All club presidents should list their club's officers and their addresses with Mr. Zane. Mr. Zane is in the basement of the Student Union. Presidents should also contact Wayne McFadden, P.O. Box 1123. Alpha Phi Omega is constructing organizational and memorial post office in the Student Senate president's office in Scovem 106. This should be done as soon as possible.

Miss Wiest cannot be expected to fulfill her Senate duties with any measure of competence if such thievery continues. Let's cooperate to prevent this before it develops.

Wide range of activities open as WEIP begins operation

The Women's Intramural Extramural Program is once again in full operation for the 1967-68 school year. The program is open to all college women and provides opportunities to participate in a wide range of intramural and extramural activities.

If you are interested in fair, friendly, competitive fun and a chance to make new friends, the extensive intramural program welcomes you. If, in addition to enjoyment and social contacts, you want to perfect your sports skills, be sure to join an extramural team. These teams compete with other colleges and universities in our area.

Fall quarter, the intramural activities include swimming, volleyball, and outings and extramurally, swimming and volleyball teams. The intramural volleyball and swimming are planned for Wednesday evenings beginning October 4 at 7:00 p.m. If you did not sign a team roster sheet but would still like to play, contact Nancy Haylock, the volleyball chairman (Conway 209), or Miss Locks at Memorial Hall. The volleyball team will have two home games and two away games. Practice began September 26.

WEIP is entirely under the direction of a student board and
