Tuition boosted again

As of the second summer session 1965, the tuition and fees of the college have been raised.

Previous to this time, the tuition of a full-time resident was $45.25/hr., $10 activity fee, $5 student union. For a full-time non-resident, the tuition was $65.50/hr., both fees being the same as for a resident.

At present, the tuition for a full-time resident is $65.25/hr., $15 activity fee and $5 student union. Tuition for a full-time non-resident is $85.50/hr. and fees being the same as for a resident.

All rates concerning cost of attendance are subject to change by action of the State College Board. For additional changes concerning rates for summer and graduate students, consult the supplement of the 1964-1965 college catalogue.

DZ Peek-A-Boo Ill's

"Peek-A-Boo III's DZ Fashion Time!" This is the theme of Delta Zeta Sorority's annual fall style show, to be held this year in Kryzko Commons on Thursday, September 23 at 7:00 p.m.

Retirements and a program have been planned by co-chairmen, Roz Pallowski and Madel Lischke. All college women are invited.

Participating in the style show are: Judie Fuglestad, Jackie Opgenorth, Sue Fenny, Janis Jensen, Judee Fuglestad, Jackie Opgenorth, Sue Fenny, Janis Jensen, Sue Opgenorth, and Roz Pallowski.

Dress school, and sport apparel will be modeled.

The 900 new freshmen started on campus on Wednesday, September 16. At this time, they were served their first dinner in Kryzko Commons, the building which houses WSC’s student center and cafeteria, opened for the first time this fall. Wednesday evening all the freshmen were honored at a dance in the Kryzko Commons Music was provided by Tommy Vee and the Minnesota Rats.

Two other dances were given for the freshmen during Welcome Week. One was held after convocation in Somsen Memorial Hall on Thursday, September 16 and the other, entitled "Scrammed" was held on Saturday evening, September 18, in Kryzko Commons.

On Convocation night, the king and queen candidates from the 36 freshmen teams were introduced after the volleyball and ping pong activities had ended in Memorial Hall. The candidates had been picked by the members of their respective teams during the first team meeting that same Thursday morning.

On Thursday morning, all the freshmen registered for an assigned team during Welcome Week. During this specific registration, the freshmen received their purple beanie with the white number "69" on it, a name tag, and a team number. Each of the 900 freshmen were broken down into teams of approximately 25, and each team was in turn headed by a male and female member of the Orientation Team.

Team meetings were held on Thursday, Friday, Saturday and Monday. These meetings were held for the specific purpose of telling the freshmen about campus rules, activities, expectations, and limitations.

Two tours were given the freshmen. One, a campus tour, was given by each of the team's leaders, on Thursday afternoon. The other, a tour of the city, was given by members of the orientation team assigned for this special tour. The freshmen resided attending WSC on Saturday afternoon, September 18.

Friday evening, September 17, a convocation, in Somsen Auditorium was held. At this time, the first candidates for freshmen queen and the five candidates for freshmen king were introduced. They were: Jaimee Spence, Susan Bremseth, Greta Klees, Ann Kelly, Suzanne Norelius, Larry Gleason, Scott Kennedy, Morten Boyum, Richard Metz, and Warren LaCour. On Saturday evening the dance after the football game, the king and queen were announced. They are: Jacqueline Spence and Warren LaCour.

In charge of the king and queen coronation were Cindy Packard and George Osco.

All the orientation team members had been introduced at a convocation Thursday afternoon and were reintroduced at the all-school convocation Monday afternoon, September 20, in Somsen auditorium, shortly before the brief twenty-minute classes were scheduled to start. At Thursday's convocation, Mr. Henry Hull, WSC history historian, spoke to the frosh on their "Beginning." On Monday's convocation, Winona State's president, Dr. Nels Minne, addressed all the students. After the convocation on Friday evening, the Movie, "Sunday in New York," was shown. Participation at all convocations were the two co-chairmen of Welcome Week, Steve Kuczarski and Mr. Richard Chilierz, a senior and junior respectively.

Welcome Week officially closed Tuesday, September 29 with Club Night, when campus clubs set up their displays in order to solicit members. After Club Night, a woman's dance was held, followed by a Dance. At this time, all announcers from Radio Station WYNO hosted and played records.

As Hawaiian luau will be given on Sunday, September 26 for the members of this year's Orientation Team who acted as hosts and hostesses to the 900 members of the incoming freshman class during WSC Welcome Week, Sept. 15-20.
Editorial

A 'different' welcome

It's Fall and time once more to welcome the freshmen to our common campus.

Time and time again we have welcomed the freshmen; what is there that we have not yet before? What is there to make this welcome different without being trite and preachy?

We could tell them that even though we want them to have fun here, and even though we have to admit we have a year in which we have before, "studying is the meat of your college life." We could tell them that the main areas of college is in favors of constant studying, for "all work and no play makes John a dull boy." We could tell them that as they are living in a small "community," so to speak, they should contribute to its success by voting in school elections, participating in the social activities, and thereby we should encourage them to run for positions on the Student Senate, Winona State's governing body. We could tell them that in recent years, for example, the Student Senate has been an important part of "the community." Last year only one-fourth of the entire student body voted in Student Senate elections.

We could tell them also that the college is not the college without the student body; without students there is no college. We might also tell them that the more involved and enthusiastic they become in the success of the college's interior actions, the more our success they will feel.

Why not instead tell our freshmen that since their class numbers close to 3,000, nearly half of the 2,300 full time students, they have a better chance of any of us to make them what they will of their college.

It's all yours, freshman, and welcome to the fold.

The world 'n things . . .

New Winonan' column concerns world affairs

by John Ross

In beginning this new column October 1 we should like to welcome everyone returning to Winona State College this fall and especially all freshmen and transfer students. This is the first time we have seen any bright and shining faces up and down the hallway flanking the main entrance.

As I have mentioned before, Winona is the kind of place where you will find all sorts of interesting people. This column will be an attempt to show some of the things people say and think. This column is not about "real." On the contrary — they are not "real." These problems are not "real." We tend to shut ourselves out of our problems because we can't put college into the boy.

Winona State College, Winona, Minnesota.

Book rental services launched by APO

To the Editor,

This fall Alpha Phi Omega (APO) will be launching a new book rental service.

Because of the limited success we had this fall, we wish to thank all those who used our services. We received many suggestions and criticisms and procedures become more defined. The members of APO realize there will never be enough books available to rent to every member of APO who wants to rent books, but we will try to serve the most students possible.

Since it is our purpose to serve the Winonan student body, APO will welcome and review any suggestions.

Send comments and suggestions for future columns to APO Box 212, 313 Somsen, come and see us. A letter to the editor must include a self-addressed, stamped envelope. The final column of the column is published.

Please help us make it the best possible publication. Although the staff is talented, it cannot be all places and hold all opinions. If you wish to do something newsworthy, if you have a roommate or friend who has any interesting experiences or hobbies, or if you have written any creative prose, poetry, drawings or any tell us about it. If you feel a situation needs correction, someone deserves praise, or you have any needs informing please write a "letter to the editor.'

We also welcome all students to join our staff. We especially need reporters, photographers, and sports writers. We are currently staffed in room 131 Sonnen, come and see us. You will find our welcome.”

"It is true that we will be involved militarily in foreign lands, and why staying and holding our own are necessary, Dr. Minne, WSC president, told some 900 new students at the college this year, and why the upper-classmen return to college next fall. The class went on a trip to the mountains.

"In Norway the snow comes, everyone gets out their skis and heads for the mountains. Hiking is a required course at the Oslo Teachers College, and in February differed classes travel to the mountains for skiing. I was there one week. I was lucky enough to get invited to travel up there. Our skiing was taught to us, as we would teach small children. We skied every day and skiing was taught to us. We also went on five in the evening and took a bath and then went to bed. After dinner we had two hours of ski theory, and then we could ski all day, every day skiing and skiing was taught to us. As we were teaching small children.

Dr. Minne, WSC president, and Dr. M. R. Raymond, academic dean, established the class. Dr. P. L. Van Alstine, director of graduate studies, and assistant registrar Milford Uren, conferred the diplomas and degrees.

Dr. Minne speaks

"Can't put college into the boy"

by Dulce Berkenman

"It has been remarked that you can put a boy in college but you can't put college into the boy." Dr. Nels Minne, WSC president, told some 900 freshmen at the general convocation in Sonnen Hall Thursday.

He went on to say that this is the result of student resistance, which has caused many transfers to leave the college over a period of years, and occasionally if the student himself does not surrender, "the college will have to surrender." This is the college's efforts and tell the young man and young women that they had to leave.

The latter situation is becoming increasingly common in colleges. Dr. Minne continued, for colleges are be-

Pro type offense effective

State impressive; beat Platteville, Stout

The Winona State offensive was ready for the pass and they were not afraid of the run. The 26-29 win over Platteville was a victory for the Pro type offense effective. The Warriors scored twice in the second quarter and both times with Price firing the ball. It wasn’t until the clock showed 0:59 remaining in the first half that Platteville was able to get on the board. Al Chernich scored on a two-yard sweep. Winona had tallied 26 points in the first 38 minutes on two touchdown passes thrown by Davis Usgaard, a run by Billy Price and a 39-yard run with a pass interception by Loren Anderson, plus two extra-point kicks by Keith Condon, his second field goal of the game.

Winona State's defensive efforts were led by plucky Rog Wistri-curl, who picked off three Char-grill passes. It took just over eight minutes of the first period to produce an affirmative blinking for the Max-ten Field scoreboard. spectators. Buzz Walsh ran a pattern right while Davis Usgaard, Warrior quarterback, faked his pass to the left and spotted his mate alone in the end zone, the play covering 16 yards. The point after was no good. The TD had been set up on a recall of a putrid Platteville fumble. With 13:20 left in the half, fresh. Walsh Price rumbled into a yardage flag, the play traveling 40 yards and giving Winona a 14-0 lead when the point failed. It was Price again, later in the period, this time for seven yards over his left tackle on 19 remaining in the second period. Keith Comeforo kicked the point for a 19-0 lead.

Then, not to be overshadowed, the defensive unit scored when Larry Anderson picked off an Al Chernich aerial on the Winona 10-yard line and cruised 90 yards. Again Comeforo’s kick was good and the score stood 26-0. Platteville battled with 1:35 left when Ray Sherman went five yards for the TD, but the point was no good. The Winona Warriors will be the first league test for Bemidji, as Coach Molinari noted last year, as Daily News sports editor Gary Evans pointed out this week, the Warriors aren’t interested in making predictions “because of the nar-row margin of its victorious streak.”

It will be a season where the Warriors will have an opportunity to prove they can do it as Evans noted. Bemidji will be the big test; it’s the early-season pick for the championship.

Another dead end . . . for Platteville’s running attack. The Warriors held Platteville’s running game to a mere 67 yards.

Winona State’s defensive efforts were led by plucky Rog Wistricurl, who picked off three Char-grill passes. It was Price again, later in the period, this time for seven yards over his left tackle on 19 remaining in the second period. Keith Comeforo kicked the point for a 19-0 lead.
