To Returning Alumni

It is a happy thought to characterize one's college as his Alma Mater, and each graduate as his son or daughter. The mother-child relationship is the closest and dearest of all. This sentiment makes the return of alumni a memorable event both for the college and for those who continue to welcome members of the classes of 1888 and of 1928, but alas and all other alumni who re-visit Alma Mater in her 78th Commencement.

- PRESIDENT MAXWELL.

Dear Madame Fixit,

I am last year went steady with a boy who is now attending the University of Minnesota. During my freshman year here at college I fell in love with another freshman, who is a handsome blond. How can I go home this summer vacation and face my old boy friend?

Yours truly,

M. K.

Dear Mss. M. K.,

I am sure that you are unnecessarily concerned with your future. There are about 5,000 students here, at least half of whom are girls.

Sincerely,

Madame Fixit

Dear Lottie Fixit,

My girl friend has told me twice that she thinks that Mussolini is better looking than Hitler. Do you think that she is hinting that she is shaving off my mustache?

Truly,

C. D.

Dear Mr. D.:

Undoubtedly she is hinting what you have guessed before. May I remind you, before you do anything irrational, that the mustache has done for Clark Gable.

Yours truly,

C. D.

**The Poets Corner**

**Incident in May**

It was a glorious morning—
The episode of spring.
When I started my car, I found that a spider
Had woven her web in the windshield's far corner—
A shimmering gossamer dwelling,
Frail enough for the faintest touch;
I had not the heart to destroy it;
But as I drove forth in the sunshine
And the cool, sweet breathes of springtime
That lifted my heart till I felt as free
And as clear and as clean as the skies were,
Came a mischievous vagrant of wind
And whisked the web out through the window.
The spider was left in a corner,
Covering and homeless.
As I drove down the street, some measure of brightness
Seemed gone from the radiant morning.

—W. B.

**Song for Early Spring**

Fling forth your seeds
With the strength of giants
All you who sow the land,
And as you sow
Sing with your voices of thunder
Exciting one, supreme to man.
Praise him for his gifts
Of strength to sow and sing
Praise him for the new green
On the Valley of trees.
Praise him for peopling the land
With proving things.

Another spring.

—H. L. S.

**Self Defense**

In self-defense I shut the door,
And laughed aloud more loudly than before,
Because you see I feared you would
Do the same before I should.
And when you passed, I turned my back
To spare myself a like attack;
And now I say that, after all,
The tie between us was quite small.

—Anonymous.

**Poem About a Song**

"Clair De Lune."
Too lovely things for mortals to possess.
Nymph-angel
Danced from heaven.
To bless
All we on earth who plod.
Musing, tender, sweetly sad,
Your fleeting bits of tune, never quite grasped,
Danced like a child.
In a noon-beamed pool,
Then whisp away
To return
In mortal's tears.

—Helen L. Smith.
Coaches Think 1938-39 Sports Outlook Good

The outlook for intercollegiate sports, in 1938-39, seems to be one of optimism. While the past year has generally been good, with the achievements of the basketball team outstanding, we find that there seems to prevail among the coaches a feeling of even greater possibilities in all sports for next year.

Last year's triumphs will not be numerous, but such men as Arns, Parker and Daubert will be hard to replace.

"In football," Coach Jackson says, "prospects are generally on the rise." The back field and the middle of the line will be fortified with returning veterans and with the help of promising substitutes of last year and a moderate influx of newcomers. He feels that a title-contending outfit can be fashioned from the mounds by Thomas and Gilmour, with Arns, Parker and Ostrom. The championship basketball squad will lose through some withdrawals.

Winona Fifth In Meet

The Winona tracksters culminated their season by journeying to St. Cloud, Friday, May 27, and returning home with a fifth place and a new record holder in the person of "Scurry" Farmer, who hurled the discus 128 ft. 2 in., to shatter the old mark of 125 ft. 8 in., held by Bailey of Moorhead since 1914.

Team scores were: St. Cloud, 57; Moorhead, 17; Mankato, 43; Hibbing, 37; Winona, 11; Dubuque, 11.

"Capt. Detloff contributed 5 points to the 31½ by winning Winona's only other first place, that being in the 440 yd. dash. St. Cloud took fifth in the 100 and third in the 220. Carleton and Davidson placed fourth and fifth in the low hurdles. Wolfe was fifth in the mile; Ottman tied for second in the high jump. Wolverten tied for third in the pole vault, and Gilmour was fourth in the javelin. Gorden was fifth in the 2 mile, and Farmer placed fourth in the shot put. The relay team, Detloff, Wolverten, Davidson and Jorris, placed third in the final event of the day.

Redmen Win City Title

The St. Mary's Redmen, behind the fine pitching exhibition of Langowski, defeated the Warriers 9-4 on Tuesday, May 24, to tie for the city title.

On Thursday, the Redmen nosed out the Warriers by a score of 6-5 to cop the city championship for the first time in three years. Kraft hurled for St. Mary's.

Ralph Spencer led the Warrior batmen with three singles. Darrel Johnson slammed out two singles making his season's average .344 and taking first honors in the team's hitting.

Lyle Arns, appearing for the first time in a T. C. uniform, pitched superb ball and should have annexed a victory. Mental errors by the Peds was a large factor in the defeat.

Play Ball!

The college baseball team's season was what you might term a "let-down." The team won only a single game out of a nine game schedule, that being the inaugural game in the annual St. Mary's City Championship series. The Redmen took the last two games and the championship. The Redmen took the last two games and the championship.

Individual batting honors go to Edwin Spencer (.179), Darrel Johnson (.333), and Darrel Johnson (.344).

William Koszewski (.250), and Gerald Peterson (.290) were the other regulars in the batting averages.

The St. Mary's Redmen, third in the Joliet City with a .229 average, lost through graduation. This year a better all-round team is looked for in coming year.
