**Fields Alleges Taylor’s Slayer Was a Chinaman**

Authors Silent as to Value of Chaffee’s Turpentine Confession

Duluth, Feb. 28—Authorities with- held decision tonight as to the value of a purported confession by Henry M. Fields, that he was implicated in the murder of Mrs. C. S. Taylor, 35, at the hotel of H. F. S. Cuffe, in which Fields made a number of admissions concerning a Chinaman’s automobile, a matter that had been debarred de- cidedly of the number, as related by Fields to the Los Angeles authorities last week and was seeking further acting up the story of the Chinaman.

Fields today held steadfastly to the story of the killing, Sheriff Cuffe asserted, and furnished additional details. He told the sheriff a Cau- nihan freed the stick that killed Tay- lor, braced the fatal blow with the stick, and had no further action taken by authorities.

The body of the Chinaman will be exhumed for the determination of the cause of death. It is now at the Los Angeles morgue, but was sent westward for a determination of the cause of death.

**Call for Coal Strike Reference Issued**

Chicago, Feb. 28—The federal examiners were today asked to issue a reference on all coal strike cases involving property loss or injury. HOME ECONOMICS HAS BROUGHT A NEW DIMENSION INTO THE LIVES OF ITS STUDENTS AND ALUMNI.

The home economists have brought about a change in the way people think about their lives. They have helped to make home life more enjoyable and productive. They have contributed to the development of a new concept of life in the home.

The home economists have also brought about a change in the way people think about their work. They have helped to make home life more enjoyable and productive. They have contributed to the development of a new concept of life in the home.
