Wenonah Players will present 'The Private Ear,' 'Public Eye'

The Wenonah Players will present 'The Private Ear' as part of the Private Ear and 'The Public Eye' by Peter Shaffer on February 18 and 19 in Sosen Auditorium.

The two plays, offered together, constituted the author's second two-play run with help from New York and London. Howard Taubman, drama critic of the New York Times, said: "The Public Eye' is a specimen of an art that has become so rare that it ought to be kept under glass. It is high comedy that is not only comic but gap, sophisticated and wise. It soars and sings with the enchantment of a happy, unfettered bird."

Norman Nodel, drama critic for the New York World-Telegram and Sun, called the plays "a theatrical delight you must discover for yourself."

The playwright, Peter Shaffer, is considered one of a group of successful new British writers who have emerged in the last six years. He was born in Lon- don in 1935, took a degree at Cambridge and started writing plays almost immediately. His first major West End suc-
tess was "The Five Finger Ex-
ercise," followed by "The Royal Hunt of the Sun." Shaffer's work has all the classic qualities of the traditional dramatic—strong construction, well plotted story, realistic characterization, and a n extremely fluent dialogue.

Critic John Rusell Taylor says: "If ever there was a dramatist whose works were meant for the stage, it is he." The production is now in rehearsal and the de-
tails of cast and staff will be an-
nounced at a later date. All per-
formers will be open to the public.

MINI-EDITORIAL:
A mistake is a sign that someone is trying to do something. L. Kneig.
Last week's editorial was Steve Johnson's resignation as editor of the WINONAN. He was droppped....

Approximately three-fifths of one per cent (0.6%) of the student body worked on this newspaper.

The present editors are a biology major and a sociology major. There are over 140 English majors at WSC. Less than one and half per cent (2.0% of two) are on the staff here.

A chemistry major serves as business manager. This position requires numerous contacts with Winona businesses—potentially valuable contacts—undoubtedly valuable experience. There are about 300 business administration majors at State. None of them work for the WINONAN.

The physical education department is big business. Yet we cannot obtain a sports editor and/or sports writers. Thesisedly, we will continue to run reprints from the Daily News until we do.

We need a copy editor. We need a circulation manager. We need more reporters—preferably one from each organization—for we cannot possibly cover all events. We are students also. You know.

Certainly you need our criticisms. But right now criticism is not as beneficial as assistance.

We need letters to the Editor—to know what you are thinking about. We need Letters to the Editor—to know what you are thinking about. We need faculty contributions. (Radical idea, what?) The Keen Edge is open to guest authors for this purpose. But frankly, we don't expect to be inundated. Prove us wrong.

We need you to read us. As the college grows, its student newspaper becomes a vital means of communication. If we remain something to wrap fish in, each of you shares part of the blame.

Student Senate elections will take place Friday, March 8. At this time there will be three elections open, including president, vice-president, secretary, treasurer, housing, academic, social, public relations, homecoming, and four senators-at-large.

The deadline for filing is 5 p.m., February 25. Anyone seeking an office should contact Jim Brede at 776 Gilmore Avenue, or in the Student Senate office, room 108, Roman. The application should include name, address, and the position sought. A march will be held for all of the candidates February 26 in 4 p.m. and all campaign materials must be removed by 4 p.m. March 7.

National Student Association or N.S.A. has an important topic of discussion at the last general meeting of the sixth and thirteenth of February. On February sixth a representative from N.S.A. spoke to the Senate. The organization, for student governments, is a large influence in Washington, D.C. According to the representatives they have information on every
die at 776 Gilmore Avenue, or in the Student Senate office, room 108, Roman. The application should include name, address, and the position sought. A march will be held for all of the candidates February 26 in 4 p.m. and all campaign materials must be removed by 4 p.m. March 7.

**Sweetheart Tree adorns dance**

by Linda Krogh

The announcement of WSC's 1968 Campus Cover Girl, Cindy Jones, highlighted "The Sweetheart Tree," this year's Valentine's Dance Claudia Bishop, last year's Cover Girl, presented Cindy with roses at the Delta Zeta-sponsored dance at Krysko Commons last Friday night.

Although the dance was publicized to start at 9:00, not until 9:30 did several couples leave their tables and chairs and gracefully glide to the dance floor. However, these people probably had the right idea staying at their tables, for they were decorated with Sweetheart Trees with heart-shaped gumdrop blossoms, decorated with Sweetheart Trees, adorns dance.

Within a short time after the first couple left their seats, approximately 200 students and guests and several faculty members crowded the dance floor. Many of those in attendance found it hard to dance to the music of the Dave Hayor Combo, although most agreed that the WSC Jazz Band was rather good.

By the time our Cover Girl was announced, about halfway through the evening, several decors, taken down, cookies and candy had become scarce, and the punchline was long and slow-moving.

Large hearts were suspended from the ceiling and cupids adorned the Cover Girl's throne. Cupids also hung from the branches of the Sweetheart Tree, a large branch now to be held, almost all present had a good time.

**Over 200 attend**

CYNTHIA JONES of Fort Worth, Texas, is seated on her throne as the new WSC Campus Cover Girl. Cindy was presented Friday evening at the Valentine Dance. As elementary major, Cindy is a member of the Collegiate Club, the orchestra, Warrior-ettes, and is a resident assistant in Hi-Rise. Cindy's escort is Mike Savoy, Washington, D.C., of Rochester Junior College.

**Hull, Van de Water offer music program**

A program of Country and Western music was presented by Henry Hull and Art Van de Water in the lounge of the Commons last Monday night. In his introductory remarks, Professors Hull defined country and western music as the "music of humanity.

Among the selections presented were "Beautiful, Beautiful Brown Eyes," and "Buffalo Gal Want You Out Tonight.

The audience joined Mr. Van De Water in singing the refrain to "Goodnight, Irene, Goodnight," and "Worried Man.

About 60 people attended the program. At the finish, Mr. Hull announced that the next program will be held on February 28.
Competition strong in Greek bowling league

by Tom Levers

Winona State College’s Greek bowling league has come to the eleven-week mid-point in competition and is now in its second year of Hall-Red Lanes, comprised of 66 bowlers in eleven teams.

With two teams tied for first and fourth places and four teams tied for fifth place the competition is really strong.

Phil Xi boosts the league’s number one bowler in Bill Pogosian with a 171 average game with an eleven pin handicap.

The standings after eleven weeks are as follows:

St. Cloud carefully set up each of its shots. The Warriors didn’t even get a game of it until only 6:14 remained in the game. Then, trailing 24-10, Winona suddenly broke loose and with four minutes to play. Af-

MORNING AT SEVEN...AND THERE'S NOTHING YOU CAN DO ABOUT IT

Any man who says the best time of day is either a liar or a moron lack.

There is only one way to make morning enjoyable:

slow diet. Palling that, the very best you can do is to make morning flavorful. This is your report, is possible if you will follow these simple rules:

1. Sleep properly.

By shoveling property I mean shoveling quietly. Do not use a blade that whines and抱怨s. Morning being a time of clanger and anger, use a blade that neither clings nor singes. Use a blade that makes no squeal on your jaw, no squeak on your jaw, no nip on your lip, no weapon while it's loose. Use, in short, Personna Stainless Steel Bowls.

I have been shaving for 17 years (October 1929) until one considers that I am 49 years old and I am here to tell you that the quietest blade I know to Personna. I not only shave with Personna, but I also admire it. Old virtue remains in Personna; old values are reborn. Per-
