Thirty-three chosen to Who’s Who

Thirty-three seniors have been elected to Who’s Who among students in American Universities and Colleges it was recently announced.

In order to be elected a student must be a senior, and be active in clubs and organizations. The candidates were as follows:

DEAN BAILEY has a double major in math and physical education, is a member of NSEA, Academy of Science, and W Club. Charles Becker, an English and speech major, is president of Student Senate, editor of the Y. R. Newsletter, a dormitory resident assistant, a member of Newman Club, Winona staff, SNEA, and WSSA.

JUDY BROCK is a primary education major with broad fields in French and English. Kathy is vice-president of the Warriorettes for three years. She has also been choreographer and a member of SNEA, WSSA, a Homecoming Queen candidate, and a speech contest winner. Judee is social chairman of Delta Tau Gamma’s sweetheart for two years.

GARY BRONE has a social science major and minors in political science and sociology. Gary has been on the Orientation Team for two years, was president of Sigma Tau Gamma, and was a treasurer for Alpha Xi Delta. He has also participated in Intramurals.

JANIS CUFFS is an art major and a French minor. She is a member of Delta Zeta, Kappa Pi, and in Intramurals.

CLYDE DOEPNER, a social science major and a biology minor. He is a member of Alpha Xi Delta, a past editor of the Winona Staff, and is a member of Intramurals.

ELIZABETH DOLNY has a primary education major and a social science minor and is a member of Kappa Delta Pi, Omicron Kappa, Delta Tau Gamma, and Dolphin Club. She has participated in Intramurals.

MARI KACZOWSKI has a primary education major with broad fields in science and sociology. Mari is president of Delta Zeta, Student Senate, secretary, secretary of Collegiate Club, and a member of SNEA.

MIKE KIRSCHE is a social science major and a physical education minor. He is a member of Sigma Tau Gamma, Collegiate Club, Student Senate, the Orientation Team, Senior class president, and has participated in Intramurals.

BARBARA KNUTSON, a physical education major and art minor, is president of WPE, WRA, and is also vice-president of Phi Sigma Epsilon.

JUDITH KNUTSON has a physical education major and a health minor. Judy is a member of Delta Zeta, the Orientation team, SNEA, and WPE.

DAVID KLASSEN has an elementary education major with broad fields in American history and geography. Dave is a member of Newman Club, SNEA, and is also vice-president of Phi Sigma Epsilon.

BARRY LANG, a business education major and psychology minor, is a member of W PE, WRA publicity chairman, Dormitory Resident Assistant, and is also a member of SNEA, Collegiate Club, the girls swim team, Delta Zeta, and the Orientation team.

MADELINE LITSCHKE has a physical education major and a health minor. She is a member of Delta Zeta, WSSA, WRA, and the Homecoming committee.

KATHY BROCK is a primary education major and a biology minor. She is a member of Newman Club, WSSA, and in Intramurals.

NATALIE LITSCHKE, a biology major and physical education and health minor, is a member of WRA, WPE, Newman Club, Delta Zeta, Delta Zeta and Newman Club.

MARGARET LYNDALL is an elementary education major and a speech minor. She is a member of Newman Club, SNEA, and is the orientation team. She has also been a homecoming queen candidate, and was secretary of her junior class. She is a member of Delta Zeta, Alpha Xi Delta, SNEA, and was a dormitory resident assistant.

SANDRA MAU has a primary education major with broad fields in art and history. Sandra has been a homecoming queen candidate, and was secretary of her junior class. She is a member of Newman Club, Alpha Xi Delta, SNEA, and the orientation team.

JONELLE MILLAM has a music major, a member of Choir, orchestra, SNEA, MENIC, Collegiate Club, Alpha Xi Delta, and is a member of Intramurals.

Judee Fuglestad, Mary Pietrazak, Madeline Fuller, Bob Stase, Sarah Fend. Third row: Charles Becker, Natalie Litschke, Judith Knutson, Elizabeth Walters and Elizabeth Dolny.

JOHN J. FULLER, professor of education at Winona State College, has received his second Fulbright award to lecture in the Philippines. The State College Board, meeting in St. Paul Friday, approved a one-year leave of absence on recommendation of Dr. Neil Muns, college president. MRS. FULLER, a practice teaching supervisor on the Winona State faculty, will accompany her husband.

Fulbright grants are administered by the Bureau of Educational and Cultural Affairs of the Department of State. Dr. Fuller will lecture on teacher and higher education, primarily at the University of Philippines, Quezon City, but also expects to visit other universities and colleges.

He was first there in 1955-56. That year Mrs. Fuller and two daughters— then college students — accompanied him. The daughters attended college and Mrs. Fuller taught at a military service dependent schools at a naval base.

At the end of the year the Fuller family completed the round-the-world trip.

THE VALUE of the materials obtained is in the hundred of dollars. Some of the specimens have already been incorporated in the geology course. Displays of representative materials collected can be seen on the first floor of Pasteur Hall.
College offers opportunities

Students, appreciate your position in society! Where else could you have such a good life as the one you are leading at college? For you have almost a perfect environment.

Chances are that you are in a city where residents know them and thus their society has fewer restrictions on their actions than it normally does. They can express themselves freely and truthfully.

MEANWHILE STUDENTS are placed in a situation which affords them opportunities to develop mentally for a career, while also allowing the student to develop his own particular interests in his spare time. The college situation allows students to meet people of their own age with similar ideas, needs and ambitions that they would probably not otherwise meet.

The college environment is one that allows the student to investigate, evaluate, forms opinion, experiment, change and defend ideas in which way life should be spent. All too often people who have such opportunities realize them too late. after they have left their position in society as college students. It seems that the person who has something never realizes its true value, but the person without such advantages could tell him what they are worth. Many seemingly always learn too late, if at all.

FEW PERSONS IN THE WORLD have the chances that students are given here in a college society. They would jump at the chance to get them. Students have them. Don't waste these advantages. Appreciate your position in society!

Why not hockey?

"It has one. I want one too." -- Mike Yarbrough, member of the Winona State College hockey team, which was the subject of a recent debate.

A crime was committed at WSC Monday, November 8th. It was a crime against taste. The committee investigated the crime, which was committed by those who considered the performance of Biff Rose (one of the club members) to the students of WSC the Monday before last. It was a crime against appreciation of smut considered so-called "smyth." If smut is considered adult humor, and the appreciation of it is considered morality, then it follows that any crime against appreciation of smut considered adult humor is a crime against morality. "Let's not have smut in our school," said Mr. Yarbrough.

5 lettermen return; first game is Nov. 23

Basketball season is fast approaching with the first game slated for Nov. 23 at Memorial Hall against Stevens Point University.

Headcoach Dr. Robert Campbell has five returning lettermen from last season's squad. They are senior Dave Meisner, 6'9", guard; junior Tim Anderson, 6'4", forward; junior J. D. Barretto, 6'9", guard; and sophomores Mike Jernek, 6'9", center.

OTHERS FROM LAST year's team are: Junior Bill Wener, 6'7", guard; junior Dennis Morgan, 5'9", guard; junior Al Connor, 5'9", guard; sophomore Jim Kasten, 6'4", forward, and Jim Petersen, Jim Anderson, J. D. Barretto, Melvin Homuth, and Chip Schwartz.

Harners top La Crosse, 17-42 but Luther wins 26-29

The Harriers finished their dual meet season with a 17-42 victory over La Crosse and a 26-29 triumph over Luther.

The season mark stands at 9-2 for coach Grob's team.

AT LA CROSSE JOHN RAIMAN and Bruce Smith tied for first with a 18:43 time for the 3.3 mile course.

Others placing for Wisconsin were Anderson, third; Hasleiet, fifth; Danahon, sixth; Phipps, eighth, and Pardoe, eleventh. Against Luther, Gene Taylor of Lutheran broke the Lake Park course record of 19:18 by Menasha and Neenah and topped the 18-34 tally of 19:49 minutes.

We would like to congratulate this year's cross country team and their coach, Gary Grob, for their fine season and their second place finish in the NIC conference meet.

WE WOULD LIKE to compliment the football team on their representation of Winona State College in the NACC conference with a second place finish also. Let's stay behind our teams throughout the year and give them all the support we can.

Winter sports are in progress and it will not be long before their season games begin.

The teams need student support to "keep winning alive."

Respectfully yours, W Club editors and members.

Volleyball popular with WRA; 15 women participate

The new activities sponsored by the Women's Recreation Association cut off with a bang Nov. 5 with over one hundred women participating in volleyball.

Volleyball players have been organized into twelve teams with eight to ten players on each team. Last week the teams played each other just for enjoyment. This week begins friendly competition between the teams. Each team will play two games a week, and the winner will play the one that wins two games out of three. Each team will play from four to six games every Wednesday evening.

ALL WOMEN interested in knowing who their team plays should check the Women's Recreation Association bulletin board in Memorial Hall.

About forty-five women participated in swimming pool activities at 8 p.m. Phyllis Matalcich was the lifeguard.

Volleyball and swimming will continue until Christmas vacation.
