OLD MAN JINX ROBS NORMALITIES OF LAST CONTEST OF SEASON

As expected past and the means of an old enemy both of which can thus be expressed, the old man's tricks were the only secrets that the Normal's wits and wits could not discover. With the final game of the season, the Normal's ball was held at the ball field and the Normal's team was defeated by the Ole Miss team.

Junior College Work Here Approved By Inspector

Following soon after the Minnesota conference of the teachers and principals, E. J. R. Shawyer, the inspector, visited the various classes in the Junior college work here approved by Inspector. He examined the course of study and the teaching methods, and was impressed by the work of the school, suggested some improvements, and expressed his confidence in the future of the school.

FEDERAL AGENCIES GIVE ATTENTION TO WORK IN HYGINE-PHYSICAL ED

The beginning and physical education at the school have recently been given special study by the various agencies of the government. Mr. Stopcock, employed by the Public Health Department, gave a detailed report on the work of the school. He pointed out that the school was in need of a more efficient program of physical education.

MINNESOTA TEACHERS HOLDING YEARLY MEET HERE FOR ONE WEEK

Between one hundred and fifty and two hundred grade school teachers have been attending the annual meeting of the Minnesota Teachers Association held at the Normal training school. The meeting is scheduled for four days from Monday, November 11, until Friday, November 15. Many teachers and school officials are present to discuss current educational issues and to share experiences with each other.

Business Directory

These are the concerns that "back" Normal school activities. Repay the debt by patronizing them.
