Sam Beach Won’t Go Anywhere Else

A native of Lewiston, Minnesota, Sam Beach has played basketball ever since she can remember—first in high school, then at Normandale Community College in Bloomington.

At Normandale, Sam suffered an injury to her Anterior Cruciate Ligament (ACL). Corrective surgery was done by Team Physician of the North Stars, James M. Schauffhausen, M.D. Sam then began a physical therapy program in the Twin Cities but was not satisfied.

“I felt like a number, not a person,” says Sam. “There never seemed to be anyone around to see if I was doing the exercises correctly.”

Wanting to continue her education in Winona, Sam’s doctor referred her to Community Memorial Hospital’s Sports Medicine program for her remaining therapy. Sam now receives one-on-one attention from the professionally-trained Physical Therapy staff at CMH—she especially likes her “personal trainer,” Mary Jo Zukowski.

Sam is also continually tested for progress with the help of the advanced rehabilitative equipment, and has access to all of the other top-quality equipment available at CMH.

What does Sam like best about CMH’s Sports Medicine program?

“It’s the people,” she says. “Mary Jo and the other staff really push me to keep going...I won’t go anywhere else.”

CMH’s Sports Medicine program offers:

• Complete aerobic and strength training equipment
• Athletic training services
• A custom-designed personal rehabilitation program
• High school pre-season fitness testing
• Specialized injury prevention, rehabilitation and corrective surgery

Helping You Is The Name Of Our Game.
Letter from the President

Welcome to Winona State University. I am pleased that you have chosen to spend this time with us, enjoying the excitement of intercollegiate football.

While we can’t foresee the outcome of any athletic contest, we can be assured of that special enjoyment that comes from viewing high-spirited competition and cheering for our team. I am confident that Coach Tom Hosier and his capable staff have done all they can to make today’s game entertaining and exciting.

Football is one of the 15 intercollegiate athletic programs sponsored by Winona State University. Each program represents an excellent learning community and offers student athletes opportunities to strive to achieve personal goals and to be a part of a team effort. Athletic programs contribute mightily to the spirit and camaraderie that brings a special vibrancy to our campus.

Athletics have as their foundation the basic principles upon which good education is built. Our sports programs emphasize active and collaborative learning, time on task, the contests offer immediate feedback on performance, and, of course, expectations are high.

The accomplishments of our student athletes are visible both on the field and in the classroom. As President of Winona State, I am pleased that our athletic programs place a high value on the personal development and scholarship of athletes.

Letter from the Athletic Director

On behalf of our men’s athletic program I would like to welcome you to the 1992 Warrior football season. I am enthusiastic about the upcoming football campaign. Because of last year’s successful ending and the return of a number of quality student-athletes and outstanding freshmen, I look for your continued support as one very important ingredient in building this winning program.

In the past Winona State University has enjoyed the loyal support of many alumni and Warrior fans and, with your help, it is my goal to establish a foundation that will help coach Tom Hosier build a championship program. I am confident that we have the ingredients to make a winner at Winona State. We have what I believe is the finest coaching staff in the conference as well as university, administrative and community support, and most importantly, high quality student-athletes. It is my privilege to represent the coaches and student-athletes as athletic director, and I look forward to a very eventful and successful coming season.

Dr. Stephen Juaire
Athletic Director

The Winona Sports Medicine Team

At Winona Sports Medicine our service is based on one concept...teamwork. For athletes, this translates into a cooperative effort between sports medicine physicians, certified athletic trainers, physical therapists, and area physicians. Whether the patient is an adult recreational athlete or a school-age sports participant, our goal is to provide comprehensive care to get you back into action.

It Takes Teamwork

### Notes

Individuals indicated in bold are active players.

*Records are incomplete, so correct totals are not available.

**Art Kern Actually played five years of football for Winona State from 1928-1932. He scored four touchdowns (24 points) in his fifth year, bringing his five-year total to 199. But since four years is now the legal limit, Kern's fifth-year points were not counted in his career total.
