**Norwegian in expansion**

Two Norwegian professors will be on the faculty of Winona State College during the next year, it was revealed at a Norwegian Night in Kryzsko Commons Sunday evening.

Dr. Nels Minne, college president, said that Dr. Pal Fjell will return for the second summer session in July and August to teach courses and to help teach courses and to help

**Finance group sets deadline for April 14**

For financial consideration by the Finance Committee, applications must be submitted by April 14. The Finance Committee, composed of the faculty members and financial officers, sets up a tentative budget for expenditures of the following year.

Any deserving club or organization may apply if they sponsor activities or services from which the entire student body may participate.

The request must reach the Finance Committee by April 1, giving a list of what the club or group will expect to accomplish, together with the money allocated.

Application forms and additional information may be obtained from Miss Amanda Aarseth, Kryzsko Commons, or Roger Wistrcill, the student treasurer.

**Six Speech Round Table contests scheduled for WSC students**

Three improvement projects planned for college campus

There are eighty-seven students teaching Spring Quarter according to Dr. William Geminhardt, head of student teaching. They are as follows:

- Joseph Affonso, Caledonia; Joanne Anderson, Winona; David Anderson, Winona; Dennis Bielitz, Galena; Winona; Jan Bihlboe, Winona; Wright Noyes, Trenton; West, Douglas; Casey, Phelps; Leo Chadburn, Winona; Sharon Chamberlain, Phelps, Winona; Christensen, Winona; Anthony Connolly, Winona; Sharon Granau, Rochester; Jerome Cynogulski, Phelps; Barry Delany, Winona; Frank Doyle, Rochester; Shirley Drulonisz, Rochester; William Ehrlich, Winona; Tyrone, Rochester; Richard Ehrlich, Rochester; Charles Evans, Caledonia.

The team members will be selected by the co-chairmen, Dick Childers and Sue Fitch, and the Faculty Advisory Committee. Students who are selected as next year's resident hall assistants or will be student teaching next fall will be students of the team.

Dr. M. O. WEDUL, education, who was in charge of the program this year, said that continued community support is required for the success of the exchange. Support includes providing housing and funds.

Dr. WEDUL described the exchange as a "people to people" program, a young people to young people program.

When the program was initiated, Dr. WEDUL said 105 students were involved, it has expanded, he described it as the "seed" for President Johnson's new international education program.

At Sunday night's dinner Dr. WEDUL presented an illustrated report on the visit he and his family made to Norway last fall.

Inger Viet, Tromso, Norway, Winona State student this year, and Peder Dressel, Wayzata, in Winona last year, presented a dance.

For the dance both were present, and Miss Vevik said that it serves to identify and entertain the guests. They are becoming so popular among city girls that this year, when they are in town, girls select the costume they like best. They're handmade of wool and linen; the patterns in the alpaca are frequently referred to.

Girls wore the costumes for another reason: Miss Vevik said wearing of costumes is part of the culture. Norwegian affiliation is expanded in rural areas and the girls are encouraged to folk dancing.

WINONA STATE student in Oslo this year is Douglas Boerner, who is returning next month.

Miss Boerner is a member of the student senate with Rev. and Mrs. Harold Rehak.

$47,470 awarded for grants; students, contact Mr. Kane

Winona State College has been awarded $47,470 for initial academic year grants under Title IV, Part A (Educational Opportunity Grants) of the Higher Education Act of 1965, announced the Director of Financial Aids, John Kane.

The basic purpose of the program is to assist students of exceptional financial need.

**Student Eligibility** and need is determined initially by the expected contribution from the income and assets of the student's parents. A grant is not less than $200 or more than $100 for the 1966-67 academic year.

The student's income and assets and resources are to be considered by the institution in determining eligibility and the size of the stipend.

Families will be asked to provide information about its income and expenses taken direct from the Internal Revenue Tax Returns. Qualified high school graduates need to have evidence of academic promise and be capable of maintaining good standing according to institutional standards.

Grants may be committed during the spring and summer to high school seniors who have been admitted for freshman registration for the academic quarter.

**Orientation needs team leaders**

Anyone student interested in becoming a member of the 1966-67 Orientation Team must complete and return an application form by April 8. Forms are available at the Office of Student Personnel Services, Student Union.

The team members will be selected by the co-chairmen, Dick Childers and Sue Fitch, and the Faculty Advisory Committee. Students who are selected as next year's resident hall assistants or will be student teaching next fall will be members of the team.

87 students teach spring quarter

There are eighty-seven students teaching Spring Quarter according to Dr. William Geminhardt, head of student teaching. They are as follows:

Editorial

Draft tests approaching

A high level of draft volunteers may ease the draft pressure on college students, but the Selective Service will go ahead with its qualification test.

Lt. Gen. Louis B. Hershey, director of the Selective Service, said that college students will have to be drafted next year if the monthly draft exceeds 30,000.

STUDENTS got good news this week when the draft call was cut to 35,400 and April's call will be only 21,700. These reductions were made possible by heavy volunteer enlistments.

The test, which began May 21, and June 3. The test is optional and may only be taken once. The tests will now allow the results to get to the local draft boards by next fall, should the draft of college students be required then.

It would seem though that with the large numbers of "war babies" who are graduating from high school this fall plus the number who don't make the grade at college should keep the figure below the number required to draft college students. But perhaps they have allowed for that too. Let's hope not.

TRYING TO BE OBJECTIVE, it would seem that the college student and young men should be one of the last groups of single men to be taken. Sometimes it must almost feel nice being a female.

A registers office has application forms.

Lange sees honor conference, Texas

Fergie Lange reported on the National Kappa Delta Pi Convention, held in Houston, Texas, which he attended on February 22 at the March 23 meeting of the Winona Kappa Delta Pi.

He discussed the wide scope of activities within the Honor Society, and, he brought back many ideas that might help the local chapter, according to club members.

THE SPEAKER for the evening was Mr. Larry Connell member of the sociology department, speaking on the family's role in the education process.

HE SAID that we as teachers must keep the role of the family in mind. It is just as important as the school in the education of a child. The family is important because it has contact with the child first and it is the most persistent of the child's contacts. In the family, strong emotional bonds are established and thus a good learning situation is possible.

Mr. Connell said that a family is the sole agent in the first 5 years of life. In this time we form all of our basic attitudes and these will influence us all of our lives. It is interesting to note that prejudices are formed by age six to seven.

A child entering school, said Mr. Connell, will often come into contact with conflicting sets of values. His school and home lives will not agree. This will be hard for the child to solve, so a great deal of emphasis is then placed on the teacher.

Ragar family extend thanks

The family of Earle L. Ragar wishes to extend heartfelt thanks and appreciation to the faculty sor Ragar's personal library was lent their cars.

The family of Earle L. Ragar extends thanks and appreciation to the faculty sor Ragar's personal library was loaned their cars. Our special thanks go to Dr. Nels Mims and the college for the loan of space to doodle on.

In keeping with APO's policy of trying not to get their money from the students, printing of this pad will be paid for by local merchants who have advertisements around the perimeter of the desk pad. The project has been submitted and delayed by the finance committee.

The project will give Alpha Phi Omega capital for future projects.

They plan to treat the orphans and some of the underprivileged children of Winona to a day's outing.

Ragar family extend thanks

The family of Earle L. Ragar wishes to extend heartfelt thanks and appreciation to the faculty for the orphans and students and staff of Winona State College for their many expressions of sympathy and acts of kindness during our recent bereavement.

Our special thanks go to Dr. Nels Mims and the college for the loan of space to doodle on. To all of our basic attitudes doesn't state whether or not the working capital fund of the school organization is asked to act as the sponsor for the contest, which the family of Earle L. Ragar wishes to extend heartfelt thanks and appreciation to the faculty.

The family of Earle L. Ragar wishes to extend heartfelt thanks and appreciation to the faculty for the orphans and students and staff of Winona State College for their many expressions of sympathy and acts of kindness during our recent bereavement.

Words of the chief... SS president views first meeting

Looking over the new Student Senate gave me a little encouragement, but of course, he hard to tell this early in the year.

The main thing that may cause the Student Senate trouble will be the constitution of the senate. Many changes are stated in a number of ways. This caused trouble at the last meeting, concerning the election of the member-at-large.

FOr THOSE who aren't familiar with the position of member-at-large, I'll run through a brief summary. The member-at-large is elected by the Student Senate club representatives, editor's note: Every club has a non-voting representative at Senate meetings. The member-at-large is elected at the third meeting of the spring quarter. He hold a position equal to any senator, he represents the entire student body, and also serves on the Executive Board of the Senate.

Our constitution states: The member at large shall be elected by the club representatives present at the third regular meeting of the new Student Senate. It doesn't state whether or not the member-at-large must be a club representative to the Student Sen-

This problem was taken care of temporarily, due to time difficulties. At the present time the Constitution is being revised again.

I hope that when this new Constitution comes through, it can only be interpreted in one way. This will eliminate all the time wasted at Student senate meetings arguing about minor things.

Louie Kanavati, Student Senate President

Sororities set policies for rush

Alpha Xi Delta and Delta Zeta National Social Sororities will be holding open rush, an informal National Social Sororities will be May 1. She will then be given the policy at Winona State, certain membership of both sororities, during the spring quarter. As this is a new of the sororities on campus. This by (asked to pledge) one or both procedures have been agreed upon by both sororities.

A Winona State girl may be contacted by a sorority member at any time between April 4 and May 1. She will then be given the opportunity to learn about sororities and meet sorority members. SOMETIME between April 13 and May 1, a rushee may be bid to pledge either one or both of the sororities on campus. This may be done at any time during the two weeks, as each sorority bids independently.

If the rushee decides to join a sorority which bids her, she signs an "Official WSC Bid Form" presented to her at the time. By signing this bid form, she is promising to pledge that sorority. If the rushee decides to join a sorority which bids her, she signs an "Official WSC Bid Form" presented to her at the time. By signing this bid form, she is promising to pledge that sorority.

If the rushee is not certain whether she wishes to pledge the sorority that asks her, she may request additional time to consider it. For example, if Sorority A bids a girl on April 19, and this girl would prefer to consider the bid of Sorority B, she may request additional time before answering the bid of Sorority A. If she is asked to pledge Sorority B before May 1, she may accept. If she is not bid by Sorority B, she may accept the bid of Sorority A any time before May 1.

ONLY A LIMITED number of girls will be rushed by the sororities this spring. Any interested girl who is not rushed or bid by a sorority this spring is eligible to attend the formal rush parties next fall. If there are any questions about spring open rush, please contact Joyce Evans, Bonnie Pauling, Su-Ann Pritch, or Ginny O'Neill.

ID cards required

Students taking evening or Saturday courses who have not received their photo ID cards must get them. The following schedule of times has been set for having the pictures taken: April 2, 10-11 a.m. and April 6, 8-9 p.m. Students will be notified when the photo cards are ready.

Nature project now underway

By Gemell Iversen

Winona. You like to plant a tree or shrub this spring and help to beautify the Winona State Campus?

Any person, group or organization interested in participating should contact the newly-formed Campus Beautification Committee. Participants need not be members of the student body or of the faculty but interested alumni or the public may also participate in the purchasing and planting.

THE NEXT Committee meet- ing will be held April 3, at 4:00 p.m. in Pasture Hall Conference Room. The purpose of the Committee Recital set April 4

The first student recital of the Spring Quarter will be held Mon- day at 8 p.m. in Science Atrium. The public is invited to at- tend.

The program will include: Purcell's "Tell Sail Upon the Dog Star," Siglong Arnold, baritone.

Niles' "Five Gambling Songs," James Dickson, baritone.

Meisner gets NAIA berth

Dave Meisner, Winona State's outstanding guard, has been garnering honors. He was named honorable mention on the NAIA squad of All-Americans, and just recently to the NIC all-star team. Meisner, who topped 1,000 points in the Warrior's concluding game against Bemidji, was one of six Minnesotans honored by the NAIA. Both Schmiesing and St. Cloud was named on the NAIA second team. Also given honorable mention were Dan Hannard and Fred Korbis of St. Thomas; Bill Lautzen, Gustavus, and Joe Macha, St. John's.

Swimmers place in NAIA finals

Winona State's swim team, at only half strength, placed eleventh in the NAIA National swim meet at Conway, Ark. Larry Calvert, a freshman, was given All-American honors with a clocking of 2:08.5 in the 200 yard individual medley, and 4:14.4 in the 400 yard individual medley, placing second in both.

Dick Childers placed seventh in the 500 yard free style and ninth in the 1650 yard swim. Larry Olson, the only other swimmer to go, placed ninth in the 100 yard breastroke. The Warrior's chalked up 58 team points in the contest of 43 teams and 300 swimmers. Macalaster, the defending champ, missed going to the NAIA national finals by one game last year. This year they hope to improve on last years 11-10-1 record and 72 conference record, especially since this is Dr. McCowen's last year as coach.

Baseballers open Friday

Eleven returning lettermen will form the nucleus of Winona State's baseball team as they open at St. Louis University on April 1.

The Warriors, defending NIC champs, missed going to the NAIA national finals by one game last year. This year they hope to A "MOUSE" WITH A LOT OF MUSCLE. Dave Meisner was named to the NAIA All-American squad, and NIC all-conference team.

WRA, co-rec will resume

The Women's Recreation Association is again offering recreational activities after a two week break.

Core volleyball and co-rec badminton will begin in earnest this Wednesday evening under the management of Pat Laska. Teams are presently being formed.
