Faculty Entertain Students at Reception
LARGE NUMBER ATTEND

The annual Faculty Reception was held on Friday evening, September the nineteenth. This reception is given by the faculty of the college for the students.

Only the new teachers were in the receiving line in the social room and they were very busy shaking hands with the many students who came. From the social room, the guests proceeded to the gymnasium which was artistically decorated with green leaves. Here a good orchestra provided music for the dancing which lasted until eleven o'clock.

The refreshments were served in the room adjoining the gymnasium. The table was beautifully decorated and ice cream and cakes were delicious. Presiding at the table during the first hour were Miss Gildemeister, Miss Speckman, Mrs. French, and Mrs. Manson; and during the second hour, Mrs. Maxwell, Mrs. Owens, and Miss Sutherland.

This party serves as the formal opening to the social season. The next event on the calendar is to be the Homecoming Party on the evening of October tenth, to be given by the Junior High School Club.

S.M.E.A. HERE WITH FINE PROGRAM, OCTOBER 8, 9, 10

The Southeast Division Convention of the Minnesota Education Association returns to Winona for October 8, 9, and 10 after a two years' absence, during which the sessions were held at Rochester.

The program will be opened on Thursday afternoon, with a matinee performance by the Devereaux Players of New York City in their "Barber of Seville." This company of ten players will also give "The Merry Monarch" in the evening, a quaint and delightful and romantic comedy in three acts. A plan will be announced whereby the students of the college will be admitted to at least one of these plays each evening.

Perhaps the outstanding speaker of the program will be Mr. Raymond Robins, who will speak on "The Outlawry of War,"—the next step in civilization, on Friday evening. However, Supt. C. W. Washburne, author of the "Winnetka Plan," Mr. Dudley Crafts Watson of the Chicago Art Institute, Miss Gail Harrison of the Lincoln School of Columbia University, and other speakers, are scarcely less noteworthy.

In addition to the general programs, all of which will be given in the auditorium, there will be given on Friday afternoon some fifteen section programs, in each of which interesting specialists in various school fields will be heard. The photoplay, "Declaration of Independence," one of the Yale University Film reels, will be given on Friday afternoon. The new Memorial Pipe Organ will be used in a recital preceding the Friday evening lecture and at other times will also be used in community singing. An informal reception will be held in the gymnasium following the Friday evening lecture.

The preliminary program, with practically all details complete, will be mailed this week to the teachers of the schools throughout the District. It is expected that the convention will enroll some 500 visitors who with the students of the college and the interested citizens of Winona, will insure an enthusiastic convention.

A library conference will be conducted on the afternoon of Thursday by the State Director of Libraries and by the Librarian of the Traveling Libraries from the Department of Education in St. Paul. Moreover, on the same day the Winona County Teachers Institute will begin a three day session under the leadership of Miss Cora Gline of the State Department. The work of the college will be carried on regularly throughout Thursday but will be discontinued for Friday.

THE MINNEAPOLIS SYMPHONY ORCHESTRA COMING

Tuesday, October 27th, the Minneapolis Symphony Orchestra will make its second appearance to Winona on the W.S.T.C. Concert-Lecture Course. Music lovers of Winona and vicinity will again have an opportunity to hear this organization which is recognized as one of the best, if not the best, symphony orchestras in the Northwest. The orchestra, as last year, will give two performances: one in the afternoon and one in the evening. Those who heard this orchestra under the masterful direction of Mr. Verbruggen will wait with pleasure the coming of this organization.

GIRL SCOUTS SPONSOR GET-AQUAINTED PARTY

We have the Girl Scouts to thank for "breaking the ice" on Friday evening, September 11. The fact that it was a middy and skirt affair made it very informal and everyone was made to feel at home. Stunts, including pantomime, living statues, gymnastic feats, and the like, and dancing contributed toward pleasing everyone's tastes and assuring a good time. At the close of the party, the Girl Scouts, under the direction of Miss Arnt, troop leader, gave a demonstration of the Scout salute to the flag, Scout motto, slogan, and taps.

From the broomstick antics of Mr. Reed past the youthful Sister Walker, Bury, and Queen Elizabeths, to the Eskimo pie refreshments, the party was a success. Let's all join the Girl Scouts.

NEW TEACHERS IN SEVERAL DEPARTMENTS

The personnel of the W.S.T.C. faculty has been changed from that of last year by the replacement of ten members.

Miss Ruth B. Watts, a graduate of Boston University and Emerson College of Oratory with a Master's degree, teaches reading and speech and comes to us with several years experience in high school and college.

Mr. F. A. Jederman, a graduate of the University of Nebraska takes Mr. Gibson's place at the head of the history department. Mrs. Jederman is a graduate of Peru Normal, Nebraska and is middle grade assistant in the Phelps School.

Music in the Phelps School is in charge of Miss Elizabeth Conwell, a graduate of the University of Minnesota, a violist, and experienced public school music teacher.

The new librarian is Miss Natalie Hulin. She completed the librarian's course of the University of Wisconsin in 1921 and comes highly recommended by that institution. Before coming here she was reference librarian at the State College at Pullman, Washington.

Miss Marion Bagler, a graduate of Smith College, New York is the new kindergarten assistant.

Miss Muriel Meyer is this year a full-fledged faculty member having been graduated from the students course here consequent to her graduation from McPhail school of music. Miss Meyer brings a great deal of talent to the music department as teacher of private and group piano lessons.

LET'S SHAKE!
Hello Everybody! Let's be friends.

Now that there are four different classes of us, there must be more effort than ever put forward to
find the "common interests." As long as the Seniors do not become TOO " uppish" and the Freshmen do not act TOO green, it ought not
to be so difficult. Someone has said that well
began is half done, and we are beginning.
What is to be the nature of that beginning?

One faculty member advises us to be sociable,
another, to be helpful, another, to be cooperative,
and another, to be happy. Of course that
would be ideal, but when the elders in the
family speak, it is well and best to hearken.

Family squabbles are no longer in order,—
diplomacy and a little soft soap, so to speak, are
replacing them. Let's give the other fellow
credit for his ideas even though he is a faculty
member and we have a bunch he is all wrong.
If he is, he'll find it out himself before much
time has elapsed. Let the other fellow tell
him. Promiscuous censure has no place in the
best regulated families. It simply isn't done.

This matter of friendship, however, goes deeper
than that. It affects the heart and can't be
dealt with in an off-hand way. The advent of
impartiality and a little soft soap, so to speak, are
replacing them. Let's give the other fellow
credit for his ideas even though he is a faculty
member and we have a bunch he is all wrong.
If he is, he'll find it out himself before much
time has elapsed. Let the other fellow tell
him. Promiscuous censure has no place in the
best regulated families. It simply isn't done.

The next meeting will be held on the first of
October. There will be a short business session
followed by a program.

The Y.W.C.A. Cabinet held a meeting on
Sept. 6 to make arrangements for meeting
trains the following Monday and Tuesday.

The Y.W. Bookshop has sold every book on
its shelves.

On Wednesday the 16th, a tea was given in
front of the library. This is one of the traditions
of the college.

On Friday, Friendship Day was observed.
Following a talk by Miss Sutherland, flowers
were distributed among the students.

The annual picnic was held on the bluffs.

Art club tryouts were held last week. New
members will be announced soon.

Several members of the club are continuing
their art work in other schools. Gordon Beatty
is at Pratt Institute in New York, and Helen
Chard is at the Chicago School of Art.

Members who are teaching are: Leola Chard,

rine Thomson, Austin. Alice Green is substitu-
ting at the Jefferson school in Winona.

Donald Clark is studying at Armour Institute
of Technology in Chicago.

Mildred Molloy and Hannah Vang have
returned for work here, and Elizabeth Burns,
who is visiting in Chicago, plans to enroll at
mid-term.

Two junior members, elected last spring, will
become active members this term. They are
Gerakline Swift and Alice Thomas.

Officers of the Phi-Ed Club are:

Mildred Wald .................. President
Beatrice Nelson ................ Vice-President
Mildred Williams ............ Secretary-Treasurer

Phi-Eds are planning a camping trip to
Prairie Island for the week-end of October 2.

Wenonah Players and Mendelssohn Club are
holding tryouts this week.

TEACHERS HAVE ONLY FOUR LETTER MEN THIS YEAR

With but four letter men including Captain Busch, and the rest, for the most part new material, Coach Habermann has a task to re-build the Teachers Football team. Captain Busch, “Rolly” Tust, “Korn” Lynch, “Fritz” Schwager, and “Beanny” Johnson are the letter men of last year about whom the team must be built.

“Korn” can play only in the non-conference games. In the Junior College Conference a player can only play in conference games for three years.

With Lyle Garlock, guard; “Wee Gee” Kalkbrenner, end; Charlie Pfielsticker, tackle; Wilbur Beaton, guard; and Kenny McCready, backfield man from last year, and the new material Coach Habermann hopes to build a winning team.

There is much good material this year to fill the vacancies left by graduation. For the backfield positions there are “Rolly” Tust, veteran of last year; Hovde and Bob Gauger, crack backs from Wabasha; Everett Johnson from Spring Grove; Ralph Peterson, Kenny McCready, from the ‘24 squad; Paul Beaton, last year’s back from the Winona High; Rowan, from Montivideo; Beaton and Howard Daniels, from the Winona High. From this wealth of backfield material a winning combination is hoped to be found.

There is a lot of good end material including “Wee Gee,” veteran of last year; Joe Vorhees, formerly of Winona; Roy Laughlin, a new man who shows up well; W. E. Hambert, Bennett Nyline, last year’s track man, and Sandness. The wing positions should be well filled from these promising ends.

“Fritz” Schwager, last year’s regular tackle is on the job and is going big. To “Bill” Bierman’s place the following men will make strong bids for this tackle position: Russell Nichols, last year’s captain of the Winona High; Otto Talus, a range man; Leo McCaffrey, Cotter football man; and Charlie Pfielsticker, from the ‘24 squad.

Lyle Garlock, last year’s squad; Leavitt Burdell, ‘24 Winona High guard; Beanny Johnson, veteran of the ‘24 Teachers; and Wilbur Beaton, last year’s squad will have to fight it out for the guard positions this year.

Captain Busch, who is in excellent shape, will in all probabilities hold down the pivot position. Smilancich, an all range center, will be ready to defend this place if called upon. Other men trying for positions are Clarence Welge, Arnold Donath, Ed Nelson, Langlais, Hoge, and Kajete.

With the above squad practicing fundamentals and essentials of football: tackling, blocking, following the ball, for nearly three weeks the Winona Teachers College football team will be in a good position to win its first game here tomorrow with the Waldorf Lutheran College.

W.S.T.C. PLAYS WALDORF LUTHERAN COLLEGE TOMORROW

The Winona Teachers, after nearly three weeks of practice, will play their first game of football tomorrow with the Waldorf Lutheran College here. For the first time in its history the Lutherans are opponents of the Winona team.

Little is known of the strength of the Waldorf team this year, although in past years this team has been regarded as one of the strong football teams in Iowa. The Waldorf Lutheran College offers a four year college course. This in itself should make it a college of strong athletic teams. Our team will do its best to win. From the free spirit, cooperation, and work, of the fellows in practice we can expect a good hard game. There are likely to be many substitutions in order that the coach may size up his men under fire.

CHAPEL CALENDAR

September 14.—The first of a series of addresses by faculty members, was given by Miss Gildemeister on the subject, “Cooperation Through Common Interests.” Miss Gildemeister said that the man with a vision should retain enough of the common touch to appeal to the masses, or his message will be lost. Also, that through cooperation and a seeking for the common interests, the teacher and the student could accomplish wonders in the way of happiness and efficiency.

September 16.—An opportunity to learn more of our Memorial Organ, was presented by Miss Muriel Meyer in an illustrated talk on the various organs and instruments included. The playing of one of Mendelssohn’s selections, by means of the Duo-Art Reproducer, concluded the demonstration.

September 17.—Mr. Burton T. Bush, a well-known business man in the chemistry world and a maker of synthetic perfume, addressed the college on the general subject of “What Chemistry Has Done.” He pointed out the exceedingly wide scope of chemistry and asked that if the occasion ever arose, that we as teachers would be sympathetic to the cause of chemistry.

But granting that we had both the will and the sense to choose our friends well, how few of us have the power! or, at least, how limited, for most, is the sphere of choice!—RETSKIN.

Grace Sanden, Joybelle Quimby, Mable Vathing and Vernice Rice left on Saturday morning to the week end at their respective homes.

Last Thursday evening after study hours, a party was held in the social room at Shepard. Refreshments were served after an interesting program.

The "Three Merry Widows" namely Jane Shaw, Betty Crossman and Kay Carter, are enjoying life as best they can in the daily routine of school; wonder who'll be next to seek his fortune.

Morey Hall girls held a stunt party on Tuesday evening. Cakes and eskimo pies were served. The stunts included a mock trial, Lullaby land Statues, The Four Generations, a Human Piano, Pajama Chorus, West-end Scarlet Belles accompanying Katherina, and a seven-act Vaudeville Bill. The latter included Wreck of the Hesperus, Apologies to Peter Pan, Lighthouse Bill. The latter included Wreck of the Hesperus, Apologies to Peter Pan, Lighthouse by the Sea, Automobile, The Shiek, A Chalk Talk, and a Mock Wedding.

Morey Hall girls who spent the week end at home are: Edith Laughlin, Owatonna; Dorothy Doran, Rochester; Victoria Potter, Minneapolis; Bernice Berg, Lovelton; Marjel Ostrem, Houston.

Miss Mallory has a new question to ask the girls. "Girls, didn't you hear the lights blink?"

Miss Maude Kavanagh who is middle grade supervisor and critic has her Master's Degree from Columbia University.

Marguerite Stanton, a 1924 graduate of W.S. T.C. is lower grade assistant.

The place of physical training associate is filled by Miss Jean Talbot, a graduate of the University of Wisconsin, a graduate student for two years in physical education at Wellesley College, and a former teacher in both the Maryville and Milwaukee normal schools.

STUDENT OPINION

For the benefit of the students unfamiliar with this paper, we wish to state that it is customary to insert in every issue of the paper, an article headed by the name of "Student Opinion." We invite you to contribute freely to it and to be as frank as you wish. The article must not be too long — anywhere from one hundred twenty-five to four hundred words being acceptable — and must deal with some phase of school activity. The expression may be in praise, censory, suggestive, or other form, the only requirement being that the writer be courteous and sincere in what he writes.

FOR THE SMILERIES

Now then folks, this is supposed to be funny. If you don't find it so, write something yourself and let us have a squint at it. Don't go about bawling over the lack of brains, or finesse, or humor. Get busy — or keep still. And remember, it may be a slight distortion in your own mechanism which is to blame. Anyhow, don't be an aimless squawker. It's out of date.

STOP — LOOK — LISTEN

Have you ever been psycho-analyzed? Are you spending a hundred minutes a study on outside work when five would do as well? Find out to-day — NOW. You may try our plan and no one need ever know. It's amazingly simple. Read the test carefully. Don't hurry. Make a cross before the best answer to each question. The average person completes five questions in thirty minutes.

1. Why are some girls bobbing their hair since coming to W.S.T.C.? Because
   1. Otherwise they cannot get a teacher's pension.
   2. Mr. Simmers has requested them to.
   3. Pray for rain.
   4. They are oblong.

2. Why should young men have a directory?
   1. They are given away.
   2. Telephone numbers may be found there on Friday nights.
   3. It is a favor to the faculty.
   4. They are oblong.

3. Why should men have a directory?
   1. They are given away.
   2. Telephone numbers may be found there on Friday nights.
   3. It is quite customary.
   4. It is sleeping.

IV. If asked to interview Miss Richards would you?
   1. Apply extra rouge?
   2. Manage to be five minutes late?
   3. Recall the past.
   4. Ask her for a permit immediately.
   5. When there is a football game. Should you?
      1. Sleep all afternoon.
      2. Root for the opposing team.
      3. Pray for rain.
      4. Go and jump about when everybody else does.

"I see Algy is on the scrub team."
"Oh, dear, how come? He wouldn't even wash his cars when he was at home!"

—CENTRE COLONEL

Nissen — How'd that cuckoo clock keep time? Clarke — Aw right, but I smashed it.
Nissen — Yeh?
Clarke — Sure. A little bird kept popping out and telling me I was cuckoo and I won't be insulted in my own house!
