New Students and Faculty Welcomed by Winona State

"Button up, Frosh," are the familiar words bestowed upon unsuspecting freshmen by their esteemed upperclassmen at Winona State College.

Freshmen activities got off to a running start with a buffet supper in Richards Hall cafeteria. On September 8 the freshmen met at the annual & Freshman Assembly. The annual Club Festival was held Saturday September 10 in the Smog. This gave the new students a chance to become familiar with the college and activities.

Although freshmen were required to wear their beanies at all times, the joyous capping ceremony was held on Friday, September 19 at a special assembly program.

Eight new members joined the Winona State College faculty this year, three of whom return after having been on leave last year.

Returning are Miss Floretta M. Murray, Miss Marguerita Steffenson, and Mr. Daniel Hoyt. Miss Murray spent the past year at the University of Minnesota where she worked on her Ph.D., with major emphasis on the history of art and painting. Miss Steffenson has been accepted as a candidate for a Ph.D. in sociology at the University of Wisconsin. During her year of study at the U. of W. she was working in a teaching assistant.

Dr. Hoyt has been on leave for graduate study at the University of Iowa for the past two years. He is an associate professor at Phelps Junior High School.

New teachers are Mrs. Martha Caulkins, art and home economics at Phelps with a BA from Iowa State Teachers; Miss Phyllis Charles, fourth grade supervisor, MA from the University of Minnesota; Mr. Joseph Gerlach, assistant professor of business education, MBA from the University of Wisconsin; Mr. George Grangaard, sixth grade supervisor, MS from Winona State College; Mrs. Stanley Hammer, assistant nurse, RN from Joseph Lawrence School of Nursing and BS from the University of Wisconsin; Mr. Gordon Johnson, junior high science and mathematics, MA from Minnesota; and Miss Ruth Laub, flight grade supervisor, MS from Winona State.

Convocation was opened by Reverend Harold Rekstad of First Congregational Church and highlighted by Mr. R. B. Riddler, president of Winona State College. His address was on "The World Crisis." New faculty members were introduced. Mr. Fred Heyer played a flute solo with piano accompaniment by Miss Agnes Bard.

Laumb, first grade supervisor, MS from Winona State College; Mrs. Stanley Hammer, from the University of Wisconsin; Mr. George Grangaard, sixth grade supervisor, MS from Winona State College; Mrs. Stanley Hammer, assistant nurse, RN from Joseph Lawrence School of Nursing and BS from the University of Wisconsin; Mr. Gordon Johnson, junior high science and mathematics, MA from Minnesota; and Miss Ruth Laub, flight grade supervisor, MS from Winona State.

The five state colleges had a strong showing at St. Paul where Governor Orville Freeman lights the torch Oct. 16. After two days of running the relay team will be in Winona.

Friday, October 17, a variety show sponsored by the Senior class, will be held in Sommern Auditorium. Including a cast of approximately 45 people, the acts will consist of comedy, dance, and satire. Richard George will be the Master of Ceremonies.

Activities on Saturday begin with an Alumnae Tea to be held in the Smog at 10:00 a.m. All alumni are cordially invited to call for the new acquaintances and meet their friends there.

At 1:00 p.m. the parade will begin. Trophies will be awarded in three divisions: bands, floats and baton twirlers. Eight area bands are expected to participate along with approximately 20 floats from various college organizations.

The Homecoming game, played against the Mankato Indians will begin at 7:00 p.m. Warren Karlund received two tickets and cab fare to and from the New Oaks for submitting the winning slogan "K.O. KATO" in an all-college slogan contest.

Following the game there will be a dance at the Smog with Al Nouye and his orchestra providing the music. The theme this year is "Carrousel".

The master plan of expansion for the college calls for a proposal to be placed before the 1958 Minnesota State Legislature to extend the campus by 1970 to include a new administration building, an area of twenty square blocks.

Acquire Land

Miss Florence Richards, 83, former dean of women at Winona State College passed away on Aug. 10, 1958. She was dean of women and instructor in English literature for 31 years, from 1912 to 1943. The recently completed men's dormitory, Richards Hall, was named in her honor.

Miss Richards received her bachelor and master of arts degrees at the University of Michigan. She was instrumental in setting up the Florence Loring Richards World War Scholarship fund consisting of contributions for the war effort. The original fund has since been augmented by gifts, including those by Miss Richards.

Since her retirement she had been residing in California where she made her home at the Oak Park of her sister at Capistrano Beach. Miss Richards was born Oct. 1, 1874. Burial was at Pontiac, Mich.

Expansion and addition mark this year of progress at Winona State as a result of building and women's dormitory facilities near completion.

Conway Hall, begun in June, may well represent a milestone in construction. The dormitories, named for Miss Helen M. Conway, a WSC alumna, have progressed steadily utilizing a new process of constructive ingenuity. Concerns throughout the nation sent representatives to Winona to watch its progress.

After complete fabrication at ground level, the floor units were raised to corresponding heights in this four story building. An electronic crew from Chicago was on hand to make sure that the level would vary no more than two inches as the floors began their ascent.

The $375,000 addition, which will provide 108 beds, is expected to be finished early in 1959.

Miss Conway, a St. Paul grade school teacher, is a member of the State College Board. She was graduated in 1924 with advanced elementary diploma.

Further segregation of facilities continues the $174,000 addition to WINOVA State College Library due for completion this fall.

On the main floor, a new office awaits head librarian Edward Jaquith of the university. Separate sections for the reserve books and periodicals are enclosed. The top floor will be available for such books stacks are enclosed. The top floor will be available for the Reserve books.

Moving up one floor, the curricular laboratory and a second layer of book stacks are enclosed. The entire area is truly splendid with addition of the new wing.

The top level a casually furnished seminar room is set off in adjoining old and new structure.

An emergency stairway and a freight elevator begin from the ground floor. A receiving area is also planned, to provide a level to aid in the processing of new materials.

Schools to Present Musical Drama

The County Centennial Committee of Winonos has announced that the show "Minnesota," a musical drama, will be presented in Winona November 17-22 at the Senior High School Auditorium. The three colleges and the Senior High School in conjunction with the city residents will present the show. Winona State College is represented by Miss Dorothy B. Magnus and Mr. Jacques Reid of the Waconah Players. Students from the schools will be participating in the show.

Auditions for the show were held the weekend of September 22. Director of the production is Mr. Byron Holts of Minneapolis.

This year's enrollment at WSC totals 1,800. There are 850 full-time students and 135 part-time students.
Faculty Roams the World

Winona State was well represented in Europe and other parts of the world last summer. The faculty members enjoyed a trip abroad. They were Miss Amanda Aarestad, Dr. Luther Gullick, Dr. Jean Talbot, and Miss Dorothy B. Magnus. Each visited various countries abroad and reported interesting and amusing experiences.

Miss Amanda Aarestad of the Department of Education and Psychology recently went to Norway. She and her sister, Mrs. George Aamdt of Halstad made the trip by air. This was Miss Aarestad’s second trip to Norway, having previously visited several countries in Europe in 1952. Her latest trip was purely a holiday, during which she visited many relatives and friends.

Dr. Luther Gullick and his wife flew by Icelandic Airlines to Copenhagen, Denmark on July 28. Here Dr. and Mrs. Gullick purchased their camping equipment and joined the Danish camping club. They camped out 31 nights during their 45 day trip and traveled in a Volkswagen through Denmark, West Germany, the Netherlands, Belgium, Austria, Italy, France, Spain, Switzerland, and Monaco.

Dr. and Mrs. Gullick especially enjoyed observing how people lived and worked. They found that agricultural techniques in various parts of the countries differed. Most of the land seemed to be very well managed, productive, and neat. In Denmark they visited a small farm home, a village home, and an apartment of distant relatives well managed, productive, and neat. In Denmark they visited a small farm home, a village home, and an apartment of distant relatives they lived and worked. They found that agricultural techniques in various parts of the countries differed. Most of the land seemed to be very well managed, productive, and neat. In Denmark they visited a small farm home, a village home, and an apartment of distant relatives well managed, productive, and neat. In Denmark they visited a small farm home, a village home, and an apartment of distant relatives.

The trip was considered a completely successful vacation and held much value to Dr. Gullick from the geographic standpoint.

Last June 10, 1958, Miss Dorothy B. Magnus, Head of the Speech Department and director of the college theatre, began her trip around the world. Her travel, all air, included twenty-four countries, forty-one cities, and a staggering 25,000 miles of sight-seeing. Miss Magnus first flew to Honolulu and from there to Japan where she received her first sight of the Orient with its startling contrasts. In Saigon, Indo-China she especially noted the Chinese markets, which sold everything from fresh fruits to Fuller Brushes.

The unsettled political conditions of the Middle East were very much in evidence on the Mediterranean. Miss Magnus especially admired the cheerful, smiling faces of the people in Egypt. She visited the beautiful pyramids and the Nile. She flew from Jerusalem to Damascus a disturbing event occurred. The trip was made by automobile, the only time she used this method of transportation. She dropped in on a former student of hers from Denmark outside of its cosmopolitan capital, Copenhagen. In Southern France they watched people cut bundles of lavender, a lilac-purple flower, and cook it in order to draw out its perfume. They also attended the International Exposition in Brussels, Belgium.

Winona State Gridders “Will be Respected” States Coach Molinari by John Courtier

As I stepped into Coach Madoe (Moon) Molinari’s office, I could see that he was busy. I decided to cut my football interview as brief as possible.

I asked his views on the first game in which Winona defeated Stout 20-13. He said the Warriors played a fine game for the opener. “Any time you win you can not have too much criticism about the game,” he commented.

I continued, asking him about the caliber of this season’s squad and where he felt the Tigers would finish in the NSCC final standings. He explained he did not want to go out on a limb, but he did say, “We will be respected by the other teams.”

Molinari stated the conference is stronger this year, and all schools will be tough. He believes Bemidji will provide the biggest stumbling block for Winona in its bid for the flag. Winona topped the Beavers last year 19-8. Molinari has been at WSC for three years. This is his debut as head football coach here, but he has 11 years of coaching experience under his belt.

The football coach’s main worry concerning the team is injuries. Injuries to Winona’s key men could be the difference between a winning season and “just another year”. The Peds lack depth in most positions.

Women’s Physical Education Club

Freshmen members were welcomed at the first meeting of the Women’s Physical Education Club on September 15 in Memorial Hall. Miss Susan I. Day, adviser to the group, spoke on an achievement system of rating women with a major or minor in physical education. This system is being adopted in the women’s department at Winona State College.

WSC Homecoming at Maxwell?

There is a possibility the football squad may play its annual Homecoming game at Maxwell Field this year.

The Warriors, prevented for two seasons from playing night tilts on their home gridiron because of inadequate lighting facilities, learned that a new arc system may be ready before the Oct. 18 Homecoming against the Indians from Mankato State.

Original plans called for the lights to be shining at the start of this season, but contract delays forced college officials to move to at least the first three home games to Jefferson Field. Whether or not students will watch the game at Maxwell will depend upon how quickly work can be finished.

Locals Post 42-0

Win at Jeff Field

Brilliant offensive work on the part of halfbacks Dick Brown and Jim Jacobs paced the Winona State College Warriors over the Moorhead Dragons by a blustering score of 42-0.

Brown scored on two striking runs of 22 and 43 yards respectively. Jacobs, who opened with two touchdowns of seven and 11 yards, Glen Johnson and Doug Matti rounded out the TD’s with a tally apiece, Johnson for 39 yards down the pipe, and a seven yarder by Matti.

Winona made good three of their six PAT attempts, all for two points. Marvin Rouse and Jim Jacobs accounted for two of these, while Jerry McGinnis snared a Bill Morse aerial with a storybook catch for the other score.

WSC scored all their points in the first and last quarters, 28 in the past period.

Net yards rushing were, for the Locals 196, Moorhead 91. Passing gained 48 and 16 yards, and total yards was 431 for WSC and 196 for Moorhead State.

Passing had the Warriors with three for six for 48 yards and they had 21 first downs. The opponents completed three out of five for 31 yards, and they had five first downs. The entire game was completely dominated by the Warriors.

Next game on tap is a non-conference affair at the Home of the Corn College from South Dakota.

WSC Coach Speaks at Kiwanis Club

A report on this year’s Winona State College football squad was made to members of the Kiwanis Club on Sept. 18 by Madoe (Moon) Molinari, WSC head football mentor. Guest speaker at the club’s weekly luncheon meeting at Hotel Winona, Molinari gave a brief but complete rundown on recruiting and experience of each member of the team. He also answered several questions from club members regarding new football rules and procedures.

WSC Nonconference Record is 2-0

The Warrior football team took their first two games on schedule, winning over Stout of Menomonie and Loras College of Dubuque on successive weekends. Respective scores were 20-12 and 22-8. Both were non-conference affairs.

General feeling of Warrior play for their first game of the season was an average rating on offense, but a fine rating on defense. Big reason for the poor word on offense was the absence of halfback Bob Welch, who bowed out with a sprained ankle in the first quarter. Second string left halfback, Glen Johnson, was out with a pulled muscle.

Summary of game totals shows Winona out in front all the way. The Locals completed five passes for a total of 126 yards. Rushing netted 127 yards for a gain total of 253. Defensively the Warriors held Stout to 112 yards, 12 of which came through the air.

On Winona touchdowns, Wayne Asing’s pass to Bobby Welch was good for 79 yards in the first quarter. The point after failed. Another Asing aerial connected with 50 seconds left in the half, this time with John Quist gathering it in for nine yards, climaxing a 74 yard march to pay dirt. Again the point after touchdown failed. A blocked punt by WSC’s Chuck Schneider in the fourth quarter was turned into the final Warrior TD, as Dick Brown shot over from the four. The PAT was good this time as another Asing to Quist pass found its target.

Stout scoring came by a fumble recovery and a Glen Harke drive off tackle. The PAT was not good. The other Menomonie score came again on a recovery of a Fed fumble, and then Bundy joined Unrath in a nine yard pass for their tally.

Winona never trailed and was tied once at six all. Winona made it two in a row the following week, by topping Loras in a downpour at Jeff Field. The Warriors outclassed the Duhawks statistically as they gained 263 yards running and 73 yards passing for a net total of 276. Loras was credited with 211 yards, 20 through the air.

WSC scored first as Wayne Asing lobbed a pass to Marvin Rouse for the touchdown. Asing then fired a pass to Dave Glazier for the PAT, and the Warriors led 8-0.

The Winona Boys entered the scoring column again as Rouse, on a handoff from Asing, went right down the middle for a 60-yard touchdown run. Brown smashed over for the PAT.

After the two scores by the Locals, Loras scored their first and lone TD of the night as a Warrior fumble on their 38 yard stripe was recovered by the Duhawks. Three plays later, Nachtman went over from six yards out. The PAT was good and the score was 16-8, WSC.

Final score of the night was run up with less than three minutes left to play. A 12 yard scamper by Dick Brown and a missed point after made it 22-8.

Brieby, and Jeanine Siegen, Melrose Park, Illinois; and Mrs. Helen Beberg, Farmington.

Other states included in this region are Iowa, Nebraska, and North and South Dakota.
Who Will Reign?

Student voters will have their most pleasant assignment, that of choosing our homecoming queen from among six beautiful candidates. The WINONAN presents this information to aid you in deciding your vote.

The Women's dorms are sponsored by Sylvia Eglinton. A kindergartner, she enjoys reading and is an Elementary major.

Abbie Berge is sponsored by Y. W. C. A. She is a kindergartner, creative, and enjoys skating and art.

Industrial Arts Plans Projects

At its Tuesday, Sept. 23 meeting, the Winona State College Industrial Arts Club planned projects for the coming year, including the construction of the homecoming queen's float. President Lyle Linde of the Industrial Arts Club of the Student Body from St. Charles, welcomed both new and old members to the Industrial Arts Club for its first meeting, and announced that exploration of local industries will be emphasized. The coming meetings will be open to the public. Lisekow then appointed the following committees: homecoming committee, float supervisor; Industrial Arts students, and alumni homecoming luncheon, program, entertainment, project book, refreshment, and membership.

Cheerleaders Chosen

Five freshman girls were appointed cheerleaders for the 1958-59 school year. Winona State College, Kathy Juhl, cheerleading captain from Stillwater, introduced the girls at the first pep rally Friday, September 12. Chosen from the girls trying out for the squad were Julie Bunker, Chatham; Kaye Parker, Plainview; Nancy Figy, Pine Island; Enid Croy, and Marilyn Dieck in Winona.

Judges at the tryouts were Kathy Juhl, Tipple Reberg, Jack Wieczorek, Bill Kuehn, Dan Kiley, and Miss Marjorie Moravec, cheerleading advisor.

Kappa Pi to Decorate Float

Dick Brown was appointed chairman of the committee for decorating the queen's float at the initial meeting of Kappa Pi. Three members of the committee are Joyce Schultz and Mary Mulholland. The group met at Hobson Lodge on Sept. 22, for a picnic supper. Miss Floretta Murray, advisor of the club, explained the history, national affiliation, and the work of the club.

Kathy Juhl was selected to take charge of decorating the club's float. The bulletin board for the club's float was open to the entire student body and faculty.

Westminster Foundation Names Officers

The Westminster Foundation began the year's activities with a supper on Sept. 18 for all members.

SNEA Candidate Chosen

Charlotte Svenningson, daughter of Mr. and Mrs. Ray Svenningson, 217 W. 10th in Ely, was chosen for the SNEA candidate. She has been a basketball star at Bethel and enjoys dancing and sports.

SNEA Candidate Chosen

Charlotte Svenningson, daughter of Mr. and Mrs. Ray Svenningson, 217 W. 10th, was chosen for the SNEA candidate. She is looking forward to her studies in art and biology.

Gamma Delta Holds Picnic

Gamma Delta held a get-acquainted meeting on Sept. 11 at St. Mathews Lutheran Church. A winer-roast followed an evening of recreation.

At the Sept. 18 meeting, president Jane Schmoult announced that the group will publish a quarterly newspaper for all members.

Gama Delta is a branch of Gamma Delta. A woman's group, was organized by the Synodical Conference Lutheran students to promote Christian knowledge and Christian service. At various times during the year, members will have the opportunity to attend regional conferences.

Wesleyans Addressed

At the Sept. 18 meeting of the Wesley Foundation, Rev. Richard L. Reynolds spoke on the topic, "The Disadvantages of Being a Christian on Campus." On Sept. 25 the group discussed the topic of "Wesley Foundation, as part of the Methodist Student Movement, is organized for all Methodist students who seek to serve and to challenge university and college students by providing a vital Christian program, by interpreting Christian living on campus, and by developing Christian leadership.

The officers for the year 1958-59 are as follows: president, Margaret Glover; vice-president, Leslie Greenleaf; secretary, Eleanor Evans; treasurer, Arlan Ross; state representative, Paul Wagoner; two local representatives: World Christian Community chairman, Ralph Balling; faculty advisors, Mr. and Mrs. James Veerkens; and student program director, Rev. Reynolds.

English Club Elects Officers

In its first meeting of the year, the English Club selected Mary Claire Thompson as its candidate for student representative.

According to the custom, the English Club will sell chrysanthenums during the homecoming parade and football game with Mankato State College.

Robert Strah was elected to the position of recording secretary.

William Harris was promoted from vice-president to president because the former president is now working part-time and unattends the meetings.

Regular meeting date of the English Club is the third Tuesday of every month.

Radio Guild Holds Auditions

Radio Guild held its first meeting Wednesday, Sept. 24. Auditions for new members were held at the initial meeting of the Radio Society. Those accepted are J. C. Pfeiffer, Marand Pratt, Joe Fitzgerald, Ronald Holman, and Harder Brown. The Guild also decided to hold meetings every other Tuesday.

WRA Meets

Volleyball was played at the first meeting of the Women's Recreation Association Monday, September 22 in Memorial Hall with thirty-five girls participating. Upper classmen played upper classmen, and freshmen played freshmen. This gave the freshmen a chance to adjust their game to the rule changes adopted last year.

The W.R.A. board held a meeting on Wednesday, September 17, with Miss Marjorie Moravec, Mrs. E. O. Van Dyke, and Miss B. D. Ries in attendance. Board members include Daisy Moravec, President, Jan Jacobson, Vice President; Lillian McKenzie, Secretary-Treasurer, and Judy Hagen, Ann Miyazaki, Nancy Shay, Dorothy Steffen, Jeannie Stegen, and Pat Strah, note-takers. The board elected Pat Strah to represent the Midwest region at the national conference of the Athletic Recreation Federation for College Women to be held at Corvallis, Oregon, in the spring.

Dolphin, Terrapin Clubs Unite

The Dolphin and Terrapin clubs have been combined. Officers are Mary Holf and Rolly Bepp, vice-president, and Tom Chandler, vice-president, Lorna Lajic and Howard Smuck, secretary-treasurer.

At a meeting on Sept. 17, new members took the club pledge and were given their "badge of distinction," a replica of the club, Dolphinus, which they must wear until Homcoming.

Alumni Notes

Ruth L. Johnson (B.S. 1940) received his Ph.D. at the University of Minnesota in August and is now an Associate Professor of Industrial Arts at Mankato State College.

Joyce Eofman Thayer (seven quarters program, 1953) and her husband, Charles Thayer (student 1940-42), have their address to 1953, 92 A. E., Edmonton, Alberta, Canada. Clayton flies a helicopter for a Canadian firm.

Bob Crumb (B.S. 1951) a former speech student and member of the LSA, is on the sales staff of a Canadian firm.

Don Redlich (B.S. 1950) also a former speech student and Wenonah Players member visited the campus on his way back to New York, where he is a professional dancer, from Colorado State College at Colorado Springs where he worked in the dance department with Haaya Holm well known professional who did the choreography for "My Fair Lady."

Don and Jan Ranslow (B.S. 1956) Golbrandson (B.S. 1956) became the proud parents of a young son Jon in May. They are residing in Mound where he is teacher of Speech and Director of Dramatics at the high school.

Gerard and Maryline Kriil (B.S. 1956 - Assoc. Ed. 1953) are now living in Rochester where he is teaching in the city schools.

Donna May Freeman (B.S. 1955) visited this summer. She is Secretary to a Chicago firm.

Contributions to the Alumni Corraestone Campaign Fund have continued to arrive throughout the summer and are still coming in. Those gifts received have been from the following: Amanda Aarestad, Mr. and Mrs. M. R. Johnson, Lura Cooke Keen, Doris Skaw Kjome, Phyllis Schneider, Isabelle Carlisle, Frances Schulz Deets, Lela Maswell Evans, Grace E. Johnson, Ann Stellin, M. E. Davis, Lorraine T. Range, Nelson Hunt, Luella Carpenter James, Calene Clark Jebejan, and Mrs. Orland L. Johnson, Lura Cooke Keen, Doris Skaw Kjome, Mary Mahlke, Margaret B. Miller, Maide Molinari, Russell "M" Owen, Myrtle C. Risinger, Phyllis Sanden, Eleanor Sherwood, Margaretta Steffen, John C. Streed, Magdal Talle, Lillian A. Todd, Pearl Healy Tonde, Olive Towson, Frank Wachokl, Robert S. Walters, Eleanor Fruehui Williams.
