student of the month

Tall, dark Jack Pelowski with the short crew cut seen so frequently in the halls of T.C., is our student of the month for May. Jack was born in Winona 21 years ago. He attended Jefferson and Madison grade schools and Central Junior and Winona Senior High Schools before going to Winona State Teachers College in the fall of 1949.

Since that memorable time, Jack has entered actively into many extra-curricular activities. Among those are: Wesley Club, of which he has been president and vice-president, and FTA, of which he is currently vice-president. He also is a member of the Winonan, T.C.C., Science Club, and Kappa Delta Pi, honor society.

In addition, last fall Jack was elected to represent T.C. in the Associated Colleges of Universities for his "outside extra curricular activities", Jack lists stamp collecting and enjoying his major interest, history. He says, "I travel and people what makes them do as they do.

In a few weeks Jack will be graduating with majors in biology and social science. Jack says that his only regret in this regard is being all of his many friends at the college.

Although his plans for the future are of some what tentative nature, dependent on Uncle Sam, Jack assures that he intends to get the most out of life.

There’s a group of students here at T.C. who work just as hard and study just as much as the men, but are three-seeking students. Yes, you guessed it. They’re the students working toward their Associate in Education and Associate in Arts.

This being the last GALLERY which I shall have the pleasure to write, I think it would be one full of goodbyes, but now I feel that is impossible to full goodbye to all that I have known and held here; they have become too much a part of me. No, there can be no full goodbye.

But even so, if I were to choose a goodbye, it would be the truly perfect one which Brutus gave Cassius in JULIUS CAESAR, Act V, Scene III. Here is it told in the words of Brutus:

and whether we shall meet again I know not.

It was the second whitewash job of the year for the T.C. mound staff and left Kulig still unbeaten this season.

Fortsider Andy Swota came on in the second game of the double header and did a workman-like job, striking out 10 batters before giving way to Jerry Antoff in the sixth. The Warriors got only five hits, but bunched them to make a sweep of the two game set. Line scores:

Iowa State T.C. Falls by 4-3

George Whipple spaced seven hits over the route last week as the Warriors nipped Iowa State Teachers 4-3.

Gene Fehrman connected for three for four to lead the Peds at the plate, where they managed to hit safely eight times. The game was close and it took a great catch by Ev. Steckel in the ninth with the bases full of Panthers to save the game. The victory, coupled with a 6-5 win last year gives the Warriors a 3-1 edge in the four year old series.

Lucas Lodge Wins Title As I-M Season Closes

The Lucas Lodge Goof-Offs won the T.C. softball championship last Thursday with a 3-2 decision over Mankato. Four boys took the title in the game at St.-Clair's park.

Gordie Hanson's two run homer with two down in the last of the seventh, the winning punch for the Warriors.

Jim Belden hurled the win for Lucas and Benke and Boese contributed the other three. Kulig has run up 20 victories in his four year career and the Ped baseball and track teams have already made us proud of them. Win, lose or draw the rest of the way we are going to be able to say it has been a successful sports year for the Purple and White.
