Forum discusses current issues

"We are put here to conduct a certain kind of program in build-ings provided by the State of Minnesota," said Dr. Minne, WSC President, at the Student Senate-Administration Forum, when asked about the responsibilities concerning the use of the gym-

nasium and main dining rooms in Kryzsko Commons.

The social life was one of three areas discussed in the forum where Student Senate members questioned the Administration concerning policies and proced-ures in Winona State.

In the discussion concerning a place to hold dances, it was mentioned that the student union consisted of the bowling alley, work rooms, alumni lounge, confer-

ence rooms, the recreation ar-eas, the snack office, and dining rooms 1 and 1A. The kitchen, 1A, dining rooms 2 and 3A belong to the food service, it was pointed out, and dances held there are due to the kindness of the food ser-carees.

Joining with the students from St. Mary's College, the College of St. Teresa, and Winona Secretar-

ial School in joint sponsoring of events was also touched upon, but it was shown that there pres-

tently is no place in Winona which could adequately hold all the par-ticipants.

Chaperones are not required, it was stated, but the State Board, the governing body of the state-

college, requires supervision of activities done in the name of the college. Faculty members aren't compelled to act as chaper-

ones, it was pointed out, but they offer to do so out of good will. Any other way, it was men-

tioned, would call for a major re-arrangement in the supervising of dances.

PAYING FOR DANCES was brought up by Mr. Spear, and he told the group that it was felt that the payment of activity fees should cover the cost of the danc-es. He went on to say that the so-

cial committee attempts to pro-

vide an activity each weekend, and this causes a bind because the committee is paying the amount that can be charged for an activity fee and Winona State's interest on student loan amount, $15. Part of this, he point-ed out, is used to support the stud-

tent union, and that the divisional activities are also supported.

Homecoming radiates over campus

Bonfire pepfest, snake dance to follow crowning

By Lynne Teigs

Homecoming is cumulatively crowning classes out of campus life. Today we elect a queen, crown her, celebrate the vict-ory with a bonfire, pepfest, and snake dance.

Don't forget your I.D. when you vote for your favorite queen can-

didate. The polls at the P.O.

Office will remain open until 4:00. Special appointments

should cover the cost of the danc-
es. He went on to say that the so-

ocial committee attempts to pro-

vide an activity each weekend, and this causes a bind because the committee is paying the amount that can be charged for an activity fee and Winona State's interest on student loan amount, $15. Part of this, he point-ed out, is used to support the stud-

tent union, and that the divisional activities are also supported.

**Loughrey namesake dies; Kremer runs for State Senate**

Clarence H. Kremer, former editor of the Winomen, and a 1913 graduate of Winona State is a candidate for Minnesota State Senate from Houston, Willmore and the southern part of Winona counties.

Mr. Kremer graduated with honors in business administration and has held the office of Clerk of District Court in Houston County — an elective position — since his graduation.

**COL. VINCENT J. CONRAD, USA, retired, class of ’87 recently passed away at the Veteran’s Hospital, Camp Pendleton, Calif. A West Pointer, he took part in World War I and World War II. In his later years, he resided at Whittier, Calif., with his wife, Melba. Melba is also survived by a daughter, Dorothy Monroe, and a son, Vincent J., Jr.**

**DR. LUTHER ARNOLD, former Winona State College faculty member, and past chairman of the division of science and mathematics, was one of three to receive the Augsburg College Distinguished Alumni citation in November.**

Previously an associate professor of chemistry at the University of Florida, Dr. Arnold was elected to receive the award for his distinguished service to the college's athletic teams. In his college days he was a member of the college's first football team and its captain for two years. He was a Spanish-American War Veteran.

In 1938 he registered as a part-time student at Winona State College and obtained an I.D. card or buck to see the Variety Show in Somsen Auditorium. His campus activities included membership in Phi Alpha Delta, a law fraternity, and in the Student Body Council. He also served as a member of the Winona State Alumni Society, and was a past president of the alumni association and an enthusiastic supporter of the college's athletic teams. **ONCE MORE UNTO THE BREACH**

Way back in 1963 I started writing this column about campus life. Today, a full 13 years later, I am still writing this column, because for my interest in undergraduates is as keen and lively as ever. This is called "arrested development" but where else can a writer find a subject so fascinating as the American campus? Where else are minds so nettled, people so on edge, as the American campus? Where else are minds so nettled, people so on edge, as the American campus? (The first biggest, of course, is on Wall Street.) But there is an answer to the roommates problem. (You say, for example, that you don't see the use of studying Haldane when you are majoring in veterinary medicine. You're wrong, friends. Believe me, some day when you are running a busy kennel, you'll be mighty glad you learned "Out, damned Spot!"

The dance, with the theme "Autumn Reflections", will begin at 8 with the music of Dennis Norman and his band in Kryzlo Commons.

Open house at the dorms will be from 1-3 Sunday afternoon. The last homecoming function will be the Young American Foods banquet, and a host and hostess will be present in the alumni room during the dance.

**Speculating In Sports**

By Gene Gambrel

Comparing the National Football League to the American Football League is like comparing Big Ten Football to NIC football. When the time rolls around for the champion of each league to meet this January, watch the results. There is no doubt in my mind that the NFL representative will trounce the AFL counterpart.

Biggest farce — football how gosses. What do they prove? Oh, sure they establish a national championship. Guess what kind does the best football team in the nation this year won't be in one - Notre Dame. Why? Because Notre Dame don't believe in them!

It's time for the Loser of the Year Award. This year's award goes to New York City; home of the Knicks, Rangers, Giants, and Joe Namath. The only winner in New York City this year is the Statue of Liberty.

Hey! Guess What! Winona State had a touchdown called back! Everybody down to the State Theatre for a riot.

The only "little brown jugs" left in the cities now are those of Mahalia Jackson's granddaughters in South St. Paul. 49 to 6, really?

Good luck to the Warriors on Saturday, both the football team and cross-country team. With high hopes and a extra task of oxygen the runners could pull off the NIC conference title for State.

**Staters split, edge Dragons**

The determined defensive line which has done such a tremendous job for the Warriors all season was forced to give way Saturday to the St. Cloud Huskies 31-8, at Maxwell Field. The previous was a different story however, as the Warrior's Rick Starzecz's three interceptions led Winona to a 6-0 triumph over previously undefeated Moorhead State. The scoring punch that was enough to trip Moorhead came by freshmen Jim Hipple on a steal run to the end zone.

In the game against St. Cloud the Lions lone score came late in the fourth quarter on a short punt they received and were able to bring it home for the tally. Quarterback Curt Palmer, the third string quarterback, took control of the ball on the 30 yard line, via the punt, and was able to move effectively on end sweeps down the sidelines, until scoring.

This weekend the Warriors will face Stout State in a game that always proves to be a good match every year. Last year Winona defeated Blood 39-6, last year Winona was the only team that stopped Stout State so they should be tough come Saturday. As a sideline, Stout was chosen by the United Press International Board of Coaches as the small college football champions for 1965.
