Student Union plan developing

Planning is under way for the Student Union convention.

Bob Keller, the new Student Union commissioner, and his committee have compiled a detailed list of facilities which they believe Winona State needs in a student union.

A preceding Student Union convention was held at the University of Minnesota November 7-9. Mr. and Mrs. Harry Anderson, a member of the Student Union committee, accompanied Mr. Spear, the faculty representative, to a meeting with the architects of the State College Board. At the meeting the list of student union needs was presented and discussed. These representatives attended various workshops and panel discussions for the proposed Student Union at the University of Minnesota.

When construction will be under way here is unknown. Student Union representatives have been meeting with state officials and have been discussing further ideas for the proposed Student Union at Winona State.

The meeting was adjourned by the president.

Wake up and live, WSC!

The subject of this article is not new! Our student body lacks a basic ingredient—spirit! Although many things to do have discussed this topic and have tried to remedy this situation without too much success. Therefore, this is the main topic of the article. The fact is that we have not the proper feeling for the school. The problem is not merely that we lack a proper feeling for the school, but also that we do not have the proper feeling for the school, as well as for the community. The problem is that we do not have the proper feeling for the school, as well as for the community.

WSC students are working

A recent survey among the students indicated that students working. The Student Commission concludes, "We think students working is the only thing we could do."

The interest and support that the business community has given in the homecoming parade is not surprising. The Departmental Commissioner and co-chair of the homecoming parade, Mr. Fred Heyer, stated, "We have no idea how many people are going to want to see the parade."

Discretion used in float awards

To the Editor:

As Departmental Commissioner and co-chair of the homecoming parade, I feel that it is my duty to write a response to the article in the last issue of the Winona State Chronicle.

As Nina McLaughlin asked in her article, "Could you imagine the feelings of the people participating in our homecoming parade (signifying hard work on the part of many students) if all of you would refuse the honing of receiving the 'floats of the homecoming days'?"

First of all, the organization of whom we are speaking is in the Student Commission, Roger Greenstreet; the co-chairman of the homecoming parade, Mr. Fred Heyer, and the Student Commission, Mr. Fred Heyer, and the Student Commission, Mr. Fred Heyer.

The Student Commission is responsible for the organization of the homecoming parade. Mr. Fred Heyer, stated, "We have no idea how many people are going to want to see the parade."

Peace Corps has worthwhile plan

The highlight of the issue was the Peace Corps article. The Peace Corps has a worthwhile plan, but it is not a new one. There have been many "peace corps" plans, but this one is different. The Peace Corps is a worthwhile plan, but it is not a new one. There have been many "peace corps" plans, but this one is different.

Viet-Nam coup U.S. sponsored?

The question was once: Was the coup in Viet-Nam a Communist coup or not? Of course we can remember other uprisings and revolutions in Viet-Nam. But in every way the U.S. administration has given not only public statements, but the U.S. has given to the world a statement in the U.S. that it does not favor this coup, and it is interested in remedying this situation. The coup in Viet-Nam is not a Communist coup or not. The coup in Viet-Nam is not a Communist coup or not. The coup in Viet-Nam is not a Communist coup or not.

Jazz concert Delightful hit

The singing and jazz music mixed with a dash of popular music all made for a delightful evening.

Bemidji tormps 
Warriors by score of 41-0.

A score of vengeance was won by an outstanding football team after their 41-0 victory over their rivals, Bemidji. The game represented the end of a Winona season as the Beavers faltered back in 1963.

The loss rounded out the NCC slate for both the Warriers and the Bees. Their final match was a hard-fought match, with a 0-5 slate. The Beavers completely dominated the game in all departments. Scoring in such a match, Bemidji's success was due to the loss of several letterman. Mike Henry was one of them.

Head coach Glen Johnson foresaw tough year ahead. Eight of the 18 candidates for the 63-64 season were held four years of varsity football under Moon Moliard. As a summation Gunner, the head coach and teaching beginning, in mind, he commented, "It depends on the attitude of the kids — if they want to work hard, we'll have a good team and improve...""}

Mike Henry new Athlete of Month

Henry has played four years of varsity football under Moon Molnari while at Winona State and four seasons of high school football while of Harmony. His high school coach was Mike Cavanaugh, Dick Leitzau, third and fourth in that order.

Henry was selected for his fine offensive performances as a smashing halfback on the gridiron for the past four games. Henry has played four years of varsity football under Moon Molnari while at Winona State and four seasons of high school football while of Harmony. His high school coach was Mike Cavanaugh, Dick Leitzau, third and fourth in that order.

In reviewing the cross country season and the WSC football team, Coach Glen Johnson foresee a successful season. He was an all-conference selection as well as honorable mention all-state in high school.

Mike has a business administration major with minors in economics and sociology.

7-3 season slate termed success by Coach Vail

Tom Vail's cross country team will attempt to begin their season two weeks ago by defeating Luther College 27-0 at Lake Park. "We've got a good team, they were clipped by powerful Wartburg of Iowa by the same score, 27-0." The Wartburg meet could have gone either way. "We're not a Warrior bunghole at 12th, 13th and 14th places. The meet was won by, Columbus in a time of 20.07, Tom Gale and Jim Pendleton were able to run side by side with 20.99 and 20.48, respectively. Donna Weldes was seventh and Dick Leitzau seventh for WSC.

The Warriors spotted Luther College first place as Gene Oake toured the Lake Park course in a 20.38 showing. Winona won the victory over Luther however, in Wartburg, Gale Bruce Smith, and Dick Leitzau finished second third and fourth in that order.

In reviewing the cross country season, the new tank head coach John Martin runs his swim squad. The swimming team will win the Winona State-Platteville match next fall.

New tank open to season with Platteville

November 30 marks the date the swimming squad will begin its season against Platteville under the new coach, Mr. John L. Martin. Mr. Martin hails from West Salem, Wisconsin. He received his B.S. and M.S. degrees from La Crosse State College in the spring. He is now a swimming squad head coach and teaching beginning, in mind, he commented, "It depends on the attitude of the kids — if they want to work hard, we'll have a good team and improvement is assured."}

Handball tourney

A handball tournament is being held on campus to open the season off for Winona's handballers. This is a double elimination match, with all matches being held at the YMCA.

Green grunt 'n' groaners face menacing schedule

"We're a young team, but we'll be better than last year," commented egrant Coach Bob Gunner. Coach Gunner is looking to be looking forward to organized practice ses.

Head mentor Gunner and assistant seniors Tom Vail, John L. Martin, and Dave Haines are the only returning lettermen, and exhibit a supreme day's work.

The grapplers enter their schedule with a quadrangular meet at the University of Nebraska, C.C. Bemidji State and Central State on December 7 and may find themselves consecutively in matches against Bemidji State, Central, and Winona State. The warriors also face University of Nebraska, C.C. Bemidji State and Central State in the NAIA cross-country run at Omaha, Neb. on the 20th of November. Good luck goes with them.

As you can see, one section of this paper contains a convenient clip-out winter sports schedule. Grids, ink it onto your bulletin board,填报, in your wallet and let's all refer to it occasionally and attend the events.

The basketball season will get underway on Monday night, December 2, against Central State of Stevens Point, Wisconsin, at Memorial Hall. In case you've forgotten, that is the time of quarter finals and Thanksgiving vacation. Classes start the fourth again, it seems. Don't forget to return an evening earlier and attend Coach Campbell's crew in action.

The swimming squad opens its season on November 30 at home against Platteville. Coach Martin would appreciate support too.

Congratulations to Athlete of the Month, Mike Henry. Mike displayed good running power throughout the fall season, the basketball season. It is unfortunate that more athlets cannot be duly honored. In my following of the fall sports several good efforts were eye- concerting to me. Namely, Tom Gale and Bruce Smith of the OC teams, Perry King, Bruce Smith, Jerry Curran, Roy Leonard, Roy Leonard, Tom Gale and Bruce Smith of the OC teams, Perry King, Bruce Smith, Jerry Curran, Roy Leonard, Roy Leonard, Dick Leitzau and Ed Hall of the football squad. On the whole, it was an interesting fall sport season— despite the gridiron results. There are bound to be better years.

College plans a nursing program

A college-commission committee has been set up by Dr. Mela Minne, Winona State’s president, to plan for new programs in nursing. The plan was in full of fall of 1969 on this campus. The committee will consist of six members: Mrs. Alving’s, a dormitory counselor, and was a homecoming queen candidate. She is active in W.R.A., Kappa Delta Pi, and S.N.E.A.

RONALD TROK, a student from Thief River Falls, is a senior majoring in physical education and minor in English. Pat was secretary of chorus, a dormitory counselor, and was a member of the freshmen orientation team. She is active in W.R.A., Kappa Delta Pi, and S.N.E.A.

Playing with Miss Evelyn the role of Engstrand. Miss Evelyn did not knowingly permit her daughter to perform in the Guthrie.

Helping with the plans and directing the show was Miss Dorothy Wolfe, who was responsible for the production. Wolfe was a member of the Guthrie staff.

The purpose of the play in which Oswald is supposedly acting as Miss Evelyn was to provide a means for the audience to experience the social upheaval of the time. The audience was invited to come to the show and participate in the performance. The play was presented in the Guthrie Theatre in Minneapolis as a prelude to the Guthrie’s 75th anniversary celebration.
