Novelist to speak at convocation March 18

On Monday, March 18, John Braine, the author of "Room at the Top," will speak here at a 10:00 a.m. assembly in Somsen Auditorium.

"Room at the Top," published in 1957, was made into a highly popular motion picture, which won an Academy Award for the performance of Simone Signoret. Mr. Braine served as a consultant on the film and much of the footage was shot in the neighborhood of his Yorkshire home.

THE NOVELIST, who refuses to number himself among Britain's so-called Angry Young Men, was born in the working-class quarters of Westgates in 1922. In St. Bede's Grammar School in Bradford, Mr. Braine states that he never particularly distinguished himself except in writing groups. There followed various jobs, ending up working in the public library of Bingley.

In 1949 the author began to publish his first efforts and wrote a play. In 1961 he quit his library work and became a full-time writer in London.

State has need for speech therapists

The Winona State Speech Association held its second meeting of winter quarter in the Steng at Winona State College, February 12.

Speaker of the evening was Mr. Howard Hoveland, speech correctionist for Winona Public Schools. Mr. Hoveland was introduced by William Seiber, president of W.S.S.A. Mr. Hoveland spoke on problems of speech defects and some techniques of treating these cases. He pointed out that the maximum number of cases, set by the state for a therapist to hold is 100. That maximum has been reached in this community. Following the address there was a question and answer period. One that is pertinent to this time of the year was: what are the job opportunities for a speech therapist in this state? Mr. Hoveland regretted that he was not able to give the needed information about jobs. However, he emphasized the need for trained speech therapists in this community. The program was followed by a social hour.

The next regular meeting of W.S.S.A. program will be April 9, during spring term.

Groenewold new SC president

Roger Groenewold was elected president of the Student Commission. GROENEWOLD and the other officers elected will take over at the beginning of the spring quarter. Roger defeated Robert Keller in the presidential race. Also elected were: vice-president, Kathleen Albers; secretary, Janet Johnson; treasurer, Donna Myros; social, Barbara Benike; publicity, Gretchen Anderson; administrative liaison, Glenn Houghton; athletic, George Ferratta; religious, Deo Hoger; departmental, Elaine Rotty; student union, Tom Smith.

"I've worked with most of the members of the new S.C., before and I know that they are all well qualified and dependable." This is the optimistic outlook the new S.C. president, Roger Groenewold gives for the 63-64 year. ROGER FEELS that perhaps improvements can be made in many fields, the main project being that of revising the student government. This would include revisions of the constitution, improving orientation and establishing a better contact between the S.C. and student body they represent. In addition to this, the commission plans to organize a "smog board" to study the situation and make necessary revisions.

The new student union will also require concentrated attention and this will be another outstanding project for the commission to consider.

AS PRESIDENT of the student commission, Roger feels his most important duty is to direct a smoothly running government, which will entail coordination of the activities of the commission and to provide a feeling of responsibility to the fellow students.

It is the new president's hope that the 63-64 year will bring more interest on the part of the students and for this reason Roger extends an invitation to all students to attend the open commission meetings which will be held every Tuesday at 6:30 in the library seminar room.

What is attendance adequate academic standard?

What are the characteristics of a mature adult? 

What is the role of the student body in evaluating faculty performance? 

Should college students be considered adults for purposes of academic evaluation? 

How do students at Winona State College view the adequacy of their academic standard?

Editorials

Viewexpressed editorially are those of management

Should a student newspaper always express the views of the student body? 

Editorially not! An editorial is merely the expression of the opinion of the editor of the newspaper. The editorials in the Winonan express the views of the editors of the Winonan, not those of the administration, of the faculty, of those of the Student Government, or of any other class; but those of the editors.

ON OCCASION the editorials views of the editors clash with the views held by persons not connected with the Winonan. Occasionally someone will write a letter to the editor commenting on the state of affairs on our fair campus. We on the staff of the Winonan are called upon to do this in each issue.

These views are not, as has been accused, anonymous. Included in each issue is what we call a masthead. The masthead lists the names of the editors and staff, the adviser and other pertinent information about the Winonan.

It is assumed that anyone who is mature enough to read a college paper knows that the editor is responsible for the contents of the paper and of the editorials.

The Winonan's editorials are usually written following group discussion of the problem and are a result of group action. There is no attempt to hard to sign a name to any one editorial and say, "This person is responsible for what this editorial says." We do not write the opinions of any student who is not an editor, because we feel that the school has a right and a duty to express its views in the Winonan as letters to the editor.

We do insist that letters must be signed and have a return address on them. Letter writers are thus responsible for what they write, just as we are responsible for what we write.

Hike craze hits WSC (but not very hard)

The President of the United States says that we are becoming a nation of fat slobs; (Ed. note: he didn't say it quite that way.) President Theodore Roosevelt had the Inter-Institutional Committee for Studies in Nutrition next year. The general opinion is that you try to make the freshmen feel inferior. We do not wish to be looked upon as such. The correct way to receive cooperation from the freshmen is not to lower them but to make them feel important as anybody else.

Second student chosen for Oslo study program

Kathly Lindsay, a sophomore English major from Spring Valley, Minnesota, will accompany Karen Van Auken, student writer and managing editor of the Winonan. Lindsay, the Winonan's editor for the last two years, had been selected by the president to represent the university in Oslo.

Grease monkey does the job

The assistant managing editor ran into a band of painting guys and had to accompany them as their guitar player had just broken his hand.

AT this point the sports editor drugged Dr. Harold Jackson, chairman of the Inter-Institutional Committee, she said, "I am looking forward to the year as a challenge to my ability to represent my school and my country."

Grapplers whip Wartburg; Flaherty remains unbeaten

Wartburg's grapplers moved the mat at Waverly, Iowa, by downing Wartburg College 206-4 and evening their record at 5-5.

The ~~that would be the first~~ dual defeated their arch rival, LaCrosse State, 37-25 at the Memorial Hall pool last Wednesday. Star of the meet was Bill Kohler who won three first places, coming in first in the 200 yard freestyle, the 500 yard freestyle, and was on the winning 400 yard relay team. His time of 4:43.7 set a new school record in the 400 yard relay.

Other first place winners for the Warusters were co-captain, Bill Kaskam, Rick Rydman, Dave Franke, co-captain Al Mahlke, Don Henning, Ron Johannsen, Jay Wescott and Jim Detwiler.

Second place points were picked up by Warurers Kastman, Rydman, Bluche, Johannsen, Wescott and Mahlke.

COACH DAVIES commented, "Their win was our equal or superior in their time or had their best time in this meet, and time was far our best performance of the season.

Following a two week layoff during which Coach Davies had hoped to use his boys during the cold bug, the tankers were dunked by Gustavus Adolphus 34-37. Frost coach was scored with Davies in the 100 yard freestyle, Bill Kohler in the 500 yard freestyle, and Detwiler in diving.

SECOND PLACE points for the WSC were won by Kastman, Rydman, Johannsen, Frank and Mahlke.

Coach Davies was not satisfied with the performance of his team, remarking that the two week layoff of which his team had done more harm than good.

The WSC swim team closed out its dual season competition Monday afternoon as they were defeated by Hamline University 26-45. Final score was first in the 200 yard backstroke and medley relay team. Other members of the victorious team for the Warsters were Dennis Krizan, Johannsen, and Mike Rayfield. Only other first place points won by the Warsters were in diving with Detwiler.

Second place points were scored by WSC swimmers Rydman in the 60 yard freestyle, Blanchard in the 200 yard individual medley and 100 yard freestyle, Morgan Lang in diving, and Krizan in the 200 yard breaststroke.

Third place points were scored in the 500 yard freestyle by Kohler, Johannsen in the 200 yard butterfly, and George Nash in the 200 yard backstroke.

FLAHERTY will be the only WSC defending champion this year with heavyweight Jerry Peterson as no longer eligible to defend his title.

Smith will not be able to compete due to an injury and it is doubtful whether Larry Marchionda will be in.

Coach Robert Gunner says "The tourney will be very evenly matched with the teams determining the winner. WSC is not the only team capable of producing a top wrestler which may the 200 and 220 weight classes.

INDIVIDUAL standings for the year are: Larry Marchionda 4-7, 16 points; Billy St. Lien 4-2-1, 13 points; Larry Marchionda 6-5-1, 22; Morocco, 2-0-2; 18; Illini, 4-1-2; 2; George Burnestien 1-1-4; 3; Simon 9-1-1, 30; Flaherty 9-0-3; 11; Messenger 1-2-1, 5; and Tom Carlson 0-1-0, 9.

The NSCC wrestling championship will be held at WSC March 9 with the preliminaries at 1 p.m., the consolation finals at p.m., and the finals at 8.

The WSC swimmers' swimming victory was very welcome as it was the only one which they have this season. The Warsters hoped to win at Hamline, the warmer weather or the chance to have a home meet. The first was no longer a possibility as Hamline's pool was closed and the second was far their best performance of the season.

FOUR SWIMMERS dropped Final meet points for the Warrior for the Warriors were Dennis Krizan, Johannsen, and Mike Rayfield. Only other first place points won by the Warsters were in diving with Detwiler.

Second place points were scored by WSC swimmers Rydman in the 60 yard freestyle, Blanchard in the 200 yard individual medley and 100 yard freestyle, Morgan Lang in diving, and Krizan in the 200 yard breaststroke.

Third place points were scored in the 500 yard freestyle by Kohler, Johannsen in the 200 yard butterfly, and George Nash in the 200 yard backstroke.

THE WARTBURGH DUEL was the opening round of a 21 13 charity races of which they made seven, Minnesota Tech connected for 14 of 27 for the difference.

The game was another nip-and-tuck battle which seems to represent this year's team. The Warsters did not clinch the victory until the last second of the game. With 37 seconds to go and Wartburg leading 90-90, Charlie Weisbrod dropped in two free throws.

The winning effort began when Gary Peterson was fouled with 18 seconds to play and he dropped in two free throws. The 95-90 victory was very welcome as it seems to have put the jinx on that has been following the road team around.

IF YOU have ever seen Jerry Wedemeier wrestle or play football you might be impressed with the impression that he is a strict businessman. However, Jerry says, "It is what I like to do. If I wasn't good at it I'd do it anyway."
