Winona State Teachers' College
PHelps School Children, College Students, Help to Celebrate Anniversary

Following the regular chapel exercises Monday, April 8, a special program was held marking the 50th anniversary since President G. E. Maxwell's appointment as president of the college.

The entire student body, faculty, members of the Phelps school, alumni and friends all joined in paying tribute to President Maxwell.

The band, under the direction of Mr. Grimm played while the children left Phelps school marched in, and later again as they marched out.

Speakers representing the Teachers College, Board of Education, alumni, T. C. students, faculty, scholars of the Phelps school were respectively: Resident Director, Miss Charlotte McPeek; Mrs. J. R. McConnon, Ray Loughlin, Miss Theda Gildemeister, and Lawrence Shepard.

The program was chosen to represent the Phelps school because of the fact that his granddaughter, Erwin Shepard, held this position for 23 years the position now occupied by Mr. R. J. Scarborough who had charge of the program, assisting the principal of the college, and it was a complete surprise to President and Mrs. Maxwell and to all the students.

The program was in the form of a social room, where friends and patrons of the Phelps school were entertained.

The principle of the scholarship presented was as follows:

"Theawards are in the form of a three-year scholarship to the distinguished student in the college, who, in the opinion of the judges, is best suited to represent the Phelps school in the United States to receive a scholarship in the United States to receive a scholarship.

The contestants are: Miss Mary Miller, Miss Irene Nelson, Miss Yvonne Clark, and Miss Evelyn Thompson.

The purpose of the scholarship is to assist the winner of the scholarship in her studies at the college, to give her the opportunity to represent the Phelps school in the United States, and to provide her with the means to support herself during her college career.

"The contestants will receive a free trip to Europe, and a free trip to the United States.

The college follows a monthly schedule of events, and the winners of the scholarship will be announced at the end of each month.

"The scholarships are awarded to the three highest-scoring students of the college, who have demonstrated exceptional academic achievement and leadership potential.

"The scholarships are administered by the honor society of the college, and are awarded on the recommendation of the academic and honors societies.

"The scholarships are open to students of any class standing, and are awarded without regard to race, gender, or socioeconomic status.

"The scholarships are funded by endowments and gifts to the college, and are administered by the college's scholarship fund.

"The scholarships are renewable for a total of five years, and are subject to renewal based on academic performance and community service.

"The scholarships are awarded based on a competitive and merit-based selection process, and are administered by the college's scholarship committee.

"The scholarships are named in honor of President G. E. Maxwell, and are awarded to students who demonstrate exceptional academic achievement and leadership potential.

THE WONDERS OF NATURE

After all, you know, a place is what you make it. Isn’t it usually one’s attitude toward a thing that makes it pleasant or unpleasant? This spring weather gives us an appreciation understanding of Winona’s scenic offerings. In fact, the spot down by the lake with the blue-green swirling white-capped waves with a gorgeous back-drop of purple hills is one of the prettiest spots we have ever seen. We like nature’s moods on the water—sometimes angry and dashing; sometimes softly lapping against the shore. But for pure soul-lifting we suggest that you get up early, early some morning and walk up Birch Trail to the top of some of the magnificent hills, for we know that as you stand there and look out over a vast stretch of budding trees tops to the lovely blue water, the quiet city, and the hills in the distance, all made magically bright by the first soft dew-covered grasses of the sun, you will think beautiful deep thoughts and have that peculiarly expressive quality. The modernist is fundamentally concerned with aesthetic problems, and willingly lets surface values go by.

THE MEN BEHIND THE GUNS

When the gold basket-balls and letters were awarded to the State Cham-pionship, reference was made to the men of the second team, who have been mentioned, go to extremes. When we have these movements, with sufficient modification, our art will be something to be feared and respected. The world needs the social critic to appeal for art, thus public criticism now matters little. The painter’s joy lies in the rapture of creation and in the knowledge that he is carrying forward the banner of a high ideal.

SPORTS

Everyone at Teachers College welcomes the coming of Spring. Winter sports are all right, but we all seem to enjoy getting out in the fresh air again.

ELEVEN NEW MEMBERS ADDED TO DIE-NO-MO

Eleven new members were voted into the Die-No-Mo Club at the beginning of the spring quarter. The new members include Janet Rowheder, A. Virginia Anderson and Ardath Lovell.

EXTRA SPECIAL

A big all-men’s spartan party was held last Sunday after-noon at the Die-No-Mo Club. The officers of the club’s most promi-nent group, namely, Mr. Kaump and Mr. Grebien, were the only students who were able to participate, although many attended, among whom was the famous “gosser” and the boy who “won” the Y. W. C. A. Club. According to Mr. Grebien, the lack of quantity, if any, was made up for by the delightful quality of the affair.

TRELAWNY OF THE WELLS’, NEW CLASS PLAY

"Trelawny of the Wells”, a play the 1900’s, has been chosen by the new members of the American class play. Under the direction of Miss Eger of Caneshoro as Trelawny, and Mr. Kaump as Miss Eger of Caneshoro as Trelawny, and Mr. Kaump as "Trelawny of the Wells”, the play has been set for June. The date for the presentation of the play will begin on June 6, and the entire cast has been chosen.

In the upper-classmen cop Interclass honors, playing a tilted squad of freshmen who had played the past fall before the upper-classmen; manage to beat them 24 to 15. As in the game got under way it appeared that the upper-classmen would win, although they never did run away from the "Freshmen."

"Greenies." The "Frosh" held Benham close at the heels of the winners until the second when they became too strong for the "Freshmen."

This match was just opposite of the general games which were won by Lovelace's and Hershey's 45 to 22. The other game it was the faculty who blew the ball and the "Freshmen."

It was a small but fast Freshmen team that beat the over-confident Sophomore squad 28 to 16. The Sophomores went in expecting to win but the "Freshmen" was just a dumper on that. Never once during the game were the Sophomores on the long end of the game. The Sophomore squad shows the expected superiority.

They have fallen. The Faculty volleyball team has finished number one in the state. The Faculty was 45 to 27. This is the first time that the Faculty has been scored on the Faculty.

President Maxwell honored at Chapel. (Continued from page 1, column 5) Viola Zeller is equally well known. She is a member of the college band and orchestra. She is also Women's Athletic Association.
