Soph and junior officers elected

Sophomore and junior class officers were elected last Friday. A total of 185 freshmen voted for next year's officers. They elected Roger Wistricill, president; Mike Specht, vice-president; Paityn Fishbach, secretary; Bonnie Feuling, treasurer.

Roger has an English major and a minor in art. Working at Sammy's takes up most of his time. He is a member of Newman Club and YD's.

Dana, another elementary major, has minors in English and French. She is a member of Newman Club and YD's.

In his new duties, Kane will coordinate the union activities and work with students and faculty groups in planning the functions and activities to be carried on in the new union building. Kane also will coordinate the college financial aid program of the college which includes scholarships, National Defense Loan program, part-time employment, and related financial aids.

Some classes dismissed next week

Monday afternoon and Tuesday morning classes of next week will be dismissed for pre-registration.

Advice are to be seen at three times to make schedules for summer sessions and fall quarter. The registrar's office urges students to check classifications on the latest on the horizon, and make any necessary changes prior to Monday afternoon. Correspondence cannot be made during pre-registration.

There will be no advantage to being first in line for pre-registration as numbers will again be drawn. Freshmen will draw their numbers on Tuesday afternoon and complete their class cards on Wednesday.

Winona are urged to pay fees for Fall Quarter prior to the regular registration dates. The business office will take fees at the following times:

Monday, July 15-August 20 (Mon.-Fri.)

Honor our parents
This weekend has been put aside to honor our parents. They have been putting up with all our little pranks and bickering. Children are being born. But too often they rejoice their parents' love with materialistic things such as handkerchiefs and pipe. Many parents are looking for something else.

"Winonan" to publish weekly
This week the Winonan's requested budget for 1965-66 was approved, and we will therefore publish on a weekly basis next year. Winona State College has a weekly newspaper, The Winonan. The Winonan is the only newspaper left among the state colleges that does not sell advertising; next Winonan will sell advertising, just as its counterparts do, to help defray the added expense of publishing a weekly paper.

It helps to see finals
As each quarter passes, we wish through midquarters, term papers, and finals. Supplicously, we may beg, as we do, or as we may try. Then when we don't do well on a final we'd like to know why; what did we wrong? And even majority of cases, however, we do not have the opportunity to do so, for our grades are only posted, and as a rule, most instructors do not make a habit of telling students see their final exams.

Winonan commended for Norwegian Issue
You are to be commended and encouraged gesture to a solid Norwegian spirit which was retells trip to Oslo, Norway.

From the president . . .
By Charles Beeker
Welcome Parents! The Student Senate wishes you a very enjoyable stay on our campus.

The following article appeared as a segment of Bob Murphy's "Reporting at Large" column in the Winonan Tribune. "Winona State College has just put out a most unusual issue of its student newspaper, the Winonan, containing a section written to re-echo Norwegian sentiments!" The author of the section is Robert Peterson, a junior from Winona, who is currently studying abroad in Oslo.

The article discusses the Norwegian Heritage Project, which aims to promote and celebrate the cultural and historical aspects of Norwegian life. The project involves Student Senate officers and representatives from various student organizations. The Winonan has decided to dedicate an extra issue to the project, highlighting the importance of preserving and sharing the Norwegian legacy.

Winonan recommended by finance committee; itemized allocations listed
1965-66 allocations made by finance committee; itemized allocations listed
Have you ever wondered where the $10 activity fee you pay each year goes? Have you ever determined just how much of it goes where? 1965-66 allocations have now been made by the finance committee of the voting campus of Lena挪威se that receive money from the activity fund for their operation.

Out of the $10.60, $6.90 is sub-ded to cover health and student service expenses. The remaining $3.70 is given to the activity fund. The committee has approved the 1965-66 allotments, which take into account the number of students and the amount of money the school has available.

Five percent of these estimates were set aside for a capital emergency fund, leaving $80,000 to be divided among the activities.

Each organization submitted a request for a block, which was approved by the Finance Committee. The Com- mittee then approved each request and attempted to fit them into the estimated $80,000 activity fund budget.

In order to arrive at an allocation for each activity, each num- ber of the committees received the list of requests, and in some cases, time-item budgets. Working separately, each member drew up a budget to fit the estimated total.

Out of the $10.00 is sub-ded to cover health and student service expenses. The remaining $3.70 is given to the activity fund. It was therefore necessary to cut some of the requests in order to fit the budget, and we will leave to the discretion of each number which budget to cut.

The following table summarizes the 1965-66 activity fund allocations by sport, club, and organization. This table includes all activities associated with Winona State University, including athletics, fine arts, student government, and various social and professional groups.

Reviews 32 years at WSC

Nels Minne sees challenges, opportunities

by Jim Wagner

"My years at Winona State College have been an exceptionally rich experience in which I have faced and certainly challenged. When I think of those years, I think of a very happy time," said Nels Minne, a former student at Winona State University who graduated in 1932.

Following his graduation, Minne went on to become a professor of chemistry at Winona State University. He remained there for over 30 years, during which time he played an active role in the college's affairs as a faculty member and administrator.

Today, Minne reflects on the challenges and opportunities that he faced during his time at WSC. He notes that the college has undergone significant changes over the years, including a shift from a two-year to a four-year institution.

Minne also speaks about the importance of the college in the community, noting that it has provided a valuable resource for generations of students.

When asked about his fondest memories, Minne says that he enjoyed the camaraderie of his fellow students and the opportunities to learn and grow as a person.

In conclusion, Minne expresses his hope that the college will continue to provide a rich educational experience for future generations of students.

Inter-Greek extemporaneous speeches continue

The inter-Greek extemporaneous speeches continue to be a popular event at Winona State University. The speeches are a great way for students to showcase their speaking skills and to have some fun in the process.

This year, the speeches were held in the Willard Hall auditorium on May 18. The speeches were judged by a panel of judges, and the winners were announced at the end of the event.

The speeches were open to all members of the Inter-Greek Council, and a variety of topics were presented. The judges were impressed with the quality of the speeches, and the event was a great success.

When asked about their favorite memories from the event, the students agreed that it was a lot of fun and a great way to have a little bit of fun before the school year comes to an end.

This year's event was especially special because it was the last chance for students to participate before the end of the year. The students hope that the event will continue in the future and that it will continue to be a great way to have some fun before the school year comes to an end.

Kappa Pi to hold new installation

New officers of the Alpha Upsilon Church Chapter of Kappa Pi will be installed on May 5. The installation ceremony will be led by the college's chapter president, Karen Woydziak.

The new officers include: President, Peter Kaiser; Vice-President, Douglass Gwes; Corresponding Secretary, Elizabeth Schmitt; Treasurer, Michael J. Thompson; and Recording Secretary, Lisa Johnson.

The installation ceremony will be held in the Willard Hall auditorium at 7:00 p.m. on May 5. The ceremony is open to the public and is a great way to celebrate the new officers of Kappa Pi.
Runners swamp Stout, 81-56
relay mark tied; wade in 3 firsts

Winona Blake's track team ran off with a fine 81-56 dual meet victory over Stout State at Jefferson field Tuesday.

Competing under almost perfect weather conditions, the Blanmani turned in six new marks for the year and tied another.

The 440-yard relay team made up of Pete LaVeille, Pete Wade, Bruce Hashem and George Waterman tied the school record set earlier this season with a swift 44.7-second performance.

Wide set two season marks with 10.2 second 100 yard dash and a 22.7 second 220 yard dash.

Dick Lieber, last, fully cross country captain, turned in a 2:08.8 half mile for a season record. The season mile record fell as Bill Harris hit the tape at 4:25.7.

In the field events Dan Schrader and Bob Neff clipped the season's marks in the javelin and pole vault respectively. Schrader hurled the javelin 208 feet 100 yards away of the all-time school mark. Wade cleared the bar at an even 12' in the pole vault.

Other first place finishers for Winona were John Bahman in the mile and Eilt Hornwell in the shot and discus.

The WSC baseball team pulled into a tie for first place in the NSC this weekend by taking two of three games from league leading St. Cloud.

After dropping the first game Friday, 7-0, the Warriors came back to win a twin bill Saturday 8-1 and 10-9. It appears evident that the 10-9 decision may have a great deal to do with the final NSC standings.

In the first game the Warriors were held hitless until the sixth inning by St.云 who saw Joe Haimoli, a lead-off single by pinch hitter Tom Nafl in the sixth broke Haimoli's no-hitter and opened the gates for a four run sixth for the Warriors.

They then scored one in the ninth and threatened for more but were staved and dropped the 7-0 decision.

J. T. Barnett was the starter and loser. Diet Peters, Robert Zabell, and Roger Dusak finished up for the Warriors. Ted Kettel led the hitters with 3 for 5.

In the first game of Saturday's twin bill, it was Jack Benedict who stole the show. He was in control the first time through the game as he scattered three hits— one a solo homer by Jeff Miller (an all-American center fielder).

Leading the Warrior hitters were Donna Morgan who was 3 for 3 with a two run homer, 4 RBIs, Dave Unger who added a homer and Ted Kelley who was three for four.

In the Beale the Warrior's proved they could come from behind and won in the last inning 10-9 on a hit by Larry Anderson.

George Benedict led off by walking, Ernie Callahan ran for him and advanced to second on a bunt hit by catcher Max Houghton. Al Christman's sacrifice bunt was
