New foundation to aid college receives grant

IF YOU have any surplus cash—or, more likely, if you have some in the future, you can give it to the Winona State College Foundation. That's a nonprofit corporation organized this summer by Winona alumni to accept gifts and use them for the improvement of the college, the scholarship of its students, and for other activities.

At present a bequest to the college is being considered but no bequest was ever made to the state of Minnesota which administers the funds. The college will permit administration at the college.

It is possible that the foundation might in the future accept student toward whom students now pay $5 a quarter. The alumni society is planning to continue its solicitation of his membership for this purpose.

Well, here we are at Winona State. We of the Student Commission wish to welcome a special hello to all the new students who have chosen WSC as their college. May we all have an enjoyable year at Winona State.

President defines "educated"

"One of the truisms of American college life today is that we do not allow sufficient time to reflect hard enough and profitably about the whole range of human experience," said Dr. Minne, President of Student Commission, speaking recently at a meeting of the student government. "This is your school; help make it a college of which we can be proud. Show your pep by backing our athletic teams; show your interest by being active in WSC's activities.

Dr. Minne then listed the qualifications of an educated person:

"The main business of a college is to help you get an education. This is not quite the same as getting a college degree by accumulating the proper number of credits.

"The educated person will be likely to use college responsibilities wisely for he understands that opportunity may come no often and once passed by, he must use them. The educated person understands that a right of a freedom must be translated into a reality which he must meet.

"The educated person understands that he must use not his time but if he were going to live forever, he would do his time and not use time in limited supply."
Plus Graduate assistants

Fourteen new faces in faculty photos

Dr. Nels Minne, president, has announced the appointment of 14 new staff members for the academic year beginning next Tuesday.

The faculty will number about 108, an increase of about eleven.

Miss Carol M. Anderson will teach music in the campus school and will supervise student teaching. A native of LaVerne, Minn., she did her undergraduate work at the University of South Dakota and earned a master’s in music education at the University of Colorado. Beside teaching in the schools, she has been a music director in Minneapois, Minn.; Fred Brensel, Osseo, Wisconsin; and in Minnesota; Dale Boland, Rochester, Minnesota; Darlene Goodwin, Eden Prairie, Minnesota; Melvin Goede, Adams, Minnesota; Vera Demars, Kensington, Minnesota; and his master’s at the same institution where he has been a teaching assistant during the past year.

Since is married and has one child.

Chester O. Egner will teach economics. Last year Egner was a professor at Wisconsin State College at Superior and previously taught at Butler University, Indianapolis, and the University of Wyoming. He was a government economist in Berlin, Germany, and in Amsterdam, Alaskan. Egner is married and has two grown children.

Dr. William G. Gemmelhardt joins the education division. A native of Milwaukee, he received a bachelor’s degree and MA and PhD degrees at the University of Minnesota. He was a government economist in Berlin, Germany, and in Amsterdam, Alaskan. Gemmelhardt is married and has one child.

Dr. Ralph Erickson will teach education. Last year Erickson was a student teacher. He taught at the University of Illinois, Wisconsin State Colleges in Superior and in Minnesota public schools. He was on the University of Illinois faculty in the past summer. He earned a BA at Concordia College, Moorhead, Minnesota, an MA at the University of Minnesota, and a doctorate in education at the University of Illinois. He is married and has five children.

LITERATURE, SOCIAL STUDIES AND EDUCATION . . .

These nine faculty members will be teaching in the literature, social studies, and education departments. Seated are Mrs. Ellen Judson and Mr. Donald Billings, teaching library and history. Standing are Mr. Chester Egner, economics, Mrs. Lynn Judson, speech, Mr. John Connaughton, teaching library and history, Mr. Fred Boland, guidance, and Mr. James Richards, English.

Costs increase; so do number of students

Increased tuition and board and room fees confronted Winona students this year.

The increase, authorized by the legislature and the State College Board, has boosted the college’s own estimate on the “average” cost of a nine-month student from $950 to $969, according to Miss Lois Rimmon, registrar. That doesn’t include personal expenses.

Another record enrollment is packing the higher fees. Miss Rimmon said that the freshman class number of 109, up from 100 a year ago. In addition, an average of about 100 transfer students is enrolled.

As a result of the increase, the student carrying a $210 to $220 tuition will be charged $220 to $230.

OrIENTATION week will be climaxed with crowning

Twenty-five teams of new students will display their talents this afternoon at the rehearsal for the crowning of the freshman queen. At 9 p.m. the faculty will sponsor the annual “Staff Stomp” to be held at Richards Hall. All the students are invited to attend.

Saturday at 1:30 p.m. all WSC students are invited to attend the Sugar Loaf Ski Squad to attend their ski show. This show can be seen at either the Winona or the Levee Park.

Chautauqua events will be held at the Winona State auditorium. The show will be held in the Bomen Auditorium.

These events plus Monday’s Watermelon Feast and Tuesday’s co-reign event were organized by the Orientation team. This team was headed by co-chairmen Karen Rudolph and Bob Kellor.

Other members of the orientation team are: Kathy Banglig, Dorothy Goodwin, Louis Allen, Glenn Houghton, Robert Austin, Bob Chapin, Jon Petronke, Pat Povall, Earl Hotty, Dennis Geib, Paul Rod, Roger Haus, Kathy Alberts, Bonnie Cassebeer, Mike Rine, Bob Dodotta, Kori Kram- er, Larry Johnson, Bobbie Bomke, Nick Dickerson, Jan Johnson, Don Myron, Dennis Schneider, Stuart Hansen, Bob Kinney, Don Turner, Ron Trocio, and Cindy Orndor.
The THE FRONT WALL . . . Graduation hit hard at the Winona State line, taking eight men, but these six remain as the nucleus for the 1963 forward wall. Left to right Tom Hall, Don Wilson, Barry White, George Ferenda, Bob Gray and Lee Burrus. The Warriors open their season Sept. 14 at Eau Claire State.

State tourney star enrolls; he likes gymn
By James Schults
If you were here Tuesday you would have seen a well-dressed man with a bow tie pacing up and down the corridor near the registrar’s office.

He was Dr. Robert Campbell, director of athletics and head basketball coach.

Dr. Campbell was patiently waiting for a young basketball player to register; a good thing he didn’t hold his breath because Dave Meisner was late.

“DAVE WAS a guard on last year’s runner-up state basketball team from Cloquet.

Coquet carried a 21-2 record in the little metropole. After outfi ghting favored Bloomingston, it was the point for the top, but the lumberjacks fell to Marshall in the finals.

Dave was the second leading scorer in the tournament with 30, 20 and 16 points in the three games and was voted to all the tournament team. He is only 5’8 1/2 but has rise-hate tactics and plus shooting even it up.

What said him on WSC?

“Winona is a very nice town and the afﬁliation and campus lay-

out are outstanding, shot a few baskets in the gym and liked the facilities.”

Schultz’s Schlantz
He’s almost locomous

Looking over the sports page you can’t help but notice the domination of the newcomers in the WSC sports world. I spent all Tuesday morning looking for one of the old timers of Warrior immortality.

I found him in, of all places, the Schults. Who is this im-

mortal? Why, he is the last of the freshmen four—George Fer-

eland!

I also found out why I had such a good game against Eau Claire Sept. 14 and will play their first home game against Northern Illinois Sept. 21, utilizing a split-P formation.

The Warriors open their season Sept. 14 at Eau Claire State.

New cross country coach hoping for good season

The Winona State athleti-
department welcomes a new
cross this year. He is Coach Thomas J. Vail who will take over the cross country team.

Coach Vail comes from La Crose State College and has resided in Madison for the last four years.

IN MONTICHEL Mr. Vail was
head basketball and track coach and is now taking over the cross country program at Monticello High School.

His duties at WSC include the head residence at Kiel-

ards Hall and an assistantship in the physical education de-

partment.

Coach Vail has been quite busy but has taken time to look over his present prospects. The team in-
