Minneapolis Symphony  
Scores Big Success  

LARGE ATTENDANCE AT  
BOTH CONCERTS  

Every student in the college who attended the symphony concert enjoyed and was benefited by it, simply because it was a good thing well presented. Those who have heard the orchestra before knew what to expect and those who had never heard it, were made true lovers of it. Both afternoon and evening performances were given. Many students attended both.

The city paper says of the event:

The orchestra itself demonstrated a mastery of technical brilliance, finish of style, rhythmic accuracy and tone adjustment, all of which seemed to combine in one supreme instrument upon which a director might play. And Mr. Verbrugghen, with his sensitiveness and virility, was never at a loss to bring out the finest that such an instrument is capable of. The response of the orchestra to his every command, whether subtle, insistent or dominant, showed his splendid gift for marshalling of a great musically host. After seeing his work yesterday, it is not difficult to understand the great musicianly host. After seeing his work yesterday, it is not difficult to understand the great musicianly host. After seeing his work yesterday, it is not difficult to understand the great musicianly host.

The opening movement was a pageant of orchestral splendor. The score's inflection of rhythmic accuracy and tone adjustment, all of which seemed to combine in one supreme instrument upon which a director might play. And Mr. Verbrugghen, with his sensitiveness and virility, was never at a loss to bring out the finest that such an instrument is capable of. The response of the orchestra to his every command, whether subtle, insistent or dominant, showed his splendid gift for marshalling of a great musically host. After seeing his work yesterday, it is not difficult to understand the great musicianly host.

In Memoriam  
MISS GRACE WILLIAMSON  
Story City, Iowa  

Just as our paper goes to press we are saddened by the sudden death of our fellow student. Miss Williamson was an active member of our college, being the president of the Mendelsohn Club and one of its soloists; an honor teacher of the fourth grade in the Phelps School.

The sympathy of the entire student body goes out to the bereaved family at this time.

Winona Noses Out  
St. Cloud in Close Game  

When “Wee Gee” intercepted a pass and ran 72 yards for a touchdown, Winona gained another step toward the Little Ten Conference Championship by nosing out St. Cloud, 6-0.

Saturday, October 31st there. The score came in the middle of the second period after an exchange of punts. Line jabs and end runs having failed to gain the necessary ground, St. Cloud tried a long pass which Kalkbrenner intercepted. The lone touchdown of the game resulted. The kick failed.

There were no stars for Winona. It was an eleven man team and each cooperated with the rest to make the gains or to stop the St. Cloud plays. Rengel, the St. Cloud star fullback, was the main ground gainer, passer, and punter in this game. He was injured in the third quarter, and his loss was keenly felt.

Rolly had hard luck in his drop-kicking, Saturday, the five attempted kicks failing to go over. In the last four minutes of play, after a long forward pass brought the ball to Winona's 20 yard line and line bucks brought the ball to our 10 yard line, Gauger intercepted a pass and kicked out of danger. This was the third time St. Cloud nearly scored on passing.

After Johnson had run the kick off from the 20 to the 44 yard line, Gauger received Tust's 15 yard pass which gave Winona first down. Tust's drop-kick from the 15 yard line a few plays later, failed. Throughout the first quarter St. Cloud gained most of her ground on end runs. Tust's punting equalled Rengel's, so our goal was not in danger in this period.

Second quarter began with ball in St. Cloud's hands on their 43 yard line. St. Cloud gained little through the line, and their play was confined to passes and end runs which were not successful here. Many passes were tried in this quarter, one of which intercepted, brought Winona's winning counter. After a successful 15 yard pass by St. Cloud, they tried four passes which failed, and it was Winona's ball on their own 30 yard line. Two line smashes failing, Tust punted to their 30 yard line as the half ended.

During the second half, the ball was mostly confined in the Winona territory. During this period, the Winona goal was in danger, but the line held at the critical moments. After everything else failed to gain ground, the Bearcats tried passes, which mostly failed. Winona is to be commended for the results because St. Cloud is the hardest team it has played this year.

OPINION.

TIME AND THE COLLEGE GIRL

In these days of hurry and bustle, the average college girl leads a life with so little spare time that it seems as though nothing more could be crowded in, even nowadays. Consequently, when she is asked to help with some extra activity, she gives a reply something like this: 'Oh, why do you ask me? I have to finish my board work in penmanship this afternoon, take gym, and go down town to see about a bill for the last party, afterwards. Then there is the pep fest and party tonight, and tomorrow I'm going on the geography hike, have to bring my history notebook up to date, go to the library to get a book to report on and then read the book over the whole week. Honestly, girl, my next two days are so full now that I won't have time to write home even. I just haven't the time to help you out.' Thus the one in search of help must go from one to another until she finds a martyr who will give up something she has planned for her own pleasure. Plainly, there is something radically wrong somewhere. The question is, 'Where?' Who or what is to blame? If one stops to recall, high school days were passed in somewhat the same way on perhaps a smaller basis.

Let us investigate to see just where all this time is vanishing. Apparently it has a mysterious faculty for disappearing, for the common cry is, 'I can't seem to accomplish anything at all!' After investigation and introspection we think that the following is a pretty average plan for the day of a college girl.

Hours 

Academic appointments .............. 3 30
Academic preparation .................. 6 40
Chapel .................................. 33
Sleep ................................... 8
Meals ................................... 1 20
Personal details ......................... 1
Outdoor exercise ........................ 1 30
Extra-curricular activities ............. 1 22
---------------------------------------
Total .................................. 24

This is a picture of a girl's life that is not swamped either with academic work or outside activities. A well-rounded life demands a day as varied as this. How about a general reorganization of your work? Try our plan. If you have a better one, which you have found functions well, let's hear about it in the STUDENT OPINION.

SECRETARY'S LEDGER

Mason members ushered at the Symphony concerts.

The Junior High Club held a meeting Thursday night, at which Miss Brunner spoke on the development of the Junior High School. The program for the year was announced, and several committees appointed.

Catholic Students are ordering club pins now.

Committees have been appointed for the second year class party. The Sophomores have a big 'idea,' and are working hard.

The first year class has elected Mr. Jederman, Dean of Men, for their faculty advisor. Mendelssohn members held their annual banquet on Wednesday at the Hotel Winona.

Country Life Club held a Hallowe'en party Friday night.

The Art Club has followed the example of the football team and now has a Reserve squad. It is composed of ten members who were selected from those who tried out recently. These people become regular members of the Art Club when there are vacancies to be filled. The members elected are as follows: Susan Cochrane, Selma Olsen, Cornelia Malmberg, Elma Rydman, Hans Hagen, Frances O'Byrne, Dora Stars, Viola Richter, Ewald Kintzi, Joy Bull Quimby.

The Reserve meets as a separate club unless invited to attend the regular club meetings. Meetings are held at 4:00 every other Monday in the studio.

A dinner party is being planned for the Art Club and Reserve for Friday, November the thirteenth, this being considered a lucky day by Art Clubbers. The following committee has been appointed to look after the "eats": Helen Weberg, chairman; Florence Dulle, "Wogge" Kalkbrenner, Susan Cochrane, Hans Hagen, Margaret Curtis, Carl Gerlicher, Alice Fillmore.

The remainder of the club is to act as a "clean-up" committee.

Plans are under way for the Art Club party in January for the entire school.

An exceedingly interesting, if rather unskillful display of clay modeling and soap sculpture may be seen on the shelves of the art workroom. Art Club members have been studying modeling and sculpture and have had a most enjoyable time attempting these arts. We may have several building Michael Angelo's in our college if work along this line is continued.

A great deal of interest in the annual is being shown by the Art Club. Hannah Vanger spoke on this subject at the last meeting, Oct. 29. The motto to be followed in this work is "Creation, not Imitation."

The "History of Art" class recently made a very interesting excursion to the new Chapel at St. Teresa. This building is an excellent example of Romanesque architecture. It is of the Northern Italian or Lombard type.

The visit was made especially interesting by Sister Helen of the St. Teresa faculty who conducted the class about the building and gave many helpful explanations, especially of the symbols used as decorations. Some of the more venturesome members of the class climbed the Campanile, or bell tower.

In the future, conference periods in this class are to be used for like excursions.

The Twin City Club at its last meeting decided that a regular meeting will be held every second Tuesday in the month, in the social room at Shepard Hall. After this, each time, a supper will be served — followed by a social hour. Let's have every member of the club present Tuesday, November 10, at 5 o'clock.

The Senior Kindergarteners entertained the Juniors of the Department at a Hallowe'en party on Friday, October 23rd. The evening was very joyfully spent in playing Hallowe'en games and stunts, after which a delicious lunch was served.

The kindergarteners have now arrived and are being worn by the members of the Club.

The Y. W. C. A. is putting on a drive for members. The chapel period on Wednesday, October 28, was given over to the Drive.

All the girls in the college are being called upon in an effort to enlarge the circles of friendship.

WINONA
**WINONA WINS FIRST CONFERENCE GAME**

Winona opened her conference season with a 32 to 0 win over the Mankato Teachers on Friday, Oct. 23rd. It was a decisive victory and one which showed Winona's strength as no game has yet been lost this year.

The Winona line showed up very well, especially in getting through Mankato's heavy line. Each man of the line went through Mankato's line continually to stop their plays before they could result in any gain. Johnson's running interference was especially effective. The work of Smilansch and Schwager was strong against the defense. In the first period Garlock got through to recover a Mankato fumble on their 25 yard line. After a couple of plays, Tust went 5 yards around right end for the first touchdown, but he failed to kick goal.

When, in the second quarter, Brockmeyer was punting, one of the Mankato backs backed into his punt thus blocking a kick that resulted in a touchdown by "Rolly" on an end run. Tust kicked goal. After several successful plays by Winona, "Rolly" again crossed the goal line for his third touchdown, but he failed to kick goal.

The half ended soon after with the score standing 10 to 0 in favor of Winona. In the second half Winona opened up a variety of plays which Mankato could not cope with. Garlock in this half blocked a Mankato punt on their five yard line and "Woo Gee" on the ball behind the goal line of the fourth touchdown and McCready kicked goal. The fifth score came in this period after several off tackle plays by Gauger and McCready, center plunges the ball behind the goal line of the fourth touchdown, but he failed to kick goal.

The reserves went in a few minutes before the game ended and very nearly scored on an end around. The cheering was especially fine, the best in the game on the Winona field witnessed this game.

For the first time this year the student body was really behind the team, both by their presence at the game and in their "pep" workouts during the week preceding the game. One of the largest student crowds ever attending a game on the Winona field witnessed this game.

The cheering was especially fine, the best in the last two years and no doubt helped to "beat Mankato."

**WINONA NOSES OUT ST. CLOUD IN CLOSE GAME**

(The old determination and cooperation won the game.)

**WINONA!! — CHAMPIONS??**

After beating the strong St. Cloud team which tramped over Rochester to the tune of 19-0, Winona will do its best to annex a third consecutive Southern Division Championship by beating Rochester, here, Wednesday, November 11th. If Winona wins, she will undoubtedly be the Little Ten Conference champion as Hibbing, the Northern Division champion was held to a 6-6 tie by St. Cloud.

Rochester has a strong fast team, with perhaps the fastest backfield in the Junior College Conference, exclusive of St. Cloud. The line is strong and can be expected to do its best to stop the Winona offense.

**THE WINONAN**

**CAMPUS GOSSIP**

Morey Hall girls enjoyed a Hallowe'en party Thursday night. New girls were branded with "M's," and initiated later in the evening. A mock faculty meeting, a Pfullen Chorus, interpretive dancing included, Hallowe'en scenes, and a gymnasium class were some of the stunts in which the new residents took part.

After refreshments, the girls sang. The traditional Morey Hall train started, leaving each girl at her room.

Morey Hall girls who are taking penmanship suggest to Miss Mallory that she suggest to Mr. Maxwell that we have Palmer Method drawing instead of Palmer Method Penmanship.

Morey Hall sent a telegram to the football squad just before the St. Cloud game.

DETOURS

A COLLEGE MAN FIVE YEARS AFTER
Five years ago I was a college man
I played a lotta football, and I ran
With the rest of the track men.
And then,
I used to be an Economics shark,
In Music One I used to be a lark.

Sometimes,
I studied Sociology,
Or Zoology.
Or Astrology.

My name was first on all the honor rolls, my
I. Q. kinda high —
Ah, then I married Mary Fry.
My home—I live on Mountain Heights,
An orchard, a family, a pleasant site.
We have our chickens, our garden truck, And plenty to eat when we have luck.

My schoolhouse stands upon the hill —
Our city's growing fast, four hundred ten,
We have our chickens, our garden truck,
My home—I live on Mountain Heights,

Five years ago I was a college man
(Stony Brook)

I have my pipe, my papers galore
My hopes destroyed.
At night, at home, I sit beside the fire,
Seldom tire —

(My glasses hurt; I have to squint)
At times it is a little chill.
My school-house stands upon the hill —
We boast a lotta civic-minded men;
And plenty to eat when we have luck.
An orchard, a family, a pleasant site.

Ah, then I married Mary Fry.

I studied Sociology,
In Music One I used to be a lark.
I used to be an Economics shark,
I played a lotta football, and I ran

Five years ago I was a college man
(Columbia U.)

We have a Rhodes Scholarship right here in
W.S.T.C. One may go as far on the roads as
he can walk.

Help Yourselves!!
Alice Fillmore (in chapel announcement)—
We want you all to come and take something
of value away with you.

FROM THE "PARTHENON"
(One of Our Exchanges)
He—I was told in my early youth that if I didn't quit smoking I'd be feeble minded when I grew up.
She—Well, why didn't you quit?

Diner—Is there any soup on that menu?
Waiter—There was some, but I wiped it off.

Father (reading a letter from his son at college to mother)—Bob says he's got a beautiful lamp from boxing.
Mother—I just knew he'd win something in his athletics.

Her—I just knew he'd win something in his athletics.

Her—'Fess up now that you men like talkative women as well as you do others.
Him—What others?

Soph—February can'tMarch, but April May.
Fresh—June know that or did July?

He—My father weighed only four pounds at his birth.
She—Good gracious! Did he live?

Student (to druggist)—Will you give me something for my head?
Druggist—I wouldn't take it as a gift.

Blessed are the Dumb, for they shall be called the Fresh of the earth.

What do you sell?
Salt.
I'm a salt seller, too.
Shake.

The height of laziness—a man who would freeze to death before he'd shiver.

Bragg gallantly escorted his hostess to the table. "May I sit on your right hand?" he asked.
"No," she replied, "I have to eat with it. You had better take a chair."

He—Let's go walking on the campus.
She—But we haven't any chaperone.
He—We won't need one.
She—Then I don't want to go.

CELEBRITIES

Emily Post
May her life be sweet,
She wrote a book On how to eat.

H. G. Wells
Is a writer great, His books are always
Up-to-date.

Ath-a-llete.
Now can stand Upon his feet.

Hallowe'en
And M. E. A.
Seem to be So far away.

We have a Rhodes Scholarship right here in
W.S.T.C. One may go as far on the roads as
he can walk.

TWO CLUBS HOLD HALLOWE'EN PARTIES

The Primary Club held its annual Hallowe'en party on Saturday, October 31, in the gymnasium of the Phelps school. Members were dressed in many original costumes, with witches, ghosts, and goblins predominating.

The Hall of Terrors furnished plenty of pep and excitement. The entertainment committee provided for all sorts of Hallowe'en pranks, games and stunts. There was no end of merriment throughout the evening.

Light refreshments were served. The party was an entire success, and all those present report a joyful time.

JUNIOR HIGH CLUB ENTERTAINS

The Junior High School Club entertained its members and the faculty at a Hallowe'en Party on Friday afternoon, October 30, in the Junior High School. The spooky spirit was everywhere in evidence and thoroughly entertained everyone. Guests were divided into groups and escorted through several misleading chambers in an effort to test their calibres. None were found wanting, needless to say.

Refreshments were served, and each guest given a magically written note to take home for further investigation and discovery. The club is to be commended on the success of the party both from a spooky and a social standpoint.
