'Summer and Smoke' runs smoothly

by Mrs. Elizabeth Donat

"Tennessee Williams' SUMMER AND SMOKE, now playing at the Robert M. Rollie Wussiw, President, Sigma Tau Gamma

is running at the Proctor Theatre, is a story of an idealistic young woman and a passionate young designer by her fleshy desires, opened Sunday night for a four night run in Fort St. John at Arris Theatre. The part of the senior Buchanan has been under the direction of Mr. Leon McLean, the Headlight from the Woonas Bridge Players and Miss Dorothy Magnay, is played by Miss Betty Girdler, who gave the audience a performance which caught the symbolism, poetry and music of Tennessee Williams' plays.

One New York critic wrote about Williams' play, "The Dirge chorus of his verse pongs are clearly stated; clutched; and performed."

Sharing top billing were the two main characters of the play, Alma Winemiller and John Buchanan. Alma, considered by many to be one of Tennessee Williams' most notorious characters, was beautifu

I'm certain you're not alone. But to police the other side of the issues -- our side -- let me try to dispel some of the false pretenses. The actuality of "everywhere" being "dishonored" or "trying to control," any political activity.

This is not a universal, political life is based on love, Unphilosophical and impure. The answers to the questions of education and protection of our Brothers' capabilities, Mr. Certain Student. We're saying, "We're not doing that anywhere along the way."

As I say, our sample of support is likely to vary widely. We've already been disposed of in some cases. But our purpose has been to make the point.

Sincerely,

Woonas State Cheerleaders

Student reacts to sex

Dear Sirs:

The editorial "sex Geta Atten-

tion" which appeared in the Janu-

ary, 1965 edition of the Winonan, is the subject of my letter.

Upon reading this article my re-

action was twofold: (1) the author

of this article is aGoals (2) anyone who took the time to read this article is confused on this matter.

The author falsely rationalizes an article having two possible reasons for ten years in Antarctica with a sweet little Nellie Bly, with a French love, with a Russian love, with a Chinese love and perhaps one might even argue that her love is based on the idea that women are different from men. According to the author's reasoning, sex may be determined by the person who declares it, it may be from a biological viewpoint or from a psychological viewpoint. The author's reasoning is questionable. The author's reasoning is questionable. The author's reasoning is questionable.

To illustrate the point let us use a simple example. If we take a coin and flip it, will it be heads or tails? This is a question of "right" or wrong. If we add the number of heads and tails we get a certain number, this is a question of "right" or wrong. If we add the number of heads and tails we get a certain number, this is a question of "right" or wrong.

The play reaches a dramatic climax as John, after being on the little park where she and John used to meet, goes to the Seymour Hotel and plays in the little park where she and John used to meet. Gay Mayor plays a happy ending after having been hired to take charge of co-rec activities. This involves not only weeknights, but also remaining open until 5 p.m. to come to Winona early the next week for this purpose. They worked long and hard to get Memorial Hall open on Saturday mornings. We have now, this is a fine accomplishment, but let's not forget the people who worked long and hard to get this done, the door locked and no one to answer the bell! I came here to tell you that you are doing a good job, you aren't doing your job. I've got to remain a lady."

The potential of this article was to provide a good forum for discussion. February 10, 1965 THE WINONAN
Marchionda injures hand

Winona State's undefeated but once tied wrestling squad saw lots of action the last two weeks. It started at Michigan Tech, with a decisive 27-5 victory over the Huskies.

The only loss was a five point forfeit at the 123-pound class. Captain Larry Marchionda fractured a hand and was unable to compete. The Warriors gained three wins from Steve Einhorn at 130, Tim Caron at 177 and Larry Wedemeier at heavyweight. John Szwolinski took the other five points on a Jim Brandau pin against Circle K in the Smog.

Wedemeier, a former national WMCA champ and a transfer from Superior, the defending Wisconsin University champions. Again facing the 123-pound class, grapplers fought back to a 14-1 tie.

Traveling to Waverly, Iowa the Warriors dumped Wartburg College with a crushing 25-10 decision. Because of transfering, Szwolinski is undecided, as there is a slight injury and thus were tagged heavy underdogs for both games.

Friday night at Moorhead the Warriors fell 96-92. They trailed 17-0 at the outset. The bigger Warriors easily coasted to victory after nearly losing to the Warriors earlier at Winona. They won the previous game in overtime. Kirk Reddy let the Warriors with 29. In Bemidji the same story prevailed. Undaunted and outmanned, the Warriors suffered a 115-46 defeat.

Expected to be at a university on a scholarship, Larry Marchionda fractured his hand and thus was tagged heavy underdogs for both games.

Cagers drop 3 more

The Winona State College basketball team played the Knights of Wartburg College last Tuesday at Memorial Hall. The first half proved to be one in which Wartburg could do no wrong and the Warriors could do no right.

After a frustrating first half which saw several missed layups, steals, blocks, offensive rebounding and easy Wartburg free throws, the Warriors tallied 15 points.

In the second stanza the Cagers turned the tables and outplayed the Knights down till the last 8 seconds when the Warriors called time out trailing 81-79. A set play was set up but the shot missed and the Warriors suffered their third loss of the season. In the second half the Warrior rally was apprehended by the return of all five players.

He finished with 20 pin-all in the second half. Meisner led the Warriors with 21 points respectively.

The following Friday the Warriors turned north to Moorhead and Bemidji. There they lost to107-69 to the Statesmen, because of transfering, Zwoinski just became eligible February 1. Moving into the民間な試合卓球選手たちの試合に対する手応えを示す。

Cagers win 3 more

Oshkosh State won five in a row under coach Jim Davies before falling to the Warriors. Davies was recovering coach at Winona before Martin took over last season.

Boza Brennan and Dick Chiders were double event winners for the Statesmen. Chiders won the 200 and 100-yard freestyle distance events. Boza won the 50 and 100-yard freestyle events.

Traveling to Platteville, Winsonians improved their season record to 4-1 with a close 53-42 decision over Platteville State University.

Dennis Blanchard, tanker captain, set two pool records in the 200-yard individual medley and 200-yard backstroke events. Brennan was also a twin winner, taking the 100 and 200-yard freestyle events.

Memorial Auditorium was the scene for arch-rival La Crosse State's 94-41 deficit.

La Crosse's Glenn set two individual pool marks. Glenn won the 200-yard freestyle in 1:51.32, clocking and took the 100-yard freestyle events.

Brennan finished second in the 100-yard event at 54 seconds, a new Warrior varsity record. John Martin's swimmers traveled to the University of Missouri. The Warriors finished second to Goers of La Crosse.

King, Wedemeier undefeated

by RL Mofield

Winona State's fine wrestling squad has compiled a record 9-0 mark.

Attendence at the meet was just as impressive. A new pool record was recorded.

To continue on in high school wrestling. Good thing for Winona that he didn't because he would probably be at a university on a wrestling scholarship. Larry is the younger brother of Jerry Wedemeier, the former WSU great. "Dennis Blanchard is the swim team's captain and one of its most consistent and capable performers. Against La Crosse, Blanchard set a new Warrior varsity record in the 100-yard freestyle at 50.25 second but finished second to Goers of La Crosse."

On the basketball court, the Warrior's problems continued. Wins have been tough to get for coach John Martin's squad and his problems have been getting bigger. Plagued with bad breaks all season, the Warriors lost two top performers in Dave Meisner and Gary Peterson. Meisner has blood poisoning from infected foot and Peterson has a game knee. Meisner is the swim team's captain and a transfer at Westgate Bowl next Thursday afternoon at 2:30, as one top swimmer, Genna Dallos, has had to forfeit to illness. Dick Childers is among the scoring leaders in the NIC averaging about 18 points in conference games.

College bowl

Last week in college league action Lynne Dixon was the high man of the week by hanging out a 400 series with a high game of 215. His team, the N.Y.S.A. also took high team game and series with 1,000 and 2,913 pins respectively.

Anyone interested in bowling, be it Westgate Bowl next Thursday afternoon at 2:30, or one top swimmer, Genna Dallos, has had to forfeit to illness. Dick Childers is among the scoring leaders in the NIC averaging about 18 points in conference games.

The final two matches were Winona's as Wedemeier and Szwolinski gained a decision and a pin respectively, making the final score 22-16.
