Great pleasure was expressed by the members of the Pow-Wow Club, the first of the groups to get under way for the coming year, for the project of selecting Edward L. Dickey as a candidate for the office of President of the University of Minnesota. A vote was taken to nominate Mr. Dickey and he was elected, unanimously. Mr. Dickey has been very active in the planning of the program which is to be conducted by the Club.

The PEP Plan is one of the most important features of the program. It is a series of events designed to enliven the annual May Fete of the children of the Twin City Club. The PEP Plan is being conducted by Miss Myrtle Craig, who is assistant to Mr. Quenett, and will be published under the supervision of Mr. Quenett.

The selection of the editor was made by a committee of the Pow-Wow Club, under the supervision of Mr. Quenett. The editor gives us her congratulations and wishes the club every success in its work.

The students of the Twin City Club are to be congratulated on their success in securing a young man to serve as their editor. Mr. Quenett said recently, "The most important thing in the planning of the Pow-Wow is the selection of the students who are to be our representatives. These students should be selected with great care, and they should be given every possible opportunity to express their ideas and opinions in the planning of the program.
