12-21-1962

The Winonan

Winona State College
Handel’s ‘Messiah’ highlight of WSC Christmas concert

The observation of Christmas at WSC was highlighted by the presentation of portions of Handel’s “Messiah.” This year the choir was directed by Mr. Richard McClure, performed the original score by Handel.

SNOIDAYS begin Jan. 13

“Snoidays” will be the theme of Winona State’s 1963 Winter Convention, sponsored by Phi Sigma Epsilon. Don Stendahl is president of the fraternity.

The convention will begin Jan. 13 with the introduction of the queen and the winners at a supper at Richards Hall Cafeteria. Escorting each candidate will be the highest officer of the organization the girl is representing.

CAMPUS organizations wishing to sponsor a candidate must notify the girl’s name to Mike Pulley, P.O. Box 513, by Jan. 16. The convention will begin Jan. 16, following 9 a.m. through Jan. 17. Jan. 18 will be dismissed Friday, Jan. 16, with voting at the box office from 8 a.m. to 5 p.m. Activity tickets must be presented in order to obtain ballots.

THE QUEEN will be elected and crowned Phi Sigma Epsilon’s first and oldest member at a semi-formal dance at the Oaks on Jan. 18 from 8:30 till 11 a.m.

The Snoiday queen will reign over the last week of Snoidays and will present the trophies to the winning teams in sculpture and tournament games at the Sweater Ball Jan. 26.

A MOVIE will be shown in Benjamin Auditorium at 2:30 p.m. Jan. 19. Tournament games held each day at 6 p.m. Jan. 21-25 will be volleyball, tug-of-war, snow soccer at Lake Winona, and toboggan races at the Country Club.

Only campus organizations may compete in three games. Each organization may sponsor only one team, consisting of four members and a captain. The cost is 25 cents, in each event. Trophies will be awarded the top three teams overall. All team members must have butthats when participating.

AN AWARD of $35 will be given to the winner of the Snoiday sculpture contest. The sculpture must be given to the upper on Jan. 18, and choose will continue daily through Jan. 26. The person finding the treasure must have a Snoiday button in order to receive the award and must present the treasure in person at the Sweater Hall.

SNOW sculpture has been in progress for the whole year. Last night at the annual Dormitory co-ed fashion show, the sculpture was unveiled. The sculptures, which may be on any subject, must be at least five feet high, and may be made of either snow or ice. The $35 award will go to the best sculpture.

ALL WORK must be completed by 4 p.m. Jan. 19, when they will be judged on creativity and originality. Three of these will be selected and will be awarded prizes. Climaxing the 1963 Carnival will be the Sweater Ball on Saturday, Jan. 26, at Richards Hall Country Club.

Snoiday buttons will cost 90 cents and may be purchased from members of Delta Zeta sorority.

Plans formed to send two WSC students to Norway

This Inter-Institutional Affiliation Committee has selected one WSC student to study in Norway next year and is in the process of making arrangements.

KAREN VAN AUKEN will spend a year in Norway studying in the Oslo Law School. She will be at the same school Betty Robinson and Elyssa Weerd are this year.

A second student is to be selected. The committee has invited all students who would be interested in this program and is qualified to apply for the opportunity to study abroad.

STUDENTS WHO WANT more information should contact Dr. Harry Jackson no later than Jan. 15.

The student selected by the committee can expect a year at the Oslo college tuition free. Room and board depend upon private arrangements.

Many of the credits earned studying in Norway will transfer to WSC and count toward graduation.

PLANS ARE BEING made for a Norwegian student to study at WSC next year. This student will live with the Weerd family.

Three other students have applied for travel grants to study foreign language.

These grants will be needing quaters either in a private home or financial assistance to live in the dormitory.

Any persons who are able to furnish a home to a student should contact Dr. Jackson.

Blind student receives gift of recorder

Arvila Voorhees, a blind student, who has returned to WSC this winter, was pleasantly surprised last night at the annual Dormitory Christmas party.

With the help of a tape recorder to assist her with her studies, the purpose of the recording is to record daily recitations.

They will eliminate the need for students to read and reviewing class notes with the help of the tape.

Donations from the girls living in the dormitories made this gift possible.

The monetary balance was donated by the Delta Zeta sorority, the Western Foundation, Central Methodist and McKinley Methodist congregations.

The constitution of the Inter-Regional Relations Club was accepted.

The following are the criteria to be used by the Student Commission in judging organization’s constitution:

1. Does the organization have some definite purpose beyond and of value to its members or the student body?

2. Are there any restrictions as to who may become a member of the organization and if so, are they clearly stated?

3. Are the obligations of the members clearly stated such as attendance requirements, duties, and conditions for violation?

4. Are the officers, method of selecting officers, time of selection and duties stated?

5. Are the number of meetings specified?

6. Is some provision made about faculty advisors?

7. Are there similar conditions on the conducting of business or voting, for example, the number present to carry business?

8. Are there conditions stated for making amendments?

Science courses offered at NFS summer institute

This week 45 scholars from across the United States were received at Winona State College by Mr. Milton Davenport, president of the college.

DEPAUL’s “Messiah” highlight of WSC Christmas concert

The observation of Christmas at Winona State’s 1963 Winter Convention, sponsored by Phi Sigma Epsilon, Don Stendahl is president of the fraternity.

The convention will begin Jan. 13 with the introduction of the queen and the winners at a supper at Richards Hall Cafeteria. Escorting each candidate will be the highest officer of the organization the girl is representing.

Snoiday buttons will cost 90 cents and may be purchased from members of Delta Zeta sorority.
New course would teach old 'art' of ticket taking

Why doesn't Winona State College offer a course in ticket taking and door guarding?

WHEN A STUDENT has completed four years of college education and is ready to venture into the field of education he is well prepared to meet the rigors of teaching.

It is not however prepared for the miscellaneous tasks assigned by the school system.

If a teacher is going to venture into any field he must be prepared to perform his duties better than any one else, to maintain his own self-respect and the respect of his students.

THE STUDENT TEACHING requirement should be changed to 11 credits of teaching and four credits of half-credit, those credits can be obtained in the college during various courses such as registration and fee payment and football season.

By Sharon Allen

WINTER QUARTER always seems to be the time, if ever, in a student's college career, that he feels worthless or even contemptible.

Before this dismal mood over-takes you, plan an exciting agenda to infuse your work schedule.

MAY I MAKE a few off-hand suggestions?

Take up snow sculptures or work toward becoming an ice-scraper on your lunch break.

If you are not a skier, get up at the crack of dawn and take a look at the world at its freshest.

For SOME a little sleep might even provide a little diversion.

Whatever you may decide upon, make sure that it's an activity completely different from what you have ever done.

Happy nut mittens, sweet egg nog, warm fires and to be convened...I'm very close to my children, therefore I miss them very close to believing in him.

Merry Christmas.
WRA swimmers to compete; basketball teams formed

Oshkosh State College has extended an invitation to Winona State's WRA to participate in a swimming meet at Oshkosh, Winonan, January 13.

WRESTLERS representing Winona State by the score of 72-21.

The first couple meetings were won by the State Selects, with the majority rules involving a revolving player.

The WRA swam away with the first place at the River Falls College. The only meet at the state was LaCrosse State College, River Falls State, and Bsu Charles State College.

Representatives of WSC were Pat Sherman, Gretchen Koster, Joyce Foloyer, Sharon Keller, Judy Molsberry, Mary Ann Mackey, Carol Heber, Jan Loblinitz and Joan Kidd.

Warrior mat team defeats first opponent

The Warrior matmen opened their weekly schedule December 31 by routing LaCrosse State 22-6.

The Warriors, under coach Bob Gunner, took six of the eight matches.

Coach Gunner said "We could have had a shutout, but Al Mancini, 175-pounder, wrestled as a heavyweight."

"He'll be stronger now that Bob Gray has come out for wrestling. He'll go as a heavyweight with Mancini back at 197."

The absence of Jerry Witham, 227-pounder, who was expected to win, did not report until the last of the matches.

Those wrestlers who turned in the most impressive matches were Larry Marchionda, Dave Moceri, Larry Willis and Lee Simon. Pat Fishbery, 177-pounder, and NAIA four-place winner, accrued a 6-0 decision.

113—Larry Marchionda (W) poned Wayne Brown (LC) 6-0; 120—Larry Willis (W) outweighted Al Freeman (LC) 9-2; 126—Jerry Witham (W) d. Chuck McPherson (LC) 11-1; 132—Wayne Brunow (LC) 4:53; 130—Larry Moceri (W) d. Stan Ostrand (LC) :59; 157*Leo Simon (W) d. Tom Bigelow (LC) 14-0; 167—Al Bassuener (LC) d. Richard Mausner (W) 9-3.

The first game of the season they stepped up front by a score of 82-53.

Dr. Robert Campbell, Winona State coach, was pleased with the defensive work, but not the work on the boards. Winona led 21-27 in defensive rebounds, but trailed 18-15 in offensive rebounds.

Waters pleased coach Campbell most in the game was that the boys waited for the goods and took few bad ones.

NEXT WEEK the Warriors whipped Stevens Point 76-59, and then went on to beat Platteville Wisconsin 85-71.

The first defeat came from the State College of Iowa. The Warriors beat Midwest's WRC 91-65. Pointes played a big role in this game. With three Warriors fouled out, it was an uphill struggle with a 63-58 victory.

With 11:55 left to play Winona pulled ahead, 44-44, and relinquished the lead only once more.

In the second half Dick Papenfuss and Charlie Weisbrod seemed to control the boards. With the hot shooting of Dick and Lyle Papenfuss, who hit for 20 and 15 points respectively, it appeared the chances were good.

When Dr. Campbell was asked about the team's future, he said that even though they have a good win, a lot of work must be done.

Answer to inquiries on more intramural sports

Many of the students on campus are wondering why there are not more intramural events scheduled for the winter quarter.

Dr. Luther McCown, head of the physical education department, came up with the answer. He said, "Due to the fact that basketball, wrestling and WRA are indoor sports, they must be held in the gym. This leaves only ten nights in the winter quarter."

In the last issue of the Winonan there was a critical alluding for a change in religious night from Thursday to Sunday. If this were accomplished, Dr. McCown felt he could schedule many more intramural sports.

He also suggested that the gym be opened on Saturday and Sunday.

Dr. McCown said, "We don't have the stature of these activities must be supervised due to the possibility of injury, non-student participation and property damage."
WSW wants special funds for projects

President Minne has requested special legislation from the Leg-islature to finance a $125,000 endowment as a sound stage and a new theater. The state College board has already approved the request for these projects.

Survey indicates WSC students want employment

The survey indicates that many WSC students are interested in employment opportunities. The survey was conducted among a random sample of students and included questions about their career aspirations and job preferences.

M. Bierce loan fund memorial to late attorney

The M. Bierce loan fund memorial to late attorney was established to honor the memory of a prominent attorney who made significant contributions to the legal profession.

Donations to the fund are:

Mrs. Bierce, who attended a special five-year course at the Normal School, is the daughter of Mr. and Mrs. W. F. Northrup (Amie Bierce), Iowa City, Iowa. She graduated this year from the teachers college and has taught briefly on the faculty. Mrs. Bierce was married to John L. Mays, a prominent attorney, and has a son, John M. Mays, who has been a member of the firm in New York City, and a daughter, Mrs. John C. Gish, who is a graduate of the teachers college and is now teaching English at Winona State Teachers College and Winona State College.

WSC student in Oslo finds wool clothing common

There are also many "exotic" names mentioned in the survey, such as "exotic" and "exotic". These names were included in the study to gather information about the students' career aspirations and job preferences.
