Pursuant to the Minnesota Government Data Practices Act, Minnesota Statue Section 13.32, Subdivision 3; and the Family Educational Rights and Privacy Act, 20 USC 1232g et seq. 1974, Winona State University gives notice that the following directory information will be released upon request: student name, address (permanent and local), telephone number (permanent and local), date and place of birth, major and minor fields of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous education agency or institution attended, residence, status, date of WSU graduation, class schedule and photograph.

Any student who objects to the release of all or any part of the directory information on file in his or her name must notify the Registrar's Office, in writing, that he or she does not wish to have such information released. This request will be honored and all or any specified portion of the information which the student requests not to be released will be held confidential.

The provisions of this publication are not to be regarded as an irrevocable contract between the student and WSU. The University reserves the right to change any provision or requirement at any time.

Winona State University is committed to providing equal education and employment opportunities to all persons and does not discriminate on the basis of race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance, sexual orientation, disability, or any other group or class against which discrimination is prohibited by Title IX of the Education Amendments, 1972, Minnesota Statutes Chapter 363, Section 402 of the Vietnam Era Veteran’s Readjustment Assistance Act, 1974, and other applicable state and federal laws. Inquiries regarding compliance should be referred to the Affirmative Action Officer at 1-(507)-457-5008.

Winona State University

Winona State University, established in 1858 as the first teacher preparation institution west of the Mississippi River, is one of seven state universities that are part of the 53-member Minnesota State Colleges and Universities System (MnSCU). The University has three campuses: its original main campus and a Residential College are located in the city of Winona; a non-residential campus is located in Rochester, Minn., 45 miles to the west.

Mission

Winona State University is a dynamic learning community that provides rigorous, high-quality baccalaureate and graduate educational opportunities to students. We believe learning is the liberating force in human development. An information-based society is better served when individuals function at higher levels of learning, thinking and doing. Our mission is to serve the people of Minnesota and the world by developing human capacity for excellence in learning, service and leadership.

Goals of the University

WSU is dedicated to the following goals:

- **Student Success:**
  All WSU students will graduate possessing the skills, capacities and talents required for high performance in subsequent endeavors by offering undergraduate and graduate programs and degrees which provide direct entry into graduate programs or employment opportunities that require significant educational preparation.
- **Student Satisfaction:**
  WSU students and alumni will report high levels of satisfaction with their experience at WSU. WSU will provide for the educational, personal, and social development of students through effective academic advising and counseling; and through high quality cultural, recreational, and extra-curricular programs.
- **General Education:**
  All WSU students will have a solid foundation in general education. WSU will provide a comprehensive base of liberal studies as the foundation for university degrees in the arts, letters, and sciences as well as offering specialized professional, technological and occupational degrees.
- **Faculty and Staff Development:**
  WSU will develop the human resources to accomplish the goals of the university by supporting a commitment to research and to scholarly and creative activities that enhance instructional programs and teaching excellence.
- **Partnership Development:**
  WSU graduates will meet or exceed the expectations of the citizens, businesses and communities that we serve. WSU will:
  - Provide pre-professional programs that are coordinated with professional programs at other universities.
  - Maintain a special commitment to lifelong learning by meeting off-campus instructional and continuing education needs of the citizens of the service region.
  - Provide public service to the region and serve as a cultural center and a source of problem solving expertise.
  - Assume leadership in consortia relationships and cooperate with private business and research organizations to maximize educational and employment opportunities for citizens of the region through the sharing of expertise and resources.
- **Technology:**
  There will be a seamless integration of technology into the University at all levels.

- **Enrollment:**
  WSU will effectively manage enrollment to meet the needs of the university. WSU will provide educational opportunities for all individuals including minorities, the disadvantaged, handicapped, and non-traditional students.
- **Assessment:**
  WSU will evaluate all programs to meet the needs of a changing educational and technical environment.

Mission of Graduate Education

Consistent with the mission of Winona State University, the mission of Graduate Education is to:

- **Provide life long educational opportunities.**
- **Support a diverse range of high quality graduate programs to reflect the strengths and expertise of the university, and that are responsive to the changing needs of people in the region.**
- **Promote quality graduate study that enhances undergraduate programs.**
- **Provide flexible delivery systems for high quality graduate programs.**

Goals for Graduate Education

Consistent with the WSU Long-Range Plan, implementing the graduate education mission includes the following goals:

1. **To sustain and enhance the quality of graduate studies at WSU.**
2. **To explore opportunities for all departments and disciplines to offer or contribute to graduate programs that fulfill the needs of the region.**
3. **To prepare students as leaders and specialists in their chosen profession.**
4. **To develop a sense of collaboration and collegiality among students and faculty through the process of graduate education.**
5. **To require participation in research and scholarly or creative activities in all graduate programs.**

Accreditation and Membership

WSU is accredited for undergraduate and graduate programs by the North Central Association of Colleges and Secondary Schools. In addition, the Education Program is accredited by the National Council for the Accreditation of Teacher Education and the Minnesota Board of Teaching for the preparation of elementary and secondary teachers, elementary and secondary principals, school superintendents, and guidance counselors; the Chemistry Department's program is approved by the American Chemical Society; the Nursing Program is accredited by the National League of Nursing; the Social Work Program is nationally accredited by the Council on Social Work Education; and the Engineering Program is accredited by the Accrediting Board for Engineering and Technology.

WSU is a member of the American Association of Colleges for Teacher Education, the American Council on Education, the Midwest Association of Graduate Schools, American Association of State Colleges and Universities, the University Continuing Education Association, the American Assembly of Collegiate Schools of Business, the National Association of Schools of Music, and the North American Association of Summer Sessions.
Location and Community

WSU's 47-acre campus is located near the heart of downtown Winona. The 4.25 acre Residential College campus, located two miles across town, is connected to the main campus via free convenient bus service.

Winona (population: 29,000) is nestled among the bluffs of the beautiful Hiawatha Valley on the banks of the Mississippi River— one of the most scenic areas in Minnesota. Students have convenient access to shopping, recreational activities and community resources. Additional cultural opportunities are available in LaCrosse, WI (30 miles away) and in the Twin Cities (120 miles away).

Winona also is home to three institutions of higher learning: WSU, Saint Mary's University and Red Wing/Winona Technical College. WSU cooperates with these area institutions, as well as institutions throughout the MnsCU system, to enrich the educational and cultural opportunities for students at all institutions by sharing their programs and resources.

WSU's Rochester Center is an example of the sharing characteristics of Minnesota institutions. The Center is housed in the same facility as the Rochester Community and Technical College and University of Minnesota. ITV and computing connections link the Center to Winona sites and Winona students can avail themselves of cultural opportunities in Rochester.

Campus Facilities

The main WSU campus provides students ample facilities for education activities that combine traditional charm with modern convenience. Highlighting the educational facilities is Maxwell Library, which contains nearly 248,000 volumes and more than one million units of microfilm documents. The library also maintains on-going subscriptions to approximately 1,920 journals. It houses a bibliographic instruction room, which is used to teach students how to use the library's catalogs and indexes as well as how to navigate the Internet. A new library facility with complete technological resources will open in 1999.

Stark Hall, dedicated in September of 1992, houses the Composite Materials Engineering Program and the accredited Nursing Program as well as elements of Biology and other programs.

In addition to the academic buildings, exceptional facilities are provided for students' social, cultural and recreational interests. The Performing Arts Center contains facilities for musical performances, theater productions and studio work. Memorial Hall is one of the finest physical education/athletic facilities in Minnesota. Its swimming pool, six full-sized gymnasiums, indoor track and tennis facilities, handball/racquetball courts, weight training room, and physiology of exercise laboratory make it the center for the University's 14 athletic teams (five men's teams and nine women's teams).

The University Center (Kryzsko Commons) is home to student lounges, dining facilities, a bowling alley, student organization offices, conference rooms and various other accommodations for student activities and relaxation.

While emphasis has been placed on providing students with exemplary facilities for academic work, the University also provides students with comfortable, satisfying living accommodations. WSU has excellent facilities for student living and activities. There are seven residence halls that can accommodate 1800 students, including the Lourdes Hall Residential College.

The Residential College, housed in Lourdes Hall, offers students both housing and a unique educational opportunity. The Residential College's general mission is "to provide an enhanced learning environment for highly motivated students to promote excellence in the achievement of their undergraduate education." Students are encouraged to discover the love of learning, tolerance for individual differences and benefits of a liberal education by developing their talents through strong student pursuit and high expectations from the University. Having the intimacy of a smaller environment and the resources of a state university, WSU is able to create an atmosphere of collaborative learning. This is accomplished, in part, through a required First-Year Experience Seminar during the fall semester which focuses on critical thinking as well as financial support for banquets, speaker series, world forum dinners and floor activities.

Academic Programs

WSU offers more than 80 academic programs through the University's five colleges:

- College of Business
- College of Education
- College of Liberal Arts
- College of Nursing and Health Sciences
- College of Science and Engineering

All programs are offered by highly qualified faculty in an environment committed to a love of learning and student service. Approximately 400 faculty dedicate themselves to delivering rigorous academic programs while maintaining a "small school closeness" to individual students.

Adult, Continuing Education and Extension

WSU offers a wide range of learning experiences and opportunities through the Adult, Continuing Education and Extension Division. These include non-credit and CEU activities; workshops and conferences; extension credit courses; classes available via distance learning technology; senior citizen registration; and the Adult Entry Program which features individualized advising, career counseling and credit for prior learning. Non-credit programs, credit course and advising are located in numerous places throughout the WSU service area. Special programs also may be developed to meet the continuing education needs of specific agencies, schools, businesses and industries. For more information, schedules or appointments contact the Adult, Continuing Education and Extension Office, Room 109 Somsen Hall, Winona State University, Winona, MN 55987; (507) 457-5080 or 1-800-242-8978.

WSU-Rochester Center

General Information

WSU has had a strong commitment to students in the Rochester area for 70 years. The WSU-Rochester Center serves approximately 2,000 students.

WSU, along with the University of Minnesota and Rochester Community and Technical College, have combined to create the University Center at Rochester. The Center opened in 1993 and is equipped with state-of-the-art technology for interactive television and computer systems that link UCR students with main campuses and the world.

WSU has a formal 2 + 2 program with RCTC leading to ten (10) baccalaureate degrees. There are also five (5) master's degrees and an educational specialist degree offered by WSU in Rochester.

WSU also cooperates with the University of Minnesota in offering a master's degree in teaching leadership and cooperates with Mayo Clinic in offering a master's degree in nurse anesthesia. Partnerships also exist among the Nursing Department, Mayo Clinic and the University of Minnesota.

Location and Community

Olmsted County has a population of over 100,000 people. It is home to the Mayo Clinic and IBM Rochester. Olmsted County residents have a high level of educational attainment and are highly receptive to the life-long learning opportunities offered by WSU. WSU cooperates with both IBM and Mayo Clinic for specialized classes in computer science and the health professions.

WSU-Rochester is part of the University Center at Rochester, located at U.S. Highway 14 and 30th Ave. SE.
Degrees/Programs

Undergraduate Programs (2 + 2)

WSU-Rochester cooperates with Rochester Community and Technical College to offer complete educational programs to the area. Through the 2 + 2 program, students can complete ten (10) baccalaureate degree programs by transferring lower-division credits from RCTC and completing upper-level courses at WSU-Rochester.

Special Programs

Licensure-College of Education

Certification programs include two special education licensure programs offered by the Special Education Department. These programs can be taken at the undergraduate and graduate level. They include licensure in the following areas: Mild/Moderate Mental Impairment and Learning Disabilities. At the graduate level, in conjunction with the University of Minnesota, a program in Emotional/Behavioral Disorders is offered.

National Technological University (NTU)

Through a cooperative agreement with IBM, WSU is administering graduate courses in engineering and computer science. All NTU classes are taught through satellite delivery, and the courses originate from over 35 participating universities.

Non-Credit Programs

WSU-Rochester cooperates with community and professional groups, and the Department of Adult, Continuing Education and Extension to provide non-credit continuing education programs.

Adult Entry Program

The Adult Entry Program is designed for mature students who have never attended college or are returning to college. Counselors are available in Rochester on a regular basis to assist adult students seeking a college education. Awarding college credit for life/work experience is possible under this program. (See Adult, Continuing Education and Extension Section for more information.)

Faculty

All program areas offered at WSU-Rochester have residential faculty. These faculty members live and work in the Rochester area. Courses also are taught by WSU faculty who commute from the main campus.

Student Services

Counseling

Counseling services are available through WSU-Rochester. Staff members are professional counselors with extensive academic experience in counseling.

Nondiscrimination on the Basis of Disability Policy/Procedure

Students may request educational accommodations from the 504 Coordinator, Nancy Dumke, 457-5600, and facility accommodations from Tess Arrick-Kruger, Affirmative Action Officer, 457-5013.

Career Planning

Both undergraduate and graduate students receive personalized career testing and planning, as well as job search assistance from counselors available in Rochester on a weekly basis.

Financial Aid

Counseling is available for students concerning long and short-term plans for financing their education. An Application for Financial Aid should be requested when you apply for admission. Representatives from the WSU Financial Aid Office are available at WSU-Rochester on a weekly basis. Preliminary information is available at WSU-Rochester.

Joint WSU/RCTC Services

Other areas of student support, i.e., services to disabled students and childcare, are coordinated by WSU-Rochester staff members.

Computer Facilities

The computer facilities consist of four teaching computer labs, two open computer labs and a shared computer lab. All labs allow student access to mainframes on campus.

Library

WSU-Rochester’s library holdings are integrated into UCR’s Goddard Library. This arrangement provides students with an extensive resource of reference and research material. Library holdings number over 57,000 volumes. There is an overnight courier service to WSU’s Maxwell Library for articles and books which gives WSU-Rochester students access to both the UCR and WSU libraries. On-line computer searches are possible through both the PALS and Luminet systems. WSU nursing students also have access to the extensive library resources at Mayo Medical Center.

Campus Visits

Students are encouraged to visit WSU-Rochester at the University Center in Rochester any time. For more information about programs and services, call (507) 285-7100.

The center of information and assistance for graduate students is the Office of Graduate Studies, 114C Somsen Hall. The Office reviews applications for admission, candidacy, comprehensive examinations, graduation, and graduate assistantships and maintains graduate student records.

The Graduate Office coordinates graduate programs. The Graduate Council provides advice and recommendations on graduate programs. Inquiries on specific program requirements should be addressed to the department chairperson or program director of the degree-sponsoring department.

The Office of Graduate Studies is open weekdays, except holidays.

Affirmative Action Office

Winona State University affirms its commitment to provide equal employment and educational opportunities in accordance with law without regard to, and will not discriminate on the basis of, race, religion, color, national origin, sex, sexual preference, age, marital status, physical disability, mental disability, creed, status due to receipt of public assistance, or inclusion in any other group or class against which discrimination is prohibited by Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Chapter 363 of Minnesota Statutes, and other applicable state or federal laws.

Consistent with this policy, the principle of equal opportunity and nondiscrimination govern all activities in the MnSCU system, including hiring, promotion, admission, and participation in all other facets of university life.

Winona State University recognizes that there are various groups that are underrepresented in educational programs and employment within the MnSCU System. Winona State University also recognizes the value of the diversity of cultural experiences for all students and employees that will be achieved through full participation of these groups in the educational process and in employment. Therefore, Winona State University commits itself to programs of affirmative action intended to remedy this under-representation and to encourage cultural diversity and participation by members of these groups in all facets of university life.

For more information or assistance, contact Tess Arrick-Kruger, WSU Affirmative Action Office, 202 Somsen Hall, (507) 457-5008.
Nondiscrimination on the Basis of Disability Policy/Procedure

Winona State University is committed to making its programs accessible to all qualified students. You may request educational accommodations from the 504 coordinator, Nancy Dumke, Advising & Retention Office, Phelps 129, (507) 457-5600 or (507) 457-2409 (TDD) and facility accommodations from Tess Arrick-Kruger, Affirmative Action Officer, (507) 457-5013.

Crime Awareness and Campus Security Act

An annual security report is made available to the public as required by federal Crime Awareness and Campus Security Act. Updated annually and distributed campus-wide, it contains specified crime statistics and other information related to campus safety issues. Copies of this report are available through the Dean of Student Affairs, 130 Kryzsko Commons.

Student Health Service

Minnesota Law

Minnesota law (M.S. 135A.14) requires that all students born after 1956 and taking more than one class per semester/session, provide proof of immunization against measles, rubella, mumps, diphtheria, and tetanus in order to remain enrolled in classes. Questions regarding this policy can be referred to WSU Student Health Service, (507)457-5160. The law requires you to submit your immunization information to the Student Health Service within 45 days of the beginning of the term. Forms are available at the Student Health Service, in the Class Schedules, and at the back of this catalog.

Facilities

The Health Service is located in the west wing of Maxwell Library. The facility is staffed by a physician, nurse practitioners, registered nurses, a medical technologist, a dietitian/nutritionist and a medical records clerk. Services include:

- Medical examinations and consultations for illness, injury and other medical concerns;
- Laboratory services;
- Mantoux tests and some immunizations;
- Nutrition counseling;
- Allergy injections (you must supply your own serum);
- Contraceptive counseling and prescriptions;
- Health education materials including pamphlets, videos and consultation which enables students to develop a lifestyle that will reduce their risk of disease and injury.

The Student Health Fee pays for most of the services provided during regular office hours. There are charges for medications, laboratory tests, and some medical procedures and supplies. Emergency care is available evenings and weekends at Community Memorial Hospital, 855 Mankato Ave.

Career Planning & Placement Service

Career services to assist in your job search are available to graduate students enrolled at Winona State University. Sign up to receive web access to employment opportunities, career search information, referrals to employers, individual advising with the Director, and create a WINGS electronic portfolio. Inquire at Career Planning & Placement, 110 Gildeemeister Hall or call (507) 457-3540.

International Student Service

The International Student Office, located in 128 Kryzsko Commons, provides assistance to all international students attending WSU. Information and advice is available regarding admission to the University, scholarships, immigration concerns, orientation programs, employment regulations for F-1 visa holders and other information related to the well-being of international students.

A limited number of English language courses are available for non-native speakers. Students are assigned to these courses on the basis of their scores on the WSU English Test for Non-Native Speakers. This test must be taken prior to registration for the initial term of attendance at WSU.

Health insurance provided by the University is required of all international students. Billing will occur during the fall for the entire year.

A required orientation is held prior to the beginning of each semester for all in-coming international students. The University requires that international students meet with a staff member of the International Student Office immediately after arrival to the University. At such time, updated information is provided on orientation dates and test times for the English screening exam.

Scholarships for International Students

Cross-cultural scholarships are available to incoming international students. Contact the International Student Office (507) 457-5303 for more information.

Child Care Center

The WSU Child Care Center provides services for children six weeks of age to 6 years. The center is open from 7:15 a.m. to 5:30 p.m., Monday through Friday. Children can be enrolled on a part-time or full-time basis.

The program enables parents of preschool children to attend classes and study during the day while providing their children with quality care in an enriching, stimulating environment. The child care center also serves as a model program for students of early childhood education and related fields for purposes of observation and participation. For more information contact the director at (507)453-2560, or (507)453-2561.

Nursery School

Winona State University is the list of institutions approved by the State Approving Agency for Veterans Training. Eligibility certificates should be presented at the time of enrollment to the Veterans Assistance Office.

Procedures:

1. Application for veteran's benefits can be submitted through the county Veterans Service Office or through Winona State University. Students must have a certified copy of their DD-214 Form or a notice of basic eligibility to submit with the application.
2. Students who have received a Certificate of Eligibility for Winona State University should submit both copies at time of application for admission.
3. Following admission to the university, students must present their DD-214 Form to the Veterans Office and enrollment will then be certified. Enrollment for full-time students is normally for the academic year. Summer sessions and/or workshops have separate enrollment periods. Date of enrollment is based on the school calendar, workshop dates, or contract periods. Note: A mixture of graduate and undergraduate credits will be allowed if the undergraduate credits are required prerequisites to graduate courses or programs.
4. Students must report each change in academic load to the Veterans Assistance Office.

5. Payments of benefits: Allowances are paid on a monthly basis conditional on satisfactory progress in approved course and conduct. Payments to veterans are released upon certification furnished by the school. When a student completes, drops out or interrupts his/her course of training, notification to the Registrar’s Office and the Veterans Assistance Office is required.

6. Veterans with Dependents: Before a veteran can receive payments based on his/her marriage and dependents, the Veterans Administration requires that the veteran submit certified copies of marriage certificates, birth certificates and/or adoption papers for any dependents. Until these documents are on file with the VA, the veteran will be paid at the single rate. The WSU Veterans Assistance Office and the county Veterans Services Officer can help expedite this procedure.

7. Re-enrollment: Re-enrollment may be accomplished without a new certificate of eligibility. Notify the Office of Admissions Veterans Assistance Office, show credit hour load, and give your correct address.

8. Change of education program or place of training: Complete and mail Form 22-1995 to the Veterans Administration, St. Paul. New certificates are required in any transfer to another school.

9. Academic Load: Full time training requires 8 s.h. of undergraduate credit or 6 s.h. of graduate credit. Three-fourths time training requires 6-7 s.h. of undergraduate credit or 4-5 s.h. of graduate credit. Half time training requires 4-5 s.h. undergraduate credit or 3 s.h. of graduate credit. Less than half time training requires 1-3 s.h. of undergraduate credit or 1-2 s.h. of graduate credit.

10. Tutorial Assistance: This program provides special help to overcome a marked deficiency in a subject required for the satisfactory pursuit of an educational objective. See the Veteran’s Office for detailed information.

11. Credit for Military Schools: Service schools and training will be evaluated according to the recommendations of the American Council on Education, Guide to the Evaluation of Educational Experience in the Armed Services when an official DD-214 Form has been presented to the Office of Admissions. A maximum of 10 semester hours of USAF credits may be accepted and applied toward a degree. Credit will be granted to persons holding CCAF transcripts.

12. Veterans who are eligible for Chapter 106 “New GI Bill” benefits must obtain and submit an original DD2384 Form, Selected Reserve Educational Program Notice of Basic Eligibility. This copy can be obtained from your reserve unit with the required signatures. The Veteran’s Office will forward this copy along with other pertinent forms to the Veteran’s Administration.

---

Financial Information

All financial information is subject to change by action of the Minnesota State College and University Board. A non-refundable fee of $20.00 is required with the Application for Admission. Persons who have been admitted to Winona State University and have paid the fee will not be subject to this fee for subsequent enrollments. If a student has applied to WSU and paid the fee but never enrolled in classes, he/she will need to prove the application fee was paid (cancelled check or receipt copy).

### Activity Fee

The Activity fee is assessed to all students attending classes through the Winona and Rochester campuses. The rates are determined by a committee consisting of members of the Student Senate and University Administration. The committee also determines the distribution of funds. Areas receiving funds include the health service, student senate, university clubs, and the Winonan. The Activity Fee is $8.10 per credit hour. The maximum each semester is $97.20.

### Union Facility Fee

The Union Facility Fee is assessed to all students attending classes through the Winona campus. The rate is determined by the students, University Administration, and the MnSCU Office. Funds are used to finance the construction, maintenance, and daily operation of the student union building. The Union Facility Fee is $5.50 per credit hour. The maximum each semester is $88.00.

### MSUSA Fee

The MSUSA Fee is assessed to all students attending classes for college credit. The rates are determined by the Minnesota State University Student Association and the State Board Office. Funds are used by the Minnesota State University Student Association. The MSUSA Fee is $.25 per credit hour.

### Personal Property and Service Charges

Personal property and service charges shall be the actual costs of property and services. The fee shall be for services for or for items that become the personal property of a student and have an educational or personal value beyond the classroom. The actual cost shall be the allowable maximum charge.
Academic Computer Fee

The Academic Computer Fee is assessed to all students attending classes for credit. The rate is determined by the University Administration and funds are used to support the student computer labs and academic computer services. The current fee is $3.90 per credit hour. The maximum each semester is $54.60.

Insurance

Health insurance is available to all graduate students taking 3 or more credit hours. The insurance is also available for summer session students. Payment is made directly to the insurance company. Further details are available in the Counseling Center, Student Affairs Office, or Health Center.

Incidental Fees

Several smaller fees arise from other non-course related matters including Health Service, Credit by Exam fees, ID card replacement fees and Library Fines.

Program Change Fee

The University also assesses a fee to students who change part of their program after classes have started. A $5.00 fee is assessed each day a student utilizes the registration system to make a change in their program after the student has initially registered.

Late Payment Fee

Payment in full for all tuition, fees and residence hall charges must be paid by the payment due date indicated in the current class schedule. Any payment accepted after the payment due date will be assessed a late fee of $20.00.

Students are expected to pay all accounts to the University when they are due. Due dates are published in the class schedule. Failure to receive a fee statement does not release the student from payment obligations. The University is authorized to withhold the issuance of diplomas and official transcripts of credits and to deny students further registration until all moneys due the University have been paid.

Refund Policy

Students who withdraw from the University should obtain Application for Refund forms from the Registrars Office, Room 114, Somsen Hall. Students dropping classes must inform the Registrars Office using the official drop procedures. Student who withdraw from the University or who drop one or more credits will receive a tuition refund according to the following schedule:

If a student's course schedule is reduced for the convenience of the University, the tuition shall be adjusted without penalty. Refunds on activity fees will be on the same basis as tuition when withdrawing or dropping credits. Refunds are not given for textbooks and materials. Used books may be sold at the University Bookstore during the last week of each term.
Estimated Room and Board
Payment for residence hall and meal services are made on a semester basis. The following cost estimates include meals and a phone in each room.

Normal Occupancy-Double Room: $1590 to $1710
Guest Rate (per night): $10 to $15

Resident Status
As a state-assisted institution, Winona State University has a primary function of making higher education available to residents of the State of Minnesota. For that reason a higher tuition rate is charged to residents of other states or nations. Regulations and criteria regarding the determination of resident status can be obtained through the Admissions Office, Sornsen Hall, Room 106. Any student having been initially classified a nonresident and having decided that residency has been achieved, may initiate action to effect a change by filing with the Admissions Office a "State of Residence" form.

Wisconsin/North Dakota/South Dakota Tuition Reciprocity
Any undergraduate or graduate student from Wisconsin/North Dakota/South Dakota who submits the "Student Application for Resident Fee Status" form will be subject to a similar tuition rate as charged by the state of home residence. Application forms are available in the Office of Admissions and all Wisconsin, North Dakota and South Dakota high schools. Approval is granted for one year and remains in effect as long as there is continuous enrollment (summer excluded). Should reciprocity students leave WSU for longer than the academic year, they must reapply for reciprocity tuition.

Kansas/Michigan/Missouri/Nebraska Midwest Student Exchange Program
Any undergraduate or graduate student from Kansas, Michigan, Missouri or Nebraska will be charged 150 percent of the appropriate in-state tuition. Application is not required, this tuition rate will be granted upon admission to the university. Specific guidelines regarding renewal, such as, length of time and grade point average, may be obtained from the Office of Admissions.

Financial Assistance
Application for financial assistance requires the completion of the Free Application for Federal Student Aid (FAFSA). To be considered for aid, a student must be enrolled or accepted as a graduate student in an eligible program for the purpose of obtaining a degree and must maintain good standing and meet satisfactory progress standards at the university. To qualify for student loans, graduate students must be enrolled on a half-time basis or more. Half-time enrollment requires a minimum of three graduate credits. Inquiries about financial assistance programs should be directed to the Director of Financial Aid, Winona State University, 108 Somsen Hall, Winona, Minnesota 55987. Phone (507)457-5090.

Loans
Federal Perkins Loan: The Federal Perkins Loan is a 5% interest loan awarded through the Financial Aid Office to students enrolled on at least a half-time basis who demonstrate exceptional need based on the FAFSA. Repayment and interest does not begin until after the student ceases to be enrolled on a half-time basis. Cancellation may be available for teaching in certain areas or certain subjects, for service in a Head Start Program, full-time nursing or law enforcement, or other conditions per the terms of the promissory note the student signs at the time of disbursement.
Federal Subsidized Stafford Loan: This need based loan is available to students enrolled half-time or more and provides up to $8500 per year for graduate study. The interest rate is variable capped at 8.25 percent with the federal government paying the interest while the student is in school and for a six-month grace period. Eligibility is determined by the Financial Aid Office based on the FAFSA and the cost of attendance. Borrowing is done through a commercial lender.
Federal Unsubsidized Stafford Loan: Demonstrated financial need is not required for the Federal Unsubsidized Stafford Loan but a FAFSA must be filed before school certification can occur. The borrower is responsible for interest that occurs while he/she is in school. The interest rate is variable capped at 8.25 percent. Graduate students may borrow up to the cost of attendance at WSU minus any subsidized Federal Stafford or other aid received. Borrowing is done through a commercial lender.

Student Education Loan Fund (SELF): The Minnesota Higher Education Services Office provides loans of up to $9000 per year for graduate students who are enrolled at least half time. Loan amounts are determined by the cost of attendance, other aid and student's prior and current student loan indebtedness. A student is eligible for SELF-loans regardless of family income, but must have a creditworthy co-signer. Students make interest payments while in school. The interest rate is variable with a six-month grace period. Loan amounts are determined by the cost of attendance, other aid and student's prior and current student loan indebtedness. A student is eligible for SELF-loans regardless of family income, but must have a creditworthy co-signer. Students make interest payments while in school. The interest rate is variable capped at 8.25 percent. Graduate students may borrow up to the cost of attendance at WSU minus any subsidized Federal Stafford or other aid received. Borrowing is done through a commercial lender.

Employment
The Federal and State Work-Study Programs provide part-time employment to students who demonstrate financial need. Most employment is on campus, but students can work in off-campus non-profit organizations or public agencies. Employment is limited to twenty hours per week while classes are in session. Institutional employment is available to students on a limited basis through various departments on campus. Students seeking this employment should contact campus departments.
Policy Changes
Throughout the academic year, administrative and committee actions will change policies that affect students. It is a student's responsibility to comply with the changes as they are reported in the University newspaper, the Winonan, in the semester class schedule, or posted on the Registrar's Office bulletin board, Somsen Hall, Room 114.

Graduate Programs
The colleges within the university that offer graduate programs are the College of Business, College of Education, College of Liberal Arts and College of Nursing and Health Sciences. In addition to Master of Science, Master of Arts, Master of Business Administration, and Specialist degree, various advanced licensure programs are available.

Each graduate student is responsible for complying with the regulations on admissions, registration, admission to candidacy, program requirements, graduation requirements, and all other deadlines and stipulations applying to graduate study. The University catalog in effect at the time of admission to candidacy governs student program and degree requirements. Deadlines applying to graduate students are specified in the academic calendar.

Undergraduate Students
Undergraduate students who need twelve or fewer semester credits to complete baccalaureate degree requirements may request permission from the Director of Graduate Studies to take 500 level courses for graduate credit to complete a regular course load during the semester of graduation. Undergraduate students may not enroll in courses at the 600 level or 700 level. Appropriate 400-level courses with corresponding 500 level graduate credit options may be verified by comparing the graduate and undergraduate catalogs. These 500 level course credits will not apply toward undergraduate degree requirements. Exceptions may be granted for special departmental programs.

Graduate Special Students
A student who has completed a baccalaureate degree from an accredited university and who wishes to enroll in graduate courses, but does not intend to pursue a graduate degree at Winona State University, may register as a graduate special student. Admission as a graduate special student does not constitute admission to a graduate degree program.

A graduate special student who later wishes to enter a graduate degree program at Winona State University must meet all requirements for admission to graduate study and complete an Application for Admission to Graduate Study for the particular program in which they wish to apply. A maximum of twelve (12) semester graduate credits earned as a graduate special student may be accepted into a graduate degree program upon recommendation of the major department. Only six (6) graduate credits earned as a graduate special student may be accepted into the MBA program upon recommendation of the department.

Graduate Assistantships
Graduate assistantships are awarded to provide graduate students with additional study and experience in their field through the interaction with faculty and staff. Graduate assistants may be assigned to instructional, laboratory, research, and/or other professional duties. A graduate assistant works under the direct supervision of a graduate faculty member or full-time professional employee with a Master's degree or equivalent experience and expertise in the area of the assignment. The supervisor is responsible for the academic integrity and quality of the assistants' performance.

Graduate assistantships are available to highly qualified graduate students. WSU Regulation 3-10 governs the allocation, requirements, responsibilities and hiring procedures for graduate assistants. In addition to a WSU contract, students must also sign the Condition of Employment for Graduate Assistants. Graduate assistants receive a stipend and tuition assistance. Applicants should submit applications for assistantships to the appropriate department chairperson/program director. Anyone who has been appointed to a graduate assistantship prior to the first day of classes shall be granted resident tuition status for the period of the appointment.

General Academic Regulations
The following regulations are applicable to all graduate programs unless otherwise stated. Academic departments may establish more stringent requirements so be sure to note departmental policies.

Academic Dishonesty
The University community requires that work produced by students represent their personal efforts. Papers and other work in written or oral format prepared for classes should contain the student's own words and ideas unless the student identifies the ideas of others as being quoted, summarized or paraphrased. Such ideas must be duly cited by attributing all information that is not readily verifiable and not commonly understood in the discipline. To do otherwise is to plagiarize by using passages or ideas from others while claiming them as one's own.

Penalty: to plagiarize is to be intellectually dishonest. Except for rare instances when there are mitigating circumstances, it will result in immediate dismissal from class with a grade of E.

REDRESS: the student must initiate arbitration of this penalty with the teacher involved. In case no satisfactory resolution is achieved, then the dean of the college in which the course is taught will make a determination. All affirmed incidents reported by the teacher will be recorded by the Vice President for Academic Affairs.

Time Limitation
All degree requirements including credits to be earned, transfer credits, final examinations, thesis, required research papers, and all other program requirements must be completed within the seven (7) years prior to the awarding of the degree, except for the Specialist degree in Educational Leadership wherein the limitation is eight (8) years.

Under exceptional extenuating circumstances, a student may submit a petition to the Director of Graduate Studies requesting a one-year extension of the time limitation. Such a request is to contain all pertinent facts, justifying rationale, and a plan for degree completion.

Course Credit
Courses numbered 600 and above are for graduate credit only and no undergraduate may enroll in them. Courses for either graduate or undergraduate credit are 400/500 level, with the 400 level for undergraduate credit and the corresponding 500 number for graduate credit. Compare the graduate and undergraduate catalogs to determine these courses. The 500 level courses will not apply toward an undergraduate degree. Graduate students registered in the 500 numbered courses will be required to do additional work to meet course requirements. Graduate credit will not be given for courses at the 500 level to students who have
Drop/Add Policy
In the event a student must drop and/or add a course after registration has been completed, the regulations published in the class schedule must be followed. For further information contact the Registrar’s Office, Somsen 114; Continuing Education, Somsen 109; or the WSU Rochester Center (depending on how the course was offered).

Course and University Withdrawal
If a student withdraws either from a class or from the University, he/she is required to contact the Registrar’s Office, Continuing Education, or Rochester Center to complete the appropriate forms. Withdrawing must be requested before the deadline date published in the class schedule. If a student processes the withdrawal by the deadline date he/she will receive a mark of withdrawal (W) on his/her transcript.

If a student withdraws (W) from a course he/she is repeating, the original grade is included in the computation of the GPA.

If a student drops a course or withdraws from the University without giving official notification to the Registrar’s Office, Continuing Education, or the Rochester Center, he/she will not receive a grade of E.

If a student withdraws from the University during any semester, he/she must discharge all business obligations and notify the Registrar’s Office.

Transcript Requests
Transcripts are issued by the Registrar’s Office only upon written request since student records are confidential in nature. Partial transcripts are not issued. Each transcript must include a student’s complete record. As the university cannot certify credit earned at other institutions, copies of such transcripts will not be issued. All Winona State University transcript requests will be issued free of charge.

Grade Appeal Policy
Winona State University affirms that student evaluation in courses is a faculty responsibility. Nevertheless disputes may occur that need resolution. If students feel they have been unfairly evaluated by a faculty member for their academic performance, the following process will apply:

Step 1: A student considering a grade appeal will, within the first ten (10) academic calendar days of the next term (excluding summer terms), confer with the instructor in an attempt to resolve the dispute. Mutual agreement between the student and the faculty member will end the process.

Step 2: Should Step 1 fail to resolve the dispute, the student may file a written grade appeal using a Grade Appeal Form available in the Registrar’s Office or the Rochester Center. The written appeal will be forwarded to the Grade Appeal Committee chair within 30 academic calendar days of the term specified in Step 1 with a copy of the appeal sent to the Vice President for Academic Affairs. A Hearing Committee that is a subcommittee of the Grade Appeals Committee will review the case presented by the student and the instructor. Both parties are entitled to assistance and advice from members of the academic community in presenting their case to the subcommittee. The Hearing Committee has the right to recommend to the course instructor that (1) the grade not be changed, (2) the student is entitled to a re-evaluation by the course instructor, or (3) the grade be changed. The finding of the subcommittee is final and will be conveyed to the instructor, student, Vice President for Academic Affairs, and Chair of the Grade Appeal Committee. Within seven (7) academic calendar days the course instructor will inform the student, Grade Appeal Committee Chair and Vice President for Academic Affairs of the action taken regarding the recommendation of the Hearing Committee. The course instructor is not obligated to abide by the recommendation of the Hearing Committee.

Graduation
Applications for graduation must be submitted at least two calendar months prior to graduation. It is the sole responsibility of the student to ensure that all incompletes and program requirements are completed and submitted to the Office of Graduate Studies within ten (10) working days following the end of the semester of graduation. Late completion and submission of requirements will result in postponement of graduation to a later semester.

Admission to a Graduate Degree Program
1. Follow application deadlines published in the catalog and class schedule to allow complete processing prior to registration.
2. Complete the appropriate Application for Admission to Graduate Study and send to Graduate Office, Winona State University, P.O. Box 5838, Winona, MN 55987, along with a $20 non-refundable application fee made payable to Winona State University. The fee is waived for students who have previously been admitted to WSU as an undergraduate or graduate special student.
3. Request two official transcripts from each undergraduate and graduate college or university attended. All transcripts must be submitted directly by each institution to the Graduate Studies Office. Transcripts must show that the student has received a bachelor's degree from an institution accredited by an appropriate national accrediting body, a regional accrediting agency, or by the reporting state agency of the state in which the college or university is located.
4. Completed applications from students who have a minimum, cumulative GPA of 2.5 on a four (4) point scale from their baccalaureate degree-granting institution will be forwarded to the appropriate department for admission review and recommendation. Check the departmental sections of the catalog to determine additional criteria such as higher GPA, test scores, references, etc.
5. Students with a cumulative grade point average lower than required by their graduate department from their baccalaureate degree-granting institution may be granted provisional status from the Graduate Studies Office. Students admitted on a provisional basis are required to achieve at least a 3.00 GPA in their first 12 semester hours of 600 level course work. In addition, provisionally admitted students will be required to satisfy any course work deficiencies or additional admission criteria indicated by the department/program to which the student is applying. Upon completion of the 12 semester hours and/or other requirements, the student must formally reapply for admission to a degree program by contacting the Office of Graduate Studies, 114 Somsen, 507-457-5038. A registration hold will indicate when students have reached this level.
6. Following receipt of the departmental recommendation, the Office of Graduate Studies will notify the student of the action taken on the application.
7. Students unable to satisfy the departmental or above stated requirements will be allowed to continue to enroll in graduate level course work as a Graduate Special Student, not in a degree program.
8. Coursework must begin within two (2) years after admission to a graduate degree program or the student must reapply and pay the application fee.

Test Requirements
Students seeking the Masters of Business Administration (MBA) degree are required to take the Graduate Management Admissions Test (GMAT). Students seeking the M.S., M.A., or ED.S. degrees may be required to take the Graduate Record Examination (GRE). Refer to the department policies for those situations. Information concerning these tests may be obtained through the Office of Graduate Studies.
Prerequisites
Refer to department policies for prerequisites required for admission to the specific graduate degree program.

Graduate Level Appeals Process
An applicant for admission to graduate study who wishes to appeal a negative decision made by a department or the program director regarding that student's admission or retention should first appeal the decision at the departmental level or to the MBA faculty review committee. If the dispute is not resolved at that level, the applicant may appeal the decision to the appropriate Dean. If the Dean upholds the decision by the department or MBA faculty review committee, the applicant may then appeal to the Vice President for Academic Affairs, who will make the final determination in the dispute and inform both the applicant and the department or the MBA director of that decision.

International Students
All applicants from foreign countries must complete all WSU application procedures. Students will be admitted on the basis of certified credentials verifying completion of previous educational studies. Students must also submit a TOEFL score of at least 500 for undergraduates, 550 for M.S. and M. A. graduate students and 575 for MBA students. The university requires all non-native speakers of English to complete an on-campus English placement exam. This English test determines appropriate English placement for each individual student.

In addition to official academic credentials and the TOEFL score, international students must present proof of financial responsibility for the full course of study. The university will supply specific financial support forms for this purpose. The university requires that all financial obligations including tuition, fees, room and board be paid at the time of registration.

The International Student Office emphasizes that the financial support statement is of extreme importance because very little financial aid exists for foreign students and immigration regulations prohibit employment outside the campus community. In view of the increasing cost of education and unstable conditions that arise around the world, Winona State is unable to assume responsibility for emergency situations that arise while a foreign student is in attendance at the university.

International students must apply well in advance of the time they wish to enroll. This is necessary due to the complexity of the admission process and allows for the proper planning of mandatory orientation programs for international students.

International students interested in obtaining additional information about the university or interested in obtaining an application packet should direct their initial inquiries to the Director of International Students, Kryzsko Commons, Winona State University, Winona, Minnesota 55987, (507) 457-5303.

Application for Candidacy
Before the student has completed 16 graduate semester credits with a grade point average of at least 3.0, the student, in consultation with the advisor, must submit a completed Application for Candidacy to the Office of Graduate Studies. Graduate students who do not have at least a 3.0 GPA will not be allowed to make further progress in their program until the GPA is improved. To improve the GPA, students may retake courses for which they received a grade below B. However, below B grade courses may be retaken only once. Any courses taken beyond 16 credits will not apply to the degree program unless a petition for waiver of the 16 credit requirement is approved by the Director of Graduate Studies.

The Application for Candidacy must include a detailed proposed program of coursework for degree completion, must indicate a thesis plan or other capstone writing experience, and must be approved by the advisor, the chairperson/program director of the major department, and the Director of Graduate Studies. Any proposed changes to the approved candidacy must be requested in advance on the Supplement to the Application for Candidacy form and be approved by the advisor, the department chairperson/program director and the Director of Graduate Studies.

Research and Writing Requirements
All graduate degree programs must contain at least three (3) credits of research methodology, statistics, or the equivalent.

All graduate degree programs must also contain a capstone writing experience; for example, thesis, professional paper, written report of a project, written review of a simulation, or portfolio. The selected experience must be indicated on the Application for Candidacy form and the final product(s) must be submitted to the Department responsible for maintaining the materials.

M.S. and M.A. Degree Requirements
In addition to the provisions listed above, the following requirements must be met by all Master of Science and Master of Arts students:

1. The student must meet all academic prerequisites.
2. The student must complete a minimum of 15 semester credits in the field of specialization with a minimum grade point ratio of 3.0 on courses taken at Winona State University. No course will be counted if the grade is below C. These are minimum standards; departments may require higher standards. At least fifty percent of the credits required for the master's degree must be in courses numbered at the 600 level or above.
3. All degree candidates must pass a final comprehensive examination to be prepared by the major department. A Notification of Intent to Take the Comprehensive Exam form must be received by the Office of Graduate Studies by mid-term day of the semester preceding the semester the exam will be taken. Students must have completed all coursework or be enrolled in their last course(s) to be eligible for the comprehensive examination. Students who choose the thesis option may take the examination before enrolling in the thesis course.
4. Each candidate in a thesis option must pass a final oral examination by a committee of three graduate faculty members at least two weeks before graduation. The advisor will be the chairperson of this committee. Candidates for the Master of Science degree without thesis may also be required by their major department to pass a final oral examination.
5. If the student has elected a plan that requires a thesis, the thesis must be completed and approved by the advisor no later than two weeks prior to graduation. Unbound copies of the thesis must be made available to the oral examination committee. After this committee has approved the thesis, four bound copies must be submitted to the Office of Graduate Studies for distribution. A bindery sign-off form must be received by the Graduate Studies Office before a degree can be granted.
6. Each candidate must submit to the Office of Graduate Studies a statement signed by the advisor or by the chairperson/program director of the major department certifying that the student has completed all departmental requirements for the master's degree at least ten days prior to the last day of the semester.

The requirements listed above in 1 through 6 are general, all-university regulations. Students should consult their advisors to determine whether there are additional departmental requirements.

Mission
The mission of Winona State University’s College of Business is to provide quality business programs designed to prepare students to live, lead, work, and grow professionally and personally in the 21st Century.

With its primary emphasis on undergraduate education, the college is committed to the continuous improvement of teaching and learning; instructional development and applied scholarship; and service to public, private, and professional organizations and businesses. The College of Business serves the educational and professional needs of southeast Minnesota while attracting students from other areas of Minnesota and the upper Midwest.

Our programs are designed to help students to:
• Develop an understanding of the importance of continuous improvement and lifelong learning.
• Understand the ever-increasing pace at which social, economic, and technological changes are occurring and be prepared to deal with those changes.
• Understand the ever-increasing pace at which social, economic, and technological changes are occurring and be prepared to deal with those changes.
• Develop an appropriate specialization within the College of Business.
• Use effective written and oral communication skills, quantitative skills, critical thinking and problem solving skills, and ethical behavior.

Departments in the college will use quality indicators and assessment techniques to ensure educational excellence, conduct periodic program reviews as required by the Minnesota System of Colleges and Universities, and solicit input from our stakeholders, the students, alumni, and businesses.

In addition, the faculty will exemplify professional standards that respect the dignity of the university community and the public.

Master of Business Administration
The Master of Business Administration (M.B.A.) is a professional degree that has become an important factor in many hiring and promotion decisions for business, government, and other organizations. WSU’s M.B.A. is designed as a general management degree, developing competence for managerial and administrative positions in either the public or private sector. Students who enter the program should already possess substantial knowledge of management and administration as taught in undergraduate business schools or should acquire that mastery by completing prerequisites to the M.B.A. courses. The M.B.A. curriculum will include work in the essential tools of management, mastery of the functional areas of business and management (accounting, finance, marketing, organization and production), and practice in managerial policy and decision-making. The program also allows for electives that may be selected by the student, subject to the approval of an advisor.

Admission Requirements
1. Completion of the application for admission, including a one-page statement of interest and objectives in pursuing the M.B.A. This form is available in the graduate catalog on page 63 and from the WSU Office of Graduate Studies, (507) 457-5038, and must be returned to the Office of Graduate Studies with two official transcripts of all previous undergraduate and graduate credits.
2. Transcripts must show that the student has received a bachelor’s degree from an accredited college or university.
3. The student must take the Graduate Management Admissions Test (GMAT). For further information on the GMAT, write or call the Office of Graduate Studies (457-5038).
4. The formula used to determine admission status is: 200 x undergraduate grade point average + GMAT score = 1100.
5. The applicant should have at least two years of work experience.
6. The student must demonstrate competency in special areas listed below by successful completion of course work at Winona State University or elsewhere, by examination or, in a few instances, by appropriate and documented experience.

Winona State University undergraduate credit equivalents are:

Accounting
ACCT 211 Financial Accounting Principles

Business Administration
BUSA 291 Legal Environment of Business
DIS 320 Intermediate Business Statistics

Economics and Finance
DIS 362 Management Information Systems
ECON 201 Principles of Microeconomics
ECON 202 Principles of Macroeconomics
FIN 360 Corporate Finance
MGMT 315 Principles of Management
MRKT 315 Principles of Marketing
POM 334 Production and Operations Management

Written Communication: Competence will be judged by the statement of interest and objectives in the application for admission and the GMAT Analytical Writing Score. Prior to the completion of all the above competencies, a student may take M.B.A. courses for which all prerequisites have been met. However, no more than two M.B.A. courses (6 credits) taken before a student is admitted to the M.B.A. Program will be counted towards degree requirements.

Based on the above criteria, the student will be: a) Admitted to graduate study and to the M.B.A. Program or b) Denied admission to the M.B.A. Program. * (See Graduate Level Appeals Process on page 19 of the catalog.)

International students must have a TOEFL score of at least 575.

Courses in the M.B.A. Program cannot be taken on a pass/no credit (P/NC basis).

Requirements for the Master of Business Administration Degree
The student must have completed the following requirements:
1. All deficiencies must have been removed and all prerequisites must be completed.
2. Within seven (7) years of initial enrollment in graduate level courses, the student must have successfully completed the required core courses and elective courses with a minimum grade point average of at least 3.0; no courses may be counted if the grade is below a C.
3. Capstone writing experience.

The Master of Science degree offered by the AIS Department is designed to provide advanced preparation for teaching/training. AIS graduate education promotes intellectual development, content mastery, and expertise for professional growth. The M.S. program's flexibility allows each student to pursue a program of study suited to an individual's interests, needs, and professional objectives in teaching/training.

Program Guidelines
1. A maximum of 6 credits of independent study will apply to the total credits required for Plan A and Plan B.
2. At least fifty percent of the credits required for the Master of Science degree must be in courses numbered at the 600 level or above.
3. A maximum of 6 credits of pass/no credit course work will apply to the M.S. degree, including the internship. A student pursuing the M.S. degree in the AIS department must take all AIS course work (excluding the Internship and the Thesis) for a grade.
4. A capstone writing experience is required. Details will be provided by advisor.
5. A final written comprehensive examination will include AIS course work and may include course work taken from other departments. All departmental graduate faculty will evaluate student performance on the examination.

Admission Requirements
For admission to the Department of Administrative Information Systems' Master of Science in Training and Development degree program, including alternate admission:
1. The candidate must have a composite undergraduate GPA of 2.5. If the composite GPA is less than 2.5, the candidate must earn a combined GRE score of 1,000 (verbal and quantitative) in order to be admitted.
2. If the candidate does not meet these criteria, the candidate may enroll as a graduate special student. After completing 9 Graduate credits at WSU, the candidate may reapply if the GPA for the 9 credits is 3.0 or higher.

The Administrative Information Systems Department requires that all Student Applications for admission must follow this procedure:
1. Submit a completed Application for Admission to Graduate Study and two official transcripts of all previous undergraduate and graduate credits to the Office of Graduate Studies at least one month prior to registration.
2. The Application for Admission to Graduate Study must be accompanied by a personal statement of goals and two recommendations. Following department approval, an advisor will be appointed by the department. The advisor will review all transcripts and determine eligibility.
3. In consultation with the advisor, complete and file the Application for Admission to Candidacy for the Master's degree before the completion of 15 graduate credits with a grade point average of at least 3.0. The Application for Admission to Candidacy is filed in the Office of Graduate Studies.

Mission
The WSU College of Education’s basic mission is to provide continuing leadership and excellence in preparing classroom teachers, counselors, administrators and other educational professionals. The College delivers educational services to public and private schools. It accomplishes its mission by offering baccalaureate, licensure and selected graduate programs to prepare professionals for public and private schools in the region. The College's specific mission is to provide the knowledge, skills, professionalism and practice necessary to enable students to perform with excellence as educational professionals in the service region, state and nation. The College endeavors to provide students with appropriate field experiences in the region, throughout Minnesota and other states. Further, it provides opportunities for cross-cultural and international awareness through both general education and professional work.

Faculty members in the College are committed to the serious study of education and the promotion of professional standards to foster innovation in professional preparation.

The College of Education at WSU is accredited by the National Council for Accreditation of Teacher Education (NCATE). The accreditation includes the basic and advanced levels of professional education programs offered at the University. All teacher education and school counselor programs are approved for licensure by the Minnesota Board of Teaching. Administration programs are approved by the Minnesota Board of Education.

Research and Regional Service
The College has an educational alliance with public and private schools within the WSU service region. The alliance is a collaborative effort to meet school needs for research, in-service for teachers and educational services, and supports the publication of the Southeastern Minnesota Alliance Journal.

Field Experiences
All programs within the College provide professional field experiences and internships for students in schools, businesses, or other organizations.

Counselor Education
132 Gildemeister Hall, (507) 457-5335
U212 WSU-Rochester, 285-7488
Chairperson: Tim Hatfield
Graduate Faculty: Borror, T. Hatfield, Maher, Ruiz, Speltz

Gaylia Borror, Associate Professor, Counselor Education; B.S., Davis & Elkins College, M.S., West Virginia University, Ph.D., University of Iowa; 1989 -
Tim Hatfield, Professor, Counselor Education; B.A., Harvard University, M.Ed., Harvard Graduate School of Education, Ph.D., University of Minnesota; 1980 -
Marie Maher, Associate Professor, Counselor Education; B.A., University of Wisconsin-LaCrosse, M.A., University of Wisconsin-Madison, M.S., Winona State University, Ph.D., University of Iowa; 1980 -
Nicholas Ruiz, Assistant Professor, Counselor Education; B.A., Ph.D., University of Minnesota; 1989 -
Charlotte Speltz, Assistant Professor, Counselor Education; B.A., Duke University, M.Ed., Ed.D., North Carolina State University; 1992 -

The major purpose of the department is to provide quality graduate education to persons seeking advanced study in counseling and related professions. The department offers three concentrations leading to the Master of Science degree:

Community Counseling
This program prepares persons for careers as professional counselors in public and private community counseling settings (e.g., community mental health centers, social service agencies, correctional institutions, rehabilitation settings). Successful completion of the program leads to eligibility for counselor licensure in many states.

School Counseling (Elementary, Middle/Junior High, Secondary)
This program prepares effective school counselors for work in K-12 settings, and emphasizes developmental guidance, individual and group work, and consultation. Successful completion of the program leads to recommendation for licensure as a school counselor in Minnesota, Wisconsin, and other states.
Professional Development (A Non-Counseling Degree)

This program provides practicing professionals with a non-counseling graduate degree. The program emphasizes personal and professional growth and development through a curriculum designed to enhance understanding of self and others while promoting more effective work in students' respective fields. Upon completion of the degree, graduates may apply for admission into counseling programs offered by the department.

Admission Requirements

The department's three stage developmental admissions process (described in more detail in Counselor Education's Student Guide) has been established to ensure the identification and retention of uniquely qualified students. All student applications for admission must follow this sequence:

1. Application and admission to Graduate Study. An undergraduate GPA of 2.75 is the basic standard for admission to Graduate Study for Counselor Education applicants.

2. Completion of departmental admissions application, including a personal statement and three (3) recommendation forms.

3. Notification of department office manager (507/457-5335) of intent to enroll in CE 601 Foundations of Counseling. All prospective 601 students must attend a 3-hour screening session on a Friday morning in the semester prior to the semester when they wish to take the course, and the top qualified candidates will be approved to take the course. All persons admitted to the course will be assigned a predmission advisor. Screening dates are available through the department offices.

4. A maximum of twelve (12) credits may be taken before being accepted into Counselor Education programs (6 of which must include CE 601, Foundations of Counseling, and CE 605, Theories of Personality). These two courses will provide an opportunity for the applicant to become acquainted with the program and the field of counseling and must be taken before departmental admission is considered.

5. Departmental applications for admission will be processed three (3) times a year. To be considered for admission, applicants must have fulfilled the above requirements prior to the admission date (see #7 below). Admission folders must be completed before an application can be processed. When admitted to a degree program, each student will be assigned an advisor and notified in writing of the department's decision.

6. All persons admitted will be accepted into the Professional Development program (a non-counseling program). A decision whether to admit a student into a counseling program will be made by the Counselor Education faculty based on all subsequent CE course work up to and including CE 660, Counseling Procedures.

7. Admission deadline dates are Midterm Day fall, spring and summer sessions.

8. All students must complete Candidacy forms with their advisor, to be filed with the Office of Graduate Studies, before the completion of twenty-four (24) graduate credits OR after the completion of CE 660, Counseling Procedures (CE 685, Microskills, for Professional Development students).

9. Admission to candidacy is not complete until Candidacy forms are signed by the student's advisor, the department chairperson, and the Director of Graduate Studies. Students will be required to meet the program requirements, as stated in the university's Graduate Catalog that is in effect when candidacy is approved. Any subsequent departmental program changes also may affect a student's program.

Graduation Requirements

1. In addition to successfully completing all required courses, candidates must complete a final written comprehensive examination.

2. Students must complete a capstone writing project as part of the Master's Portfolio course. Information about this and other program requirements is available in the department's Student Guide.

3. Students may elect to complete a Master's thesis, an extensive project requiring the use of scientific methods and procedures. The thesis must be approved by the candidate's advisor and an oral examination committee.

Chemical Dependency Course Offerings

Students interested in chemical dependency issues and practice may avail themselves of the several courses noted below and described in more detail in the Course Descriptions section of this catalog. Courses with an asterisk (*) address subject matter required for certification as chemical dependency practitioners in Minnesota and Wisconsin, and courses without the asterisk are additional related courses:

532 Stress Management
591 Crisis Intervention
*592 Chemical Dependency: Assessment
*593 Chemical Dependency: Special Populations
*596 Chemical Dependency: Causes & Symptoms
*597 Chemical Dependency Counseling

Note: These courses alone do not automatically lead to certification as a chemical dependency practitioner. For further information on this issue, contact the Counselor Education Department.

Course Descriptions

532/432 Stress Management - 2 S.H.
This course will provide an introduction to important concepts, issues, skills, and interventions related to the identification and management of personal stress. P/NC or letter grade.

534 Human Relations - 3 S.H.
This course will focus on basic human relations and communication skills as related to interpersonal interactions in a culturally diverse society. Students will examine racism, sexism, ageism, attitudes toward persons with disabilities and a variety of other current issues. Ethics related to diversity will also be discussed. Grade only.

536/436 Sexual Issues for Helping Professionals - 2 S.H.
This course is designed to prepare counselors and other helping professionals to deal with human sexuality as it relates to a broad spectrum of human relationships common in helping situations. The course facilitates increased awareness of one's own attitudes, feelings and judgments surrounding all areas of sexuality as well as introduces a basic body of knowledge and skills for treating sexual concerns of the client. P/NC or letter grade.

591/491 Crisis Intervention - 3 S.H.
All therapists or helpers at one time or another will be called upon to deal with crisis. The purpose of this course is to provide students and helping professionals with a foundation for understanding crisis and with effective models for working with crisis. Both knowledge and skill training will be addressed. P/NC or letter grade.

592/492 Chemical Dependency: Assessment - .5-2 S.H.
This course looks at the assessment tools necessary 1) to identify the pre-chemically dependent person so that preventative steps may be taken, and 2) to detect the chemically dependent person at the earliest possible point so that intervention and treatment can occur when they are likely to be most effective. P/NC or letter grade.

593/493 Chemical Dependency: Special Populations - .5-2 S.H.
This course addresses special populations within chemical dependency counseling (e.g. women, adolescents, the aging). Focus is on the unique counseling issues for special populations. P/NC or letter grade.

594/494 Multicultural Issues for Helping Professionals - .5-2 S.H.
This course is designed to aid professionals in exploring and working through such concepts as oppression, cultural assimilation and cultural pluralism. The emphasis is on American minorities from a cross-cultural perspective. P/NC or letter grade.

595/495 Workshop: Counseling Specialties - .5-2 S.H. The topics of these workshops will vary. Announcements of the topics and any special enrollment issues will be made in advance of the workshop offering. P/NC or letter grade.

596/496 Chemical Dependency: Causes & Symptoms - 2 S.H.
This course focuses on research and related information regarding the biological, environmental, social and psychological causes and symptoms of chemical dependency. P/NC or letter grade.

597/497 Chemical Dependency Counseling - 2 S.H.
This course is designed for people who want to develop skills for counseling people with alcohol and drug-related concerns. Focus will be on learning the intervening processes to be used with the drug-dependent person. Consideration will also be given to working with the affected family members. Grade only.

598/498 Death, Dying & Surviving - 2 S.H.
This course is designed to help persons broaden their perspectives on death and loss as it affects all people. The focus is both personal in surveying one's own attitudes about death and professional in helping others through the grieving process. P/NC or letter grade.

600 Independent Research in Counseling - .5-3 S.H.
This course provides an opportunity for qualified students to work independently. Topics may include research, development of special projects, field experiences, selected readings, etc. P/NC or letter grade.

601 Foundations of Counseling - 3 S.H.
This course introduces students to the profession of counseling. Through scholarly research and writing, students will examine the role and function of Counselors in a variety of settings. Current trends and issues in the field of counseling will also be addressed. Throughout the course, major emphasis will be placed on the learning and practice of basic helping skills in a supervised setting. Grade only.

605 Theories of Personality - 3 S.H.
This course explores the development of personality as it relates to counseling clients. The major theoretical approaches discussed in this course include Psychoanalytic, Behavioristic, Cognitive-Behavioral, and Humanistic. Feminist theories also will be included. Grade only.

They may follow the program with or without a thesis. Candidates with a composite undergraduate G.P.A. of 2.75 or above must follow the admissions application procedure for the graduate school. If the candidate does not meet the 2.75 G.P.A. requirement, the candidate must re-apply for admission through submission of a professional portfolio. Re-applications for admission will be reviewed by the graduate committee of the education department.

For admission to the Master’s in Education degree program, including alternate admission:
1. Candidates with a composite undergraduate G.P.A. of 2.75 or better will be admitted without being required to take the Graduate Record Exam. Students applying for the Graduate Induction Program must meet the minimum 2.75 G.P.A. requirement.
2. If the composite G.P.A. is less than 2.75, the candidate must earn a combined GRE score of 1350 or better (verbal, quantitative, and analytical) in order to be admitted.
3. If a candidate does not meet the 2.75 G.P.A. required by the department or the minimum 1350 score on the GRE and intends to apply to a graduate program in the education department, the candidate may enroll as a special graduate student. After completion of 8 semester credits, the student must re-apply for admission through submission of a professional portfolio. Re-applications for admission will be reviewed by the graduate committee of the education department.

NOTE: Students who have completed a baccalaureate degree in a field of education and do not intend to apply credits toward a graduate degree in education at WSU may register for an unlimited number of credits as a graduate special student.

Degree Program with Thesis or Research Option
1. Admittance:
   a. Application for admission to graduate study in the Office of Graduate Studies at least one month prior to registration. The application must be submitted by the candidate in the Office of Graduate Studies. After the application for admission to graduate study has been approved, the student is eligible to enroll in course work. See calendar and schedule. Registration packets for GRE, if needed, are available in the Office of Graduate Studies.
   b. Application for admission to Education Department Master’s program. An advisor will be appointed by the department in accordance with departmental policy. The advisor will review all transcripts and determine whether any deficiencies exist.
   c. Application for admission to candidacy for the Master’s degree after the completion of six credits and before completion of eighteen credits. Forms are available in the Office of Graduate Studies. Deficiencies, if any, must be removed before the student is admitted to candidacy for the Master’s degree program.
   2. Course Work: Complete all course work required for the degree (32 credits minimum). All course work must be approved by the advisor and the Office of Graduate Studies.
   3. Graduate Writing Thesis Option: Complete a research based thesis approved by the advisor which demonstrates ability to use scientific methods and procedures. The thesis constitutes 4 credits of graduate work. (Two credits are counted in lieu of ED 518 and two are counted as program electives.) An oral examination of the thesis is required.
   4. Comprehensive Examination: Write a final examination compiled by the advisor based upon the candidate’s core course work.
   5. Academic Average: Maintain a 3.0 average. A course will not be counted for graduate credit if the earned grade is below C.
   6. Timeline to be followed:
      a. Applications: File in the order listed.
      1. Graduate study application, including official transcripts - Office of Graduate Studies
      2. Education Department Master’s Program application - Education Office
      3. WSU Master’s Candidacy Program - Office of Graduate Studies
      4. Registration for Research Project 699 (Thesis Option) one semester in advance of graduation.
      5. Oral Examination of Thesis Option at least two weeks in advance of graduation.
      6. Notification of Intent to take the Comprehensive Exam form must be received by the Office of Graduate Studies by mid-term day of the semester preceding the semester the exam will be taken (see academic calendar for deadlines).
      8. Participation in commencement exercises in accordance with current policy (caps, gowns and hoods can be obtained in the university bookstore).

The 16-18 elective credits enable admitted graduate students, in consultation with their graduate advisors, to meet their individual professional staff development needs and those of the schools where they are employed. The 16-18 credits of electives for secondary candidates will include a minimum of 6 credits of graduate course work related to the content of their current licensure (graduate induction program exempt).

Winona State University
Master of Science Graduate Induction Model
(In collaboration with ISD 535)
Winona State University and Independent School District 535 are joint participants in a Graduate Induction Program for grades K-6 in the Rochester (Minnesota) Public Schools. The program is designed to assist inexperienced teachers with challenges unique to entry into the field of education. Resident teachers receiving a fellowship complete a Master of Science in Education through a sequence of course work and field components. Open annually to selected, inexperienced, licensed elementary teachers.
Required Courses (32 S.H.)

583 Multicultural Children, Youth & Families (2)
600 Improvement of Instruction & Curriculum Planning (3)

Master of Science
Learning Community Model (32 S.H.)
The WSU/High Success Consortium Learning Community for a Master of Science in Education consists of a cohort of 45-65 inservice educators who meet one weekend per month for 2 years (4 semesters). Their learning is assisted by University and Practitioner Facilitators and is focused on constructivist learning within a community of practitioners, propositions from the National Board of Professional Teaching Standards, and action research.

Required Courses (14-16 S.H.)

600 Improvement of Instruction & Curriculum Planning (3)
618 Field Experience in Classroom Procedures (2-4)
623 Foundations of Education (3)
640 Current Educational Issues (3)
675 Action Research: Assessment of Classroom Learning (3)

Prescribed Courses (9-11 S.H.)

Admission to the WSU Learning Community Delivery Model M.S.Ed. program is the same as that of any graduate studies program at Winona State University. During the first three years, the community of learner’s facilitators, in conjunction with the Winona State University Office of Graduate Studies, will provide assistance as you move through this process.

690 Developing Culture for Learning (3)
691 Constructivist Learning Theory (3)
692 Creating Inclusive Learning Environment (2)
696 Trends & Issues in Teaching in the Content Areas (1-3)

Additional Electives (5-9 S.H.)

Additional Graduate Credits: the 5-9 elective credits enable admitted Learning Community graduate students, in consultation with the Learning Community Facilitators, to meet their individual professional development needs and those of the schools where they are employed. The elective credits may be from WSU or transfer credits and are not subject to Learning Community fees. WSU electives taken during enrollment in the Learning Community can be drawn from existing course offerings in the content areas or designed in consultation/collaboration with experts in the field. Electives in the Master of Science in Education Learning Community Model do not constitute specialization or endorsement in a given content area.

Winona State University
Teaching Licensures
Graduate students in the Master of Science in Education program who hold a current Minnesota teaching license may apply elective credits toward fulfilling requirements for the following endorsements or certifications:

Elementary Licensed Teachers:
Prekindergarten Licensure
Kindergarten Endorsement
Early Childhood Family Education-Parent Educator Licensure
Early Childhood Family Education-Family Educator Licensure
Middle School Licensure

Secondary Licensed Teachers:
Middle School Licensure

Graduate students should consult with a graduate advisor in the WSU Education Department to determine specific licensure requirements.

Degrees Offered:
Master of Science in Educational Leadership (M.S.)
Concentrations:
Elementary School Leadership
Secondary School Leadership
General School Leadership

Educational Specialist in Educational Leadership (Ed.S.)
Concentrations:
K-12 Leadership
General School Leadership (Superintendency)

The M.S. degree provides a course of study that can lead to licensure as a principal or assistant principal in most states. Students with particular goals not associated with elementary and secondary school administrative licensure may wish to choose the M.S. General School Leadership program of study. The M.S. General is specially designed for individuals not interested in licensure as a K-12 principal or superintendent. Students who choose this option can also prepare for leadership careers as an administrator in technical or community colleges or non-profit organizations. An individualized program of study can be tailored to meet the general requirements of leadership.

The Educational Specialist degree (or equivalent) provides a course of study that can lead to initial licensure in Minnesota as a principal, assistant principal, or superintendent. This degree also meets licensure requirements in virtually every other state in the nation.

For Minnesota licensure, the following requirements must be met. The student must:
a. Have accumulated three years of teaching experience at the elementary or secondary level while holding licenses valid for the position or positions in which the experience was gained.
b. Complete an approved program of study.
c. Complete 300 clock hours of field experience as an administrative aide to an appropriately licensed educational administrator.

The field experience will be satisfied by 6 semester hours of practicum/internship completed within a calendar year. The field experience may be waived for persons who have gained licensure in one administrative area and who have had 3 years of experience under that administrative license.

The Department of Educational Leadership also has programs of study approved by the Wisconsin DPI and Iowa Education Department that lead to licensure as principal or district superintendent. Educational requirements for licensure in various other states for several administrative positions may be satisfied by certain programs. Contact the department for specific state licensure requirements.

Admission to Department of Educational Leadership
Applicants wishing to be accepted as graduate students in the Department of Educational Leadership must first make application through the Office of Graduate Studies. The Department of Educational Leadership Graduate Admissions Committee is responsible for making the final decision on admittance. The committee may require a personal interview and/or a qualifying examination. Prospective graduate students must meet the following requirements to be considered for admission to graduate studies:

a. For the Master's degree: A G.P.A. of 2.50 on a 4.00 scale for all Bachelor's degree work. If the G.P.A. is less than 2.50, a minimum score of 900 on the verbal and quantitative portions of the Graduate Record Examination (GRE) is required.
b. For the Specialist degree: A G.P.A. of 3.25 on a 4-point scale for all Master's degree work. If the G.P.A. is less than 3.25, a minimum score of 900 on the verbal and quantitative portions of the Graduate Record Examination (GRE) is required. Although the Master's degree is recommended, some individuals may wish to enter the Specialist degree program with only a Bachelor's degree. For those individuals, an undergraduate G.P.A. of 3.25 and a score of 900 on the G.R.E. are required.
c. Written statement: First-time applicants to the educational leadership professional development program must submit a two (2) to five (5) page typewritten statement explaining:
   (1) your vision of the purpose for education in American Society.
   (2) your qualifications and aptitude for educational leadership.

Master of Science Degree (M.S.)
Educational Leadership 33 S.H.
The Master of Science degree in Educational Leadership satisfies entry level administrative certification in most states. Under Minnesota requirements, a Specialist degree or equivalent is required for full administrative licensure. The Master of Science degree is also designed for educators in K-12 schools who wish to develop competency in non-licensure roles such as department chair, curriculum committee chair, lead teacher, special project leader, administrative assistant, or administrator in other educational settings. A candidate must earn a minimum of thirty-three (33) graduate semester credits approved by his/her advisor.

Field Experience
(M.S. level only and for states other than Minnesota)
- 680 Practicum in Educational Leadership (3) or
- 681 Internship in Educational Leadership (3)
(Prerequisite: 501)
The internship or practicum is a capstone experience. A practicum is served in the capacity of an administrative aide. A student employed as a full or part-time educational leader may serve an internship. As a guideline for registering for an internship or practicum, a minimum of 75% of program credits should be completed. Students planning to register for an internship or practicum should secure an information packet from the Department of Educational Leadership office.

Writing Requirements
Without Thesis:
Candidates must write one comprehensive research paper to show proficiency in research and writing at the graduate level in the area of school leadership. The topic and proposal for this paper must be approved by the faculty advisor. Guides for form and style may be secured from the Department of Educational Leadership.

With Thesis:
Candidate must complete a thesis for six (6) credits demonstrating their ability to use research methods and procedures in the solution of an independent study project in the area of school leadership. The six (6) credits will be applied to elective course.

Examinations
Each candidate must pass a comprehensive examination on course work. If the thesis option is chosen, the candidate will also be required to pass an oral examination on the thesis paper.

Educational Specialist Degree (Ed.S.)
Educational Leadership
Minimum of 30 S.H. beyond the M.S.
The Educational Specialist degree in Educational Leadership is designed for individuals who wish to achieve proficiency beyond the Master's degree level in elementary or secondary leadership, or the superintendent. Completion of the degree meets entry requirements for full licensure as an administrator in Minnesota and most other states. This program is also for individuals who wish to pursue a degree higher than the Master’s degree for greater competency in non-licensure roles such as department chair, curriculum committee chair, lead teacher, special project leader, administrative assistant, or positions related to policy studies and research in public agencies. Candidates must earn a minimum of 63 graduate semester credits beyond the Bachelor’s degree. If individuals hold a Master’s degree, a minimum of 30 semester credits must be completed beyond the M.S. To receive the Educational Specialist degree. A minimum G.P.A. of 3.0 is required to receive the degree. Only grades earned at Winona State University will be counted in determining the grade point average.

Writing Requirements (4 S.H.)
- 789 Writing Seminar: Specialist Degree Field Study (2)
- 799 Specialist Degree Thesis/Field Study (2)
(Prerequisite: 608)
The writing seminar prepares the student for the task of writing the field study. The field study is an independent research project. A guide for completing the field study is available in the educational leadership office.
Candidates will submit three copies of an approved field study to the Office of Graduate Studies.
Field Experiences (Ed.S. Level)

780 Practicum in Educational Leadership (9) or 781 Internship in Educational Leadership (9)
(Pequisite: 601 and 704. Concurrent enrollment in 704 acceptable.)

The internship or practicum is a capstone experience. For individuals seeking K–12 administrative licensure, the practicum is served in the capacity of an administrative aide. A student employed as a full or part-time educational leader may serve an internship. As a guideline for registering for an internship or practicum, a minimum of 75% of program credits should be completed. For individuals seeking careers in other settings, a practicum can be arranged specific to career aspirations. Students planning to register for an internship or practicum should secure an information packet from the department. The Practicum/Internship Agreement should be negotiated with a cooperating administrator and returned to the practicum/internship coordinator before or during the first week of each semester.

Examinations

The candidate is required to pass a comprehensive examination. An oral examination is required covering the candidate's field study.

The department prepares professionals to serve as consultants and teachers who provide curriculum and instruction to meet the special needs of students. Procedures include both classroom and clinical work with an emphasis on applied behavior analysis and systematic instruction.

Teachers completing a licensure program or degree are able to serve students in a variety of educational settings, including serving students with disabilities as regular classroom teachers. Persons completing the master’s degree are able to serve as consultants, coordinators, and lead teachers for special education programs.

Programs Available:

There are three ways a graduate student may complete programs at WSU in the Special Education department.
(1) As a Masters degree candidate with an LD and/or MMMH licensure concentration.
(2) As a Graduate Special Student (Licensure only candidate) for licensure LD and/or MMMH (The Masters degree is not available with this program).
(3) As a Post-Baccalaureate Undergraduate candidate for licensure in LD and/or MMMH. (This program is for graduates of four year institutions who wish to continue their training as undergraduate students and obtain licensure in LD and MMMH. This is not a graduate program. See undergraduate catalog.)

All three programs require formal admittance to the SPED department and require consultation with, and the signature of, a SPED advisor as part of the application process.

Students planning to complete the licensure sequence of any of the above programs in one calendar year must have a completed application on file by April 30 and must plan to attend summer school of that year.

Other Programs Available

Secondary Teacher-Coordinator of Work Experience Programs for the Handicapped - A licensure sequence offered through the WSU Administrative Information Systems Department (AIS)

Department and supervised independent study through Bemidji State or Mankato State Universities for license issued directly by the Minnesota Board of Teaching.

Adapted Physical Education - A licensure sequence offered by the PER Department; for details refer to PER program descriptions in the undergraduate catalog.

Emotional Behavioral Disorders - A licensure sequence offered in cooperation with the University of Minnesota. See below for procedures.

Admission

Apply for admission to graduate study at WSU through the Graduate Office one semester in advance of enrollment and two sets of transcripts; a second, separate application is made directly to the Department of Special Education for admission to a program. An Admission Packet that contains forms and information is available at the department office.

Advising is necessary at the earliest possible time in order to assure the most effective and economical schedule of coursework. Advising may also reveal the need to enroll in prerequisite courses. Summer entrance to the program is generally advised with admission file completion due at the beginning of second semester.

The Application for Admission File must be completed at least one full semester prior to being admitted to any program. The student has responsibility for completing the file so that the department can make a timely decision on the applicant's admission status. Students with degrees in fields other than education and without a teaching license must contact the department for special requirements and a special admission process (See STUDENT HANDBOOK).

The student is responsible for reading the catalog and HANDBOOK, for knowing WSU regulations and policies, and for notifying the Office of Graduate Studies at least one month in advance of intended registration at WSU.

Master's Degree Programs

The Department offers two graduate programs leading to the M.S. degree in Education with concentrations in Mild to Moderate Mentally Handicapped and/or in Learning Disabilities.

Admission File Requirements - Master's Degree

1. Application Form for a particular program
2. Evidence of Minnesota Teaching License (See department if licensed in another state; if unlicensed, see Classroom Teacher License Exemption requirements).
3. Transcripts of all undergraduate and graduate course work documenting an accredited degree and GPA of 3.0 during the last half of undergraduate degree. Alternatives to the undergraduate GPA requirements are: Graduate Record
Examination (GRE) scores 1350 or above OR accredited master's degree with a minimum of 3.0 graduate GPA.
4. Three Departmental Recommendation Forms from references who can support the student's potential for successful graduate work and advanced professional educational performance. Forms are available in the Special Education Office.

Note: The Department reserves the right to limit enrollment due to space in the program. Early application may enhance a qualified student's opportunity for acceptance. Meeting established minimum criteria does not assure admission. The application file must be complete by the beginning of one full semester prior to enrollment in the program.

Procedures:
1. Submit "Application for Admission to Graduate Study" to the Winona State University Office of Graduate Studies. (No more than fifteen (15) credits earned before being officially admitted to graduate study may be applied to any program.) Request that two transcripts of all college work be sent to the Office of Graduate Studies.
2. Submit "Special Education Application for Admission to Graduate Study" to the Special Education Department. Applicants not holding a current, valid Minnesota teaching license must meet with a special education advisor to determine options.
3. Submit an "Application for Admission to Candidacy for the Master's Degree" prepared in cooperation with the assigned advisor after completion of six credits and before completion of 18 credits. Candidacy forms are available from the Office of Graduate Studies. Proposed changes in the program after admission to candidacy will require filing a Supplement to Candidacy form.

Licensure Admission
Licensure requirements for graduate students may be completed at the undergraduate or graduate levels (see the undergraduate catalog for undergraduate program requirements). Students are strongly advised to complete post-baccalaureate licensure requirements at the graduate level. Undergraduate grade point averages required for admission are minimums of 2.75 for undergraduate licensure and 3.00 for graduate licensure. The programs are described more fully in the STUDENT HANDBOOK available from the department.

Admission File Requirements-Licensure Programs
1. Application Form for a particular licensure program.
2. Evidence of Minnesota Teaching License (see department if licensed in another state; if unlicensed see the department regarding the Classroom Teaching Licensure Exemption requirements).
3. Transcripts of all previous undergraduate course work documenting an accredited bachelor's degree (See GPA above). 
4. Three letters of professional recommendation.
5. Applications for Field Experience and Internship.

Registration for Field Experiences:
All students are required to complete field experience applications as far in advance as possible, generally at the time of application for department admission. The candidate's deadline for priority placement in the next year is December of the current year. Applications are available in the Department of Special Education office (Gildemeister 221).

Registration for Field Experience A (SPED 631) and Internship (SPED 655) must be completed at pre-registration in the semester prior to enrollment.

or
Graduate Research and Writing Requirement

A data-based graduate research and writing project is required of all master's degree candidates. This project is planned and carried out in close cooperation with the student's graduate advisor after completion of course work in research design and statistical analysis.

Candidates must be enrolled for credit in SPED 698 or 699 during the semester of graduation, and a preregistration consultation with the advisor is required at least one month prior to registration. Final approval for completion of the project must take place at least one calendar month before graduation. Three copies of the thesis or research paper are required to be presented to the library for binding after approval by the committee or advisor.

A. Thesis Option (SPED 699). This option is recommended for students intending to seek degrees beyond the M.S. level. A three member committee is formed, including the student's advisor and one member of another department. A formal written project proposal must be approved by the committee before the project is begun. Following completion of the project, the student should meet with the committee for a public oral examination of the written work. Students completing the thesis option are exempted from the 600-level elective requirement.

B. Professional Paper Option (SPED 698). A second reader, in addition to the student's advisor, and a public presentation of the project are required.

Graduate Written Examination Requirement

Consult the calendar in the Graduate Catalog or the Course Schedule for dates and application deadlines. After consultation with the advisor, essay examination questions are solicited from professors in courses chosen in cooperation with the candidate's advisor, at least one month prior to the date of the examination. (Refer to Master of Science Requirements section.)

NOTE: The student is responsible for knowing all information and regulations in the information sections of this catalog, and especially the Academic Information section, including "Degree Requirements: Master of Science." Knowledge of deadlines is the responsibility of the candidate.

Course Descriptions

500/400 Education of Exceptional Children and Youth - 3 S.H.
An overview of information to assist human service professionals in understanding the educational, vocational and other transitional needs of individuals in preschool through post-school who are speech impaired, learning disabled, emotionally disturbed, behaviorally disordered, deaf, blind, mentally disabled, physically disabled, health impaired or gifted. Grade only.

505/405 Student Management Systems - 3 S.H.
A study of management systems used in modern preschool through high school education settings with emphasis upon preventive, proactive techniques. The course has an additional video laboratory component of four hours per week wherein students are given guided practice in the use of each technique learned. Both regulated and unregulated management systems for regular education and special education students are taught. Enrollees may choose to obtain certification from the National Crisis Prevention Institute as a result of course completion. Offered twice yearly. Grade only.

510/410 Introduction to Assessment/Methods - 3 S.H.
An introduction to the basic components of Special Education assessment, curriculum, instruction, and IEP development. Standardized and informal assessment procedures and their relationship to direct instruction are emphasized. Prerequisites: SP ED 500, 505, ED 334 or MATH 110, ED 328 and ED 306. Concurrent enrollment in SP ED 631. Grade only.
520/420 Special Education Administrative Procedures - 3 S.H.
An overview of special education delivery models including finances, legislation, philosophic considerations, least restrictive approaches, parent involvement and due process safeguards. Local, state and federal rules and regulations are studied as are federal legislation including: IDEA, ADA and Section 504.
Prerequisite: SP ED 500. Offered twice yearly. Grade only.

525/425 Inclusion in Regular Classrooms - 3 S.H.
Procedures for modification of the regular classroom curriculum and instruction to meet the individual needs of students with disabilities. Special emphasis is on professional collaboration with regular educators. Prerequisites: SP ED 500 and 511 or ED 302.
Offered yearly. Grade only.

530/430 Characteristics of Students with Mild Disabilities - 3 S.H.
This course is designed to provide the student with an understanding of the characteristics of students who are mentally retarded, learning disabled, or emotionally/behaviorally disturbed. Implications for planning instruction and issues related to field of Special Education are identified. Prerequisites: SP ED 500, 505, & 520.
Offered yearly. Grade only.

540/440 Assessment/Methods for Students with Mental Retardation - 3 S.H.
Knowledge and skills for professional entry-level assessment and program development/adaptation for students with mild to moderate mental impairment including transition and paraprofessional supervision. Prerequisite: Prac. A. Grade only.

545/445 Assessment/Methods for Students with Learning Disabilities - 3 S.H.
Advanced skills and understanding of academic, processing and behavioral assessments, curriculum and instruction for planning the least restrictive educational programs for students with learning disabilities. Prerequisite: Prac. A. Offered twice yearly. Grade only.

631 Field Experience A - 3 S.H.
Practical application and guided practice in effective teaching procedures for students with disabilities. Involves placement in a special education classroom or inclusive setting daily for three to four hours. Prerequisites: Admission to the Special Education program; SP ED 500 & 505, ED 105 & 301; concurrent enrollment in SP ED 510; advance application, departmental permission to enroll.

655 Internship LD/MMMH - 15 S.H.
Demonstration of competencies by the student teacher in professional entry-level knowledge and skills in assessment and program development/adaptation for students with disabilities in day long, supervised school settings. Student teaching experience is full-time for a full semester. P/NC.

660 Collaborative Consultation - 3 S.H.
Overview of consultation methods utilized by special education and other professionals with teachers, related service personnel, parents and students including the education, legal and ethical factors involved in case management. Specific focus on and development of collaborative consultation skills. Grade only.

661 Research Design - 2 S.H.
Overview of research methods in special education including: Research design and applications, basic statistical procedures for the analysis of data in multiple and single subject design. Offered alternate years. Grade only.

662 Research Seminar - 2 S.H.
A seminar in which student research and selected examples of research reported in the literature are critically evaluated. Students will have an opportunity to design data-based research projects and submit them for peer/faculty critical review.
Prerequisite: SP ED 661. Offered alternate years with SP ED 661.

690 Independent Study - 1-3 S.H.
The independent pursuit of a topic in research, project development or selected readings, in consultation with the instructor. Offered on a semester basis. Application during preceding semester required. May be repeated for credit. Advisor approval required.

695 Workshop - 1-3 S.H.
Subject matter arranged by the department on special topics. The course may be repeated when offered with different subject matter and title. Offered according to demand.

698 Professional Paper - 2 S.H.
The course is a capstone research project for the master's degree serving as a culminating experience that integrates the knowledge and skills of the graduate program in a way that produces new information or organizes and presents existing information in a new way. The student must work closely with the advisor from the earliest stages of exploring the possibility for a topic and receive periodic feedback as the various phases of the project are encountered and addressed. A formal proposal is to be submitted for the project and a second graduate faculty member is to serve as a reader during the project.

699 Master's Thesis - 4 S.H.
A scientific research project showing evidence of the candidate's ability to plan a study, prepare a research proposal, review literature, gather information, and prepare a formal, written report of findings followed by an oral report to the thesis committee. Offered as needed on an individual basis only. Prerequisites: Advisor approval, application during preceding quarter.
College of Liberal Arts

Departments
Art
Communication Studies
English
Foreign Languages
History and Paralegal
Mass Communication
Music
Philosophy
Political Science
Psychology
Sociology and Social Work
Theatre and Dance

Facilities
The majority of the liberal arts faculty offices and facilities are located in Minne' Hall or in the Performing Arts Center. The Art Department is located in Watkins Hall and the Foreign Languages Department is in Sornsen Hall. The Mass Communication and Psychology Departments are in Phelps Hall.

Degrees Offered
Master of Arts in English
Master of Science in English

Mission
The mission of the College of Liberal Arts is to offer degree programs in the arts, humanities and social sciences, as well as specialized professional and occupational areas. The college also seeks to provide a comprehensive base of liberal studies as the foundation of all degrees.

These two facets of the mission translate into two major responsibilities of the faculty: 1) To provide a broad array of quality programs in the liberal arts and related professional fields; 2) To provide the majority of the general education curriculum to all WSU students.

The specific missions for the College of Liberal Arts are as follows:
I. To develop a depth of knowledge in a primary discipline.
II. To develop breadth through knowledge and appreciation of the arts, humanities, and social sciences beyond one's primary discipline.
III. To provide an intellectual, social, and cultural atmosphere for the development of self-education and lifelong learning.
IV. To make individuals aware of the rights and responsibilities they have to themselves and to society.
V. To prepare individuals to meet the career challenges of a rapidly changing society.
VI. To contribute to the development of basic and applied knowledge in the fields of the liberal arts.

Career Opportunities
The opportunities for career education within the College of Liberal Arts are many and varied. Important in career planning is the fact that a liberal arts education provides the student with career skills that are useful in many jobs such as business, law, and medicine. These skills have general applicability and they will provide considerable vocational choice and career flexibility.

Faculty
Over sixty percent of the liberal arts faculty have terminal degrees in their fields from prominent universities. Many are widely known for their scholarly and creative efforts as well as for their excellence as teachers.

Course Descriptions
502/402 The Psychology of Art and Art Education - 3 S.H.
Exploration of topics related to human behavior and the production and appreciation of visual art forms. The prospective art teachers' understanding of the subject of art and effective instruction for K-12 learners are further concerns. Theories of perception, learning and the creative processes are examined as they pertain to: visual thinking, aesthetic perception and judgement, artistic motivations, art concept learning, formal and semantic organization, artistic styles, cognitive development, instructional strategies, art teacher-learner dynamics, learning environment, evaluation of learning, and mediumization process in studio art. Prerequisite: 109 recommended, 300 and junior standing. Offered alternate years. Grade only.

512/412 Multi-media Crafts for the Classroom - 3 S.H.
An intensive and extensive art education laboratory experience affording the prospective art teacher opportunities to become familiar with advanced art studio processes that produce crafts outcomes across several media, including contemporary and experimental media. The scope of learning content extends beyond the basic crafts processes introduced in Art 300. Applicable for Minnesota Licensure in Art. Prerequisites: Art 300. Offered alternate years. Grade only.

600 Current Trends in Art Education - 2 S.H.
Review of current trends in art programs, examination and study of state, city, and county art guides adopted in the past five years. New developments in art education, review of current periodical articles concerned with experimental programs. Arranged offering. Grade only.

603 Implementing Visual Arts Learning in the Elementary Classroom - 2 S.H.
Objectives, strategies for increasing perceptual awareness in art production/appreciation. Prerequisite: 300. Arranged offering. Grade only.

650 Special Problems in Art - 2 S.H.
Independent study in the solution of a problem related to the individual student's field of special interest. Problems course may be repeated up to a total of six credit hours. Arranged offering. Grade only.

Course Descriptions

501/401 Political Communication - 3 S.H.
History and analysis of great American speeches. Prerequisites:
CMST 261, CMST 282 and CMST 283 or instructor's permission
for non-majors. Offered alternate years.

599/499 Independent Studies in Communication Studies
- 1-6 S.H.
Offers advanced students an opportunity to study independently
in an area of special interest to them. May be repeated for a total
of 6 semester hours. Prerequisite: instructor's permission. Offered
on demand. Grade only.

Master of Arts

English

30 S.H.

Requirements for Admission to the English
Department Program:

1. An undergraduate major in English equivalent to that required
by Winona State University.
2. A "B" average (or 3.00 average, figured on a basis of 4.00 for
"A") in undergraduate English courses.
3. An advisor chosen from the departmental graduate faculty (the
department chair will advise new graduate students until they
select a thesis advisor).
4. Formal petition to the English Graduate Committee:
   • At some time after completing their sixth hour of gradu­
tuate English credit, but before completing their twelfth
   hour, students must write the English Department
   Graduate Studies Committee requesting admission to
   the Program. No more than 12 hours credit toward­
   the M.A. degree will be granted unless a student has been
   formally admitted to the Program.
   • Once students are admitted to the program, no credit
   hours in English will be accepted which are below "B."
   A grade below "B" will require that the student's record
   be reviewed by the Graduate Studies Committee.

Requirements for Graduation include:

1. Admission to Candidacy: Before completing 16 graduate
   semester credits, students should submit an "Application
   for Admission to Candidacy" form to the Office of Graduate
   Studies, listing the courses they have taken and plan to take
2. Thirty hours of graduate credit, at least twenty-four of which
   must be in English.
   • Students who have not taken an undergraduate course in
     criticism must take English 613: Teaching Literature:
     Theory and Practice.
   • Students who have not taken an undergraduate course in
     linguistics must take English 420 for undergraduate credit
     as early as possible.
   • The university requires that at least fifty percent of the
     credits counted towards the master's degree be in courses
     numbered 600 or above.
The thesis must be defended publicly.

3. A passing mark on the final comprehensive examination.

- Students must request permission in writing from the Department of English to take the final comprehensive examination and file the "Notification of Intent to Take Comprehensive Examination" form with the Graduate Office. When permission is granted, the date and venue will be established. Students should consult the academic calendar for deadline dates to notify the Office of Graduate Studies of intent to take the comprehensive examination.
- Students may choose to evaluate a group of student themes instead of analyzing a prose text. Those who choose this option must notify the Graduate Studies Committee when they request to take the comprehensive examination.

4. Presentation of a satisfactory thesis, which may be a critical or historical study or a body of creative writing. The student will select a thesis advisor, who will convene a committee of readers. The thesis must be defended publicly.

Master of Science
English
30 S.H.

Requirements for Admission to the Department Program:
1. An undergraduate major in English equivalent to that required by Winona State University.
2. A "B" average (or 3.00 average, figured on a basis of 4.00 for "A") in undergraduate English courses.
3. An advisor chosen from the departmental graduate faculty (the department chair will advise new graduate students until they select a thesis advisor).
4. Formal petition to the English Graduate Committee.
   - At some time after completing their sixth hour of graduate English credit, but before completing their twelfth hour, students must write the English Department Graduate Studies Committee requesting admission to the program. No credit for more than 12 hours toward the M.S. degree will be granted unless a student has been formally admitted to the program.
   - Once students are admitted to the program, no credit hours in English will be accepted which are below "B." A grade below "B" will require that the student's record be reviewed by the Graduate Studies Committee.

Requirements for Graduation include:
1. Admission to Candidacy: Before completing 16 graduate credits, students should submit an "Application for Admission to Candidacy" form, listing the courses which they have taken and plan to take, to the Office of Graduate Studies.
2. Thirty hours of graduate credit, of which six hours must be in professional education courses. In addition, up to six hours of electives may be in non-English areas.
   - Students who have not taken an undergraduate course in criticism must take English 613: "Teaching Literature: Theory and Practice."
   - Students who have not taken an undergraduate course in linguistics must take English 420 for undergraduate credit as early as possible.
   - The University requires that at least fifty percent of the credits counted towards the master's degree be in courses numbered 600 or above.

Course Descriptions

Courses listed as 500/400 level are open to both graduates and undergraduates, and include a bibliography component for graduate students. Graduate students are expected to demonstrate more sophisticated critical reading than undergraduates, to survey major critical literature, and to write a substantive paper. Writing courses require projects that are more intensive and/or analytic than those expected of undergraduates.

Courses listed only at the 500 level are open to graduate students and to undergraduates who are within one semester (12 credits) of graduation.

Only graduate students may register for courses at the 600 level.

- 505/405 Chaucer - 3 S.H.
  The Canterbury Tales. Offered yearly. Grade only.
- 506/406 Studies in Sixteenth Century Literature - 3 S.H.
  Non-dramatic literature of the Tudor period. Offered every two years. Grade only.
- 507/407 Studies in Seventeenth Century Literature - 3 S.H.

Explores the foundations of public health practices, including health organization/agency structures, and specific public health concerns of the target populations. The course will have a component similar to a practicum — working with a health-related organization throughout the semester — 2 hours per week minimum. Topics covered in this course could be environmental health, community crisis health and/or public service health. Prerequisites: HHP 204, HHP 288 and HHP 410. Recommended prerequisites: HHP 403 and STAT 110. Offered yearly. Grade only.

531/431 - Health Problems Workshop - 1-3 S.H.
Explores recent and relevant issues, trends and programming developments in health education/promotion. Designed for teachers, school nurses, school administrators, undergraduates and/or graduate students. Junior or Senior standing. May be repeated for credit. Offered upon demand.

602 Critical Issues in Health Education - 1-3 S.H.
Current controversial issues are discussed to develop understanding and insight for organizing and teaching health units. May be repeated for credit. Offered on demand.

604 Health Curriculum in Elementary and Secondary Schools - 3 S.H.
Development and organization of the school health curriculum from K-12. For health instructors, elementary teachers and school administrators. Grade only. Offered on demand.

605 Decision Making in Health Education - 3 S.H.
Concepts and operational procedure for a management by objectives approach in health education. Grade only. Offered on demand.

616 Laboratory Techniques in Human Performance - 3 S.H.
Advanced work in the areas of exercise physiology with particular emphasis on laboratory experience. Prerequisites: 340. Grade only. Offered on demand.

Degrees Offered
Master of Science

Major: Advanced Practice Nursing

Accreditation
The Master of Science Program in Nursing is accredited by the National League for Nursing.

Scholarships:
A list of scholarship opportunities and other student aid is available from the Program's Administrative Assistant at the University Center Rochester, EA 243.

Location
Classes for the master’s program are offered primarily on the Rochester campus with selected classes through ITV and other distance education technology.

Purpose
The Master of Science Program in Nursing at Winona State University educates nurses for advanced practice where change is constant. Students select a focus of nurse administrator, clinical nurse specialist, nurse educator, adult or family nurse practitioner. The program provides a strong clinical base in advanced nursing practice and is designed so each student will be able to:
1. Value caring as the basis of nursing in the human health experience.
2. Synthesize theories from nursing science and related disciplines to guide advanced nursing practice.
3. Demonstrate advanced level of clinical expertise in nursing care of clients.
4. Integrate the roles of the advanced practice nurse in various settings.
5. Use a process of scholarly inquiry in advanced practice nursing.
6. Analyze the effects of historical, cultural, economic, ethical, legal, and political influences on nursing and health care delivery.
7. Manage resources within a health care delivery system through collaboration with other health care providers, community, and clients.
8. Contribute to the continuing professional development of self and others.

Description of Program
The master’s program is grounded in the belief that all advanced practice nurses share a common core of knowledge. Through the foundational core courses, students further develop their ability to integrate theory, research, and practice. Courses within the selected focus of nurse administrator, clinical nurse specialist, nurse educator, adult nurse practitioner, or family nurse practitioner, provide specialized knowledge and practice opportunities in each advanced nursing role. The domains of advanced practice nursing include client health status management; the nurse/client relationship; teaching/coaching; professional roles; managing and negotiating health care delivery systems; and monitoring and ensuring quality of health care practice.

Focus: Nurse Administrator
Students who elect the nurse administrator focus will be prepared for administrative positions in a health care setting. In addition to the core courses, content focuses on elements of a nursing care system; the responsibilities of the nurse administrator in research, education, and clinical practice; human resource management; fiscal accountability of the nursing administrator; the functions of the nursing administrator in the organization; and on issues and trends in nursing administration. Clinical practicums in advanced nursing for the nurse administrator focus on management of clients, nurses, and resources. An elective administration practicum offers students the opportunity to apply administrative principles under the guidance of a qualified preceptor.

Focus: Clinical Nurse Specialist
Students who elect the clinical nurse specialist focus will develop, test, and practice the role of the clinical case manager and clinical nurse specialist in an area of the student's choice. Extension of advanced nursing practice roles of expert clinician, leader/manager, teacher, consultant and researcher will be demonstrated within the framework of the clinical nurse specialist in adult health nursing.

Focus: Nurse Educator
Students who elect the nurse educator focus will be prepared to teach in an academic or health care setting. Courses and learning experiences focus on knowledge and skills related to the educational process in nursing. Students practice teaching under the guidance of preceptors in the academic or health care setting.

Focus: Adult Nurse Practitioner or Family Nurse Practitioner
Students who elect the Adult Nurse Practitioner or Family Nurse Practitioner focus will be prepared to perform an expanded role in the delivery of primary health care. In addition to the core courses, content includes comprehensive assessment of the health status of adults/families; management of common acute and chronic health problems; provision of counseling and teaching in areas of health promotion and disease prevention; and collaboration with other health professionals. Clinical practicums under the supervision of qualified nurse practitioner and physician preceptors will focus on primary health care in a variety of settings with emphasis on rural and underserved communities. Family Nurse Practitioner students have additional theory and clinical content related to the care of children. Applicants with a master’s degree in nursing can complete the post master’s NP focus in one year.

Clinical Experiences
Faculty and graduate students select preceptors in settings and clinical practice areas of nursing to meet students' individual needs. Students commonly precept in hospitals and clinics affiliated with the Mayo Medical Center in Rochester, North Iowa Mercy Health Center in Mason City, Gundersen/Lutheran and Franciscan Skemp Health Care in LaCrosse, and other hospitals, clinics, county public health agencies, senior citizen centers, schools of nursing, and health care agencies from a three-state area.

Admission Requirements*
1. Baccalaureate degree in nursing from an NLN accredited program;
2. Course in physical assessment;
3. Undergraduate courses in nursing research and statistics strongly recommended;
4. Computer literacy with knowledge of word processing, spreadsheet, and data base programs (N525 meets this requirement);
5. Transcript(s) of past education with GPA of 3.0 or greater on a 4.0 scale;
6. Graduate Record Exam within the last five years for foreign students or students with a GPA of less than 3.0;
7. Minimum of one year clinical nursing experience;
8. Current RN license;
9. Three professional and/or academic references;
10. Statement of personal and professional goals;
11. Satisfactory scores on the TOEFL-test for international, or non-English speaking students.

Students requesting admission to the Adult Nurse Practitioner or Family Nurse Practitioner Focus must meet additional criteria that include:
1. Two years experience with adult/family clients;
2. Personal interview;
3. Preferential priority for students that:
   a. Commit to practice as primary health care providers in rural
      and/or underserved areas;
   b. Applicants of ethnic/cultural minorities.

*Policies are available for individual consideration of students
who may have unique education and experience, but may not
meet some of the university or program admission criteria.

Course Descriptions
N502/402 Clinical Pharmacology - 3 S.H.
This course includes principles of pharmacokinetics and pharma­
codynamics as a foundation for the use of medications in the clinical
management of diseases. Major classes of drugs will be dis­
cussed in terms of actions; therapeutic and other effects; adverse,
alergic and idiosyncratic reactions; indications and contraindi­
cations. The importance of sound diagnostic reasoning in the selec­
tion of pharmaceutical interventions with attention to safety,
cost, simplicity, acceptability and efficacy will be stressed. The
responsibilities related to prescribing medications will be empha­
sized. Pre-requisite: Admission to the graduate program in nurs­
ing or consent of instructor. Grade only.
N504/404 Advanced Pathophysiology - 3 S.H.
Advanced physiology and pathophysiology at the cellular, organ­
ic and systemic level, will be explored as a basis for clinical
assessment and management by the advanced practice nurses.
Integration of function among organ systems will be emphasized.
The effect of psychosocial variables on physiologic function will be
explored. Grade only.
N506/406 Psychosocial Interventions in Family Care - 2 S.H.
This course explores the role of the advanced practice nurse in
addressing the psychosocial needs of the client and family. Focus
will be on the development of counseling skills for advanced psy­
chosocial assessment and on providing culturally sensitive guid­
ance in caring for the client and family during health, crisis, and
acute and chronic illness. Grade only. Pre-requisite: Admission to
the graduate program in nursing or consent of instructor.
N508/408 Advanced Role Seminar - 2 S.H.
This course will provide a forum for the explorations of advanced
practice role behaviors including collaboration and leadership.
Selected theories and frameworks relevant to the various roles
will be evaluated. Ethics and diversity issues in nursing and
health care will be discussed. Grade only. Pre-requisite: Admission to the graduate program in nursing or consent of instructor.

N510/410 Theoretical Foundations and Research for Advanced Nursing Practice - 4 S.H.
The goal of this course is to provide students with the opportunity to critically analyze existing nursing theories and articulate a personal philosophy of nursing. Students will do an in depth analysis of a concept. The student will analyze methods and techniques of research and interpret their usefulness for application in clinical practice. Theory and practice will be used to define nursing problems and develop a research proposal. Grade only. Admission to graduate program in nursing or consent of instructor. Co- or pre-requisite: STAT 501.

N514/414 Health Care Policy and Finance - 3 S.H.
This course provides a base for nurse leaders and advanced practice nurses to enter and effectively shape health care policy in the workplace, organizations, community, and government at the state and federal level. Students will develop an understanding of health care financing in the delivery of health care. Grade only. Pre-requisite: Admission to the graduate program in nursing or consent of instructor.

Stat 601 Statistical Methods for Health Care Professionals - 3 S.H.
Application and interpretation of statistical techniques in the health professions. Grade only. Pre-requisite: Stat 208 or equivalent or consent of instructor.

N621 Advanced Health Promotion - 3 S.H.
Concepts related to health promotion and maintenance are analyzed from theoretical and research based perspectives. Using principles of epidemiology, advanced practice nurses identify risk factors for specific populations and examine variables that influence wellness. Interventions for promotion of optimal health are designed with particular consideration for age and cultural differences. A community based practicum allows the student to explore possibilities for enacting the advanced practice role outside traditional biomedical settings and within the context of families and communities. (2 cr seminar; 1 cr clinical). Grade only. Pre-requisite: N510.

N623 Advanced Health Assessment: Clinical - 3 S.H.
This clinical course builds on prerequisite knowledge of systematic and holistic health assessment of children and adults. Additional assessment tools for the advanced practice nurse are provided. Emphasis on diagnostic reasoning and research based strategies for assessing health of individuals within the context of family and community. Special emphasis on age, gender, and cultural variations. Grade only. Pre-requisite: Undergraduate physical assessment course and/or N517 or equivalent; N504, N510, N621 or consent of instructor.

N624 Advanced Nursing Care of the Ill Client: Seminar - 2 S.H.
This course is an in depth study of selected topics related to the care and improved health status of acutely ill and chronically ill clients. An analysis and synthesis of the literature with an emphasis on theory and research will be included. Grade only. Must register for N625 at the same time. Co- or pre-requisite: N623.

N625 Advanced Nursing Care of the Ill Client: Clinical - 2 S.H.
This course offers an opportunity to implement the advanced practice role in care of the acutely and chronically ill client. Emphasis will be placed on the integration of theory and research into clinical practice. Focus will be on roles of clinician, advocate, educator, researcher. Pass/No Credit. Co-requisite: N624.

N630 Primary Health Care Management I: Common Presenting Concerns Seminar- 2-4 S.H.
Focus is on the assessment and management of common presenting symptoms in primary health care population presented within the context of individuals, family, and community perspectives. Age, gender and cultural differences are emphasized in the process of diagnostic reasoning. Research based interventions are utilized incorporating concepts and strategies related to health promotion and disease prevention. Issues related to the structure of advanced practice nursing in a primary care setting are explored. FNP students register for 2 extra credits for pediatric assessment and management of common presenting concerns. Pre-requisite: N504, N621. Pre-requisite: N623.

N631 Primary Health Care Management I: Common Presenting Concerns - Clinical - 2 S.H.
This course provides the opportunity to apply the knowledge and develop skills in management of common presenting concerns under the guidance of a clinical preceptor. Weekly seminars will focus on assessment, management and decision-making as applicable to course content. Pass/No credit. Co-requisite: N630.

N632 Primary Health Care Management II: Reproductive Health Seminar - 3 S.H.
This course addresses the assessment and management of obstetric, gynecological, breast and male genitourinary problems in primary health care. Related concerns include sexual health, infertility and HIV. Research based interventions based on age, gender and cultural variations will be explored. Health education and counseling interventions will be evaluated from a family and community perspective. The role of the advanced practice nurse will focus on issues related to the coordination of care in a multidisciplinary practice as well as collaboration with community based resources/consultants. Grade only. Pre or Co-requisite: N630.

N633 Primary Health Care Management II: Reproductive Health Clinical - 2 S.H.
This course provides the opportunity to apply the knowledge and develop skills in management of reproductive health under the guidance of a clinical preceptor. Weekly seminars will focus on assessment, management and decision-making as applicable to course content. Pass/No Credit. Pre- or Co-requisite: N632.

N634 Primary Health Care Management III: Complex Health Problems Seminar - 1-3 S.H.
The assessment and management of complex and chronic health problems is presented within the context of individuals, family, and community perspectives. Management of emergencies is also included. Research based interventions are integrated into a case management approach with specific considerations for variation in age, gender, and cultural differences. Emphasis placed on a comprehensive approach to the management of pain and functional disabilities. The role of the advanced practice nurse in subacute, transitional, and long term care settings is explored. Principles of negotiating for clinical contracts and construction of a resume and job description are part of this course. ANP students register for 2 cr, FNP students register for 3 credits for pediatric assessment and management of complex presenting problems. Grade only. Pre-requisite: N630.

N635 Primary Health Care Management III: Complex Health Problems Clinical - 2 S.H.
This course provides the opportunity to apply the knowledge and develop skills in management of complex presenting health problems and emergencies under the guidance of a clinical preceptor. Weekly seminars will focus on assessment, management and decision-making as applicable to course content. Pass/No Credit. Pre- or Co-requisite: N634.

N637 Primary Health Care Management of Families Internship - 3 S. H.
A clinical preceptorship course for family nurse practitioner students that provides an opportunity to enhance knowledge and develop skills related to primary care of children and adults. Grade only. Pre or Co-requisite: N634.

N650 Nursing Information Management & Decision Making Technology - 2 S.H.
This course provides a basis for the use of computerized records and data for delivering nursing care. Content includes areas such as nursing informatics, electronic patient records, taxonomies for diagnosis, interventions, & outcomes, and decision support technology. Grade only. Pre-requisite: N510, N585 or equivalent computer literacy, or consent of instructor.

N652 Resource Management in Nursing Services - 3 S.H.
This course will focus on the application of fiscal management principles, budgeting conventions, and human resource allocation methods as they are applied in the provision of nursing care within health care organizations. Grade only. Pre-requisite: N510.

N654 Structure and Design of Nursing Services in Health Care Organizations - 2 S.H.
The application of principles from other nursing administration courses in the design and structure of a nursing service delivery methods. The course focuses on designing a nursing service from
mission and objectives through workload and staffing budgets to evaluation strategies. Grade only. Pre-requisite: N510.

N656 Administrative Processes in Health Care and Nursing Services - 3 S.H.
This course provides knowledge of health care organization design and behavior. Focus is on nursing care systems as they relate to the organization, and labor relations and personnel principles as they apply to the provision of nursing services. Grade only. Pre-requisite: Admission to the graduate program or consent of instructor.

N655 Nursing Administration Practicum - 2-3 S.H.
A variable credit elective practicum for students to gain experience in management and administration with experienced nurse managers. Credit requirement (2-3) dependent on student’s previous experience in nursing administration. Grade only. Pre-requisites: Two of N652, N654, N656.

N660 Clinical Nurse Specialist/Clinical Case Manager Seminar - 3 S.H.
This course is designed to introduce students to the roles of clinical nurse specialist and clinical case manager. Practicing models will be explored. Assessment and measurement of patient outcomes, cost containment, cost effectiveness and peer evaluation will be emphasized. Emphasis will be placed on the use of a theoretical and research basis for effecting change to improve patient outcomes. Grade only. Pre-requisites: N624 or consent of instructor.

N661 Clinical Nurse Specialist/Clinical Case Manager Clinical - 3 S.H.
This course is designed for students to practice the clinical nurse specialist and clinical case manager roles with a preceptor in student’s chosen clinical focus. Students do an in depth study of and apply advanced practice nursing interventions. Pass/No Credit. Co- or pre-requisite: N660.

N670 Nursing Education: Curricular Processes - 2 S.H.
This course is designed to introduce students to the components of the curricular process. Emphasis is on the interrelationship of philosophy, organizing framework, terminal objectives, design and evaluation of curricular programs in nursing and allied health programs. Grade only. Pre-requisites: N510 or consent of instructor.

N671 Nursing Education: Instruction and Evaluation - 4 S.H.
Role and responsibilities of nurse educators with emphasis on application of teaching strategies and evaluation techniques in classroom and clinical instruction for both nursing students and graduate nurses. Course is made up of two credits of seminar and two credits of clinical practice. In addition to class, student is responsible for 120 hours of practicum experience including instruction and evaluation. The purpose of the practicum is to provide the student teacher with a guided experience in the process of teaching. The practicum is expected to focus on assessing learners; planning, developing, and implementing instruction; and the evaluation of learner achievement. Grade only. Pre-requisites: N510, N624, N670 or consent of instructor.

N688 Professional Study I - 2 S.H.
This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty supervised investigation/project. This may include such projects as clinical investigations, case studies, evaluation projects, outcome studies on interventions or changes in interventions, or programmatic applied research. The intent of Professional Study I is to do the preliminary work to implement the project and may include planning, approval, and implementation phases of the project. Grade only. Pre-requisite: STAT 301, N510.

N689 Professional Study II - 1 S.H.
This course is an extension of Professional Study I. The intent is to complete the investigation/project, prepare the scholarly written report, and make an oral presentation of the project. Grade only. Pre-requisite: Permission of project advisor.

N690 Continuing Thesis/Professional Study - 1 S.H.
Continuing enrollment for thesis or professional study when not registered for N698, N699, N688, or N689. This course is to be used for registration while actively working with thesis or professional study advisor when not enrolled in the above courses. May be repeated. Credits do not count for graduation. Pass/No credit. Permission of project advisor.

N698 Thesis I - 2 S.H.
This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty supervised thesis. Investigation of a nursing research question using the research process and subsequent presentation of the research to the thesis committee is required for graduation. This course is taken during the proposal refinement and approval process phases of the research process. Grade only. Pre-requisite: STAT 301, N512. Pre-requisite: Permission of thesis advisor.

N699 Thesis II - 2 S.H.
This course is an extension of the base knowledge acquired in the core courses of statistics and research in nursing that prepares students to undertake a faculty supervised thesis and involves completion of the nursing research process and presentation of the research to the thesis committee. Usually taken after Thesis I, but may be taken concurrently. Grade only. Pre-requisite: Permission of thesis advisor.

Electives

N516/416 Feminist Perspectives in Nursing - 2 S.H.
This seminar explores the relationship of the feminist movement, feminist theory, and gender issues in nursing history and practice. Faculty and students will explore a feminist process for integrating feminist values into the classroom. Graduate students will be required to write a paper to meet course requirements. Nursing major or consent of instructor.

N517/417 Health Assessment Techniques - 1 S.H.
A guided study review of the basic components of physical assessment and an opportunity for performance evaluation at completion of course. Content relative to obtaining a complete health history and performing a physical examination, with appropriate documentation of each. Designed for advanced practice nursing students to ensure readiness for N623 Advanced Health Assessment. Pass/No Credit. Pre-requisites: Consent of the Instructor.

N518/418 Informatics for the Advanced Practice Nurse - 2 S.H.
This laboratory course is designed to explore the implications of nursing informatics in nursing education, research and practice. Use of telecommunications, electronic resources, and health care technology in patient care and management of information are considered and applied. Course meets admission requirement for computer literacy. Grade only.

N595/495 Seminar/Workshop in Nursing - 1 - 3 S.H.
This course provides in depth study of selected topics. Content arranged by Nursing Department and specified for each offering. May be repeated when offered with different content/title. Pass/No credit.

N610 Nutrition for Advanced Practice Nurses - 2 S.H.
This guided self-study provides an overview of nutrition theory and application for the advanced practice nurse. Content includes principles of nutritional health maintenance and health promotion. Designed for students who desire additional knowledge of nutrition. Grade only. Pre-requisites: Consent of the Instructor.

N611 Advanced Practice Nursing Clinical - 1-3 S.H.
This focused clinical experience provides opportunities to apply theoretical knowledge and clinical skills in the practice setting. Students will develop analytical and management skills related to advanced practice nursing. Emphasis will be on providing planned interventions of nursing care, health education, disease prevention, or risk reduction to a pre-selected patient population. Pass/No Credit. Pre-requisites: Consent of the Instructor.

N685 Individual Study in Nursing - 1-3 S.H.
This course provides an opportunity for the qualified graduate student in nursing to work independently under the direction of a graduate faculty member. Topics may include research, development of special skills or clinical experience, selected readings, or review of a nursing problem. May be repeated for a total of 6 (six) credit hours. Contract with learning objectives, plan for accomplishments, and criteria for evaluation is necessary. Offered each semester. Pre-requisites: Enrolled in nursing graduate program and consent of instructor.

David J. Rislove, Professor, Chemistry; B.A., Winona State University; Ph.D., North Dakota State University; 1968-
Bruce A. Svingen, Professor, Chemistry; B.A., St. Olaf College; Ph.D., Michigan State University; 1987-

Course Descriptions

525/425 Animal Behavior - 3 S.H.
A study of how and why animals behave in the ways they do. Special attention is given to the observation and description of behavior and to the ensuing questions of immediate causation, development, evolution and function of behavior. Lecture and demonstration. Prerequisites: 308, 310, 312. Offered alternate years.

545/445 Immunology - 3 S.H.

560/460 General Parasitology - 3 S.H.

570/470 Histology - 4 S.H.
A microscopic study of animal cells, tissues, and organs and correlating structure and function. Emphasis is placed on the mammal. Laboratory includes microtechniques and histochemistry and the analysis of electronmicrographs. Lecture and laboratory. Prerequisites: 308, 310, and Chem. 212, 213. Offered yearly.

Course Descriptions

510/410 Polymer Chemistry - 2 S.H.
Chemistry of synthetic polymerization process and of monomers employed for addition and condensation polymers. Principal industrial applications of thermoplastic and thermosetting resins. Structure-property relationships of natural and synthetic polymers. Prerequisites: 340 or 351and 412 or Engineering 345 - Thermodynamics I. Offered each semester.

520/420 Topics in Industrial Chemistry - 2 S.H.
Applications of chemistry in industry. The chemistry and technology of selected industrial processes with emphasis on industrial organic chemistry. Prerequisites: 340 or 350. Offered every two years. 
526/426 Analytical Chemistry II - 4 S.H.

527/427 Topics in Instrumental Chemistry - 1-2 S.H.
Selected topics from the principles and application of the instrumental methods of: IR, UV-vis and AA spectroscopy; NMR and mass spectrometry; gas and liquid chromatography. Prerequisites: organic and analytical chemistry and instructor's permission. Offered every two years.

538/438 Medicinal Chemistry - 2 S.H.
An introductory course describing selected topics in the chemistry of synthetic and naturally-occurring organic medicinals. Chemical structure and its relationship to biological activity. Lecture and problem-solving discussions. Prerequisites: 340 or 350. Offered every two or three years.

547/447 Advanced Organic Chemistry - 2 S.H.
A study of organic reaction mechanisms. The correlated acidity, basicity and general reactivity of organic compounds. Application of chemical kinetics, thermodynamics, stereochemical concepts and the use of isoptes. Lecture course. Prerequisites: 351 and 412. Offered every two or three years.

565/465 History of Chemistry - 1 S.H.
A chemistry course emphasizing the fascinating interplay of ideas during the development of the chemical body of knowledge. Prerequisite: one semester of organic chemistry. Offered every three years.

570/470 Isotope, Nuclear and Radiochemistry - 2 S.H.
Introduction and basic treatment of the nucleus with emphasis on concepts in chemistry. Interactions of radiation with matter. Nuclear structure, stabilities and associated radioactive decay processes. Applications in nuclear reactors, particle accelerators, and medical therapies. Prerequisite: 412. Offered every two or three years.

575/475 Seminar in Chemistry - 1 S.H.
Group discussions and papers presented in the field of chemistry. Prerequisite: 20 semester hours of chemistry. Offered yearly.

**Computer Science**

103 Watkins, 457-5385

Chairperson: Sudharsan Iyengar
Graduate Faculty: Bunce, Cichanowski, Debnath, Gegg-Harrison, Iyengar, Lin, Ouellette, Stroebel

Gary Bunce, Professor, Mathematics & Statistics/Computer Science; B.S., North Dakota State University; M.A., Ph.D., University of New Mexico; 1971 -

Gerald W. Cichanowski, Professor, Computer Science; B.A., Winona State University; M.S., University of Minnesota; Ph.D., Michigan State University; 1983 -

Joyati Debnath, Professor, Mathematics/Statistics; B.Sc., M.Sc., Jadavpur University; M.S., Ph.D., Iowa State University of Science and Technology; 1989 -

Timothy Gegg-Harrison, Assistant Professor, Computer Science; B.A., University of Missouri, Columbia; M.S., Ohio State University; Ph.D., Duke University (NC); 1992 -

Sudharsan Iyengar, Associate Professor, Computer Science; B.E., Burdwan University; M.S., Ph.D., Louisiana State University and A & M College; 1989 -

Chi-Cheng Lin, Assistant Professor; B.S., National Chiao-Tung University; M.S., University of Minnesota-Duluth; Ph.D., University of Pittsburg; 1997 -

Hugh F. Ouellette, Professor, Mathematics & Statistics/Computer Science; B.S., Western Montana College; M.A., University of Illinois; M.A., Ball State University; Ed.D., University of Northern Colorado; 1972 -

Gary Stroebel, Professor, Computer Science; B.S., University of Minnesota; M.S., University of Minnesota; Ph.D., University of Minnesota; 1969 -

**Course Descriptions**

525/425 Numerical Analysis - 4 S.H.
Numerical solution of equations, numerical interpolation, differentiation, and integration, numerical linear algebra, and numerical solution of differential equations. Same as Math 420. Students may not receive credit for both CS 525/425 and Math 420. Prerequisites: (CS 231 or CS 232 or CS 234) and Math 329. Alternate years.

552/452 Computer Applications in Elementary Education - 3 S.H.
This course is specifically designed for pre-service and in-service elementary classroom teachers for the purpose of exploring selected areas of microcomputer applications in Elementary Education. The major goal of the course for each student will be the acquisition of a positive attitude in the use of the microcomputer as a teaching tools by developing confidence in using the microcomputer as a tool. To accomplish this goal, the student will have direct experiences with computer assisted instruction (CAI), computer managed instruction (CMI), information retrieval, programming languages, software evaluations, and elementary computer literacy curricula. Prerequisites: Educ. 300, 301, 302. Offered on demand.

580/480 Computer Workshop - 1-2 S.H.
The emphasis is on using microcomputers in education. Topics will be selected from multimedia, authoring languages, LOGO (including turtle graphics), computer assisted instruction (CAI), computer managed instruction (CMI), information retrieval, text editing, educational software/courseware packages, software evaluation, computer curriculums, classroom organization, and computer literacy. Prerequisite: Consent of instructor. Can be repeated for credit. Offered according to demand.

589/489 Special Topics - 1-4 S.H.
Experiences in computer science and computer science education for teachers of grades K-12. Prerequisite: Consent of instructor. Offered on demand.

600 Problems in Computer Science - 1-4 S.H.
This course is designed to allow post-baccalaureate students an opportunity to study computer science topics in depth under the supervision of a faculty member. Prerequisite: Consent of instructor. Offered on demand.

629 BASIC Programming on the Apple II with Applications - 3 S.H.
An in-service course for elementary and secondary teachers. An introduction to Apple SofBasic. In addition to the usual BASIC commands, this course will also cover high and low resolution graphics, color output, sound generation, and use of the game paddles. Course does not count for major or minor elective credit. Offered summer session according to demand.

645 Design and Application of Knowledge Based Systems - 3 S.H.
Presents the structure and components of knowledge based systems in general and of expert systems in particular. Topics covered include knowledge representation, expert system shells, and explanation facilities. Through a set of case studies, previously developed systems will be studied for practice and appreciation. In addition small prototype systems will be developed by students. May be taken on a P/NC basis with instructor's permission only. Prerequisite: 445 or equivalent. Offered on demand.

675 Object Oriented Approach to Software Engineering - 3 S.H.
Introduces the essential concepts of object oriented design and software design using an object-oriented language. Topics discussed will include class hierarchy, inheritance, reusability, abstract data types and intermediate communication. May be taken on a P/NC basis with instructors permission only. Prerequisites: 410 or equivalent. Offered on demand.

699 Special Topics in Computer Science - 1-3 S.H.
This course is intended to cover special topics in computer science at the graduate level. The course will cover a new and changing area of computer science. May be repeated for credit. Course outline, textbook, reference, and prerequisite will be dependent on the topic. Offered on demand.
Geosciences
114 Pasteur, 457-5260
Chairperson: Nancy Jannik
Graduate Faculty: Donovan, Jannik, Meyers

John F. Donovan, Professor, Geology; B.Sc., St. Francis Xavier University; M.S., University of Iowa; Ph.D., Cornell University; 1968 -
Nancy Jannik, Professor, Geology; B.S., College of William & Mary; M.S., Rutgers State University; Ph.D., New Mexico Institute of Mining & Technology; 1986 -
James Meyers, Professor, Geology; B.A., Ph.D., Indiana University; 1980 -

Course Descriptions
500/400 Directed Research - 1-3 S.H.
Independent study of a selected geologic field and/or laboratory problem with subsequent preparation of written report and oral seminar. May be repeated up to 6 credits. Prerequisite: Permission of Department Chairperson. Offered each semester.

505/405 Current Topics in Geosciences - 1-3 S.H.
An analysis of current topics and issues relevant to Geosciences. Subject matter and prerequisites will be announced in advance by the department. May be repeated as topics change. Offered on demand.

Mathematics and Statistics
320 Gildemeister Hall, 457-5370
Chairperson: Ken Suman

Jeffrey Anderson, Associate Professor, Mathematics/Statistics; B.A., University of Minnesota-Twin Cities; Ph.D., Iowa State University; 1992 -
Carmen Arteaga, Assistant Professor, Mathematics/Statistics; M.S., Colorado State University, Fort Collins; Ph.D., University of Iowa; 1992 -
Carol Blumberg, Professor, Mathematics and Statistics; A.B., University of Michigan; M.S., Ph.D., Michigan State University; 1987 -
Gary Bunce, Professor, Mathematics & Statistics/Computer Science; B.S., North Dakota State University; M.A., Ph.D., University of New Mexico; 1971 -
Joyati Debnath, Professor, Mathematics/Statistics; B.Sc., M.Sc., Jadavpur University; M.S., Ph.D., Iowa State University of Science and Technology; 1989 -
Richard Jarvinen, Professor, Mathematics/Statistics; B.A., St. John's University; M.A.T., Vanderbilt University; Ph.D., Syracuse University; 1989 -
Hugh F. Ouellette, Professor, Mathematics & Statistics/Computer Science; B.S., Western Montana College; M.A., University of Illinois; M.A., Ball State University; Ed.D., University of Northern Colorado; 1972 -
Felino G. Pascual, Assistant Professor, Mathematics/Statistics; B.A., Ateneo de Manila, Philippines; M.Sc., Ph.D., University of Minnesota-Twin Cities; 1992 -
Sally Sloan, Assistant Professor, Mathematics; B.A., University of Minnesota; M.A., University of Minnesota; Ph.D., University of Minnesota; 1993 -
Martyn N. Smith, Professor, Mathematics/Statistics; B.S., Montclair State College; M.Ph., Ph.D., Yale University; 1989 -
David K. Urion, Professor, Mathematics and Statistics; B.A., Culver-Stockton College; M.S., Miami University; Ph.D., University of Maryland; 1982 -
Arthur Van De Water, Jr, Professor, Mathematics and Statistics; A.B., Bowdoin College; M.S., Ph.D., University of South Carolina; 1967 -

Course Descriptions
PREREQUISITES: Prerequisites may be satisfied by equivalent coursework or by consent of instructor.

Mathematics
510/410 History of Mathematics - 3 S.H.
General view of the historical development of the elementary branches of mathematics. Prerequisite: 160 and 210. Fall.
520/420 Numerical Analysis - 4 S.H.
Numerical solution of equations, numerical interpolation, differentiation, and integration, numerical linear algebra, numerical solution of differential equations with analysis and use of algorithms and related software. Prerequisite: CS 231 or 234 and Math 260. Fall.
530/430 Operations Research I: Linear Programming - 3 S.H.
An introduction to linear programming, including the simplex method. Other topics chosen from among network flow analysis, nonlinear mathematical programming, queuing theory, simulation, integer programming, and Markov chains. Prerequisite: one calculus course. Recommended: one linear algebra course. Offered alternate years.
535/435 Operations Research: Modeling - 3 S.H.
This course emphasizes mathematical modeling: problem identification and model construction. Topics chosen from among network flow analysis, nonlinear mathematical programming, queuing theory, simulation, integer programming, and Markov chains. Prerequisite: one calculus course. Recommended: one course in probability and statistics, and more than one course in calculus. Offered alternate years.
580/480 Special Topics - 1-3 S.H.
Exposure to mathematical topics not included in other courses. Prerequisite: Determined by topics. Offered on demand.
600 Problems in Mathematics - 1-4 S.H.
Designed to allow post-baccalaureate students an opportunity to study mathematical topics in depth under the supervision of a faculty member. May be repeated to a total of 4 S.H. On demand.

Mathematics Education
589/489 Special Topics - 1-3 S.H.
Exposure to mathematics education topics not included in other courses. Prerequisite: Determined by topics.
600 Problems in Mathematics Education - 1-4 S.H.
Designed to allow post-baccalaureate students an opportunity to study mathematics education topics in depth under the supervision of a faculty member. May be repeated to a total of 4 S.H. On demand.

Statistics
540/440 Epidemiology - 3 S.H.
A general introduction to the concepts and methods of epidemiology as they are applied in a variety of disease situations. Topics include modeling the disease process in a population; retrospective, prospective and observational studies; rates, ratios and data interpretation; and evaluation of epidemiological information. Prerequisite: An introductory statistics course. Offered alternate years.
525/425 Statistical Computing - 3 S.H.
An introduction to the use of the computer as a powerful tool in data analysis. Topics will include statistical graphics, advanced regression techniques, curve fitting and smoothing, generalized additive models, CART, Multivariate techniques, cross-validation and the bootstrap. Additional topics that may be covered are random number generation, regression trees and Monte Carlo simulation methods. Prerequisite: Math 165 and Stat 360. Offered alternate years.
589/489 Special Topics - 1-3 S.H.
Exposure to statistical topics not included in other courses. Prerequisite: Determined by topics. Offered on demand.
600 Problems in Statistics - 1-4 S.H.
Designed to allow post-baccalaureate students an opportunity to
study statistical topics in depth under the supervision of a faculty member. May be repeated to a total of 4 S.H. On demand.

601 Statistical Methods for Health Care Research - 3 S.H.
Application and interpretation of statistical techniques in the health profession. Prerequisites: Stat 110 or equivalent and registration in a graduate nursing degree program. Offered yearly.

Physics
114 Pasteur Hall, 457-5260
Chairperson: Danning Bloom
Graduate Faculty: Battaglini, Bolon, Bloom, Hamerski, Otto, Shields, Tobin

Dennis Battaglini, Professor, Physics; B.S.Ed., California State University of Pennsylvania; M.A.T., Ph.D., Michigan State University; 1986 -
Danning Bloom, Professor, Physics; B.A., Illinois Wesleyan University; Ph.D., University of Colorado; 1976 -
George Bolon, Professor, Physics; B.S., M.S., Oregon State University; Ph.D., University of Utah; 1968 -
David E. Hamerski, Professor, Physics; B.S., St. Mary's College of Minnesota; M.S., University of Minnesota-Twin Cities; Ph.D., Washington University (Missouri); 1961 -
Frederick Otto, Associate Professor, Physics; B.A., B.S., Humboldt State University; Ph.D., University of California-Berkeley; 1990 -
Richard H. Shields, Professor, Physics; B.S., M.S., Eastern Illinois University; Ph.D., University of Missouri-Rolla; 1973 -
Gerald W. Tobin, Professor, Physics; B.S., M.S., University of Wisconsin-Stout; Ed.D., Utah State University; 1966 -

Course Descriptions
500/400 Seminars - 1-3 S.H.
This course consists of one or more seminars offered from time to time on a variety of topics in physics. Students may repeat the course under a different topic. Prerequisite: Consent of the instructor. Offered on demand.

504/404 Nuclear Radiation Physics - 4 S.H.
A first course in health physics, includes atomic and nuclear structure, radioactivity, interaction in radiation with matter, radiation dosimetry, health physics instrumentation, external and internal radiation protection. Lecture-laboratory course. Prerequisite: 202, 222 or consent of instructor. Offered every two years.

505/405 Mechanics II - 3 S.H.
A continuation of 350 including central force field, scattering and Lagrangian and Hamiltonian mechanics. Prerequisite: 350. Offered every two years.

520/420 Control Theory - 3 S.H.
An introduction to the design, analysis and behavior of mechanical and electronic systems including study of the input and output characteristics and interactions of the functional blocks which comprise the system. Prerequisites: P202 or 222, Math 330. Offered yearly.

525/425 The Physics of Semiconductors - 3 S.H.
A study of the physics of semiconductors, pn junctions and transistors; fabrication of semiconductor devices including integrated circuits; and the electrical characteristics and behavior of these devices. Prerequisite: 451. Offered every two years.

530/430 Electromagnetic Theory I - 3 S.H.
Electrostatics including Gauss's Law and Laplace's Equation, magnetostatics. Introduction to Maxwell's Equations. Prerequisites: 202 or 222 and Math 330. Offered every two years.

531/431 Electromagnetic Theory II - 3 S.H.
A continuation of 530/430 with applications of Maxwell's equations to waveguides, optics, and special relativity. Prerequisite: Physics 530/430. Offered every two years.

540/440 Mathematical Methods in Physics I - 3 S.H.

541/441 Mathematical Methods in Physics II - 3 S.H.

551/451 Quantum Mechanics - 3 S.H.
A continuation of 223. Interpretation of wave functions. Systems in one dimension. Hermitian operators and angular momentum. Electron spin. Systems in two or three dimensions. Prerequisite: 223. Offered every two years.

560/460 Advanced Laboratory I - 2 S.H.
A study of the experimental techniques used in modern physics. Experiments are from such fields as mechanics, optics, solid state physics and atomic and nuclear physics with special emphasis on the quantum character of matter. Prerequisite: 20 semester hours of Physics. Offered yearly.

561/461 Advanced Laboratory II - 2 S.H.
A continuation of Physics 560/460. Offered yearly.

590/490 Individual Problems in Physics - 1-4 S.H.
An opportunity for the qualified advanced undergraduate or graduate to work independently. Topics may include research, development of special skills, selected readings, etc. Time arranged. Prerequisite: Consent of the physics advisor. May be repeated to a total of four credits. Offered on demand as an arranged class.
Graduate Special Application

Please type or print clearly

Students who have completed a baccalaureate degree and who wish to enroll in further undergraduate courses, graduate courses, or a combination of both but do not intend to pursue a Master's degree may register as Graduate Special students. Courses numbered 600 and above are for graduate credit only. Selected courses at the 500 level are for either undergraduate or graduate credit.

Graduate special students planning to work toward teacher certification MUST contact the Office of Admission, Somsen Hall, Room 106, to apply as a post-baccalaureate student.

CERTIFICATION OF BACCALAUREATE DEGREE: All students except those working toward licensure must send the Certificate of Baccalaureate Degree to the Registrar of the college/university from which the baccalaureate degree was obtained. Official transcripts are not required.

APPLICATION FEE REQUIRED: A $20, non-refundable application fee is required the first time you apply for admission to Winona State University. Make check payable to Winona State University.

I understand that completion of this form DOES NOT ADMIT ME TO A DEGREE PROGRAM and that I must meet all admissions criteria upon application to pursue a degree at Winona State University. I understand that a maximum of TWELVE (12) semester credits earned as a Graduate Special student may be applied should I desire to enroll in a degree program. I assume full responsibility as a Graduate Special student for the application of courses toward graduation requirements if I am later admitted to a degree program.

Immunization Requirement

Minnesota law (M.S. 135A. 14) requires that all students born after 1956 and enrolled in a public or private post-secondary university, college or other school be immunized against diphtheria, tetanus, measles, mumps and rubella.

The law excepts students enrolled in only one class, students enrolled in extension classes only, students who obtain a medical exemption signed by a physician, and students for whom immunization is contrary to conscientiously held beliefs.

The law requires schools to be the agents of enforcement. Therefore we MUST receive from you the information requested on the “Immunization Record for Students Attending Post-Secondary Schools” form on the other side of this page. If you have not already provided this information in a form acceptable to Winona State University's Health Services office, you must complete it in order to remain enrolled.

Please read all of the information on the form, and complete it carefully.

When the form is complete, take it to the Health Services Office in the Maxwell Library building, or send it to the following address:

Health Services
Winona State University
P.O. Box 5838
Winona, MN 55987-5838

If your Personal Data Form (PDF) has “HEALTH SERVICES” printed in the registration holds section, in the upper right corner, you will not be allowed to register until your immunization hold has been cleared by the Health Services office.

If your Personal Data Form (PDF) has “HEALTH SERVICES” printed in the registration holds section, in the upper right corner, you must check the status of your immunization records in Health Services, before attempting to register.

If you would normally be in compliance with the law because you were born before 1957, either you must give us your birth date, or you must make arrangements with Health Services to have your record indicate that you are in compliance.
MINNESOTA LAW (M.S. 135A.14) requires that all students born after 1956 and enrolled in a public or private post-secondary school in Minnesota be immunized against diphtheria, tetanus, measles, mumps and rubella. This form is designed to provide the school with the information required by law and will be available for review by the MN Department of Health and the local community health board. Students transferring from another school must provide documentation from the other school verifying the required immunizations were submitted. Students graduating from a Minnesota High School in 1997 or later are not required to provide immunization documentation. Students graduating from a high school outside of Minnesota MUST provide immunization documentation.

Enter the month, day (if available), and year of the most recent "booster" for diphtheria and tetanus (must be within the past 10 years) and for all doses of vaccine for measles, mumps and rubella that were given on or after 12 months of age.
