Credit given to 'informers'

There has been a lingering need on the Winona State campus that now has been filled. That need is for the students to be aware of what activities are taking place and when. This need has been filled in a number of ways.

Many of the credit must go to the student personnel office, at 106 Somsen, where Mr. LeRoy Stader and Mrs. George Waterman prepare the master event calendar. This is prepared to prevent conflicts in the scheduling of school and club activities. They also check to make sure that everything the group needs for the meeting place has been arranged.

FROM THIS MASTER EVENTS calendar Phi Sigma Epsilon fraternity types and distributes the daily events calendar which is posted at various places around the campus. This provides an easy check for all students with regards to what is going on that day, where, and the time. Much credit must go to John Ross, who usually does this service.

The Student Senate attempts to keep the students informed through the Britt, the senate publicity secretary, who, with the help of Helen Gorman, prepares the colorful events calendar in the stairwell between first and second Somsen. This provides a look at the major events coming up during the month.

It should be noted that these services save the clubs much time. For, instead of having to make many posters to post in all the busy points around campus, they simply have to go to the student personnel office and their club meeting time and other information is distributed for them.

THIS THUS IS to recognize those people who have worked to publicize the events that are going on, and to recognize those who have scheduled the events, so as to allow for the least conflict.

Fall quarter having ended

Many rumors have recently been floating around in regard to the drafting of college students for military service. Rumors such as the lowest quarter of the students being drafted, or the rumor that college students are bound to be deferred any full time college student who is making satisfactory progress toward his degree.

There is a possibility that a different local board could have a different draft board's policy. DOES WSC have a different local board to draft? The only thing I can think of is that when I stepped on my trends with my apparel, I did not get killed. I think about all the students in them.

Cagers win 1st NIC tilt; Drop two in tourney

Coach Robert Campbell's Cagers collected a victory in their first conference game as they edged Michigan Tech, 65-62 at Houghton, Michigan, last Saturday. The win brought the Warriors season record to 47.

But Winona State was not as fortunate during the Carroll College Holiday Tournament held in Waunakee, Wisconsin, December 29-30. The loss of freshman Cheryly Neal, because of scholastic difficulties, obviously was costly as the Warriors fell to Deficit College in the first round by a score of 90-66.

The following night a second loss was suffered at the hands of the host team, Carroll, 102-63, despite a 23 point effort by sophomores Mike Jersec, Carleton College, and Bill Roth of Winona, who was the tournament champion. Winona State completed its schedule against Wisconsin schools with only one victory in seven games.

Jerksec, the Collier High graduate, also paced the triumph over Michigan Tech. He tallied 18 points and grabbed 14 key rebounds. Tim Anderson helped control the boards for the Warriors while Gary Peterson chipped in with 14 points. The Huskies trailed only 31-29 at the half and Winona State was forced to scramble all the way to the final buzzer to earn a share of the NIC Conference lead.

This Friday night will mark a rematch between the same teams as Michigan Tech invades Memorial Hall at 7:30. Then on Saturday night Winona State will host another conference opponent, Moorhead State, following a prep contest pairing Houston and Lawton High schools.

WRA concludes volleyball

The Women's Recreational Association's volleyball and swimming seasons came to a close just prior to the holiday break.

Richard Volletts successfully defended their volleyball title and ended the season with an 8-0 record. Judy Kummer is captain of this all-freshman team.

BASKETBALL IS NOW being held for interested girls every Wednesday night.

The other teams ended the season with the following records:

Student recreation will be held every evening afternoon during winter quarter in Memorial Hall. The schedule will be held for a swimming or wrestling meet scheduled for the same time.

The hours will be from 12:00 noon to 5:00 p.m. Coach Kummer will be the faculty adviser and coach Martin will provide student life guards.

Swimmers top Luther

The Winona State swim team has compiled a well-earned 3-2 record since quarter break.

Before the holiday break, Coach John Martin's poolmen were defeated by Macalester College in a dual meet held in St. Paul. They placed second in a triangular at La Crosse losing to the University of Nebraska but outscoring the Indians. The Warriors also were victorious over Mankato State, regarded as one of the top competitors this year. The meet took place in Memorial pool on Dec. 10.

This past weekend the swimmers traveled to Decorah, Iowa for a dual meet with Luther College. Winona State emerged with an easy 52-38 triumph over the inexperienced Luther team.

Despite the fact that Coach Martin had several of his varsity swimmers competing on an exhibition basis, Warrior swimmers still captured first places in all events. However, no records were broken.
