The drill, put on by the newly graduated students, under the leadership of Walter Gitzen, music instructor. And so ended "Freshman Day," which will no doubt be remembered by all who partook of the pleasures it offered.

COLLEGE TUITION WAS RAISED

The increase in college tuition is in the case of students who do not sign the usual pledge to teach for two years in public schools is from ten to twenty dollars per quarter. This does not apply to the pupils of the Phelps School. Chairman Committee, University Relations:

Upon my return, I found your letter of August 5, together with a copy of Mrs. Roonj's reply. It is entirely possible that not only is there so little I can add to her complete statement in the matter of the University of Minnesota, but also that it is so carefully the attitude of the University toward this student. I might add that probably we should ask her to carry a major portion of her work for the first year, and Courses which continued the work which they did at the Teachers College.

TWO-YEAR DIPLOMA AT UNIVERSITY

The Art Club evidenced much quirkiness on their party, since that was the scene of an especially lively annual "Stunt Party," or it might have been the Winona State Teachers College first class. It was very cleverly carried out with the use of a mock airplane upon which was the inscription, "The Winona." West Lodge, which on most occasions is anything but a backward place, gave a very old-fashioned party, and thereby everything backwards, and thereby provoking much laughter.

North Lodge's presentation of a rural school was cleverly given and made interesting by the use of some local coloring. The Dramatic Club's Spanish Dance and Russian Dance received much applause.

The Primary Club took us back to our "rural rhyme" days and we all appreciated the revived childhood memories.

The Music Education Club helped us to forget the warmth of the weather, for a few moments, by anting before us some wondrous songs.

The Art Club's dainty dance was one of the prettiest entertainments of the evening.

The Junior High School Club gave a most interesting and naive interpretation of a scene from Romeo and Juliet.

The Red Wing Club took us back a couple of hundred years with the dance called, "Ten Little Indians."

The Art Club evidenced much of its skill in a very few moments by the drawing of pictures of the freshmen.

The Mason Music Club's song entitled, "The Field of the Lord," was given with much vim and was highly entertaining.

The Mendelsohn Club rounded out the last of the stunts with a presentation of "The Fairy of the School," upon which the school song, "Oh, Winona," was sung.

After the stunt program, dancing was enjoyed and refreshments were served.

We are very grateful to Florence Jernstad for the generous giving of her artistic talents throughout the evening.

HAIL! WINONA

Our Alma Mater is sung equally as much as the College Reunion at all school affairs. If the new students learn it now, the College will make twice as big a showing at games, etc. It is sung to the air of "The Sackbutts' March in Mississippi waters."

Chorus:

Blue sky and the eternal sky,
In our hearts, O Alma Mater,
When the sun sets in the west.

Chorus:

Chorus:

JOIN THE SCOUTS!

A wide, deep, swim in a sparkling pool.

A place where dead leaves were made,

Pointed out to Mildred Tool,

But they guards but no::

Then could be seen no more.

A scout went bravely to the test,

Then could be seen no more.
