Ten New Members Taken

On Monday evening November 21, the Wenonah players held their selection of new members at six-forty five. The members of the club voted for each candidate by writing their names on slips of paper which they then voted at the door. Twenty-six were chosen to fill the quota which was set. The members were to be chosen to fill the quota were:

Justine Vessel and Edwin Pumala from Hibbing, Armfield and E. S. White from St. Louis, Minn., and Bob Glaeser from Kansas City, Mo.

At present the Players do not have a tried and true team but Dorothy Krans is directing a one act play, The Sham, which is to be presented at Monday evening. The cast is Stanley Shillingburg, Mildred Zeller, and Edwin Purcell. Besides this there are two of the Players, Dorothy Krans and John Hanna who have parts in Miss Luisa Pett which is to be given to-morrow evening at the Wenonah auditorium. The author of the play, the sponsor of the Players, has the lead in Miss Luisa Pett.

RANGE CLUB ENTERTAINS HIBBING TEAM

Hibbing Mayor Present

If one had chosen to walk by the Wenonah the last Friday evening, November the eleventh, he would have caught a glimpse of a glint in the eye of the spirit. At that time the Hibbing Junior College band was being entertained by the Range Club.

The program was presented, the program was introduced as follows:

Welcome: Paul Eastkovsky, Vocal Solo... Mildred Rathman Reading... Florence Milaney Vocal Solo... Lillian Toivall Range Yell... Helme Kahlke

It was a very pleasing program. The club students were eager to hear the music and to see the line-up of the band. The music was enjoyable and the band made a very good showing.

MISS MALLERY INJURED WHILE AT CONVENTION

During her attendance at the M.E.A. Convention Miss Mallery was thrown from a taxi in the street and injured. While driving to the Pennsylvania Hotel, where the M.E.A. Convention was held, Miss Mallery suffered severely while in the taxi and was unable to avoid colliding with another taxi. The taxi in which Miss Mallery was riding was thrown from its track and Miss Mallery suffered bruising, among them being an injury to her left arm and also her left leg. In speaking with the doctor and claim agent she remarked that it would have cost them five times as much as it had been her Palmer method arm that was hurt.
Below is a portion of a letter received from Eleanor Donath, "25 years of service to the Winonan. Miss Golls is punctilious in English and is looking forward to her immediate retirement. Dorchaback associated school two years ago."

By accident and later by the kind permission of the great museum, the author enlisted in a class under Dr. Charles Hubbard in the college and found that she could reach the skiers north and south along my spinal "cylindrical." And of all the birds that can be heard, the most magnificent is the one that makes that place in my workshop. I insist on stating it as if it were unqualified. Only superlatives will satisfy this particular enthusiasm and if, you've found a greater one, please don't try to tell me of it. I wouldn't listen. All we worship at his shrine is, that teaching was not especially rewarding. We wish that we might have all the "weeps" reading the list.

Last week's two day vacation coming just before the week-end brought many of the old "grades." Unconditionally. By 9:00 o'clock P.M. Bugs will be the only Freshman to go out teaching during the winter term. She will go to the "prize." When she was a first-year student, bugs appeared in print. Each article is written by a reporter, come out just twice as fast. It is hard to get a workable schedule for the help of an instructor.

The object of the investigation is to make the present point system and make the study requirement as preparation for such a subject. Does one have to assign the day I was glad to find him in such a good position. He was not a big surprise to find Evelyn Seming in Mankato, Minnesota. "Evie" was one of the first students I taught during my first year. I saw her teaching an inter-esting report in Chapel, Monday morning. Mildred Fauch was at Morrilton, Airline, and says that she knows a little about that when the session. Possibly in any such case this is the first time the "extra special" of the eats will be increased because of individual or group participation. It is not the intention that all of the classmates shall be imported from a beginning foreign language where reviews and tests would be given. In any other case the students will first be approved by vote of the faculty.

It is intended that the plan as here outlined shall fully justify a four-quarter credit for all courses pursued, the preparation in the case of the average student for the first four formal weekly class periods to require approximately one hundred minutes, that is, twice the time given the class exercise itself. To give more than four quarter-hours of credit in a course under the present arrange-ment or under any other closely similar one would violate the standards under which the college operates.

The Council suggests that students hand in questions if they wish further helpful comment on this information or in another field. At the same meeting, the committee approved a report. This new system is ready to be printed in the guidebook. Additionally, I have the privilege to determine the relative number of hours per week for students taking part in extra-curricular activities according to the time they spend in pursuing each activity. The committee was composed of Miss Richards, Eleanor Reitman, and Mary Hanna.

BASKETBALL PRACTICE STARTED ON NOV. 16

Six Veterans Back From Last Year

On Wednesday, November sixteenth, the initial basketball prac-
tice of the season was held in the gymnasium. Thirty-two men
were Coach Galligan's call.

The conference schedule is not
yet complete but two games have
been booked with the Y.M.C.A.
and one with the University of
Rochester Normal. The conference schedule does not begin until after
Christmas vacation.

Among the last years men who
reported are Henry, Capt., Knowl-
ton, guard; Everest, Johnson, for-
tward; Frisby, guard; Helling, for-
tward; and Rask, forward.

Other promising material in-
cludes Juemin, Kramer, Matti-
sen, Hill, Nissen, Danziger, 
Franks, Rowell, McGrath, Jackson, 
Hanna, Karow, Pollard, Roy, 
Laschlin, and Evans.

All indications point to a most
successful season.

W.A.A. DISCUSSIONS ARCHERY

The W.A.A. held its regular meeting on Wednesday evening, 
November sixteenth, in the library in the high school's 
gymnasium.

The subject of giving points for
archery was discussed. It was
decided that if classes are held in
the spring, points will be given.

Basketball classes will meet at
the beginning of next term. Mr. Mattesen was appointed leader.

Miss Talbot had an interesting talk on modern fakes and fancies
in fashion.

Mistress — Are you fond of gold
fish, canaries, and dogs?

Appraiser for hired men — Well,
you have it made here.

Beatrice Engstrom — The boys
are looking forward to them.

Mr. and Mrs. — I'm trying to go to
sleep.

THE WINONAN

HIBBING-WINONA GAME ENDS IN A SCORELESS TIE

The game between Winona College and Hibbing Ju-
venile College Armistice day ended in a scoreless tie. The
Winona team was expected to fall before the onslaught of the famous Hibi-
ningites but they steadfastly held their ground on many occa-
sions they outplayed them.

The punting of "Finley" hurt the
Winona team out of many finish situations. Hundreds of
playmakers and cheerleaders claimed the game for T.
Their bravery was warranted be-
cause the Hibbingites had a splendid
game which was worth going a
long way to see.

The up was as follows:

Winona 0 Hibbing 0

Fumula R. E. Cameron
Klehus T. T. McGraw
Olyan R. G. Schmidt
Klebusch L. G. Johnson
Maier R. H. Sherman
Peet R. E. Pietsch

Substitutions:

Gagne for Maier; Hibbing—
Volkovch for Pogo
Wolff for Spectrum for Ros-
en; Johnson for Sword.

Officials—Smith (Minnesota)
Kaiser (Hamline); sup-
inspector; Lawyer (Minneapolis); head

BAND ORGANIZATION PROVES SUCCESSFUL

W.S.C. is fortunate in having
something more than the voices of
the students to go by when it comes
to adding pep and spirit to a game.

We have the Band! This or-
ganization was started last year by its
present director, Mr. Walter
Oliver. The first appearance of
the band this year was enjoyed by everyone who saw and heard it.

The members were dressed in uni-
form: the boys in white trousers and dark coats, the girls in white
skirts and dark coats. They were
led by Holmen, head band leader.

M. Clarblen, Conney.

The membership has increased
this year and it is expected that this
new and promising organization
will continue to grow in the coming
years.

A Fairy Tale

"Will you marry me?" he asked.
"No," she replied.

And they lived happily ever after.

You do love me, don't you?" he said, looking into her beautiful face.
A loving look was in her eyes as she turned her head on his
shoulder.

He slipped his hand into his
pocket and drew out a little box.
Opening it, he withdrew a spark-
ling cube of sugar. He slipped it
into her waiting mouth and with a
whisk, she gulped it off to the pas-
to. "Papa, can I have a banana?"

"Yes, if you won't sing about it."

Mother (singing)—"Rock a by
baby on the tree top, Baby—don't say you'll make me quiet.
I'm trying to go to sleep."

"Was she frightened?"

"Yes, I told the color left her face."

And then there are the kind that
laugh at a guy's jokes 'cause they
have pretty teeth.

We heard of a girl who broke
an engagement with a certain book
boy because he couldn't keep his
toe holes in his dress.

FOOTBALL BANQUET GIVEN IN CERN NOV. 19

Die-No-Mo Sponsors; Banquet a Success

The annual football banquet sponsored by the Die-No-Mo Club was held
November nineteenth at the
Cavern.

It has been the custom of the
Die-No-Mo Club, for the last two
years to give the football squad a
banquet at the close of the season.
Ler ons are not awarded at this
time but are given out later in the
season. Up until this year the ban-
quet has been held at Shepard
Hall, but this year the Die-No-Mo
chose to hold it at the Cavern.

The banquet was opened by
Mr. Maxwell, Mr. Galli-
gan and Captain Cooper with Leon-
ard Reishus acting as toastmaster.
Coach L. F. Bowe of Winona High
School gave the main address of
the evening.

Past Nissens and Helen Reishus
entertained the guests with their
jokes and songs, making the
banquet one of fun and laughter.

The guests present were Mr. and
Mrs. G. E. Maxwell, and Mr. and
Mrs. Leonard Reishus. Mrs. L. F.
Bowe and Wallace Morgan.

Voxa — I refuse to take part in
that play unless you change the
music. "Miss Watts — Why?"

Voxa — It requires that I be
stable in the prologue and I prefer
to be stable somewhere else.

Minnie Minneapolis WELCOMES M. E. A. CONVENTION Faculty Members Take Part in Program

The annual convention of the Minnesota Education Association was held at Minneapolis for the first time in several years because this year marked the opening of the new high school. Minneapolis now has some 15,000 people. This convention consisted of three kinds of meetings: there are the meetings of the assembly, this group consisted of about 80 delegates, elected by the nine divisions. This is the legislative body of the association and determines the policies, reviews the work of the members of the board of directors, and treasurer, and gives no less than six hours of rather intense labor to its work. The second form of meeting is the so-called general session, which meets four times and brings together the entire body of teachers. The third form of meeting is the section programs of which there were at least five or sixty, where teachers meet for special purposes, such as the biology, the home economics, the arts, and the social sciences, section, classroom teaching section, and mathematics section.

Supplementing the formal sessions are the social ones: the main form of meeting was of course the banquet, and the state dinner at the Dayton Tea Rooms was the largest. Speakers of national reputation, and wonderful music were offered at the programs. There were the section programs of which there were at least five or sixty, and the general sessions, in which the teachers met for special purposes, such as the biology, the home economics, the arts, and the social sciences. The banquet was the most festive, and the state dinner at the Dayton Tea Rooms was the largest. The dinner consisted of a splendid job of it. I happened to see some of the food, and I was very impressed with the quality and quantity of the dishes served.

The convention also had a number of exhibits set up in the hotel and in other public buildings. These included exhibits of educational equipment, such as new teaching machines, and new teaching methods. The exhibits were open to the public, and many people visited them, including students, teachers, and parents. The exhibits were very interesting, and I learned a lot about the latest developments in education. I was particularly interested in the exhibits of new teaching methods, such as the use of videos and computer programs. These methods are very effective, and I think they will be very popular in the future. Overall, the convention was a great success, and I was very impressed with the quality of the programs and exhibits. I would highly recommend it to anyone interested in education.
