## Holiday Accidents Kill 19 in State

### Panama President Slain, Former Leader Arrested

Panama's military police arrested former President Arnulfo Arias, left, and many of his followers today in a hunt for the Tommy-gun assassins of President Jose Remon. Among the scores of suspects picked up in the lightning-like raids was a woman believed to be the mysterious "gun moll" who may have given the assassins the signal to fire. (UP Telephoto)

### Jose Remon Felled By Machine-Gun Bullets at Party

By LUIS NOLI

PANAMA (AP)—Unknown assassins mowed down President Jose Antonio Remon with machine-gun bullets Sunday night. Police said they had arrested more than 20 persons, including former President Arnulfo Arias.

There was no immediate explanation for the slaying of the popular 46-year-old President, who had been the republic's strong man for 10 turbulent years. He was shot as he chatted with a group of friends early Sunday night at Juan Franco race track, after the afternoon races.

Two other persons died in the gun battle between the President's bodyguard and his assassins. Three of Remon's companions were wounded.

Police said they nabbed Arias, who was thrown out of office in 1951 by Remon's police forces after a bloody palace battle, at Boquete, 300 miles west of the capital. Arias has a large coffee plantation near there.

Foreign Minister Takes Over  
In a 3 a.m. session, the National Assembly swore in Foreign Minister Jose Ramon Guizado as president. Guizado was elected first vice president on the ticket with Remon in 1952. Their terms had until October 1956 to run.

The cabinet announced that calm prevailed in the country and the government is maintaining

### Hammaraskjold Confers With Premier Nehru

### Set to Leave Later Today For China

By EUGENE LEVIN

NEW DELHI (AP)—Prime Minister Nehru and Dag Hammarskjold met for the first time today almost 19 hours after the U.N. secretary general arrived here en route to Peiping.

They discussed Hammarskjold's trip seeking release of 11 U.S. airmen and other U.N. personnel held by the Chinese Reds.

Later today Hammarskjold was scheduled to leave by Indian plane for China.

Neither Nehru nor V. K. Krishna Menon, head of India's delegation to the last U.N. Assembly, was on hand to meet Hammarskjold when he and his party arrived yesterday by British plane from London.

This apparent coolness by India's leader to the U.N. mission underlined Nehru's sharp criticism in Calcutta Saturday of Hammarskjold's trip. The Prime Minister told newsmen there that the U.N. decision to send the secretary general to Peiping was "unfortunate" and was made in a one-sided manner.

He also said he had not asked the Chinese Communists to reconsider their imprisonment as spies of the American airmen and "I don't know whether or not they will."

Among those on hand to greet the U.N. diplomat on his arrival were Shen Chien, charge d'affaires at the Red Chinese Embassy here, and Russian, American and Scandinavian diplomats.

### Pope Pius Urges East, West to Seek 'True' Coexistence

President Jose Remon

VATICAN CITY (AP)—Pope Pius XII, in his delayed Christmas message to the world, urged East and West today to seek peaceful coexistence.

The Pope's annual holiday message, his 16th, had been delayed by his current illness.

In this, as in all of them, he pleaded once more for peace.

The 79-year-old head of the Roman Catholic Church called for "true" coexistence. He said the world's present state of relative calm is based on fear.

The message was written in Italian and an official translation into English was issued by the Vatican press office. On Christmas Eve an abbreviated message the Pope had recorded was broadcast over the Vatican radio.

The Pontiff described the world today as neither at war nor peace. Instead, he continued, the cold war has slowly been replaced by a period of decreased tension between the opposing parties, "as if they were giving each other a longer breathing space."

"Not without some irony," he went on, "this decreased tension has been given the name 'cold peace.'"

"Each of the groups, into which the human family is divided, tolerates the existence of the other, because it does not wish to perish. By thus avoiding the fatal risk, the two groups do not live together, they co-exist. It is not a state of war, but neither is it peace: It is a cold calm."

### Congress Convenes Wednesday, Hears Ike on Thursday

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—Filled with hope and mindful of the elections two years away, senators and representatives headed for the capital today for the opening of the 84th Congress Wednesday.

Technically, they should be convening at noon today, since the Constitution sets Jan. 3 as the opening date. However, it permits

### TODAY Row Over Foreign Policies

By STEWART ALSOP

WASHINGTON — At this time, when prediction of things to come is much practiced, it seems at least a sporting bet to predict a tremendous row about American foreign policy, to start almost as soon as Congress assembles.

The first order of business in the Senate, as regards foreign policy, will be two key treaties—the mutual defense pact with Formosa, and the Manila pact for the defense of Southeast Asia. It may seem unlikely that these treaties could generate a row, since there is not the slightest likelihood that either will be defeated. Indeed, it is always possible that they will slip quietly through Congress, without fireworks. But they could also act as detonators for some very impressive fireworks indeed.

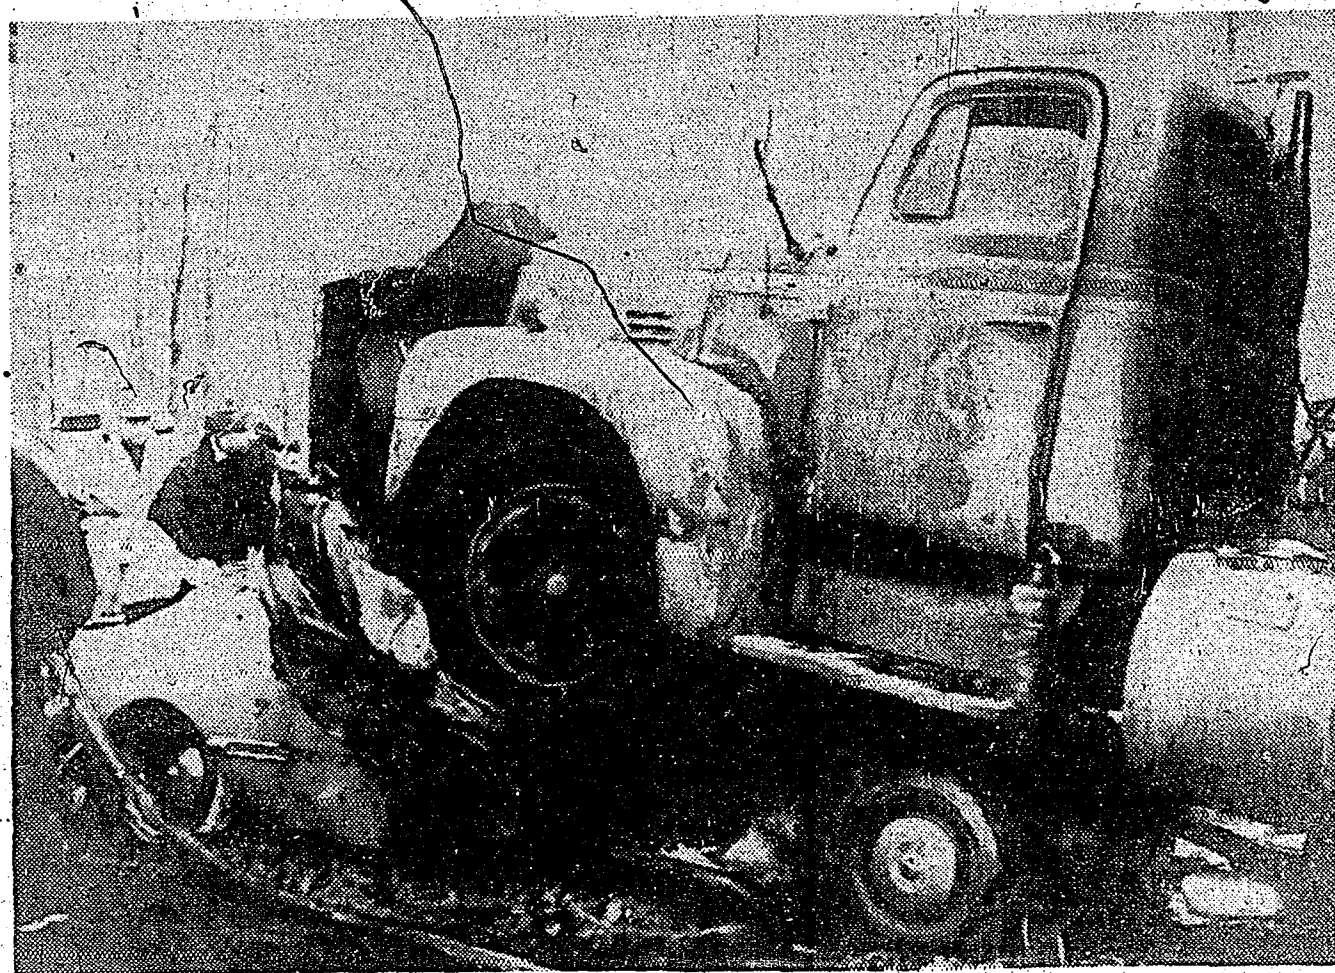

The present intention is to call Secretary of State John Foster Dulles, possibly Assistant Secretary of State for the Far East Walter Robertson, and the members of the Joint Chiefs of Staff to testify on the treaties, before the Senate Foreign Relations Committee. Sen. William Knowland, Republican leader, is a member of the Foreign Relations Committee.

Knowland has already taken sharp issue with the administration on foreign policy in Asia. He has called for another "great debate" on foreign policy, and he has proposed that the Joint Chiefs and the highest civilian officials be called to testify on their views about foreign policy. The hearings on the Manila and Formosa pacts, in other words, will give Knowland just the opportunity he has demanded.

Nor is this all. It is no secret (Continued on Page 4, Column 3)

### Attlee 72 Today

LONDON (AP)—Former Prime Minister Clement Attlee is 72 today. After a quiet day at home, he and Mrs. Attlee planned to go out for a birthday dinner.

Three Persons were killed in Highland Park, Ill., Sunday, when their car was hit from behind by a trailer truck which then rolled over the car, crushing it. The car was stopped at an intersection when hit. The victims were Mr. and Mrs. Harold Hansen and their son, Lawrence, 19. Two others, sitting in cars in front of the Hansen auto, were injured. ### Only Texas Has More Fatalities Than Minnesota

### Wisconsin Reports Ten Dead in New Year's Mishaps

By THE ASSOCIATED PRESS  
Minnesota had the dubious distinction today of starting out a brand new year with a tragically high toll of traffic deaths.

Over the New Year's weekend, at least 19 persons died on the state's highways. Of all the states, it appeared only Texas would top that total of weekend fatalities. Ten were killed in Wisconsin.

Many others were injured, several critically. Twelve of those killed perished since 1955 began at midnight Friday. That was double the toll during the first two days of 1954.

Earl Larimer, state director of highway safety, doubted whether Minnesota had ever had a week where there were so many multiple fatality accidents. Up to four persons died in the various mishaps that bloodied the state's roads.

Larimer thought that 90 per cent of the deaths "could be charged to plain, unadulterated foolishness."

"Someday our people will have to learn it's up to them to drive safely," he declared. "Too many drivers operate on the theory that traffic safety is just fine for someone else."

### Crash Kills Four

Three fatal accidents Sunday each claimed more than one life. The worst was near Madison, where four members of one family died. A crash near Waseca killed an elderly couple. And a collision near Sandstone killed two teenagers.

In the Madison collision, the four dead and four of the injured were in one car, traveling on Highway 75. Killed were Fred Bauer, 39, Madison; his wife, Martha, 39; their daughter Louise, 10; and Bauer's brother, John, 41, Pollock, S.D., who had been visiting the Madison Bauers.

In a Madison hospital with critical injuries were two of the Fred Bauer children, Robert, 12, and Joan, 6. Lesser injuries were suffered by two others, James, 8, and Betty, 3.

The Bauers were en route to Madison, where the children were to go skating.

Sheriff A. G. Snaagard of Lac qui Parle County said Kenneth Monson, 16, Madison; S.D., driver of the second car, was being questioned about the accident at an intersection. Monson suffered cuts and bruises. His sister Alice, about 30, suffered a fractured leg, and a brother, Roger, 11, had cuts and bruises.

### 2 Killed of Waseca

Killed in the Waseca crash were Louis Nelson, 73, and his wife, Dora, 58, of New Richland. They were returning from a wedding

### HOLIDAY DEATHS

### 282 Perish In Weekend Auto Mishaps

By THE ASSOCIATED PRESS

The toll of motor vehicle accidents exceeded the Safety Council's estimate of 240, and it prompted Ned H. Dearborn, council president, to ask:

"What more do we need to bring us to our senses?"

Traffic accidents between 6 p.m. local time Friday and last midnight cost 282 lives.

During the period 27 persons died in fires and 36 in a variety of accidents for a total of 345 violent deaths. The over-all total for the 1954-49 New Year's weekend was 309.

Dearborn called the slaughter a "national disaster."

"Hurricane Hazel, which swept up the East Coast last fall, was a piker compared to the tidal wave of carelessness, selfishness and cold indifference that is piling up a holiday death toll on our highways which should shame any civilized nation," he said.

Hurricane Hazel caused 118 deaths.

In a comparable nonholiday weekend in December, an Associated Press survey showed there were 225 deaths in traffic accidents, 39 in fires, 67 in miscellaneous accidents.

On Safe Driving Day, observed by the nation Wednesday, Dec. 15, there were 51 traffic deaths.

### State Legislature Will Open Tuesday

ST. PAUL (AP)—Minnesota's Legislature convenes Tuesday in the tense atmosphere generated by the struggle for control of the House.

For the first time in 16 years liberals have a strong chance to sweep the conservatives out of leadership and establish divided control of the Legislature. Conservatives have a decisive margin in the Senate.

Their ranks swelled by the Democratic-Farmer-Labor resurgence in November, liberals claim 66 of the 131 House votes. This would be enough for hairline control of the chamber.

Backed for speaker is Rep. A. I. Johnson of Benson, serving his eighth term in the House. Conservatives have endorsed Rep. John Hartle of Owatonna for a third term as speaker. Hartle will begin his 10th term in the House.

Election of the speaker means power to name the standing House committees and the chairmen and to hire House employees.

The liberals already have prepared a list of prospective committee chairmen. At the same time, they have promised that if they organize the House they will grant conservatives proportionate representation on committees.

Thus the committee membership would be split virtually in half.

Conservatives have made no public announcements on their committee choices.

So close is the division that absence of one member could turn the tide. Absences, however, would not necessarily delay the election of a speaker.

### Bing Crosby's Son Held on Drunk Charge

LOS ANGELES (AP)—One of singer Bing Crosby's twin sons, Dennis, 20, appears in Municipal Court today to face a drunk charge.

Dennis was a passenger early yesterday in a car driven by Howard Norman Gilmore Jr., 21, a Stanford University student from Atherton, Calif.

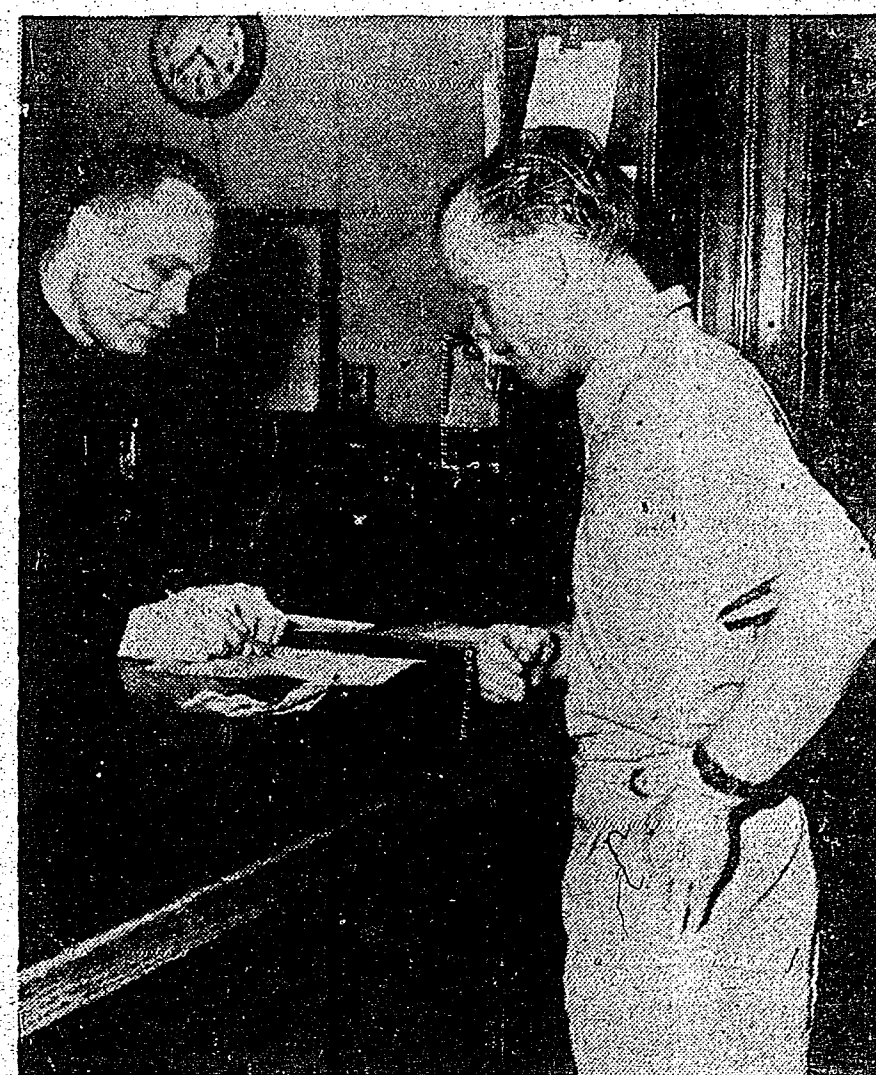

Police stopped their car on Wilshire Boulevard after Patrolmen George Santman and James Whitehead said it had swerved at three pedestrians and then took off at 55 m.p.h.

Gilmore was booked on suspicion of drunk driving. The officers quoted Gilmore: "I knew those fellows I swerved at. I don't think I came close."

Two of the pedestrians also were booked on drunk charges and identified as Paul B. Mardesich, 22, Sunnyvale, Calif., and Joseph Eldon Gresham, 23, Saratoga, Calif.

Gilmore was released on \$263 bail and the other three on \$20 each.

Officers said young Crosby was "very polite and very cooperative."

Singer Bing Crosby's 20-year-old son Dennis was arrested on a drunk charge early Sunday in Los Angeles and spent more than two hours in jail. He is shown here being released on \$20 bail at the Wilshire police station. Los Angeles County had 1,269 drunk arrests and 720 accidents on its streets and highways over the Christmas holidays. ## Scientists Set For Ruling on Salk Vaccine

SUN VALLEY, Idaho (AP)—Scientists today will take a crucial step that will soon tell them whether the long-heralded vaccine of Dr. Jonas Salk has conquered infantile paralysis.

Basil O'Connor, chairman of the National Foundation for Infantile Paralysis, told a radio audience last night that a research team in Ann Arbor, Mich., will make its first use of a code that will show which of 1,830,000 second-grade youngsters were given the serum last summer and which received a harmless substitute.

The code will determine the effectiveness of the serum, O'Connor said, by enabling scientists to compare the list of those who received the vaccine with those who have since been struck down by polio. "The riddle of the polio epidemic may soon be unlocked," O'Connor said. He did not say when the results of the evaluation would be announced.

His address came at the kickoff of the 1955 March of Dimes campaign, in which the foundation hopes to raise \$4 million dollars. O'Connor said the foundation has purchased nine million dollars worth of the vaccine, "to be ready for instant use if it proves effective."

The three-day kickoff continued today with the raising of a March of Dimes banner on Mt. Baldy near the Sun Valley resort, a fireworks display and a figure skating exhibition by U.S. champion Tenley Albright, a former polio victim.

Five-year-old Mary Kosloski, of Collierville, Tenn., March of Dimes Poster Girl for 1955, is taking part in the festivities.

## 33 Canadians Die In Holiday Accidents

TORONTO, Ont. (AP)—At least 33 Canadians met violent death during the New Year's holiday weekend. Nine persons were killed in Canada a year ago, but the holiday, falling on a weekday, was shorter.

## Friends Purchase TV Set for Polio Patient at BRP

BLACK RIVER FALLS, Wis. (Special)—Roger Grunlein, Jackson County's iron lung polio victim, got a Christmas present that Santa Claus didn't have a thing to do with.

Several hundred Jackson and Trempealeau County citizens bought a television set for the 22-year-old youth who has been paralyzed since 1949. The group of Hixton, Northfield and Blair friends started a collection Friday before Christmas and in a day and a half raised \$355.35—enough to buy a 21-inch set with antenna and deposit \$80 in the bank to handle any necessary repairs.

He has not been out of a hospital bed or iron lung since he was stricken with polio in 1949, the year Jackson County suffered its worst siege of the dread disease. The Hixton farm youth has been hospitalized in Madison and stayed at a nursing home in Black River Falls. This summer he was allowed to come home, accompanied by the iron lung, after his family moved into Black River Falls.

He is completely paralyzed save for the use of a few fingers on his left hand, but is able to operate a typewriter.

## Medal Sent Back To France as Rearming Protest

DAYTON, Ohio (AP)—Kurt E. Wallach, German-born U. S. Army reserve major, says he is sending his World War II Croix de Guerre back to France as a personal protest against that country's approval of West German rearmament.

Wallach, 47, says he has sent the medal to the French Embassy in Washington. French approval of German rearmament will be "disastrous for the French," he declared.

The medal was awarded for returning some captured flags to the French government while he was with the 3rd Army in Europe, Wallach said.

He now is an accountant at nearby Wright-Patterson Air Force Base.

## Tropical Storm Moving Through Caribbean Sea

MIAMI, Fla. (AP)—A tropical storm born with the new year, diminished in intensity today but continued to move west-southwest through the Caribbean below Puerto Rico at about 10 m.p.h.

A wintertime rarity, the storm was described as "very small" by the San Juan, P.R. Weather Bureau. Winds are estimated at 30 to 55 m.p.h. near the center. The storm is centered about 150 miles south-southwest of St. Croix, Virgin Islands. It is approximately 1,300 miles south of Florida.

All storm warnings in Puerto Rico and the Virgin Islands have been ordered lowered. The storm, described yesterday as a baby hurricane with winds near the center estimated at 65 to 75 m.p.h., was named Alice because it was the first hurricane of 1955.

## 11-Month Store Sales Here Top State's Average

Department and general store sales in Winona during November were 2 per cent lower than for the corresponding month a year ago, according to a report by the Federal Reserve Bank of Minneapolis.

However, dollar volume of sales for the year to date were 3 per cent above the same 1953 period, and that was above the state average. The state's total sales were unchanged.

Sales for the month at reporting stores in Minnesota averaged 1 per cent above figures for November last year.

November totals for Southeastern Minnesota were 7 per cent below November 1953 and down 3 per cent in year-to-date comparisons.

West Central Wisconsin also showed a decline from 1953 totals: Down 2 per cent for November and for the year as a whole. La Crosse was down 3 and 4 per cent.

## Willingness to Help Gets Out of Hand

BALTIMORE (AP)—When an ambulance stopped near his home yesterday, John Calvin Jones offered to help two firemen unload a patient. The firemen declined and Jones became demonstrative. Police said the 42-year-old Negro ripped the rear door of the ambulance open, broke the hinges and challenged the firemen to a fight. Again the firemen turned down his offer and Jones was arrested on a disorderly conduct charge.

## Job in British Government Urged For Duke Again

LONDON (AP)—The perennially recurring story about the Duke of Windsor wanting a British government job has cropped up again, with the Labor party weekly paper The People urging that he be given one.

"Let's stop treating the Duke of Windsor like the black sheep of the royal family," the Sunday newspaper said yesterday. "Let's recall the wandering Duke from the aimless exile to which we have condemned him."

The paper said "sound constitutional reasons" might prevent the Duke from settling again in Britain, "but there are many parts of the empire that would welcome his service." It spoke also of "this aimless, wandering life" he and his American-born duchess, the former Wallis Simpson, have lived since his 1936 abdication and their marriage.

Windsor, now paying his annual winter visit to New York, was not available for comment.

## Police Arrest Him For Driving Slowly

NEW BEDFORD, Mass. (AP)—Gilbert Ahrens, 22, of Whittier, Calif., wound up in the custody of police because he was driving too slowly.

Ahrens, a sailor attached to the USS McNair, was stopped by state police on Route 6 between Fall River and New Bedford for driving 10 miles an hour in a 45-mile zone.

Police said an investigation showed the car was stolen in Lancaster, Pa., Dec. 24. Ahrens was charged with larceny of a motor vehicle and having no registration in his possession.

## Congressmen Get Room for Meditation

By CHARLES F. BARRETT  
WASHINGTON (AP)—For the first time in 167 years of congressional history, senators and House members this year will have a special, secluded room for quiet meditation.

Capitol architect George Stewart said today the meditation room, authorized by Congress last year, will be ready for use when Congress meets Wednesday.

The idea is to provide a completely private, quiet, restful spot—in the midst of, yet somehow removed from—the tensions and pressures of politics and legislative action.

An office just off the Capitol rotunda—halfway between the House and Senate—has been remodeled for this purpose. It is only about 17 feet square.

It will have a large blue and white stained glass window, lighted from behind. Workmen in California's 21st congressional district are volunteering labor in off hours to make the window. The design will show a candle symbolizing light; a scroll representing the Sermon on the Mount; and an open book, symbolizing the Book of the Law. The window will be put in place soon. The rest of the room has been completed.

A large plain oak altar stands in front of the window. A green carpet extends out from the altar. Restful chairs, spaced along the soft blue walls, will be separated by small wood screens for more complete privacy. A table near the entrance will hold Bibles, prayer books, and other reading materials. Clergymen of the Catholic, Jewish, Protestant and other faiths were consulted to see that members of all faiths would find the room suitable.

## Annual County Board Meetings Set This Week

New Faces Appear At Wabasha, Preston, Caledonia

As county boards of commissioners hold annual meetings in Minnesota this week, new faces will be seen at sessions in Wabasha, Houston and Fillmore counties.

By state statute, the boards meet the first Tuesday after the first Monday of the year to enact annual business. However, Houston County officials were to meet today to name new officers, committees and set bonds for county officials.

Miss Dolores Hauge, county auditor, is the new face at this meeting. She replaces Mrs. Ruth Corcoran who did not stage an election race after serving out the term of her late husband. Miss Hauge has been the county supervisor of assessments.

Nick Jacoby, Wabasha, is new commissioner from the fourth Wabasha County district, unseating Andrew Binn in the last general election. Binner served eight years. The board meets at 10 a.m. Tuesday.

Elwyn Cummings, Carletona Township farmer, defeated veteran J. P. Stiles, Harmony, in the Fillmore County fourth district commission race and will join the board at 10 a.m. Tuesday for reorganization of business and general business. Stiles was chairman of the board for 14 years.

Herrick New, too, is J. F. Herrick, Lanesboro, county attorney replacing George Frognier, Harmony, who did not run for reelection.

At CALEDONIA following the reorganization meeting today, bids for printing and publishing, court-house janitor and engineer, stoker coal for the county jail and courthouse and the 1955 supply of culverts will be opened at 10:30 and 2 p.m. Tuesday.

In addition, clerk bids for county offices and salaries of board appointees are to be determined, bounties set and fund transfers for incidental funds made. Action also is expected on the request by a Hokah-Brownsville delegation for repair of County Aid Road 28.

At their December meeting, the commissioners allowed four days in which to handle annual business. Thus the session is expected to last into Thursday.

John Goetzinger, Brownsville, is currently chairman. The office is usually filled on a rotation basis.

Miss Hauge, new county auditor, served as supervisor of assessments since October 1947, when the post was created. Prior to that she was deputy auditor under Ove Hoegh and Mark Corcoran for eight years and retained this post while supervisor until reappointment in 1952. She is a graduate of Caledonia public schools and attended the University of Minnesota two years.

For the last seven years she has been the secretary-treasurer of the Minnesota Association of Assessing Officers.

When Fillmore County commissioners meet at PRESTON Tuesday, bids for 1955 supplies of gasoline and diesel fuel, 50,000 gallons of asphalt, printing and publishing will be opened at 2 p.m. Sessions will probably extend into Wednesday.

According to Wilbur Keimel, WABASHA County auditor, the board will reorganize early Tuesday and then handle annual business which will include opening bids for printing and publishing and publishing Tuesday afternoon, setting foxgopher and barberry bounties; naming two members of the county extension committee; naming a board of health; selecting depositories for county funds; making transfers from revenue to incidental fund; approving committees for soil conservation, nursing and extension; appointing janitors and setting salaries and clerk hire.

The session probably will last through Wednesday.

**Inquest Called in Death Of Tavern Operator**

WINNEBAGO, Minn. (U)—An inquest will be held today in the death of Clarence Helling, 43, local tavern operator who was found shot to death in his upstairs apartment.

Helling's body was discovered Friday by his son. A bullet from a deer rifle had entered Helling's left shoulder and penetrated the chest. Helling's wife said she heard no unusual noises while she was working in the tavern.

Apple-and-bread stuffing for roast duck takes on new interest when it is seasoned with grated lemon and orange rind and nutmeg or cinnamon. This stuffing is also delicious with roast goose.

## City's Population Estimate: 26,500

Present population of Winona is approximately 26,500, according to a new estimate for the "1955 Editor & Publisher Market Guide."

This population estimate compares with the official count of 25,031 made five years ago by the U. S. Census Bureau. That would be an increase of 1,469 persons or 5.9 per cent.

The annual publication of the newspaper industry also estimates that the total 1955 individual incomes here will be \$37,500,000 compared with \$36,250,000 in 1954.

According to the estimate \$37,000,000 will be spent at retail compared with last year's \$35,500,000.

## 2 Houston Co. Posts in Doubt As Year Begins

CALEDONIA, Minn. — At the start of the fiscal year here this morning, Houston County was still wondering who would be its future sheriff and assessor.

Neither post had been filled officially as county officers were taking oaths this morning.

When court adjourned shortly after 3 p.m. Friday in the dispute over the sheriff election, Beryl Kerrigan, through his attorney, Stanley McMahon, Houston, and C. Stanley McMahon, Winona, called for a new election or invalidation of the La Crescent precinct for alleged irregularities by the election board.

Judge Karl Finkelnburg will rule on the issue, probably late this week, after studying briefs by both sides. Clarence Vetsch, La Crescent, victor in the Nov. 2 general election, through his attorney Milton Kludt, La Crescent, and Clarence Kludt, Crookston, must file a brief with the judge by Tuesday.

The contestant must file a reply brief by Thursday.

**Assessor Situation**

G. Howard Spaeth, state commissioner of taxation, stated today that only one applicant had been interviewed by his office for the post of Houston County assessor. He added that two questionnaires filled out by other applicants were on his desk, although interviews have not been scheduled. It is customary for assessing officials to be cleared by the state tax office before appointment by the county board.

Miss Dolores Hauge, supervisor of assessments since 1947, has vacated the post to assume the office of county auditor which she won Nov. 2. Thus, until a replacement is named, the county will be without a supervisor of assessments or assessor.

The board created the post of assessor at the December meeting and it is understood that the new officeholder would have this title. Minimum salary for this office according to law is \$4,200, according to Spaeth. The county also would be expected to provide adequate assistance.

Those who made application for the post were: Roy Schoh, Caledonia; A. C. Renslo, Caledonia; Paul Baumgartner, Houston; C. L. Goergen, Caledonia; Philip Senn, La Crescent; Dan Schlabach, La Crescent; Elmer Deschner, La Crescent; Victor Palen, Caledonia; and Leonard Tolesrud, Caledonia. Deschner is the only person interviewed so far.

**Trial for Sheriff**

Milton Kludt questioned William Daley, Caledonia, a member of the three-man recount board; Vetsch and Mrs. Ruth Corcoran, county auditor, briefly Friday afternoon before both sides rested and oral arguments began. McMahon, in a summary of the contestant's evidence lasting about 50 minutes, declared there was sufficient evidence presented to declare the entire election invalid.

He asked the court to consider this if the La Crescent precinct was not invalidated for its alleged irregularities. Following a short recess near 3 p.m., Kludt charged that the contestant had failed to show evidence of fraud and that state Supreme Court action supported the election boards unless fraud is proved.

Judge Finkelnburg asked for the briefs and is expected to rule on the matter by the end of the week. In the meantime, Vetsch can make a move to assume office by withdrawing a stipulation agreed to at a pre-trial conference in Winona last week. Kerrigan could then file for an injunction against the auditor and Vetsch to prevent it.

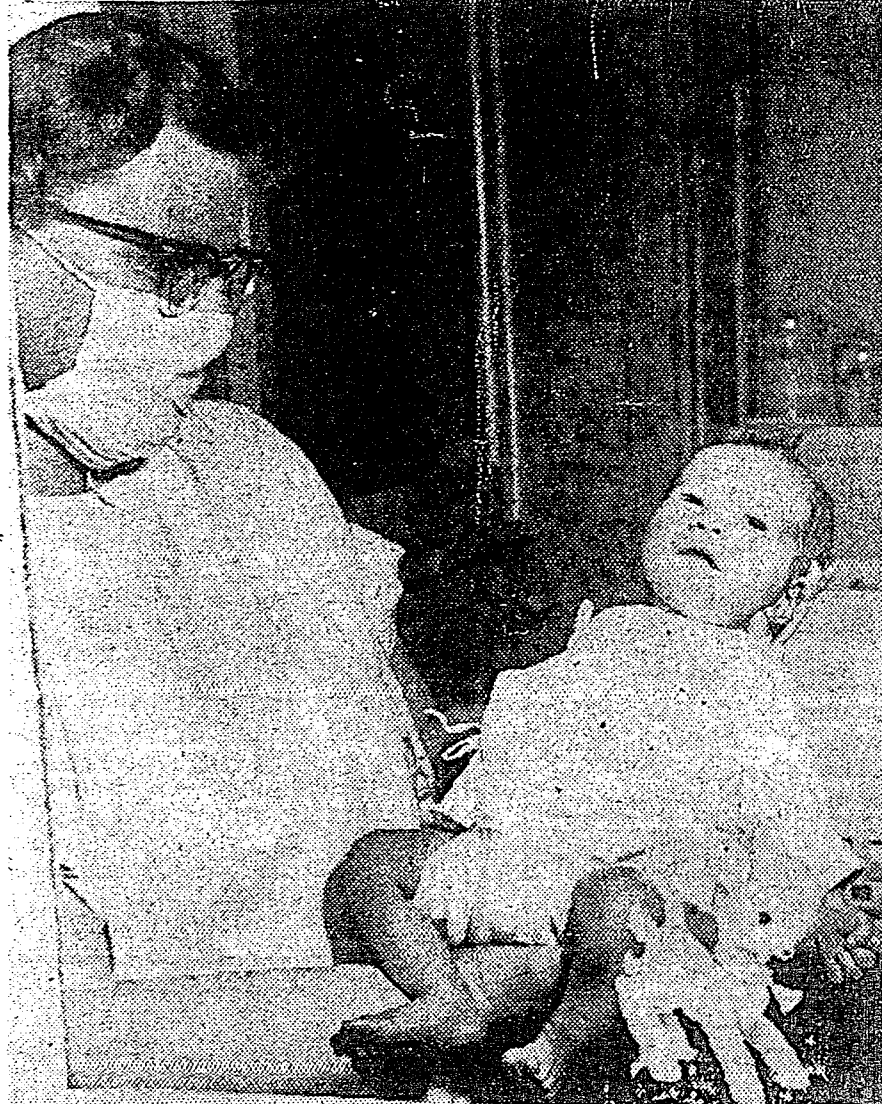

**Would-Be Suicide Leaps 4 Stories and Lives**

BALTIMORE (U)—"Here I go," Melvin Northington shouted from a rooftop here yesterday. Then he rolled off the four-story building and fell to the sidewalk.

The 26-year-old Negro was taken to Mercy Hospital with a fractured pelvis and arm. The body struck a ledge on the first-floor roof before dropping to the sidewalk.

Police found a blood-stained coat, a hand towel and a knife with a 12-inch blade on a nearby roof.

Firemen and police had arrived on the scene moments before Northington fell. "Get out of the way," he told them. "I'm going to kill myself."

This Bouncing Baby Boy held by nurse Miss Bernadine Gappa is Winona's 1955 New Year baby. The son of Mr. and Mrs. Earl Brandes, 272 Adams St., he was born at 1:40 p.m. Saturday at the Winona General Hospital. Brandes said this morning he didn't know what name his wife has selected for the youngster who has a 4-year-old sister, Dawn Marie. He weighed 7 pounds, 8 ounces at birth.

Brandes is an automobile mechanic and a lifelong Winona resident. The infant's grandparents are Mr. and Mrs. George Brandes, 1194 E. 3rd St., and Mr. and Mrs. William Laska, 563 Vila St. His mother is the former Miss Betty Ann Laska. (Daily News photo)

## Highway 76 Bids Asked January 21

The first bids for the reconstruction of Highway 76 from Wixotoka to Houston will be received by the Minnesota Department of Highways Jan. 21, Commissioner M. J. Hoffmann announced today.

This first bid opening is for a bridge over Money Creek, 9.1 miles north of Houston in Winona County. It is bridge 6885.

The new structure will be considerably larger than the present bridge. The new one will be 30 feet wide and 135 feet long, consisting of three 45-foot spans. Location will be approximately the same.

The highway department announced only Saturday that it plans to let a construction contract for the Wixotoka-county line sector in 1955 and also for a new bridge over the Root River at Houston. However, the county line-Houston sector is not scheduled for letting this summer, at the present time.

Combined with the modern highway built two years ago by Winona County from Wixotoka to Winona down Pleasant Valley, the new Highway 76 will give this area a road that is up to standard secondary highway requirements. It will be comparable, in standards, to Highway 43 from Winona to Rushford.

## No Bad Crash Over Weekend, Police Report

New Year's weekend driving produced no serious traffic accidents in Winona County, authorities here reported today.

Sheriff George Fort received no accident reports during the three-day period and only four collisions were investigated by police.

The only traffic injury listed during the weekend occurred Friday morning when a car skidded into a tree on Lake drive.

Darrel Mohan, 301 Mankato Ave., told police that he was driving west on Lake drive at Main street when his car skidded on ice and the back end of the automobile struck a tree. The accident occurred at 12:05 a.m.

A passenger in the car, Lois Munson, 650 W. 5th St., complained of back pains but was not taken to the hospital.

**CITY OF WINONA TRAFFIC BOX SCORE**

	1954	1955
Accidents	2	5
Killed	0	0
Injured	0	0
Damage	\$350	\$880

Damage estimated at \$400 resulted from the collision of two cars at West 4th and Johnson streets at 8:30 p.m. Friday.

Harold Richter, 829 W. 5th St., was driving north on Johnson street and stopped for a stop sign at West 4th street. As he began to drive through the intersection his car and a westbound car driven by Marlin Wohler, Dakota Rt. 1, collided.

Each driver estimated his damage at \$200.

Donald Woodard, Dakota Rt. 1, told police that his car was struck by another at West 3rd and Johnson streets at 6:25 p.m. Saturday.

Woodard said that he was driving west on 3rd street when the other automobile passed him and then cut in sharply ahead of him to avoid a collision with an oncoming car.

When the other car cut in it struck the front end of his car and caused \$50 damage. Woodard said, adding that the other automobile did not stop.

A car driven by Donovan Timm, Minneapolis, and a truck driven by Daryl Potter, Winona Rt. 3, collided at West Mark and Olmstead streets at 4:55 p.m. Sunday.

Timm reported \$300 damage to his car but no estimate of damage to the truck has been filed. Timm was driving west on Mark street and Potter south on Olmstead street.

## Youngsters Flown From California

Two tired but excited Winona youngsters returned home early this morning after spending part of the holiday season in California.

Marilyn Anderson, 511 W. Mill St., and Jerry Nelson, 4742 W. 6th St., Goodview, arrived at the Winona Municipal Airport with Max Conrad at 3 a.m. today.

Conrad flew the youngsters to California and back as a reward for their efforts in his Winona Experiment. Marilyn flew out with the famed light plane pilot before Christmas and Conrad returned to take Jerry to California last week.

The return trip to Winona required only 16 hours and Conrad continued his flight east because of favorable prevailing winds. He is scheduled to ferry a plane to Paris for an airplane manufacturer, but won't be trying a non-stop New York to Paris flight as he did early in November. Conrad made the solo flight in 22 hours and 23 minutes.

The youngsters saw the Rose Bowl parade Saturday.

**MERCHANTS BUREAU**

The Association of Commerce Merchants Bureau will meet Tuesday at 6 p.m. at Hotel Winona.

K. O. Gunderson, newly elected chairman of the bureau, will preside at the dinner meeting. A discussion of the expanded retail promotional program for 1955 and a review of the extra shopping night schedule last month are scheduled.

Dr. M. H. Doner ("1955 Insecticides"); C. P. Crawford ("Common Sense Selling of Farm Line"); Tom Rogers ("High-Level Feeding"); L. J. Ryckman ("Show Dealers How to Get Requirement Orders Poultry, Dairy and Hog Programs"); C. S. Case ("Small

Maximum temperature during 1954 was the 98 in June, and the lowest high temperature for any

month was last month's 42. January recorded a 43.

There was only about two degrees difference between the average mean and average normal temperature totals for the year. Mean was 48.28, normal is 46.16.

There were no heavy snowfalls during the four "winter" months (January, February, November and December), but an abundance of rain during the other eight months of 1954 produced a total precipitation more than 10 inches above normal, the year-end report of Federal Weather Observer William J. Cole reveals.

Precipitation of all kinds totaled 39.50 inches while the normal is only 29.27.

The four winter months were an average of half an inch below the monthly normals, while the eight other months averaged an inch and a half above normal totals.

April was the big month precipitation-wise, with a total of 8.29 inches, almost 6 inches above normal.

Only January recorded sub-zero temperatures, with a low of minus 21 degrees. The coldest February temperature was zero while March

## Ward Company Sells Business To Iowa Firm

Washington Street Building Not Involved in Sale

The Ward Co. has been sold to an Iowa firm.

Officers of the Winona direct-selling firm, in business here for over 50 years, said that the business has been sold to the G. W. Ward Co. of Madrid, Iowa, which is a similar firm. The sale is effective immediately, and moving of stock will get under way this week.

The sale does not include Ward's large manufacturing building at 575 Washington St. but it does include the name, lines and stock. The York firm intends to continue the Ward line, as well as the Bleecker line. Ward has sold the Bleecker line since about three years ago when it purchased the Farmington, Minn., firm.

A spokesman for Ward said that the firm was incorporated here in 1898, but that one of its products—Ward's Liniment—has been sold for nearly 100 years. He said that Joe Sands was selling the liniment in the Plainview, Minn., area as early as 1856, and that this product led to the formation of the Ward firm.

Officers of Ward's prior to the sale were C. D. Teare, president, John D. Teare, secretary, and Robert J. Teare, treasurer. Principal stockholders of the York firm are D. L. Anderson and L. N. Neff.

**Northwest Orient Sets Passenger Record**

ST. PAUL (U)—Northwest Orient Airlines set an all time passenger traffic record Sunday when 4,100 men, women and children boarded its planes on the transcontinental domestic route, the company reported today.

The previous high was 3,966 on June 20, 1954, during the peak of summer travel. The total on Jan. 2, a year ago was 3,921.

The airlines headquarters, Minneapolis-St. Paul, also established record passenger load this Jan. 2, the total being 1,162. The previous high for the Twin Cities was 1,057 on June 30, 1954.

## PAUL HARVEY NEWS

## A Challenge, a Purpose

By PAUL HARVEY

NEW YORK—Getting up in the world causes anybody a kind of acrophobia. A statesman . . . or a schoolgirl on her first high heels. It is this uneasy, self-conscious fear of high places which has filled my waste basket with the discard of many attempts at writing my first column.

The reader's generous nature or fortunate habit, however, should cover up for me this once. And while his attention is directed deliberately or discreetly to the less strained utterances of the old pros, may I direct my first visit to the editor of this paper:

Sir, you are a brave man.

You have hired a new newsboy. At best, he is likely to throw wide of the porch. At worst, he'll probably put a few through somebody's window.

In effect, you're betting he'll sign more new customers than he'll cost you in smashed windows. I hope you're right.

Mister Editor, though I've never worked for you before, I have much and high regard for this newspaper.

I am, in fact, in awe of the terrifying responsibility of leading others when we are ourselves so often uncertain. That you are willing that I should share with you this responsibility is something I cannot take lightly.

This only I pledge to you: Sincerely,

Harvey

NEW YORK — Frank Sinatra was twitting his pal, Toots Shor, the master insultor, about his boisterousness. "You go into Reuben's or El Morocco," said Frank, "and they talk softly to you. They don't sit down with you and talk to your girl."

"So look what happens to 'em!" bellowed Toots. "They got customers!"

My B. W. bought me one of the tricky big floodlamps for my photography outfit for Christmas. "Earl has all the equipment now," she is fond of saying. "Earl has everything but pictures."

(Continued From Page 1)

whatever that there is a profound division inside the administration on the basic issues of foreign policy—above all, policy in Asia.

Within recent months there have been two occasions when this deep division has almost led to a surface explosion. The first occasion was when Adm. Arthur Radford, chairman of the Joint Chiefs, and Robert Carney, and Gen. Nathan Twining favored committing American air-sea power to hold Indo-China. The second occasion was when the same men favored committing air-sea power to the Chinese mainland, if necessary to hold the Chinese Nationalist off-shore islands.

Both times, Gen. Matthew Ridgeway made up a minority of one on the Joint Chiefs. And both times, the issues were finally settled in Ridgeway's favor by President Eisenhower himself.

It is no secret either that there is now a certain tension among the Joint Chiefs, of the kind which is almost inevitable after this sort of policy clash, and of the kind also which often leads to public blow-ups. Radford, moreover, has certainly discussed his views in private not only with Knowland, but with other influential Republicans, like Sen. Styles Bridges of New Hampshire.

Radford Outspoken

Radford is a brilliantly persuasive man, who has always been very decidedly outspoken about issues on which he feels deeply.

It is probable that he feels even more deeply on the issue of Asia policy than he did on the issue of air policy, during the B-36 row between the Navy and the Air Force.

The other Joint Chiefs—including Ridgeway—are not given to hiding their lights under a bushel either. Thus it does not take a great deal of imagination to see how the forthcoming hearings before the Foreign Relations Committee might bring fully into the open the split in the administration.

This split has heretofore been largely concealed. But with Knowland and other Senators questioning both Dulles and the Joint Chiefs on Asia policy, it is hard to see how it could continue to be hidden. The substance of any testimony before a Senate committee, even testimony taken in executive session, always becomes public property before too long.

Difficult Time

If the hearings do start an angry debate on Asia policy, the ad-

ministration will be in for a difficult time. For it is the President himself who has taken the basic decision on Asia policy. His decision is to avoid committing American forces in the area, if this can be done short of dishonor. Yet if Radford, for example, is asked at the hearings whether American forces should be committed if needed to save the Nationalist off-shore islands, what can he say other than what he is already known to believe?

Thus it is at least possible that the hearings on the Manila and Formosa pacts might give rise to the kind of major crisis which led to former President Truman's firing of Gen. MacArthur. If the Chinese Communists choose in the next few weeks and months to move against the off-shore islands, moreover, this kind of crisis will become, not simply possible, but highly probable.

Yet the public debate on Asia policy which seems likely will surely be a healthy thing. For it is a most unhealthy thing for the kind of basic policy division which now exists in the administration to be bottled up, and to fester in concealment.

### Brother Quizzed In Strangling Death of Girl

BUCYRUS, Ohio (AP)—A 17-year-old boy was held for questioning here today in the strangling death of his sister—youthful by one year—whose nude body was found in a thicket north of Galion Saturday.

Crawford County Prosecutor John D. Sears Jr., says he is holding Frederick Spears, of Galion, in county jail.

The body of the youth's sister Patricia, 16, was found about 125 feet from a road by two teen-age hunters.

Dr. B. P. Mansfield, county coroner, said an autopsy showed the blue-eyed young high school sophomore was strangled both manually and probably with a cord shortly after she was reported missing Friday. He said she had not been sexually attacked.

Sears said Frederick told him he

last saw his sister Friday morning before he left for work at a sewing machine agency.

The prosecutor said the youth was several hours late for work that day, but explained his absence by saying he had to go to Bucyrus for some equipment for his car.

The girl's parents, Mr. and Mrs. John Spears, could give no explanation for the tragedy.

Sears said Frederick had spent a year in a private Michigan correctional institution after a juvenile court decision on an arson charge. The youth was released last July, Sears said.

## A Year-End Telegram to the 10,000 Ford Motor Company Dealers of America

(Text of a message sent by Henry Ford II, President, Ford Motor Company, shortly after the close of business in 1954)

1954 was a great year for America.

We proved that we can have peace and prosperity at the same time.

1954 was a great year for Ford Motor Company, too.

In 1954, our domestic payrolls totaled more than \$950,000,000, averaging better than \$18,000,000 each week.

1954 was the best sales year in the 51 years we have been in business.

In 1954, the American public bought more Ford Motor Company passenger cars and trucks than in any other year. In total, our customers selected and purchased more than 2,000,000 Fords, Lincolns, Mercurys, Ford trucks and Ford tractors.

During 1954, the public swing to the Ford passenger car was clearly established.

Complete sales information for the industry is available, at this moment, only to November 1st.

For the first 10 months of 1954, more people bought Ford passenger cars than any other make. In fact, for the entire 15-month period from August 1, 1953, to November 1, 1954—a postwar period of free competition—the Ford car is first in sales... and our sales are continuing at a leadership rate.

We are proud of this record for 1954. We are grateful to the people who made the record possible—our employees, our dealers, our suppliers and, most importantly, our customers.

As still another great year for America begins, we remind ourselves that any achievements of ours are made possible only by the kind of country in which we live and work.

We believe that American freedom and American opportunity are the silent partners of all the individuals and all the companies that have helped keep this country always new, young, vigorous and strong.

Henry Ford II

## Business Has Much at Stake In New Congress

By SAM DAWSON  
NEW YORK (AP)—Business has plenty at stake as the new Congress opens this week—with decisions coming up on taxes, tariffs, fair trade laws, flexible farm price supports, public housing, foreign aid, minimum wages and unions and the antitrust laws.

Most businessmen expect that on the whole, Congress will deal with them kindly although not granting them all that many of them would like.

President Eisenhower's State of the Union message Thursday will give the lowdown on what the administration would like Congress to do for business.

Most business leaders expect the message to be woven from rose-colored threads.

The one big bogey is the threat of rising unemployment. And industrial leaders understand that Washington is counting on the business pickup to hold the total around the present three-million mark.

The President's proposal for a huge federal highway building scheme is regarded as the most likely spur to business in general that the coming session may enact.

The tax decision likely will go against business. The corporate income tax rate is due to drop from the present 52 per cent to 47 per cent April 1, and a number of excise levies are due to a slicing then too. But the congressional cards are apparently stacked for the continuation of the present rates for another year.

The tariff battle will involve many businessmen bitterly. Those with goods or farm products to export will back the President's request for power to cut tariffs on the theory that will give other nations more dollars with which to buy American goods.

Those who fear that cheaper foreign items will invade American markets will fight hard for higher tariffs. At the moment, however, the betting is that the President will get the power he asks.

Foreign traders look for the President to get somewhere near the three billion dollars he is asking for aid to foreign nations, especially in Asia. This wouldn't hurt world trade any.

Agriculture Secretary Benson's flexible farm price support program will be under fire, especially from dairymen objecting to a 75 per cent level for their products. In the food-processing industries, however, the expectation is that Congress will uphold Benson.

The proposed boost in the minimum wage from 75 cents to 90 cents an hour—or to \$1, as some in Congress suggest—would hit only a few industries, but it would hit some of them hard.

## Screen Gunplay Drowns Out Real-Life Shots

NEW YORK (AP)—Noisy gunplay in the movie at the Capital Theater yesterday drowned out for most patrons a policeman's real-life shots at the back of the house.

Detective Mary Shanley had spotted a suspected pickpocket in the theater audience and took him to the rear of the house to search him. She ordered him to kneel, but instead he swung around, knocked her off balance and broke away.

She quickly fired two shots at the fleeing man. Both missed, but retired Patrolman John Duffy, who was in the audience, stopped him.

The movie, "Verte Cruz," a Western, was running through a shooting sequence when Detective Shanley's shots were fired and only a few patrons sitting near the back realized there was some honest-to-goodness shooting going on, police said.

The man seized was identified as Henry Orlando Martin, 26, whom she had arrested once before in 1953 on pickpocket charges.

He was charged with assault and mingling in public gatherings for unlawful purposes.

## Ellen Russell Becomes Bride Of Gary Gore

GALESVILLE, Wis. (Special) — Miss Ellen Alayne Russell, home economics teacher in the Gale-Ettrick High School, became the bride of Gary G. Gore in a post-Christmas ceremony in her home town of Augusta Dec. 28.

Vows of the couple were spoken before the Rev. Donald Pardon of the Evangelical-United Brethren Church at 2:30 p.m.

The church was decorated in snow-touched pine boughs with potted poinsettias at the altar. Flanking the altar were candelabra with ice blue candles and a Christmas tree trimmed with blue lights and icicles. At the reception in the church parlor, pine boughs, white and blue candles and silver balls continued the Christmas theme.

The bride is the daughter of Mr. and Mrs. Selden Russell, Augusta, and the bridegroom, the son of Mr. and Mrs. Leroy Gore, Sauk City, Wis. Both graduated last June from Stout Institute, Menomonie.

Attending the bride was Miss Patricia Foley, Chicago. Kay Beth Kohnke, Augusta, was flower girl. The bride and her maid of honor were in tailored suits of navy and coral, respectively. On the bride's white Bible was an orchid. Miss Foley wore a corsage of baby orchids.

Donald Gore, Ft. Atkinson, attended his brother as best man, and Dean Debussman, Augusta, carried the rings. Ushers were Elden Russell and Arthur Solie.

After a brief wedding trip, Mr. and Mrs. Gore will occupy an apartment they have furnished in the home of Mrs. Jessie Hale. Mrs. Gore to continue teaching here while her husband is employed as a printer in La Crosse.

### Why Not Join Our Reducing Family in '35?

By IDA JEAN KAIN

A New Year is always a time of beginning again. It's a stimulating challenge and that is why it is good resolution time. If you are among the millions of overweights who are totting 20, 30, 40 excess pounds, you have no doubt firmly resolved to reduce. Good—but make it more than that. Resolve to get out of the humdrum and be vitally alive! It isn't middle age that spreads the figure, it's a limp spirit.

The key to desirable weight is in believing you can lose weight. Perhaps what is needed more than anything else is encouragement, sometimes only the initial promise that it can be done. Of the millions of words written on reducing this dietitian finds that letters from successful reducers are the best morale boosters. Often they are electrifying in their effects. You catch that quickening of the spirit that motivates you to make the inner decision to banish the burden of fat.

Through sharing the experiences of other overweights, their trials and their triumphs, you gain enlightenment as well as inspiration. You no longer feel alone in your struggles. Suddenly you believe you can cope with any amount of excess fat. Then you realize that the number of pounds to be lost is not nearly so important as your attitude. You anticipate how wonderful you will look and feel at normal weight . . . and right out of the blue, the "will" to slim down is yours.

Reducing clubs are increasingly popular today, for together people will do many things which are difficult to do alone. If you can join a club or do your reducing with an overweight friend, fine. But one and all, tune in to the experiences of our reducing family at large.

About the diet . . . on this pattern of eating, you can lose 2 pounds a week and increase your energy. You will find the Choice Diet flexible enough to fit your way of life.

Tomorrow's column proves that nothing is impossible once a woman makes up her mind.

**CHOICE DIET**  
Tomorrow's Menu  
BREAKFAST (200-275 calories)—Citrus fruit juice (5 oz.), Choice of 1 or 2 eggs, thin slice toast, butter (1/2 pat), Hot cereal (1/2 cup), Whole milk (1/2 cup), sugar (1 teaspoon), Coffee, black.  
Note: If eggs are fried, grease skillet lightly. For sweetening in coffee, use saccharin, Sucaryl or Sugarine.

## Eagles Greet New Year at Party for 300

About 300 attended the New Year's Eve party given by Winona Aerie, Fraternal Order of Eagles, at the Eagles Hall Friday night. Gracie and Her Evening Stars played for dancing and entertainment during the evening. Holiday greetings were extended shortly before midnight to the guests by Howard Johnson, worthy president of the aerie.

Hats, horns, bells and noisemakers were distributed at that time so that merrymakers could welcome the new year. Felix Pronovost, publicity chairman, in a brief talk, commented on the crowd present, the largest in recent years, and on the past year and offered wishes for the new year.

Walter Hoppe, chairman of the committee in charge of arrangements for the party, was assisted by trustees and officers of the aerie.

### TO HAWAII

Mr. and Mrs. W. S. L. Christensen, 305 Winona St., left today for Los Angeles, Calif., from where they will go by plane to Honolulu. They will return by ship at the end of January.

## Athletic Club Entertains 350 New Year's Eve

About 350 attended the New Year's Eve dance at the Winona Athletic Club at the clubhouse Friday evening. Holiday decorations lent a festive air.

Dancing was from 9 p. m. to 1 a. m. with the music furnished by the Ken-Burke orchestra. A lunch was served at midnight and favors were distributed prior to that time.

Henry Muras, president of the club, was general chairman in charge of arrangements for the party.

### CATHOLIC AID SOCIETIES

The St. Joseph's and St. Elizabeth's Catholic Aid Societies of the Cathedral of the Sacred Heart will be host to the Catholic Aid Societies of Rollingstone and Elba at a joint installation of officers Tuesday at 8:15 p. m. in the K. of C. Clubrooms. Installing officer will be Michael A. Eitel, grand president of the Catholic Aid Association. A short business meeting will precede the installation. A social mixer will follow. Lunch and refreshments will be served. All members of the above named societies are invited by those in charge to attend.

## OES New Year's Day Dance Attended by 200

About 100 couples attended a New Year's Day dance at the Masonic Temple Saturday. Music was furnished by Johnny Roberts orchestra and decorations provided a holiday atmosphere.

An anniversary waltz was played in honor of Mr. and Mrs. Gordon A. Ostrom who were observing their wedding anniversary.

The grand march and the circle two-step were directed by C. A. Hedlund.

On the committee on refreshments headed by Mrs. Hedlund were the Mmes. Herbert Schladsinske, Fred Dabelstein, John C. Fair, Carl Frank, H. A. Stow, Florence Drysdale, William Teegarden and W. L. Hodgins. Mrs. A. C. Brightman, worthy matron, and John C. Fair, worthy patron, were in charge of the party.

### COTTER MOTHERS CLUB

Because of the Cotter-Winona High basketball game Tuesday evening, the Cotter Mothers Club will meet Wednesday at 8:15 p. m. in the recreational room of the school rather than Tuesday. Mothers of students from St. John's Parish will be in charge of the social hour.

## KC New Year's Eve Party Enjoyed by 100

The New Year was greeted by about 100 members of Winona Council, K.C., and their guests at the KC Club Friday evening. Special decorations were used in the clubroom and music and entertainment were enjoyed.

A lunch was served. Arrangements were in charge of Harry Dusold, council activity chairman.

# New Year's Eve Dance of VFW Attended by 150

Noisemakers and favors greeted the New Year at the New Year's Eve dancing party given by Neville-Lien Post, VFW, at the VFW Club Friday evening. About 150 attended the party.

Dancing was from 9 p.m. to 1 a.m. with James Stutzka and his musicians furnishing the music for the evening. The club was decorated for the holidays and the party.

Arrangements for the party were in charge of Robert Beeman, Clifford Kanz and Lauris Petersen.

# New York Giants Autographed Ball To Be Auctioned

A baseball autographed by members of the New York Giants will be auctioned off for the benefit of the March of Dimes polio fund campaign at the annual March of Dimes dinner sponsored by the Soroptimist Club of Winona at the New Oaks Wednesday evening.

Tickets for the dinner are still available from any member of the club. Dinner will be served starting at 6:30 p.m. Edward Allen will serve as master of ceremonies for the auction and for the program of audience-participation stunts.

Two special orchid corsages are to be auctioned off as well as other gifts from local merchants who are assisting in the polio campaign in this fashion. A Chinese auction, boutonniere furnished by local florists, surprise auction gifts, and "stake your claims" boxes filled with merchandise valued at two and three times the cost of the box will be added features to build the polio fund.

Flower girls who will sell the boutonniere will be Marlene Fernholz, Nancy Gynild, Judy Murlinger and Arlene Martinson.

The dinner is open to all Winonans and all area persons interested in an evening of fun which will also raise money to fight polio and assist victims of the disease.

A prime ribs of beef dinner will highlight the special dinner menu planned by Chef Walter Kelly. Janice Michels, organist, will play during the dinner hour and Henry Burton's orchestra later in the program.

Additional patrons and patronesses are Mr. and Mrs. Robert Krick, Mr. and Mrs. Julius Nathe and J. B. Neville.

Members of the club will meet at the Rite-Way this evening to wrap "stake your claims" packages.

# Dr. Nydegger to Be Speaker at AAUW Workshop

"Some Aspects of Satiric Poetry" will be the subject discussed by Dr. Elizabeth Nydegger, professor of English literature, College of Saint Teresa, when she addresses the members of the Winona AAUW at their annual all-day workshop Saturday in the YMCA. Illustrating generously from the recent best-seller "The Love Letters of Phyllis McGinley," as well as from other literary works, the guest speaker will consider representative objectives, techniques, implications, and pleasures of poetry of satire.

Dr. Nydegger who has had wide experience in addressing radio, academic and club audiences, and who has been heard frequently as the convocation speaker at the annual College of Saint Teresa Book Fair, is a contributor of articles and of book reviews to national magazines.

A graduate of the University of Wisconsin where she received the degree of doctor of philosophy, she is a former president of the Madison Branch of the National League of American Pen Women, a national council member of Phi Delta Gamma, national honorary graduate of Delta Sigma Rho, national honorary forensic fraternity.

Dr. Nydegger is being brought to the workshop program through the AAUW fine arts section of which Mrs. Lloyd Belville is chairman. She will be heard at the 12 m. session.

# NEW YEAR'S OPEN HOUSE

An open house for 70 guests at which Mr. and Mrs. Richard Powell, 111 W. Wabasha St., were host and hostess, was held at their home Saturday evening. Out-of-town guests were Mr. and Mrs. Robert Kropp, Logansport, Ind., and Mr. and Mrs. John MacLean, Houston, Minn.

Silhouette News is of prime importance these days. Nelly de Grab styles a jumper in printed cotton on long torso lines, at the right above. The high neckline, elongated bodice and full gathered skirt are all tops in fashion while the paisley-patterned material in water-color effect contrasts with the full-sleeved white blouse. Bart Everhart creates a youthful two-piece, at the left, the blouse in print and the skirt in plain color with the print used for ruching which follows a pattern of ruffled swirls. Colors in separates are brilliant—hot pink, lime, violet and orange. Water-color effects bring blues and greens together or oranges, reds and yellows.

# Red Men Give New Year's Party for 200

The New Year's Eve dance of Wenonah Tribe 20, Improved Order of Red Men, was attended by 200 at the Red Men's Wigwam Friday evening. Ernie Reck and His Country Playboys furnished music for dancing from 9 p.m. to 1 a.m.

Favors were distributed to the guests prior to midnight and holiday decorations were in place in the ballroom. On the social committee in charge of arrangements were William and Alfred Fratzke, Norman Lund, Leslie Ford and Albin Johnson.

# Treasure Hunt Welcomes New Year at Party

A treasure hunt preceded the welcoming of the New Year at a New Year's Eve party given for 34 by Mr. and Mrs. T. H. Underdahl, 302 W. Wabasha St., at their home.

On the successful team in securing "treasure" with the assistance of eight clues were Ted Biesanz, Mrs. Robert Brehmer and Frank Allen Jr. Their prizes were cocktail shakers and steak knives. The party also was in the nature of a farewell gathering honoring Mr. and Mrs. Brehmer who will make their future home in Phoenix, Ariz. Mr. Brehmer will leave Wednesday for Phoenix where he will be associated with the Phoenix Title & Trust Co. As soon as housing arrangements can be completed, Mrs. Brehmer and the children will join him.

Mr. and Mrs. Brehmer were presented with a set of pottery serving dishes.

# RETURN HOME

Mr. and Mrs. W. J. Miller and daughter Bonnylyn, Lake Drive, have returned home from two weeks spent in Mexico.

# ST. MARTIN'S AID

The Ladies Aid of St. Martin's Lutheran Church will have its annual meeting and election of officers Wednesday at 3 p.m. in the church parlors. Hostesses will be Mrs. Charles Baumann, Mrs. Leo Theis, Mrs. Walter Volkart and Mrs. Harry Wachs.

# Directors Elected By Farmers Union At Independence

INDEPENDENCE, Wis. (Special)—Albin Woychik, Independence, Ernest Jacobson, Strum, and Robert Howell, Centerville, were re-elected directors of the Trempealeau County Association of Farmers Union Locals at the quarterly meeting at Independence Thursday.

Thomas Filla was elected from the Pleasantville local succeeding Oscar Dahl, and Harold Tomter, Osseo, was elected to succeed Omar Austad, Blair, Woychik, who has served as secretary of the directors during the past year, will call a meeting in January for reorganization.

About 75 farmers attended the all-day session.

A representative from the Social Security Administration office at Eau Claire acquainted the audience with the new law which brings all farmers under social security starting Jan. 1. Although farm laborers have come under the act before, the law has been extended to bring farm owners and operators under it on a compulsory basis. They will not be required to pay their first self-employment social security tax for 1955, however, until April 1956.

Afternoon speaker was John McKay of the Farmers Union Central Exchange at St. Paul. He announced that Senator Hubert Humphrey from Minnesota will spearhead the fight for a better farm program in the new Congress opening in January.

Edmund F. Woychik, new manager and secretary of the Co-op Oil & Produce Co., Whitehall, showed a movie, "The Farmer Digs a Well," which demonstrated how farmers doing business with cooperatives become part owners in the oil industry in which the cooperatives are engaged.

Janet Olson of the Cripps School near Independence sang two solos, accompanied by her teacher, Miss Effie Filla. Alice Roskos of the Independence High School entertained with a humorous reading.

Next convention will be at Strum in March at a date to be announced.

# HOMER WSCS

HOMER, Minn. (Special)—The Homer Methodist WSCS will meet at 2:30 p.m. Wednesday at the home of Mrs. James Duke, Homer.

# BIRTHDAY CLUB

LEWISTON, Minn. (Special)—The St. John's Lutheran Ladies Aid will meet Wednesday at 2 p.m. in the school auditorium. Hostesses will be Mrs. Paul Seeman and Mrs. August Brand.

# HIGHLAND STORE MEETING

LANESBORO, Minn. (Special)—A special hog feeder meeting conducted by W. A. Greenlee, hog specialist of Barron, Wis., will be held at the Highland Store Tuesday at 8 p.m. Sponsored by Arland Elstad, Highland feed dealer, the meeting will be open to all local farmers. A highlight will be a mobile educational swine exhibit.

# Elks Serve 450 At New Year's Eve Buffet

A buffet lunch at midnight was served to nearly 450 at the New Year's Eve dance of the Winona Lodge, Benevolent and Protective Order of Elks, at the Elks Club Friday evening.

Noisemakers and favors were distributed during the evening. Red and green decorations were used in the club for the party at which music for dancing from 9 p.m. to 1 a.m. was furnished by Roy Benedict's orchestra.

LeRoy Peterson, exalted ruler, and other officers of the lodge, were in charge of party arrangements.

# RETURN HOME

Mr. and Mrs. Victor Grabau have returned to their home in Elgin where he will resume his teaching in the Elgin public schools, after having spent two weeks at the home of her parents, Mr. and Mrs. Theodore Jerecek, 118 Carimona St.

# FROM SAN FRANCISCO

Mrs. Otto Hoppe, 677 Wilson St., returned Thursday from San Francisco, Calif., where she visited her son, Bert Hoppe, and friends. She was a guest Nov. 27 at the wedding of her grandson, Gerald F. Hoppe, and Miss Agnes C. Gardenal in San Francisco.

# GIRL SCOUTS

ETTRICK, Wis. (Special)—Senior Girl Scouts held a holiday slumber party at the home of their leader, Mrs. Ben Erickson, Thursday. Lunch was served after attending the theater at Galesville. Christmas greetings were read from Mary K. Scholler former Girl Scout executive for the St. Croix Valley area, and Vivian Connolly, former waterfront director at Camp Nawakwa Girl Scout camp near Cornell, both now in California.

# The Casual Observer

By GRETCHEN L. LAMBERTON

SOME years pass like gray shadows, swiftly, silently, uneventfully. Nothing much happens to you. Other years are like a string of firecrackers and you just jump out of the way of one minor explosion when another one pops just behind you. Everyone has both kinds of year in his life. The first kind is restful, monotonous and not much fun; the second kind is a headache and an awful lot of fun.

This past year has been a string of firecrackers as far as I'm concerned. There were major explosions at both ends of the calendar, for in January I acquired a new Winona grandchild while in December there was another new one down in Peru, Ind. In both cases I packed my bag and moved in to take care of the older babies of the family. That was stimulating, amusing and exhausting—I think the Good Lord should perhaps have arranged things so that grandmothers of small one and two-year-old clydeons are twenty years younger and tougher!

New experiences came my way during 1954. I brashly took on a radio program and learned to face a mike without fainting dead away. I who used to be paralyzed at driving from here to Wabasha drove 500 miles in ten hours with no relief. Though it practically killed me, still it was the greatest satisfaction to know that I COULD be done. This year I succeeded in coaxing the many chickadees—who for years have been eating themselves out of shape at my "bird tree"—into coming when I called and eating out of my hand. This I achieved by standing patiently in the icy wind and trying to look like a tree, getting chilled to the marrow and almost getting pneumonia.

Last summer saw some extraordinary events that will never happen again in my lifetime. There was the awe-inspiring total eclipse of the sun last June. The same month I went to Washington and saw and heard the incredible McCarthy hearing with its vaudeville degrading of the dignity of the U.S. Senate, which can never happen again (one hopes!).

Usually during the course of a year I see half a dozen or more new varieties of birds, but this year the only new kind I saw was a Canada jay. I saw this big bird sitting in the top of a birch tree up my hill, and I could hardly believe my eyes. For it was the spitting image of a tiny black-capped chickadee, only instead of being only 4 1/2 inches long like a chickadee it was 12 inches—half again as big as an eight or nine-inch robin. It was quite tame, like a chickadee, and I walked around and around the tree studying it and thinking this must be a freak giant chickadee and maybe I'd better call some bird expert like Brother Charles, or some museum, and tell them of my amazing discovery.

Then the out-sized chickadee opened his beak and gave a series of faint little wheezy "wheeps" and flew up the hill. Fortunately I thumbed through my bird book before calling a museum and found that it was a Canada jay, a northern bird which sometimes gets as far south as Minnesota.

To my way of thinking this winter has produced the world's rarest, silliest popular song—"Let Me Go, Let Me Go, Let Me Go, Lover!" It seems to be constantly sung over the radio, always in a husky, passionate moan, and it never fails to set me off in a fit of giggles. I hope it will be popular for a long time, for it always brightens my day with a spasm of real mirth. How silly can you get?

Well, this day is six minutes longer than the shortest day of the year. By Jan. 31 it'll be 47 minutes longer, and whoops! we're well on our way to spring!

# Schedule Announced For Jackson County Homemaker Lessons

BLACK RIVER FALLS, Wis. (Special)—Jackson County homemakers will start 1955 with "Broilers and Their Uses" as their first project lesson, according to Miss Rosemary Thornton, home agent.

# Boy Rescued When Sled Breaks Through Ice in Black River

BLACK RIVER FALLS, Wis. (Special)—Boy Scout training has paid off for Tompp Landers even though he isn't a member of the organization.

Tommy and another 14-year-old boy, Dennis Melichar, were among a group of boys playing on the Black River Tuesday near Spaulding's Rocks.

Suddenly the ice broke and Tommy and his sled went into the icy water at a spot where the water is about 25 feet deep.

Dennis crawled on his stomach to a point where he could reach Tommy and pulled him out of the water. The sled is still at the bottom of the river.

Dennis' Boy Scout training had taught him to select a safe portion of ice and how to make a rescue under those conditions. The boys rushed Tommy to his home and dried out his clothes, trying to keep the incident secret from his parents, Mr. and Mrs. Ray Landers, but the story got out.

Dennis is a proficient swimmer and holds the rank of eagle scout. He is the son of Mr. and Mrs. Milton Melichar.

# Buffalo Co. Homemaker Training Meetings Set

## Winona Deaths

**Miss Edna Fifeild**  
Miss Edna Fifeild, 71, 365 Main St., died early this morning at her home after an illness of a year. She was born in Winona Sept. 23, 1883, and formerly taught art at Biwabik, Minn., and was art supervisor at Austin, Minn. She was active in Red Cross work during World War I.  
Miss Fifeild was a member of the First Congregational Church and the Plymouth Club of that church.

Survivors are one sister, Mrs. O. J. (Mabel) Powers, Winona; one nephew, Edgar H. Fifeild, Winona; one niece, Mrs. Helen Langmo, Dodge Center, and one cousin, Mrs. G. A. Polley who is spending the winter in Rochester, N.Y.  
Funeral services will be Wednesday at 1:30 p.m. in Laird Chapel, First Congregational Church, the Rev. Harold Rekdast officiating. Burial will be in Woodlawn Cemetery. The body will lie in state at the chapel from 12:30 to 1:30 p.m. Wednesday. Friends may call at the Breilow Funeral Home from 7 to 9 p.m. Tuesday.

### Frank Cichosz

Frank Cichosz, 79, 874 E. 4th St., commercial fisherman, died at 4:30 a.m. Sunday at Parkview Hospital, Minneapolis. He had suffered a number of strokes. He was born Aug. 2, 1875, in Pine Creek, Wis., and had resided in Winona for 77 years, going to Minneapolis a year ago. He was a member of the USWV.

Survivors are four stepchildren, Mrs. Helen Malotte, Mrs. Anna Palubicki and Joseph and John Palubicki, Winona, and one brother, Albert Cichosz, Hogeland, Mont.  
Funeral services will be Wednesday at 9 a.m. at St. Stanislaus Catholic Church, the Rev. N. F. Grulkowski officiating. Preliminary services will be at the Watkowski Funeral Home at 8:30 a.m. Burial will be in St. Mary's Catholic Cemetery. The Rosary will be said at the funeral home at 7:30 p.m. today and Tuesday at 8 p.m. by Msgr. Grulkowski. Friends may call there after 7 p.m. today and after 2 p.m. Tuesday.

### Mrs. Rosina M. Clapp

Mrs. Rosina M. Clapp, St. Paul, formerly Rosina Craft, Winona, died Friday at the St. Paul Hotel where she made her home, following a brief illness.  
She is survived by one sister, Mrs. H. C. Rehtson, Winona, three nephews and two nieces.  
Funeral services will be Tuesday at 2 p.m. at the Breilow Funeral Home. Friends may call at the funeral home from noon to 2 p.m. Tuesday. Burial will be in Woodlawn Cemetery.

## Athletic, Water Boards to Meet

Members of the Board of Municipal Works (water board) will meet Tuesday afternoon with the Athletic Board to discuss the future availability of the Westfield Golf Course.  
Some members of the City Council also may attend the 5 p.m. session scheduled as a special Board of Municipal Works meeting.  
The board has been advised by the National Fire Underwriters and the state Department of Health's municipal water supply section that the Westfield site appears to be the most feasible for location of a new water supply source. It was among several publicly owned sites considered. The property is owned by the Athletic Board.  
However, proposals have been made that the golf course be transferred to a site along the east end of Lake Winona to land owned by the Park Recreation Board to enable conversion of the golf course to a residential area. This would prohibit development of a water supply at the site. It is believed that construction of wells would not hamper activities if Westfield remains a golf course.  
The board has considered drilling test wells at the site, but no action has been taken, pending the outcome of meetings with other city boards to determine whether or not the area will be available as a well site.

**Retinng Co. Employees Vote Against Union**  
Plant employees of the National Can Retinng Co., 1121 E. Sanborn St., Thursday voted against certifying the General Drivers Local 799 (AFL) as their bargaining agent.  
The vote was 15-7, according to a spokesman for the National Labor Relations Board's (NLRB) Minneapolis office. The 22 employees are all production workers of the firm that was established here in the fall of 1933.

## Two-State Deaths

**Mrs. Oscar Berg**  
ETTRICK, Wis. (Special)—Funeral services were held today at Ettrick Lutheran Church for Mrs. Oscar Berg, 52, who died at a La Crosse hospital Thursday following a long illness. The Rev. Luther B. Keay officiated and burial was in the Ettrick Cemetery.

Mrs. Berg, the former Sadie Van Dyke, was born at Chaseburg Aug. 22, 1892, the daughter of Mr. and Mrs. Philo Van Dyke. She is survived by her husband; three sisters, Mrs. Harry Grosskopf, La Crosse; Mrs. Clifford Hulseher, Virgoqua and Mrs. Oral Vandenberg, Kenosha, and a brother, Virgil Van Dyke, Durand.

### Raymond E. Gienza

ARCADIA, Wis. (Special)—Raymond E. Gienza, 33, Glencoe area farmer, died at 3:55 p.m. Friday at his home after a long illness. Gienza was born Oct. 30, 1921, in Arcadia, the son of George and Mary (Pyka) Gienza. He married the former Marcella Grossman Oct. 13, 1948, and they had farmed in Glencoe since.

Survivors are: His wife; parents, two daughters, Sharon, 5, and Betty Jean, 2; two brothers, Clarence and Edward, Arcadia; and three sisters, Mrs. Rudolph (Stella) Suchla, Arcadia; Sister Mary Evelyn, Chicago, and Miss Mary Gienza, Arcadia.  
Funeral services will be held at 9:30 a.m. Tuesday at St. Michael's Catholic Church, North Creek, the Rev. Jerome Kamla officiating. Burial will be in the church cemetery. Rosary services will be held at the Wiemer-Killian Funeral Home at 7 and 8 p.m. today.

### Miss Anna Olness

PETERSON, Minn. (Special)—Miss Anna Olness, 73, a lifelong Peterson area resident, died Sunday morning at the home of her sister, Mrs. Bertha Haslerud. Death was due to a heart condition.  
Funeral services will be held Thursday at 1:30 p.m. at Mrs. Haslerud's home and at 2 p.m. at the Grace Lutheran Church, the Rev. I. Z. Hyland officiating. Burial will be in East Grace Cemetery.  
Born at North Prairie Aug. 10, 1881, she was the daughter of Mr. and Mrs. Nels Olness. She moved to Peterson 26 years ago.

Surviving are: Mrs. Haslerud; three brothers, Martin, Bremerton, Wash., and Ole and Albert, both of Peterson; three nieces and four nephews. Her parents and two brothers are dead.

### Elmer A. Thurston

BLAIR, Wis. (Special)—Funeral services for Elmer A. Thurston, 80, who died Friday at a La Crosse hospital after surgery, were held at 2 p.m. today at the Trempealeau Valley Lutheran Church, the Rev. B. J. Hatlem officiating. Burial was in the church cemetery.

Born in Trump Coulee Oct. 2, 1874, he was the son of Mr. and Mrs. Thurston G. Thurston. He married Ella Tormoen in June 1898. She died in 1943.

Thurston farmed his entire life in Trempealeau Valley until March 1931 when he moved to town to live with a daughter, Mrs. Laurence Hoganson. He was a lifelong member of Trempealeau Valley church.

Survivors are: Four sons, Truman, Vancouver, Wash., and Ellsworth, Donald and Eugene, Savage, Minn.; five daughters, Mrs. Hazel Hoganson and Mrs. Clifford (Esther) Skogstad, both of Blair; Mrs. Stanley (Lillian) Kirkpatrick, Puen-te, Calif.; Mrs. Olaf (Grace) Isaacson, Minneapolis, and Mrs. Harry (Doris) Brostrom, Wauwatosa, Wis.; 18 grandchildren; 12 great-grandchildren; one brother, Henry, Spokane, Wash., and four sisters, Mrs. Millie Young, in Iowa; Mrs. Emma Vogel, Clear Lake, Wis.; Mrs. Nora Murray, St. Paul, and Mrs. Tena Porter, Merrillan, Wis.

### Mrs. Bertina Olson

BLAIR, Wis. (Special)—Funeral services will be held at 2 p.m. Wednesday at Zion Lutheran Church, the Rev. E. E. Olson officiating, for Mrs. Bertina Olson, 81, who died at Bremerton, Wash., Wednesday. Burial will be in the church cemetery.

The former Bertina Olson, she was born in Norway Oct. 12, 1873, and married Martin Olson there. After their marriage they came to America, living at Blair for five years before moving to Hettling, N. D., and purchasing a hardware store.

After her husband's death, Mrs. Olson moved to Bremerton. Survivors are a daughter, Mrs. Gemal (Victoria) Messal, Dickinson, N. D., and a son, Bjorne, in North Dakota. Three children are dead.

### Mrs. Mabel Engelhardt

ELGIN, Minn. (Special)—Funeral services for Mrs. Mabel Engelhardt, Rochester, a former Elgin resident, will be held Wednesday at the Foley & Johnson Funeral Home, Plainview, the Rev. Charles Sheffield officiating. Burial will be

in Elgin Cemetery. She died Saturday morning at the home of a brother, Rolla Bolton.

Born Feb. 10, 1887, on a farm eight miles southeast of here, she was graduated from the Mankato State Teachers College in 1908 and taught school in Ivanhoe and Elgin before her marriage to George Engelhardt June 11, 1912. The couple resided in Miles City, Mont., and Bellingham, Wash. She returned to her parents' farm in this area in 1917. She was a member of the Rebecca Lodge, the Royal Neighbor Lodge and the Plainview Methodist Church.

Surviving are: Her husband; a daughter, Mrs. Norman Kuyath, Rochester; a brother, Rolla Bolton, Elgin, and one grandchild. Her parents and a sister are dead.

Palbearers will be Richard Bolton, Richard Klebs, Kermit Vickrick, Leonard Biers, Neil Lance and Virgil Williams.

Melt semi-sweet chocolate and mix with crisp ready-to-eat cereal. Drop spoonfuls onto a baking sheet and allow to get firm. Serve to small fry with glasses of milk.

## Leather Classes Set at Centers

Due to the increased interest in leathercraft, classes will be resumed at both the East and West Recreation centers.

Approximately 75 adults and teen-agers finished projects before Christmas. New registrants may join the classes by reporting at the East Center Mondays from 7 to 10 p.m. or at the West Center Tuesdays from 7 to 10 p.m.

Schedules will be announced later on two new craft projects, metal spinning and baked enamel jewelry. This activity will be open to persons 15 and older.

Seven rugs have been completed on the rug loom at West Center. The group meets on Tuesdays from 7 to 10 p.m. They also make hook rugs and plastic wheel rugs. Combined with this group will be instruction in chair upholstery if at least three or four people register to start the group.  
Game rooms are open daily from

3 to 5 and 6:30 to 9 p.m., except Tuesday evenings at the West Center and Monday evenings at the East Center. On Saturday the rooms are open from 1:30 to 4 p.m. at both centers. A varied children's craft program will be in session daily at both centers from 3 to 5 p.m.

Leather craft for teen-agers has been in progress at the East Center on Wednesdays from 3 to 5 and 6:30 to 9 p.m. and will continue through the winter program.

No fees are charged in any craft group activity, but each participant pays for materials used.

## Tot Uninjured in Fall Out of Speeding Car

DALLAS (P)—Charlie Ray Zall-cosser, 3, fell from a car going 50 m.p.h. yesterday but apparently was not seriously hurt. He was held for further observation at a hospital. The father told officers he was driving near here with his wife beside him and the boy alone in the back.

## Municipal Court

John Marver, 29, Evansville, Ill., forfeited a \$15 deposit on a charge of speeding. He was arrested by the Minnesota Highway Patrol at 3:35 p.m. Sunday for driving 60 miles an hour in a 30-mile-an-hour zone on Highway 61.

Duane Strain, Utica, forfeited a \$10 deposit on a charge of operating a motor vehicle with no driver's license. The arrest was made by police at West 5th and Johnson streets at 12:05 a.m. Friday.

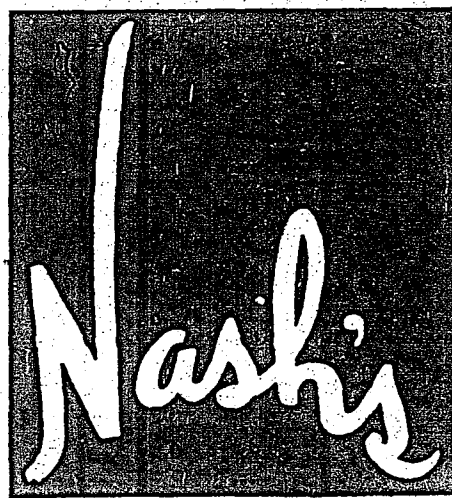

Eugene Wachowiak, 411 Mankato Ave., forfeited a \$3 deposit on a charge of driving through a stop light at East 3rd and Lafayette streets. He was arrested by police at 12:05 a.m. Saturday.

LeRoy Jahnke, 22, 629 E. Mark St., pleaded not guilty to a charge of driving 40 miles an hour on East 3rd street from Chestnut street west to Kansas street. He was arrested by police at 10:35 p.m. Sunday and trial of the case was set for Wednesday morning.

Parking deposits of \$1 were forfeited by William Linahan, E. F. Walter, (on two counts), Mrs. Robert Griesel (on three counts), Mrs.

N. A. Roverud and H. B. Nathe (on two counts), for meter violations; Otto Kloetzke, William Herzberg and Eugene Bork, for over-time parking, and Nancy Sperbeck, for exceeding the 10-minute limit.

Good telephone manners are just as important as choosing the right spoon for the soup. If you're on a party line, listen briefly before you begin a phone call—hang up quickly and quietly if the line's in use. # Home Builders Show Features Newest Ideas

By DAVID G. BAREUTHER  
AP Real Estate Editor

New Appliances, new materials and other technological developments to make our homes more comfortable, more livable and more durable are exhibited annually in a sort of private world's fair for the benefit of some 21,000 home builders attending their January convention in Chicago.

More than 350 exhibitors reserved space to display new ideas during the sessions of the National Association of Home Builders from Jan. 16 to 20. A preview of some 400 of these products is provided for the light construction industry by the American Builder, trade publication.

So many of these items are of interest to homeowners and every one thinking about a home, you might like to look over our shoulder at a few in this January number of American Builder, which is virtually a new products catalogue.

A packaged fold-away dining unit is shown. Table and benches for four persons are surfaced with plastic and metal trimmed. When folded up, the entire unit looks like a shallow built-in cabinet. It's nifty for small kitchens, breakfast nooks, recreation rooms, terraces and breezeways.

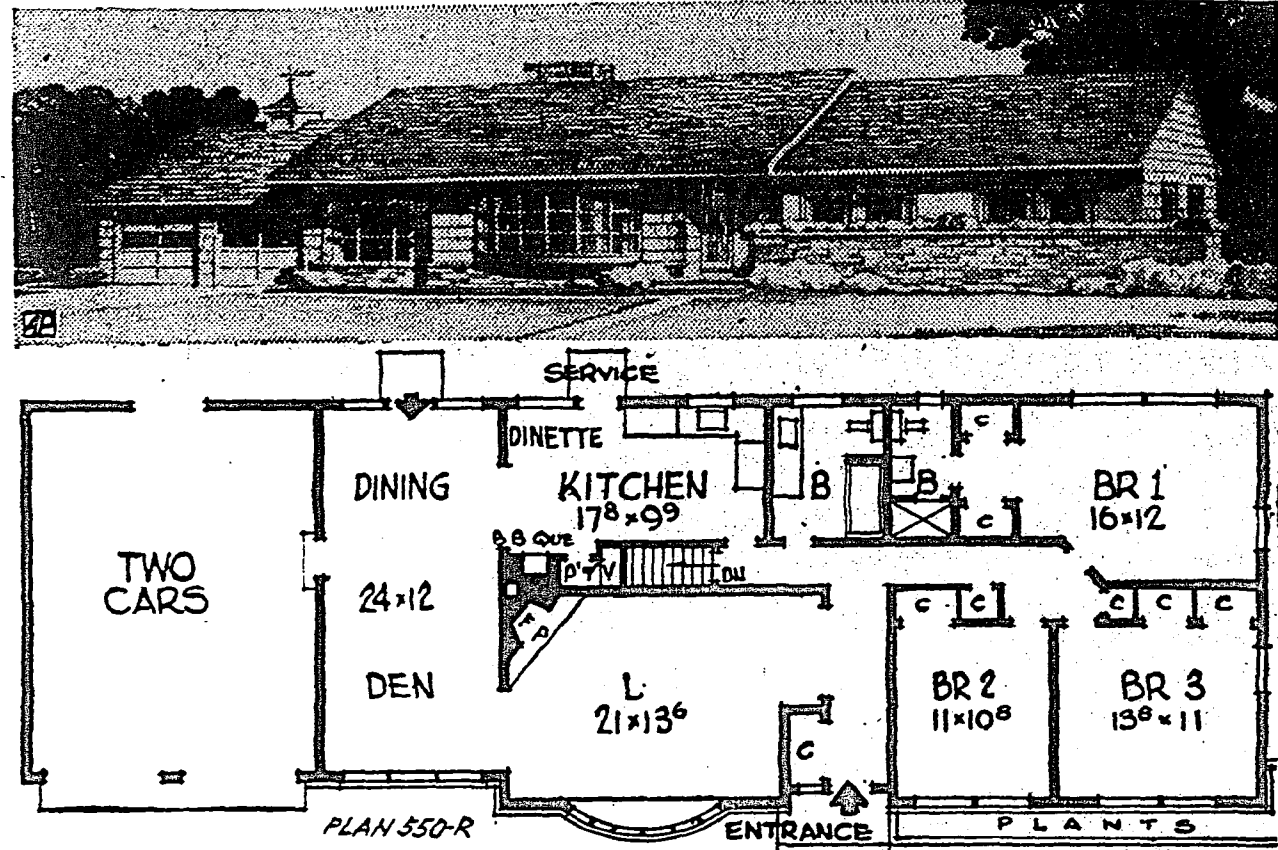

A Sit-Down Sink with a recessed front to provide knee room, yet with a sink bowl of standard size and stainless steel, has been designed to take the backache out of paring, slicing, peeling, sorting and washing fruit and vegetables.

Matching refrigerator and freezer units, approximately square instead of tall and narrow, can be installed one above the other, or side by side at counter height. They are designed to be built into the wall, freeing more floor space for the kitchen.

Paneled Draperies are available, looking much like venetian blinds with slats standing on end. The strips are made of hardwood cloth and are opened and closed by means of a concealed control rod. These strips can be removed, washed and put back while still damp, without ironing.

Lock Escutcheons, highly decorative, are now made in both brass and aluminum. Designs are deeply etched and inlaid with brightly colored enamels. They ought to make a nice impression on anyone trying your front door knob.

Flake Paneling is another attractive novelty. Trust somebody

Space For Family Living is featured in this plan for a fieldstone and shingle ranch-style dwelling. The secondary living room or family room comes up out of the basement in the form of a den merging with the dining room. A barbecue

fireplace is in the kitchen. This is plan 550-R, designed by Lester Cohen, architect, for the Archway Press, 117 W. 48th St., New York 36, N. Y. The house covers 1,700 square feet without garage.

## HOME REPAIR DOs - DON'Ts

By Andrew C. Long

### REMOVING PAINT

DO . . . remember that, generally speaking, a liquid remover is preferable on interior flat surfaces; a semi-paste remover is preferable outdoors and on surfaces where a liquid might drip too much.

DO . . . check to see whether the particular remover you are using is inflammable (it's marked on the container) and be guided accordingly.

DO . . . use a clean, full-haired brush to apply the remover with a light-flowing stroke, moving the brush in one direction only.

DO . . . give the remover time to do its job, following the manufacturer's directions as to how long it should be left on.

DO . . . be certain that you also follow the directions on whether the after-effects of the remover must be neutralized after the job is done.

### DON'T -

DON'T . . . work carelessly in removing the softened paint with a putty knife. A single slip can mar the wood.

DON'T . . . forget that, when more than one coat of paint must be removed, it may be necessary to apply more than one coat of the remover.

DON'T . . . work carelessly in removing the paint, since a slip of the putty knife or scraper can put a scratch or gouge in the wood.

DON'T . . . overlook the use of either a belt sander or an electric paint remover for certain types of paint removing.

DON'T . . . think that paint can't be removed from intricate carvings, but the use of steel wool is recommended after the paint remover has softened the paint.

DON'T . . . expect the remover to work like magic—the greatest mistake of the novice being his unwillingness to allow sufficient time for each step of the removing process.

## TOOL TIPS

Gypsum Wallboard, widely used for walls and ceilings because of its economy in installation, can be neatly cut in this manner. Use a straight edge and score the board deeply with a sharp tool. Turn the board over and cut the other side in the same way. This will allow the board to snap apart and leave a clean edge on each side. The American Builder endorses this.

## Final Week's Permits \$5,450

Eight building permits with an estimated valuation of \$5,450 were issued by the city engineers' office during the last week of 1954. The total was included in the box score of Friday's year-end edition.

Five of the permits were for furnace installations. These went to Willard Seemann, 206 Harvester St.; Milton Lueck, 367 W. Mark St.; Mrs. Sophia Blank, 928 E. Wabasha St.; Herbert Neitzke, 611 Harriet St.; and Mrs. Clara Bonow, 478 E. King St.

Howard C. Johnson, 151 W. 4th St., drew a permit to remodel the interior of his Varsity Inn at an estimated cost of \$900 with WMC, Inc., as the contractor. George Falk, 62 1/2 E. 4th St. received a permit to lower a ceiling at 66 E. 4th St., at an estimated cost of \$800 with John Czaplowski as contractor. Otto Haake, Winona Rt. 2, drew the other non-furnace permit for the construction of a 22-by-20-foot garage at an estimated cost of \$400.

## Sawdust From O'BRIEN'S

WELL sir, that's over with for another year! The holidays, I mean. The company has left, a lot of the Christmas presents are being put to use now. We can all get back to normal again, 8 to 5. Incidentally, how's that coal supply of yours? Even though we haven't yet had a real old-fashioned winter, you know what could happen here in Minnesota, so don't get caught short. You can still use our Budget Plan, which might be quite a boon to you what with all the holiday expense. The selection of coal at our yard is good. You can get the kind you want and the tops in quality, too. Call tomorrow now, and get some good coal in that bin.

If you were lucky enough to get tools for Christmas, round out your work shop with a piece of Peg-Board. Peg-Board is that versatile perforated Masonite that works wonders in a home workshop, garage, closets or what have you. A hook for hanging anything, too. We have figured out a real nice package deal that might interest you for that basement shop. For \$5.00 you get as complete a set of hooks as you could want and a piece of Peg-Board 2'x6' which gives you ample space for hanging just a lot of tools. Now then, you take this package home with you, mount it on the back of your work bench and then start arranging your tools. Any hooks you don't need you can return or if you need more hooks of one type you can exchange what you can't use. This gives you a chance to get the panel just the way you want it without having to buy more hooks. You talk to anyone who has a Peg-Board backing on his work bench and he'll tell you that it's by far the handiest thing he's seen yet.

Every year about this time, these Dads find out that playing with the electric train Santa brought his son is a real lot of fun, but the idea of taking it apart and putting it together all the time is no good, so they come looking for a piece of plywood to put it on. We just want to mention that a piece of plywood that works real well for this and is inexpensive, is 5/16" Plyscord. A panel of this plywood 4'x8' costs \$4.64 and gives enough room for almost any track layout. If you would be interested in setting it up in the basement permanently and perhaps adding to it later on, our 5'x8' utility table top of 3/4" plywood would be just the thing. \$16.50 for the top or with the legs, \$28.75.

## Sameness Can Be Avoided In Homes, Decorator Says

By VIVIAN BROWN  
A Newsfeatures Writer

Are you tortured with the problem of "how to be different" in your development home? If so, forget it. It's simple if you'll keep a few basic tips in mind, says James Merriek Smith, Miami decorator.

Smith who has just decorated six exhibit homes of 10,000 planned by Harland Bartholomew in Carol City, Fla., says you're a cinch to be different if you'll just develop a few basic ideas.

"Keep in mind," he says, "that eye space is important in a small room. Select furniture that is scaled to the room size. Large pieces are space eaters."

He suggests choosing open airy furniture. Such items as open arm chairs, armless divans and open headboards are all good choices. Give your walls room to breathe. Don't clutter them with pictures. Use your imagination in putting decorations on the walls. Smith employed Florida materials such as shells, sprays of coral and seaweed, dried seed pods of tropical shrubs and trees on walls of these Carol City homes.

**Plywood Cutout**  
One inexpensive device he used on walls is the plywood cutout. Take any design you like from a stylized leaf to a fish. (If you live in the mountains you might prefer a bear or a tree shape.) Cut it out of the plywood. Several of the same shape may be used or a number of different shapes might be grouped together.

Smith suggests a basic color scheme that will float through the house. It will make the house look larger and it won't be monotonous if you emphasize a different color in each room.

For the 3-bedroom, 1½-bathroom house in this development, Smith used an all-over color plan of two shades of blue and yellow. All walls were light blue. Yellow was used as the predominant color in the accessories of one room, dark blue in another with yellow and light blue accessories. In the living room the three colors were balanced.

He used lavender blue and gray for the 4-bedroom 2-bath house. Living room wallpaper is a chalky blue with lavender and silver. Blue dominated the room, gray and lavender were accessories. One bedroom emphasized the lavender shade and another small studio bedroom gave free reign to the gray.

"When you have such a color plan," advises Smith, "you can borrow accessories from one room to another. Or you can have upholstered pieces around without fear that they will clash."

**Sliding Glass Doors**  
Most of these Florida homes have sliding glass doors leading from the living room to the patio so he carried his color scheme and furniture style right out there.

If you want to use period furniture in your modern ranch-style home, don't hesitate — unless of course it is massive Empire, Chippendale or another period which might overwhelm a little house, he says. French Provincial style was used by Smith in one of these homes and he found that "the style is particularly well adapted to small homes because the furniture is light in feeling and can be used informally."

Area rugs and plenty of uncovered floor space also give a feeling of spaciousness to the small room, he says.

**Dean Martins Have Hotel Bungalow Fire**  
PALM SPRINGS, Calif. (AP) — Sparks from a fireplace were blamed for a fire that damaged clothing and belongings of the Dean Martins and radio performers Anne Jeffreys and Robert Sterling Saturday.

Mrs. Martin estimated smoke and water damage at \$10,000. She said the four were away from the hotel bungalow when the fire started. It was Martin, comedy partner of Jerry Lewis, who discovered the blaze when he returned to the bungalow for an aspirin to ease a headache.

The Martins, Miss Jeffreys and her husband, Sterling, have been vacationing.

## Voice of the OUTDOORS

New Year's Resolution

During the past year we heard more comments criticizing other hunters for lack of good hunting manners than on any other subject. Apparently Henry P. Davis, widely known outdoor writer and sportsman, had the same experience. Anyway, in his New Year's letter he sets forth a few good suggestions for improving your hunting manners as follows:

"There are a few little courtesies which make up proper hunting demeanor and which, if observed, will put you in solid with your hunting companion. They'll come natural after a while, even if the importance of them is not immediately obvious. And you'll observe of them will make the day far more pleasant, not only for your host, but for you, too."

"Above all things, never take a chance. Observe all the rules of safety, even though your companion doesn't. You'll impress him with your caution."

"Give your companion all the breaks. The accepted practice is to alternate on single shots. The easiest way to make your host angry is to try to 'wipe his eye'."

"Find out which side your companion shoots from . . . and then take the other side. Never shoot at birds flying over your companion's way. It is an act of discourtesy to shoot across a gunner's front unless you know his gun is empty. Then explain your action to him."

"Don't claim birds you are not absolutely sure you killed. If there's the slightest doubt, don't run the risk of being branded a 'claimer.' If your companion is 'built that way,' you'll soon find it out."

"Don't try to handle your companion's dogs. And never criticize the dog's faults. Praise his good work and ignore the bad. Give the dog a chance to retrieve your bird. Look for it yourself only if absolutely necessary."

"And never hunt in your friend's favorite spot which he has shown you, unless he is along or you have his consent. Violation of this courtesy has led to the ending of many fine friendships."

"There is an old saying to the effect that 'if you want to find out about a man, get him in a poker game and take him hunting.' Remember it when you accept that invitation and see that you conduct yourself as to warrant a repeat engagement. It's a safe bet that the word will get around and you won't be long lacking for gunning partners."

**Mystery Duck**  
Several letters and telephone calls have come to our desk pertaining to the picture of the mysterious duck we printed a few days back. It will be recalled that it was a cripple and was not too active. Merritt Kelley got close enough to take the picture.

One of the calls told of seeing a bird of similar description paddling around quite happily in a spring water area adjoining Prairie Island. Normally quite a few ducks winter in this area — mallards. The caller identified the mystery bird as a goose. Here are a couple of letters received pertaining to the picture:

"To me this duck or bird looks just like a young Moscowv drake. The Moscowv drake are larger than ordinary ducks. The drake weighs up to 12 pounds, I raise both the white and colored, and they look very similar to the one pictured in the paper." Caledonia reader.

"According to the picture it looks exactly like the birds Leo De Wilde, Alma, raised on his farm. They are domestic but are able to fly. They are something different and he got the eggs in Milwaukee last spring. One of these might have taken off during the duck flight last fall." Alma reader.

## State Treasurer Makes Report on Finances in 1954

ST. PAUL—With cash and invested funds totaling more than \$300 million dollars and state indebtedness cut by 14½ millions the past year, Minnesota is far from finding an "empty stocking" as they take a New Year look at their state's fiscal picture.

That was retiring State Treasurer Val Bjornson's observations as he left office. Bjornson prepared the semi-annual statement of the treasurer's office for the printers, as required by law, at the close of business December 31.

"Some comparisons made by State Auditor Stafford King last fall take on added interest now," Bjornson observed. "Bringing them up to date, this is the situation—A Republican administration taking power 10 years ago 'inherited' a debt that totaled nearly 130 million dollars. There were total investments and cash on hand amounting to some \$155,700,000 at that time. That figure is out to a deficit of more than 14 million dollars, comparing debts with assets. Now, a Democratic-Farmer Labor administration assuming power 'inherits' indebtedness that aggregates \$95,144,505, with cash and investments totaling more than \$430,500,000. That can be reckoned, on the same basis, as a credit balance of more than 335 million dollars—admittedly quite a contrast."

**Untouched**  
Bjornson acknowledged that permanent trust funds whose principal must remain untouched, under the constitution, do not constitute a direct asset in the way of immediate available cash. "The total of more than 253 millions now amassed in our permanent trust fund structure," said the retiring treasurer, "is, however, a tremendous resource in support of education. Interest earnings running well over \$15,000 a day pay more than \$10 per pupil to pay our state school aids, for this source, for the current school year."

The state's debt a year ago totaled \$109,712,000. Bjornson's final report as treasurer shows, compared with \$95,144,505.70. The drop in indebtedness amounts to more than \$14,500,000, reflecting as its largest item the annual payment of the state's \$8,400,000 bond debt. The state's total debt, with supplementary certificates of indebtedness issued in connection with bond payment running to two and a half millions. Bjornson indicated that taxes levied to pay off the bond debt had so far yielded 14 millions more than the sums required to meet annual installment payments. The Rural Credit debt stands now at \$2,000,000, with interest costs reduced last summer when more than nine millions in 30-year-old bonds were refinanced at 1.66 per cent instead of the 1924 charges that ran to 4½, 4½ and 4½ per cent. Certificates of indebtedness financing building costs at the university, the teachers' colleges and other state institutions now total \$27,322,000.

The over-all total of invested funds in the treasurer's custody stood at more than \$390 millions as the new year began. Bjornson's report shows, divided as follows: Some 253 millions in the inviolate permanent trust funds; more than 19 millions in invested "idle treasure's cash," an investment bracket that has earned about a million dollars a year for the state's general revenue fund since a 1949 act instituted that arrangement; 41 millions in highway fund money, invested to earn interest for that department's needs; and some \$3 million dollars in investment funds, for the pension programs of state and municipal employees, teachers, highway patrolmen, and other such funds.

"Completing the 390-million-dollar total of invested funds," Bjornson pointed out, "is the sum of \$14,329,250 in one-year time deposits kept in 330 Minnesota banks, on which they pay the state 1½ per cent interest. We increased that bracket by more than five millions the past six months to achieve maximum possible earnings on cash, not immediately needed by the state, since 90-day federal government maturities during summer and early fall months commanded only from two-thirds to seven-eighths of one per cent in the way of an interest rate."

The total cash on hand and in banks in all funds exceeded \$3 million dollars as the year began.

# Cochrane's 'Firehouse Five' to Oppose Winona High in March of Dimes

By RALPH REEVE  
Daily News Sports Editor

Cochrane's fabulous "Firehouse Five" will play Winona High in the first game of the Jan. 12 Winona March of Dimes doubleheader at Memorial Hall. It was announced today after selection by the sports department of The Winona Daily News. Cochrane represents the Winona area in Wisconsin and the visit by that team is the second year in a row. Last year Cochrane played Cotter.

Cotter's opponent hasn't been announced but will be later this week. Coach Johnny Nett's Ramblers are due this year to play a District One team.

A meeting of Cochrane and Winona High has been long anticipated by area cage fans. This year Coach Ralph Leahy's Firehouse Five has rolled to a 9-0 record to date and stands at 7-0 in the Bi-County Conference.

Coach Don Snyder's Winhawks, on the other hand, hold a 5-2 record on the season and are 2-1 in the strong Big Nine Conference.

Cochrane is a high-scoring team. The Indians have rolled up 111 points in nine games for an average of exactly 79 points per game. Their opponents have been held to 434 points, a 48.2 per-game mark.

Winona High has netted 372 points in seven games for a 53.1 average. Winhawk foes have scored 344 points, a 49.1 average.

The game will bring together two teams with contrasting styles. Coach Snyder's Hawks play control ball with a lot of set offensive patterns and have used mainly a strict man-to-man defense.

Cochrane's offense and defense is closely knit with Leahy's zone press defense actually serving as his offense, too, because it sets up innumerable fast-break

situations. Cochrane, by and large, goes for an unceasing running game although when the situation demands, the Indians go into patterns such as the figure-eight and five-man roll.

Winona High will have a height advantage. Center Bill Heise is

6-2, while forwards Tenold Milbrandt and Jack Nankivil are 6-3 and 6-2 respectively. Forward Earl Buswell and guards Chuck Wally and Bill Hostettler are all about six feet, possibly a little under.

No one on Leahy's team goes

over six feet, so to offset the lack of height he deploys his running attack with a group of extremely well-conditioned boys. Tallest players on Cochrane's starting five are Bob Rogney and Duke Loretz, both 5-11. Smaller, but also dangerous scorers are Jim Bade, Dave Schreiber and Dave Kuehn.

Bade, a sophomore, scored 21 points in Cochrane's toughest test, a 58-56 victory over West Salem last week in a double-header at Alma.

On the debit side of the ledger for both teams is the fact they have shown the tendency to fritter away big leads. Winona High, pressed to a 59-57 victory over Rochester, led the Rockets by a 40-25 count at one stage.

Cochrane, in beating a tall West Salem team sparked by 6-3 center Pat Moran, held a 32-10 margin in the second quarter of that game.

Another talking point about the game is that it finds two coaches renewing a rivalry. Cochrane posted a 25-2 record last year. One of the losses was 61-53 setback at the hands of St. Croix Falls in last season's sectional tournament finals. Winona High Coach Don Snyder was at the helm of St. Croix the past several years and it was his team that eliminated Cochrane from a state tournament berth. That gives Leahy and his Cochrane cagers a revenge motive in the game at Memorial Hall Jan. 12 at Winona State Teachers College.

THE FIREHOUSE FIVE . . . Coach Ralph Leahy diagrams a play on the floor for the benefit of his Cochrane basketball players. Left to right are Leahy, David Kuehn, Dave Schreiber, Duane (Duke) Loretz, Bobby Rogney and Jim Bade. Unbeaten Cochrane has averaged 79 points a game

in scoring nine straight victories to date this season. Cochrane's "Firehouse Five" will play Winona High in the first game of the March of Dimes doubleheader Jan. 12 at Memorial Hall. (Daily News Sports photo)

## Fairmont Bid, Merger on Tap In SM Meeting

1955 Schedule Also on Agenda For Loop Confab

One of the most significant Southern Minny League meetings in many a moon will be held tonight at Owatonna.

Three items of consideration are:

- Confirmation of the 1955 league schedule.

- Approval of the Owatonna-Waseca merger proposal.

- Approval of a bid for admittance to the league by Fairmont.

Fairmont scheduling has been completed and final approval hinges on the Owatonna-Waseca merger and the bid for admittance to the league by Fairmont.

Should the latter two proposals go through, the schedule would have to be drawn up in a manner to take that into consideration.

Both Owatonna and Waseca officials favor a merger of the two teams. Both clubs depended heavily on subsidization and attendance gimmicks the past several years.

Since the two towns are only 14 miles apart, home games could be split and baseball fans in each community still follow the team.

Should the Owatonna-Waseca merger plan be adopted, it would leave room for admittance of Fairmont. The Fairmont Martins were champions of the AA Western Minny circuit last summer and subsequently beat Rochester in the post-season "Little World Series." The Western Minny League folded, however, after the season ended.

A rabid baseball town, many believe the addition of Fairmont would probably strengthen and solidify the league.

Winona baseball officials are in favor of both the Owatonna-Waseca merger and admittance of Fairmont. Steve Wiscorski and Bob Krick, Winona's co-directors on the league board, announced they will vote for both plans.

They feel the league would have two strong franchises instead of two weak ones if the merger and admittance of Fairmont come about.

Winona interest in the league schedule is high. An unofficial report stated present plans call for Winona to open at home against Austin. Such an attractive opener would add to Winona's chances of collecting another league opening day attendance trophy. Winona opened on the road the past two years.

## Garbage Bowl Tilt Played at Montreal

MONTREAL (AP)—To prove there is something new, the goal lines were marked with coal dust and the players wore long red underwear and green pajamas in Canada's annual Garbage Bowl.

Coal dust was used when the gridiron was covered by a foot of snow Saturday. The players were from Montreal West high schools. The Northern Combines, attired in the red underwear, won 11-6 over the pajama dressed Southern Bombers.

The receipts, estimated at \$1,000, go to the Montreal School for Crippled Children.

## SPORTS Sidelights BY RALPH REEVE

### Clearing the Spindle

Boy! We've got a slub of short ones here to open the New Year with—as Roundy sez we're off and running here goes and how:

Doug DeLano, former St. Charles coach and before that Winona State athlete, dropped our way a nice note. He's now at Alexander Ramsey High School at Roseville, north of St. Paul. Doug writes:

"We live neighbor to an O. A. Reeve, I guess about two blocks east, but have not had the chance to ask them if they might be your relatives. Last spring you mentioned your relatives live somewhere in this area."

Nyte: He's a cousin, Doug. Drop in and say howdy and tell "Oaker" we sent you . . . Continuing DeLano's letter:

"We have a school that is really something to see. Up to this time, at least, I'd say it's tops in the state. The administration and faculty is tops also."

"Our athletic program is unique. We have seven class periods per day and from 11 a.m. to 1:30 p.m. we do all of our practicing for the individual sports. We have a tremendous number of participants this way as it permits everyone to go home on buses when school is dismissed at 3:35 p.m."

"I have been assisting in football and will also be assisting in track in the spring. We were in St. Charles a few weeks ago visiting friends and catching up on the news of the area. It was nice to be back . . ."

Doug DeLano's address, in case many of you friends want to write him, is 2807 Merrill, St. Paul 13 . . .

Horace Bell the great Negro grid star of an earlier decade at the University of Minnesota, is now an M.D. at Notre Dame Medical School . . .

Mickey Zielke, the youthful La Crosse fighter who was beaten by Lauro Salas Thursday night in Minneapolis, may have been sent against an experienced man too soon, but Mill City ring experts nevertheless believe he has a great future . . .

Now attending West High School in order to make Minneapolis his training headquarters, Zielke has impressed railbirds thus far. . . . It'll be interesting to see how he reacts to the lacing Salas gave him . . . Before the fight Wally Karbo, Minneapolis promoter wrote us:

"As your fans probably know, Mickey is a terrific fighter who looks like he's really going all the way . . ."

His loss to Salas wasn't disgraceful in our mind—it merely postponed his rate of advancement . . .

We'd like to see the young lightweight make big time . . . He could be the answer to a boxing revival hereabouts—a rebirth of the golden years when colorful Austin featherweight Jackie Graves was in his heyday . . .

Jack Shepard, former Austin catcher in the Southern Minny who now backstops for the Pittsburgh Pirates, was runner-up in National League night-time batting figures . . . Shepard got 23 hits in 75 times at bat under the ares for a .373 average. Another catcher, Smokey Burgess of the Philadelphia Phils, compiled the top incandescent hit figure at .386 . . .

Bill Tosheff, the former pro basketball player and baseball pitcher who was supposed to appear with Owatonna last summer, is going good at Indians in the Colombian League this winter with a 9-4 record . . . Billy Meyer, Indianapolis hurler, has the best mark in that league at 11-1 . . .

### Off the Cuff

Our Marquette man was in over the holidays and assured us the Hilltoppers have a great team going great this winter . . . "We won eight straight after losing 92-87 to Michigan State in the opener," he sez . . . "We've got one of the tallest teams you'll find, too, with a slug of guys running around bumping their heads on the basket rim . . ."

"Next year Marquette will really have a good football schedule . . . Since Fordham dropped football and was our homecoming opponent, West Virginia will play us instead . . . Other games include Kansas State, Tulsa, Holy Cross, Cincinnati, Michigan State and Boston College . . . Michigan State is our big rival—we've beaten them more than they've beaten us."

Our Marquette man sez the Milwaukee school is interested in Ralph Dorisch and Jim Danielson, Cotter High graders, and also hopes to have some other fine area preps on the freshman squad next fall . . . including passing whiz Lew Grebin of St. Augustine, his teammate, Sherman, and Larkin of La Crosse Aquinas . . .

We've heard a report Sid Langston and George Gleason have been signed to Winona Chiefs contracts and that the pacts have been filed in the league office . . . Langston is the heavy-duty outfielder who played with Austin last year, while Gleason sparked Austin the last half of the season from his backstop position . . . More on those two later this week if the contracts are verified . . . They should bolster Winona considerably for the 1955 season . . .

The St. Mary's College Redmen, with considerable skill in non-conference tests and height to back up their 8-3 record, loom a favorite in tonight's intracity college cage attraction at Memorial Hall against Winona State's Warriors.

A 6:30 p.m. B squad game will precede the 8 o'clock main event. Coach Ken Wittgen's Marians have only one man under 6-4 on the starting lineup and no one under six feet.

Also to St. Mary's advantage is a strong bench sparked by freshmen guard Ken Jansen, who although not a starter is St. Mary's second high scorer.

Coach Lyle Arns' Warriors have been unable to start clicking in pre-holiday games and lack of height has hurt them. Probable starters for the Warriors are Lee Paul, John Anderson and Jerry Grebin on the front line and Pete Polus and Dave Smith at guard posts.

Only Paul and Anderson, both 6-2, are over the six-foot mark. Contrast that with St. Mary's array which includes 6-7 center John Curran, forwards Bill Skemp (6-4) and Fred Sheridan (6-5) and guards Marty Coughlin (6-0) and Gene Biewen (6-4) and you get an idea of St. Mary's board controlling ability.

Although Arns knows past records mean little when the Warriors and Redmen tangle, he said: "We'll probably only get one shot at the basket. We'll have to be hitting a tremendous percentage to beat them."

"Lack of big men hurt us at Macalester—we didn't have anybody to stop Dreier (6-6 Jerry Dreier, Macalester center)."

Three "big men" on Winona State's squad missed holiday practice and games and their playing status tonight is uncertain. They are Gil and Harold Begnier and Jim Kern, all 6-4. Harold Begnier showed potential in pre-Christmas practice although he didn't play in any games.

Top point-maker for Winona State has been Pete Polus with a 17-point per game average. St. Mary's forward Bill Skemp carried a 19.8 average going into the Chicago trip and Jansen was next for the first five games with a 14.6 mark.

All of the Redmen have shown scoring ability with Sheridan, Coughlin and Biewen capable of hitting in the clutch. Biggest improvement in the Chicago games was shown by the sophomore pivot, Curran.

"He looked real good, all the way around," Wittgen said.

With the arrival of Curran as an additional scoring threat and the ability of him and Sheridan in the rebound department, St. Mary's hopes for a continuation of the record it compiled through the holidays.

Tonight's game is Winona State's "home game."

Both the Redmen and Warriors will be busy with more games this week. St. Mary's hopes to prove its 0-2 conference record Tuesday night by hosting Concordia at Herrace Heights.

Wittgen said there would be plenty of room for townspeople at that game since St. Teresa students don't arrive back from vacation until Wednesday.

Winona State plays at Platteville Wednesday night and St. Mary's journeys to St. Paul for a duel with rival St. Thomas Saturday night.

St. Mary's and Winona State split a pair of games last year and Winona State took two tilts the year before.

### Fight Results

NEW ORLEANS—Ralph Dupas, 139, New Orleans, outpointed Cisco Andrade, 133½, Compton, Calif., 10.

HOLLYWOOD—Referee Frankie Van stopped a bout between Dale Hall, 203, Los Angeles, and Jake Williams, 182, Los Angeles, in the 10th round and ruled it a no-decision contest.

The feature of Michigan State's indoor track season will be a quadrangular meet Feb. 12 involving Penn State, Ohio State, Missouri and Michigan State.

### Don't Count Us Out, Says John Mariucci

MINNEAPOLIS (AP)—Irrepressible Johnny Mariucci scorned the statistics today and, with North Dakota booked for a pair of rib-rattlers here this week, called his hockey Gophers champions until somebody proves otherwise.

With Minnesota submerged in sixth place in the seven-team Western Intercollegiate Hockey League, the Gopher coach said his team wasn't conceding to anyone.

"You can't count this gang out," he said.

Mariucci's team staved off disaster on its four-game tour of Colorado Saturday night by shading Denver 8-7 in overtime for its first conference victory of the season.

The Gophers needed Bob Meredith's 20-foot shot with four seconds remaining of the sudden death period to pull it out. Previously they had lost a pair to league-leading Colorado College and tied Denver.

Johnny Mayasich scored three goals for Minnesota.

With four games gone, Minnesota has a victory, tie and two losses has only a point and a half under the league's scoring system.

North Dakota, also encountering rough going, has won two and lost two for two points.

The teams play Friday night and Saturday night in the renewal of a series which has produced as much manly hockey as any college rivalry in the country.

A victory will be worth one point in each game, a tie a half a point.

## Hawks, Ramblers Geared For Tuesday Night Tussle

The winner of Tuesday night's Cotter-Winona High game is in doubt, but one thing is certain.

That is that both coaches—Johnny Nett of Cotter and Don Snyder of Winona High—profess a great amount of respect for the teams of each other.

Nett says "I don't think we've got any height advantage . . . And Winona High certainly has the

edge on us in experience with four boys who were regulars last year."

"That probably will tell more than anything. For some reason we always seem to shoot consistently poor against the High School, why, I don't know. I hope we shoot well Tuesday night."

Snyder says, "I saw Cotter play earlier this season and I've been

worried stiff ever since. Johnny's four boys who were regulars last year."

## Gusties to Test Mac Cinderella Fable Tuesday

Both Quints Unbeaten in 2 MCC Starts

By THE ASSOCIATED PRESS

Macalester's developing Cinderella story unfolds a showdown chapter Tuesday night against Gustavus Adolphus as Minnesota college basketball teams return from the holidays in a jammed week of action.

The feature at St. Peter matches a pair of Minnesota College Conference leaders, both with 2-0 records.

Gustavus, whose front line giants aren't sympathetic to fairy tales, rates a strong favorite but to fulfill the role it will have to do something about Macalester's Jerry Dreier.

Dreier, a 6-6 center, has been at the controls of Macalester's early season success and should give Gustavus' Jim Springer a strong argument as the league's ranking pivot man.

Duluth Branch, also 2-0, risks the record Tuesday night at St. John's, 1-1. Other games Tuesday night send Hamline against Southwest Missouri, River Falls at Carleton, St. Cloud at Eau Claire and Wahpeton Science against Moorhead.

In tonight's only game, St. Mary's meets Winona Teachers in an intricacy battle. St. Mary's, beaten twice in the MCC, still has one of the best records in the state, 8-3.

Mankato Teachers, the state's only unbeaten team, waits until Saturday before returning to action against Moorhead Teachers.

Saturday night conference games have St. John's vs. Augsburg, Duluth Branch vs. Hamline, St. Mary's vs. St. Thomas, Grinnell vs. Carleton, Bemidji Teachers vs. St. Cloud and Mankato vs. Moorhead.

Hamline follows its game against Southwest Missouri with one the following night at Washington of St. Louis.

Now that the flat racing season is over in England, some jockeys from the British tracks are trying their luck in Singapore and Malaya.

## Twin Bill Set At Gilmanston

GILMANTON, Wis.—Arkansas will meet Independence and Altoona will meet Gilmanston in a doubleheader basketball affair to be held here tonight.

Arkansas and Independence will meet in the curtain-raiser at 7 p.m. Arkansas boasts a veteran team and Independence has height in three returning regulars from last year. It will be the first meeting of the two teams and a good battle is expected.

Gilmanston will play host to Altoona in the windup at 8:30 p.m. Gilmanston coach, Vic Carlson, places his team as underdogs in the affair stating that Altoona has three men, Kiohs, Gutsch, and 6-4 center Winrich scoring in double figures consistently. Carlson points out that his Gilmanston team has been fast improving as the season progresses and expects them to put up a good fight.

Neither coach issued a starting lineup, but both listed a number of players who are expected to see extended duty.

Nett said he's been switching his players around during holiday practices with Dave Skemp, Don Dooney, Rich Brown and Bob Hogen-sen running at guard positions. Dooney has been bothered by a sore leg.

Brown, in addition to practicing at the outcourt spot, has also been working on the front line with forwards Jim Danielson, Ralph Dorisch and Jim Small and center Ken Plein.

Snyder said 6-3 forward Tenold Milbrandt's condition after a foot infection makes him a little doubtful for Tuesday night.

Nevertheless, players from whom a starting lineup will be drawn include Milbrandt, Jack Nankivil and Earl Buswell at forwards, Bill Heise at center and chuck Wally, Bill Hostettler and Don Klage at guard posts.

Both teams have near-identical records. Winona High is 5-2 on the season, while Cotter is 4-1.

The Winona Hornets displayed a dazzling offense Sunday in skating to an 11-5 victory at Albert Lea after bowing 2-1 New Year's Day at Owatonna in makeup of a postponed game.

The 1-1 record of the Hornets leaves them tied for third with Albert Lea after Rochester and North Mankato, both holders of 1-0 marks. Rochester beat Owatonna 7-2 Sunday and North Mankato tipped Austin 4-3.

Wednesday night the Hornets continue action at Mayo Civic Auditorium against the Rochester Colts at 8 p.m.

Director Art Brom announced today a 7:15 p.m. practice will be held Tuesday night to "sharpen up" Winona's offense around the nets.

Don Benson and Roger Neitzke sparked in Sunday's victory at Albert Lea. Benson had five goals and Neitzke three goals and three assists in a double-barreled display of offensive wizardry.

The Hornets literally exploded Sunday after being held to a single goal Saturday at Owatonna. The ice at Albert Lea was hard and fast, enabling the Hornets to open up with their passing attack.

Albert Lea opened scoring at 2:12 of the first period but Langowski scored shortly after, followed by quickies from Rompa and Benson, giving the Hornets a lead they never relinquished.

The Saturday game was shifted to Owatonna due to lack of ice at the West End rink but poor weather conditions including snow on the ice hampered the Hornets.

The game was marred by many penalties. On no less than 12 different occasions, players were sent to the sin bin.

Once Winona had only three men on the ice.

Owatonna's Anhorn scored shortly after the second period opened and the second goal for the home team came in the third period, Christenson scoring from Casper.

Langowski prevented Winona from absorbing a shutout by blinking the red light with one minute left on an unassisted sortie.

The Hornets pulled goalie Dick Larson at that point but two beautiful saves by Owatonna goalie Katzmeyer prevented the visitors from tying the score.

Outstanding in the game was Winona goalie Dick Larson who piled up 44 stops, a possible league record.

Another stop was made by Frank Took, Winona defenseman, who caught a puck over the eye. He missed the Albert Lea game and isn't expected to play Wednesday night at Rochester.

LEGGETT SCORES . . . Buckeye quarterback Dave Leggett scrambles across for the first touchdown in the Ohio State-Southern Cal Rose Bowl game New Year's Day before 89,121 fans at Pasadena, Calif. Ohio State, representing the Big Ten Conference, took charge early and defeated Southern Cal.

## Ohio State Proves No. 1 Rating With Rose Win

By ORLO ROBERTSON  
The Associated Press

The argument over whether Ohio State's unbeaten Buckeyes rated the national football championship over undefeated UCLA is about the only issue the Jan. 1 bowl games failed to decide.

None of the major postseason gridiron classics produced a real surprise even though Navy, which beat Mississippi 21-0 in the Sugar Bowl, relinquished the favorite's role after injuries and illness sidelined several first-string players.

Supporters of the Uclans, who finished a close second to the

Buckeyes in the final Associated Press Poll, hoped Southern California would rise up and down Ohio State in the Rose Bowl. But the Big Ten champions went out to prove that they rated the No. 1 spot. True they defeated USC by only 20-7 compared to UCLA's 34-0 romp during the regular season, but rain during Saturday's game was not conducive to high scoring.

So the followers of Ohio State and UCLA will continue their arguments.

Duke was the favorite to whip Nebraska, Big Seven runner-up, and the Blue Devils came through

with ease 34-7 in the Orange Bowl. In the Cotton Bowl Georgia Tech was the choice to knock off 10th-ranked Arkansas. This the Engineers did 14-6.

The other major New Year's Day game produced a 13-12 victory for the Eastern all-stars against the West in the Shrine game at San Francisco.

The bowl competition started last Friday with favored Auburn downing Baylor 33-13 in the Gator Bowl.

There were those who said interest in the bowl games was decreasing. But there wasn't anything in the day's turnouts to back up their contention. More than half a million fans—501,874 to be exact—turned out for 13 games played between Friday and Sunday.

The rain kept away some 12,000 who had purchased seats in the Rose Bowl at Pasadena but the grandstand crowd—89,121. All of the other major bowls were sell-outs, with 80,735 at the Sugar Bowl, 75,504 at the Cotton and 68,750 at the Orange. The East-West contest attracted 62,000.

The Navy, first service academy eleven to play in a bowl in 30 years, coupled a rock-rib defense that stopped Ole Miss cold with a sparkling running and passing game featuring George Welch, John Weaver and Joe Gattuso.

The most sensational play in the Rose Bowl was an 88-yard punt return for a touchdown by Southern California's Aramis Dandoy, but before and afterwards the Trojans had no answer to the quarterbacking of Dave Leggett, All-America Howard (Hopalong) Casady and their mates.

Georgia Tech adjusted its offense in the second half to overhaul Arkansas after the Razorbacks had left the field at the quarter-backing of Dave Leggett, All-America Howard (Hopalong) Casady and their mates.

## Gophers Launch Trial by Fire At Northwestern

Wildcats Have  
Height to Guard  
Bill Simonovich

EVANSTON, Ill. (AP)—Minnesota's basketball team opens an eight-day trial by combat here tonight and should get an early verdict on its chances in the Big Ten.

The Gophers meet a talented and threatening Northwestern tonight, move to Iowa City Saturday night for a game with title favorite Iowa and return home next Monday night to face defending champion Indiana.

In Northwestern tonight Minnesota will run into the accomplished forward combine of 6-3 Frank Emmann and 6-6 Hal Grant, good marksmen and effective rebounders.

Against 6-11 Bill Simonovich the Wildcats will use 6-8 Phil Bromberg and 6-10 Bill Schulz.

The game and the subsequent ones against Iowa and Indiana should provide some fairly decisive answers to questions which are still up in the air after a month of nonconference battling which produced a 5-3 record for Minnesota.

The Gophers' lack of reserve strength has been bothersome so far but not necessarily fatal. It could be more costly in the grind of Big Ten play.

The next couple of games will determine whether Simonovich can put up with steady pounding under the backboards and still retain enough spark to be effective on offense.

They should also tell whether Buck Lindsey can furnish the needed scoring punch to supplement Dick Garmaker, Chuck McNeil and Simonovich and prevent the defense from gaining up on the Gopher scoring trio.

To counter Northwestern height, Coach Ozzie Cowles probably will start 6-5 Doug Bolstorff at one forward in place of sophomore Dave Tucker.

## Scortichini 8-5 Favorite Over Turner Tonight

By THE ASSOCIATED PRESS

Italy's Italo Scortichini is an 8-5 favorite to make Gil Turner of Philadelphia his fourth straight victim when they clash in a 10-rounder at St. Nicholas Arena tonight.

The handsome Italian middleweight, looking for a ranking soon if he continues his good work, attributes his recent successes to his new "American-style" attack.

"Here they don't count cleverness too much like in Europe," said Italo. "The fans and the officials like aggressive fighters who keep punching. I do that and win three straight. I hope to keep it up."

In Turner, he'll meet an opponent with the "American style." Winner of two straight, Gil just keeps coming and punching. It should be a punching bee as long as it lasts.

Gerry Dreyer, former British Empire welterweight champion from South Africa, is a 2-1 choice to beat New York's Joey Klein in the 10-round feature at Brooklyn's Eastern Parkway Arena tonight.

Dreyer has scored three knockouts in a row and has a 39-5-2 record. Klein, beaten in four of his six fights last year, has a 23-11-5 record.

Sugar Ray Robinson, former middleweight champion, begins his comeback Wednesday night against Joey Rimstone of Boston at the Detroit Olympia. The 10-rounder won't be telecast. This is Robinson's first regular scrap since he was stopped in 14 rounds by Joey Maxim June 25, 1952, but he shouldn't have any difficulty in flattening the fading Bostonian.

Minnesota and Ohio State round out the conference program at Columbus. The high-scoring Buckeye team, led by Robin Freeman, has lost twice in seven games but defeats at the hands of California.

In scoring five victories, Ohio State has run up 461 points. Purdue, which doesn't get into conference action until Saturday, travels to Bradley. The Boiler-makers have a 6-1 record and loom as dark horses in the race.

## Colleges Open Athletic Talks

By HUGH FULLERTON JR.

NEW YORK (AP)—In spite of rumors and thinly veiled hints of a wild scrap over football television, some 1,400 representatives of more than 400 colleges and universities opened their week-long series of meetings today with every indication of a quiet session.

If there's any warfare during the five days when the National Collegiate Athletic Assn. and five allied bodies are scheduled to meet, it likely will be under a placid surface.

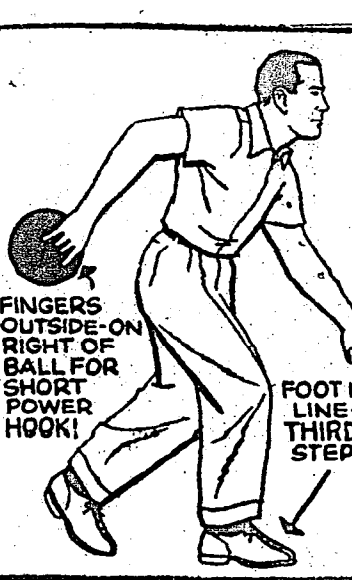

Indications are that no settlement of the hot television debate will be reached this week.

The Big Ten conference, leading opposition to the present national game—a week program, has dropped a few dire threats as to what may happen if its plan of national-regional control of TV isn't adopted. But a source close to the conference leaders said the Big Ten won't make an open fight at the convention.

"We definitely will avoid any ultimatum," he said. "The show-down, if any, will come when the new committee shows its hand."

Five TV proposals will be presented and discussed at a round-

## Bowling Clinic By Billy Sixty

By BILLY SIXTY  
WRIST CONTROL

Half or Full Turn? — Former world match champion Junie McMahon is a master of wrist action. He hooks the ball wide or short at will with precision wrist turn.

The sketch illustrates a half turn motion, with the fingers on the outside of the ball as the bowler is completing his third step. From this hand position it is possible to apply hardly any turn in the remainder of the swing, and the break of the ball will be short, spinning, and effective. McMahon applies spin with the fingers as he brings the arm up in a long follow-through. Only when the alley surface is slick does McMahon give the wrist a full turn, so that the palm of the hand is behind the ball at the top of the swing. The hook-break of the ball still will be small because of the alley slickness. Most bowlers prefer to roll a slower ball when the alley surface is "greasy," rather than add wrist action. The slower-ball method is easier to control.

## Badgers Beat Illinois, Ready For Iowa Tonight

MADISON (AP) — Heartened by their surprise 79-64 victory over Illinois, Wisconsin's Badgers are aiming for an upset of the Iowa basketball team here tonight.

The victory Saturday night in the opening game of the Badgers' Big Ten campaign was only Wisconsin's second victory in Illinois' Huff gymnasium since 1931.

The Badgers not only scored more points against Illinois than any previous opponent of the Illini, but also limited the Illini to their lowest total of the season.

The Badgers, who had lost three out of seven non-conference games, sank 41 out of 54 free throw attempts and made good on only 19 of 49 field goal shots. Illinois scored 20 free tosses out of 34 and made 22 of its 72 field goal attempts.

Illinois, dropping its second game in eight starts, fell behind 28-25 midway in the first half and never went ahead thereafter. The Illini tied the score at 31-31, but Wisconsin sailed ahead to a 39-31 halftime margin.

Illinois scored only nine field goals out of 39 attempts in the first half.

The Badgers fattened their lead to 52-34 in

# National Guard Glovers Fight At Rochester

## Winona Team To Enter Six Thursday Night

Winona's National Guard Golden Gloves team get their first taste of 1955 competition on an amateur boxing card Thursday night at the Rochester Armory it was announced today by co-director Chuck Puterbaugh.

The Thursday night action will be the first for the Winona boxing squad under the sponsorship of Company "A," Winona National Guard.

Puterbaugh said six members of the Winona squad are scheduled to mix it up at the Rochester go. They are:

Roger Gamoke, welterweight; Ed Sween, lightweight; Ray Balcarcel, heavyweight; Dick Lawrence, middleweight; Dick Ragnin, featherweight; and Roy Gamoke, bantamweight.

The first of regular practice sessions at the Armory will be held Tuesday night at 7 p.m., giving the local Glovers a chance to sharpen their timing before the competition at Rochester.

Regular practice sessions have been scheduled for 7 p.m. every Tuesday and Thursday in agreement with the National Guard sponsorship. Thursday night's drill will be canceled due to the fight card at Rochester, however.

Puterbaugh said the Armory provides room for all types of practice and also showers after completion of workouts.

He continued to urge new candidates to report for the team and said openings are still available. In line with the "new ideal" in local boxing, plans are underway to secure a franchise and hold cards locally in the future.

# Mrs. Holm Says 'It's Au Revoir, Not Goodbye'

ST. PAUL (U-P) — A simple parting remark by Mrs. Mike Holm — "au revoir, but not goodbye" — as she was ending her last hours as secretary of state at noon today gave rise to speculation that she may try a comeback in 1956.

When employees marched in one by one to "goodbye," Mrs. Holm promptly interjected, "I'll say au revoir but not goodbye."

She then explained that Webster's dictionary defines goodbye as a farewell but au revoir means "I'll see you again."

Mrs. Holm was asked by an Associated Press newsmen if that meant she is planning to run again for the post she turned over today to Joseph Donovan, Duluth. She refused to give a direct "yes" or "no" answer.

She was the last of the two elected women officials to leave office. Mrs. Grace Kaercher Davis, clerk of the Supreme Court, already has turned her office over to her successor, Frank Larkin of Hopkins.

Donovan fired 31 old deputies and appointed new ones among a total of 87 deputy registrars in the state.

Retiring today also was Arnold Gandrud, assistant secretary of state since his appointment in 1953 by Mrs. Holm and an employee of the secretary of state's office for 31 years. Gandrud refused pleas by Donovan to remain. He will be succeeded by George C. Wangenstein of Bovey.

ST. PAUL (U-P)—Gov.-elect Orville Freeman was putting the finishing touches on an inaugural message he said would set the tone and philosophy of his administration.

Freeman will take his oath and deliver his inaugural before a joint session of the Senate and House at noon Wednesday.

He said he plans to follow this address in about a week with a written message outlining legislative proposals in detail. He said he hopes to have bills drawn by that time to carry out some of his ideas.

Speaking generally, the governor-elect said he hoped to change state workers from "a feeling of drift to a feeling of movement" and that he wanted everyone who works for the state to feel that he is going somewhere.

The governor-elect said two of his appointees—Morris Hursch, commissioner of public welfare, and Mitchell Perizzo, commissioner of aeronautics—will take office Wednesday.

He added that F. W. Nichols, commissioner of employment security, probably will stay at that post until around Feb. 1 before becoming deputy commissioner of public welfare. Freeman said he wanted Nichols to stay where he is until Nichols is satisfied that the employment security department is in good working condition.

As to other vacancies that have occurred or will occur, Freeman said appointments would be made "carefully and selectively."

# State 'Financial Crisis' a Mirage, Bjornson Reports

ST. PAUL (U-P) — Outgoing State Treasurer Val Bjornson, replying to Democratic - Farmer - Labor criticism, says the new state administration will inherit no "financial mess" when it takes over.

In a final report, Bjornson offered figures which he said prove that talk of a financial crisis are not founded in the facts.

The state wound up 1954 with a 335 million dollar credit balance, Bjornson reported. Cash and investments totaled \$430,500,000 against debts of \$95,144,505.

Bjornson commented: "Minnesota's sound credit position, with debt slashed 14 1/2 million dollars since a year ago, and a 14-million-dollar deficit of 16 years ago built into a credit balance of a third of a billion dollars today, doesn't indicate that the sock is empty or the cupboard bare."

He doesn't reveal financial crisis, "as we've heard it described ever since mid-November."

There will be a crisis, Bjornson warned, "if 28 million dollars more are demanded for one purpose and 26 millions more for another."

near Waseca when their car collided with one driven by the bridegroom, John Lent, 20, Delavan, Minn., at a rural intersection. Lent was hospitalized with a leg fracture and other injuries.

Victims near Sandstone were Russell Salo, Embarras, Minn., and Melvin Scholz, Ely, both 18. They were killed when their car smashed head on into an auto transport after apparently developing a flat tire south of Sandstone on Highway 61.

Two companions were reported in fair condition in a Mora hospital. They were Ronald Williams and Ronald MacMillan, both 18 and from Ely.

Mr. and Mrs. Leo Reissenan of Minneapolis, who witnessed the crash, said the car seemed to be going along all right when "all of a sudden it swerved into the path of the truck and hit it straight on."

The transport driver, Elden Johnson of Clarkfield, Minn., escaped injury.

Other Mishaps  
Robert Logan, about 37, Morris, died Saturday night when he was pinned under his car after it overturned several times on a gravel road near Starbuck. Logan and a companion were returning from ice fishing.

Killed in separate accidents earlier Saturday were Thomas Luckason, 17, Barnesville; Mrs. Nicholas Clasen, 61, Little Falls, and Wallace Jerry Strootman, 19, Prinsburg.

Weekend deaths but not included in the 1955 toll since they occurred in the waning minutes of 1954, included three persons killed in a crash between Eveleth and Virginia, three others who died in an accident near Benson, and one who was killed at Hinckley.

## Ten Persons Die In Wisconsin Accidents

By THE ASSOCIATED PRESS  
The carefree New Year holiday in Wisconsin was the death setting for ten persons killed in traffic accidents.

The tabulation covered the period from 6 p.m. Friday until midnight Sunday.

The victims:  
Arlene Duerr, 17, Morrisonville, and Hubert Ekow, 20, Columbus, killed Saturday in a car-truck crash near DeForest in Dane County.

Delores Traft, 19, Menomonie, injured fatally early Saturday when the car in which she was a passenger collided with another four miles north of Menomonie.

Mrs. La Von Scott, 23, of North Andover, Grant County, who suffered fatal injuries when she fell from her husband's moving auto.

Edward C. Johnston, 41, of Oconomowoc Lake, who had earned fame as a candy maker and president of the Robert A. Johnston Cookie Co., Milwaukee, died when his sports car smashed against a tree not far from his home Saturday.

George Shinger, 37, McFarland, killed Saturday when his auto struck a tree after leaving the highway in Dane County 12 miles south of Madison.

Eric Stebler, 55, Baraboo, died Sunday in a two-car crash one mile north of Baraboo — the same spot where his wife, according to Sauk County Sheriff James Gavin, was killed in a similar crash three years ago.

Julius Pomahac, 48, West Bend, died Saturday at West Bend of injuries suffered Friday night when struck by a car as he walked along a rural road.

William Schwanter, 30, of rural Manitowish, killed Friday night when struck by a car as he used a tractor to pull another car from a ditch.

Neil Locke, 24, Canton, Barron County, killed early Saturday when his auto crashed into a ditch near Chetek in Barron County.

"A penny for your thoughts."

## LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGAM, D.Sc.

1. NEWS FLASH: "MOTHER-IN-LAW CREATES MORE PANIC THAN FEAR OF THE ATOM BOMB." YOUR OPINION — 1-3-55 YES ☐ NO ☐

2. IS IT A REAL HANDICAP FOR MEN TO BE SHORTER THAN AVERAGE? YES ☐ NO ☐

3. ARE INFERIORITY FEELINGS ABNORMAL? YES ☐ NO ☐

Answer to Question No. 1  
Dr. Walter MacLay of the British Ministry of Health says: "The mother-in-law ranks ahead of the atom bomb as an inspiration to panic. Talk of atom bombs doesn't affect people's health like a mother-in-law overstaying a visit." Doubtless depends whether a good or bad mother-in-law. Plenty of both.

Answer to Question No. 2  
No, except when trying to view parades, reports "Changing Times." They note that Napoleon was 5 feet 1 inch. Alexander the Great and Philip of Macedon were "very short." John Keats was 5 feet; Douglas, who debated with Lincoln, 5 feet; Mozart, giant of music, under 5 feet; Mayor La Guardia, 5 feet 2 inches. One psychologist says, "If you don't notice your height, others won't."

Answer to Question No. 3  
Not unless they are carried to extreme. Alfred Adler, who introduced the inferiority complex theory, said: "Inferiority feelings are the cause of all human im-

## Sky Generally Cloudy Over Most of U.S.

By THE ASSOCIATED PRESS

Generally cloudy skies, little precipitation and a fairly wide contrast of temperatures was today's weather picture.

The overcast prevalent across northern United States from the Rocky Mountains to New England brought little precipitation, except in the northern and central Rockies in the northern Plains and northern New England.

The normally dry Southwest—interior of southern California, New Mexico and Texas—got amounts up to a half inch.

There were some local subzero temperatures in the Dakotas and Montana, but much of Texas and the Gulf region had readings in the mid 60s. Readings were in the 30s from New England through the Ohio Valley and southern Great Lakes region, in the 30s and 40s in the Far West, in the 40s in the Southeast, and in the 50s on the Central Plains.

## FAIRLY SPOKEN

By MARGARET LATROBE

A whole generation is growing up today which has never seen a pin feather or chicken neck. From the supermarket come dainty packages of drumsticks, white meat or whatever piece of meat is fancied. No more gizzards palmed off on the kids. No more wings for Tuesday's stew. You name it, and the butcher wraps your selection of what once was a complete and varied pullet.

It was not always thus. Some of us recall the days when "selection" referred to wandering through the chicken yard with an eye on the best-looking bird for noonday dinner. Nobody ate "lunch" except school children or others regrettably away from home at dinner time. It was a kind of "piecing" done on trains or picnics.

The chickens strutted past, stupidly assuming you were there without motive. Suddenly the right-sized Rhode Island Red appeared, and with deft hand was caught and muffled before her squawking alarmed the setting hens.

In those days, women's work included the fine art of chicken killing. There are several schools of thought on the quickest and surest method for this job. And if I do say so myself, at a very young age your correspondent was considered quite passable as a neck-wringer. Some preferred a large cleaver with which to sever the creature's feathered throat, but this required a twosome of intrepid teamwork. And occasionally, even with skilled and willing hands, an accident not affecting the chicken occurred.

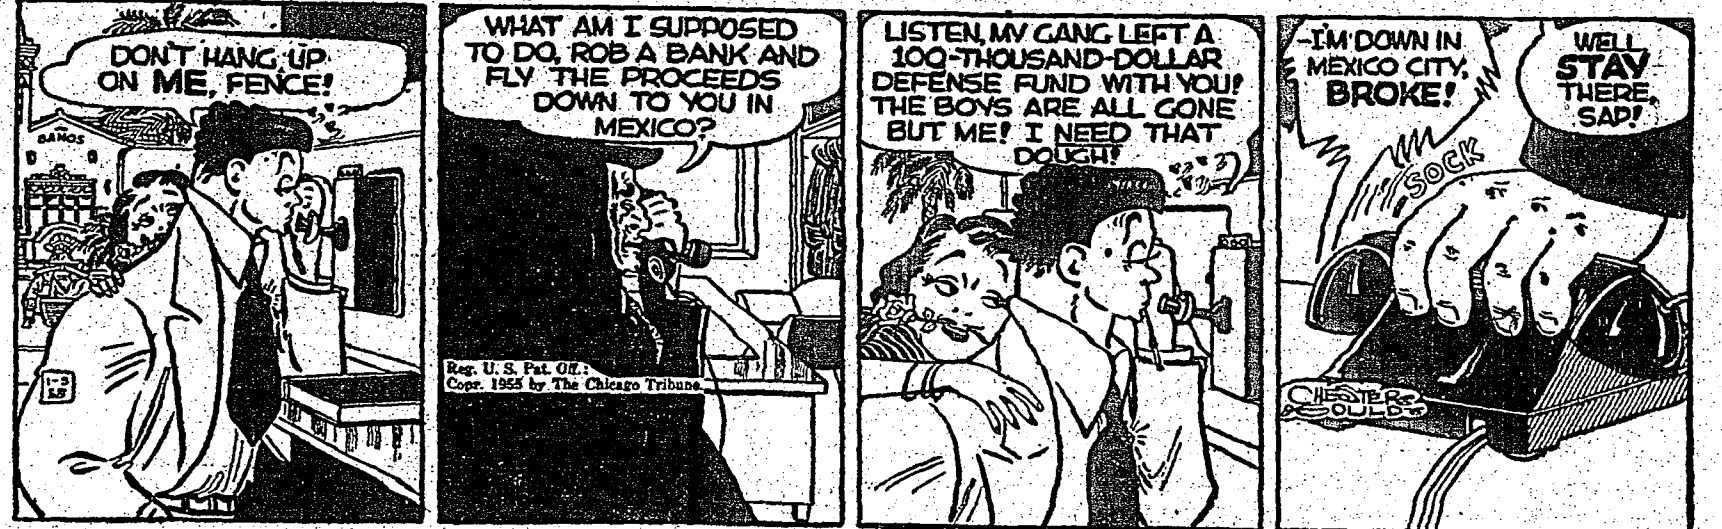

Although my cousin and I were encouraged in this feminine art, we were not considered the best judges of the tenderest birds. One morning, however, wishing to per-
