Let's Go!

With this issue of the Powow, the staff of 1921-22, gives up work and the Powow to the newly formed staff who will assume the responsibility for the two remaining issues. The new members are eager and anxious to learn the art of newspaper work and thankful for any help they may receive in the way of contributions and news. Mr. Burton gave both of the morning meeting on Abraham Lincoln and the Senator from Wilson County on this Tuesday. Many of our faculty members were present to hear the meeting, and all were interested. Mr. Burton gave a detailed account of the life and work of Lincoln, and the Senator from Wilson County gave a very interesting account of the work of the Senate. The meeting was both informative and interesting.
