MEMORIAL DAY

Memorial Day is the same as implies, is, or ought to be, a day dedicated to patriotism, and consecrated to the memory of the men and women who died in the service of their nation.

This day was set apart by General John Logan of the G. A. R. in 1868 for the decoration of the graves of Civil War soldiers. After the World War, the observance of this day of remembrance was extended to include all who have died in military service of their country.

We are forgetting the memory of men who paid the supreme price for our freedom. Perhaps this forgetting is due to the spread of peace compacts and the movement to displace the glory of war by showing its cruelty and toil and pleasure to do homage to these dead are growing fewer. We need but a little encouragement to utilize the present day to honor those who have served.

ALUMNI NEWS

Two important meetings are to be held this week. The first is the annual meeting of the Winona Society in connection with the Alumni Reunion and dinner. The Winona Society was founded in 1916. Its initial purpose was to keep in touch with the alumni and to foster a spirit of cooperation and goodwill. Since its founding, the society has grown in membership and influence, and it is now an important part of the alumni network.

The second event is the annual meeting of the Winona Alumni Association. This meeting is attended by alumni from all classes and backgrounds. It is an opportunity for alumni to come together, share their experiences, and discuss the future of the College.

Together these two meetings provide an excellent opportunity for alumni to reconnect with old friends, and stay informed about the latest developments at Winona State Teachers College.
MANKATO WINS AT STATE TRACK MEET

T. C. Loses by 1 1/2 Points

With four teams scrapping down to the last event for glory and honor for first place in the fifth annual track and field meet for Junior and State Teachers Colleges, Mankato State Teachers College, February 10, 1931, it was a total of 46 1/2 points which led by Koster in the weights and Kienholz, hurdles star. The Mankato men took first places and a scattering of other placings.

Winona Teachers College placed second with 45 points; Eveline Junior College, 37; St. Cloud, 27; Duluth, 19; Virginia, 15; Duluth, 9; Itasca, 6.

Nicholas from Ely won the 100 yard dash in a time of 10.2 seconds and placed second in the 220-yard dashes and second in the broad jump. He was one of the two individuals scoring honors with 10 points. Nicholas tied the 220 yd. mark with 22.9 seconds.

Byrons of Minnesota which set a new record of 11.2 inches in the pole vault, with the assistance of Mankato, set the state record of a 1/2 yard, with a 14 foot 3 1/2 inch jump. The record was broken by John Koster, who tied the 220 yd. mark with 22.9 seconds.

Miss Talbot has been our umpire all year and at this time she gave some hints about what the umpires see and thinks during the process of a game. Her help and assistance and ready smile has kept the club always in trim.

Miss McKenney presented the letters to twenty-nine girls and nine boys.

Geeta at the banquet were: Mrs. and Mr. Wallace, Miss Richards, and Mr. and Mrs. Gallin.

PLAY DAY HELD BY ASSOCIATED RURAL SCHOOLS

The Associated rural schools met on the Teachers College Field this was the Play Day of track events. This meet was held in Little Ten Conference meets. It was under the supervision of Miss Christian, and her department of Rural Education and Miss McKenney and her department of Physical Education. After a social prelude of singing, the track events, consisting of the usual racing, shotputting, hurlding, and relay-racing, were run off.

To finish a cooperative play day in which everyone had an active part and part of the 100-yard dash, ice cream to the participants. The prices won in various events were later sent to the schools.

FINALS IN TENNIS TOURNAMENT DRAW NEAR

With Hydak entering the finals by defeating Johnson in one of the most bitter of sets, the tennis tournament awaits the outcome of the Mankato-Eveleth match. We haven't seen either player in action during the last two weeks but we would offer a slight advantage to Eger because of his all around ability. His larger assortment of strokes should result in a victory for him and also allow him to become a finalist winner.

The squad will attempt to pull a La Crosse invasion today but we believe it will suffer a defeat to their more experienced rivals. St. Mary's played La Crosse some time ago which resulted in a crushing defeat for St. Mary's. As T. C. and St. Mary's, in the state tennis tournament this season, we anxiously await the outcome of today's match.

TRACK MEDALS AWARDED TO T. C. MEN

Track medals are always given out in Little Ten Conference meets. We believe that you will be interested to know how many of these medals were won by Winona men. The medals which are awarded to those placing in events, take the name of the event and a small prize won in various events were later sent to the schools.

LETTERS AWARDED TO TRACK MEN

Now that the season is completed, the "varsity" track men were honored by letters for their labors in the way of athletics and awards. Letters are awarded to those men who are deserving of recognition are given track numerals. The letter carrier is to be awarded for the second consecutive year of service, a lettered sweater with two service stripes. If the candidate has received a sweater for another major sport in the same school year, a letter is awarded as a candidate may receive but one sweater during the school year. Those who have served three years, are awarded a special cost sweater which is the special award of a three year man. The candidates who have not yet met the requirements for a letter but who are deserving of recognition are given track numerals.

Harold Rogge and George Nihart will receive sweaters representing three years of service.

George Rogge and Arthur Tait, athletic manager, will receive sweaters representing two years of service.

Helen Norsby, Arthur Kern, and Virginia, will receive sweaters instead of a letter because they have served two to three years but all are good track men. The candidates who have already earned sweaters in other sports also receive their letters.

The track meet was run off under very ideal conditions, with the weather so perfect as to make it feel good; it is little wonder that they walked off with the track honors.

Our Distraction by A. Ziegenfuss

The depression will no doubt be hard on our graduating seniors.

(Coverage! The Picture is not An Actual Photograph)
WHIO'S WHO, WHAT'S WHAT AND WHO CARES

Following Art Tait's suggestion inquirers concerning his (Art's) eyeglasses, we offer the following.

Now, I've been told that love is blind,
Just why, I fail to see.
Since Tait's eyeglasses is so poor,
It's all just alike to me.

Now, Tait's a quiet sort of guy
To learning much inclined,
But failing for a college girl
Has just upset his mind.

He once did study all the time
His books were his delight.
I guess he studies still.
But now it's not at night.

He wets his night down by the lake.
It's not alone for sure.
He keeps the pond all wond'ring
What effect will his cure.

— Robert Keller and Harold Johnson

Walt Enger — "The horn on your car is broken."
Bob Griffith — "No, it's not; it's just indifferent."
Walt — "What do you mean?"
Bob — "Why, it just doesn't give a hoot."

Marx — "Isn't nature wonderful?"
Izzy — "Why?"
Marx — "She gives us all faces, but we can pick our own teeth."

Corwin Jones — "Is this town nice?"
Joe Bear — "Nice! Whenever a person comes in here, they arrest him for carrying concealed weapons."

Huggs — "Last night I lay in bed wide awake with my eyes closed and a grin on my face."
Ernie — "Oh, I see, practicing your coffin pose."

Dreggists — "Did you kill all the mice with the mothballs I sold you?"
Paul Nissen — "No, I set up all night and didn't hit one."

Hydke — "How many years does it take to go through this college?"
Harold Johnson — "Four years, of course."
Hydke — "Gee, this must be a big building."

Mr. Munson — "Did you water the rubber plant, Norky?"
Norky — "What? Water it? Isn't it water proof?"

- McE — "So you're Swiss, are you?"
Harold — "Yes, I am."
- What is your national anthem?"
Johnson — "Ain't that Sweetie?"

Ole Risty — "What are you standing in front of that mirror with your eyes closed for?"
Norty — "I want to see how I look when I'm asleep."

Moon Mullin — "Have you got the next dance?"
Shy young one (hopefully) — "No."
Moon Mullin — "Well, you had better get it — it's going to be a good one."

- Only one more week before the good old days.
