Winona Defeats
Heavy Stout Team

SCHWAGER SCORES FOR WINONA

The Winona eleven scored a 7-6 victory over the heavy Stout team from Menominee. The Winona gridironers showed great strength on the line, and often came through the lighter Teachers line for gains. "Rolly" had a decided edge in punting over his opponent. Winona used mainly a defensive type of football.

The Winona score came early in the first period after Tust tried to score by a dropkick from the 40 yard line but failed. The ball was brought to the 20 yard line and after two attempts through the line netted Stout 6 yards, the latter was penalized 15 yards. The punt which followed was blocked and Schwager's quick thinking and action brought the touchdown. "Rolly" kicked goal.

Stout scored in the second quarter on a 25 yard pass that Gauger tried to break up but was unsuccessful. A place kick was not successful.

Stout gained most of her ground through the line, either through center, guards or occasionally off tackle. When a few yards were needed, a stout Stout linesman would be called to gain the yardage, though later, Winona tightened up against this center smash. There were no great runs nor variety of plays but Tust made a sensational 36 yard end run in the third quarter, just after intercepting one of the many Stout passes on his 11 yard line. "Ev" Johnson was the real ground-gainer for Winona. He consistently bucked through the line for gains of 5-7 yards.

STOUT tried a passing game in which the second pass gave them their touchdown. They tried 14 passes of which 7 were incomplete, 1 intercepted, and 6 successful. Three short passes and two consecutive passes gave them 23 yards.

Winona tried passing but twice, first from Tust to Gauger, netting 6 yards, and second from Tust to Kalkbrunner, incomplete.

Winona came near scoring at the end of the half when a blocked punt rolled towards the goal line. Nichols raced about 25 yards to the ball and downed it on the 6 yard line as the half ended.

There were no individual stars in this game. Both teams of men played together for the gains made. Smilanich, however, toward the end of the first half, threw Stout for a 12 yard loss when a back attempted an end run. There were but a few substitutions on both sides, both showing

The talent of our school is far from being undeveloped. However, only a small number of students have discovered the talents within themselves. Why is a wallflower a wallflower? Nobody knows, but many guess. And we don’t mean ladies only. Do the men think they appear uppish, just try it and be convinced. You may enjoy it more than you expect.

- Secretary: victoria Potter
- Treasurer: Miss Cowell

The next meeting will be held on October 1 in the social room of Shepard Hall at five.

The Kindergarten Club has held two meetings, and is making several plans for activities during the coming year.

New members are ordering their pins now. Ella Mann, ’25, writes with enthusiasm about her teaching in Clarke, S. Dak.

At the convention of the International Kindergarten Union, held in Los Angeles last July, Miss Sutherland was elected to the Membership Committee of that body.
WINONA WINS A 35 TO 0 VICTORY OVER WALDORF

By showing an airtight line, the Winona Teachers gave the Waldorf Lutheran football team from Forrest City, Iowa a 35 to 0 drubbing on Saturday, September 26th on a slippery field. The Lutherans were held by the Teachers impenetrable line to three first downs.

The Waldorf team was not as strong as was expected but proved to be a plucky, fighting outfit. Coach Habermann made use of the second string men in the second and fourth quarters. The Waldorf gridders seemed to be at loss to solve the stone wall strength of the Winona line. The ball was in the Waldorf territory for practically the whole game and the Habermann had no trouble in pushing over the five touchdowns, four of them coming in the first half.

Straight football and the passing game of the Winona team showed that they have been working hard for the coming season. “Rolly” Tust, diminutive quarterback, looked fine this year. His open field running, as well as his good judgment on the field was especially good for so early in the season. He showed midseason sensationalism when he twice twisted his way thru the entire Lutheran defense for 35 and 45 yard gains.

“Wee Gee,” at right end, made some spectacular tackles and proved to be a fast man by eluding the opponents ends to run down punts. Schwager, Pfeilsticker, and Nichols got thru the Waldorf line several times to stop the backs before they could make a gain.

The Lutherans tried a passing game but it was broken up by the Winona fellows. Out of eight passes tried by Waldorf four were intercepted, three were incomplete, and only one was completed. The Waldorf weight proved worthless against the speed of the Winona team.

Because of the wet field our team lost two chances to score in the first period, first, when “Rolly”’s’ dropkick failed and when a pass from “Rolly” to “Wee Gee” over the goal line was incomplete. However near the end of the first quarter Captain Busch intercepted a pass and “Rolly” twisted thru the Lutheran team for the first touchdown. “Rolly” kicked goal making score 7 to 0.

At the beginning of the second period Captain Busch intercepted another pass and raced 45 yards for a touchdown. Tust’s dropkick failed to go between the goal posts. The score was then 13 to 0. After a pass of 18 yards from Tust to E. Johnson, the latter went thru the Waldorf line for the third touchdown. “Rolly”’s dropkick failed. Tust ran a Waldorf punt back 35 yards after which a 12 yard pass to McCready brought the ball to the 10 yard line. “Bob” Gauger went over for the fourth touchdown and Tust kicked goal making the score 26 to 0. The half ended shortly after this.

In the second half the Teachers played a defensive game, letting the Iowans have the ball in their possession for most of the time.

After an exchange of punts, in the third quarter, Tust having the edge on the punts, “Fritz” Schwager tacketed one of Winona’s fumbles on the 10 yard line. Johnson then went over for the fifth counter. A place kick by “Bob” failed. The score now stood 32 to 0. The second string men were sent in at this time. Waldorf’s only chance to score came after their only completed pass which gained them 30 yards. A place kick from the 37 yard line went wide and “Rolly” kicked out of danger.

In the final quarter McCready made the only score in this period with a drop kick from the 30 yard line, thus making the score 35 to 0 which remained unchanged to the end of the game.

September 25.—On Friday morning, an illus- trated lecture was given by Mr. H. W. Wheeler, of the Federal Forest Service. He was secured by the State Department of Conservation through the Commissioner of Forestry and Fire Prevention to spend two weeks in Minnesota. Commissioner Consle said, “We wish to thank you for your cooperation and hope Mr. Wheeler’s demonstration and lecture will at least serve the purpose of interesting and enlightening those who hear him. Especially should this be of value to those who are giving themselves to instruct the rising generation, and it will be a big aid to us in our work.”

Mr. Wheeler spoke of the large value of our lumber, water, and game, all of which are endangered by carelessness. Something of the expense of forest fires, and also of the work of the Forestry Corps completed this interesting address.

September 28.—Monday morning, Mr. Selle gave an interesting talk on the subject, “Opinion,” using a text book on public opinion. Mr. Selle pointed out by means of extracts from the book that the press, books, the platform, and stereotypes, among other things, contribute to public opinion.
