts. The focus will be on applying multisensory teaching techniques based on the original work of Orton and Gillingham to all the areas needed for literacy competencies: word decoding and encoding, comprehension skills, written expression skills, vocabulary development, and knowledgeable use of grammar. This will also include assessment of an individual's specific instructional needs and ways to adapt instruction of essential concepts to fit those needs at all levels of literacy required by learners from kindergarten through high school. A required supervised practicum is integral to the course. WSU students enrolled in this course must demonstrate mastery of the skills learned by teaching students with reading difficulties under supervised conditions. This two-course sequence meets the Minnesota Board of Teaching reading competency requirements (including licensure renewal 2004). Grade only.

520/420 Special Education Administrative Procedures - 3 S.H.
An overview of special education delivery models including finances, legislation, philosophic considerations, least restrictive approaches, parent involvement and due process safeguards. Local, state and federal rules and regulations are studied as are federal legislation including IDEA, ADA, and Section 504. Offered twice yearly and summer. Prerequisite or co-requisite: SPED 500. Grade only.

525/425 Inclusion in Regular Classrooms - 3 S.H.
Prerequisites: SPED 500, 505, 510, 520, 631. Required of students who do not have a teaching background. Other requirements apply. Grade only.

530/430 Characteristics of Students with Disabilities - 3 S.H.
This course is designed to provide the student with an understanding of the characteristics of students who are developmentally disabled, learning disabled, or emotionally/behaviorally disordered. Implications for planning instruction and issues related to field of Special Education are identified. Offered twice yearly. Prerequisites: SPED 500, 505, 520. Grade only.

531/431 Language/Sensory Stimulation - 3 S.H.
Methods and procedures for the stimulation, development, and augmentation of communication skills among the severely disabled. Included are alternative communication methods such as basic signing and technological augmentation, etc. that will assist the severely disabled in participating in less restrictive environments and their own care.

540/440 Assessment/Methods for Students with Developmental Disabilities - 3 S.H.
Knowledge and skills for professional entry-level assessment and program development/adaptation for students with developmental disabilities including transition and paraprofessional supervision. Offered yearly. Prerequisites: SPED 631; concurrent enrollment in SPED 655 (Internship DD) can also be taken before SPED 655. Grade only.

545/445 Assessment/Methods for Students with Learning Disabilities - 3 S.H.
Advanced skills and understanding of academic, processing and behavioral assessments, curriculum and instruction for planning the least restrictive educational programs for students with learning disabilities. Offered twice yearly. Prerequisites: SPED 631; concurrent enrollment in SPED 655 (Internship LD); can also be taken before SPED 655. Grade only.

631 Field Experience - 3 S.H.
Practical application and guided practice in effective teaching procedures for students with disabilities. Involves placement in a special education classroom or inclusive setting daily for three to four hours. Offered twice yearly. Prerequisites: admission to the Special Education Program; SPED 500, 505, EDUC 305 or equivalent, EDUC 312 or equivalent; methods courses in math and reading recommended. Concurrent enrollment in SPED 510; advance application; departmental permission required to enroll. Grade only.

655 Internship LD or DD - 15 S.H.
Demonstration of competencies by the student teacher in professional entry-level knowledge and skills in assessment and program development/adaptation for students with disabilities in all-day, supervised school settings. Student teaching experience is full-time daily for a full semester. Offered twice yearly. Prerequisites: Advance application; departmental permission required to enroll. P/N only.

660 Collaborative Consultation - 3 S.H.
Overview of consultation methods utilized by special education and other professionals with teachers, related service personnel, parents and students including the education, legal and ethical factors involved in case management. Specific focus on and development of collaborative consultation skills. Offered alternate years. Grade only.

661 Research Design - 2 S.H.
Overview of research methods in special education including research design and applications, basic statistical procedures for the analysis of data in multiple and single subject design. Offered alternate years. Grade only.

662 Research Seminar - 2 S.H.
A seminar in which student research and selected examples of research reported in the literature are critically evaluated. Students will have an opportunity to design data-based research projects and submit them for peer/faculty critical review. Prerequisite: SPED 661. Offered alternate years with SPED 661. Grade only.

690 Independent Study - 1-3 S.H.
The independent pursuit of a topic in research, project development or selected readings. In consultation with the instructor. Offered according to demand. Application during preceding semester required. May be repeated for credit. Advisor approval required. Grade or P/NC.

695 Workshop - 1-3 S.H.
Subject matter arranged by the department on special topics. The course may be repeated when offered with different subject matter and title. Offered according to demand. Grade or P/NC.

696 Professional Paper - 2 S.H.
The course is a capstone research project for the master's degree serving as a culminating experience that integrates the knowledge and skills of
the graduate program in a way that produces new information or organizes and presents existing information in a new way. The student must work closely with the advisor from the earliest stages of exploring the possibility for a topic and receive periodic feedback as the various phases of the project are encountered and addressed. A formal proposal is to be submitted for the project and a second graduate faculty member from outside the Special Education Department is to serve as a reader during the project. Offered as needed on an individual basis only. Grade only.

699 Master's Thesis – 4 S.H.
A scientific research project showing evidence of the candidate's ability to plan a study, prepare a research proposal, review literature, gather information, and prepare a formal, written report of findings followed by an oral report to the thesis committee. Offered as needed on an individual basis only. Prerequisites: advisor approval, application during preceding semester. Grade only.

COLLEGE OF LIBERAL ARTS
206 Minne Hall, 457-5017
Troy Paine, Dean

DEPARTMENTS
Art
Communication Studies
English
Foreign Languages
History and Paralegal
Mass Communication
Music
Philosophy
Political Science
Psychology
Sociology and Social Work
Theatre and Dance

Degrees Offered
Master of Arts in English
Master of Science in English

MISSION
The mission of the College of Liberal Arts is to offer degree programs in the arts, humanities and social sciences, as well as specialized professional and occupational areas. The college also seeks to provide a comprehensive base of liberal studies as the foundation of all degrees. These two facets of the mission translate into two major responsibilities of the faculty: 1) To provide a broad array of quality programs in the liberal arts and related professional fields; 2) To provide the majority of the general education curriculum to all WSU students.

The specific missions for the College of Liberal Arts are as follows:
1. Develop a depth of knowledge in a primary discipline.
2. Develop breadth through knowledge and appreciation of the arts, humanities, and social sciences beyond one's primary discipline.
4. Make individuals aware of the rights and responsibilities they have to themselves and to society.
5. Prepare individuals to meet the career challenges of a rapidly changing society.
6. Contribute to the development of basic and applied knowledge in the fields of the liberal arts.

CAREER OPPORTUNITIES
The opportunities for career education within the College of Liberal Arts are many and varied. Important in career planning is the fact that a liberal arts education provides the student with career skills that are useful in many jobs such as business, law, and medicine. These skills have general applicability and they will provide considerable vocational choice and career flexibility.

FACULTY
Over eighty percent of the liberal arts faculty have terminal degrees in their fields from prominent universities. Many are widely known for their scholarly and creative efforts as well as for their excellence as teachers.

FACILITIES
The majority of the liberal arts faculty offices and facilities are located in Minne Hall or in the Performing Arts Center. The Art Department is located in Watkins Hall and the Foreign Languages Department is in Sornsen Hall. The Mass Communication and Psychology Departments are in Phelps Hall.

ART
204 Watkins, 457-5395
Chairperson: Dominic Ricciotti
Graduate Faculty: Park, Plummer, Ricciotti

Seho Park, Professor, Art; M.A.T., Whitworth College; M.F.A., Ph.D., University of Minnesota-Twin Cities; 1988 -
Anne Plummer, Associate Professor, Art; B.F.A., Rhode Island School of Design; M.F.A., Claremont Graduate School; 1990.
Dominic Ricciotti, Professor, Art; B.F.A., Washington University; M.A., City University of New York-Hunter College; Ph.D., Indiana University; 1985 -
COURSE DESCRIPTIONS

502/402 The Psychology of Art and Art Education - 3 S.H.
Exploration of topics related to human behavior and the production and appreciation of visual art forms. The prospective art teachers' understanding of the subject of art and effective instruction for K-12 learners are further concerns. Theories of perception, learning and the creative processes are examined as they pertain to: visual thinking, aesthetic perception and judgment, artistic motivations, art concept formation, formal and semantic organization, artistic styles, cognitive development, instructional strategies, art teacher-learner dynamics, learning environment, evaluation of learning, and mediumization process in studio art. Prerequisite: 109 recommended, 300 and junior standing. Offered alternate years. Grade only.

512/412 Multi-media Crafts for the Classroom - 3 S.H.
An intensive and extensive art education laboratory experience affording the prospective art teacher opportunities to become familiar with advanced art studio processes that produce crafts outcomes across several media, including contemporary and experimental media. The scope of learning content extends beyond the basic crafts processes introduced in Art 300. Applicable for Minnesota Licensure in Art. Prerequisites: Art 300. Offered alternate years. Grade only.

600 Current Trends in Art Education - 2 S.H.
Review of current trends in art programs, examination and study of state, city, and county art guides adopted in the past five years. New developments in art education, review of current periodical articles concerned with experimental programs. Arranged offering. Grade only.

603 Implementing Visual Arts Learning in the Elementary Classroom - 2 S.H.
Objectives, strategies for increasing perceptual awareness in art production/appreciation. Prerequisite: 300. Arranged offering. Grade only.

650 Special Problems in Art - 2 S.H.
Independent study in the solution of a problem related to the individual student's field of special interest. Problems course may be repeated up to a total of six credit hours. Arranged offering. Grade only.

COMMUNICATION STUDIES

215 Performing Arts Center, 457-5230
Graduate Faculty: Falc, Glueck, Hatfield, Hermodson, Herold, Kelley, Rahoi-Gilchrest, Reilly

Emilie Falc, Assistant Professor, Communication Studies; B.A., University of Illinois; M.A., Ph.D., Ohio University; 2001-
Lisa Glueck, Assistant Professor; B.A., M.A., Washington State University; Ph.D., University of Wisconsin-Madison; 1993 -
Susan Hatfield, Professor, Communication Studies; B.S., M.S., Miami University (Ohio); Ph.D., University of Minnesota-Twin Cities; 1981 -
Amy Hermodson, Assistant Professor, Communication Studies; B.A., Concordia College; M.A., Michigan State University; Ph.D., University of Denver; 2000-
Kathy Herold, Assistant Professor, Communication Studies; B.C.S., Dickinson State University (ND); M.A., University of Northern Colorado; Ph.D., University of Southern Mississippi; 1996-
Katherine Kelley, Associate Professor, Communication Studies; B.A., Rosary College, River Forest (IL); M.A., University of Michigan; Ph.D., University of Minnesota-Twin Cities; 1992 -
Rita Rahoi-Gilchrest, B.A., University of Wisconsin-Eau Claire; M.A., Ph.D., University of Ohio; 2000-
Edward Reilly, Assistant Professor; B.A., Northern Illinois University; M.A., University of Maine; Ph.D., Louisiana State University; 1997 -

COURSE DESCRIPTIONS

561/461 Political Communication - 3 S.H.
History and analysis of great American speeches. Prerequisite: CMST 283 or instructor's permission. Offered alternate years.

599/499 Independent Studies in Communication Studies - 1-6 S.H.
Offers advanced students an opportunity to study independently in an area of special interest to them. May be repeated for a total of 6 semester hours. Prerequisite: instructor's permission. Offered on demand. Grade only.

Chris Buttram, Associate Professor; B.A., Emory University; M.A., M.Phil., Ph.D., Columbia University; 2000 -
Jane Carducci, Professor; B.A., Colorado College; M.A., Ph.D., University of Nebraska-Reno; 1992 -
Debin Cumberland, Assistant Professor; B.A., Carleton College; M.A., Ph.D., University of Nebraska-Lincoln; 2002 -
Gary Eddy, Professor; B.A., State University of New York-Brockport; M.A., University of Texas-El Paso; M.F.A., University of Arizona; Ph.D., State University of New York-Binghamton; 1988 -
Ruth Forsythe, Professor; B.A., St. Olaf College; M.A., Ph.D., University of Minnesota; 1977 -
Paul H. Grawe, Professor; B.A., Carleton College; M.A., Ph.D., Northwestern University; 1968 -
Douglas Hayes, Assistant Professor; B.A. (Hons.), M.A., University of Alberta; Ph.D., University of Toronto; 2001 -
Paul Johnson, Associate Professor; B.S., Valley City State University; M.A., University of North Dakota; Ph.D., University of Minnesota-Twin Cities; 1987 -
Ditlev Larsen, Assistant Professor; B.A., Aalborg University; M.A., St. Cloud State University; Ph.D., University of Minnesota, 2003 -
Elizabeth Oness, Assistant Professor; B.A., James Madison University; M.F.A., University of Maryland; Ph.D., University of Missouri-Columbia; 2001 -
David L. Robinson, Professor; B.A., Hamilton College; M.A., Ph.D., Duke University; 1971 -
Holly Shi, Professor; B.A., Shanghai International Studies University; M.A., Ph.D., Indiana University of Pennsylvania; 1995 -

NOTE: Each year the Department of English offers a number of graduate assistantships. Contact the Director of English Graduate Studies, Department of English, or consult the graduate program website: www.winona.edu/english/grad/gradmain.html for details.
MASTER OF ARTS
English
30 S.H.

Prerequisites for Admission to Graduate Program:
• An undergraduate major in English equivalent to that required by Winona State University. (Note: In some cases, further undergraduate coursework may be required to meet this equivalency.)
• A "B" average (or 3.00 average, figured on a basis of 4.0 for "A") in undergraduate English courses.

ADDITIONAL REQUIREMENTS:
1. Petition the English Department for Admission (after 6 credits):
   • At some time after completing their sixth hour of graduate English credit, but before completing their twelfth hour, students must write a letter to the English Department Graduate Studies Committee, requesting admission to the program.
   • No more than 12 hours credit towards the M.A. degree will be granted unless a student has been formally admitted to the program.
2. Choose an advisor from the department graduate faculty. (The thesis director may be chosen later.) The chair of the Graduate Studies Committee will advise new graduate students and assist them in finding an advisor.
3. Take the Departmental Graduate Assessment Essay (usually offered in the fall semester; see the website for details).
4. Apply for Admission to Candidacy (before 16 credits):
   • Before completing 16 graduate semester credits, students should submit an "Application for Admission to Candidacy" form to the Office of Graduate Studies, listing the courses they have taken and plan to take.
   • A copy should be filed in the English Office.

Graduation Requirements:
1. Thirty hours of graduate credit, at least twenty-four of which must be in English.
   • No credit hours in English will be accepted which are below 'B'.
   • Students who receive a "C" before being admitted to the program may ask the English Graduate Studies Committee to review their application.
2. A passing mark on the final Comprehensive Examination.
   • Students should consult the academic calendar (in the class schedules) for deadline dates to notify the Office of Graduate Studies of intent to take the Comprehensive Examination. A copy of the "Notification of Intent to take Comprehensive Examination Form" should be filed in the English Office. When permission is granted, the date and venue of the exam will be established.
   • Students must register for the exam tutorial, English 693, the semester in which they plan to take the exam.
3. Thesis Options:
   • Presentation of a satisfactory thesis, which may be a critical/historical study or a body of creative writing. The scholarly/critical thesis should be a project of some complexity. While the need thesis not be an original "contribution to knowledge," it should be based upon careful evaluation of a considerable body of literature and data, consider relevant published scholarly and critical work, and address its material from a clearly defined perspective. The creative writing thesis should be a substantial and unified body of newly written or significantly revised poetry, fiction, creative prose, or (in rare cases) some combination of genres. The thesis should be made up of serious work demonstrating expertise in traditional and/or contemporary creative writing techniques. In addition, a substantive portion of the thesis will be an appendix devoted to articulating the literary philosophy underlying the creative work.
   • Additional requirements of both thesis options are available from the English Department Office and the graduate program website: www.winona.edu/english/grad/gradmain.html
   • The student will select a thesis director, who will convene a committee of readers.
   • The director must approve the prospectus before the student registers for thesis credits.
   • The student will defend the thesis publicly.

4. Non-thesis Option:
   • Students must complete two additional graduate seminars at Winona State University, a minimum of six additional credits.
   • Students who have originally intended to do the thesis may switch to the non-thesis option at any time, but they must submit a revised (supplemental) "Candidacy/Program" form indicating that the university's capstone writing requirement will be satisfied by the non-thesis/additional seminars option.

MASTER OF SCIENCE
ENGLISH
30 S.H.

Prerequisites and requirements for the Master of Science in English are identical to those for the Master of Arts, except that six of the thirty hours of graduate credit required must be in professional education courses, and English 613 is required. In addition, up to six hours of electives may be in graduate courses in areas other than English.

COURSE DESCRIPTIONS
Classes listed as 500/400 level are open to both graduates and undergraduates, and they include a bibliography component for graduate students. Graduate students are expected to demonstrate more sophisticated critical reading than undergraduates, to survey major critical literature, and to write a substantive paper. Writing courses require projects that are more intensive and/or analytic than those expected of undergraduates.

Courses listed only at the 500 level are open to graduate students and to undergraduates who are in the English major. Only graduate students may register for courses at the 600 level. Graduate students are required to take at least half of their courses at the 600 level.

505/405 Chaucer - 3 S.H.
The Canterbury Tales. Offered yearly. Grade only.
510/410 Advanced Creative Writing: Prose - 3 S.H.
Opportunity to produce a significant body of new fiction or creative nonfiction and to develop a literary aesthetic and philosophy. Application of various expressive, imitative, and experimental writing techniques. Permission of instructor required. Offered every two years. Grade only.
511 Teaching Writing: Theory and Practice - 4 S.H.
Theories and practice of teaching writing. Includes classroom observations and preparation of teaching materials. Required of all graduate assistants. Offered yearly. Grade only.
512/412 Advanced Creative Writing: Poetry - 3 S.H.
Advanced study of selected poets and poems; advanced practice in poetry writing. Permission of instructor required. Offered every two years. Grade only.
514/414 Shakespeare: Comedies and Histories - 3 S.H.
Study of Shakespeare's major comedies and history plays. Offered every two years. Grade only.
517/417 Shakespeare: Tragedies - 3 S.H.
Study of Shakespeare's major tragedies. Offered every two years. Grade only.
522/432 Comparative Literature - 3 S.H.
A study of texts within their cultural contexts and exploration of strategies for comparing texts from various cultural traditions. Offered yearly. Grade only.
539/439 Technical Writing - 3 S.H.
A course in the theory and practice of technical writing. Offered every two years. Grade only.
547/447 Literary Criticism: Theory and Practice - 3 S.H.
A study of modern critical theories and their application in original critical evaluations. Offered yearly. Grade only.
602-603-604 Seminar in Special Literary Themes, Topics, Genres - 3 S.H. each.
Intensive study of a literary theme, topic, genre, or other aspect of literature. Grade only.
605-606-607 Seminar in English Literature - 3 S.H. each.
Intensive study of one English writer or of a small group of writers whose works represent a significant movement or aspect of English literature. Grade only.

</table>

651/461 Latin American Social Revolution - 3 S.H. 
An analysis of Latin America's major revolutionary movements of the twentieth century. Special emphasis on Mexico, Bolivia, Cuba, and Central America. Offered as needed. Grade only.

569/469 History of Brazil - 3 S.H.
Brazilian history from discovery until the present, with emphasis given to exploration and colonization, the development of slavery and its abolition, and Brazil's struggle for industrialization and world power status. Offered as needed. Grade only.

578/478 The Age of Jackson - 3 S.H.
Traces the political, social, intellectual, and cultural development of the United States from the 1820s through the 1840s. Topics include Jacksonian politics, Manifest Destiny and the Mexican War, Northern society, the South and slavery, antebellum reform movements, and Romanticism. Offered as needed. Grade only.

579/479 The Civil War and Reconstruction - 3 S.H.
Explores the culture and society of ante-bellum America, the origins of the war, the political and military development of the war. The course will then explore Reconstruction of the Southern political, social and economic orders and the Southern counter-revolution of the 1870's. Offered as needed. Grade only.

581/481 American Westward Expansion - 3 S.H.
Examines the historical West versus the mythical West. Compares stereotypes and popular images of the West and its inhabitants to the cultural, political and social diversity of the American West. Traces the development of Western history from first contact to the present. Offered as needed. Grade only.

583/483 The Progressive Era and the "New Era" Twenties (1901-1929) - 3 S.H.
Consideration will be given to the cultural and economic crisis of the 1890's, the progressive impulse, varieties of progressive reform, progressive foreign policy and World War I, postwar adjustment problems and select phenomena of the Twenties. The course will conclude with study of Herbert Hoover's economic and political vision. Offered every other year. Grade only.

584/484 Depression, New Deal and War (1929-1945) - 3 S.H.
The Depression of 1929 with emphasis on the economic, social, and psychological causes and consequences, the New Deal revolution, and the role of the United States in World War II. Offered as needed. Grade only.

585/485 Contemporary America 1945-Present - 3 S.H.
The course explores the causes and consequences of the Cold War, U.S. involvement in the Korean War, and selected post-war problems in
foreign policy, mass society, and social alienation. It also explores the reforms and social movements of the Great Society era and the development of contemporary conservatism and consumer-oriented neoliberalism. Offered every other year. Grade only.

586/486 American Intellectual and Cultural History - 3 S.H.
The course focuses on the development of basic concepts in American political, religious, philosophical, scientific, and social thought, and on their impact on American culture from the colonial period to the present. Offered yearly. Grade only.

588/488 American Constitutional History - 3 S.H.
A study of the origins, growth, and development of the United States Constitution in the context of American social and political history. Prerequisite: History 150 or 151 or consent of instructor. Offered yearly. Grade only.

615 Seminar in European History - 3 S.H.
Readings on European topics as selected by the instructor. Since the topics will vary, this course may be repeated for credit. Grade only.

620 Seminar in United States History - 3 S.H.
Readings on United States topics as selected by the instructor. Since the topics will vary, this course may be repeated for credit. Grade only.

MUSIC
145 Performing Arts Center, 457-5250
Chairperson: Catherine Schmidt
Graduate Faculty: Draeger, Hoch, Mechell, Schmidt

Suzanne Collier Draeger, Assistant Professor, Music; B.M. Furman University; M.S. Vanderbilt University; D.M.A. University of Maryland College Park; 1987.

James S. Hoch, Associate Professor, Music; B.M., University of the Pacific, Stockton (CA); M.M., D.M.A., University of Colorado; 1992.

Harry Mechell, Professor, Music; B.Mus., M.M., Temple University; D.M.A., University of Illinois; 1989.

Catherine Schmidt, Associate Professor, Music; B.S., M.S., University of Illinois, Urbana; Ph.D., University of Wisconsin-Madison; 1991.

COURSE DESCRIPTIONS

510/410 Music Supervision and Administration - 3 S.H.
Problems of supervision and administration in public school music programs. Prerequisite: 298. Not applicable toward the B.A. degree. Offered every three years.

520/420 Multicultural Music in the Elementary School - 2 S.H.
Advanced study of the philosophic foundations and values of using music from a broad range of cultures in both the elementary classroom and the general music classroom. Development of multicultural materials, their cultural context and methodology for their use in classroom and music class settings. Prerequisite: Music 320, 322 or equivalent or consent of instructor. Offered alternate years.

521/421 Music in Early Childhood Education - 2 S.H.
Advanced study of musical development in children from birth to nine years. Development and application of materials and methods for successfully teaching music to young children. Prerequisite: Music 320, 322 or equivalent or consent of instructor. Offered alternate years.

522/422 Music Seminar on Choral Techniques and Materials - 2 S.H.
Criteria for selection of vocal music, examination of representative music suitable for groups at various levels of development, principals of programming, rehearsal techniques and organizations. Offered alternate years.

625 Seminar in Latin American History - 3 S.H.
Readings on Latin American topics as selected by the instructor. Since the topics will vary, this course may be repeated for credit. Grade only.

631 Independent Readings in History - 1-3 S.H.
Course content will be determined by student’s needs. The course should be used primarily to supplement prior course work in preparation for the comprehensive examination. Credit is arranged in consultation with the instructor. Students may count a total of six credits of this course toward the M.S. degree requirements. Use of this course beyond three credits must be approved by the student’s committee. Grade only.

699 Thesis - 3 or 6 S.H.
Thesis research and writing. Credit to be arranged in consultation with the thesis advisor. Prerequisite: Permission of the student’s departmental M.S. program committee. The committee will judge whether and when the thesis is acceptable. The thesis advisor will assign the grade for this course. The course may be repeated for credit with thesis advisor permission. Grade only.

535/435 Wind Instrument Repair - 2 S.H.
Care, maintenance, and repair of woodwind and brass instruments. Offered occasionally.

540/440 American Art Music - 3 S.H.
Music in America from the time of the Puritans to the present day. Historical, biographical material and record listening, for the general student as well as for music majors and minors. Prerequisite: Music 109 or equivalent. Offered occasionally.

545/445 Art Music of the Twentieth Century - 3 S.H.
A survey of the contemporary musical scene. The changes that have taken place in music since the beginning of this century. Historical, biographical material and record listening. Designed for the general student as well as for majors and minors. Prerequisite: Music 109 or equivalent. Offered occasionally.

590/490 Music for Today’s Schools: New Ideas in Music Education - 1-3 S.H.
The objectives of this workshop are to offer new ideas or theories, elaborate on new trends, and offer guidelines for improvement of public school programs. Course content changes each year. May be repeated for credit.

POLITICAL SCIENCE
120 Minne, 457-5500
Chairperson: Yogesh Grover
Graduate Faculty: Bosworth, Csajko, Downs, El-Afandi, Grover, Lee

Matt Bosworth, Assistant Professor, Political Science; B.A., St. Johns Hopkins; M.A., Ph.D., University of Wisconsin-Madison; 1997.

Karen Csajko, Assistant Professor, Political Science; B.S., M.S., Portland State University; Ph.D., University of Berkeley; 1996.

Darrell Downs, Assistant Professor, Political Science; B.A., B.S., Montana State University; M.S., Oregon State University; Ph.D., Colorado State University; 1992.

Ahmed El-Afandi, Professor, Political Science; B.Com., University of Alexandria; M.A., Ph.D., University of Missouri-Columbia; 1968.

Yogesh Grover, Associate Professor, Political Science; B.A., M.A., University of Delhi (India); Ph.D., University of Missouri-Columbia; 1988.

Frederick Lee, Assistant Professor, Political Science; B.A., University of New Orleans; M.A., Ph.D., University of Michigan; 1992.
COURSE DESCRIPTIONS

510/410 Political Research II - Primary - 3 S.H.
Capstone experience that allows students to do original primary research utilizing the various primary research tools and approaches used in the study of political phenomena and processes. Emphasis is placed on problem solving and critical thinking. Students will have a capstone experience in which they will apply knowledge gained in this and other courses to an original research problem. Survey research techniques will be studied and a practical survey project will be undertaken. Prerequisites: 290 and senior status. Offered Spring.

516/416 Internship Program - 1-12 S.H.
To provide practical experience in local, state, and national government and in public administration (limited enrollment). Credit arranged. (May not apply toward a graduate degree.)

520/420 Administrative Law - 3 S.H.
An exploration of the law of Administrative process; Legislative, Executive and Judicial control of administrative action, the formal administrative process; administrative discretion; and the applicability of res judicata and stare decisis to administrative proceedings, with due consideration to the Federal Administrative Procedure Act. Prerequisite: 120 and 320.

522/422 American Foreign Policy - 3 S.H.
A study of the contemporary foreign policy of the United States. The course includes an analysis of threats and issues originating from the external world and facing America, and the suitable American response, responsibilities and commitments. Offered every two years. Prerequisite: 130 or consent of instructor.

526/426 Politics of Public Budgeting - 3 S.H.
An examination of the politics of budgeting at the state, local and national level. Consideration will be given to program planning, intergovernmental relations, the government and the economy, and reforms in budgetary systems. Prerequisites: 120 and 228.

599/499 Seminar - 1-3 S.H.
The subject matter to be arranged by the instructor prior to the course being offered. The student may repeat the course without limitation on the number of credits as long as the subject matter is different.

PSYCHOLOGY

231 Phelps Hall, 457-5435
Chairperson: Kerry G. Williams
Graduate Faculty: Deyo, Fried, Johnson, Kester, Lane, Marmolejo, Miene, Sefkow, Williams, Williams

Richard A. Deyo, Professor, Psychology; B.S., Viterbo College; M.A., Ph.D., Bowling Green State University; 1990 -

Carrie Fried, Assistant Professor, Psychology; B.S., Iowa State University; M.S., Ph.D., University of California, Santa Cruz; 1994 -

John Johnson, Assistant Professor, Psychology; B.S., University of South Dakota; M.A., University of Nebraska at Omaha; Ph.D., University of Nebraska, 1998 -

Mary S. Kester, Professor, Psychology; B.M.Ed., M.A., Ph.D., University of Kansas-Lawrence; 1987 -

Kristi Laine, Professor, Psychology; B.A., University of North Carolina; M.A., Ph.D., George Peabody College of Vanderbilt University; 1980 -

Gloria Marmolejo, Assistant Professor, Psychology; B.S., National Autonomous University of Mexico; M.S., Ph.D., University of Wisconsin-Madison; 1994 -

Peter K. Miene, Associate Professor, Psychology; B.A., University of Kansas-Lawrence; Ph.D., University of Minnesota-Twin Cities; 1994 -

Susan B. Sefkow, Professor, Psychology; B.A., Yale University; M.S., Ph.D., University of Massachusetts-Amherst; 1978 -

Janette Williams, Professor, Psychology; B.A., Northwestern University; M.A., Ph.D., University of Illinois; 1987 -

Kerry G. Williams, Professor, Psychology; B.Sc., University of Washington; M.A., Ph.D., University of Illinois; 1981 -

523/423 Psychopathology of Childhood - 3 S.H.
Examines classification of disorders of children and adolescents. Core topics include mood, anxiety, and psychotic disorders. Selected topics: eating disorders, psychosomatic disorders, autism, psychosis, phobias, developmental deviations. Therapeutic issues will be discussed. Prerequisites: 210, 250 and 420/520. Offered yearly.

524/424 Women and Mental Health - 3 S.H.
Diagnosis and treatment will be discussed with mood disorders as a central focus followed by themes in therapy selected from topics such as: anger, autonomy, identity, integration of marriage and career, lesbianism, poverty, consciousness raising and gender role development. Traditional and alternative therapeutic approaches will be discussed in light of socioeconomic factors affecting women. Current issues related to needs of women will be addressed. Prerequisites: 210 and 6 semester hour credits in psychology, or 210, 275 (or WS 148), or permission of instructor. Offered yearly.

525/425 Organizational Psychology - 3 S.H.
An analytical survey of theory and research in organizational socialization, decision-making, organizational-individual interaction, motivation, leadership and the utilization of power and authority, communication, organizational change and development, and the evaluation of organizational effectiveness. Prerequisite: 210. Offered yearly.

599/499 Seminar in Psychology - 1-3 S.H.
A variable topic course involving in-depth study of a specialized subject area within psychology. May be repeated with different topics. Prerequisite: 210 and as determined by the instructor. Offered yearly.
44

SOCIOLGY, SOCIAL WORK, CRIMINAL JUSTICE, AND GEOGRAPHY

228 Minne, 457-5420
Chairperson: Helen N. Dachelet
Graduate Faculty: Aldrich, Bublitz, Collins, Dachelet, Gerlach, Madland, Norman, Schwartz

Brian Aldrich, Professor, Sociology; A.B., Lewis and Clark College; M.S., Ph.D., University of Wisconsin-Madison; 1976 -
Ervin C. Bublitz, Professor, Sociology; A.B., St. Mary’s College (Minnesota); B.S., M.S., Winona State University; Ph.D., University of Utah; 1970 -
John W. Collins, Associate Professor, Social Work; B.A. Tarkio College; M.S. University of Minnesota; Ph.D. Saint Louis University; 1993 -
Helen Dachelet, Associate Professor, Sociology; B.A., B.S., M.S., Winona State University; Psy.D., University of St. Thomas; 1996 -
Jerry Gerlach, Professor, Geography; B.A., M.A., University of Nebraska; Ph.D., University of Oklahoma; 1988 -
Carole Madland, Associate Professor, Sociology/Social Work; B.A. Washington University; MSSW University of Tennessee; Ph.D. Washington University; 1991 -
J. Mark Norman, Associate Professor, Sociology/Criminal Justice; B.A., M.S., St. Cloud State University; Ph.D., South Dakota State University; 1996 -
R. Stephen Schwartz, Professor, Sociology; B.S., M.S., University of Oklahoma; Post-graduate Certificate, University of Zambia (University of London, external); Ph.D., The University of Iowa; 1973 -

COURSE DESCRIPTIONS

505/405 Models and Strategies of Intervention - 3 S.H.
An in-depth study of therapeutic methodologies and skills used in correctional services. Special emphasis is on reality therapy to assist individual clients and small groups with behavioral and cognitive changes. Prerequisites: 210 or permission of instructor. Limited to 20 students. Offered each semester.

512/412 Sexuality in American Society - 3 S.H.
An extensive review of recent research in the area with specific emphasis on behavioral and cultural aspects of sexuality. Prerequisite: 150. Offered yearly.

523/423 Race Relations and Minority Groups - 3 S.H.
This course examines race and ethnic relations. It explores the concepts pertaining to such relations, e.g., discrimination, minorities, prejudice. It looks at the theories, which attempt to explain prejudice and discrimination. It looks at the various minority groups from both current and historical perspectives. Finally, the course looks at oppression and the impact of oppression on people's lives. Prerequisite: 150. Offered twice yearly.

531/431 Social Class and Power - 3 S.H.
Social classes, their membership, and their use of social, economic and political power. Prerequisite: 150. Offered periodically.

534/434 Medical Sociology - 3 S.H.
Social factors associated with the incidence and treatment of illness and the social organization of medical institutions and distribution of medical services. Prerequisite: 150. Offered yearly.

535/435 Family Roles and Relationships - 3 S.H.
Specific study of family roles, communication patterns, decision-making, and interpersonal relationships. Prerequisites: 150, 212. Offered yearly.

537/437 The Sociology of Organizations - 3 S.H.
Analysis of patterns, regularities, design and behavior of organizations in different environments and societies. Prerequisite: 150. Offered yearly.

550/450 Sociology of Aging - 3 S.H.
Gerontology is the analytical examination of the aging process. Using a sociological perspective, this course studies the changing roles of the aged, problems confronting the aged, and other important issues. Prerequisite: 150. Offered yearly.

580/480 Variable Topics in Sociology - 1-3 S.H.
A seminar course that analyzes selected topics and problems from the sociological perspective (subject to be chosen by instructor and announced before registration). Prerequisite: 12 hours of sociology or consent of instructor. Offered on demand. Grade only.

COLLEGE OF NURSING AND HEALTH SCIENCES

EA249 Rochester Center, (507) 285-7473
301 Stark Hall, (507) 457-5122
Timothy Gaspar, Dean

DEPARTMENTS

Health, Exercise and Rehabilitative Science
Nursing

MISSION

The College provides quality undergraduate and graduate programs in nursing and the health sciences. These programs are designed to graduate caring, ethical, competent and progressive professionals who are sensitive to diversity and prepared to work with clients through health promotion, prevention of health problems and care during illness. In addition to its professional programs, the College seeks to promote health awareness at WSU. The College's educational environment supports life-long wellness in the individual, the University, the community, and global society.

HEALTH, EXERCISE AND REHABILITATIVE SCIENCE

122 Memorial Hall, (507) 457-2600; FAX 457-5606
Chairperson: Randy Miller
Graduate Faculty: Anderson, Appicelli, Grimm, Kastello, Miller

Dawn Anderson, Associate Professor, Health and Human Performance; B.A., University of Minnesota; M.S., Iowa State University; Ph.D., Ball State University; 1992 -
Phillip A. Appicelli, Assistant Professor, Health and Human Performance; B.A., College of St. Scholastica; M.A., Ph.D., Kent State University; 1998 -
Gail Grimm, Associate Professor, Health and Human Performance; B.S., University of Wisconsin-Platteville; M.S., University of Wisconsin-Madison; Ph.D., University of Arkansas; 1996 -
Gary M. Kastello, Assistant Professor, Health and Human Performance; B.S., University of Wisconsin-LaCrosse; M.A., Ball State University; Ph.D., University of Wisconsin-Milwaukee; 1997 -
Randolph W. Miller, Professor, Health and Human Performance; B.P.E., University of Manitoba (Canada); M.A., Ph.D., University of Minnesota-Twin Cities; 1974 -
COURSE DESCRIPTIONS

501 Research Methods in Health Education - 3 S.H.
Methods and techniques of research potential and completed problems analyzed with view to selection of topics. Grade only. Offered on demand.

503/403 Epidemiology - 3 S.H.
An overview of agents of disease and processes of diseases in man, including an introduction to ecology of man in health and disease. Grade only. Offered on demand.

530/430 Public Health - 4 S.H.
Explores the foundations of public health practices, including health organization/agency structures, and specific public health concerns of the target populations. The course will have a component similar to a practicum — working with a health-related organization throughout the semester — 2 hours per week minimum. Topics covered in this course could be environmental health, community crisis health and/or public service health. Prerequisites: HHP 204, HHP 288 and HHP 410. Recommended prerequisites: HHP 403 and STAT 110. Offered yearly. Grade only.

531/431 Health Problems Workshop - 1-3 S.H.
Explores recent and relevant issues, trends and programming developments in health education/promotion. Designed for teachers, school nurses, school administrators, undergraduates and/or graduate students. Junior or Senior standing. May be repeated for credit. Offered on demand.

602 Critical Issues in Health Education - 1-3 S.H.
Current controversial issues are discussed to develop understanding and insight for organizing and teaching health units. May be repeated for credit. Offered on demand.

604 Health Curriculum in Elementary and Secondary Schools - 3 S.H.
Development and organization of the school health curriculum from K-12. For health instructors, elementary teachers and school administrators. Grade only. Offered on demand.

605 Decision-Making Processing in Health Education - 3 S.H.
Concepts and operational procedure for a management by objectives approach in health education. Grade only. Offered on demand.

616 Laboratory Techniques in Human Performance - 3 S.H.
Advanced work in the areas of exercise physiology with particular emphasis on laboratory experience. Prerequisites: 340. Grade only. Offered on demand.

MASTER'S PROGRAM IN NURSING

Chairperson: Linda Seppanen
Master's Program Director: William McBreen (507)285-7473
www.winona.edu/nursing

Graduate Faculty: Euller, P. Gaspar, T. Gaspar, Hartkopf, Hatlevig, McBreen, O'Brien, Olsen, Pilon-Kacir, Proksch, Scherb, Schnepper, Seppanen, Stejskal, Welhaven

Judith Euller, Associate Professor, Nursing; B.S.N., University of Cincinnati; M.N., University of Washington; Ed.D., Boston University; 1997 -
Phyllis Gaspar, Professor, Nursing; B.S.N., M.S.N., University of Nebraska Medical Center; Ph.D., Case Western Reserve University; 1995 -
Timothy Gaspar, Dean and Professor, College of Nursing and Health Sciences; B.S., South Dakota State University; M.S.N., University of Nebraska Medical Center; Ph.D., University of Utah; 1995 -
Patricia Hartkopf, Professor, Nursing; B.S., Winona State University; M.S.P.H., Ph.D., University of Minnesota-Twin Cities; 1980 -
Jackie Hatlevig, Professor, Nursing; B.S., Winona State University; M.S., University of Wisconsin-Madison; Ph.D., University of Wisconsin-Milwaukee; 1987 -
William McBreen, Professor, Nursing; B.S.N., Mount Marty College - Yankton, South Dakota; M.S.N., University of Nebraska Medical Center - Omaha; Ph.D., University of Texas at Austin; 2000 -
Patricia O'Brien, Associate Professor, Nursing; B.S., University of the State of New York, Regents College of Arts and Sciences; M.S.N., F.N.P. Mary Mount University; 2003 -
Gayle Olsen, Associate Professor, Nursing; B.S.N., College of St. Teresa; M.S.N., University of California - San Francisco; C.N.P., University of Minnesota; 1980 -
Christine E. Pilon-Kacir, Professor, Nursing; B.S., Mercy College of Detroit; M.S., University of Michigan - Ann Arbor; Ph.D., University of Missouri-Columbia; 1994 -
Cindy Scherb, Associate Professor, Nursing; B.S.N., Mount Mercy College; M.S., University of Minnesota; Ph.D., University of Iowa, 2001 -
Lisa Schnepper, Associate Professor, Nursing; B.S., Winona State University; M.S.N., C.N.P., University of Wisconsin - Eau Claire; 2000 -
Linda Seppanen, Professor, Nursing; B.S.N., St. Olaf College; M.S.N., The Catholic University of America; Ph.D., University of Alabama; 1990 -
Joanne Stejskal, Professor, Nursing; B.S.N., College of Saint Teresa; M.S.N., University of Wisconsin - Madison; Ed.D. University of St. Thomas; 1975 -
Mary Welhaven, Professor, Nursing; B.S., Winona State University; M.S.N., Ph.D., University of Minnesota - Twin Cities; 1981 -

DEGREES OFFERED:
Master of Science

MAJOR:
Advanced Practice Nursing

ACCREDITATION:
The Master of Science Program in Nursing is accredited by:
Commission on Collegiate Nursing Education (CCNE)
One Dupont Circle NW, Suite 530
Washington, DC 20036-1120
Phone: (202) 887-6791
www.aacn.nche.org

LOCATION:
Classes for the Master's Program are offered primarily on the Rochester campus with selected courses offered in Winona through ITV and/or other sites using distance education technology.
Purpose:
The Master of Science Program in Nursing at Winona State University educates nurses for advanced practice where change is constant. Students select a focus of Nurse Administrator, Clinical Nurse Specialist, Nurse Educator, Adult Nurse Practitioner, or Family Nurse Practitioner. The program provides a strong clinical base in advanced nursing practice and is designed so each student will be able to:

1. Value caring as the basis of nursing in the human health experience.
2. Synthesize theories from nursing science and related disciplines to guide advanced practice nursing.
3. Demonstrate advanced level of clinical expertise in nursing care of clients.
4. Integrate the roles of the advanced practice nurse in various settings.
5. Use a process of scholarly inquiry in advanced practice nursing.
6. Analyze the effects of historical, cultural, economic, ethical, legal, and political influences on nursing and health care delivery.
7. Manage resources within a health care delivery system through collaboration with other health care providers, community, and clients.
8. Contribute to the continuing professional development of self and others.

DESCRIPTION OF PROGRAM
The Master's Program is grounded in the belief that all advanced practice nurses share a common core of knowledge. Through the foundational core courses, students further develop their ability to integrate theory, research, and practice. Courses within the selected focus of Nurse Administrator, Clinical Nurse Specialist, Nurse Educator, Adult Nurse Practitioner, or Family Nurse Practitioner, provide specialized knowledge and practice opportunities in each advanced nursing role. The domains of advanced practice nursing include client health status management; the nurse/client relationship; teaching/coaching; professional roles; managing and negotiating health care delivery systems; and monitoring and ensuring quality of health care practice.

FOCUS: NURSE ADMINISTRATOR
Students who elect the nurse administrator focus will be prepared for administrative positions in a health care setting. In addition to the core course content, focuses on elements of a nursing care system, the responsibilities of the nurse administrator in research, education, and clinical practice, human resource management, fiscal accountability of the nurse administrator, the functions of the nurse administrator in the organization, and on issues and trends in nursing administration. Clinical practicums in advanced nursing for the nurse administrator focus on management of clients, nurses, and resources. An administration practicum offers students the opportunity to apply administration principles under the guidance of a qualified preceptor.

FOCUS: CLINICAL NURSE SPECIALIST
Students who elect the clinical nurse specialist focus will develop, test, and practice the role of the clinical case manager and clinical nurse specialist in an area of the student's choice. Extension of advanced nursing practice roles of expert clinician, leader/manager, teacher, consultant, and researcher will be demonstrated within the framework of the clinical nurse specialist in adult health nursing.

FOCUS: NURSE EDUCATOR
Students who elect the nurse educator focus will be prepared to teach in an academic or health care setting. Courses and learning experiences focus on knowledge and skills related to the educational process in nursing. Students practice teaching under the guidance of preceptors in the academic and/or health care setting.

FOCUS: ADULT NURSE PRACTITIONER OR FAMILY NURSE PRACTITIONER
Students who elect the Adult Nurse Practitioner or Family Nurse Practitioner focus will be prepared to perform an expanded role in the delivery of primary health care. In addition to the core courses, content includes comprehensive assessment of the health status of adults/families; management of common acute and chronic health problems; provision of counseling and teaching in areas of health promotion and disease prevention; and collaboration with other health professionals. Clinical practicums under the supervision of qualified nurse practitioner and physician preceptors will focus on primary health care in a variety of settings with emphasis on rural and underserved communities. Family Nurse Practitioner students have additional theory and clinical content related to the care of children.

CLINICAL EXPERIENCES
Faculty and graduate students select preceptors in settings and clinical practice areas of nursing to meet students' individual needs. Students commonly precept in hospitals and clinics affiliated with the Mayo Medical Center in Rochester, North Iowa Mercy Health Center in Mason City, Gunderson/Lutheran and Franciscan Skemp Health Care in La Crosse, and other hospitals, clinics, county public health agencies, senior citizen centers, schools of nursing, and health care agencies from a three-state area.

Admission Requirements*
1. Baccalaureate degree in nursing from an NLN or CCNE accredited program;
2. Undergraduate coursework in physical assessment;
3. Undergraduate courses in nursing research and statistics strongly recommended;
4. Computer literacy with knowledge of word processing, spreadsheet, and data base programs;
5. Transcript(s) of past education with GPA of 3.0 or greater on a 4.0 scale (two official copies of transcripts from each institution attended);
6. Graduate Record Exam within the last five years for foreign students or students with a GPA of less than 3.0;
7. Minimum one year of clinical nursing experience (recommended);
8. Current RN license;
9. Three professional references;
10. Statement of professional goals;
11. Satisfactory scores on the TOEFL-test for international or non-English speaking students;

Students requesting admission to the Adult Nurse Practitioner or Family Nurse Practitioner focus must also participate in a personal interview with Master's Program faculty.

Students requesting admission to the Clinical Nurse Specialist focus may be required to have a personal interview.

*Policies are available for individual consideration of students who may have unique education and experience, but may not meet some of the university or program admission criteria.
Applications may be obtained from:

Master's Program in Nursing
WSU-Rochester Center

MASTER'S PROGRAM IN NURSING CORE AND FOCUS REQUIREMENTS

1. General requirements of the University
2. Completed Theses or Professional Study
3. Completed Thesis or Professional Study
4. General requirements of the University

GRADUATE SPECIAL STUDENTS:

Students can apply as a Graduate Special student to the Master's Program in nursing. Students may take up to 12 credits as a Graduate Special student before acceptance into the program. Courses open to Graduate Special Students include: N508 Advanced Role Seminar, 514 Health Care Policy and Finance, N518 Computer Applications in Nursing, 601 Statistics, and electives. Other courses that can be taken but require permission to register include N502 Clinical Pharmacology and N 504 Advanced Pathophysiology. Graduate Special applications are found in the Graduate Catalog, or on the graduate website www.winona.edu/graduatestudy, or call the Master's Nursing Program and request that an application be sent to you.

SPECIALIZED PROGRAMS:

RN-MS Professional Pathway

The Nursing Department offers an accelerated pathway for nurses who were prepared in either an associate degree or diploma nursing program, have nursing experience, and whose goal is a Master's Degree in nursing. Selected individuals who meet the admissions requirements and are highly motivated will substitute Master's-level credits for Baccalaureate-level credits during the RN Option. Students will substitute N419/519 Advanced Health Promotion for N465 Nursing Roles and Health Promotion and will substitute N408/508 Advanced Role Seminar and N414/514 Health Care Policy and Finance for N491 Capstone Experience in Role Synthesis. Students will plan their streamlined program with advisors from both the Baccalaureate and Master's Programs in anticipation of formal admission to the Master's Program in nursing. A separate application is required for admission to the Master's Program in nursing.

Non-BSN Opportunity

The Nursing Department offers an alternative pathway for nurses who were prepared in either an associate degree or diploma nursing program, have nursing experience, and earned their baccalaureate degree in a field other than nursing. This pathway is for RNs who meet the above-mentioned criteria and do not wish to earn a baccalaureate degree. Those who desire to earn a Baccalaureate Degree in Nursing should complete the RN to MS Professional Pathway.

Post-Nursing Master's Certificate Programs

The Master's of Science Program in Nursing offers three post-nursing master's certificate programs for nurses interested in post-nursing master's education. The post-master's certificate programs are in the areas of nurse practitioner, clinical nurse specialist, and nurse educator.

Focus: Post-Nursing Master's Certificate - Nurse Educator - 9-10 S.H.

This program is designed for Post-Nursing Master's prepared nurses making career moves from practice-based employment to educational programming for the preparation of qualified Nurse Educators. The program consists of three seminar courses and one practicum consisting of 60-120 hours clinical experience in the student's own community.

This program is designed to integrate the Post-Nursing Master's students into the existing sequence of courses leading to preparation as an Adult Nurse Practitioner (ANP) or Family Nurse Practitioner (FNP). This option provides nurses that already have master's degree preparation in another area of nursing the opportunity to acquire the education, skills, and abilities to seek certification and practice as an Advanced Practice Nurse (APN), Nurse Practitioner.

Focus: Post-Nursing Master's Certificate - Clinical Nurse Specialist - 9-36 S.H.

This program is designed to integrate the Post-Nursing Master's students into some of the courses in the Clinical Nurse Specialist focus. This option provides nurses that already have master's degree preparation in another area of nursing the opportunity to acquire the education, skills, and abilities to seek certification and practice as an Advanced Practice Nurse (APN), Clinical Nurse Specialist. Some of the courses are offered using distance teaching strategies and one course has been developed to acquire the skills and education for prescriptive authority in Clinical Nurse Specialist practice.

ADVANCED PRACTICE NURSING (Master's Degree)

CORE COURSES
506/406 Psychosocial Interventions in Family Care (2)
508/408 Advanced Role Seminar (2)
510/410 Theoretical Foundations & Research for Advanced Practice Nursing (4)
514/414 Health Care Policy and Finance (3)
Stats 601 Statistical Methods (3)
688 Thesis I (2) or N688 Prof. Study I (2)
699 Thesis II (2) or N689 Prof. Study II (1)

CLINICAL CORE COURSE
519/419 Advanced Health Promotion (3)

FOCUS - CLINICAL NURSE SPECIALIST (CNS)
502/402 Clinical Pharmacology (3)
504/404 Advanced Pathophysiology (3)
620 Clinical Nurse Specialist Role I Seminar (3)
621 Clinical Nurse Specialist Role I Clinical (3)
623 Advanced Health Assessment Clinical (3)
624 Clinical Nurse Specialist Role II Seminar (3)
625 Clinical Nurse Specialist Role II Clinical (4)
Total Credits: 42-43 S.H.

FOCUS - NURSE EDUCATOR (NE)
502/402 Clinical Pharmacology (3)
504/404 Advanced Pathophysiology (3)
626 Assessment Intervention: Care of the III Client Seminar (3)
627 Assessment Intervention: Care of the III Client Clinical (2)
669 Nursing Education: Theory and Research (3)
This course will provide a forum for the exploration of advanced instructor. Grade only.

Ethics and diversity issues in nursing and health care will be discussed.

Selected on the development of counseling skills for advanced psychosocial addressing the psychosocial needs of the client and family. Focus will be on the clinical management of diseases. Major classes of drugs will be discussed.

Total Credits: FNP: 49-50 S.H.

Prerequisite: Admission to the graduate program in nursing or consent of instructor. Grade only.

Advanced Pathophysiology (3)

Advanced Clinical Assessment and Management (3)

Primary Care of Adults I (1-2-3)

Primary Care of Children I (FNP only) (2)

Primary Care Clinical II (3-4)*

Primary Care of Adults II (3)

Primary Care Internship (3)

Primary Care of Children II (FNP only) (2)

Total Credits: ANP: 43-44 S.H.

Total Credits: FNP: 49-50 S.H.

*FNP takes larger number of credits

Clinical hours: (1 Credit = 4 Contact Hours)

Nurse Administrator: 240

Nurse Educator: 300

Clinical Nurse Specialist: 540

Adult Nurse Practitioner: 600

Family Nurse Practitioner: 720

**COURSE DESCRIPTIONS**

502/402 Clinical Pharmacology - 1-3 S.H.

This course includes principles of pharmacokinetics and pharmacodynamics as a foundation for the use of medications in the clinical management of diseases. Major classes of drugs will be discussed in terms of actions; therapeutic and adverse effects; allergic and idiosyncratic reactions; indications and contraindications.

The importance of sound diagnostic reasoning in the selection of pharmacological interventions with attention to safety, cost, simplicity, acceptability and efficacy will be stressed. The responsibilities related to prescribing medications will be emphasized. Prerequisite: Admission to the graduate program in nursing or consent of instructor (contact Master's Program Secretary). Grade only.

504/404 Advanced Pathophysiology - 3 S.H.

Advanced physiology and pathophysiology at the cellular, organic and systemic level will be explored as a basis for clinical assessment and management by advanced practice nurses. Integration of function among organ systems will be emphasized. The effect of psychosocial variables on physiologic function will be explored. Prerequisite: Admission to the graduate program in nursing or consent of instructor. Grade only.

506/406 Psychosocial Interventions in Family Care - 2 S.H.

This course explores the role of the advanced practice nurse in addressing the psychosocial needs of the client and family. Focus will be on the development of counseling skills for advanced psychosocial assessment and on providing culturally sensitive guidance in caring for the client and family during health, crisis, and acute and chronic illness. Prerequisite: Admission to the graduate program in nursing or consent of instructor. Grade only.

508/408 Advanced Role Seminar - 2 S.H.

This course will provide a forum for the explorations of advanced practice role behaviors including collaboration and leadership. Selected theories and frameworks relevant to the various roles will be evaluated. Ethics and diversity issues in nursing and health care will be discussed.

Prerequisite: Admission to the graduate program in nursing or consent of instructor. Grade only.

510/410 Theoretical Foundations and Research for Advanced Nursing Practice - 4 S.H.

The goal of this course is to provide students with the opportunity to critically analyze existing nursing theories and articulate a personal philosophy of nursing. Students will do an in-depth analysis of a concept and/or theory, and apply it to a real-world problem. The student will analyze methods and techniques of research and interpret their usefulness for application in clinical practice. Theory and practice will be used to define nursing problems and develop a research proposal. Co-requisite or prerequisite: STAT 601. Grade only.

514/414 Health Care Policy and Finance - 3 S.H.

This course provides a base for nurse leaders and advanced practice nurses to enter and effectively shape health care policy in the workplace, organizations, community, and government at the state and federal levels. Students will develop an understanding of health care financing in the delivery of health care. Prerequisite: Admission to the graduate program in nursing or consent of instructor. Grade only.

519/419 Advanced Health Promotion - 3 S.H.

Concepts related to health promotion and maintenance are analyzed from theoretical and research based perspectives. Using principles of epidemiology, advanced practice nurses identify risk factors for specific populations and examine variables that influence wellness. Intervention for promotion of optimal health are designed with particular consideration for age and cultural differences. A community-based practicum allows the student to explore possibilities for enacting the advanced practice role outside traditional biomedical settings and within the context of families and communities. (2 cr. seminar; 1 cr. clinical).

Prerequisite: N510 and Admission to the graduate program in nursing or consent of instructor. Grade only.

561 Statistical Methods for Health Care Professionals - 3 S.H.

Application and interpretation of statistical techniques in the health professions. Prerequisite: Stat 110 or equivalent or consent of instructor. Grade only.

620 Clinical Nurse Specialist Role I Seminar - 3 S.H.

This course is designed to introduce students to the roles of the clinical nurse specialist. Nursing practice models will be explored. Assessment and measurement of patient outcomes, cost containment, cost-effectiveness, and evaluation will be emphasized. Use of a theoretical and research basis for effecting change to improve patient outcomes relevant to non disease-based etiologies of acute and chronic illnesses among adults is a major focus. Prerequisites or co-requisites: N502, N504, N506, N510, N519, N623 (or equivalent courses approved by faculty). Must register for N521 at same time. Grade only.

621 Clinical Nurse Specialist Role I Clinical - 3 S.H.

This course is designed for students to practice the clinical nurse specialist roles with a preceptor in the student's chosen clinical focus. Students do an in-depth study of non disease-based etiologies of acute and chronic illness among adults and apply advanced practice nursing interventions. Prerequisites or co-requisites: N502, N504, N506, N510, N519, N623 (or equivalent courses approved by faculty). Must register for N620 at the same time. Grade only.

623 Advanced Health Assessment - 1-3 S.H.

This course builds on prerequisite knowledge of systematic and holistic health assessment of children and adults. Additional assessment tools for the advanced practice nurse are provided. Emphasis is on diagnostic reasoning and research based strategies for assessing health of individuals within the context of family and community. Special emphasis is placed on age, gender, and cultural variations. This course emphasizes diagnostic reasoning that guides the collection and interpretation of data to serve as a basis for advanced practice. (2 cr. seminar; 1 cr. Clinical) Prerequisite: Undergraduate physical assessment course and/or N517 or equivalent; N504, N510, N519. Grade only.

624 Clinical Nurse Specialist Role II Seminar - 1-3 S.H.

This course builds on Clinical Nurse Specialist Role I Seminar and Clinical. An in depth study of selected topics related to the assessment, diagnosis, and management of acute and chronic illnesses among adults will be completed. An analysis and synthesis of the literature with an emphasis on theory and research will be included. Effects of culturally specific beliefs on response to acute and chronic illness will be discussed. The roles of the CNS are synthesized. Prerequisites: N502, N504, N506, N510, N519, N620, N621, N623 (or equivalent courses approved by faculty). Co-requisite: N625. Grade only.

625 Clinical Nurse Specialist Role II Clinical - 1-4 S.H.

This course builds on Clinical Nurse Specialist Role I Seminar and
Clinical. Assessment, measurement, and management of disease-based and non-disease-based etiologies of acute and chronic illnesses among adults will be a major focus. Independent nursing interventions that aim to prevent, alleviate, and/or reduce symptoms, functional problems, or risk behaviors will be implemented. Integration of the clinical nurse specialist roles will be achieved. Prerequisites: N502, N504, N506, N508, N510, N519, N623, N621, N623 (or equivalent courses approved by faculty). Co-requisite: N624. Grade only.

652 Assessment and Intervention: Care of the Ill Client Seminar - 3 S.H.
This course is for students selecting the NA and NE options. Concepts relevant to nursing focused on acute and chronic health deviations among individuals, families and groups in various settings are examined. Assessment and interventions (collaborative and independent) for each concept as relevant to the NE and NA advanced roles will be discussed. An analysis and synthesis of the literature with an emphasis on theory and research will be included. Effects of culturally specific beliefs on response to acute and chronic illness will be discussed. Prerequisites: N510, N502, N504. Co-requisite: N627. Grade only.

629 Clinical Nurse Specialist Prescribing Clinical - 1-3 S.H.
This course is specifically designed for the post-master’s CNS student who already holds national CNS certification and is seeking a supervised setting. Epidemiology of problems is examined and emphasis is placed on accurate and safe selection of specific pharmacologic and non-pharmacologic treatments under the supervision of a provider who is licensed to prescribe pharmacologic agents. Prerequisites: Earned Master’s Degree in nursing with a CNS focus, N502, N623 (or equivalent courses approved by the CNS focus faculty). Grade only.

60 Primary Care of Adults I - 3 S.H.
Focus is on the diagnosis and management of acute and episodic health related conditions and illnesses in the primary care setting. Epidemiology of problems is examined and emphasis is placed on health promotion and disease prevention. Prerequisites: N502, N506, N623; Co-requisites: N519, N641. Grade only.

611 Primary Health Care Clinical I - 2-3 S.H.
This course provides the opportunity to apply the knowledge and develop skills related to the role of the nurse practitioner in primary care. ANP students register for 2 S.H.; FNP students register for 3 S.H. Co-requisites: N640, N642 (FNP only). Grade only.

64 Primary Care of Children I - 2 S.H.
This course focuses on promotion of health of children and their families, and the diagnosis and management of acute and common health related conditions and illnesses in the primary care setting. Co-requisites: N640 (FNP only). Grade only.

63 Primary Care Clinical II - 3-4 S.H.
This course provides the opportunity to apply knowledge and develop skills related to the role of the nurse practitioner in management of clients/families with complex disease states and health related conditions. ANP students register for 3 S.H; FNP students register for 4 S.H. Co-requisites: N644, N646 (FNP only). Grade only.

644 Primary Care of Adults II - 3 S.H.
This course focuses on the diagnosis and management of chronic and non-morbid health related conditions and illnesses in the primary care setting. Epidemiology of problems is examined and emphasis is placed on health promotion, health maintenance, and prevention of disability. Prerequisites: N640, N641, N642 (FNP only). Co-requisites: N643, N646 (FNP only). Grade only.

655 Primary Care Internship - 3 S.H.
A clinical preceptorship for nurse practitioner students that provides an opportunity to further enhance knowledge and the skill level related to primary care. The clinical preceptorship provides opportunities to apply theoretical and didactic knowledge in practice. The internship is an intensive immersion in a single practice setting with focus on continued development of the nurse practitioner role and in providing continuity of care. Asynchronous, Internet based course. Prerequisites: N502, N506, N508, N510, N623, N640, N641, N643, N644, N646 (FNP only). Grade only.

646 Primary Care of Children II - 2 S.H.
This course focuses on the role of the NP in the evaluation and management of chronic and complex health disorders of children in the primary care setting. The impact of chronic and complex disorders on children and families will be considered with an emphasis on strategies to promote wellness, optimize development, and facilitate adaptation in the child and family. Epidemiology of problems is examined. Prerequisites: N640, N641, N642. Co-requisites: N643, N644. Grade only.

650 Nursing Information Management & Decision-Making Technology - 1-3 S.H.
This course provides a basis for the use of computerized records and data for delivering nursing care. Content includes areas such as nursing informatics, electronic patient records, taxonomies for diagnosis, interventions and outcomes, and decision support technology. Prerequisites: N510, N506, N508 or consent of instructor. Grade only.

651 Organizational Concepts for Nursing Administration - 3 S.H.
This course provides knowledge of organizational concepts in health care systems with emphasis on nursing care systems. Emphasis is on the interrelationships needed to provide nursing services in contemporary health care organizations focusing on both formal and informal systems, culture and structure. Prerequisite: N510, Mayo Nurse Anesthetist Students, consent of instructor. Grade only.

652 Resource Management in Nursing Services - 1-3 S.H.
This course focuses on the application of fiscal management principles, budgeting conventions, and human resource allocation methods as they are applied in the provision of nursing care within health care organizations. Prerequisites: N510, N651 or consent of instructor. Grade only.

653 Human Resource Management - 1-2 S.H.
This course focuses on personnel management and labor relations principles as they apply to the provision of nursing services within a health care organization. Prerequisites: N510, N651, and N626/627 (or concurrent). Grade only.

654 Structure and Design of Nursing Services in Health Care Organizations - 1-2 S.H.
Course content related to health care organization structures with an emphasis on the design and delivery of nursing services. Prerequisites: N510, N626, N627, N650 (or concurrent) N651, N652, N653 or consent of instructor. Grade only.

655 Nursing Administration Practicum - 2-3 S.H.
This guided practicum is designed to build on the student’s previous experiences and to meet individual learning needs. Practicing nurse administrators are utilized as preceptors to enhance the application of principles. Prerequisites: N510, N626, N627, N651, N652, N653 or consent of instructor. Grade only.

656 Organizational Concepts in Health Care and Nursing - 1-3 S.H.
This course provides knowledge of health care organization design and behavior. Focus is on nursing care systems as they relate to the organization, labor relations, and personnel principles as they apply to the provision of nursing services. Prerequisite: Admission to the graduate program or consent of instructor. Grade only.

669 Nursing Education: Theory and Research - 1-3 S.H.
This course provides a foundation for the nurse educator focus with the MS program in nursing. The course is an overview of the classic and contemporary philosophies, theories and research about teaching and learning in nursing. Teaching and learning in schools of nursing, practice settings for the professional development of nurses, and client (patient) education are primary focal of the course. Prerequisites: N508, N510, N626, N627 or consent of instructor. Grade only.

670 Nursing Education: Curricula and Program Design - 1-3 S.H.
This course is designed to introduce students to the components of educational program processes. Principles of program design and evaluation of nursing education and staff development are the key concepts explored in this class. Prerequisites: N510, N626, N627 or consent of instructor. Grade only.

671 Nursing Education: Instruction and Evaluation - 1-2 S.H.
A course for nurse educators designed to apply teaching and learning...
theories, research and strategies to teaching in schools of nursing or healthcare organization staff development programs. Content focuses on the practical application of a large variety of teaching and evaluation techniques available in the practice of nursing education. Prerequisites: N510, N624 and N625 or N626 and N627, N669, N670 or consent of instructor. Grade only.

672 Nursing Education: Instruction and Evaluation: Practicum 1-2 S.H. This practicum, a companion course to N671, provides the student with a guided experience in the process of teaching. The practicum will focus on assessing learners; planning, developing, and implementing instruction; and the evaluation of learner achievement. Prerequisites: N510, N624 and N625 or N626 and N627, N669, N670 or consent of instructor. Grade only.

688 Professional Study I - 2 S.H. This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty-supervised investigation/project. This may include such projects as clinical investigations, case studies, evaluation projects, outcome studies on interventions or changes in interventions, or programmatic applied research. The intent of Professional Study I is to do the preliminary work to implement the project and may include planning, approval, and implementation phases of the project. Prerequisites: STAT 601, N510. Grade only.

689 Professional Study II - 1 S.H. This course is an extension of Professional Study I. The intent is to complete the investigation/project, prepare the scholarly written report, and make an oral presentation of the project. Prerequisite: permission of project advisor. Grade only.

690 Continuing Thesis/Professional Study - 1 S.H. Continuing enrollment for thesis or professional study when not registered for N698, N699, N688, or N689. This course is to be used for registration while actively working with thesis or professional study advisor when not enrolled in the above courses. May be repeated. Credits do not count for graduation. Prerequisite: permission of project advisor. Pass/No credit.

698 Thesis I - 2 S.H. This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty-supervised thesis. Investigation of a nursing research question using the research process and subsequent presentation of the research to the thesis committee is required for graduation. This course is taken during the proposal refinement and approval process phases of the research process. Prerequisites: STAT 601, N510. Prerequisite: permission of thesis advisor. Grade only.

699 Thesis II - 2 S.H. This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty-supervised thesis and involves completion of the nursing research process and presentation of the research to the thesis committee. Usually taken after Thesis I, but may be taken concurrently. Prerequisite: permission of thesis advisor. Grade only.

ELECTIVES

516/416 Issues in Gerontology and Geriatrics for the 21st Century - 1-3 S.H. This course is a series of three consecutive modules of content related to common issues in gerontology and geriatrics. A student may take one, two or all modules and each has as a prerequisite, the preceding module. The course is open to upper level undergraduate students, students enrolled in the RN to MS Program and Graduate Students in Nursing. Other students admitted by consent of instructor. The course will focus on normal aging, theories of aging, social gerontology and societal effects of an increasing population of older people. The geriatric content will focus on major geriatric syndromes such as immobility, incontinence, instability, iatrogenic illness and intellectual impairment. Emphasis will be placed on assessment and maintenance of individual competency, independence and physiological function across clinical settings. Grade only.

517/417 Health Assessment Techniques - 1 S.H. A guided study review of the basic components of physical assessment and an opportunity for performance evaluation at completion of course. Content relative to obtaining a complete health history and performing physical examination, with appropriate documentation of each. Design for advanced practice nursing students to ensure readiness for N623 Advanced Health Assessment. Prerequisite: consent of instructor. Pass/No credit.

518/418 Computer Applications in Nursing - 2 S.H. This course is designed to provide knowledge of technological modalities presently used to assist in the diagnosis and treatment of patients, planning and monitoring of care, management of information, and data analysis. The application of nursing informatics in nursing research, administration, education, and practice will be explored. Emphasis in this course is on extensive hands-on experience in Windows, word processing, spreadsheet and database applications, presentation software, the Internet, advanced online library searching, and other computer-related applications. Course meets admission requirement in computer literacy. Grade only.

595/495 Seminar/Workshop in Nursing - 1-3 S.H. This course provides in depth study of selected topics. Content arranged by Nursing Department and specified for each offering. May be repeated when offered with different content/title. Grade only.

596/496 Feminist Perspectives in Nursing - 2 S.H. This seminar explores the relationships of the feminist movement, feminist theory, and gender issues in nursing history and practice. Faculty and students will explore a feminist process for integrating feminist values into the classroom. Graduate students will be required to write a paper that meet course requirements. Nursing major or consent of instructor. Grade only.

602 Health Care for Rural Americans - 1-3 S.H. This course provides an overview of issues related to caring for rural individuals, families and communities. The course is divided into three modules: Rural Health Care Policy, Rural Health Clinical Application and Special Populations in Rural Health. Emphasis will be on the knowledge and skills needed by primary health care providers in rural settings. Students will have the opportunity to examine rural health issues from a variety of perspectives including health promotion/disease prevention with individuals, families and communities, disease management and issues affecting rural health care policy. Graduate nursing students in any option may register for 1 to 3 credits; each module is worth one credit. Grade only.

610 Nutrition for Advanced Practice Nurses - 2 S.H. This guided self-study provides an overview of nutrition theory and application for the advanced practice nurse. Content includes principles of nutritional health maintenance and health promotion. Designed for students who desire additional knowledge of nutrition. Prerequisite: consent of instructor. Grade only.

611 Advanced Practice Nursing Clinical - 1-3 S.H. This focused clinical experience provides opportunities to apply theoretical knowledge and clinical skills in the practice setting. Student will develop analytical and management skills related to advanced practice nursing. Emphasis will be on providing planned interventions in nursing care, health education, disease prevention, or risk reduction to pre-selected patient population. Prerequisite: consent of instructor. Pass/No Credit.

685 Individual Study in Nursing - 1-3 S.H. This course provides an opportunity for the qualified graduate student who desires nursing to work independently under the direction of a graduate faculty member. Topics may include research, development of special skills or clinical experience, selected readings, or review of a nursing problem. May be repeated for a total of 6 (six) credit hours. Contract with learning objectives, plan for accomplishments, and criteria for evaluation is necessary. Offered each semester. Prerequisite: enrolled in the graduate nursing program and consent of instructor. Grade only.
MISSION

The mission of the College of Science and Engineering is to provide high quality undergraduate education and degrees in science, engineering, and mathematics in order to meet the needs of WSU students. In fulfilling that mission, the College offers four-year curricula leading to the Bachelor of Arts, Bachelor of Science or Bachelor of Engineering degrees. The College also serves students intending to transfer to other institutions for professional programs or post-graduate study after meeting some or all of their pre-professional requirements at WSU. In addition, many graduate-level courses are offered to serve the continuing education needs of educators and other professionals within the service region of Winona State University.

BIOLOGY

Chairperson: Laurence Reuter

Graduate Faculty: Bates, Berg, Brako, Dapkus, Delong, Essar, Evenson, Jefferson, Mundahl, Ragsdale, Reuter, Richardson, Thompson

Kimberly M. Bates, Assistant Professor, Biology; B.S., University of Massachusetts-Amherst; M.S., Ph.D., University of Missouri-Columbia; 1997-

Steven Berg, Professor, Biology; B.S., Pacific Lutheran University; Ph.D., Purdue University; 1986-

Emmanuel Brako, Professor, Biology; B.S. Tuskegee University, M.S., Ph.D., Louisiana State University and A & M College; B.V.M., University of Nairobi; 1989-

Davies Dapkus, Professor, Biology; B.S., M.S., Ph.D., University of Minnesota-Twin Cities; 1974-

Michael D. Delong, Professor, Biology; B.S., University of Southern Mississippi; M.S., Memphis State University (TN); Ph.D., University of Idaho, Moscow; 1992-

David Essar, Associate Professor, Biology; B.S., Ferris State College (MI); M.S., Ph.D., University of Iowa; 1992-

Kimberly J. Eveson, Assistant Professor, Biology; B.S., M.S., North Dakota State University-Fargo; Ph.D., University of Minnesota-Twin Cities; 1995-

Carol Jefferson, Professor, Biology; B.A., St. Olaf College; Ph.D., Oregon State University; 1976-

Mark A. Engen, Assistant Professor, Analytical Chemistry; B.S., Montana State University; Ph.D., University of Minnesota-Twin Cities; 1995-

Mary Ann Franks, Associate Professor, Biochemistry; B.S., University of Wisconsin-LaCrosse; Ph.D., University of Iowa; 2000-

Robert W. Kopitzke, Associate Professor, Polymer Chemistry, B.S., M.S., Ph.D., Florida Institute of Technology; 1999-

Charla Miertschin, Associate Professor, Analytical Chemistry; B.S., University of Wisconsin-Madison; Ph.D., Florida Institute of Technology; 1995-

Sara M. Nalli, Professor, Physical Organic Chemistry; B.S., Union College, Schenectady N.Y.; M.S., Ph.D., University of Rochester; 1995-

C.B. William Ng, Professor, Physical Chemistry; B.S., M.S., Ph.D., University of British Columbia; 1986-

Jamie T. Schneider, Assistant Professor, Chemical Education; B.S., Winona State University; Ph.D., University of Minnesota-Twin Cities; 2000-

Bruce A. Svingen, Professor, Biochemistry; B.A., St. Olaf College; Ph.D., Michigan State University; 1987-

COURSE DESCRIPTIONS

525/423 Animal Behavior - 3 S.H.
A study of how and why animals behave in the ways they do. Special attention is given to the observation and description of behavior and to the ensuing questions of immediate causation, development, evolution and function of behavior. Lecture and demonstration. Prerequisites: 308, 310, 312. Offered alternate years.

545/445 Immunology - 3 S.H.
An introduction to the theory and practice of modern immunology. Emphasis is placed on the mammal. Laboratory includes microtechniques and histochemistry and the analysis of electronmicrographs. Lecture and laboratory. Prerequisites: 308, 310, and Chem. 340. Offered yearly.

560/460 General Parasitology - 3 S.H.

570/470 Histology - 4 S.H.
A microscopic study of animal cells, tissues, and organs and correlating structure and function. Emphasis is placed on the mammal. Laboratory includes microtechniques and histocchemistry and the analysis of electronmicrographs. Lecture and laboratory. Prerequisites: 308, 310, and Chem. 212, 213. Offered yearly.

CHEMISTRY

Chairperson: Charla Miertschin

Graduate Faculty: Engen, Franz, Hein, Kopitzke, Miertschin, Nalli, Ng, Schneider, Svingen

Mark A. Engen, Associate Professor, Environmental Chemistry; B.S., Berendt State University; Ph.D., Montana State University; 1997-

Jannik M. Franz, Associate Professor, Analytical Chemistry; B.A., Augustana College; Ph.D., University of Minnesota-Twin Cities; 1996-

Sara M. Hein, Assistant Professor, Biological Chemistry; B.S., University of Wisconsin-LaCrosse; Ph.D., University of Iowa; 2000-

Robert W. Kopitzke, Associate Professor, Polymer Chemistry, B.S., M.S., Ph.D., Florida Institute of Technology; 1999-

Charla S. Miertschin, Associate Professor, Inorganic Chemistry; B.S., Abilene Christian University; Ph.D. Texas A&M University; 1995-

Thomas W. Nalli, Professor, Physical Organic Chemistry; B.S., Union College, Schenectady N.Y.; M.S., Ph.D., University of Rochester; 1995-

C.B. William Ng, Professor, Physical Chemistry; B.S., M.S., Ph.D., University of British Columbia; 1986-

Jamie T. Schneider, Assistant Professor, Chemical Education; B.S., Winona State University; Ph.D., University of Minnesota-Twin Cities; 2000-

Bruce A. Svingen, Professor, Biochemistry; B.A., St. Olaf College; Ph.D., Michigan State University; 1987-

www.winona.edu/chemistry
COURSE DESCRIPTIONS

510/410 Polymer Chemistry - 3 S.H.
An overview of polymer chemistry is presented. Major topics include polymerization reactions and kinetics, polymer morphology, polymer properties and polymer characterization. Prerequisites: CHEM 340 or CHEM 351 and CHEM 412 or ENG 345. Offered yearly.

520/420 Topics in Industrial Chemistry - 2 S.H.
Applications of chemistry in industry. The chemistry and technology of selected industrial processes with emphasis on industrial organic chemistry. Prerequisites: 340 or 350. Offered every two or three years.

526/426 Analytical Chemistry II - 4 S.H.

527/427 Topics in Instrumental Chemistry - 2 S.H.
Selected topics from the principles and application of the instrumental methods of: IR, UV-vis and AA spectroscopy; NMR and mass spectrometry; gas and liquid chromatography. Prerequisites: organic and analytical chemistry and instructor's permission. Offered every two or three years.

COMPUTER SCIENCE

103 Watkins, 457-5385
Chairperson: Joan Francioni
Graduate Faculty: Bunce, Cichanowski, Debnath, Francioni, Gegg-Harrison, Iyengar, Lin, Ouellette, Stroebel, Zhang

Gary Bunce, Professor, Mathematics & Statistics/Computer Science; B.S., North Dakota State University; M.A., Ph.D., University of New Mexico; 1971.

Gerald W. Cichanowski, Professor, Computer Science; B.A., Winona State University; M.S., University of Minnesota; Ph.D., Michigan State University; 1983.

Narayan Debnath, Professor, Computer Science; B.S., M.Phil., Calcutta, University; M.S., Visva Bharati University; M.S., East Carolina University; M.S., Ohio State University; Ph.D., D.C.S., Jadavpur University; 1989.

Joan Francioni, Professor, Computer Science; B.S., University of New Orleans; M.S., Ph.D., Florida State University; 1998.

Timothy Gegg-Harrison, Professor, Computer Science; B.A., University of Missouri, Columbia; M.S., Ohio State University; Ph.D., Duke University; 1995.

Sudharsan Iyengar, Professor, Computer Science; B.E., Burdwan University; M.S., Ph.D., Louisiana State University and A & M College; 1989.

Chi-Cheng Lin, Assistant Professor; B.S., National Chiao-Tung University; M.S., University of Minnesota-Duluth; Ph.D., University of Pittsburgh; 1997.

Hugh F. Ouellette, Professor, Mathematics & Statistics/Computer Science; B.S., Western Montana College; M.A., University of Illinois; M.A., Ball State University; Ed.D., University of Northern Colorado; 1972.

Gary Stroebel, Professor, Computer Science; B.S., M.S., Ph.D., University of Minnesota; 1993.

Mingzui Zhang, Assistant Professor, Computer Science; B.S.E.E., M.S., Peking University; M.S., Ph.D., University of South Florida; 1999.

538/438 Medicinal Chemistry - 2 S.H.
An introductory course describing selected topics in the chemistry of synthetic and naturally-occurring organic medicinals. Chemical structure, and its relationship to biological activity. Lecture and problem-solving discussions. Prerequisites: 340 or 350. Offered every two or three years.

547/447 Advanced Organic Chemistry - 2 S.H.
A study of organic reaction mechanisms. The correlated acidity, basicity, and general reactivity of organic compounds. Application of chemical kinetics, thermodynamics, stereochemical concepts and the use of isotope. Lecture course. Prerequisites: 351 and 412. Offered every two or three years.

565/465 History of Chemistry - 1 S.H.
A course stressing the fascinating interplay of ideas during the development of the chemical body of knowledge. Prerequisite: one semester of organic chemistry. Offered on demand.

570/470 Isotope, Nuclear and Radiochemistry - 2 S.H.
Introduction and basic treatment of the nucleus with emphasis on concepts in chemistry. Interactions of radiation with matter. Nuclear structure, stability, and associated radioactive decay processes. Application in nuclear reactors, particle accelerators, and medical therapies. Prerequisite: 412. Offered every two or three years.

575/475 Seminar in Chemistry - 1 S.H.
Group discussions and papers presented in the field of chemistry. Prerequisite: 20 semester hours of chemistry. Offered yearly.

575/475 Seminar in Chemistry - 1 S.H.
Group discussions and papers presented in the field of chemistry. Prerequisite: 20 semester hours of chemistry. Offered yearly.

611 Software Quality - 3 S.H.
Concepts and methodologies for assessing and controlling software quality. Software quality metrics and models will be covered in detail and use of basic tools in software quality will be exemplified. Topics include software testing strategies, program verification, regression testing, and software inspections. Prerequisite: CS-410.

612 Advanced Topics in Networking - 3 S.H.
Design, maintenance, and use of high-speed networks. Topics include protocol design, routing, and flow control. Various network management issues configuration and performance will be addressed. Prerequisite: CS-513.

613 Network Security - 3 S.H.
Topics in the area of Network Security will be covered in detail. These topics include firewalls, proxies, encryption, public key cryptography, and key distribution. Good practices for network security will be covered including security audits and network security tools. Known security attacks will be examined along with methods to prevent them. Prerequisite: CS-513.

640 User Interface Design - 3 S.H.
Design, implementation, and evaluation of graphical user interfaces. The primary topic is event-driven programming as it relates to graphical user interfaces. Standards and guidelines for graphical user interface are presented. Advanced topics include techniques for web interfaces and information visualization. Prerequisite: CS-601.

650 Multimedia Systems - 3 S.H.
Topics in interactive multimedia technology including multimedia communication, multimedia synchronization and integration, multimedia performance evaluation, refinement, and maintenance. Students participate in group projects. Case studies of specific projects. Prerequisite: CS-410.

650 Multimedia Systems - 3 S.H.
Topics in interactive multimedia technology including multimedia communication, multimedia synchronization and integration, multimedia performance evaluation, refinement, and maintenance. Students participate in group projects. Case studies of specific projects. Prerequisite: CS-410.
authoring languages and tools, techniques for designing and producing multimedia applications, industry standards, and future directions in interactive multimedia technology. Prerequisite: CS-341 and CS-412

660 Client Server Systems - 3 S.H.
Introduces the motivation, foundations, and fundamental design principles of client server systems. Study of client server concepts as applicable to distributed operating systems and database systems. Topics include client front-end interfaces, performance, protocols for data access, and evaluation models. Students will be required to design and develop a client server project using state of the art development tools and techniques. Prerequisite: CS-385 and CS-601

666 Topics - 1-3 S.H.
Special topics will be selected in the areas of information management, network computing, and software development as appropriate. Prerequisite: completion of core and optional coursework.

GEOSCIENCE

114 Pasteur, 457-5260
Chairperson: Catherine Summa
Graduate Faculty: Allard, Dogwiler, Meyers, Summa

Stephen T. Allard, Assistant Professor, Geoscience; B.S., M.S., University of New Hampshire; Ph.D., University of Wyoming; 2002-
Toby Dogwiler, Assistant Professor, Geoscience; B.A., Wittenberg University; M.S., Mississippi State University; Ph.D., University of Missouri, Columbia; 2002-
James Meyers, Professor, Geoscience; B.A., Franklin & Marshall College; M.S., Ph.D., Indiana University; 1980 -
Catherine Summa, Associate Professor, Geology; B.A., Wellesley College; Ph.D., Massachusetts Institute of Technology; 1996 -

COURSE DESCRIPTIONS

500/400 Individual Research Problems - 1-3 S.H.
Indepedent study of a selected geologic field and/or laboratory problem with subsequent preparation of written report and oral seminar. May be repeated up to 3 credits. Admission by consent of instructor and department chairperson. Offered each semester.

505/405 Current Topics in Geoscience - 1-3 S.H.
An analysis of current topics and issues relevant to Geosciences. Subject matter and prerequisites will be announced in advance by the department. May be repeated as topics change. Offered with sufficient demand.

MATHEMATICS AND STATISTICS

320 Gildeimeister Hall, Room 322 (507) 457-5370
Chairperson: Jeffrey Anderson

Anderson, Blumberg, Bunce, Depha, Draskoci-Johnson, Jarvinen, Leonhardt, Pascual, Peratt, Price, Quella, Rand, Smith, Suman, Urion

Jeffrey Anderson, Professor, Mathematics/Statistics; B.A., University of Minnesota - Morris; Ph.D., Iowa State University; 1992 -
Carol Joyce Blumberg, Professor, Mathematics and Statistics; A.B., A.M., University of Michigan; M.S., Ph.D., Michigan State University; 1987 -
Gary Bunce, Professor, Mathematics & Statistics/Computer Science; B.S., North Dakota State University; M.A., Ph.D., University of New Mexico; 1971 -
Joyce Depha, Professor, Mathematics and Statistics; B.Sc., M.Sc., Jadavpur University; M.S., Iowa State University; 1989 -
Per Skop, Professor, Mathematics; B.S., M.S., University of Minnesota - Duluth; Ph.D., University of Minnesota - Twin Cities; 1992 -
Jeffrey Draskoci-Johnson, Associate Professor, B.A., Ohio Wesleyan University; M.S., Ph.D., University of Virginia-Columbus; 1996 -
Richard Jarvinen, Professor, Mathematics/Statistics; B.A., St. John's University; M.A.T., Vanderbilt University; Ph.D., Syracuse University; 1989 -
Steve Leonhardt, Professor, Mathematics/Statistics; B.A., Concordia College; M.S., Ph.D., University of Wisconsin-Viroginia-Madison; 1996 -
Felino G. Pascual, Associate Professor, Mathematics/Statistics; B.A., Ateneo de Manila, Philippines; M.Sc., Ph.D., University of Minnesota-Twin Cities; 1992 -
Barry Penitt, Associate Professor; B.S., Monavian College; M.S., Ph.D., University of Delaware; 1996 -
Terry Price, Assistant Professor; B.S., M.S., Lamar University; Ph.D., Washington State University; 1998 -
Joyce Quella, Assistant Professor; B.S., University of Wisconsin - Madison; A.M., University of Illinois; M.S., University of Iowa; 1987 -
Daniel Rand, Assistant Professor; B.S., M.S., Purdue University; M.S., Ph.D., University of Minnesota; 1998 -
Mary N. Smith, Professor, Mathematics and Statistics; B.S., University of Minnesota; M.P., Ph.D., Yale University; 1989 -
Kim A. Sumner, Professor; B.S., M.S., Clemson University; Ph.D., Pennsylvania State University; 1990 -
David K. Urion, Professor, Mathematics and Statistics; B.A., Culver-Stockton College; M.S., Miami University; Ph.D., University of Maryland; 1982 -

COURSE DESCRIPTIONS

PREQUISITES: Prerequisites may be satisfied by equivalent coursework or by consent of instructor.

Mathematics

510/410 History of Mathematics - 3 S.H.
General view of the historical development of the elementary branches of mathematics. Prerequisite: 160 and 210. Fall.

520/420 Numerical Analysis - 4 S.H.
Numerical solution of equations, numerical interpolation, differentiation, and integration, numerical linear algebra, numerical solution of differential equations with analysis and use of algorithms and related software. Prerequisite: CS 231 or 234 and Math 260. Fall.

685 Object-Oriented Databases - 3 S.H.
The design and development and object-oriented database management systems. Topics include object-oriented operations and implementation, query languages, object identity, security, versions and schema evolution, and concurrency control. Students are required to design and implement a database application of significant complexity using state of the art techniques. Prerequisite: CS-385 and CS-601

690 Capstone Project - 3 S.H.
Students work in a team to build a significant, real-world software system using the concepts and techniques provided during their coursework. Work with a customer (software development company, manufacturing company, or other institution) to establish requirements, perform design reviews, and assess project deliverables. Provide documentation and give oral presentation of completed project to faculty and students. Prerequisite: completion of core and optional coursework.
**Mathematics Education**

589/489 Special Topics - 1-3 S.H.
Exposure to mathematics education topics not included in other courses.
Prerequisite: Determined by topics. Offered on demand.

600 Problems in Mathematics - 1-4 S.H.
Designed to allow post-baccalaureate students an opportunity to study mathematical topics in depth under the supervision of a faculty member. May be repeated to a total of 4 S.H. On demand.

**Physics**

114 Pasteur Hall, 457-5260
Chairperson: Richard Shields
Graduate Faculty: Bloom, Bolon, Ferstl, Hamerski, Otto, Shields

Danning Bloom, Professor, Physics; B.A., Illinois Wesleyan University; Ph.D., University of Colorado; 1976 -
George Bolon, Professor, Physics; B.S., M.S., Oregon State University; Ph.D., University of Utah; 1968 -
Andrew Ferstl, Assistant Professor, Physics; B.S., University of Wisconsin; Ph.D., University of Minnesota-Twin Cities; 2000 -
David E. Hamerski, Professor, Physics; B.S., St. Mary’s College of Minnesota; M.S., University of Minnesota-Twin Cities; Ph.D., Washington University (Missouri); 1961 -
Frederick Otto, Professor, Physics; B.A., B.S., Humboldt State University; Ph.D., University of California-Berkeley; 1990 -
Richard H. Shields, Professor, Physics; B.S., M.S., Eastern Illinois University; Ph.D., University of Missouri-Rolla; 1973 -

**Statistics**

525/425 Statistical Computing - 3 S.H.
An introduction to the use of the computer as a powerful tool in data analysis. Topics will include statistical graphics, advanced regression techniques, curve fitting and smoothing, generalized additive models, CART, multivariate techniques, cross-validation and the bootstrap. Additional topics that may be covered are random number generation, regression trees and Monte Carlo simulation methods. Prerequisite: Math 165 and Stat 360. Offered alternate years.

540/440 Epidemiology - 3 S.H.
A general introduction to the concepts and methods of epidemiology and how they are applied in a variety of disease situations. Topics include measuring the disease process in a population; retrospective, prospective and observational studies; rates, ratios and data interpretation; and evaluation of epidemiological information. Prerequisite: An introductory statistics course. Offered alternate years.

589/489 Special Topics - 1-3 S.H.
Exposure to statistical topics not included in other courses. Prerequisite: Determined by topics. Offered on demand.

600 Problems in Statistics - 1-4 S.H.
Designed to allow post-baccalaureate students an opportunity to study statistical topics in depth under the supervision of a faculty member. May be repeated to a total of 4 S.H. On demand.

611 Statistical Methods for Health Care Research - 3 S.H.
Application and interpretation of statistical techniques in the health profession. Prerequisites: Stat 110 or equivalent and registration in a graduate nursing degree program. Offered yearly.

**Course Descriptions**

500/400 Seminars - 1-4 S.H.
This course consists of one or more seminars offered from time to time on a variety of topics of physics. Students may repeat the course under a different topic. Prerequisite: Consent of the instructor. Offered on demand.

504/404 Nuclear Radiation Physics - 4 S.H.
A first course in health physics, includes atomic and nuclear structure, radioactivity, interaction of radiation with matter, radiation dosimetry, health physics instrumentation, external and internal radiation protection. Lecture-laboratory course. Prerequisite: 202, 222 or consent of instructor. Offered every two years.

520/420 Control Theory - 3 S.H.
An introduction to the design, analysis and behavior of mechanical and electronic systems including study of the input and output characteristics and interactions of the functional blocks which comprise the system. Prerequisites: P202 or 22, Math 330. Offered yearly.

525/425 The Physics of Semiconductors - 3 S.H.
A study of the physics of semiconductors, pn junctions and transistors, fabrication of semiconductor devices including integrated circuits; and the electrical characteristics and behavior of these devices. Prerequisite: 551. Offered every two years.

530/430 Electromagnetic Theory I - 3 S.H.
Electrodynamics including Gauss's Law and Laplace's Equation, Magnetostatics. Introduction to Maxwell's Equations. Prerequisites: 202 or 222 and Math 330. Offered every two years.

531/431 Electromagnetic Theory II - 3 S.H.
A continuation of 530/430 with applications of Maxwell's equations to waveguides, optics, and special relativity. Prerequisite: Physics 530/430. Offered every two years.

540/440 Mathematical Methods in Physics I - 3 S.H.

541/441 Mathematical Methods in Physics II - 3 S.H.

551/451 Quantum Mechanics - 3 S.H.
A continuation of 223. Interpretation of wave functions. Systems in one dimension. Hermitean operators and angular momentum. Electron spin systems in two or three dimensions. Prerequisite: 223. Offered every two years.

560/460 Undergraduate/Graduate Research - 1-4 S.H.
An opportunity for advanced physics students to work with a faculty member on an independent research project. A written report and oral presentation are required on the results of the research. Offered every semester.

590/490 Individual Problems in Physics - 1-4 S.H.
An opportunity for the qualified advanced undergraduate or graduate student to work independently. Topics may include research, development of special skills, selected readings, etc. Time arranged. Prerequisite: Consent of the physics advisor. May be repeated to a total of four credits. Offered on demand as an arranged class.
Students who have completed a baccalaureate degree and who wish to enroll in further undergraduate courses, graduate courses, or a combination of both but do not intend to pursue a Master's degree may register as Graduate Special students. Courses numbered 600 and above are for graduate credit only. Selected courses at the 500 level are for either undergraduate or graduate credit.

This section for education students ONLY:

Are you currently certified to teach?  □ Yes  □ No  If yes, in what area(s)?  

In what state(s)? 

Total years of teaching experience ______  Total years of administrative experience ______

Are you returning for renewal credits?  □ Yes  □ No

Do plan to obtain teacher certification?  □ Yes  □ No

Graduate special students planning to work toward teacher certification MUST contact the Office of Admission, Somsen Hall, Room 106, to apply as a post-baccalaureate student.

Are you returning for licensure in any of the following areas?

☐ Middle School Licensure
☐ Elementary School Counseling
☐ Secondary School Counseling
☐ K–12 Principal
☐ Superintendent / Assistant Superintendent
☐ Special Education
☐ Developmental Disabilities
☐ Learning Disabilities

Students planning to work toward licensure MUST supply the Office of Graduate Studies with TWO (2) OFFICIAL TRANSCRIPTS sent directly from all colleges/universities attended.

CERTIFICATION OF BACCALAUREATE DEGREE: All students except those working toward licensure must send the Certificate of Baccalaureate Degree to the Registrar of the college/university from which the baccalaureate degree was obtained. Official transcripts are not required.

APPLICATION FEE REQUIRED: A $20, non-refundable application fee is required the first time you apply for admission to Winona State University. Make check payable to Winona State University.

I understand that completion of this form DOES NOT ADMIT ME TO A DEGREE PROGRAM and that I must meet all admissions criteria upon application to pursue a degree at Winona State University. I understand that a maximum of Twelve (12) semester credits earned as a Graduate Special student may be applied should I desire to enroll in a degree program. I assume full responsibility as a Graduate Special student for the application of courses toward graduation requirements if I am later admitted to a degree program.

(Signature of Applicant)  (Date)
CERTIFICATION OF BACCALAUREATE DEGREE
WINONA STATE UNIVERSITY

Part I - To be completed by the student and mailed to the college or university from which the degree was earned.

I hereby authorize release of the following information to the Office of Graduate Studies at Winona State University.

Date: ________________ Social Security Number ____________

Name ________________________ _______ _______
Mailing Address _______________________ ________ ___
Student Signature _________________________ _______ __

Part II - To be completed by the Registrar of the college or University from which the student earned his/her Bachelor's degree.

This will certify that the above named student completed the degree, (exact title of degree)

on, ____________________________

Immunization Requirement

Minnesota law (M.S. 135A. 14) requires that all students born after 1956 and enrolled in a public or private post-secondary university, college or other school be immunized against diphtheria, tetanus, measles, mumps and rubella.

The law excepts students enrolled in only one class, students enrolled in extension classes only, students who obtain a medical exemption signed by a physician, and students for whom immunization is contrary to conscientiously held beliefs.

The law requires schools to be the agents of enforcement. Therefore we MUST receive from you the information requested on the “Immunization Record for Students Attending Post-Secondary Schools” form on the other side of this page. If you have not already provided this information in a form acceptable to Winona State University’s Health Services office, you must complete it in order to remain enrolled.

Please read all of the information on the form, and complete it carefully.

When the form is complete, take it to the Health Services Office in the Maxwell Library building, or send it to the following address:

Health Services
Winona State University
P.O. Box 5838
Winona, MN 55987-5838

If your Personal Data Form (PDF) has “HEALTH SERVICES” printed in the registration holds section, in the upper right corner, you will not be allowed to register until your immunization hold has been cleared by the Health Services office.

If your Personal Data Form (PDF) has “HEALTH SERVICES” printed in the registration holds section, in the upper right corner, you must check the status of your immunization records in Health Services, before attempting to register.

If you would normally be in compliance with the law because you were born before 1957, either you must give us your birth date, or you must make arrangements with Health Services to have your record indicate that you are in compliance.
**WINONA STATE UNIVERSITY IMMUNIZATION REQUIREMENT**

Minnesota Law (M.S. 135A.14) requires that all students born after 1956 and enrolled in a public or private post-secondary school in Minnesota be immunized against diphtheria, tetanus, measles, mumps and rubella. This form is designed to provide the school with the information required by law and will be available for review by the MN Department of Health and the local community health board. Students transferring from another school must provide documentation from the other school verifying the required immunizations were submitted. Students graduating from a Minnesota High School in 1997 or later are not required to provide immunization documentation. Students graduating from a high school outside of Minnesota MUST provide immunization documentation.

Enter the month, day (if available), and year of the most recent "booster" for diphtheria and tetanus (must be within the past 10 years) and for all doses of vaccine for measles, mumps and rubella that were given on or after 12 months of age.

<table>

**For the student:** (check which applies to you and sign below)

- I certify that the above information is a true and accurate statement of the dates on which I received the immunizations required by Minnesota Law.
- I certify that I graduated from a Minnesota High School in 1997 or later.
- I have submitted the required immunization information to another school, and my transcript or other official document verifying this IS ATTACHED.

Student's Signature ____________________________ Date ____________

**Students wishing to file an exemption to any or all of the required immunizations must complete the following:**

**Medical exemption:** the student named above does not have one or more of the required immunizations because he/she has (check all that apply)

- a medical problem that precludes the ________________________ vaccine(s)
- not been immunized because of a history of ________________________ disease
- laboratory evidence of immunity against ________________________

Physician's Signature ____________________________ Date ____________

* May have Physician sign OR provide proof: copy of titer from laboratory MUST be attached to this form.

**Conscientious exemption:** I hereby certify by notarization that immunization against ________________________ is contrary to my conscientiously held beliefs.

Student's Signature ____________________________ Date ____________

Subscribed and sworn before me on the ____________ day of ____________, 19 ____________

Signature of notary ____________________________

* If claiming conscientious exemption, a copy of this statement will be sent to the Minnesota Department of Health.
