1958 Homecoming Presents Variety

Homecoming activities began with the crowning of the queen, Nancy Tubb, at the Senior class variety show on Oct. 17. Nancy was selected on the stage by football captain, John Gangla, and escorted to the throne. "I was so happy, I was smiling, but the tears were running down my cheeks," were the words she later used to describe her coronation. "I couldn’t believe it was really happening to me."

Like Connie, Nancy was the W Club candidate, and is also the same age (20) and height (5' 4") as Connie was when she was crowned. Nancy was a founder of the Warriorettes, and has guided and directed them through their first year as a sharp, snappy drill and dance number in this year’s variety show.

WSC Students Take Part In Centennial Play

A number of WSC students will take part in “Minnesota”, the original musical drama by Clifford Sakry, Minneapolis playwright and composer. The drama will be presented at the Winona Senior High School Auditorium Nov. 18 to 23 as a highlight of the Minnesota Statehood Centennial. Cast members named thus far include Deanna Harders as Julie; Norbert Mills, Cupid; Tom Chandler, Cooney; John Breitlow, Audre; Randal Schrader, Jerry; and Jane Dreckhahn, Charlotte Gof, and Guidarrah.

Mrs. Roger Carroll, the former Marie Miller, 1957 WSC graduate who was named Miss Minnesota of 1956, will sing the leading role, Christina.

Nancy Reigns at Homecoming

Nancy Tubb, state’s 1958 Homecoming Queen, was crowned on Oct. 17 by one of her former roommates, Connie Gislason, the 1957 queen.

Like Connie, Nancy was the W Club candidate, and is also the same age (20) and height (5’ 4”) as Connie was when she was crowned.

Nancy was selected on the stage by football captain, John Gangla, and escorted to the throne. “I was so happy, I was smiling, but the tears were running down my cheeks,” were the words she later used to describe her coronation. “I couldn’t believe it was really happening to me.”

A kindergarten-primary major, her favorite extra-curricular activity is dancing, and Nancy has appeared in many campus shows both as a dancer and as a choreographer. She abandoned her crown shortly after she received it — but only for a few minutes — to dance a number in this year's variety show.

Nancy was a founder of the Warriorettes, and has guided and directed them through their first year as a sharp, snappy drill and dance team.

Honored to be chosen queen, Nancy was also thrilled that her parents, from Buffalo, New York, could be here and witness her coronation.

the need for such a riot. Time is being wasted. Unless we get down to business, some foreign power will take advantage of our weakness and destroy our civilization. Let's show the world that America can do it without help.

HOLIDAY IN CUBA

(The following are excerpts from a report written by Mrs. Helen Langmo concerning her impressions of a trip to Cuba led by Mr. R. E. Davis of the Social Studies Department last summer. Mrs. Langmo is a graduate of WSC and an elementary teacher in Plainview.)

If you are seeking a trip that is really different and exciting to go to Cuba. Among the many interesting places to visit in Cuba is the capitol building, which covers two city blocks. The style of the reception hall is Italian Renaissance and the pillars or columns are of the richest Italian marble from the Alps. The dimensions of the hall are 400 feet in length and 45 feet in width, making it one of the largest halls of its kind in the world. Beautiful bronze doors at the ends of the hall weigh two and a half tons each. They rest on three ball bearing hinges, perfectly balanced and smoothly swing. Inside the main doors, the floor is covered with blue marble, the floor base of octagonal shape and is considered a pure white diamond.

The historical Old Section of Havana is soon going to play an important role because of the tremendous development of the whole city of Havana. Old Havana is the heart of all the major financial activities that so impress the Wall Street banker. Wall Street, the banks, stock brokers, insurance companies and investment companies have their main offices there.

Adding to Old Havana's importance, a tunnel has just been completed under Havana Bay connecting this section with a completely artificial harbor of gigantic proportions. Yale was responsible for proposing and planning the tunnel.

Most of the people in Cuba are very sociable, happy, and hospitable. Many of the Cuban women carry umbrellas to keep their light skin from getting tan. Eighty-five percent of the people are Catholic. Cuba presents an irresistible, all-year round lure to any tourist. I think the most experienced traveler will be won over quickly by the varied attractions of Havana where the gay spirit of its people is ever present. Columbus called Cuba "the most beautiful land that human eyes have ever seen!"

... And Don't Say We Should Walk

IT'S A MESS! That seems to be the general consensus about the parking problem around the college. There is something to be said for foreign cars while desperately looking for a parking place at 7:58 a.m. (Of course, whether you are desperate or not depends on what 8:00 class you have.)

This problem has become so serious that recent suggestions have included installing parking meters (the money to be used to subsidize the Smog). There is also a popular movement under way to tear up the streets... And Don't Say We Should Walk

Harriers Red-Hot

The Winona State Harriers have had a very successful season. This is the team’s first year and they have really shown competitiveness. The Harriers have won five of their six meets. Although they have never taken a first place position, the team has the balance to win their meets. Their last league meet is on Oct. 29 with Luther and Loras.

In cross-country running there are seven members of each team who complete the course. Besides being an exciting sport, it is a good conditioning for the track men in the spring.

On Nov. 4 the team has its last home meet with Wartburg, Iowa at Lake Park.

The Lights Are Shinin’!

Maxwell Field Stadium has finally come back into the ranks of the night football games, after an absence of two years.

The first game played under the new lights was the home coming game with Mankato State College.

The Northern State College Football

The Northern State College Conference, in its first year of operation, has had a snag, and a few complaints may be lodged before next season’s schedule is ready. Look for the fireworks during this coming winter’s hot stove sessions.

The Mankato State College Indians have the “bundle.” Crookston and Michigan Tech had all but two games left, and Moorhead and Remidji each had to play one more conference tilt — all this prevailed after MSC had finished their slate and was eliminated from the NSCC championship by finishing undefeated.

Since the day the Indians trounced Winona for the title, 35-12, the results of all those remaining games to be played by other schools has had no effect on the championship. Listen for the almost certain remaining repercussions from teams throughout the loop.

Winona’s football coach, M. E. Molinari, when asked about the scheduling setup responsible for MSC’s success, voiced strong dissatisfaction with it.

Molinari and other coaches in the circuit were then faced with the problem, and a problem it was, of keeping their respective squads “up” for the remaining conference games, which of course meant nothing except whether you chalked one up in the win or loss column.

Beavers Humble Local Gridders

Winona State’s record fell to 3-3-1 last Saturday night at Bemidji as they were clobbered 38-13.

Coach Madoe Molinari gives the reason of an inexperienced secondary for the bad showing. Fumbles galore and the injuries to key personnel also accounted for the loss.

The Peds drew first blood as they gained a 7-0 lead in the contest but relinquished it early and the Beavers stayed in command the rest of the way. The whole Bemidji attack came by fullback Guy Vena, halfback Bob Price. Between the two of them they scored all but two of their squad’s total points.

Local scoring came on touchdowns via a Wayne Asing to King completion, and a Lorry Gunhus downs via a Wayne Asing to King completion.

The Mankato Indians defeated them 19-8 here and then tying with St. Cloud 6-6 at St. Cloud.

The first game played under the NSCC rules went over on a sneak. The Warriors went for the two points but failed.

OUT O’ THE WAY INJUN!; seems to say Winona State halfback, Dick Brown (24), as he turns the corner for a long scamper in the Oct. 18 Homecoming game. Mankato State lineman, Tom Musser (7) looks to make the attempt to halt the Warrior back. MSC won 35-12.

WSC Pigskin Record is 3-3-1

The Warriors played four games since last issue losing to Huron 19-8 here and then tying with St. Cloud 6-6 at St. Cloud.

Kato Victors While Taking NSCC Crown

The Indians took a 6-0 lead early in the first quarter when Stan Kuzkuzak, after a series of plays that totaled 76 yards, went over for the touchdown. Later in the same quarter the Indians came by fullback Guy Vena, and a pass from Selitsa to Larentzen for two points made the score 7-0. A short time later Seidel tallied a second touchdown of the night on a 67-yard run up the middle. The score was 14-0.

In the fourth period of play, John Modjeski, Bob Arko, Dave Cole, and a pass from Selitsa to Larentzen for two points made the score 21-0. A short time later Seidel tallied a second touchdown on a 67-yard run up the middle. The score was 28-0.

With 58 seconds left in the ball game the Warriors tallied the final score. Winona fell on a fumble at the Indian’s 16 yard line, and a penalty of 10 yards for a personal foul moved the ball to the 1 yard line.

The conversion was not made, and the final score had the Locals losing 35-12.

Young Republicans

Members of the Winona State College Young Republicans addressed letters for Representative Al Quie at their Oct. 21 meeting. The project now under way is a distributive poster depicting the state's Republican candidates for office in the Nov. 4 election.

Canterbury Club

The Canterbury Club joined with the Bradford Club for a joint social meeting on Oct. 18 at the Congregational Church. Following the meeting, a group discussed the possibilities of attending a presentation of the Fred Waring Chorale group at WSC.

The meeting ended with the group listening to a musical tape recording.
