Alumni All Over Nation Send in Orders For 'Wenonah'

By way of publicizing the diamond anniversary of W.S.T.C. and stimulating interest in the yearbook, the business staff of the “Wenonah” recently mailed 430 letters to graduates of this school. The response has been truly gratifying. Orders for the 1935 “Wenonah” have come in from Milburn, Illinois; West Chester and Philadelphia, Pennsylvania; and Kansas City, Missouri, as well as from points nearer home. The classes represented range from the class of 1880 to that of 1934.

The letter received from Dr. O. J. Snyder of Philadelphia, who graduated in 1880, gives us a glimpse into the historic past of this institution. We writes as follows:

"Enclosed herewith please find my subscription check to the 1935 "Wenonah". I will be delighted to

Goya, Spanish Dancer, Appears Tomorrow

Carola Goya, one of the most glamorous figures in the dance world today, will appear in a re-creation of Spanish dances at College Hall tomorrow, Tuesday, March 5, as the second program presented by the Community Concert Association of Winona this season. Her recitals have created a veritable furor wherever presented in Europe as well as in the large American cities from coast to coast.

While Senorita Goya presents traditional dances of the various provinces and cities of Spain in their essential purity, it is as a creative artist that she stands pre-eminent. With typical Spanish rhythm and steps as a foundation, and calling into play her remarkable gift at pantomime, she has created dance dramas that vary from comic gayety to flaming emotion. For her purpose she uses music of the great contemporary Spanish composers, Albeniz, Granados, Dofalla, Tuna, and Lebrillo.

The high musical quality of the Goya programs is further enhanced by the solos played by Beatrice Burford, sensitive and artistic piano by the solos played by Beatrice Burford, sensitive and artistic piano by

The history of the W.S.T.C. dormitories dates back to 1883 and the students themselves have lived in seven different dormitories the past seventy-five years.

The Normal Home was the first dormitory, located in the second house east of the high school. Here it remained for two years when it was moved into the house across the street just west of the Congregational parsonage. There it stayed for one year.

A bill appropriating $30,000 for the purchase of suitable grounds for a women’s dormitory was vetoed by Gov. Hubbard in 1885, though passed by both houses. Meanwhile arrangements had been made for the erection of a large brick building across from the Normal grounds, with the understanding that it would be rented to the Normal Home. This was called North Lodge and was used as a men’s dormitory at a later date. Miss M. F. Englis who had been manager of the Normal Home on Broadway became matron in this new building, a position which she held for seven years.

With the help of Mesdames Thomas Simpson, M. G. Norton, and T. J. Freece, Miss Englis furnished the new dormitory through loans and donations of the Winona citizens. A sland tax of two cents a word, the first word being "true- ful," was levied on all students living here. These accumulated fines were used to buy a piano.

President Shepard aptly said:

"We are graduating, which will mean our losing them from our student body. As the time draws near they are doubly filled with a complexity of feelings while reflecting back upon their stay in Winona and the prospect of their leaving college. How do they feel about leaving? What benefits have they secured during their stay here? We asked a few, and the answers were interesting and varied.

Bernice Schaffner said, "I dislike very much the idea of leaving after four happy years of college life. Besides facts I have learned to better understand and appreciate music, besides writing for the paper. I have many friends whom I will miss greatly."

Her sister Beatrice wishes that she were a freshman just starting college so that she might have four years ahead instead of looking at them in retrospect. "My four years here have meant," she stated, "plenty acquaintances and lots of enjoyment!"

The next senior questioned was Bill Gebhard. He told us that he will be graduating, which will mean our losing them from our student body. The annual costume party of the Primary Club was held Tuesday, Feb. 19, the business meeting being followed by a supper party given for "eight o'clocks" are escapades that could not have happened at any school board sufficiently enough to become employed at somewhere near the subsistence level.

Perhaps the note of pessimism is offensive to certain delicately-sensed individuals. If that's the case, we're all right here.

As to the merits of these noble phrases we remain noncommittal; but armed with such potent terminology as this, we should now be able to terrorize the world at large.

Second Round-Up Assemblies Tonight A second annual convocation of alumni, faculty, and students will be held in the Hotel Winona on Monday evening, March 4. This second round-up is extremely significant for two reasons, first, it indicates the completion of another year of satisfactory and harmonious Alma Mater—alumni relationship; and second, the gathering on this occasion is one of the highlights of the current year which signifies the commemoration of the seventy-fifth year of collegiate existence of W.S.T.C.

General Chairmen in charge of the second round-up are Mrs. L. H. Upham, Mrs. C. B. O'Brien, and Mrs. H. W. Dunmore. Committees are as follows: Publicity: Miss M. Murray, chairman; Mr. Wallace Morgan, and Mr. Charles L. Simmers; Program: Miss Florence Butler, chairman; Mrs. Pauline Goering, Miss Marjorie Mettam, and Miss Janet Rohrbeck; Decoration: Miss Ella Beyerstedt, chairman, and Mrs. H. W. Dunmore, Miss Floresta Murray, Refreshments: Mrs. E. McGarvey, chairman, and Miss Florence Kroeger.

The ticket committee consists of: Mrs. William Marrle, chairman, Miss Pearl Braly, Miss J. Brammer, Miss Beulah Bronner, Mrs. H. Corey, Mrs. J. Dugan, Mrs. H. Dunmore, Miss Edna Fifield, Miss Arthur Gullien, Miss O. M. Hanlon, Miss Florence Kroeger, Miss Maud Baldwin, and Miss Minnie Teter.

And there's a reason for my long-drawn wail.

The heroes is you, the hero, I, and you.

Winona, Minnesota, March 4, 1935 — W. F. Fiekman

The heroes is you, the hero, I, and you.

And the reason's for my long-drawn wail.

Now here is why I always cry and cry—because I cannot have the moon or you.

And you alone are able to make my spirits light.

And then—that you must have for my own.

We walked sublime when all around was joy, faced weary steps of mutual sorrow, in sunshine, trudged along in rain.

And sad or gay, 'twas bliss without alloy.
Purple defeats Rochester 20 to 16

Winona, Minnesota, March 4, 1935

The basketball game between Winona and Rochester was a close contest as the Purple prevailed 20 to 16. The game was held at the Winona High School gymnasium.

Winona's points came mainly from field goals and one free shot for nine points. Gibbons scored two for the Purple.

The Purple held the Rochester team scoreless during the first quarter, while Brown gave them a two-point lead with his short shot and Cox pushed in a free throw. Vucinovich gave the Purple their 20 to 16 victory.

Winona took a seven to four lead in the first minute of the game, but the Yellowjackets led 9 to 8 midway in the second period. Alternate scoring brought the Purple to 12 to 11 at the half.

Hoffstein's basket at the beginning of the third period gave Rochester a 16 to 15 lead. Brown scored 1 try and 1 lead at the close of the third period which resulted in a basket and a gift shot by Gibbons to tie the score at the half.

In view of the fact that this story started with a 10 in 10, thePurple will have to make their deductions accordingly.

If the Purple do defeat St. Cloud Friday it will result in a three-way tie for second with St. Cloud, Winona and Moorhead each winning four games and losing three. Then St. Cloud and Gibbons would still have another contest to play and if St. Cloud wins, the Purple will tie for third with the winner.

If the Saints should win they will have five victories and two defeats. Moorhead then would only have a chance for third place by defeating St. Cloud. If St. Cloud should defeat Moorhead, the Purple would then have a chance for second place. Winona would have third place and Winona would then be pushed to fourth place.

A Winona victory would give Moorhead a chance for second place. In view of the Markanto St. Cloud battle last Saturday in which the Saints lost 28 to 36 Coach Earl Green is of the opinion that the Purple may down the Saints.

This would not be entirely impossible, as the Purple may recall the game when the Saints lost 48 to 12 and the Purple went on the floor last Monday.

The basketball squad has been divided into three new teams under the captainship of R. Hafiz, B. Hafiz, and C. Hafiz.

West Lodge is celebrating the Diamond Jubilee in its own quaint little way. Old-joke week is now a permanent affair. All the pranks, puns, and phooilishness are of 1860 vintage. This is done, not because we do not know any new ones, (because we really have some new ones and they’re both good) but so that any of the old timers should drop in they wouldn’t feel a bit out of place. Note counterenlisteration — they sing while they’re dancing the concomitant: the consensents.

Then and Now.
