Flood causes longer Easter vacation

By teacher vacation turned out to be a little longer than expected because of flooding conditions in the city of Winona.

Winona State College has announced that the campus will be closed through Easter vacation, which is scheduled to begin on April 30. The college plans to hold classes through May 22, with a recess of one week before the resumption of classes on May 26. The college hopes to resume normal operations on May 26, but this will depend on the progress of the floodwaters and the availability of facilities.

Permits up 80% from last year

Winona State College has issued permits for homecoming events in September. This year, the college issued permits for 1,860 fall quarter students and 2,146 spring quarter students, an increase of 80% over last year. The college also announced that only 15% of the permits issued were for full-time students.

Homecoming queen on 4.0 honor roll

Winona State College announced that Homecoming queen Susan Carhart has a 4.0 grade point average. This is the second year in a row that a student has achieved this honor. The college congratulates Susan for her academic achievement.

Composition contest starting today

Winona State College is hosting a composition contest for students. Students are encouraged to submit their work for a chance to win prizes. The contest is open to all students, and winners will be announced in mid-May.

Winona State Fair

The Winona State College choir will perform at the Winona State Fair on Friday, May 16. The choir will sing at 8 p.m. at the fairgrounds, and admission is free. The choir is directed by Dr. Dennis Olson, and the performance will feature a variety of songs and a special guest appearance by the Winona State Band.

FILL SOME MORE BAGS, BOYS . . .

The Winona Post Office is still receiving sandbags to fill for the city's flood defenses. The post office is working with local organizations to ensure that sufficient sandbags are available to keep the city safe.

Winona State College fellows help fill the sandbags used to build dikes.

(continued on page 2)
Somebody slipped up

In a college-wide election last February, the students of Winona State College voted to place Rev. Father Michael J. St. Paul. Then three-state Cover Girl Contest is run every year by the Minneapolis Star and Tribune. When the picture of the campus cover girls from various college campuses of Minnesota, North and South Dakota appeared in the paper, the students were surprised. Somebody slipped up some place, and since this person must go undetected, the "question mark" in the caption, we personally would like to offer an apology to Miss Rudeen for what indeed must be a let-down, for her.

Shall we try again next year?

Fred Bolen

The Oracle

30 days left

by Frank Bongiorno

Mrs. Janece

To my viewers out there, May means that you have only one month before a June

month vacation starts, but for most of us seniors, it means we have only 30 days to

start working for a twice as long as the June month.

Extended Easter... Many state

school districts have extended Easter because the transportation difficulties last for

four days in June. But what a pleasant surprise on Easter morning that out of my

family who have gone out to find us we had an extra week off. We had an extra week

without the worry of work. I think I am going to follow the rule of the famous Daunna

Court. Don Sundin went to St. Louis. Val

parsons, Ted, was treated by the return of their favorite sons and daughters.

Ralph Fifield and family. Bob Glaubke, brother of Mr. McSorley is basically preparing

for the annual school trip trip which this year is going to the home of the Winonans don't want, and carpet-

stop writing letters on home rule

bagger with radical ideas of local

science classes was criticized. So

when the column was published, a great deal of trouble was caused. The column

was in defense of the principal's advocacy of the "idea of local government in the city desiring to listen to the various forms of local government in the city desiring to listen of notorious professor of Winonans don't want, and carpet-

many of our young people have con-

tributed to the education of people of our community."

rational ideas of local government in the city desiring to listen of notorious professor of Winonans don't want, and carpet-

$600 loan for college juniors preparing for Peace Corps

College juniors who wish to use the summer before their senior year to prepare for post-graduation Peace Corps service now may borrow up to $600 to help pay their senior year school expenses. Loan repayment may be deferred until after Peace Corps service has been completed.

Ten women attend Delta Zeta Day

Ten gals from Winona, together with members of Muwod and St. Cloud State chapters attended the Delta Zeta State Day at the Sheraton Ritz Hotel in Minneapolis on April 24.

A workshop for U of M collegiate presidents and alumnae in the Minnesota Alumnae of Delta Zeta was held on Saturday. Delta Zeta's Alumnae newsletter was presented with the Golden Rose Award for five years' outstanding work by Mrs. Joye Maltson was honored as the 1962 Minnesota Alumnae of Delta Zeta alumna of the year.

Members attending from WSC were Jan Johnson, Officer, Gertrude, Jayne Renfroe, Renae Rasche, Helen Atmey, Marjorie C. New, Jan Cutta, and Jackie Ophal.

Dr. Foegen writes on union members

Apparent in the March, 1965 issue of PERIODICAL JOURNAL is an article called "Surface Apathy of Union Members," written by Dr. J. H. Foegen of Winona State College's Division of Business.

Calling attention to the disinterest on the part of union members in union activities, his article suggests that the situation's main cause is apathy, and since membership is voluntary, the组团 is voluntary. Absenteeism is only on the surface - that when significant issues arise, the self-interest of members will be preferred to the militant aggressiveness or noted issues. The aggregate of minor issues of this sort will be apparent to all who attend meetings or show any interest in union activities, but will not be noted by members who are not interested in union matters.

The article points out that such disinterest might well arise, the self-interest of members face; that when significant issues arise, the self-interest of members will be preferred to the militant aggressiveness of the union. The aggregate of minor issues of this sort will be apparent to all who attend meetings or show any interest in union activities, but will not be noted by members who are not interested in union activities.

Alpha Phi plans housing survey

A new service fraternity at WSC, Alpha Phi Omega, has made a project out of under-enrollment. These may be carried out by members of the group in May after the fraternity gets its final approval.

One of these projects involves a walking survey to be made by Mr. Johnson's request. The purpose of the survey is to inventory off-campus housing being available for students next year within a six-block radius of the campus.

The other project underway is a large map of the campus showing the main entrances to each building. This map, if practiced, will be placed at the main entrances to each individual building. A number of students and volunteers will be able to find their way around the campus.

Time change, confusion results

The Winona City Council voted to go on CST April 26, and this will be in effect throughout the summer.

Clocks at the college will show Central Standard Time, so the college class schedule will begin May 16, at 8 a.m. CST, depending on how you have set your watch.

The music schedule starts at 7:50 a.m., Wednesday night classes must end by 6:30-8:30 p.m., and Saturday classes must meet from 8:30 to 11:30 a.m., all CST. Night classes in other communities will pre- dominate on the time prevailing there - whatever that may be. If this confused writer owned a jewelry store, she would sell Winona State twin watch sets - one for each arm. And, furthermore, if the Federal Government or the Winona City Council creates a confusing situation like this again next year, they can write the editor.

Housing survey - Brin Stetching Story.

Alumni News

Alumnus Allen D. Johnson earns doctorate at U of SD

By GEORGE MCCORMICK

Dr. Johnson received his Ph.D. in entomology from the University of South Dakota, following a year in residence in Winona.

He is ALLEN D. JOHNSON (B.S. '56), who received his Ph.D. at the end of the University of South Dakota winter quarter. His major study was zoology, and his principal work was done in animal parasitology.

After his graduation from WSC, Dr. Johnson taught at Chadilaf one year, then began his graduate studies at the University of Minnesota, where he was a graduate teacher and research assistant. He received his master's degree in 1960, and was awarded a graduate scholarship in 1962.

His wife is the former MAXINE CZAPINSKI (B.S. '56). They have two children, and they live in Vermillion, S.D.

WSC's graduate has been awarded a fellowship for advanced study at Cornell University.

Dr. Johnson is a graduate of St. Olaf College, and he received his B.A. degree from the University of Minnesota.

JAMES A. BARTELS, a former student at WSC, has been appointed assistant to the President, and is in charge of the student, alumni, faculty, and administration of the college.

JSNEA meets at St. Cloud

You still have time to make your reservations for the JSNEA meeting at St. Cloud on May 21-22.

The fall's key 1. Just contact Ann Howard, 807, 907, Winona, or Peggie Roper, P.O. 4, Peggie Roper, P.O. 4.
Koehler wins singles at Carleton Tourney

Gretchen Koehler was the singles champion at the Carleton College invitational Tennis Tournament.

The thimblecads made a fine show- ing placing second to St. Cloud at the Carleton meet. The second Nordic team behind the Owatonna-Moorhead which won the event "was a little more depth in the hurdles for the Warriors might have upset St. Cloud.

The outstanding athlete of the day according to Keister was Van Nelson of St. Cloud. He ran the three mile run in 14:06.9 which was comparable to the fifth place finisher 40 seconds with some pushing this season.

Scharmer from Winona did about 170 in the javelin. He placed third in the conference heat behind and Demond from Concordia 5-7, 6-0. Miss Blaschul lost in the first round to Judy Hunter of St. Olaf 4-6, 6-4. In consolation play Julie Dickinson of Carleton downed Miss Blaschul by the score of 5-7, 6-0.

In the second contest the Warriors topped St. Louis behind J. D. Barnette, to 6-2. Barnette allowed 4 wins while striking out 7 and walking 4.

The Warriors then journeyed through the floodlands to SCI. Barnette started but had to leave in the sixth in favor of Jerry Kohn. The Warriors led 6-5 going into the eighth but gave up 8 runs and fell 1-54.

The next Warrior opponent was the U of Minnesota (4-24). The Warriors went down 6-1 on a hitter.

The Warriors stand 2-3 on the year and open the conference seas- son this weekend against the Minnesotans.
