Mr. Schmid directs first concert

The first band concert of the year as well as the first concert and final direction of William Schmid will be performed Sunday at 8:00 p.m. in Scriver auditorium.

The program will feature the following works: "Two Chorale Preludes" by William Latham, "William Byrd Suite" (16th Century) by Gordon Jacob, "Chester Overture" by William Schuman, "Overture in 19th Century manner for band" by Charles Calef, and "Suite Franchaise" by Darius Milhaud.

Mr. Schmid is a graduate of Luther College, and he did his graduate work at the Eastman School of Music, Rochester, New York. He joined the Winona State faculty last fall. Mr. Schmid is especially interested in developing Winona State's concert band.

Everyon is invited to the Sunday evening performance, and no admission will be charged.

The forty-piece band, includes students from Minnesota, Wisconsin, Iowa, and even as far away as Ohio and North Carolina.

THE BAND OFFICERS are: Alfyn Riedell, president; Oran Hager, vice president; Gary Urness, treasurer; and Karen Metz, secretary.

283 receive NDSL fall term

Mr. Kane, Director of Financial Aids at Winona State College, announced that 283 students have received financial assistance through National Defense Student Loan Program at Winona State College this fall.

The following is a breakdown of these loans according to classification, graduate and undergraduate. Two loan seniors, 77 loans; juniors, 77 loans; sophomores, 53 loans; and freshmen, 60 loans.

A TOT AL OF $5,255 was awarded this fall in the form of National Defense Student Loans. The average loan per loan was $208 for the fall quarter.

The deadline for winter quarter National Defense Loan application is December 1, 1965. These students should have received their loan notices for fall quarter and have requested loans for winter quarter. Those who have not received their loan notices for the pre-registration period immediately should contact the NDSL office. Those who requested loans for winter quarter but did not have a loan for fall quarter will receive their loans, if they are eligible, during the spring registration period following Christmas Vacation, January 31, 1966.

The decision of Winona State students received loans from other sources also. Local or Emergency Loans were granted to six students for a total of $500 and an average of $83. Two Student Aid Fund Loans were received by a total of eight students for a total of $2,883 and an average of $360. Out of State loans were awarded to 14 students for a total of $1,000 and an average of $71.

OUT OF STATE LOANS and loans from other sources to NDSL differ from National Defense Student Loans in that they are granted on a need-to-need basis, whereas NDSL aid is awarded on a quota basis.

Mrs. Grauer is new to Winona State. She completed her undergraduate work at Kansas State University in 1941, where she received a B.A. in Sociology. Ms. Grauer was most recently working towards a B.S. and M.S. in Elementary Education.

Circle K to host dance

Plans for the Popcorn Ball, sponsored by Circle K are in full swing.

The ball will be held Nov. 20, in the Spoor. The Ferris Wheel will turn the music. The Ferris Wheel appeared in Winona on Sept. 25, when they played for the street dance. Activity cards will be required for admission to the dance.

Over 100 sweaters have been collected after this dance. For sale East Africa, as reported Roy Weidman, Circle K Club president at the latest meeting.

Junior wins speech contest

The Winona will print original entries for poetry, prose, or drama in the Christmas issue of December. All WSC students are invited to submit their typed stories to Mr. Kenyon, professor of English in Science Monday, 7:30-8:30 p.m.

Dr. Bayer talks to science club

Dr. Thomas Bayer, professor of science, spoke on "Palaeo-Environments of the Past" at the meeting of Science Club Monday, 7:30-8:30 p.m. Cakes and drinks were served after the meeting.

CLUB OFFICERS are: Lloyd Snelvig, president; Donald Hemming, vice president; Carman Sex, secretary; and Bailey Judson, treasurer.

Alumni comments
Homecoming queen poster vandalism incident

To the Editor:

I would like to address the following concerns, both editorially and in terms of the administration.

First, the poster vandalism incident that took place during the Homecoming festivities. As an alumni member, I feel it is important to bring this issue to the attention of the administration and the campus community.

Second, the lack of response from the administration regarding this incident. It is concerning to me that such an incident was allowed to happen and that no action has been taken to address it.

I hope that the administration will take these concerns seriously and work towards ensuring a safe and respectful campus environment.

Sincerely,
[Alumni Name]

Accounting major, minor proposed

Jim Evenson

For the last two years there has been talk of offering majors and minors in accounting at WSC, according to Dr. Marley, head of the WSC business department.

"Some concentrated effort toward this end by SAM, the business club on campus, and the faculty of the business department is now occurring," Dr. Marley said.

Until two years ago only 24 credits were offered in accounting at this college. Of these, 12 were required as part of the business education major. Two years ago four more accounting courses were added, making a total of 45 accounting credits available. From 24 to 28 credits would be required for a business minor.

The business department intends to propose just such a minor to the division and to the specialization committee during this fall semester. Two or three additional courses would have to be added before there is even a possibility of the accounting major at WSC. This would bring the number of credits available to 52, enough for the 48 to 53 credits needed for a major. Dr. Marley further stated.

Dr. Marley points out that even this number would not be sufficient for a student to major in business administration and accounting.

Therefore, if a student wanted an accounting major, as the programs are now set up, he would have to take an economics minor. By creating opportunities for financial gain of the fraternity.

The possibility existed of developing a business administration minor to go along with the accounting major. Business students should note that SAM is taking steps toward pushing for these improvements in the business department. SAM will continue to urge not only an accounting major and minor, but also a masters degree offered, Frank Kottschade, SAM's president explained.

The masters degree would be another story Dr. Marley said. Two years ago the Minnesota State Legislature passed a bill authorizing the state colleges to offer masters degrees in areas other than in education. Two other state colleges, Mankato and St. Cloud, took this opportunity to offer masters degrees in other fields, including business administration. As of yet, Winona hasn't.

It has been proposed, Dr. Marley continued, that the departments of psychology and business look into the possibility of offering a combination masters programs. Here the student would have a majority of his work in either field and a strong minority of his work in the other.

For example, a strong majority of his masters work in business administration (37 credits) and a strong minority (18 credits) in the psychology of personnel. Faculty meetings for the purpose of getting this arrangement going are now under way. Eventually it is hoped that masters degrees would be offered separately in each area.

This is not a possibility at this time for Dr. Marley stated that our present faculty members in the business department aren't qualified to teach enough graduate courses to provide enough credits for a masters degree in that department alone.

Also, before any masters programs could be put into effect, it would have to be decided by the Graduate Council, Curriculum Cabinet, and the State College Board.

Student support will be needed to affect this action. For the more student support, the better chances the proposals have of getting passed, Dr. Marley concluded.

Any student interested in developing these accounting courses should contact Jim Evenson, P. O. 473, giving name and P. O. or he should attend SAM meetings.

Once a masters course is attained in one field, it will be easier to develop masters degrees in other fields.

YD college vice president announces state convention

Larry Fredrickson, college vice president, spoke to the Winona State College Young Democratic Farmer-Labor Party. Marilyn Jensen was elected vice president, at a meeting Nov. 3.

Elected to fill out the term of Ralph Carter, the new presidents, Miss Millesonic, Farmington, will serve until the regular elections held early in January.

Mr. Fredrickson, a student at Macalester College in St. Paul, and vice president of the college clubs of the Minnesota Young Democratic Farmer-Labor Party, addressed the structure of the Young Democratic organization. He also talked of several upcoming highlights among them the state central committee meeting in November, and the state convention to be held in the Curtis Hotel, Minneapolis, February 25-27.

The demonstration in favor of this is not a possibility at this time for Dr. Marley said that our present faculty members in the business department aren't qualified to teach enough graduate courses to provide enough credits for a masters degree in that department alone.

Also, before any masters programs could be put into effect, it would have to be decided by the Graduate Council, Curriculum Cabinet, and the State College Board.

Student support will be needed to affect this action. For the more student support, the better chances the proposals have of getting passed, Dr. Marley concluded.

Any student interested in developing these accounting courses should contact Jim Evenson, P. O. 473, giving name and P. O. or he should attend SAM meetings.

Once a masters course is attained in one field, it will be easier to develop masters degrees in other fields.

Phi Sig acquires 13 pledges

Phi Sigma Kappa fraternity began their fall quarter pledge program Oct. 18 by initiating 13 men into the pledge class, according to pledge trainer, Frank Doyle.

ASSISTING throughout the eight-week period will be Thomas Tweener. During the period the pledges will be involved in a number of projects that will be of service to the college and projects for financial gain of the fraternity.

The demonstration in favor of this is not a possibility at this time for Dr. Marley said that our present faculty members in the business department aren't qualified to teach enough graduate courses to provide enough credits for a masters degree in that department alone.

Also, before any masters programs could be put into effect, it would have to be decided by the Graduate Council, Curriculum Cabinet, and the State College Board.

Student support will be needed to affect this action. For the more student support, the better chances the proposals have of getting passed, Dr. Marley concluded.

When you work on the college switchboard, as one full-time woman and six part-time college students do, there are many amusing, frustrating experiences, according to Mrs. Bell, switchboard head operator.

A call from England, for instance, put a WSC operator in contact with a British girl with a cockney accent that could be understood only with much repetition. Another time an outside call came in for third floor Conway. Not finding the person there, the operator continued on the caller’s instructions, to call second floor Conway. Having exhausted the floors of Conway, they continued to work their way all the way up Richards. They finally reached the person in the Conway lounge after fifteen calls around campus.

Mrs. Bell, chuckling and noted that the operators can tell quite a little about a person’s disposition by the way he answers the phone.

When asked about the number of calls per hour, Mrs. Bell had no answer. “We’re too busy to keep track,” she explained. “The students themselves added problems in a number of ways.

THE PERIODIC disappearances of the telephone books causes students to call the operator for information. This unnecessarily congesting the lines. This is especially true at night when the switchboard is busiest.

Another factor which adds to the unavailability of lines is the students disregard for the five-minute limit on the length of conversations. This is particularly bad at night when long distance calls, which constitute one-third of the incoming calls, cannot get through because of busy lines.

“THE KIDS DON’T realize how busy we are, and get snotty fast,” was the comment of one night operator. This, the ignoring of the five-minute limit, and the jiggling of receivers when not immediate- ly answered are the main annoy- ances to the operators. “It’s nice to hear a thank you,” another ad- ded.

Cutting off the out calls would solve the problem,” Mrs. Bell said. “This year there was a slight increase in calls over last year, and the addition of new dorms next year will make the matter worse.” In that case stu- dents will have to use pay-phones for out calls.

Mr. Murdock, business manager of the college, agreed that another switchboard is out of the question financially.

IT LOOKS AS if Winona State students will be paying for their off campus calls next year, just as virtually all other college stu- dents in the country have to do, according to Mrs. Bell.

In addition to the other activi- ties at Newman Center, Sister Joyce has started a new weekly class on Thursday afternoon from 4-6.

Calling “Great Books,” the class reads excerpts from the works of Sophocles, St. Augustine and other such writers. Sister Joyce presents the main ideas from these books, and suggests interpretations. The ensuing dis- cussion period brings out the stu- dents’ views and reactions to these Great Books.

Sister Joyce also holds private conferences on Thursdays for anyone seeking advice.

Mass for the repose of the soul of James McCarthy will be of- fered at Sacred Heart Cathedral on Nov. 18.

Richards’ and St. Teresa’s alumni gathered on Nov. 17 for their annual meeting. A short worship service was held.

Wesley meets 

“Were you there?” a play with a present day meaning of the Crucifixion, was presented at the Wesley Foundation at their latest meeting.

The play, discussing Original Sin, was presented by Dick Arm- strong, actor and director, Ruth Klimke, Jerry Johnson, Colleen Anderson Arlys Vorhees, and servers and all their fellow Newmanites assisted at the Mass. Following the service, supper was served. Dr. Leo Ochrymow- ych was the guest speaker.

THE NAMING of Mrs. Stolz, a volun- teer who has given a life for others, has been named Delta Zeta Woman of the Year for 1965 by a committee of national judg- es.

Tangible evidence of this award, a specially designed medallion, is presented at a Founders Day celebration as an announcement are made simul- taneously to Delta Zeta’s 116 col- lege chapters and 206 chartered alumnae chapters.

THE NAMING of Mrs. Stolz played an important part at the Delta Zeta Tea held on Oct. 23. A Founders Day Ceremony was also held to honor the six found- ers of Sigma Alpha Active mem- bers, pledges and alumnae were presided at the tea held in Gilde- meister Lounge.

Delta Zeta’s Woman of the Year is not unmanly to honors as she has been a mem- ber of Theta Phi Alpha, received the Human Loyalty Award from Nebraska Wesleyan University for loyalty to the ideals of Chris- tian higher education and serv- ice to her community and to her home. Dr. Leo Ochrymow- ych presented her the medallion, is presented at a found- ers’ meeting, a short worship service was held.

Nov. 21st, the Wesley Founda- tion will present a program for the Winona Home.

LETTERWINNERS... from last year's wrestling squad are: front, Kenneth Knutson, co-captain; Perry King, Dick Myhre, Tom Westberg and Steve Baird. Back row: Merle Sovern, John Zwolinski, co-captain Larry Wiedmeyer, Danny Scrobek and Steve Drange.

Wrestlers have nine lettermen, quadrangular, season, Dec. 11

Robert Gunner, head coach of the wrestling team, is looking forward to the opening of the season Dec. 11. Eleven big reasons why, are the returning nine letter-winners and two more interim from last year's team which posted a fine 11-2 and one record.

THE LETTERMEN are co-captain Leo Simon, who won fourteen matches last year, coach Perry King, (12-5); Merle Sovern (11-5); Larry Wiedmeyer (10); the present team standing are: John Zwolinski, (6-1); Steve Drange (11); Steve Xurdal, (9-3); and Kenneth Knutson, who lettered as a freshman three years ago. The nine returners are Dick Myhre and Tom Westberg.

The Warriors placed fourth in the Hi-C tournament last year as King Simon, and Zwolinski placed second. Wiedmeyer was undefeated but was injured before tournament time and did not compete.

Additions to this winter's squad are juniors Gary Walter, Rochester; Bill Roth, Winona, and Jim Price, Winona.

Sophomores: Tom Precious, Cresco, Iowa; Ray Wicks, Decorah, Iowa; Fred Arbassano, Kenosha, Wisconsin; Bob Knoop, Decorah, Iowa; and Arlyn Srebeck, Harmony.

FRESHMEN: Sanford Betcher, Richfield; Larry Panzerowy, Winona; Steve Banks, Richfield; Floyd Welborn, Moorhead; Jim Kuft, Cedar Rapids, Iowa; Jim Tumolski, St. Paul; Jerry Black, Red Wing; John Silver, St. Paul; Paul Schumman, Lake City.

The cheerleaders are preparing for the upcoming basketball season. The marching drill will be done to the beat of drums and the dance will be the base "Whipped Cream." 

ACCORDING to the three choreographers, Jadera Fuglestad, Sally Wiznak, and Donna Hie Gite, "This routine will be sharp and precise and will entail a lot of work on the part of the girls, but should be an enjoyable routine for the audience to watch."

The adviser for this group is Mrs. Gary Grub.

WRA sports underway

Excitement ran high as the Woman's Recreation Association announced its competition schedule under way last Wednesday evening. The seniors won all their games, some split their wins and losses and others just lost. The seniors: Maila Haltma, Rachel's Voelz, Mavis Myhre, Roberta Walm, Linda Krumrey, Cette Hattie, Marnie Austin, Kathy Nelson, Mary Leidig, and Karin Stav."
