What They Did

Bob Johnson (Dassel, Junior), went hitch-hiking for three weeks. He, with his friend, saw many states. He also took Mammoth Caves and the Hill-billies. Bob was quite interested in the Hill-billies' philosophy of living. They barely exist, but are perfectly satisfied. What contentment!

Terry Amdahl (Mabel, Junior) went on a twenty-five day trip to Alaska. He went on an excursion boat, the Prince Robert, for eleven days. He followed the trail of the '38 Gold Rush, (but didn't find any gold. O, those prospectors!) On the way out and back his party visited Glacier Park, Grand Teton Park, Yellowstone, the Badlands, and Black Hills. Boy, what a trip!

Harold Grudem (Zumbrota, Junior), "I was an electrician all summer. I worked in a grocery store, played cupid to Freshmen any time when he forgot to tell the students about their classes.

Alumni Notes

Miss Jane Keeler who taught Speech in the college from 1898 to 1912 was a guest of Mrs. G. E. Maxwell for four days early in August. Miss Keeler has been the successful director of a little theatre group in Buffalo, New York, for many years, maintaining also a private studio for instruction in drama production.

Miss Marie Wood, a graduate of the two year course of last year, passed away August 4. A post mortem taken at Rochester revealed a complication of many diseases.

Many alumni attended the University of Minnesota this summer. Allan Pawelek was one of those who received his master's degree this summer. Others working on degrees were John Wachs, George MacAvoy, Bay Sherman, Joyce Haggery, Mrs. Mabel Waggant, Mrs. Elma Negs, Fern Staph, Harold Roth, Ed Zachouk, Harry McGrath, Donald Karow.

George Kabat who is working on his Ph.D. also has a full time teaching position at Colorado.

Placement of '38 Grads

All but twelve of last year's four-year graduates have secured teaching positions. Most of the two-year graduates are fulfilling the demand for rural teachers. Placements made during the last year include the following graduates teaching in town and city: Pauline Abel, Fairfax; Evelyn Albers, Odessa; Marjorie Allen, Peterson; Mary Lou Ella Peterson, Eyota; Gertrude Pugh, West Concord; John Wachs, George MacAvoy, Bay Sherman, Joyce Haggery, Mrs. Mabel Waggant, Mrs. Elma Negs, Fern Staph, Harold Roth, Ed Zachouk, Harry McGrath, Donald Karow.

Margorie Allan also attended the U. of Minn. this summer.

A New Venture in Editorials

We want all of you freshmen to feel at home and become a part of this institution. Perhaps a few tips on what to do and what not to do in letter along with this cordial welcome.

Freshmen: Let us start you off on the right foot by warning you never, never to be late for chapel. Well now, as long as we are all in chapel on time, there is another thing you must not do. Do not make the mistake of trying to prove him wrong. We tried that — once! Also, it is well

You that you are shoving off from the hometown forfeit your conference period. The one thing you'll also get along perfectly with them provided you don't rub them the wrong way at first. And if you don't, you'll also get along perfectly with them. What is the place. We told them what a trip!

A musin'

The first few days of school can't help but be just a wee bit trying to the upper-classmen. It's a bit like counting the members of a scattered battalion — a large number missing. But, putting aside all sentimentality we should like to take inventory of a few things that have happened so far to make our school year interesting. We arrived at the bottom of the first bluff on Sunday afternoon and as we as-

At the Theatres

Theatres in Winona have billed movies that will provide unusually fine entertainment for the next month. September 13 and 15 the State Theatre will show a picture of Ellis Island, Gateway, with Don Ameche and Arleen Whelan. Edgar Gage and Fred Arzate, together for the first time in one and one-half years, will be shown at the State in Carefree starting September 18. Irving Berlin’s music is featured in Kate Douglas Wiggins’ Mother Carey’s Chicken starring Anne Shirley, Ruby Keeler, and James Ellison is scheduled for the second session of summer school at the School of English, Mexican life. Dr. Schwable studied at Boulder, University of Minnesota; and Miss Bartsch studied at the University. During the second session of summer school at the Writers’ Conference at the University and spent considerable time reading in the University library. Miss Schwable studied supervision and modelling and casting. Both Miss Sutherland and Miss Schwable made trips over the Continental Divide and to Grand Lake, Estes Park, Colorado Springs, Manitou, and Pike’s Peak.

Many of the faculty taught at the college during the first or second session. Dr. Galigan taught for six weeks before going to Washington. His route was through the Black Hills and Glacier National Park. In Washington Dr. Galigan met a W.S.T.C. graduate, William Thompson of Wabasha, who coaches at Riderwood, and Tom Mullen, former assistant coach at W.S.T.C. and now coach at Sedro-Woolley.

Mr. Jackson made a trip through upper Wisconsin and Michigan by car where he again served as assistant camp director and where Mrs. Jackson acted as camp mother this year. He also took his journey over the Oregon mountains. His route was through Glacier National Park. In Washington Dr. Galigan met a W.S.T.C. graduate, William Thompson of Wabasha, who coaches at Riderwood, and Tom Mullen, former assistant coach at W.S.T.C. and now coach at Sedro-Woolley.

Intramurals Will Be Held Afternoons, Not Saturdays.

The intramural program for the coming year promises to provide everyone interested in athletics an opportunity to compete in a variety of activities. Dr. Galligan has announced that the program for this year will include basketball, badminton, volleyball, ping pong, and possibly bocceball. The intramural program probably will not be started until the middle of the football season, when either basketball or badminton will be started. In basketball teams play a round-robin schedule with each team meeting all other teams once. Badminton was introduced last year as an intramural activity for the first time with about forty boys participating. It is expected that entrants for this year's badminton tournament will again be divided into an A and B group, according to their experience. The badminton tournament will be chosen and a round-robin tournament will be played; volleyball will be followed by ping pong.

There will be one major change in the program for this year. All intramurals will take place after school instead of on Saturdays, as has been previously done. This change will enable students who work on Saturdays to participate.

The intramural program is run by the Intramural Board consisting of two members appointed from each class, the varsity basketball captain, and Dr. Galligan as advisor. It is the duty of the board to choose the teams, appoint team captains, arrange schedules to avoid conflicts, on protests, and make any changes necessary.

Through Dr. Galligan's effort, the intramural program has been enlarged, better controlled, and better organized. It has become an experience carried on in previous years and this year is expected to prove equally so.
