Stephen Somsen Wills $10,000 for Needy Student Relief Fund

Mr. Somsen was a member of the State Teachers College Board for nearly twenty-five years. He resigned in 1933 and was succeeded by Franklin A. Shoemaker. During Mr. Somsen's tenure a new institution was established at Bemidji, 4 of the 6 incumbent Presidents of the Colleges. Included in these were all of the Winona buildings except the Library, which was under construction at the time of Mr. Somsen's death, December 15, 1936.

Mr. Somsen's will was made in 1931 while he was a resident of the college. The will was a living document and was revised several times. The will directed that the proceeds of the sale of the Winona buildings be used to establish a fund for needy students of the colleges. The fund was to be administered by a board of trustees, which included the President of the college and three trustees appointed by the President. The fund was to be used for tuition, books, and other expenses incurred by needy students.

DUDY FRANKSON (Spring Valley): "I worked continually. Yeah, it was O.K. to get back—like getting into the harness again after being in the pasture."

RALPH SPRINGER (Mpls.): "Nothing much—won't say a word—oh, for the paper, that's different; now I'll talk."

SYLVIA WAGNUM (Elmwood): "Aren't you a little behind schedule? Oh, I missed it, but we wrote letters you know."

"El Dorado"

Note: All of Stevenson's writing, whatever its type, has the charm of his courageous spirit. To him life was a dangerous but a thrilling adventure. In 'El Dorado' we see the power of imagination strong enough to make a dull existence something better than life itself. The story is told in a manner that makes it seem more real than most of the stories of adventure. It is truly a book that should be read by all who enjoy good literature.

Johnny Wachs injured at Mankato, missed both games but will be ready Jan. 29th for the return game with the Colonels.

T. C. Five Wins From Benildi

A Frank Merriwether finish, with Ralph Speno east in the title role, pulled a conference victory out of the fire at the expense of the visiting Redmen of Benildi, Saturday, Jan. 9. Speno’s last minute shot from mid-floor was in the air as the final gun sounded—sounded—it swished through the hoop and the Purple had won a 33-34 victory.

It was an uphill fight all the way for Winona after they found themselves trailing 10-0 in the first period. Rebounding the invaders shots at the basket went through in those first five minutes and it was not until late in the third quarter that the Warriors managed to even them, up. Arns and Speno were chiefly responsible for the second period rally which brought Benildi’s lead to 21-17 at the half. Continuing their scoring spurt in the latter half, Winona led 28-34 at the score box finish found them trailing. The lead reverse was re-fueled went up and downict the half, Capt. John Wachs was injured in the middle of the game after he forced the ball out of bounds. Johnnie had interrupted a pass and while dribbling toward the basket had been forced out due to a sprained ankle. He kept the Warriors safely in front.

Arns and Speno did the bulk of the scoring for their team. The Purple forward copped the high scoring honors with seven baskets and a free throw for 15 points, while his rival was close behind with six field goals and three free throws. Joe Grudem, Kaczrowski and Lauher contributed two each to the win.

“Old Man Flu”

Hits Faculty

Illness caused the absence of a number of the faculty members. Mr. Galligan resumed his activities after being ill with bronchial flu contracted during the vacation. He was unable to conduct his classes for ten days. Mr. Pawelek coached the boys basketball games in the meantime. However, Mr. Galligan returned in fine spirits to take the team to Minneapolis.

“It was a long old week,” said Mr. Jackson, who had influenza. The appeal to send the seniors basketball games in January 29th. Miss Sevella and Miss Ully of the training school were also ill. Miss Ully had a bad cold. Miss Sevella who had influenza resembled, “Oh, I was just ill, and am glad to get back.”

The music organizations are glad to see Miss Ully who was ill with influenza for four days. When asked about her illness, Miss Ully answered, “I’m just an ill.” Miss Ully had a severe cold.

Shall We Discuss?

As I sit here reminiscing, I pick up my Diary and read—“Friday, January 15, 1937. Dr. Murphy gives greatest satisfaction of all the convictions. The cold season current issue in chapel.”

Nearly everyone knows what movies are in town; what team is winning in the varsity sports, and the general gossip; but not many can name the state representatives at Washington, who can name the cabinet members of the government?

How can we pretend that we are up and coming students when we do not know these men who are so influential?

The first game, which was played last Thursday resulted in a 38-28 victory for Miss Kel'm's team.

The Women's Athletic Association and Intramural Board are sponsoring a Social Reputational Board for all new and senior students and faculty in the college and gymnasium every Wednesday afternoon. Street clothes and tennis shoes are worn by all who participate.

The students have a chance to express their opinions by filling out questionnaires which exist in the various countries.

W. A. A.

To bring together those girls who participated in fall sports—soccer, tennis, golf, and swimming—and those who are now out to play basketball, this season, the Women's A. A. board under the leadership of Miss Pendergast and Miss Talbot, is sponsoring a “From pump to pump” and a pull for Friday, January 22. Games like volley-ball, deck tennis, badminton, will be played during the evening. About fifty girls are eligible for the party.

Y. M. C. A.

A meeting of the Y. W. C. A. was held in the Club room on Thursday, January 14th, Miss Harmacek, Secretary of the City Y. W. C. A., spoke on the Y. W. C. A. organizations in other lands. She stated that in England the organization is under the government, whereas in the United States it is a voluntary effort.

All countries use the same fundamental objectives—namely, training of the mental body, and soul. Various problems which exist in the various countries were also discussed. A weight side party to be combined with the valentine ideas was planned to take place in February.

WINONA'S NONAN

Now that the Christmas season with its many songs is a thing of the past, the girls in the club are preparing for their annual concert which will be given in May. Among the songs which the club is practicing for this event are some very lovely numbers.

Prior to the ride for which they have been waiting so long. The real reason, however, was too much snow there was too much cold; so the ride will be enjoyed when the temperature rises.

Provided we still have the snow. Members of the club seem to have quite a time trying to find ideal conditions.
