Students To Elect 1956-57 Leaders

Elections Are Primary Business at April 16 Meeting of Council

The procedure for student elections was the primary item of discussion at the Representative Council meeting on Monday, April 16.

New members of the orientation team were disclosed; funds for the Bemidji trip and a change in the social committee membership were brought up.

The orientation team was voted on by ballot with seventeen of twenty-nine council members turning in their ballots.

On the team are sophomores Darlene Rudesek and Nancy Sperch, juniors John Beck, Dave Lauchle and Pat Diethert.

No official business could be conducted because a quorum of twenty-two is needed and only twelve were present.

Schimmel reported that the funds for the student government conference at Bemidji had not been submitted. It was suggested that he select two underclassmen from the council to attend the conference with him.

Student Elections are being run in this way, according to the constitution: Schimmel appointed a nominating committee subject to the approval of the council.

The nominating committee selected two candidates for each office of the Representative Council. The eight candidates were presented in assembly and each office was open for further nominations by the student body.

The social committee is considering a revision of its membership to hold its members for two years, and increase student members to eight, with four coming up for election each year. To carry out such a change, would mean a change in the constitution of the Student Association.

Gaddis and Vathing Attend Convention

Barbara Gaddis and Shirley Vathing represented the college at the Neighbor Meeting in Rochester on April 21.

Mrs. Eugene McCarthy, vice president at large of the United States YWCA, was the guest speaker.

Installation of officers for the year will be held at the next meeting in May.

The YWCA sponsored a clothing drive April 16-19 under the auspices of the World University Service. Clothing was packed and sent to the Service for distribution to needy areas.

Finance Committee Approves Roto Section For Winonan

A four page roto section has been planned for the next issue of the Winonan. The money for this special section was approved by the finance committee at $470.

Pat Severson, co-editor with Elaine Tollefson for the project, said, “This roto section will, of course, be made up of pictures and cutlines. Most of the will be of campus life not normally appearing in the Winonan and Winonan. It will be of interest not only to the present students, but also as a "propaganda" device for prospective students and friends of the college.”

The special allocation of funds will go for pictures, printing of an additional 3,000 copies of the section and miscellaneous. (Regular Winonan circulation is 2,000.)

Last week, the budget of expenses for sending three representatives to the inter state college student government meeting at Bemidji was submitted. The committee approved the budget, as submitted, for $81.68.

Miss Steffenson appeared before the committee to discuss the WSSA Meeting May 8

The final meeting of the Winona State Speech Association for the year will be a dinner party on May 8. Installation of officers and announcement of awards will take place at this meeting. The place at which the party will be held has not yet been announced.

Spring Prom Will Be A ‘Garden in the Rain’

With a theme of “Garden in the Rain,” the annual Winona State Teachers College spring prom will be held on Friday, May 18, at the New Oaks in Minnesota City.

Dancing will continue from 9:00 p.m. to 1:00 a.m.; a buffet luncheon will be served from 10:30 to 12:00 p.m.

Chairmen of a large committee working on plans for the prom are Wesley Holden, Winona, and S. J. Adler, Burlington, Wisconsin.

Newmanites Plan May Activities

Plans for election of officers, a commemoration breakfast, and the annual Newman Club picnic were discussed at the April 10 meeting of the WSTC Newman Club.

“This will be the last communion breakfast of the year so we want a good turnout, especially of juniors,” said president Art Nardiello, concerning the communion breakfast to be held on May 8.

May 3 was set as the date for the election of officers. Art urged that all the members try to think of good candidates for office.

Other business consisted of setting May 20 as a tentative date for the picnic, and the announcement that awards would be given to Art Nardiello, Ellen DeWitte, Elizabeth Grass, and Barbara Gaddis.

In order to aid the students in their selection of officers, the Winonan has devoted a full page to the candidates, showing their pictures and giving their opinions on issues vital to student government.

Voting will take place only on Thursday, May 3, as all students are again urged by the present student leaders and the Winonan to get out and vote. In previous student elections voting has been very poor, averaging between 35% and 50% of the student body voting. This year it is hoped that percentage can be doubled.

Players Make Plans For Annual Banquet

Plans for the Winona Players annual spring banquet were made at a business meeting of the Players on April 18.

They also agreed to plan an annual Newman Club picnic to be held on Friday, May 18, at the New Oaks in Minnesota City.

This Thursday, May 3, will be one of the most important days of the school year, for it is on that day that the student body will elect its leaders for the 1956-57 school year.

In order to vote each student must present his activity ticket at the box office and there he will be handed a ballot.

Bill Schimmel, present Student Association President, and all the students to vote, and to vote sensibly. Schimmel also urges the candidates to make an enthusiastic campaign and try to present a good platform.

In order to aid the students in their selection of officers, the Winonan has devoted a full page to the candidates, showing their pictures and giving their opinions on issues vital to student government.

Voting will take place only on Thursday, May 3, as all students are again urged by the present student leaders and the Winonan to get out and vote. In previous student elections voting has been very poor, averaging between 35% and 50% of the student body voting. This year it is hoped that percentage can be doubled.

Kappa Delta Pi Banquet To Be Held Tomorrow

Kappa Delta Pi will have its Spring Initiation and Banquet tomorrow. Initiation of new members and installation of new officers will take place in the Social Room at 6:00 p.m.

The banquet will be held at the Winona Hotel from 7:30 to 10:00 p.m. The program, under the chairmanship of Mr. Carrol Syversen, County G.O.P. chairman, will be given by the members of Kappa Delta Pi.

The new officers are as follows: President, Mary Tripp; Vice President, Carol Mahlke; Secretary, Eleanor Seim; Treasurer, Allen Fiedler; Historian-Recorder, Carol Mahlke; Program Committee, Olive Tovson and Shirley Marburger.

April 26, 1956
Thoughts To Consider

The time for student elections is again close at hand. We, as so many have done in the past, would like to stress the importance of these elections. These “popularity contests”, as student elections so often become, pose for our university weaknesses in the democratic form of government. How the government can be no better than the individuals of which it is composed, and in the case of student government the elected leaders and representatives are often people who are neither qualified nor interested in attending the student governance office meetings.

How can we make progress in student government when elections are conducted as popularity polls? Granted, that occasionally a person may be elected who is interested in the welfare of the students, we cannot expect to be as lucky in our elections as in this past year when Bill Schimmel, who made up for his initial lack of knowledge of Winona State until he was elected, would agree to a summit meeting. The results of that conference are that we should have a student council, a point which now seems a tad absurd in the light of events.

No method of elections can guarantee good government, but the probabilities are quite a bit higher if votes are cast for people on their qualifications for office.

THE OTHER VIEW
by C. F. G.

While paging through an American History book the other day, I came across two periods in our nation’s story that are regarded by many historians as benchmarks on our country. The first was the section on corruption during Grant’s administration, the second concerns the foreign policy of our world’s greatest nation during the 1954-56 era.

As I set the book down I had the feeling that the backseat in our history wasn’t in most of the books yet, but we are actually living it now. How the presidents have been in the foreign policy of the world’s greatest nation during the 1954-56 era.

And when are we going to get an administration, Republican or Democrat, that will give us some general idea of what road we are following?

We realize that in 1852 the administration was handed a more than serious world situation, but they have succeeded in doing the “impossible”, aren’t they doing an even faster rate than their predecessors? The defenders of our present administration say that at least we are not fighting in Korea as in 1852. Let’s remember it wasn’t because of any lack of desire that hostilities have ceased in Korea, but rather that the Kremlin warlords have decided that they can gain world domination faster through diplomatic maneuvering. They were right; the time for war is now as usual, for they are of a mind to pay the bill for them.

As we look to Europe for recent developments, we see a new Europe infatuated by the “spirit of Geneva”—a conference that has had world shaking repercussions! Truman’s return and again rejected this conference knowing the insincerity of the Russians and their hope to use such a meeting to create a feeling of false security among our allies. In the spring of 1956 the administration finally gave in to our British friends and agreed to a summit meeting. The results of this conference constitute an extremely serious blunder on the part of the administration.

1. We have dampened any spirit still alive behind the Iron Curtain. It can no longer be said that we are the leaders in the anti-western coalition taking over the government. 50 million went into bases there.

2. We have dampened any spirit still alive behind the Iron Curtain. It can no longer be said that we are the leaders in the anti-western coalition taking over the government. 50 million went into bases there.

3. In the U.S. News and World Report (April 13) J. Edgar Hoover said, “The U.S. Communist Party is planning to tactically exploit the Geneva Conference to defeat the Internal Security Act of 1950, the Smith Act, and other anti-communist legislation. The Geneva Conference with its significant repercussions is Great Britain’s most recent contribution to us. Now she wants us to take a tough stand with her in the Middle East. It’s time we stop paying her colonizing bill. Now after that very brief look at European affairs, let’s turn to Asia.

In Asia developments have been even worse. SEATO, which the U.S. organized but refused to join, is near powerless. “Neutralism” is the new passing phase in Asia, but so far it appears to be “one-sided neutrality.” Nehru says: we should abandon SEATO, abandon Formosa, and recognize Red China. What will this red puppet want next?

Let’s look at one of the smaller Asian nations to see an example of our recent policy. We poured 6 million dollars worth of aid to Ceylon while they were supplying Red China with rubber to use against our army in Vietnam. In a recent conference the communists and anti-western coalition took over the government. 50 million went into Afghanistan where the same thing is shaping up, while our one real ally in this area, Pakistan, has received much less than we promised.

The Middle Ages had a concept of work and ordinary life as on a lower level than the contemplative. If one were really to live, he must withdraw himself and live in seclusion. But that is not the Christian concept of work. The disciplinarian is far worse than the mere “selfish” who cast the net in as Christ instructed them. Imitating is dangerous. Bishop Wilson has said, “To dispose our hearts to devotion, the active life is to be preferred to the contemplative.”

As long as a man is at decent work; his soul, as a rule, is fairly safe. If he will take Christ with him to his labor, the task becomes something of great importance—its importance is in its pay check and not in its pay check.

How can those people understand when they hear us speak of freedom while we toast the Russian slaveholders?

The time for student elections is again close at hand. We, as so many have done in the past, would like to stress the importance of these elections. These “popularity contests”, as student elections so often become, pose for our university weaknesses in the democratic form of government. How the government can be no better than the individuals of which it is composed, and in the case of student government the elected leaders and representatives are often people who are neither qualified nor interested in attending the student governance office meetings.

No method of elections can guarantee good government, but the probabilities are quite a bit higher if votes are cast for people on their qualifications for office.
Show Info

By Barb

From where I sit, it seems like there are going to be a lot of good movies coming in the next few weeks.

When Lillian Roth (Susan Hayward) whails I'll Cry Tomorrow, so will you too, as you see it. While she hits the rocks of alcohol and emotion, maybe you'll be reminded not to hit the bottle. (State, April 27).

My Pa and Ma are back together again; (sinner ever, so if you're in the church, there is nothing that will take you out of them faster than the Battles of the Osarks. (State, May 18).

Two good movies both dealing with kidnapping are coming in May. One is the movie about a young man who tries to save his younger brother. The other is the movie about a young girl who tries to save her younger sister. (Sky-Vu, May 20).

Do you have a few spare hours? Get yourself and yourself to see Never Say Goodbye, a tear-jerk of the better class. (State, May 19).

Marty seems to be wearing out his welcome, but he is still worth seeing. (Sky-Vu, May 27).

If you want a rackets melter, you'll just have to see Slightly Scares. (April 29, Winona).

I work on the assumption that if a movie is mentioned it's worth seeing; so, I might as well mention The Man In The Grey Raincoat. Caroused and Confused, A Day In The World, all of which have excellent reviews elsewhere.

5 From WSTC Attend FTA State Convention

Future Teachers of America, both statewise and locally, had a busy time over the weekend of April 15.

Statewide, the State FTA Conference was held Saturday, April 14, at Coffman Memorial Union on the University campus. Students representing Winona TC were Wayne Anderson, Bette Anderson, Nanette Flom and Ernest Buhler; they were accompanied by Miss Amada Aarestad, advisor to the local chapter.

This conference was for both high school and college chapters. The theme of the conference was "FTA — A Stepping Stone to a Profession." (State, April 26).

Various discussion groups designed to help the needs of high school and college students were held in the afternoon. Besides the discussions, elections of new officers and the annual FTA banquet were held. Congratulations go to Ernie Buhler who was elected first vice president of the State FTA.

5 From WSTC Attend FTA State Convention

Homecoming Slogans

With a five dollar prize as an incentive, St. Cloud held its Homecoming slogan contest earlier this month.

This in itself may not be of particular interest to students here at TC, but for the time.

Since it was suggested last fall that planning for Homecoming activities be started in the spring, the committee might be able to go on a more or less guided plan and have a theme to work with.

All-College Day

An all-college day was carried out at St. Cloud last week. The day was planned for high school seniors.

The purpose of the day was to acquaint prospective students with the college of St. Cloud, and to give the students an idea of what college life is like.

Although the speech and music festivals may influence some students to attend TC, the effect is far below what an all-college day would probably have.

Such a day, bringing concentrated efforts to bear upon area seniors in the line of counseling, would more than likely have more constructive effects than the present recruiting methods.

It would be interesting to find out if it is more expensive to invite seniors here to be informed and convinced, or to drive to surrounding schools and not often see the seniors.

Annual Pre-prom Dance Held Last Wednesday

Sponsored again this year by the Business Club, the pre-prom dance was held Wednesday, April 25 in the Smog. Music for dancing was provided by Fred Hoyer from 8:30 to 11:00 p.m.

Florence Sebo was chairman of the decorations committee; she was assisted by Bill Kubs, LaVonne Tows, Doan Eberhard, and Burl Lee.

Heading the clean-up committee were Clare Sheffer, Don Reiss, Herb Peter and Bill Wieczerk. Darlene Conley had charge of invitations and publicity.

Faculty chaperones for the event were Dr. and Mrs. Nels Minnich, Dr. and Mrs. M. R. Raymond, Dr. and Mrs. Warren Marley, Miss Gertrude Finch and Miss Marguerita Stieffenson.

De France Family Typifies TC Students At Housing Project

La Royce De France and his happy family, is the above, are one of the many Winona State families that live out at the housing project set up to house students. (State, April 25, 1956, and 1956, and was working on a two year elementary certificate.

Tommy was born in Honolulu, Hawaii while Lee was stationed there with the navy.

Lee served with the U.S. Navy for four years previous to his years at TC. While in the navy he attended the U.S.N. School of Music in Washington, D.C., and upon graduating from there, he played in three different navy bands for the remainder of his navy career. He played in San Diego for six months, Yokosuka, Japan, and Pearl Harbor for one year.

While in Hawaii he was part of a show sent out by Admiral Bradford for a six weeks tour of the Pacific Islands.

Lee and his family moved to Winona in the fall of 1954, and have lived at 361 Druey Court, Apt. G since. Lee is a junior and a music major and geography minor. He has been seen playing trombone with the Rythm Masters and trombone and French horn in the concert band. He also is a member of the baton section of the college chorus.

Winona Netmen Sweep Opener

Opening the season in a spectacular manner the Winona State tennis team swept the match with St. Mary's 9-0, at the Lake Courts on Sunday, April 22. Jim Belden, Russ Blankensfield, Bill Kortsch, Bob Luhanman, and Bob Thaldorf all won their singles matches in straight sets, while Gene Haakenson came from behind to win his match.

In the doubles Belden and Blankensfield teamed to trounce Cox and Jastrab of St. Mary's 6-0, in the most decisive match of the afternoon.

Other doubles rounds found Kortsch and Luhanman defeating Raci and Recek 6-1, 6-3, and Haakenson and Thaldorf getting the full three sets to down Lynch and Plottke 6-4, 4-6, 6-2.

Loras Stops Winona, 6-2

Art Huinker, Loras' pitching ace, raked up his twentieth straight collegiate win without a loss as Loras beat Winona 6-2, at Gophry Park on Saturday, April 21. Huinker was brilliant as he scored 12 Winona batters while giving up only seven scattered hits and three walks.

For Winona, Lee Paul and Bill Swarts combined to turn in a good pitching performance, but they were hampered by teammates miscues that allowed four unearned Loras runs.

Winona got its first run in the first inning when Ben Cook and Jim Miner each poked out a double with Cook scoring. The other Warrior run came in the fourth when Rick Hubbard walked, went to second on an infield out, and was driven home by Fred Hoef's single.

Russ Blankensfield takes time out from a practice session at the Lake Park courts to talk tennis with one of his teammates, Bill Kortsch, who happened to get caught without his tennis shoes at the time this picture was snapped.

Cindermen Finish Second In Opener

What is perhaps the strongest track team to represent Winona State in recent years opened the season with a fine second place in a triangular meet at River Falls on April 14.

Wind, rain, hail, and snow interrupted the afternoon's proceedings, but failed to slow down the powerful River Falls squad which won events and amassed 96 1/2 points as compared to Winona's 69 1/2 and Eau Claire's 6.

Fourteen Warriors scored in the meet with Jerry Ebert leading the way with 15 points. Following closely were John Anderson and Delwin Tschumper with 9 and 8 1/2 points, respectively.

Ebert appeared to be everywhere at one time as he won the discus, took second in both the 100 and 220 yard dashes, third in the javelin, fourth in the shot put, and anchored the second place relay team.

Other first place finishers for Winona were John Anderson in the javelin throw, Delwin Tschumper in the broad jump, Roger Krause in the 220 yard low hurdles, and Kog Miller in the 120 yard high hurdles.

An exciting feature of the meet was the thrilling two mile race between Dahly of River Falls and Winona's distance man Jack Strommer. The two men battled neck and neck throughout the race before Dahly pulled ahead in the last 50 yards to edge the sprinting Strommer.

McCownmen Win 1 of 4 On Southern Excursion

Coach Luther McCown's Missouri-traveling Warbird baseball team returned from the "show me" state Sunday, April 15, with a 1-3 record for the pre-season warm-up games.

This record is good considering the Warriors played strong and seasoned teams from the University of St. Louis, Quinney College, and Loras College of Dubuque, Iowa.

In Winona's 1956 debut the Warriors rallied valiantly, but bowed to St. Louis University 7-6, on April 12.

Fred Hoef started on the hill for Winona, but was relieved in the fourth inning by George Whipple as the Warriors trailed, 5-0. Only one run was scored off George until the eighth when a single by Buren, a Texas Leaguer, and another single accounted for three quick runs and all but clinched the game for St. Louis.

Winona State had one good rally in the eighth inning when Miner singles, an error by Bill Wipecor's long double, "Ben Cook's double down the third base line, and Dale Timm's single pushed across three Warrior runs.

Split With Quinney

Saturday found the Warriors playing two abbreviated contests against Quinney College of Quincy, Illinois. Dick Law and Jack Cartwright did the pitching for Winona as they took the first game as Winona dropped close one, 7-5, while Jack McGrath and Carter hurled TC to a 10-9 victory in the second contest.

The first games found the Warriors hitting hard and often, but evidently not at the right time for they gave up nine hits as they garnered 13 hits, and left 11 men stranded on base.

The McCownmen played on a last ditch rally in the seventh inning scoring three runs and closing the gap to 9-6. But the rally was stymied when the Warriors ran on second, and the victory in the hands of Quincy.

The second game was another story, however, as the combined hitting of Hubbard, Whipple, Cook, and Miner coupled with the excellent hurling of McGrath and Carter stormed the Warriors into an insurmountable lead and an eventual win.

Hitting star of the game was Jim Miner with a double and a home run, good for three runs batted-in.

Lose To Loras

Bill Swartz and Daryl Wohler turned in fine pitching performances at Dubuque on Sunday, but the Warriors ended with a loss to Loras 8-4. The McCownmen put on a fine showing against Loras for nine runs, but the final score was upset by a series of Warrior miscues aided the home team's cause as Loras took the measure of Winona, 8-4.

Bright spots during the trip were the hitting of Jim Miner (9 for 18), Rick Hubbard (8 for 20), and Bill Wieczorek (4-12), and the fine overall job done by the pitching staff.

Although the Warriors won only one game in four, they were impressive in doing so as they outhit their opponents 44-33, and outscored them 28-20.

Redmen Win, 9-0

Inability to hit coupled with some fielding lapses cost the Warriors a ball game as St. Mary's swamped TC 9-0, on Monday, April 23.

Art Krieler's infield single was the only hit the Warriors got off St. Mary's right-hander Tony Spalitto, while the Redmen put 10 hits together with four WSTC errors to account for nine runs.
Swing Band is Touring Nearby High Schools

Sixteen members of the Swing Band are now in the process of making tours of nearby high schools. This year the tour started April 27 and will continue until May 7.

High schools to be visited are Grand Meadow, Wabasha, Lake City in Minnesota, and Ontonagon, Clayton, and Blair in Wisconsin.

Each year the band, while on tour, tries to appear at different schools, but there are repeat performances on request.

The band also hopes to cut some records with RCA. Fred Heyer has announced that these records will be made available to college students through the bookstores.

Margaret Riggs, Marguerite Spelts, Pat Juridick, Lucille Osborne, Mary Barth, stage hands, Bill Hahn, Wayne Hotson, Don Stow, David James.

Passing music for sightseeing, Marie Miller, Delores Russel; on smog alert (bands to sight-see) Jim Karas; racks for sightseeing and stage, Gene Steffes; and the judges assistants were Jean Thomford, Delores Riba, and Nancy Van Allen.

Schools participating were Byron, Dodge Center, Ely, Hoyt, Kasson-Manitouville, Lewiston, Mazeppa, Pine Island, Plainview, St. Charles, Stewartville, and Wabasha.

‘Fish’n Chips’ Draws Students, Faculty

‘Fish’n Chips’ sponsored by the "W" Club on Friday, April 30, drew many student and faculty members.

The evening began with a splash party for everyone. This was followed by a water ballet, "Swan," by the Swim Club. Included were group numbers arranged to such music as "Autumn Leaves," "Moulin Rouge," and "Tales from the Vienna Woods."

Solo numbers were performed by Marie Miller and Barb Johnson. Barb Plourde and LaRue Swearingen swam in a dwarf.

The diving exhibition, starring Tom Miner, Jim Brunett, and Dee Uhls, was an example of excellent diving and lots of clowning.

Chef Kelly then brought on the Fish’n Chips in the Smog. A dinner of pike, french fries, salad, ice cream, and coffee or milk, regularly $1.25 per plate, was served at the cost of $.75. This was made possible through the $5.00 per plate contributed by the Social Committee.

Among suggestions made at the conference, which received coverage in the Star and Tribune, were the following:

- Twelve month college years, and possibly acting under the general direction of laurel wreaths to the winner.

- Larger classes, with assistants taking over some of the duties of the instructor to allow him to give more personalized attention to the individual student.

- A national scholarship foundation, and "talent scouting" for bright high school graduates who would not be able to attend college.

- Influencing more qualified students to enter the teaching profession.

- Broadening the functions of the colleges—with specialized summer courses in general education.

- Revision of registration standards.

National Organization Discusses Enrollment

The Minnesota-Dakota region of the National Student Association discussed solutions of the problems of increasing enrollment in colleges.

Delegates from thirty colleges met April 7 at the University of Minnesota with educators to plan for enrolling College numbers.

Mostly through neglect TC did not send any delegates to the convention even though expenses have been kept within the association's budget.

It is possible that some charges that the organization was too small and delegates depart from, although, it isn't likely. (That should have been an encouragement.)

Among suggestions made at the conference, which received coverage in the Star and Tribune, were the following:

- Twelve month college years, with six day weeks and 15 hour days. Shortening of class hours.

- Larger classes, with assistants taking over some of the duties of the instructor to allow him to give more personalized attention to the individual student.

- A national scholarship foundation, and "talent scouting" for bright high school graduates who would not be able to attend college.

- Influencing more qualified students to enter the teaching profession.

- Broadening the functions of the colleges—with specialized summer courses in general education.

- Revision of registration standards.

‘Modern Olympia’ State Playday Is Sponsored by Winona area WRA

Winona State’s WRA played host to the State Playday “Modern Olympia” in Memorial Hall on April 21.

“The importance in the Olympic Games is not winning, but taking part; the essential thing in life is not conquering, but fighting well.”

This Olympic motto was given to Greece prevailed throughout the day.

Visiting schools participated in team games of basketball and volleyball; individual sports of table tennis, serial data, deck tennis, trampoline, and swimming; and a modified track meet which included a discus throw, javelin throw, abbreviated marathon, and a hurdle event.

“Modern Olympia” was officially opened by the parade of tracksters (LaRue Swearingen and Barb Gates) and march of the twelve priestesses (Apollon — Evelyn Esthio, Rhea — Rita Brenna, Artemis — Pat Naee, Athena — Jean Thomforde, Demepus — Tippie Gatzke, Hephaestus — Dennis Ludwitzke, Erune — Louise Schroder, Hermes — Pat Nordby, Hecules — Darrell Kapel, Aro — Donna Am- brosen, Persephone — Sally Hallberg, Poseidon — Barb Plourde) followed by the march of Apollo (Barb Johnson, Play Day chairman).

The invigorating Alpha and Beta games were played before Esthio (lunch). Following this, the Omega Games, Symmenda (swimming), and Penlathlon (individual sports) took place.

During a break in the afternoon all the “W” Clubs presented some synchronized routines.

Culminating the day’s events was the Olympic Playday Banquet given by Mrs. William Spetch’s on the "Truth From the Oracles" of Antiquity.

The banquet was held in the "Torch Hall" to work for the "good of man and woman kind.”

“Modern Olympia” was officially closed with the presentation of laurel wreaths to the winning team and the exit of the torch bearers and twelve priestesses.

Schools participated included the University of Minnesota, The Olf College, St. Cloud Teachers, Mankato Teachers, Moorhead Teachers, Bucknell, West End Junior College of St. Scholastica, U. of M. Duluth, Austin Junior College, and Itasca Junior College.

Chairmen for the day’s activities acting under the general chairman Barb Johnson were: Treasurer, Carol Jones; Secretary, Bill Tripp, banquet; Darlene Bear- ing, registration; Barb Plourde, public relations; Mary Gates, finance; Bev Krieger, Thelma Ahrens, Kay Weseman, and Marilyn Colness, activities.

These girls with the help of all the other WRA members contributed their services to a very successful day of modern olympics.
Winonan Questions Council Candidates

It is felt that by the answers the candidates give to these questions the voters may be able to determine what the qualifications, opinions, and policies of the candidates are.

Rather than print the whole list of questions along with each candidate's answers, we shall print the questions only once and the answers given by the candidates will be numbered to correspond with the numbers of the appropriate questions.

The questions:
1. What in your background qualifies you for the office you are seeking?
2. If elected, what specific thing(s) would you try to accomplish?
3. What do you think is the relative importance of the student council as compared to other student activities?
4. If you were on the council this year, did you attend at least 3/4 of the meetings? If not on the council, did you ever attend a council meeting or express your opinion on council matters directly to your representative?
5. Are you familiar with the school constitution and parliamentary law?
6. Why are you a candidate for office?

Dave Lauchle, President
1. President of Lucas Lodge, sophomore class vice president, YMCA, Homecoming Slogan Contest Chairman, public relations committee, student council liaison.
2. Better representation of clubs, more student association meetings, and faculty-student liaison.
3. The student council stands in front of my other activities and therefore I would select student council as the most important.
4. I am a member of the present council and haven't missed a meeting this year.
5. I am familiar with the school constitution and parliamentary law.
6. The Representative Council nominating committee had enough faith in me to nominate me to this high office, and such I will do my best to fulfill this nomination honor.

Dorothy Holt, Secretary
1. I have had a year of shorthand and typing. I've been secretary for the Sunday school teachers at church. I was president of L.S.A.; therefore I know somewhat what a president expects from the secretary.
2. I would try to help put over the activities so many people would come out. These activities include athletic events and social affairs. I see to it that the college students get the most out of their educational dollar.
3. I think student council is most important and should come first and foremost ahead of club meetings, intramurals, etc.
4. I never attended a council meeting but I always read the minutes posted so I knew what they did.
5. I'm not familiar with the school constitution, but I am somewhat familiar with standard parliamentary law.
6. I am a candidate for office because when I was asked, I felt it was time I did something constructive instead of merely griping about what others do.

Carole Mahlke, Secretary
1. Editor of the Wenonah, secretary of the English Club; I am an English major.
2. I would try to see that the students get an exact account of how their money is being spent. I would see that an accurate and complete account of meetings is available to students.
3. I believe that the student council is the nucleus of all student activity in the school, and such is the most important organization.
4. I was not on the council, but I have attended meetings in the past.
5. Yes.
6. Because I am interested in seeing that the students get what they want, as much as possible, from their council and school.

Bob Brown, President
1. Representative Council experience, Finance Committee, editor of Winonan, treasurer of WSSA and Wenonah Players, six years on student council in junior and senior high school, high school president, youth organization in Washington County for two years.
2. A streamline the Representative Council giving fairer representation to the active groups in school.
3. Hold council elections earlier and give more publicity to them.
4. Have more frequent council and Student Association meetings.
5. Try to get a name band for one of the big dances.
6. Encourage the development and expansion of activities in which many students can participate such as intramurals, the Community Concert Series, etc.
7. In general to give more publicity to all council action and to try and make every student feel that he is free to attend council meetings and express his views at those meetings.
8. I feel that the council is the backbone of all student activities and therefore I place the council, and attendance at its meetings, above all other activities.
9. I was on the council and attended every meeting of the year.
10. I have studied the constitution thoroughly and am familiar with parliamentary Law.
11. Because I would like to see the things I have listed in question 2 accomplished, and I feel I have the experience for the job.

Tom Chandler, Treasurer
1. The background activities which I feel qualify me for the position as treasurer of the Student Representative Council are:
   a. Have had experience in working with money and finances. (Finance Committee).
   b. Have had speech training which is an attribute for any elected position.
   c. Becoming a capable treasurer by achieving a wider range of benefits for the students would be my greatest goal.
   d. It is necessary for an officer to attend meetings. Therefore I will always attend council meetings.
   e. I am a member of the council and attended a majority of the council meetings.
   f. I am familiar with the school constitution, and with basic parliamentary law.
   g. I believe that I have the necessary qualifications and I will always be ready for suggestions for the betterment of the school and student activities.

Ernie Buhler, Vice President
1. I have been president of FTA and lodge counselor at Prenniss Lodge. In addition I have also had training in Character Guidance and Personnel Management while in the service.
2. Because of the unexpected time to formulate any opinion which I would care to release for publication at this time. However, I will say that I feel the vice president's job is an extremely important one and that the person elected to that position should not only be able to express and stand behind his own views, but should also be prepared to back the president in his decisions and in that way help to form a student council which will move ahead.
3. I feel that the student council should be placed above any other group or club, and I would not hesitate to miss a council meeting to attend a council meeting except perhaps in some extreme and presently unknown situation.
4. I was not a member. I did not attend meetings because of other conflicts such as FTA and Reserves. As a student council member, it is felt that these organizations were more important as far as my attendance was concerned. I did express my views to my representative about the Student-Faculty Fair and about the question which was brought up about the FTA Carnival.
5. Yes, to some extent — to both questions.
6. I am a candidate mostly because I was nominated by the nominating committee. It came as a complete surprise to me.
