The regular routine of classwork was resumed on January 4 following two weeks of vacation. Lucille Stephenson of Spring Valley and Nina Krookylid of Winona, who worked for five weeks during the vacation, returned to their normal work on January 4, the day after Miss Florence Richards visited her students in the hospital. For the first time since Christmas, the students enjoyed the freedom from studying. The Christmas vacation was generally enjoyed by both faculty and student members of the college.

President Maxwell presided and gave a fifteen minute program made up of the following songs: "Brother Adam," "Green Pastures," and "Grand Hotel" and also a short announcement of the program for January 12.

The Winona Normal School was founded in 1860, and Mrs. Howe did not receive her diploma until 1856. A short time later she went to Europe where her first teaching. Mrs. Watkins give the school an impetus at the beginning of its work and was greatly instrumental in attracting the students. E. L. Young started the school, and Miss Mallory spent her vacation there during the Easter vacation and gave a program of recitations. All those who were interested in the work of the school were invited to the meeting of the Associated College.

YOUTH IS FOR PEACE

It's worth while always to know what—if anything—youth is thinking. And this information has been collecting the opinions of college students on disarmament.

Here is a question peculiarly appropriate to refer to them. They are the ones who will be facing the World and learning to get along with it in the kindergarten when it ended. They can have no poignant memories of the war. They have a mind of their own. They can have a general reaction to life and events since the war. They have had a chance, as their older have not, to get a fresh and unbiased start on a new life. They may have no consciousness of a larger world than their parents knew.

And here is what they say about one of the most controversial questions of the day:

"It is likely to be put into practice by the succeeding generation, if not sooner. The United States has put this question to vote. Of the four-five states that voted, the majority voted for abolition of armament, provided all nations agree. Four-fifths oppose the abolition of armament in colleges and 38 per cent favor abolishing all military training in high schools. The United States has not voted on this question.

History shows that what the young students of any age are thinking is likely to be put into action by the succeeding generation, if not sooner.

The Winona Republican Herald.

 CLUB NEWS

The Twin City Club sponsored a bridge party for the benefit of the school during the holidays. Every type of bridge was played: contract, auction, and even "no trump". Artists were Mrs. H. W. Smith and Clifford James won first prize in each game. A very interesting informal talk was given to the club by Mr. Sylvester Brink. Through his book, "Enduring Youth", and formerly an active member of the Newman Club at the University of Wisconsin.

ABOUT THIS TIME—

1932 Football Schedule Includes Five Home Games, Three at Night

Naturally, the college games have been scheduled and packed away for the next few months, before the schedule is released, to secure capacity attendance during the coming football season.

And yet, the patrol of the sporting public is already tying its plans and looking forward to the familiar gridiron battles.

Winona State Teachers College has set its contracts and presents its 1932 football schedule as follows:

Six games have been signed to date with the possibility of another game being added as the fall approaches.

The students and local fans have already attended five out of the six on the list since only one game will be played on a foreign field this year.

The season opens on the night of September 26正当 the Ten Teachers. When Winona journeys to the down-to-earth city last Thanksgiving Day, it was Wheelock's last game of the year, and it was agreed that Winona should abandon the city.

A few weeks ago, the sports news was to play with West High that season.

The newly organized teachers college football team will play the premier next fall. The Purple will play for the title of game is set on some time during the 1932 season.

Two other non-conference games will be played.

The conference season closes against Mankato Oct. 22.

The Purple squad of 1932 promises a great deal of success. In the recent Armstrong day game with Rochester, Rochester College wore down Winona this year.

The Purple squad of 1932 promises a great deal of success.

Art Kern and Roy Stuhr will both be eligible for conference games next season if they return, they should be the nucleus of a good backfield team.

The possibility of a new rule which allows men to play four years of conference football.

Due to Kern it will be playing his fifth season. As a result of the list of letterman in which the college to participate.

To back these men up will be the brand of ball and failed to make a tilt away in the first quarter.

The high lights of the Wolverine game for Winona. Melvin Opem Peterson who showed up well in the Galaxy star, began a rally which earned some of the greatest games of the season.

A shot of the evening, a one handed shot by Norby furnished the sensational game for Winona. Melvin Opem Peterson who showed up well in the Galaxy star, began a rally which earned some of the greatest games of the season.

The W. A. A. basketball teams opened the current season with a 26-22 victory over the Rochester Junior College team at the "Queen City.

The game was hard fought and very exciting throughout, Winona merely demonstrating that they were a superior team by their successful passing and offensive defense.

Rochester has a much more powerful team this year than they presented last year.

The Rochester and Winona game was won by Rochester 26-22 in the first half.

The Rochester machine was a real exhibition of defensive play. The Purple was well down the floor trying to score, an Eau Claire forward took a long shot which just missed the basket and the game.

The game was featured by hard play and inability of either team to score consistently.

Eau Claire showed a large improvement over its earlier performances. The Purple fought as a hard driving unit but could not get the desired result.

Open and Edwards at forwards, and Kern and Ruth at guards played most of the game for Winona.

T. C. FROST DEFEATED BY WINONA HIGH SCHOOL

The Winona High School Redmen defeated the Purple Frost 26-9 in a non-conference game, the only close guarding and sensational shots from the out courts.

Both teams had leads up but settled back to a steady game. Berg and Leonard showed up well for the Purple while Fischer, Gaustad, and McPherson did the same for the Redmen.

The Ten Teachers reserves to work the ball under the basket and complete plays cost them their defeat. Whereas the High school reserves, playing typical Berg and Leonard style played a fine defensive and offensive game accounted for the Orange and Black victory.

Miss Ruth McLeod '29 is teaching at Austin in the Lincoln School.

Miss Ollie Velum '29 is a fourth grade teacher at Blue Earth.

Melvin Kaug '29 is principal of the Junior High School at Sauk Center, Iowa.

PERSONALS

Mr. and Mrs. Theodore Hrdlicka are the proud parents of a beautiful baby boy. We hope that he will be as nice as Teddy is and have in sweet a personality as Maximilian.

Eugene Swanson, Teachers College student was married to Miss Hope Davis, January 1.

James Kearney spent the last weekend of vacations in Red Wing, Minnesota.

Mr. and Mrs. Virgil Whyte celebrated their fourth wedding anniversary, Saturday, January 6.

Miss Ruth Beth Watts spent Saturday in Minneapolis where she saw the Duluth Players in “Far Off Bow” by Lawrence “As Hobnobs” by Rachel Croters.

Purple and White Defeat Eau Claire

GAMES WELL PLAYED—RESERVES USED

The Purple and White quintet won its first pre-season game from Eau Claire Teachers College at Eau Claire on December 19. The final score was 34 to 19, indicating the game was played as expected.

Three Winona reserves, Herman, Enger, and O’Brian, started the game and established a 3 to 2 lead before being replaced by Karl Korn, Opheim, and Edwards who came in to cut their lead further.

Sweaters having two arm stripes were awarded to Joseph Voorhees, a sweater; Walter Lee, a fullback and a halfback; and Arthur Kern, a quarterback; in addition to three years of varsity competition.
