Schwab Receives Appointments

Philip Schwab, student at Winona State Teachers College, has recently been appointed by Governor Luther Youngdahl to a “Governor’s Committee on the Elementary Teacher Crisis,” which is studying the current problem. In this committee Mr. Schwab will concentrate on public relations.

Schwab, a junior at the college, left the secondary field a year ago to enter the Elementary Teacher Crisis. He attracted the attention of Minnesota educators at a meeting held at St. Paul in April where he represented Winona State Teachers College.

Schwab’s appointment as next year’s editor of the Winonan has been unanimously approved by the Publications Board.

A recent accident has confined Schwab to the Veterans’ Hospital in St. Paul. Personal cordialities from the governor and the best wishes of his many friends are with him in his confinement.

Sullivan Elected Student President

Student body officers for next year were elected at the recent meeting of the Student Association. The officers, as announced in assembly on May 3, are James LaChapelle, president; James Frawley, vice-president; Bert Baker, secretary; and David Swenson, faribault, treasurer.

The newly elected constitution provides that each spring a conference shall be held of cabinet presidents, faculty advisers, representative council members of that year, and Student Association officers of next year. The purpose of the conference is to assist in planning a more efficient program of college activities for next year. To fulfill this provision, the meeting was held at 7:30 p.m. on May 2 in the social room.

Club presidents and faculty advisers reviewed the activities of their organizations during the past year and suggestions were made for their improvement.

Thurman Baab, Winona, 1947-1948 Association president, who presided over the meeting, was instructed to appoint a committee to work with Mr. Hugh Capron, alumni relations officer, in laying tentative plans for the homecoming activities of next fall.

Activities of the social committee, coordinating the meeting time of organizations, student participation in assembly programs, and the establishment of a committee of publicity for the college were some of the other matters discussed by the planning committee.

Students Receive Awards of Merit

Students who have been outstanding in their work, who have made a valuable contribution to extra-curricular activities were accorded recognition at the annual Award Day exercises on May 27.

Dr. John Fuller presented awards to seniors and sophomores who will graduate with honors as follows: Evelyn Stephan, Nancey Staley, Ronald Schenck, and Margreet Loken will graduate with special honors. Those who will graduate with honors are Ruth Bierbaum, Edwin Johnson, Mildred Holliday, Jean Zamboni, William Celts, Judy Schenck, Thomas Saah, Lauderick Dickman, and Bert Baker.

LETTER TO THE EDITOR

Between 10 o'clock and midnight on Thursday, April 29, quite a few tired Science clubbers headed home and to bed. Some lingered for coffee and cookies, and while most of them hit the hay promptly, I am afraid that some of us didn't get straight home.

In case of some you don't know what I'm talking about, may I inform you that annually the Science club puts on a so-called Science Day and Science Night every year, with many memhrship contests, exams, and experiments and exhibits in biology, chemistry, physics, mathematics, and geology. Movies are shown on topics relating to these fields throughout the day.

I was pleasantly surprised to see so few of the college turn out to see what we had worked so hard to produce. Outside of showing appreciation and some of you see your activity fee, you might have learned something.

We now realize that the advanced publicity was not as effective as it should have been and that the setting up in the past nine months, which in itself is worthy of some sort of award. Evelyn Stephan started the paper, the staff members of the Winonan have prepared themselves for a still more future.

The May issue of the Winonan spellns fills on another year of college publication work. The year has been a fairly successful one, and the staff embarks on a well-earned vacation. There have been trials and tribulations, of course, like the time the galleys were lost for several hours and the deadline was less hours, but on the whole it has been an uneventful year.

T. C. Pulse Beats

By Bill Turek

Hello, folks! This is the time of year when bouquet-throwing becomes a "must" for every sane, responsible person who’s had the unfortunate privilege of receiving a surplus of favors throughout the school-year. Although these services have come to me in the form of co-operation from you students, I’ve not begrudged them. Herein is my receipt for thanks and appreciation.

The following questions are very similar to the ones asked members of the student body a short time ago. This was done so that a comparison could be made between the student results and the faculty results. Forty-five questionnaires were sent out to members of the faculty; twenty-one (42%) of these were returned. The results:

*Do you think teachers are justified in striking for higher wages?*
- Women Yes: 33%
- Men Yes: 58%
- No: 21%
- Don’t know: 8%

*Who do you think our next president will be?*
- Stassen: 23%
- Vandenberg: 30%
- Dewey: 10%
- Truman: 4%
- Don’t know: 10%

*Do you favor the passage of the U.M.T. bill?*
- Women Yes: 97%
- Men Yes: 57%
- No: 3%
- Don’t know: 9%

*With whom do you sympathize in the present conflict in Palestine?*
- Jews: 33%
- Arab: 19%
- Both: 19%
- Neither: 10%
- Don’t know: 19%

*Is divorce a wise addition to society?*
- Women Yes: 67%
- Men Yes: 65%
- Neither: 10%
- Don’t know: 11%

*Has the U.N. been successful?*
- Yes: 67%
- No: 33%
- Don’t know: 1%

*Disregarding technical differences, do you consider British movies superior to American movies?*
- Yes: 57%
- No: 20%
- Don’t know: 23%

*Which country would you most like to visit?*
- France: 67%
- England: 21%
- Japan: 4%
- Australia: 3%
- Don’t know: 9%

*Misses Aarestad and Schwable Honored*

Miss Betty Schwable and Miss Amanda Aarestad, Winona State Teachers College faculty members, were elected to state and regional positions at a meeting held at the University of Minnesota on Saturday, May 8.

*ALUMNI BREAKFAST PLANNED FOR JUNE 9*

The annual meeting of the Winona State Teachers College Alumni Society will be held at 7:45 a.m. at Hotel Winona on Wednesday, June 9. Breakfast will be served. Tickets are $1.00 and may be obtained from the college general office, phone 5541.

*ALumni Notes*

Verlie Satter, class of 1942, and a teacher in the Winona Public Schools, will be an exchange teacher in England in the fall. Budlah Buxwell, 1938, will teach in Austin this summer, following a year of teaching in England. Hattie M. Subra, Dodge Center, Minn., class of 1907, died on March 5, 1948.

Jean Le May, class of 1945, is employed in the main office of the Southern Pacific Railway in San Francisco. She and her brother, Robert, have an apartment at 1408 California St., San Francisco 9, Calif.

Jeanette Hovden, class of 1945, who is teaching in Escanaba, Michigan, will do post-graduate work at the U. of Michigan this summer.

*The Winonan staff wishes to express its sincere gratitude to Dr. Nelson for her capable counseling and assistance in helping to make the college publications successful.*

Clubs Note

"Teaching as a Profession" was the topic of a panel discussion held by the Elementary Grade Club on Monday evening, May 3. Mary Leonard, Lake City, served as chairman of the discussion. Other members who participated were Charlotte Sand-ager, Roosevelt High School; Evelyn Holmstedt, Lake City; Harriet Nelson, Stillwater; and Leola De Groen, Far- mington.

Senior girls of the Winona Senior High School and Cath-edral High School were guests of the club at this meeting. Bar-bara Nusdel, Lewiston, was chairman of the welcoming com-mittee, and Arno Mannanv, Fairview, headed the food commit-tee.

After a very successful year, the Science Club terminated its activities with a banquet at the Quack Cafe on May 30. The club mem-bers traveled to Merrick State Park on Thursday, May 27, for their annual picnic. Although eating was the main activity, softball, golf, fishing, and hunting were also enjoyed.

Club 61 was the scene of the Mendelsson Club’s spring ban-quet on Tuesday evening, May 17.

A beautifully decorated table of greens and violet created a lovely setting for the dinner, which was served by the club. The guests of honor were Albert Hoch, Douglas Creek, and his wife, Helen, from Yankton, South Dakota.

The formal initiation and banquet of the Wernon Players was held at the Quack Cabinet on Saturday evening, May 20. Officers elected for the coming year were Robert Clayton, Waitea, president; Rosalie Critchfield, Winona, vice-president; Marilyn Wotton, secretary; and Keith Harstad, head technician.

Club President, Robert Aarsvold, Kasson, treas-
er, attended the meeting were Clarice

Winona, retiring president, for he has performed as head of the organization dur-ing the past year. Refreshments were served by Mrs. Melvin Karsland, West Concord.

Members of the Lutheran Students Association held their annual sunrise breakfast at Home- zinger Lodge Sunday, May 23, at 7 a.m. The evening was en-
joyed a breakfast of bacon, eggs, toast, and coffee prepared by Adeline Johnson and Val Jean Christensen, Winona.

New officers of the organization are Robert Clausen, St. Paul, president; Val Jean Christensen, vice-president; Evelyn Holmstedt, Lake City, secretary; and Robert Aarsvold, treasurer.

Officers elected at the last meeting of the Industrial Arts Majors Club on May 6, were Don Haug, secretary; John Nelson, Rochester, vice-president; Robert Friggere, Winona, treasurer; Bob O'Brien, James Lafky, Charles Keith, head technicians.

New initiatives included Don Sweeney, Fountain City, Win-
isa; Mary Schmitt, Malmstrom; Jo-anne Howland, White Bear Lake; John Kirby, St. Paul; Mildred Hoefen, Byron; Barbara Num- loch, Lewiston; Joan Wintersdell, Red Wing; Bill Turek, Rushford; Bob Crumb, New Richmond; Keith Harstad, Harmony; Ruth Street, Mabel; Evelyn Hols-

VETERAN’S INFORMATION

Veterans administration today simplified the method of allowing World War II veterans to use GI benefits under the GI Bill to change their educational or vocational goals. No longer will veterans be required to change schools and public high schools no longer will be required to notify veterans of all changes before changing their courses. These changes now may be approved by the veterans educational or vocational goals.

Changes will need prior approval of VA Training Sections now may grant approval before they may change courses. Students and schools will notify VA immediately of all courses that cost more than $50 for the training change is to be notified by VA before considering any plans for approval is made.

Dear veterans:

Your GI Bill is still a living document and we have forwarded to you the enclosed article from the local newspaper which gives some background on the GI Bill and some suggestions to make the best use of the benefit.

We are happy to announce that the GI Bill is still being used by many veterans and that they are receiving good results. Many veterans have been successful in completing their education and are now gainfully employed in various fields.

We encourage all veterans to continue to take advantage of the GI Bill and to make the best use of it. If you have any questions or concerns, please do not hesitate to contact us. We are here to help you make the most of your GI benefits.

Sincerely,

**T.C. Baseball Nine Defeats Moorhead For Conference Title**

Members of Winona's championship baseball team are (front row, left to right) Wober, Belkomy, Stark, Tews, Percussion, Radtke, Anderson. (Row two) Ferguson, Karte, Dragon, Schwock, Kraden, Carchan, Winblad. (Row three) McCown, coach, Mueller, Prosopovics, Hansen, Yantes, Schrockenhorst, Martin, Barrett and Johnson.

Winona State Teachers College annexed the Minnesota State Teachers College baseball crown by knocking off Moorhead in a 12-10 singlet May 17 at St. Cloud. Held scoreless for the first four innings, the Warriors unleashed an explosive batting attack that produced two runs in the fifth, three in the sixth, four in the seventh and three in the eighth. Moorhead scored seven of their ten tallies in the ninth inning.

Coach Luther McCown’s lucky coin carried the locals into the final round of play. The southern half of the conference ended in a tie with St. Cloud, Mankato, and Winona. Mankato was eliminated by the flip and then St. Cloud succumbed to Mac’s lucky coin. The Warriors did not need their coin to capture the conference crown as at the ninth inning they had a comfortable 12-3 lead. Several Winona errors caused mostly by over anxiety gave the Dragons seven runs in the final stanza before pitcher Ev Mueller put out the fire. Mueller went the route for the McCownmen and allowed 12 hits, four in the final inning. Drury started for the Moorhead nine and hurled a hitless ball for four innings. Then the roof fell in on him as three hits produced the initial two runs. Things were very dreary for Mr. Drury in the sixth, and he departed, with Wilson taking over. Moe came to Wilson’s aid in the seventh and finished the game. Big Ev had the northern boys swinging from their heels and 13 of them went down via the strike-out route. Drury managed to strikeout three of our gladiators, Wilson retired one, and Moe (no, not Wober) also got one man to bite on a third strike. Stan Prosopovics set the stage for the initial Winona scoring effort when he walked to open the fifth inning and scored on John Barrett’s double. Sunny Karle followed with a single, and Barrett pulled up at third. Mueller’s single plated Barrett with the second run of the inning. Winona scored at least twice in each of the next three innings making most of their runs in the seventh when Tews, Stark, and Prosopovics walked to load the bases. Radtke’s single scored Tews and Stark while Prosopovics and Riddle came in on Barrett’s single. Three more runs came in the eighth as Winblad hit a home run with Tews on base. Stark followed with a single, and scored on Barrett’s fourth hit of the day. Moorhead picked up three runs in the seventh when Lund, Kratz, and Mongoven hit Texas Leaguers to get on base. Mongoven’s hit scored Lund, and the other two runs scored on Melvsky’s hard smash over second. Four hits, including a triple by Moe that drove in three runs, coupled with four errors gave the Dragons seven runs in the final frame.

John Barrett led the Warriors at the plate with four for five, while Henry Karle had three singles in five trips. Mongoven led the Moorhead attack with three hits in five attempts.

**T.C. Loses 9-2**

St. Mary’s took the first of two baseball games under the lights from the Warriors 9-2 last Friday May 21. The second game was played at Gabriel Park. Tuesday, Sten Prosopovics was the T.C. hurler while five St. Mary’s pitchers saw action. Stan led T. C. at the plate with two hits in three trips. Errors accounted for the majority of St. Mary’s runs.

Because this is the last issue for the school year it seems most appropriate to extend hearty thanks to the athletic department and the athletes of this school for the fine cooperation they have given the sports department this past year. As you can imagine it is very difficult to try to write a sports page when some of the events have happened almost a month ago. Certain details get left out—maybe a name of one of the players or an important hit. Believe me, when that happens you really hear about it. This year things have been different though, for Dr. Galligan, Mr. Brodhagen, and Mr. McCown have been very considerate and, as a result, the sports pages have been fairly accurate. Thanks again.

Now that spring is officially here and occasionally the sun shines, more and more athletic events will be taking place. The season is just about over for the various teams, but there is still a chance to get out and see the boys in action. That is what your activity ticket is for, you know. It isn’t honored at the State or at Anah’s.

Surely was proud to be allowed to sit in on the recreational conference held here at T. C. a few weeks ago. I never knew just what was going on to give the kids a chance to play and develop hobbies, but now I do. You would be surprised at the time and effort it takes to help those youngsters. To me, it seems like a good deal. We talk a lot about juvenile delinquency; well, here’s one sure way of combating it.

Maybe some of our readers should realize that sports is more than winning a letter or having a bevy of hero-worshipping co-eds hanging around you. Sometimes I believe that there is a certain difference held here at T. C. a few weeks ago.

I sure wouldn’t make this reporter feel bad.

Due to the paper shortage we must freeze for this year. So long,

W.A.A. Spotlight by Jean Carlson

I should have written this before the trip to St. Cloud because then I wouldn't have had to pry open tired eyes to meet the deadline. The deadline is here; the eyes are open (I think), so the fun we had at the state play day will be recorded.

The bus load of Winona enthusiasts pulled up in front of the teachers' college about 10:30. From there on it was a day of good activity. Everyone came with the idea she would get acquainted as quickly as possible so we could play together. (Or was it the playing together that made us get acquainted?) Team sports such as softball, volleyball, speedball, and field hockey kept us busy during most of the day.

Have you tried using an Indian speedball, and field hockey kept us happy. The evening banquet at the St. Cloud hotel was something special. The entertainment carried out the western theme of the Play Day.

A silence drifted over the occupants of the bus on the return trip. You don't believe that? We were tired. Betty Foulshour and Marilyn Bublitz stretched out on the floor for a good sleep on the way back.

We are proud of the plaque Winona received for having the largest number present.

In the spring a senior's thoughts turn to plans for the coming year. If you look forward and yet look back, I think you appreciate the ideas of all of us who are graduating. I have enjoyed the minutes spent writing this column — and even more the hours spent in the W.A.A. I'll look for this corner of the news next year. If this is true — it will have to be true. It has been fun.

Baldwin, director of the Winona Recreation Department. Those attending from out of town were: Ted Bogla, Spring Grove; Palmer Sandiger, Spring Grove; P. J. Sandell of the State Department of Education; Verne Herman, Plankinton; G. W. Klein, Fountain City, Wisconsin; Y. T. Gilsen, Winona; Paul F. Schmidt, Rochester; S. S. Schrader, Winona; O. O. Peterson, Galvaston, Wis; Babe Deroin, Independence, Wis.; Bill Cashen, Arcadia, Wis.; Curt Jacobson, Rushford; O. S. Mietz, Dodge Center; A. F. Fritz, Blooming Prairie; L. M. Heisette, Lewiston; Wesley Concidine, Wabasha; Bob Platte, Mondovi; and W. E. Hubert, Goodhue.

RECREATION CONFERENCE HELD HERE MAY 3

The second annual Conference in Recreation for Directors of Summer Programs was held at Sosmen Hall on Monday May 3. The session was sponsored by the health and physical education department of the college. Included in the day's activities was a tour of the city's recreational facilities. Several discussions involving recreational activities and problems were presented. Also included in the day's events was a tour of the art and industrial arts departments of the college. In charge of the program was Dr. G. E. Galligan, athletic director, of W.S.T.C., and J. J. Somsen, Hall on Monday, May 3.

Recruiting Conference

Next to the scarcity of teachers, the greatest problem in the elementary field today is the inability to attract men teachers. Superintendents are requesting men who have training in the elementary field to take over the supervisory positions in the elementary schools.

The salary range for degree elementary teachers is comparable to that of high school teachers in that most schools are now offering $2,000 to $2,300, with one exception. Additional teachers each year for elementary degrees. As the supply catches up with the demand, it is expected that more and more schools will require that their elementary teachers have a four-year degree.
