Sweaters, Letters and Numerals Presented

REWARDS OF MERITS PRESENTED TO FOOTBALL MEN

Friday morning, December fourth, Chapel exercises were followed by the presenting of letters, numerals, and sweaters to the football men. After a season of hard and successful work, letters were presented to Garlock, Nichols, McCreary, Havensland, Kalkbrenner, Gauger, Laughlin, Daniels, McCaffrey, Smallie, and Johnson; Beaton, Burdoin, Hubert, Voorhees, Peterson, Talus, and Beynon were given numerals; Busch, Tust, Johannsen and Schwager received sweaters. These merits were presented by President Maxwell with a short speech of appreciation for the loyalty and high morale displayed by our football team. He spoke of the honor connected with winning such recognition from the college. W.S.T.C. is proud of its football men and glad to be able to thus show in small measure its appreciation of the hard work they have done and the successful games they have played.

However, this did not close the proceedings. There was yet another letter to be presented. As an equally loyal supporter and worker for our college, President Maxwell was presented with a college letter by Coach Habermann on behalf of the Athletic Board. The exercises closed with rousing cheers for the team, the coach, and the president.

SANTA CLAUS TO BE ASSISTED BY WENONAH PLAYERS

It is said that Santa Claus is to be abroad on the evening of Saturday, December 19th, when the Wenonah Players are to entertain the college. And not only Santa Clause himself, but three of his assistants as well have promised to be in attendance. In order to simplify matters, each member of the student body and faculty is this week providing a ten cent gift for some one else, all of them to be presented and distributed by St. Nick on the eventful evening.

The program will consist of a play “Wyl the Chimes Rang.” The cast includes Lucille Mueller and Helen Peake, the leads; and Joseph Voobees, Elvera Schmidt, Mary Lois Chapel, Nathaniel Frier, Abner Sundae, Julian Neville, Valois Dezell, Leslie Johnson, Margaret O'Brien, and John Lynch. The music in the play will be furnished by the Mendelssohn club and the organ.

Miss Watts is coaching the play.

Later, in the gymnasium, the guests will be entertained and the gifts distributed in a true atmosphere of Christmas jollity and fun, about the college Christmas tree.

The committees in charge are: Program, Morillae Walker, Margaret O'Brien, Edythe King, Leslie Haverland, Kenneth Nissen, Costume, Mildred France, Viola Kiechter, Janice Both, Elvera Schmidt, and Mary Lois Chapel; Decorations and Stage, Joe Voorhees, Elizabeth Burns, Leslie Johnson, Marcella Bhend, Gerald Huston, Abner Sundae, Nathaniel Frier, Mary Zigou, Valoris Dezell and Quarine Anderson; Stage Manager, Kenneth McCreary; Art Director, Esther Hall; Lighting, Kenneth Nissen; Floods and Switchboard, Morillae Walker.

MOTHER GOOSE PHILOSOPHY FOR COLLEGE PHRESHMEN

I
To college, to college,
To have a good time,
Home again, home again,
Without even a dime.

II
To college, to college,
To bone right and day;
Home again, home again,
"Wrecked nerves", they say.

III
To college, to college,
To work and to play;
Home again home again,
Health, friends, and an "A"

SQUAD BANQUET GIVEN BY THE BOOSTERS CLUB

On Saturday evening, the 21st, of November, the football squad was entertained at a feed at Shepard Hall by the girls of the Booster's Club. The social room was decorated in purple and white. On the center of the tables was a miniature play figure, garbed in a W.S.T.C. football outfit, in the act of making a forward pass. After the festivities this was acquired by Captain Busch.

The girls, especially the cooks, were happy to hear the fellows remark that they were full up—dessert coming and no room to go. However, after the family silver was unlocked, and forks brought into play—some little quantity of pie was consumed.

Mr. Maxwell and Mr. Habermann were unable to come but their vacant chairs housed their spirits.

The football squad was also entertained by Mr. and Mrs. Habermann at a buffet supper on the 24th, of November. At this time the boys elected next year's captain who is to be Everett Johnson.
SECRETARY'S LEDGER

The Art Club is making a study of commercial design and poster work.

Alice Green, a former member of the club, has returned for work at the college. Miss Green will take the place of Florence Delke, who has left school.

Two majors interests occupy the Art Clubbers' time. Plans are being discussed for the club's all-school party in January. Nicole Heilberg is chairman of arrangements. Six Art Clubbers and one reserve member make up the Art staff of the 1926 Winonan.

Mr. Fredell of Buckbee, Means Company talked to the entire staff of the Annual at their second meeting.

W. A. A. announces that their initiation of members will be held before Christmas. Following the formal signing of the Constitution, there will be an informal stunt initiation.

Plans are also being made for a pre-Christmas party for members.

The Teachers College Board holds its quarterly meeting in St. Paul next Tuesday, when the conditions and needs of each of the colleges will be reported by the presidents.

At their annual session during last Easter recess, the superintendents of the state appointed a special committee to propose if possible a closer relationship between the high schools of the state and teachers colleges. The subject of entrance requirements will come up for special study. The committee consisting of W. O. Lippitt of Fergus Falls, J. P. Vaughan of Chisholm, and L. L. Everly of St. Paul have asked for conference with the presidents of the teachers colleges and have arranged to meet in St. Paul next Tuesday afternoon.

Three auditorium programs will this year usher in the Christmas spirit. The Children of the Phelps School will give a formal and public program on Tuesday morning, in addition to the joyous and more informal exercises to be held on each room. The Christmas cantata, "The Shepherds of Bethlehem," with music by Clifford Demarest and words by Richard Cecil Pond, and with organ accompaniment, will be given by the college choir under the direction of Walter Grimn, and a related program by the Mendelssohn Club will be combined for Tuesday evening, while Christmas cards by the college and the annual Christmas story by Miss Louise Sutherholm, and Orpha Love during Thanksgiving vacation.

A very pleasing recital was presented in chapel on the morning of December 5th, by six of the pupils of Miss Muriel Meyer. The program and pianists are as follows:

Prelude .......................... Bach
Miss Victoria Olund, Cambridge
Etude ................................ Czerny
Miss Geneva Lattin, Blue Earth
Waltz in D flat ........................ Chopin
Miss Dorothy Lindberg, Red Wing
To An Old White Pine .......................... MacDowell
Miss Mary Holbert, Kasson
To a Wild Rose .......................... MacDowell
To a Water Lily .......................... MacDowell
Miss Elizabeth Klemer, Red Wing
Romance ................................ Sebells
Miss Gladys Hegvold, Appleton

McConnell, Mr. Christopher Lindahl and Miss Dawn Wilson of the Department of Education.

Mr. H. W. Austin, Purchasing Commissioner of the Department of Administration and Finance and Mr. F. R. Waddell, Assistant Purchasing Agent, discussed quantity buying for the state teachers colleges, the method of handling coal bills, and the purchase of standardized supplies such as examination paper, etc. Mr. Austin stated that it was not the intention of his department to prohibit local purchasing by the colleges and that whenever warranted his department would authorize such purchases.

On the morning of November 25th, a collection was taken up for the benefit of the Margaret Simpson Home. The sum collected totalled $26.26.

A collection of $57.50 was also taken for the benefit of the Salvation Army, following a talk by Envoy Gauw.

Mr. Meyerding spoke on the tuberculosis problem in the chapel December 2nd.

The Wenonah Players accepted two new members to fill vacancies on Monday evening, December 7th. The successful candidates were Raimond Tust and Michael Bambeneck.

The club is producing the play, "Overtones" which was given for the D. A. R. on Wednesday. The play may be repeated for the college.

The cast for the "Worsted Man" is being chosen by the coach, Julian Nolive. This is a musical play which is to be presented in January.

To maintain a high standard.
To make the best of little.
To think and then act.
To admit error.
To keep on trying.
To avoid mistakes.
To admit error.
To forgive and forget.
To think and then act.
To keep out of the rut.
To make the best of little.
To salvage an unruly temper.
To maintain a high standard.
To shoulder a deserved blame.
To recognize the silver lining.

BOOKSHELF

Most of the student body do not realize that from time to time new books are being added to the library for our specific benefit. We show our appreciation by remaining in complete ignorance of the noteworthy books made available for use by no little expense and trouble. Two of the newest and most interesting are:

"Costuming a Play"—Grimball

"Arrowsmith"—Lewis, Sinclair

In half a dozen chapters the authors take up briefly the basic principles of costuming a play discussing color and its importance; giving advice on the dyeing and decorating of textiles, on lighting and its affects, on materials and on costuming a pageant. Then follow a dozen sections dealing with the typical costumes of certain periods, Egyptian, Assyrian, Greek, Roman, medieval, early, and late Renaissance, seventeenth century, and so on down to the Civil War period. Each of these sections is illustrated by designs showing the distinctive costumes of its period for both sexes in different classes and occupations, while the text explains and advises and is followed by references and suggestions as to plays and characters for which these costumes are suitable. The book is unusually helpful and may be confidently recommended.

SECOND YEAR CLASS IS HOST AT COLLEGE PARTY

On November twenty-first the Second Year Class entertained the entire College at a party marking the close of the 1925 football season. Large banners of the outstanding rivals of the past season were displayed. The place of honor, however, was occupied by our own Purple and White.

Little felt purple "W's," in keeping with the general scheme, were distributed. A most unusual football game was staged by the football men. John Lynch made a very efficient coach, missing the plays of the game only when his line of vision was blocked by the arms or legs of the enthusiast at his side. When at last allowed to enter the game, Ralp Calkins, said enthusiast, made the spectacular touchdown of the evening.

Following the program, Wood's Firestones furnished music for dancing. Punch was served and at eleven o'clock the party broke up, every one voting the entertainment a success.

PERSONNEL OF THE WINONAN STAFF 

CHANGES

The Winonan regrets the retiring of Morillae Walker, Isabelle Quinn, and Claude Clark, three members of its staff. Much of the success of the school paper has been due to the splendid work of Morillae Walker, who has been a most able editor-in-chief. Isabelle Quinn, who has been in charge of features, made the last page of every issue enjoyable. The financial success of the paper, which is of so small importance, has been due to the work of Claude Clark. We wish to thank them for their assistance in this issue and to solicit their cooperation as well as that of the faculty and the rest of the student body for the ensuing term. — The Staff.

BASKETBALL MATERIAL IS BROUGHT INTO LINE
From a lot of new material and six of last year's men; Capt. Rollie Tust, Cully Gerlicher, Korn Lynch, Mike Bambeneck, Irvin Gerecke, and Wee Gee Kalkbrenner; Coach Habermann is attempting to build a winning basketball team. Practice had been in progress for three weeks before the first game.

After preliminary and fundamental practicing two teams, the Blacks and the Whites, were chosen. These teams scrimmaged together and thus the coach was able to get a line on a number of likely basket tossers who are making their debut on the college floor this evening. Among these men are Moen, who has been playing center or guard; Hubert, who began at forward but was switched to the pivot position; McCaffery, star center and forward at Cotter High last year; Kujah, guard; Evan Beynon, standing guard; Jolliff, small and fast forward; Westerland, guard; and Daniels, forward.

The "old men" are back with customary skill; Captain Rollie Tust, fast running guard; Carl Gerecke, the rangy, speedy center; Gerecke, from last year's squad, whose work has shown considerable improvement; Mike Bambeneck, fast forward; Wee Gee Kalkbrenner, center and guard; Korn Lynch who plays guard but can only participate in non-conference games; Hutton, flashy forward; Ev. Johnson, guard. Others who are out for practice are: Smilanich, Wedge, Donath, Talus, Jasche, Kaupa, and Gauger.

WINONA SCORES A 23-12 VICTORY
The Winona cagers showed a smooth and brilliant offensive in its first game of the season by trimming Stout Institute of Menominee to a score of twenty-three to twelve, Friday, December fourth.

Winona scored early in the first period by beautiful team work. After working the ball through the entire Stout defense, Rollie scored the first field goal, thus making the first score. Winona lead at the end of the first half by a score of twelve to two.

The Teachers played a steady, defensive game in the second half keeping the ball in their possession most of the time. As in the first half the Winona team worked as one unit, running eleven points to Stout's six. Stout tried to the Winona team scored from stock up so large a score. In the second half Winona scored a long shot game, to overcome the Eau Claire lead, but to no avail. Rollie lead the scoring for Winona with two field goals and two free throws. With the exception of Beynon at standing guard, the Winona lineup was the same at the end as at the beginning of the game. All that made the trip were put in the game to try to stave off the Eau Claire scoring. Despite the difficulties to be overcome Winona did well.

FOOTBALL TEAM GUESTS AT A. OF C. BANQUET
The members of our champion football team were guests at the banquet of the Association of Commerce Wednesday evening, December 2, 1925, as were the teams of St. Mary's, Winona High School and Cotter High.

Between three hundred and four hundred sport enthusiasts, including several members of our faculty and student body, were assembled in the new Catholic Recreation Center to pay tribute to Winona football.

Earl Wood's orchestra of nine pieces kept the crowd pepped up. Mr. Grimm, of our faculty, led the singing which was snappy and showed the enthusiasm of the people. Each team gave their yells and cheers which helped to make the program thoroughly enjoyable.

Following the dinner and singing, President Rocker of the Association of Commerce said a few words of greeting and turned the meeting over to the "younger folks." Dr. Keller made a very splendid toastmaster.

Tales were given by the coaches and captains of the various local teams. The main speaker of the evening was Coach Spears of the University of Minnesota. In speaking of the value of football he said:

"The big value of football is that it pays the bills for carrying on the athletic and physical education programs in the various colleges and universities. Without football no university could maintain a program of basketball, track, wrestling, boxing, swimming, and other intramural sports.

"By turning the gate receipts into the athletic fund, not only do the eleven men who play football benefit, but every student in the university is provided with some sort of physical recreation by which he can build up and maintain his health. Football receipts thus are for every man in a college or university."

"It might be added that football is a spark which fans the ambition of players and teaches people what it means to be physically fit. It unites people and brings out the characteristics in the players which we, as Americans, admire and like to see developed in young manhood."

In answer to the question whether or not football is commercialized Mr. Spears said:

"Of course it is commercialized in the way we see a thing commercialized, that is, all the money made goes into the athletic fund to help the cause of physical education which we now realize is fully as important as English, History, or any of the school subjects."

Taking it for Granted

Two health enthusiasts were discussing methods when suddenly one of them said: "You still take your morning bath, I suppose?"

"Never miss it, my boy!" cried the other, enthusiastically. "Sometimes I take it hot; sometimes I take it cold; and when I'm in a hurry to get off to business I take it for granted."

FROM THE "CRESCENT"

In Japan a man can buy a wife for fifty cents. Well, a good one is worth it.

"How are you getting along since your wife went away?"

"Fine. I've reached the height of efficiency. I can put on my socks now from either end."

"Papa," said the small son, "what do you mean by college-bred? Is it different from any other kind of bread?"

"My son," said the father, "it's a four-years' loaf."

**SIDELIGHTS ON THE BOOSTER'S BANQUET**

Busch fell in love with a little clay image of Red Grange and after the banquet had broken up the statue had disappeared. (We are not blaming Waltie but we have our suspicions.)

Beynon reported an appeased appetite.

Korn Lynch worked his elbows so rapidly and vigorously that Pa Garlock, his neighbor, could not dispose of his viands until Lynch discontinued his gyrations.

Talus and Tulas were elected as a committee of two to thank the hostesses for the splendid feast. Talus true to his reputation was more than willing to take up the burden and soon had the girls routed out.

Rollie Tust confided to Ray Laughlin that there was no limit to his capacity but did not know that Mary was serving at his table.

Beaton said he always liked banquets because you got quality if not quantity. We wonder what he thought of the quality and QUANTITY.
