Q. Why aren't the sidewalks on campus cleared of snow and ice? — D. Pierce.
A. It is difficult to keep up with the snow and ice on the sidewalks. However, there are plans to start clearing the
walks because of the uneven-icy walks when it freezes.

Q. Can the clock on campus be aligned so they all give the
same time? — D. Pierce.
A. There is a possibility that the clocks on campus can be aligned to give the same time, but they may be set differently
for aesthetic reasons.

New political remedies guarantee phobia cure

Three British psychiatrists have found a way to overcome phobias, according to an article in the British Medical Journal.

A 27-year-old electrician with an irrational fear of baldness was cured by having his hair closely shaved off in 10 minutes, and a 26-year-old student with a historical fear of water was cured by being submerged in the last week.

It is possible to think of other people with irrational fears who might be cured in the same manner. It would be understated to say that the late Paul Powell writing a book entitled Don't Make Me Use My Psychosis, has raised the issue.

Matmen record at 7-5 after busy schedule

by Tom Grothe

Winona State's matmen have had a busy week. On Thursday, Feb. 4, the Warriors crushed Stout State University of Menominee, Wis., 22-6. All-American Captain Augusta S. Nelson, had 23 points for the second straight week as the Warriors claimed the victory.

The highlight of the evening came when Warrensburg, Mo. freshman John Bedtke got the 1 point pin to defeat of the season 22-14 at the hands of Western Illinois, but bounced back to bounce Cornell 69-28.

The Warriors showed the home town fans aggressiveness in annihilating Stout State, losing only the first and last bouts.

Against Western, Scott Miller scored the Warriors off to a fast start with a 1st period pin at 138 lbs. Bob Nelson and Skip DeMars followed with wins at 126 and 134, but the Warriors lost the next four matches before John Bedtke came for Winona when freshman Al Crawford set a new team record for the 200 yd. broadjoust in a time of 2:27.1, erasing the mark set by Larry Olsen in 1966 of 2:29.5.

Saturday the Warriors traveled to Stevens Point and scored a victory, 64-47. Stevens Point's team was run-up on the Wisc. State University Conference last season.

Saturday, the Winona tankers will host Bemidji State College at 2:00 p.m. in Memorial Hall. Be- minis is the defending WNC champion and Winona is runner-up.

BVertexBuffer DON BENSONEN reaches high in action Monday night against Southwest Mustangs. Warriors shellacked opponents 101-67.

**Mustangs corralled by by Warriors 101-67**

by Mike Loehrer

The Warriors located their conference record to 5-2 by avenging an earlier loss to Southwest State in a convincing score of 101-67 in Memorial Hall action Monday night.

The fired-up Warriors wasted no time and jumped to an early 17-3 lead in the first half. The cagers continued to dominate the play for the remainder of the game with fine shooting and aggressive rebounding by the entire front line of Young, Urbach, and Protzman. In the scoring column, Young led with 29, followed by Protzman's 19, and Urbach coming 14 in his third starting role. Al Thom scored 19 for the Mustangs.

Coach Wothke commented after the game, "We feel that we have our momentum going now. We've played three pretty good ball games in a row: Moorhead, which we lost, and the other clubs in a row: Moorhead, which we lost and St. Cloud to meet the Huskies. With the crowd support, we need people there, and we must play a fine game to be in it with them."

**Publications Comm. appoints editors**

The Student Publications Committee at its Feb. 1 meeting, appointed Roger Runninan to succeed Lee Catherman and Richard Gora as editors of the "Winonan." The meeting also reaffirmed the earlier appointments of Maureen Rudich as "Wentworth" editor and of Connie Abbott and Carol Ryan as editors of the "Bullet." It may be recalled that the former co-editors of the Witanian and the other editors as well had been appointed earlier by the SPC. Subsequent action by other committees, however, resulted in the voidance of these appointments and reconsideration of them by the SPC.
