New Press Club Sponsors Contest

Administrative approval has been granted the newly established Press Club. Members of the club are being chosen from among students on the three college publication staffs.

The first club sponsored project is a letter writing contest open to all WSC students with a $5 prize going to the winner. The letter is to be a letter to your senator in support of the Library's efforts to secure additional funds.

The letter may be written on any subject, but the library's efforts to secure additional funds will be emphasized.

Students have been informed about the contest rules and objectives. Students are encouraged to send their letters to Miss Dorothy Magnus, director of the Press Club.

Graduation Speakers Set

The baccalaureate and commencement speakers for this year's graduation exercises have been announced.

The Rev. W. E. O'Donnell, vice-president and dean of the College of St. Thomas, St. Paul, Minnesota, will be the speaker at the baccalaureate exercises, to be held Sunday, May 31, at 8 p.m.

State Senator Robert R. Dunlap, Plattsburg, will speak at the commencement exercises, Wednesday, June 3, at 10:30 a.m.

Both programs will be held in the college auditorium.

Aqua Days Well Received

Terry Kohner

Last Friday night brought down the curtain on this season's Aqua Days, "Under the Big Top," which proved to be a great success. The annual water frolic was put on by the WSC Dolphin Swim Club and ran from April 20-24.

The critics were generally favorable, and most people in attendance gave particular comment to the beautifully-designed circus props, the canvas-blow act by Dave Stover and Dave Percival, the clown (Wayne Fatchett) who hung by his toes and swept off the bottom of the diving board, and the grand finale. Throughout the four performances, the actors displayed excellent precision in the water ballet. Good attendance helped make the show a success.

Awards Close Science Fair

The sixth annual Southeastern Minnesota Science Fair ended at Winona State with presentation of awards to the outstanding student exhibitors.

The Wenonah Players' spring production, "The Importance of Being Earnest," came to a roaring climax Thursday night after a week of performances beginning on April 27.

The play by Oscar Wilde, an unusual combination of romance and humorous confusion, was adapted to the arena style of production by director Miss Dorothy Magnus.

The cast included Dean Ferber Fitzgerald; Alphonse Moncrieff, Gil Boultinghouse; John Worthing, Jim Breitlow; Lady Bracknell, Deanna Harders; Gwendolen Fairfax, Carol Sherman, Miss Prisem, Karen Aune; Cecily Cardew, Connie Eichoff; Rev. Canon Chasuble, D. N. Neal Lang; and Merriman, Maynard Pratt.

Technical Director for the play was Mr. Jacque Reidelberger.

Band Announces Record Release

During their student assembly performance, the Winona State Rhythm Masters announced the release of their new recording now on sale. The band made the recording, a 12-inch, 33 1/3 r.p.m., record, on March 26 in Minneapolis. There are 12 selections on the record, including "Lullaby in Rhythm," "Night and Day," "When You Were a Tulip," "Fiamingo," "Susie Blue," and an original written by Mr. Heyer entitled "New Time Next Time."

Anyone interested in obtaining the swing band record should see Mr. Heyer.
in recent weeks the television program Twentieth Century, sponsored by the Prudential Life Insurance Company, presented a series of discussions about our generation; what it is like today and where it is going. every impression brings to mind the "waiting generation" by the producers of the program. these students of our generation in this series were a group of students from Rutgers university, who were divided into two groups. one seemed to be those who are maintaining the status quo, the other group who realize that something is lacking in some of our generation who realize that every generation is different going on around this school! True, some programs like the Swing band concerts draw a large enthusiastic audience, and certainly they deserve it. But isn't it a reflection on student spirit and more matters that we have occasional (and they are few and far between) guest speakers, and the auditions are three-fourths empty? Exactly what do the students want—anything?

a collision in the hall—senior: who dances?

a new innovation would also be featured. the memorial would have as its base an exquisite reproduction of not one, but three brands of tobacco, the one figure, imbedded in concrete, would be a vague outline of text as base pay, fringe benefits, and yearly increments—who says nothing about his philosophy or his ideals?

"we don't always have to use the old dodge anymore. "they say that about every generation"—they say that about every generation. you know, we can choose who are serious artists, who are serious politicians, who are serious theologians, and who are serious researches. why even bring up the same old dodges, the same old evasions, so why even bring up such a subject? i had given the radio. it was a stimulating piece important were the things for which we were criticized. have you listened to the grade-artist who bandies about such things in planetary space. we will soon inherit this age, an age of paradox, an age of McCarthys, Adamses, spending, buy-now-pay-later; it may be a reflection on student spirit, but you can't tell him much," led me to reflect on student spirit. we will soon inherit this age, an age of paradox, an age of McCarthys, Adamses, spending, buy-now-pay-later; it may be a reflection on student spirit, but you can't tell him much," led me to reflect on student spirit. we will soon inherit this age, an age of paradox, an age of McCarthys, Adamses, spending, buy-now-pay-later; it may be a reflection on student spirit, but you can't tell him much," led me to reflect on student spirit. we will soon inherit this age, an age of paradox, an age of McCarthys, Adamses, spending, buy-now-pay-later; it may be a reflection on student spirit, but you can't tell him much," led me to reflect on student spirit.

Winona State Cast as NSCC Pennant Winner

Going Where? 

(An open letter to the students of Winona State College)

Morse Signs — Winona's Bill Morse has signed as head football and assistant basketball coach at Mpls. high in Wisconsin for 1959-60. Bill lettered in football, basketball, and baseball here at the college.

Belneke Signs — Another Winona Stater to sign a high school coaching contract was Dick Belneke, a Stawano, Wis., native. He is to become head baseball and football mentor at Weyauwega, Wis.

Fairway Boys Evened at 3-3-1

Maddox' "Moon" Mollarn's WSC Thinclads have had a fine season so far as they have recorded three wins, three losses and a single tie in dual meet competition.

Warrior golfers are: Gordon Elliott, Jim Jacobs, Jack Groppa, Bob Buckswell, Doug Page, Ken Smelser, Chuck Elliott, Ray Hinckley, Bob Gillespie, Ross Buckner, Dan Richter, and Sandy McQueen.

Jones' Thincloads Finally Beaten

Coach Bob Jones' Trackers after winning their first four meets on the schedule finally were kayoed by the La Crosse State Indians 81-49X at La Crosse.

The ending of the Peet's winning streak was helped along by the injuries to big guns like Captain Bob Scott and dashman Marvin Rouse.

Winona State College Warriors have been tabbed as the team to beat this year in the Northern States College Conference baseball league.

The Gate City club goes up as title favorites on the strength of a fast season start (five wins in a row), an impressive and experienced squad in all positions, and most of all, their tremendous record of having walked off with ten NSC championships in 12 seasons of ball.

Moorhead's State College Dragons, and the Loop's runner-up last year is considered a strong threat to Winona's chances of repeating, even with only two regulars returning last season to make the challenge. The local college has 11 lettermen bolstering its arsenal.

The Warrior office has a "Take'em one at a time" philosophy, but at the same time considers the St. Cloud Huskies as a very strong diamond group to knock over.

Bemidji boasts 17 lettermen back from last time and rumors have them with a promising outside and good pitching talent. The Beavers from up Paul Bunyan's way should better its cellar-dwelling ranking of last spring.

Mankato has gained strength from transfer students and should be cast as the league's pylon.

Michigan Tech has not inaugurated baseball as a NSCC sport this year, and the Loop in order is the word we get from Houghton.

Winona has 11 lettermen bolstering the roster, and many of last year's stars back from last time and rumors have them with a promising outside to go along with the injuries to big guns like Captain Bob Scott and dashman Marvin Rouse. But even with these two stars WSC would have been beaten by some tremendous Indian depth.

As this is read Winona will have had a quadrangular meet at Stevens Point, Wis.

LA SMOG

(Continued from page 2, column 5)

Funds for this venture are now being openly solicited by board members. (The board is actually a group of rebels who never even set foot in the Smog but who graduated from colleges not providing this cafe dividend.)

The memorial will be unveiled April 1, 1960, at 7 o'clock. A jazz combo will back up a nostalgic number called "Cream In My Coffee, Cha Cha Cha" and a guest vocalist will solemnly dedicate the memorial in Bob talk.

The combination of baseball, basketball and football coach at Melrose high in Wisconsin for 1959-60.

Bill lettered in football, basketball, and baseball here at the college.

As it stands now Winona has lived up to its pre-season expectations. Coach Joe Gerlach, despite the one conference game loss, suspects that a 6-2 or 6-3 record by a team could take the NSCC championship. Last year Winona took the top with a 6-2 record.

Fraternity Under Consideration

Attempts to organize a chapter of a nationally affiliated, Greek-letter fraternity on the Winona State campus are progressing favorably, according to John Kieffer, Winona, Wisconsin junior.

Kieffer’s motion to investigate the possibilities of installing a chapter here was favorably received by the Student Council, which passed the motion on to the Administrative Council for further study.

The Administrative Council acted immediately on Kieffer’s proposal, sending a request for information to the administration of St. Cloud State College, asking the St. Cloud authorities to comment on the problems they encountered during the recent installation of a Greek chapter there.

The St. Cloud fraternity is affiliated with the same national organization that Kieffer has contacted. The Administrative Council here is expected to make recommendations after receiving the St. Cloud report, it was intimated.
