New Way School opens on campus

An institution exists on campus in which students may enter the college that is providing secondary education on campus as an alternative to the conventionally structured school. This institution, known as the New Way School, is the project of a joint effort of the superintendent of the Minnesota Citizens Action Council and the Winona community. This falls marks the beginning of its first year of operation.

The school is run according to the mutual desires of students and teachers. Members of the staff include four members of the Winona County Lutheran Church, seven from the staff of the Goodhue School, and a business man from the community. The courses include everything the students want to learn and the staff is able to teach. Foods, sports, art, and music are examples of programs available.

Seniors!

Those planning to graduate Fall Quarter should complete an application for the Class of 1972 as soon as possible. An application should be filed with the Office of Admissions and Records, 228 Simmons. It is recommended that any person file an application at least two quarters prior to graduation so they have an opportunity to make schedule adjustments.

Playwright will present Greek drama

The Wenonah Players, Winona State College, will open their 1971-72 season on November 5th with an eight-night run of the classic Greek tragedy, AGAMEMNON, by AESCHYLUS, according to Professor Dorothy B. Manahan, director of the College Theatre.

The Players’ production of the AGAMEMNON will be supported by an eight-night income production of the classic in Minnesota, as far as known.

The play was originally produced in Athens in 458 B.C. It is a work of heroic proportions concerned with the lives of a wide spectrum of Greek civilization as Aeschylus knew it, from the royalty to the slave.

According to sources, Aeschylus had a first hand acquaintance with war; he was a private soldier in the Persian conflict during his early years. The tragedy of war, then, would be a familiar scene tomorrow. Human beings suffered intensely and their lives were grossly affected. The dire consequences of war prompted Aeschylus to write his tragedy, AGAMEMNON; King of Argos, whose office is Gildemeister 311, the local campus representative.

The Fellowships, offered by the Danforth Foundation of St. Louis, Missouri, are open to men and women who are seniors or recent graduates of accredited colleges in the United States, who have serious interest in college teaching as a career, and who plan to begin their teaching career in September of the fall semester of their undergraduate college. Applicants may be single or married, must be under thirty years of age, and graduate or professional study beyond the baccalaureate will not be necessary.

Inquiries about the Danforth Fellowships, to be awarded in March 1972, are invited, according to Professor John Michael, whose office is Gildemeister 811, the local campus representative.

Danforth Fellowships to be awarded in March 1972

The Danforth Foundation, created by the late Mr. and Mrs. William B. Danforth, is a philanthropy concerned primarily with people and values. Presently the Foundation focuses its activities in two major areas, education and the city. In these areas the Foundation administers eight fellowship programs and makes grants to colleges, universities and other public and private agencies.

Student Senate

Action in the Student Senate this week included the revelation that eight students who had been to vote in the city election, only one was unable to do so, in connection with this, the Senate also elected student representatives to the Winona City Council.

Other action consisted of the passing of a resolution approving the Basic Black Cultural Center. A resolution recognizing the legal status, as determined by the Office of Economic Preparedness (OEP), of dormitory and tuition increases here at WSC was also passed.

Delegations to NSCRA were chosen and included: Vice president Lynn G. Buehler, Connie Dible, and Jean Wolfe.

Announcements included the announcement of a meeting for those students in faculty-student committees on Thursday, Sept. 30 in the Dool.

Greg Fletcher runs for 2nd Ward City Council slot

Young Americans for Freedom president, Greg Fletcher, has filed for the office of second ward councilman. In his filing statement, Greg has called for a parking problem for the students and nearby residents, which would lighten the taxpayer’s burden slightly.

He states that increasing revenue and reducing the tax burden is the only solution to the current political situation. He feels the police department to be underpaid and underprivileged as needed to fight the rapidly rising crime rate in Winona.

“The public transit system is the only one that can meet the needs of those who ride the new service. I would suggest that the city encourage a subscription bus service with reduced fares for the elderly. Subscriptions could provide steady income to the city, and increase the money available for utilities for the elderly. To provide some new income to the city, we need a public transit system. An application should be made for a small proportion of the funds to be used. Greg Fletcher has been active in numerous campaigns. He is a graduate of the University of Minnesota, and holds a degree in political science and economics.

Departments adding one new faculty member include Business Education and Administration, Industrial Education, Mathematics, Physics, Polities, Health and Physical Education, Music, Art, Visual, History, and Education. The list also includes a new assistant dean of students.

**LETTERS**

To the Citizens of Winona:

I congratulate the City of Winona for the positive attitude they have demonstrated in student voter registration. Cooperating with several students who have registered during the past week, they have called my attention to the courtesy and receptiveness which they experienced at Winona City Hall.

Examining several other Minnesota cities, I cannot help but admire Winona's attitude at the polls. The student population, realizing the benefits of student participation in community affairs is another step in retaining these young men and women in this community.

I write first as a member of the Citizens Committee seeking student interest in local problems and second as a citizen of Winona and a member of the Winona County Democratic Committee.

My office will attempt in every way to utilize campus media to inform and educate you new citizens in the problems and issues of the community. I am confident that the student vote will be in the best interests of the city of Winona.

Women's Intercollégiate Program to offer team, individual sports activities

The Women's Intercollégiate Program (W.I.P.) is in full oper-
ation for the 1971-1972 school year. The program is open to all college women and provides an opportunity to participate in a variety of intramural and inter-
collegiate activities.

During fall quarter the intru-
mal activities will include swimming, volleyball, bowling, and gymnastics. The two inter-
collegiate teams include volley-
ball and swimming, and both are currently in progress.

Swimming and gymnastics are on Wednesday nights at 7:30. If
can unable to get on a team but still like to partici-
pate, contact Sue Nickelson in Science 21. Karen Ericken (volleyball coordinator) at 485-4682, or Alan Locke in Memorial Hall.

Why is Black Beautiful?

by Black Student Union

BLACK STUDENTS GETTING TOGETHER:

Well, Winona students, the time is near when you will see examples of black pride, unity, and togetherness.

You are about to see and learn what black pride, unity, and togetherness are really like. We are definitely going to put an end to each and every false and unreal concept you ever had about black people.

"How?" you say. Well, if your reading this late in the se-

issue of the Winonan, our Black Student Union (B.S.U.) is going to bring its house together to go along with its occupants. The house is located at 101 West Main St. We now have our program and will soon be opening the house to lookers and other interested per-

son. Keep your eyes and ears open for the chance you will be
towed to enter.

You are, we are most definite-ly Proud, United, and Together! I do my thing and you do your thing. I am not in this world to live up to your expectations, nor you mine. (Pearl).

English Club has organizational meeting

The Winona State College English Club held its inaugural meeting last Thursday evening to elect officers, form a constitution, and formulate direction and policy of the club.

Officers elected and installed were: Mel Epifane, president; Susan McPherson, vice president; and Jim Johnson, secretary-treasurer. Dr. Flis and Mrs. Robinson were chosen as faculty advisors.

The bulletin board in the English office will be utilized for member information and posting of club activities. Membership is open to the student body of WSC and a get-acquainted party will be held October 3rd at the DeGrazia's home. Those interested in attending should contact Mrs. DeGrazia in the English Department.
