

ADDRESSING THE APRIL 18 PARENTS' Day audience, Dr. Nels Minne', President of WSC, said that low high school scholastic standing does not preclude students having the potential to enter college. Dr. Minne', however, said that high school seniors who apply for admission — a policy which is somewhat at odds with those of other public institutions — must be judged on more than test scores, if they wish to apply for admission or exclusion.

President Minne' reaffirmed the college's policy that a citizen of the state should not be denied access to an educational program in a publicly supported institution if he insists on the right to enter.

The policy at Winona State rests with the administration which stresses that we must individualize the college admission process. Some applicants apply for admission after the interview that they should not try attending college until they have the opportunity to try college work and who may show excellent factors are admitted though they rank in the lowest quartile.

"In the fall of 1962," said Dr. Minne', "73 high school graduates who were in the lowest quartile of their high school graduating classes were admitted to Winona State. A year later, one-third (22) were still enrolled. In comparison, of the 180 students who were in the over 70% rank in the lowest quartile, compared with 51 per cent of the total, the students still doubt on a policy which would have cut off the lowest quartile.

"The policy at Winona State does not have a "widen open" policy, its policy is not based on an arbitrary cut-off point in ranks of scores. WSC's plan "requires students ranking in the lowest quartiles of the high school class to come for counseling and perhaps, testing prior to admission."

Dr. Minne' addressed WSC parents and students on May 13 and 14. On May 13, at 4:30 he will speak on "Breeding of High Oil Corn". This workshop will be held May 8, were announced by Charles Hager at the meeting of Alpha Upsilon chapter of Kappa Pi national art fraternity held on April 20.

Dr. Minne' closed the program with "Blondie Gardens". It will be held in the Student Center on May 20. Refreshments will be served on the stage.

Events at WSC as successful as they are? Why? One of five clubs on campus was to have held this opening. Since there is always a high attendance, this is not surprising, but it is rather than lack of rose that cancelled this last opening. It was lack of responsibility. The obvious question why so many students here are traveling students? Perhaps this lack of any sponsorship for a Smog opening is one of the reasons. Since this last opening was cancelled, we have a picture of the same schedule of activities for spring quarter and we have to see if one of them cancels. If you can't accept responsibility now — good luck in the future!

Parents' Day success

The hallowed halls have rarely seen as large and interested group as those that gathered near the hallowed hall, Fri., April 11th, for Parents' Day. With people attending the keynote speakers, with the Smog opening in the afternoon, and with the W-Keys and their parents enjoying a tea at the Williams Hotel, Winona Keys and their parents enjoyed a tea at the Williams Hotel. The hallowed halls have rarely seen as large and interested group of people as those who attended the keynote speakers, with the Smog opening in the afternoon, and with the W-Keys and their parents enjoying a tea at the Williams Hotel.

As I view it...

Before I start answering your letter I would like to state, as I have before, that America has all over the world. In Turkey and other countries, like oil that are being pumped out of the country by American multi-national corporations. The U.S. has to pay for these oil needs. Someone also reminded me of Castro became whatever he is today because of U.S. foreign policy. Also, the Cuban invasion! Before I start answering your letter, I would like to state, as I have before, that America has all over the world.

As I view it...

Parents see Winona State College

CHOR PERFORMS... For parents and other guests in Somsen Auditorium on April 18. Under the direction of Richmond McCluer the 70 members of the college choir sang 10 numbers. Among them were: "Be Glad Then, America," "He's Gone Away," "Shenandoah," and "The Magnificat."

CHEF CARVES THE MEAT... Three quarters of beef were served by Slater Food Service to more than 700 parents and guests. Richards Hall Cafeteria, the student dining center, above, was the scene of the luncheon. The "ARA" letters in the picture above are an ice sculpture and stand for American Retailers' Association of which Slater's is a member.

OLDEST GRAD... Winona State student hostesses escort P. F. Loughrey, 415 W. Sanborn St. and a 1900 WSC graduate down the steps of Somsen Hall. Pictured from left to right are:

INTO THE WATER... Above is a small part of the demonstration on swimming and diving held on April 18 for parents and guests. Clown diving was only one of the many acts presented at the show.

WHAT DO YOU SEE... Slides are viewed by parents in Pasteur Hall during the tours they took of the college buildings.
Art departments move to new hall

Completion of the new Paul Watkins Hall for art and industrial arts marked the start of a new look. All the equipment had to be moved from the old classrooms in Somsen Hall to its new destination. This sequence of four pictures show the complicated task of moving just one of the many pieces of equipment.

Watkins Hall to be dedicated by the state college head

Mr. Dean M. Schweickardt, acting executive director of the State College Board, will speak on "The Art of Education" at the dedication of Paul Watkins Hall.

The hall, being dedicated May 8, is the new arts building which will house the industrial arts department and the fine art department.

The dedication program will be preceded over by President Minne. Invocation is to be given by Dr. L. E. Brynestad, pastor of Central Lutheran Church.

The program will consist of the singing of the "Magnificat" by the college chorus; formal presentation of the building by William K. Stevenson, assistant dean and commissioner of Administration; acceptance of the building by Dr. J. J. Kryzyzko, resident director; accepting division of fine and applied arts by Dr. Harry St. Johnson; acceptance for the Student Senate by Robert Kehler; and the introduction of members of the commission by Senator J. A. Johnson, chairman of the commission.

Chairmen name committees for 1964 Orientation

Bob Keiler and Jan Johnson, co-chairmen of the 1964 Orientation Festival, have announced the committees and committee members.

Treasurer for all the activities is John Ringer, secretary is Max Raczynski, and point keeper is Jack Oetken.

Other committee members are: entertainment and student forum — Jude Egelpelt, Gary Brewe, Bill Gray, and Walt Max; repilation — Sharon Benson, Pia Sisson, and Carol Winer; Camera — Laura Johnson, Mike Kritke, Nick DaMartino, and Donna Peterson; Talent Show — Bill Miller, John Petrinek, Mary Stocker, Kathy Brock, Bill Luthern, Bob Stocker, and Sande Weigendorf.

Voting on May 8 for class officers

Voting will take place in the power hall of Somsen on May 8 for new class officers.

Voting will be held in Somsen Hall on May 8 at 8:00 a.m. Anyone wishing to run for an office should see Ted Kelly for junior class officers, Jim Nall for sophomore class officers.

The deadline for applying for an office is TUESDAY, MAY 5.

Spring Carnival May first; Sig Tau sponsors gala eve

ESOPHIA GONCOPY

There, now that we have your attention, we shall tell you about an event taking place this Friday. If you are looking for a boring or uneventful weekend, then we may suggest you go home. If you are looking for a lot of fun and entertainment, may we suggest:

Entertainment, USA.

Sig Tau sponsors gala eve for this year's title of Sig Tau's spring carnival. You can find the carnival at 404 Huff St., otherwise known as Richards Hall. You can also find the carnival in the dormitory courtyard. This year's entertainment will be emceed by John Al- len and George Grafth. There will be acts from all over the Wisconsin area. These acts will include: The Natural 5, Dave Heyer Comedy, Bonnie Madison Dancers, The Delta Zeta Can-can Girls, assorted Phi Sig numbers, and an extra we have WSC's own Beetles, Surfers, the "Troops" and Bob sheet shooting, shoot-a-birdie darts, and a basket social by Delta Zeta, plus other surprises (?).

Also there will be a dance from 11:00-12:00 P.M. in the cafeteria.

The show this year will be under the direction of Walt Maerer, Wayne Memeul and Rolfe Wus-

Letter awards given, captains named for '64-'65

Dave Goeds, a pint-sized and spindly pitcher from Houston who transferred to Winona State after a tenure at Wayne, Neb., Stau, has been named as the captain for the 1964-65 basketball team.

The decision was announced by Coach N.D. Christensen, who also announced the most valuable player in the likes of Lyle Papenfuss and named an all-opponent team.

Outstanding of a star-studded career by being named the MVP was Papenfuss, who totaled more than 400 career hits over a four-year career.

Jim Keister, who averaged the Stassenas to a 12-12 overall record and an even 5-5 split in the Northern Intercollegiate Conference, awarded nine letters.

The Warriors' all-opponent team was made up of Pete Spoden and Duane Josephson of State College of Iowa; Lenny Johanson and Dan Harrison of St. Cloud; and Jon Perlson and named an all-NACA player.

Papenfuss and named an all-NACA player in the likes of Lyle Papenfuss, a sidearming righthander, who also announced the most valuable player.

The Warriors finished in 12-7 and a ninth-place position in NACA competition. Keister recommended 14 Warriors for letters.

Dennis Blashard of Cedar Rapids, Iowa, and Bill Kohler of Winona were elected 1964-65 co-captains of John Martin's tankers. In addition, Kohler was voted the most valuable athlete.

Winona compiled a 13-1 dual meet record and placed ninth in NAIA competition.

Martin recommended 14 Warriors for letters.

THE WINONAN

Winona State opened its 1964 home baseball season (two weeks ago by splitting a pair of games with Mayville (N.D.) State. The Warriors won the first game 8-4 and dropped the second 9-4.

Roger Roepke was the winning pitcher in the first encounter, allowing five hits until the sixth inning, when he was relieved in favor of Larry Bentzel, Service, who finished the final two innings without giving up a hit.

The offensive power came from the Warriors' Roger Leonhardt who clubbed a single home run in the bottom of the first, in addition to banging out two singles. Lyle Papenfuss added a two-bagger and Chuck Zeno, two singles. Davis Ungerda and Roepke each had singles.

Strongman Doug Ekken provided the power for the Cougars, going three-for-three besides hitting a homer off Roepke.

The Cougars were rewarded in the second tilt on that cold blustery day. It was all Mayville, as they piled up 11 hits to the Warrior's six and disposed of three of L. A. McCown's pitchers.

State's hurlers included left-}

The decision was announced by Coach Dr. Robert Campbell, who also announced the most valuable player in the likes of Lyle Papenfuss and named an all-opponent team.
