Speech professor relates travels

Miss Dorothy D. Magnus, professor of speech and director of the college theatre, was the recent guest speaker on the program of the Winona State Speech Association open meeting January 11, in room 206, Samson Hall. Her subject was International Drama Festivals of Europe and the Middle East.

Miss Magnus, who spent six weeks this past summer on the continent of Europe and in the Middle East, commented that the program will be sold Jan. 29.

Student recital to be presented

The second student recital will be presented Monday evening at 8 p.m. in Somerson Auditorium.

Three Princesses . . .

Student teaching this quarter

One hundred and thirteen Winona State students are student teaching this quarter in various schools in Winona and the surrounding areas. They began their assignments Jan. 3 and will continue throughout the quarter until March 17.

113 student teaching this quarter

Companies recruit 66 college seniors

Coco Cola Co., Carnation Company, P. F. Goodrich, Continental Assurance, and more than 60 other top U.S. companies will be recruiting seniors at a special March 10 and 11 interviewing meeting in Chicago at the Sherman Hotel.

Dubbed "INTRO," because it introduces college seniors to industry, the interviewing conference is sponsored by the American Marketing Association's Chicago Chapter. Over the years, numerous students have found positions through the INTRO conference.

INTRO provides college seniors an opportunity for face-to-face interviews with major companies that could not ordinarily visit their schools. Students are divided into campus itineraries.

Individual college personnel counselor or Mr. James Browning, business instructor, can give complete details.

Speech series scheduled

Dr. Lyman Judson, speech instructor, has scheduled four round table activities for the winter quarter. The series will begin tomorrow at 7 p.m. with an evening on "Religious Apologies from the Scriptures." Other speakers will be Roderick Clem and Linda French who were named Принцесса of the Gopher Realm. About 400 people attended the first round table program.

Miss KRANZ is from Hastings, Minnesota. She is majoring in speech and plans to teach high school speech after college. Her hobbies are swimming, dancing and skating. Miss KRANZ is a 6 feet 6 inches tall, has brown hair and brown eyes.

Her sponsor was Randall Super Vally.

Placement Bureau offers Merit System Exam to grads

The placement season again is in full swing making the college placement bureau a popular place for graduating seniors. Every year the bureau is offering more numerous and varied interviews.

For example, people interested in the civil service field may receive offers or be employed in answering questions concerning employment. Pauline McQuarrie, district welfare representative for the Minnesota Department of Public Welfare, will be at the placement bureau Jan. 27 from 10 a.m. to 12 noon.

Money must accompany every order for Civil Service Exams, should be given at the employment office.

Description of the speakers for the series and the topics are:

1. September 25: A panel discussion of need for reform and present a possible solution. The purpose of the speech is to persuade the listeners to act and remedy or help improve the situation.

2. October 2: Will be tabulated. A traveling recitation of the senior class will sell commencement announcements for the last time on Jan. 28 from 9 a.m. to 4 p.m. in the placement bureau.

Money must accompany every order for Civil Service Exams, should be given at the placement bureau. Directors for Civil Service Exams, should be given at the employment office.

Descriptive of the speakers for the series are:

- September 25: "Ethical Questions: A panel discussion of need for reform and present a possible solution. The purpose of the speech is to persuade the listeners to act and remedy or help improve the situation."
- October 2: "Ethical Questions: A panel discussion of need for reform and present a possible solution. The purpose of the speech is to persuade the listeners to act and remedy or help improve the situation."
- November 2: "Ethical Questions: A panel discussion of need for reform and present a possible solution. The purpose of the speech is to persuade the listeners to act and remedy or help improve the situation."
- December 7: "Ethical Questions: A panel discussion of need for reform and present a possible solution. The purpose of the speech is to persuade the listeners to act and remedy or help improve the situation."

The fall quarter having come recently to an end, the grade point averages for the students have been established. The averages are of importance to students and are a number in a range.

The "good" grade point averages are pointed out in the honor roll story on page one of this issue while those averages that could stand fault are as well kept secret.

It is interesting to note that the punishments for a poor grade point average are stronger than the rewards for a good grade point average. According to college policy, a student is suspended if at the end of one quarter he does not have a 1.25 average, at the end of two quarters he does not have a 1.50 average, or a 1.80 average for the second quarter after that. Any quarter in which the average of a student who has a 1.25 falls below 1.20, he loses the loan that supports his second quarter enrollment. In other words, if his GPA falls below in the fall quarter, he can't get a 1.25 the following spring.

Ordinarily the student would be cut off in the next quarter but with preregistering and payment of fees so early, that cannot be accomplished because of the short time element. Are existing rewards for a good grade point average comparable to the punishments for a poor average?

Punishment vs. reward

The regular meeting of the Social Committee was held in a number of ways. The book of Colossians will be studied Tuesday night at 7:45 p.m. in the faculty lounge. The French and German students are invited to attend. Faculty are invited to attend.

To All Clubs:

This is unfortunate. We hear that students want social activities sponsors needed.

This "boy" needs a curfew. What better way to teach a boy the obligations of manhood than to make him wake up late in the night? Better wake him up to find his obligations in the wrong places? Better wake him up to find that he has a poor attitude and must improve it. He needs a curfew. This is unfortunate.

We have found through many years of experience that it is easier and cheaper, even if you don't know a word of the language, to learn more in a year than a year of college German, French, Spanish, or Italian in the course of a summer.
Winona Wonders

Do you like the new Student Union?

The following five questions were asked of four students chosen at random last weekend.

The questions were:

Do you like the Student union?

What improvements do you feel are necessary in the facilities?

Was the money spent on it worth while?

Are the present hours of the union satisfactory?

How could the physical facilities be improved?

Comments by students are:

JAMES REYNOLDS, junior: It is an improvement from what we had before. So on those grounds I feel that I should not complain. One major thing, they should have some sort of dance facilities here. Larger and more modern than the Smog. The Smog is just too small for our student body and is not well ventilated. Hours should be longer. They should stay open at least until the girls have to be in. Music should be piped into the cafeteria, possibly, something semi-classical.

BARBARA BEEeman, sophomore: I like it. Prices are too high, it is just too expensive. The facilities are adequate, but it is just too expensive to pay $10 per quarter and then the additional charges for entertainment. I feel that we've already paid our share to the student union.

STEPHEN ARNOLD, sophomore: I like it. I haven't been around that much to say how it could be improved. For someone that uses it, it is worth it. The hours are fine. The one main improvement needed was to move the dances to the union from the Smog.

Gloria Welch, junior: The union is nice. It's free. I like it the way it is. The money spent on it was worth it, but it is not open late enough. The facilities are fine.

Flag carrier completes study

The responses were recorded on a day by day basis and later analyzed. Some thought he was a patriot, some thought he was up leader of the Viet Nam demonstration scheduled in Winona, unpatriotic, or some kind of a nut.

The flag was carried on the college campus as well as near Phelps school. Neessen thought it was interesting to note that among college students, many talked about the flag carrier, but did not list direct questions. The children of Phelps consisting often of those under ten years of age, indicated not only interest, but directed questions to Neessen.

Interveuing On Campus

Placement Bureau, 110 Gildemeister, Winona State College, Winona, Minn. (elementary), Rushford. He was a former chemical manufacturer representative from Minneapolis, and he is married and has one child.

It was estimated that the flag carrier was observed by two thousand students and faculty on the campus, but only about forty students and faculty directly questioned the flag carrier regarding his behavior. Yet, information about his role circulated up to twenty-five miles from the campus - to Peterson, Minn.

The methodology utilized in this study was simply to display the flag in a conspicuous manner and when asked by someone why the flag was being carried, return the question by asking, "Why do you think I am?"

Winona State College Wesley Foundation has elected two new officers for the coming year. Elected are: Roy Wilsey, Houston, president, and Emmie Iverson, Dakota, state conference representative.

Mr. Wilsey will preside at the meetings, and govern the programs for the coming year. Wesley programs are held, special speakers, talks, retreats and discussions, are scattered throughout the school year.

Miss Iverson will represent the Winona Wesley Foundation at state meetings.

Mr. Wilsey, a junior, succeeds Ralph Carter, Stewartville, and Miss Iverson, also a junior, succeeds Jerry Johnson, Alden. Miss Iverson takes office immediately, and Mr. Wilsey will take office at the beginning of the spring quarter.

The WESLEY Foundation's general elections will be held February 27.
HOPE FOR A STRIKE . . . Bowling has fast become one of the most popular Student Union activities since the six lane alley was completed early last December.

Bowling grows popular in new college center

The new sixlane bowling alley, completed Dec. 5, has fast become a center of campus activity. The alley is open from 3 to 7:30 p.m. and from 6 to 8:30 on Saturdays.

On Monday, Tuesday and Thursday nights, there is league bowling; on Wednesday from 6 to 8 p.m., and Friday from 8 to 10 a.m., college classes occupy the alley. The remaining time is reserved for open bowling.

The cost for three games is $1.10, including shoes; house balls are available as an additional service.

On Monday evening the Dorm League, consisting of five-man teams, began at 8:30 and 9:30. There are presently 16 teams, but John Kane, Center Director, is looking for two more teams to round out the league. Anyone interested in bowling in this league should contact him at the center.

On Thursday at 6:30 p.m. the Men's Classic League, consisting of bowlers of 160 average or better, takes the alley. There are now four student teams and one team made up of the college maintenance crew. It is reported that the winners,Save the Old Timers. Again Mr. Wicks, and Zwolinski, his eighth opponent in 55 seconds to give Winona a 18-16 contest. It was equal to the test. The Indians fell to the Warriors by the margin of 24-17, but they managed to hand initial losses to both King and Sovereign.

Swimmers drub Point

Steven Point State University offered little competition to the Warrior swim team last Saturday. Coach John Martink's poolers returned from Point with a lopsided 70-20 victory. Winona State grabbed a first place in every event and brought their dual meet record to 3-1 for the season. The Warriors set four pool records in the process.

Larry Calvert had a record-breaking time of 2:13.2 in the individual medley race. Dick Childers set a new pool point time in the 500 yard freestyle of 5:36.8, and Dennis Blanchard's clocking of 2:14.5 in the 200 yard breaststroke was also good for a record. Larry Olson sped to a record time of 2.3:14.2 in the 200 yard breaststroke.

The loss to the Dragons gave the Warriors a 5-8 season record and dropped them into fourth place in the conference.

Winona State's basketball team saw their undefeated conference record dissolved last Saturday as the Warriors dropped a see-saw 64-61 decision to Moorhead State.

The previous night, Coach Robert Campbell's cagers clipped the Huskies of Michigan Tech for the second consecutive time by a margin of 15-17. The victory had temporarily kept the Warriors in a first-place tie in the NIC.

Winona State's leading scorer, Dave Meisner, propelled the team with 24 points. The Warriors shot a hot 47 per cent for the entire game, and they never trailed the Engineers.

Winona State also dominated the boards with a 57-35 edge in rebounds.

Assisting Meisner in the scoring column were Jim Anderson with 16 tallies and Gary Peterson, who totaled 13.

But Moorhead was not quite as cooperative the following night. The Dragons need ball control tactics and a stiff defense to edge the Warriors. Both Moorhead guards were able to contact over Winona's zone defense consistently, and the Dragons' big center, Jim Jahr, collected 20 points in close to the basket.

The Warriors never trailed by more than seven points, but they were plagued by mechanical errors throughout the game and were never able to hold the lead more than a minute. No Winona State players got into foul trouble, but the visitors relied on field goals to take a 35-25 halftime lead.

Dave Meisner's 18 points were again high for the Warriors. However, John Jeresek showed good form at the pivot position as he collected 16 points despite Jahr's light defense. Tim Anderson contributed 12 points with some hot outside shooting in the first half.

The loss to the Dragons gave the Warriors a 5-8 season record and dropped them into fourth place in the conference.

WHA members enter Sportsday

Fourteen women and three faculty members represented Winona State at the St. Cloud Volleyball Sportsday, January 5.

The women played in two teams coached by Miss Marjorie Marcey, physics education instructor. Barbara Knutson, Jane Kowczonji, Carol Hanson, Barbara Ivenson, Patricia Laska, Lynda Grimes, and Gayle Bahl comprised Winona I. Winona II was made up of Rosemary Prenzke, Carol Feldman, Bernard Von Ryns, Marahbeth Holopainen, Joan LeBar, Rose Marie Knitsch, and Barbara Johnson.

WINONA I defeated Moorhead II, but fell to defeat at the hands of St. Cloud II and Concordia I. Winona II was defeated by Concordia (Moorhead), St. Cloud II, and Concordia III. Paul.

A decision by Ray Wicks and a pin by Dan Scrabeck also paced the come-from-behind victory.

The warriors traveled to Decorah, Iowa, this past Thursday with hopes of extending their season record to 14-0 in a dual meet with Luther College.
