DEATH BEFORE GRADUATION

Car Carrying 10 Teen-agers From Picnic in Head-on Crash

PARK RAPIDS, Minn. (U)—A carefree picnic of Nevis High School students ended with a tragic head-on auto crash Thursday that left two dead and 12 injured, 10 of them reported in critical condition.

The collision came only a few hours before commencement exercises at Nevis.

A station wagon carrying 10 students was returning from the picnic at Itasca Park.

A second car carried Charles Renollet, 22, South St. Paul, his father, sister, wife and 4-month-old son. He was on vacation from his job at a meat packing plant.

The two vehicles smashed head-on in the center of Highway 34 about five miles east of Park Rapids.

Louis W. Renollet, 52, Grand Rapids, the father, was dead on arrival at St. Joseph's Hospital here. Shortly after, Arlene Shaw, 16, a Nevis sophomore, died in her home.

In ambulances and private cars the injured were rushed to the hospital after their broken bodies

had been separated from the tangled wreckage.

Floyd Petrocke, a highway patrolman, said it was one of the worst wrecks he had ever seen. The cars crashed—and stayed right where they were, a mass of smashed steel, glass—and humans, he reported.

Students hospitalized were Thomas Wade, 15, driver of the station wagon which was owned by his father; Howard Case, 15; Clayton Smith Jr., 15; Beverly Davis, 14; Eugene Saurbaum, 17; Constance Lindow, 15; Virgil Hamblin, 19; Bernard Bader, 17, and Carol Dawson, 14.

In addition to the younger Renollet, those hospitalized from his car were his wife, Mary; and his sister, Mrs. Arlene Walker, Calumet, Minn. The Renollets' son, Paul, escaped injury.

Case was released from the hospital after several hours treatment and observation. Of the others, all but Miss Dawson and Mrs. Walker were reported in critical condition.

Soon after word of the accident spread to Nevis, 12 miles northeast of here, several carloads of volun-

teer blood donors showed up at the hospital, attendants reported.

Instead of the usual gaiety, commencement exercises at Nevis were marked by somber tones.

"The whole town is shocked, this is a solemn place," said Floyd R. Buck, superintendent of schools. Several of those injured had been slated to take part in the program.

"I just don't feel like singing to-night," said soloist Dennis Hanson, asking for cancellation of his appearance. The audience did sing "America" but there was no other music.

The glee club had been scheduled to appear. But some of the girls in the hospital were members and Buck said the others didn't want to sing.

There were only a prayer and benediction, with the valedictory and salutatory sandwiched in between. Nevis has a population of 400.

The two deaths carried the state traffic toll to 187 compared with 236 a year ago. The fatalities gained by six in less than 18 hours Thursday, including three killed at St. Vincent and a pedestrian killed at Verndale.

Makers of Salk Vaccine Agree To New Checks

Safety Standards Best Science Can Now Provide

WASHINGTON (U)—U.S. Surgeon General Leonard A. Scheele announced today that all Salk polio vaccine manufacturers have agreed to put into effect at once revised safety standards. He said these standards "represent the best that science can give us."

Scheele's statement confirmed word given out earlier by representatives of the six participating pharmaceutical firms as they left a meeting with Public Health Service scientists.

Acceptance by the drug makers of the new government standards for making and testing the vaccine cleared the way for the manufacture of new supplies.

The surgeon general, in announcing the new standards, also indicated reclearance was on the way for vaccine supplies made by Pitman-Moore, Zionsville, Ind., and Wyeth, Inc., Marietta, Pa. Those plants were visited sometime ago by Public Health Service teams, but no formal clearance followed as government officials paused for another look at the vaccine situation.

Scheele said his new advisory committee had told him that in its opinion "there is no question about the ability of these two manufacturers to produce an excellent vaccine."

He said the advisers had made "substantial progress" in reviewing data on lots of vaccine now under reappraisal and that they hoped to be able to make recommendations on their release "within the next few days."

Scheele also disclosed that the Cutter Laboratories, of Berkeley, Calif., was coming back under the program on an active basis into the revised standards. Cutter vaccine has been kept out of use for the past month because a number of youngsters who had been injected with it later developed polio.

Scheele—stating the new testing would "make a good vaccine better"—said:

"I am very gratified that the companies have unanimously agreed that it is possible for them to adopt the revised standards with the minimum slowdown in the production of the vaccine that is consistent with the added safety inherent in the new standards."

3 Youths Assault Girl, Get Beaten Up

CORREGGIO, Italy (U)—Police asked a tall, shapely girl identified as "Anna F." if she wanted to file charges against three youths who tried to assault her.

"No," she replied, "I think they've had enough."

Anna knocked one of the would-be attackers down, broke two of his teeth, cut his lip and bruised his shoulder.

The other two fled before Anna could get around to them.

Eden Assured of Smashing Victory

Officers Hunting Bullet-Riddled Car In Mill City Theft

MINNEAPOLIS (U)—Officers today hunted a bullet-riddled car as the main clue in the \$650 robbery of a suburban produce dealer Thursday night.

Albert Schmidt was counting up the day's receipts shortly before 10 p.m. when the bandit entered. Pointing a pistol at Schmidt, the intruder said, "I'll take that money."

As the bandit fled, Schmidt fired several shots at the getaway car from a pistol he had concealed at his store, near Flying Cloud Airport on U.S. 169, midway between Edina and Shakopee.

Schmidt, considered a good shot, said he believed he hit the machine, described as a new Studebaker, several times.

35% Speedup Ordered in Big B52 Jets

WASHINGTON (U)—A 35 per cent speedup in the production rate of B52 jet bombers brought praise today from Democratic senators wary of Russia's growing air power.

"I'm gratified," said Sen. Symington (D-Mo.), who added in an interview that "the Pentagon has changed a lot of its estimates and positions."

"I heartily approve," said Sen. Stennis (D-Miss.). He said he favored boosting the output of the long-range bombers "by an even larger percentage."

Secretary of the Air Force Talbott announced the production speedup late yesterday, a short time after giving secret testimony before the Senate Armed Services Committee.

This acceleration will permit the Air Force to complete the replacement of B36s in its heavy bombardment and strategic reconnaissance wings well ahead of the present schedule," he said.

He said the faster production rate was decided on "several days ago" and will affect Boeing Airplane Co. plants at both Seattle and Wichita, Kan.

Present production figures are secret, but the program is understood to call for about 500 of the eight-jet bombers to replace the B36, an intercontinental bomber powered with six piston engines and four jets.

Prime Minister Sir Anthony Eden and his wife acknowledge the cheers of Londoners outside their 10 Downing St. residence today after Eden's Conservative Party officially won the British election. (UP Telephoto)

Tornado Death Toll Now 115

UDALL, Kan. (U)—Disaster relief workers moved swiftly today to bring aid and comfort to survivors of a series of tornadoes that killed at least 115 persons in a four-state area. The dead include 15 airmen who were killed when their plane crashed during a storm in Texas.

President Eisenhower authorized use of such federal funds "as are necessary" for relief in Kansas. The chief executive's action in effect gave the civilian defense administration a blank check to cover disaster relief.

The Red Cross set up an area disaster headquarters at Arkansas City, Kan., and sent teams into both Oklahoma and Kansas tornado areas. It's problem will be to care for human needs while CD takes over restoration of government services such as schools, streets, sewers, bridges and other facilities.

This little south central Kansas community was the focal point of the relief work. Here 74 persons died and more than 200 were injured. The remainder of the 500 residents evacuated the ruined town Thursday because not a single building suitable for occupancy remained. Five other persons were killed in the nearby town of Oxford but property damage there was not severe.

Blackwell, Okla., was the second-worst hit community. There a 36-block residential and factory area was leveled with 18 dead and more than 500 injured. The Red Cross was moving to help the victims.

Capt./Roy L. Barkhau, 51, skipper and owner of the craft, said he saw the storm coming and began to turn for land.

"As I turned the barge, the towboat keeled over and began shipping water," he said. "I saw she was failing to right herself and there was no chance to straighten out."

He sounded the emergency whistle, then leaped aboard the barge. Capt. Barkhau said there was no panic among the children.

George C. Schreiber, 27, of Brookfield, Ill., who was found guilty by a court-martial in 1953 of ordering the fatal shooting of a Korean prowler near Pusan in 1952, was greeted at the Chicago airport today by his parents after his release from U. S. disciplinary barracks in California. The former lieutenant was freed after serving 20 months of his sentence. His original sentence was life but was later reduced to five years. Finally Air Force Sec. Talbott commuted the sentence to the time already served after thousands of home folks signed petitions of protest. (UP Telephoto)

Austin Dance Hall Wins in Supreme Court

ST. PAUL (U)—The Minnesota Supreme Court today threw out two verdicts totaling \$18,250 against the Prom, Inc., which operates the Terp Ballroom in Austin.

The ballroom was joined with other defendants in two damage suits because it allegedly caused a minor youth to become intoxicated from drinking three to five bottles of beer shortly before an auto accident.

The verdicts also were against Gerald D. Groe, Northwood, Iowa, driver of the car, and his mother, Pearl Groe, its owner.

The verdicts were in favor of Roy W. Beck, Austin, as trustee for the estate of his wife, who was killed in the accident, and on his own behalf for personal injuries received. The jury brought in a \$10,000 award for death of Beck's wife, Ardel, and \$8,250 for Beck's injuries.

The Groes did not appeal, so the verdicts still stand against them.

Gerald, nearly 21 on May 2, 1953 when the accident happened, was accompanied by a friend, Clifford Abbey. They picked up two girls at Lyle and went to the Terp Ballroom.

Between the time of their arrival at 9:30 p.m. and their departure three hours later, Gerald and Abbey each consumed from three to five bottles of beer, testimony showed.

Beck claimed that sale of the beer to Gerald on the premises of the dance hall caused him to become drunk and that his reckless and careless driving brought the accident.

Associate Justice Martin A. Nelson said the unanimous decision that sale of the beer to Gerald, although he was a minor and the beer was sold illegally, nevertheless did not constitute an illegal sale of "intoxicating liquor." Justice Martin cited that the beer was 3.2 per cent by alcoholic content, defined by the Legislature as non-intoxicating.

The court reversed Judge A. C. Richardson of Austin, with instructions to enter judgments in favor of the Prom notwithstanding the jury verdict.

Makeup Man Calls It Love at First Sight

HOLLYWOOD (U)—It was love at first sight, according to makeup man Frank Westmore, who will be wed June 25 to a girl he met last Friday.

Johnnie Anders, Rector, a Phoenix, Ariz., girl, visited the set of "The Ten Commandments," where Westmore works. Someone introduced them.

WEATHER

FEDERAL FORECAST

Winona and Vicinity — Cloudy and windy with occasional showers tonight, cloudy Saturday with local showers in forenoon, diminishing winds in afternoon. Low tonight 52, high Saturday 64.

LOCAL WEATHER

Official observations for the 24 hours ending at 12 m. today: Maximum, 67; minimum, 51; noon, 61; precipitation, 1.63; sun sets tonight at 7:38; sun rises tomorrow at 4:30.

AIRPORT WEATHER

Max. temp. 66 at noon today. Min. 51 at noon Thursday. Noon readings—Temp. 66, skies overcast, visibility more than 15 miles, wind from the south southeast at 15 miles an hour, barometer 29.48 and rising and humidity 49 per cent.

REAL RUSSIAN BOSS

Khrushchev Steals Show at Belgrade

By TOM WHITNEY
AP Foreign Staff

One of the most fantastic spectacles of our times took place at Belgrade when President Tito greeted the visiting Soviet delegation.

Out of the Soviet airplane into public view yesterday there popped first of all not the official head of the Soviet government, Premier Nikolai Bulganin—though it was nominally a government delegation—but instead stocky Nikita Khrushchev.

And then Khrushchev, the Soviet Communist party boss, delivered the arrival speech. And in it he tried to put the Soviet-Yugoslav talks on a Communist party to Communist party basis.

Khrushchev stole the show at the airport. Was he giving a public demonstration of who is boss in the Soviet Union by pushing Bulganin into the background? That was a serious question.

Khrushchev went further. He blamed the Soviet-Yugoslav break on "enemies of the people." And as one of these "enemies" he named—of course—Lavrenty Beria, secret police chief of the U.S.S.R. executed in 1953 for treason. Right there Khrushchev may have slipped.

President Tito heard Khrushchev out with what observers at the airport described as an unsmiling face and silence. His guests expected their host to respond with a speech of welcome but he did not.

Beria has been blamed for many things. But Khrushchev can hardly expect Tito, of all people, to believe Beria deserves the blame for the break.

Tito knows very well that it was Joseph Stalin and no one else. If Khrushchev had merely admitted the error of the Soviet government, that would have been one thing. But by trying to shove the blame away from Stalin and those among the present leaders of the Kremlin who shared in it, Khrushchev to a large extent negated at the effect of his apology.

Tito hardly could tell Khrushchev at the airport he was lying. But the marshal's silence made clear his deep displeasure.

Tito Begins Talks With Red Leaders

BELGRADE, Yugoslavia (U)—Yugoslavia's President Marshal Tito and his Soviet guests rushed through preliminaries today and began talks aimed at bettering strained relations between the two Communist lands.

The Yugoslav chief of state got the talks started at 10:30 a.m. To get the traditional wreath-placing ceremonies out of the way first, the Kremlin leaders had to get up at 6 a.m.

For Soviet officials accustomed to working all evening and sleeping most of the day, this was practically the end of the night.

At 7:30 a.m. bullet-headed Nikita S. Khrushchev, hatless and wearing a gray suit and red tie, led the delegation in a shiny Soviet Zis limousine to Avala, about 12 miles south of Belgrade. Beside him sat bearded Premier Nikolai A. Bulganin.

Two Soviet officers, bearing a huge wreath of red peonies, struggled up the hill to the monument to Yugoslavia's unknown soldiers of World War I. The officers handed the wreath to Khrushchev and Bulganin, who laid it at the foot of the memorial.

Led by a motorcycle escort, the Russians next hastened to the cemetery for Yugoslav and Soviet soldiers of World War II.

Indonesians Charge Bomb Wrecked Plane

JAKARTA, Indonesia (U)—An Indonesian inquiry committee charged today that an Indian airliner which crashed in the South China Sea April 11 was destroyed by a time bomb. Sixteen of the 19 persons aboard, including eight Red Chinese officials, were killed.

In Hong Kong, the British colonial government said, "It seems probable that the explosive device was placed in the aircraft in Hong Kong."

The British said an investigation there was continuing. The Indonesian report, issued as a government communiqué, said that an inspection of the wreckage had determined that "the cause of this accident was the explosion of a timed infernal machine placed in the starboard wheel well of the aircraft."

The explosion of the bomb, it added, "resulted in the puncturing of the No. 3 fuel tank and an uncontrollable fire."

"Recovery of parts of a twisted, burnt and corroded clockwork mechanism—which has no relation to any equipment or structure of the aircraft—trapped in the same area where the explosion took place provided irrefutable evidence of an infernal machine having been placed in the area."

The Committee's findings were based on the testimony of the three survivors and on an investigation of the crash area and wreckage, the communiqué said. It reported that 85 per cent of the wreckage was recovered.

The plane, a four-engine Constellation of the Air India, was en route from Hong Kong to Indonesia taking the passengers to the Asian-African conference at Bandung. The three persons rescued were all Indians—two crewmen and another employee of the airline.

Communist China accused the Nationalist Chinese and "American imperialists" of plotting the plane's destruction to sabotage the Bandung meeting.

Mrs. Lorraine Tura, 21, points to the Census Bureau's huge tabulator in the Commerce Department lobby in Washington which shows that the U. S. reached the 165,000,000 mark in population today. The event took place a few minutes before 6 a.m. (CST). On Jan. 1, 1940, the na-

tion's population numbered 131,584,000. Last year the U. S. added 2,823,000 persons to its population, a percentage growth of 1.75. Mrs. Tura, from Altoona, Pa., is a receptionist in the Commerce Dept. (UP Telephoto)

Board Opposes Relaxing Rules For Gas Trucks

The Board of Fire and Police Commissioners Wednesday night went on record opposing any relaxing of present regulations prohibiting traffic of large gasoline tank trucks on streets in the city outside designated travel routes.

During Wednesday's board session Commissioner John Kleist said that he had understood that a request had been made to the City Council for permission for the 7,500-gallon tankers to make stops for deliveries at various service stations in the city.

At the present time the large tank trucks can travel in the city only on specified routes to certain terminal points and deliveries to stations can be made only by trucks with a capacity of not more than 1,500 gallons.

Fire Chief Frank P. Witt said that he, too, would be opposed to any increase in the size of the trucks permitted to travel freely in the city and the board unanimously adopted a resolution asking that the present regulations be adhered to.

The board also agreed to an arrangement with the Northwestern Bell Telephone Co. by which fire alarm circuits will be housed in telephone company cables from Market street to the site of the new central fire station now under construction at East 3rd and Laird streets.

The rental on these cables will be approximately \$9 a month.

The board authorized an advertisement for bids for the purchase of 600 feet of fire hose and allowed Chief of Police A. J. Bingham and a 4-man police department pistol team to attend this year's convention of the Minnesota Police and Peace Officers Association.

Bills for the fire department of \$48,755.34 and the police department, \$3,580.85 were approved for payment.

Let's get Growing

By A. F. SHIRA

SOME LATE MAY SUGGESTIONS

SINCE roses are now in leaf with buds forming on some of them, now is the time for you to start your dust or spray schedule. Don't wait until some damage is apparent, but start while the plants are in good condition and keep them that way.

As stated in a previous article on roses, it is necessary to dust or spray the plants at least once a week with an all-purpose rose dust or spray. Combination dusts and sprays for the control of most rose diseases and insect pests are sold under various trade names. By reading the label on the container you can determine the kind and proportion of the different ingredients.

Do not work among your roses when the foliage is wet, as this may aid in the spread of "black spot," if any of these spores are present.

If your "glads" are about eight inches high, or as soon as they get to this height, start dusting them every ten days with a DDT or Chlorodane dust. With a small patch of glads you may find it easier to dust them than to mix up spray material. Either method is effective, if thoroughly done. This controls any "thrips" that may be present, or that may get to your plants later in the season. Even though the plants look all right, don't neglect this. Thrips are very small insects, harbor in the leaf and bud sheaths, are generally unseen and their presence may be unknown to the gardener until the damage shows up.

Once let a small patch of glads go with only a couple of sprays and as they blossomed was very much disappointed to see the damage the thrips had done to the blooms.

If you are planning on taking some of your flowers to an iris or peony show, now is the time to give thought to what you expect to exhibit. In a previous article we offered a few suggestions for preparing blooms for exhibit. Remember, it is the condition of the flowers at judging time that counts, not what the blooms looked like the day before.

Generally, iris should be cut in the bud the day before the show, but not too tight a bud or it will not open. If you have not already done so, snip the lower side buds off the peony stems and leave only the large terminal bud for the bloom.

Be sure that the flowers are clean. Loose dirt can be rubbed off with the fingers, but it is better to clean it off with a fine brush dipped in water.

Care should be used in getting the flowers to the show. If an auto is used, the flowers can be carried in a deep pail of water with newspaper wadded around the flower stems to hold them in place and to keep the water from splashing. Keep the car windows closed, even in hot weather, to protect the blooms from draughts.

If you planted out some trees this spring, soak them thoroughly

with water each week. Don't let up in this even though we did get a most welcome rain. It takes newly planted trees some time to get thoroughly established and they require plenty of moisture to get a good start.

If your tomato plants are blossoming, or as soon as they do, be sure to try a hormone spray for setting them, as mentioned in a previous article. You will get earlier, more meaty tomatoes, that will be practically seedless.

ATTEND CONVENTION

CALEDONIA, Minn. (Special)—Leo Gengler and William Fisch, delegates from the Caledonia Council, KC, attended the 54th annual state convention in St. Cloud May 21, 22 and 23.

Fountain City Yard Buildings Offered

FOUNTAIN CITY, Wis.—The Department of the Army is asking bids on a frame building which has been used as an icehouse and lumber storage shed, and a lean-to at the Corps of Engineers boatyards here.

The 1- and 2-story frame building, measuring about 35 by 88 feet, is more than 40 years old, while the 20- by 66-foot lean-to is about 25 years old. Exterior of the building is of drop-siding construction and the roof is of a composition roll roofing. Both are in "fair" to "poor" condition.

Bids will be opened at 11 a.m. June 17 by the real estate division, Corps of Engineers, U. S. Army, at 1217 Post Office and Custom House, St. Paul, 1, Minn.

The successful bidder will be required to remove the building from the property.

More than 200 kinds of birds have been seen in the Shenandoah National Park.

Separate First Grade Room Needed at Blair

BLAIR, Wis. (Special)—Twenty-six youngsters who will enroll as first graders in the Blair public school attended the three-day pre-school clinic Monday, Tuesday and Wednesday, according to A. A. Buckmiller, supervising principal. That means, he explained, that a separate room for the first grade will be necessary.

Provisions for providing more classroom space are under way now with the construction of a new gym addition to the school. That will leave the old gym section available for more classrooms.

GLEASON TO CRUISE

BLAIR, Wis. (Special)—The son-in-law of Mr. and Mrs. O. I. Slette, Walter Gleason, publisher of the Tribune-Gazette, Clintonville, Wis., has been invited to participate as an observer in the Navy's midshipman training cruise. The cruise in waters off Spain and England will be in June and July. Gleason was invited to

join the fleet at Barcelona, Spain, and travel to Portsmouth, England, aboard the cruiser Northampton.

WINONA COUNTY QUOTA

One volunteer for induction will leave June 16 as the Winona County Selective quota next month. There is no call for pre-induction physical examinations.

City Board Plans 3-Million Gallon Reservoir for 1956

Total Cost Placed at About \$360,000

By ROBERT EGGLESON
Daily News Staff Writer

The Board of Municipal Works Thursday night set construction of a new 3-million gallon reservoir south of Lake Winona for the summer of 1956.

They were assured that the St. Paul engineering firm of Toltz, King & Day would be able to prepare plans and specifications to permit advertisement for bids shortly after the turn of the year. Arndt J. Duvall of the firm met with the board during the special meeting.

Site of the new reservoir probably will be on Woodlawn Cemetery Association property just off the Garvin Heights road high on the bluffs overlooking the city.

The board will meet with cemetery association officials after the city engineer determined how much land will be required. Officers of the association, contacted informally, have indicated a willingness to grant the board an easement on the top of the reservoir, making it similar in appearance to the 2-million gallon reservoir west of the pumping station.

No Use to Cemetery
The 80- by 160-foot reservoir was planned for a location where the elevation varies some 20 feet and is in an area the association has not planned to use. Excavated material would be put on top of the reservoir, making it similar in appearance to the 2-million gallon reservoir west of the pumping station.

Cost of the reservoir will be about \$214,000, according to the itemized estimate prepared by Duvall, which was just \$1,000 under that set by City Engineer W. O. Cribbs last July.

Connecting 20-inch water mains to Huff street would add another \$34,000 with engineering and contingencies bringing the total to \$253,200.

This, however, would not complete the program. Also required is a main connecting to the remainder of the system, necessitating a 16- or 20-inch pipe to the Johnson street pumping station. Total cost will be about \$359,400.

Duvall admitted Tuesday that his firm had "done little" on another survey, the board requested in January, but indicated that completion of the survey of possible new well sites "wouldn't take long" after a meeting with members of the University of Minnesota geological faculty.

He explained that due to the fact that water from deep wells is generally preferable, he had decided to contact the university officials to determine what distance should be kept between deep wells to prevent a serious draw-off among wells in a field.

The board prefers a shallow well system, because cost of drilling and pumping would be lower with this system. Duvall pointed out, however, that shallow well water could require more treatment than deep well water.

Wants Westfield
The board has favored locating wells at Westfield Golf Course and land governed by the Athletic Board. It has been assumed that wells could be erected at the site without interfering with operation of the golf course.

It has been suggested, however, that the golf course be moved to Park-Recreation Board property at the east end of Lake Winona, so that the Westfield site can be developed as a residential area, but eliminating the possibility of locating wells there.

With this in mind, the City Council asked for the additional survey of sites. (Late last year, the board asked the city engineer to survey two areas in Lake Park—along the north edge of Lake Winona on either side of Huff street—and Westfield, all on city-owned land. The engineer contacted the National Board of Fire Underwriters, State Department of Health and the Geological Survey of the U. S. Department of the Interior. The latter had determined the three sites as most feasible and the Underwriters and Department of Health agreed that among them, Westfield would be most suitable for well locations.)

Cost of additional wells is about \$27,000 each, a figure equal to the difference in cost between an in-

stallation at Westfield as compared with Lake Park. Westfield well installation costs were estimated at \$121,855 while similar work at Lake Park would cost the board \$148,840.50. Total development cost for a 3-well installation at Westfield would be about \$231,990.

Final figures are not expected until next week, but a broad Associated Press sampling indicates that the vast majority of Minnesota parents kept their faith in the Salk vaccine — despite mounting confusion generated by stops and go-aheads from federal officials.

The speaker outlined the work of his department, said that Holiday magazine is soon coming out with a full length story about the Upper Mississippi River valley which will feature the Hiawatha area and characterized the travel industry as the "fastest growing with the greatest potential" of any industry in the United States today.

'Who Profits'
"Who profits from the travel promotion?" he asked his audience, answering "Everybody — from the barber, the baker, grocery store owner, the garage man and filling station operator. And the travel market is all profit. Our customers take nothing back with them — they leave our lakes, our scenery and all of our natural resources just as they were."

Complimenting the Hiawatha Valley Association on its efforts during the last 15 years to draw tourists through the valley via U. S. Highway 61 from La Crosse and the northern lake country, he suggested a campaign "to stop them right in the valley — rather than directing them through."

"You are getting the bulk of the travel away from Highway 12 through Wisconsin," he added, "and why shouldn't you? You've got scenery, fishing, boating, you are the duck hunting capital of the Mississippi flyway, you've got modern conveniences, you are easily accessible to the population centers of the Midwest and you've got a rich history. Yes, you've got everything and one of these days the whole world is going to discover this paradise."

Advertising Report
A. J. Anderson, Winona, secretary-treasurer, reported responses to Hiawatha Valley advertising now appearing in resort and travel sections of Chicago and Indiana newspapers; copies of the recently republished Hiawatha Valley brochure and decals for doors and windows of member business establishments were distributed and plans made to escort a group of outdoor writers through the valley in June.

It was voted to contract for an additional highway sign to be located on Highway 61 and 14 between La Crosse and Coon Valley. Wording on the sign will be "Hiawatha Valley, Midwest's Most Scenic Drive. Stay on Highway 61."

G. R. Clossway of Winona, association president, presided and introduced each of the 30 guests including two guest directors representing the Greater Hastings Association.

required and would pose a question of stability increasing the maintenance costs.

The report said that a circular prestressed concrete reservoir also was considered that would cost about the same as the one at the cemetery. The connecting line also would be of comparable cost.

Big disadvantage in this site, Duvall noted, was land acquisition. Access for construction and maintenance also would be more difficult.

Also considered was a 3-million-gallon elevated tank at the center of the city, but although it would eliminate the need for 16- and 20-inch connecting mains, cost of the tank would approach \$450,000.

By comparison with a complete installation of the Woodlawn property, estimated at \$359,400, the overhead tank in the city would cost about \$100,000 more. Maintenance again would be higher and expansion would be "much more expensive."

Partitioning Discussed
The board asked Duvall about the cost of partitioning the reservoir so that part could be drained for cleaning. He said this would add \$10,000 to \$15,000. It was determined that this would be unnecessary because cleaning would be required only periodically and that

Hiawatha Valley Praised as Tourist Area

State's Promotion Director Speaks at Association Meeting

By DAILY NEWS STAFF WRITER
LA CRESCENT, Minn. — The Hiawatha Valley — 100 miles of scenic beauty between La Crosse and Hastings — is one of the most fruitful travel areas in this country today, John F. Henriksson, director of promotion, Minnesota State Department of Business Research, told directors of the Hiawatha Valley Association at a dinner meeting at the Commodore Club here Thursday night.

"Yes, sir," he continued, "there's gold in them hills." The Hiawatha Valley Area, also known as the Upper Mississippi River Scenic Drive, said Henriksson, "is sitting on top of the richest mother lode in the history of the travel industry in this country. And do you know that you are within 500 miles of 39,000,000 people?"

The speaker outlined the work of his department, said that Holiday magazine is soon coming out with a full length story about the Upper Mississippi River valley which will feature the Hiawatha area and characterized the travel industry as the "fastest growing with the greatest potential" of any industry in the United States today.

'Who Profits'
"Who profits from the travel promotion?" he asked his audience, answering "Everybody — from the barber, the baker, grocery store owner, the garage man and filling station operator. And the travel market is all profit. Our customers take nothing back with them — they leave our lakes, our scenery and all of our natural resources just as they were."

Complimenting the Hiawatha Valley Association on its efforts during the last 15 years to draw tourists through the valley via U. S. Highway 61 from La Crosse and the northern lake country, he suggested a campaign "to stop them right in the valley — rather than directing them through."

Salk Participation In City Among Worst Experienced in State

Participation in the Salk polio immunization program in Winona County — and especially in the city of Winona — is running poorer than in any Minnesota county included in a broad Associated Press survey today.

With inoculations completed in seven of 12 schools, the city of Winona is batting an unimpressive 56 per cent, while participation in some of the larger communities in Minnesota soared near the 100 per cent mark.

And out in the county, outside the city of Winona, only about 62 per cent of eligible children have shown up for shots. That figure too, is worse than the lowest totals reported by the AP today.

Today, the third day of the program in the city, the verdict was no better than Thursday, when less than 50 per cent reported at one school. Today's record:

Cathedral School — 82 out of 154 participated.

Central Elementary School — 47 of 98 eligible first and second graders received the vaccine.

To date 380 out of 676 eligible children at seven schools have received inoculations, according to Miss Patricia Leary, city public health nursing supervisor.

Miss Loretta Kiley, county nurse, reported this morning that in rural Winona County clinics only 134 of 216 eligible children have received shots. That's 62 per cent.

Clinics were given today at the Pickwick Village School, where 15 out of 33 showed up, and at the Dresbach Village School, with 32 of 38 getting the vaccine.

At Wotoka Thursday only about one-third — 19 out of 55 — of the eligible children participated.

The rural record for Wednesday — first day of the program: Rollingstone, 34 out of 39, and Minnetonka, 34 out of 51.

Still Possible in City
Miss Leary said today that consent slips of those absent or who refused to participate in the city program are now being returned to parents.

If they've changed their minds, the child is to report at 9 a.m. Tuesday at the Madison School or 9 a.m. Wednesday at St. Stanislaus School.

Graduation Watch Stolen From Sheriff's Daughter
A wristwatch — a graduation gift from her parents — was stolen from a Winona Senior High School girl while she was attending a physical education class Thursday afternoon.

Arlene Fort, 203 W. 3rd St., daughter of Sheriff George Fort, removed the watch which she had received only a day earlier and placed it in her shoe in the girls' locker room at the Senior High School while she was attending the class.

When she returned, Arlene reported the watch was missing. A class ring which she had left with the watch was not taken.

Arlene's father is offering a reward for information leading to the recovery of the watch.

WHITEHALL LEAGUERS
WHITEHALL, Wis. (Special) — The Senior Luther League will have a barbecue stand in downtown Whitehall Saturday evening to help raise money to send delegates to the International Luther League convention at San Francisco, Calif., this summer.

At that time a jury will be selected to hear a \$60,000 personal injury suit filed by J. J. Rudser against Bridge Builders, Inc., with offices in Superior, Wis., and Minneapolis.

Rudser, who is represented by F. J. O'Brien, Rochester, and Thomas Scallen, St. Paul, was employed as a bridge inspector by Bridge Builders.

Working on Bridge
In his complaint Rudser alleges that on Sept. 16, 1954, he was working on a bridge construction project one mile east of Morrisville, Minn.

He says that he was standing on a scaffolding which collapsed and he fell to the ground.

In the fall, Rudser charges, he suffered a heel fracture, torn shoulder muscles and other injuries.

The defendant is represented by Doherty, Rumble & Butler, Minneapolis.

Judge Edward J. Devitt, St. Paul, will preside.

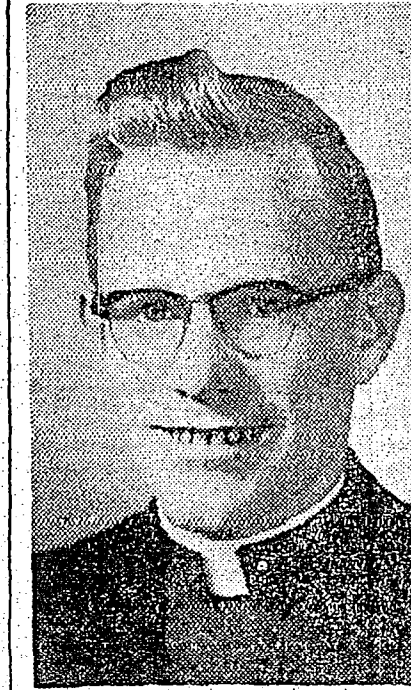

State Highway Worker Injured by Grader
A State Highway Department worker, Palmer Erickson, 58, 623 Winona St., was injured this morning when he was struck by a motor grader while he was working on Gilmore avenue near Wilsie street.

Erickson was working as a flagman when the motor grader backed up and struck him.

A passing motorist took him to the Winona General Hospital for treatment of bruises and abrasions and examinations to determine whether he suffered more serious injuries.

The accident occurred at about 10 a.m.

Priest to Speak At Memorial Day Program at Lake

The Rev. Harry Jewison

A Catholic priest who served in the Infantry before joining the priesthood will be the Winona Memorial Day speaker Monday.

The Rev. Harry Jewison, assistant pastor at St. Mary's Church, will appear on the 10:30 a.m. program at Lake Park Bandshell, according to Bernard F. Boland, president of the Winona Memorial Association, sponsor of the Memorial Day observance here.

Lucian Gump is marshal for the 3rd street-Main street parade preceding the bandshell program. It will be followed by a ceremony on the shore of Lake Winona in honor of sailors and marines lost at sea, conducted by the Woman's Relief Corps, Grand Army of the Republic, and Clarence Miller Auxiliary 2, United Spanish War Veterans, and by the American Legion memorial shrine ceremony.

Father Jewison, a native of Janesville, Minn., served in the Army for about a year, having been discharged in 1945. He attended St. Mary's College for three years and was ordained a year ago after completing his training for the priesthood at the Catholic University of Washington.

The Most Rev. Edward A. Fitzgerald, bishop of Winona, will offer a MEMORIAL MASS at St. Mary's Cemetery at 9 a.m. Monday.

Surprise Ladies Day Luncheon for Kiwanis
A surprise Ladies Day luncheon was arranged for members of the Kiwanis Club at its weekly meeting at the Hotel Winona Thursday noon.

With no announcement to the membership, Dr. Donald T. Burt and T. W. Smeed, program co-chairmen for the day, made arrangements for wives of Kiwanians to meet at the hotel at noon and join their husbands for the luncheon.

The program was presented by the Winona State Teachers College chorus under the direction of Walter Grimm, with Miss Agnes Bard as accompanist.

Miss Marie Miller was soloist with Miss Eleanor Seim as accompanist.

SERVICES AT COCHRANE
COCHRANE, Wis. — Sunday services for two Lutheran churches in this area were announced today by the Rev. F. H. Nitz, pastor, to include: Christ Lutheran, Cochrane, Sunday School at 10 a.m.

Worship at 10:45 a.m. Dorcas circle Wednesday at 2 p.m. Dr. Martin Luther Church, Buffalo City, Communion services at 9 a.m. Sunday School at 10 a.m.

Fund for Hasleruds Near \$2,000

Contributions to "The Robert Haslerud Fund" neared the \$2,000 mark at noon today as 156 contributors sent \$428.75 to the special fund during the last 24 hours.

Exact total thus far—fifth day of The Daily News' appeal to help the stricken Whalan, Minn., barber and his family of four motherless children—is \$1,934.55. Total number of individual contributions to date is 725.

Helping hands reached into Minnesota from even farther away today, with the receipt of \$2 from John, Bob, Freddie and Jimmie Hogan of Brunswick, Mo., and an anonymous donation of \$2 from Amarillo, Texas.

James, Jeanette and Ricky Thieke at Chatfield, Minn., sent \$3 and the note, "We are so thankful that when the tornado hit us that God saved our daddy—we are sending our little bit for those little children."

Mr. and Mrs. Orvin M. Halversen, La Crescent, Minn., were among today's contributors. Mrs. Halversen wrote, "This is the \$2 I picked up doing small sewing jobs for others this week. May God bless every one of you for starting this fund for such a worthy cause."

Haslerud's 26-year-old wife and the mother of four small children, aged 8 months to 7 years, died in a Rochester hospital last week of second and third degree burns suffered in an explosion May 14 at the Whalan farm home of her parents.

Offer a Home
Shortly before noon today a cash donation arrived from Mr. and Mrs. DeLaine Arnold at Harmony, Minn., with the following letter: "My husband and I would like to offer to make a home for the Haslerud children for the summer months. We are not wealthy by a long shot but could give the children three meals a day, probably put some clothes on their backs and lots of loving care."

"I have signed a contract to teach home economics in the Preston High School this fall so could not keep them after the month of August. However, we thought that perhaps by that time Mr. Haslerud would be better able to find a way to keep his family together."

"We live on a farm eight miles southeast of Preston and our home is modern. We have no children of our own, but love children. We have lost two. If Mr. Haslerud would like to find a temporary home for either 1, 2, 3, or 4 of his children we would do our best to provide it."

Daily News readers may send contributions to "The Robert Haslerud Fund," in care of this newspaper. An account has been opened at a Winona bank and when all funds have been gathered the money will be turned over to Haslerud.

Winona Schools, Colleges Near Close of Year

St. Mary's Graduation Stated for Sunday; Others in June

Most of Winona's schools and colleges next week begin a period of final examinations prior to commencement exercises early the following week.

One exception is St. Mary's College where the annual spring commencement will be held Sunday.

At the College of Saint Teresa baccalaureate services for members of the graduating class will be held June 5 with commencement slated for June 6 at 10 a.m.

Commencement at the Winona State Teachers College will be held at 10:30 a.m. June 8 following an examination period that extends through June 7.

Promotion exercises at the Phelps Laboratory School will be held June 8.

The Cotter High School graduation ceremonies will be held at the Catholic Recreational Center on the evening of June 8.

The Most Rev. Edward A. Fitzgerald, bishop of Winona, will officiate at a pontifical high Mass for the Cotter Baccalaureate services at the Cathedral of the Sacred Heart June 5.

Commencement at the Winona Senior High School will be held on the evening of June 7 following June 5 baccalaureate services and classes in the public and parochial schools will be dismissed June 7.

Still More Rain Coming

The week's rain total may reach three inches before Sunday if the Weather Bureau's accuracy holds up through Saturday.

The forecast calls for cloudy and windy weather with occasional showers tonight, followed by cloudy skies Saturday and local showers in the forenoon. Winds will diminish Saturday afternoon as temperatures will range between 52 and 64.

At noon today, rainfall for the week totaled 2.86 inches, including 1.63 inches in the past 24 hours. For the month, the total now stands at 4.08 inches. A check of the weather records today revealed that normal for May is 4.06 inches, not 2.31 as reported previously.

Rain was general throughout Minnesota with nearby Plainview receiving half an inch up to 4 p.m. Thursday while rainfall measurements during the 24 hours before 6:30 a.m. today included Alexandria 75, Bemidji 68, International Falls 47, Redwood Falls 29, Rochester and St. Cloud 34 and the Twin Cities 21.

Rain was falling early today at Duluth, International Falls and Rochester.

Sheriff Fort Checks Shooting at Homer

Sheriff George Fort said today that he has received complaints of damage to windows in summer cottages near Homer caused by shots from air rifles.

The sheriff said that the area will be patrolled and anyone found responsible for such vandalism will be arrested.

Imogene's Comedy Writers Are Full-Time Girl Watchers

By EARL WILSON

NEW YORK—I went around to 200 W. 57th St., to the 11th floor, to interview Imogene Coca's writers, Coleman Jacoby and Arnie Rosen. The office was simply furnished with a banjo, ice box, trunk, studio couch, piano—and desk and typewriter at which nobody was working. "Why did you move here?" I asked. They formerly had offices on Stripy-Second St. "We could never start work over there till 5:30," said Jacoby, a Pittsburgh boy. "You see, our office overlooked the fitting rooms at a department store and we stared at the girls till closing time. Besides, they put up blinds," explained Rosen, a New York City product who was 5 years in the Marines. "What's the banjo for? Neither of you can play it."

Rosen: "Why have we got a piano? We can't play that either."

Jacoby: "Can either of you type?"

Rosen: "No, but we both use the typewriter."

How long does it take you to

write a show?" Rosen: "Two days and 8 dextro-drine pills."

"How did you get into this business?"

Rosen: "We were forced into it by big money."

Five years ago, Jacoby dragged me through the rain to look at kinescopes of a comedian he said would be TV's greatest. The comedian was Jackie Gleason for whom they were writing. They wrote the "Reginald Van Gleason" sketches for Jackie.

"Are you equal partners?" I asked.

Rosen: "We share everything but his alimony."

"What's this bed for?"

Jacoby: "For people who fall asleep over our scripts."

Miss Coca's show has risen greatly in the ratings recently. For one show they had a joke about Imogene getting some newspapers for her husband and returning very quickly.

"How did you get up and down 10 flights so fast?" he asked her. She answered: "It was easy. I didn't wait for the elevator."

"Don't you miss the fitting room at the department store?" I asked.

Rosen: "No, now we have the Girls' Ballet School at Carnegie Hall to stare at."

But I have 20-20 vision."

Jacoby: "I have 20-20 vision, too. All the girls I see are 40."

Rosen: "We have a busy year ahead. Our show, 'Pleasure Dome,' opens on Broadway in November. And we also have a couple TV properties of our own. Besides, we're moving our office again."

"Where?"

Jacoby: "Overlooking the Barbizon Hotel for Women."

THE MIDNIGHT EARL

Zasu Pitts will tour N.Y., Mass., Pa. and Conn. in July and August in "Private Eve," directed by Jane Barry Haynes. It'll be her first appearance in 2 years; she feels fine. . . . The early morning news show is mysteriously called "Project X."

Eddie Fisher's new deal is a long-term for big loot, like Perry Como's.

When Producer Frank Rosen-berg shot "Miracle in the Rain" at 73rd and Park, he cracked, "This is the first time I ever shot in the low 70s."

3-Day Holiday Starts Saturday For Millions

By SAM DAWSON

NEW YORK (AP)—Most of you will be starting tomorrow on a three-day holiday from work. In five weeks the same happy chance will roll around again.

And the long weekends appear to have the blessing of most bosses as preferable to a work week chopped in half by a holiday.

Memorial Day and the Fourth of July fall on Monday this year. There's a move under way to get at least five of these long holiday weekends assured each year.

That would require legislative action in each state to fix five holidays permanently on a Monday, instead of letting them follow the year-by-year fluctuations of the calendar. The five Monday holidays would be Memorial Day, Independence Day, Labor Day, Thanksgiving and "President's Day" on the third Monday in February.

This plan is sponsored by the National Assn. Travel Organization. The travel industry and their suppliers obviously stand to benefit.

But what about other businesses? The Research Institute of America surveyed 30,000 business firms. The institute reports today that 90 per cent of the replies favor having five holidays fixed on Monday.

Of the 10 per cent opposing, most say it would add to the expense of their operations. Some hold that their type of business can't take a three-day shutdown. These include dairy, leather processing, meat packing, baking and chemical firms.

Most of the 90 per cent favoring the plan say the shift would reduce the disruption in plant schedules caused by holidays (Sunday is one too in this view). And many say the Monday holiday would offset absenteeism noted before and after holidays occurring in the middle of the week.

Union Rejects Ford Offer

DETROIT (AP)—The CIO United Auto Workers, flatly rejecting a Ford Motor Co. offer to give its 140,000 employees the right to buy Ford stock at half price, called on Ford local unions throughout the nation to get ready at once for "possible strike action."

The stock-buying plan was included in a half-billion-dollar, five-year "package" offered the union as a counterproposal to the UAW demand for a guaranteed annual wage.

Ford's offer ignored the guaranteed annual wage.

The company called its proposal that would permit employees to buy stock in the tightly knit family enterprise when it goes on the market as "the most challenging and comprehensive" in the history of the auto industry.

But the union stood pat on its year-round wage demand and denounced the company's offer as "phony."

Winonan Elected At Missouri Valley

Walter Tearse, son of Mr. and Mrs. John D. Tearse, 727 Winona St., has been elected 1955-56 president of the student body and senator at Missouri Valley College, Marshall, Mo.

Being only a junior next year, Tearse will be one of the college's youngest presidents. He was elected by a plurality of almost two-thirds.

This year he has been serving as senator to the student government from his social fraternity, Alpha Sigma Phi, and was alternate senator to the freshman man y e a.

Member of the Humanities Club, Tearse is business manager of the school newspaper and this spring was chosen as the Missouri Valley "ugly man" in a contest to raise money for CARE and Save Your Children Federation.

Tearse is majoring in human relations, a leadership training program.

The Casual Observer

By GRETCHEN L. LAMBERTON

ALL the spring flowers that usually bloom over Memorial Day are finished, gone with the wind, and the June flowers are in blossom. But flowers aren't the only early birds. As early as last Monday local markets were selling homegrown strawberries—about two weeks ahead of the usual time. It's disconcerting to have strawberries that one has always regarded as typifying June arrive in the stores as early as May 23. The first day's strawberries sold for 69 and 79 cents a quart, then went down in price slightly. However, I decided to wait a little longer before I start making shortcakes. Homegrown "June" peas are beginning to come on the market too. Well, goodbye, diet!

The other day I found that at least one local grocery store carries a curious delicacy—canned fried grasshoppers. And it brought back memories. My sophomore year at Vassar several college girls spent the summer helping run a large and very fancy farm near Farmington, Conn. We lived in a beautifully restored old colonial farmhouse and all the girls took turns doing the cooking. One day it was the turn of a red-headed girl who had lived in China all her life. She served us a wonderful meal of perfectly cooked rice, vegetables slivered thin and cooked lightly in the Chinese manner, and a large platter of little

delicately crisp fried things that some of us thought must be those wonderful tiny Nanticoke scallops and others thought they were perfectly delicious. When we asked her what this dish was she merely smiled and said it was a great Chinese delicacy and she was glad we liked it. Finally we got her to tell us. She and several small boys had gone out into a hayfield and caught hundreds of big grasshoppers, removed the hard heads and legs, then she dipped them in a thin, delicate batter and fried them lightly in hot butter. They were out of this world and I always meant to fix them myself but never got around to it.

This same grocer who sells fried canned grasshoppers carries another strange-sounding delicacy—sauerkraut in champagne. One always associates sauerkraut with beer, never champagne. But I found the recipe for sauerkraut in champagne in both a French and a Viennese cookbook that I have.

It's quite a complicated dish to fix. You must have an earthen casserole with tight cover and cook it over very gentle heat on top of the stove for five hours. You put your washed sauerkraut into it in thin layers alternating with thin layers of finely chopped mixed apple, carrot and mild onion. Every other layer should be paper-thin slices of smoked ham. Then add small pieces of clarified, chilled goose fat.

Then you tuck in a little cheese cloth bag containing juniper berries, caraway seeds and whole white peppercorns for flavoring. Pour over it one-third part white consommé and two-thirds champagne, cover tightly with buttered parchment and then cover and cook slowly for five hours. On the whole it would be simpler to get a can of it, I should think.

This same grocer has carried canned rattlesnake meat, which some regard as a terrific delicacy (or are they just trying to show how tough they are?), but reports no demand for it. Once I asked a man who had eaten it how it tasted.

He said, "It tastes just exactly the way snakes smell, if you know what I mean. Quite nasty."

Most of the canned rattlesnake meat comes from the Ross Allen Reptile farm in Orlando, Fla. These canned grasshoppers are imported from Japan.

Serving in The Armed Forces

DOVER, Minn.—Pvt. James E. Miller, son of Edward J. Miller, has recently completed a 16-week course in training at Ft. Leonard Wood, Mo., with a unit of the 6th Armored Division. He'll receive a brief furlough before returning to Ft. Leonard Wood or reporting to another Army installation for the second phase of the 16-week course.

PLAINVIEW, Minn. (Special)—Sgt. Donald R. Affeldt, son of Mr. and Mrs. Richard Affeldt, is on temporary 29-day duty at the Elson Air Force Base, Alaska, to participate in a Military Air Transport Service exercise. A 1947 graduate of the Plainview High School, he entered the Air Force in November 1950 and has been assigned to the 1705th Air Transport Group since December 1954.

EVOTA, Minn. (Special)—Pvt. Gerald A. Bierbaum left last week for Camp Kilmer, N. J., and an assignment overseas after spending a 20-day furlough with his parents, Mr. and Mrs. Arthur Bierbaum. After entering the service a year ago, Pvt. Bierbaum took basic training at Camp Gordon, Ga., and later was stationed at Camp Huachuca, Ariz.

Sgt. Al J. Schwalier, Winona and area Air Force recruiter, announced today that openings are still available to Air Force enlistees who will be flown to basic training Oakland, Calif., June 7 and 9. The sergeant said men must enlist by June 3 to be eligible for the flights.

Sgt. Lucille C. Smith will be in Winona Wednesday to interview young women who are interested in the Women's Army Corps.

The WAC offers to qualified applicants many opportunities for training for a job which may be suited for civilian life as well as military life, education, interesting work with good pay, and travel.

Many young women in the Winona area are qualified to select a technical school before they enlist in the WAC and receive a

written guarantee that they will attend the school of their choice after completion of basic training.

WACs not only serve all over the United States but overseas in Germany, Italy, France, Japan and Okinawa. Further information may be received from Sgt. Smith at the Army recruiting station at Room 309 Winona Post Office.

The Air Force is now sending qualified airmen from basic training directly to guided missile training at Lowry Air Force Base near Denver, Colo., according to S. Sgt. Al J. Schwalier, Winona and area Air Force recruiter. At Lowry, these airmen-students are enrolled in a controls system mechanics course training on the new TM61 Matador, first of the modern surface-to-surface guided missiles.

Northwest Wins Alaskan 'Inside Route' Renewal

WASHINGTON (AP)—Northwest Orient Airlines will continue to fly the so-called "inside route" from the Twin Cities to Anchorage, Alaska.

President Eisenhower Wednesday signed a temporary extension of three years for the route, which long had been in question.

Also approved was a Civil Aeronautics Board order making permanent Northwest's rights to the Seattle-Anchorage routing.

Petition for the Twin Cities - Alaska flights was made some time ago when the line applied for its Seattle-Hawaii route, which won approval earlier this year.

Under the order, the "inside route" is made part of Northwest's New York-Chicago-Twin Cities operation.

Polar bears have been seen swimming in the sea 200 miles from land.

Scouters Rename Harold Anderson

Harold Anderson was renamed chairman of the Sugar Loaf District, Boy Scouts of America, at a supper meeting at Farmers Community Park Wednesday evening.

Presiding at the election was Carol Syverson, Gamehaven Area Council commissioner and chairman of the nominating committee.

Dr. D. V. Boardman and Leonard Sullivan, Altura, were elected vice chairmen. Sullivan was renamed, while Dr. Boardman succeeds Lester Peterson, Dr. C. B. Kollofski was recommended for another term as district commissioner, and Dr. K. W. Klaus of Lewiston, G. M. Grabow and E. A. Allen were elected members at large. Renamed to that capacity were Noble Robinson of St. Charles, Richard Callender and Wallace McDougal.

Warren Moe, neighborhood commissioner at Lewiston, prepared the steaks.

Winonan's Sentences Include 120 Days

Jail sentences totaling up to 120 days were imposed in the case of a Winona man who pleaded guilty in justice court in Goodview Wednesday to two traffic charges.

Harry Skorlinski, 38, Winona, arrested at 2:30 p.m. Tuesday by the sheriff's office on Highway 61 in Goodview, was charged with drunken driving and driving without a license. He pleaded guilty to both counts and drew a straight 30-day jail sentence on the license charge.

He also was ordered to pay a \$100 fine and costs of \$3.50 or spend 90 days in jail for drunken driving.

The license plates and registration card of the car also were impounded.

3 1/2 Million Catholics Listed in Directory

NEW YORK (AP)—There were 32,575,702 Catholics in the United States, Alaska and Hawaii on Jan. 1, the official Catholic directory reports. This was an increase of 327,278 in one year.

Municipal Court

Robert Randall, Minneapolis, forfeited a \$10 deposit on a charge of driving in the wrong lane of traffic on West Sarnia street. He was arrested by police at 2:25 a. m. today.

Arthur Froemel, North Lake, Ill., forfeited deposits on charges of failing to stop for a stop sign at East Sanborn street and Mankato avenue and operating a motor vehicle with an expired driver's license. He forfeited \$3 on the stop sign violation and \$5 on the license charge.

Richard Langowski, 22, 319 Bellevue St., forfeited a \$30 deposit on a charge of driving 40 miles an hour on West 2nd street from Johnson street west to Winona street. The deposit was required in consideration of previous traffic arrests. He was arrested by police on West 2nd at 7:30 p. m. May 22.

Henry Schueler, 260 Pelzer St., forfeited a \$10 deposit on a charge of operating a truck with no chauffeur's license. He was arrested by police at the junction of Highways 14 and 61 at 7:35 a. m. Thursday.

Parking deposits of \$1 were forfeited by Charles J. Olsen & Sons, Elmer Volkman (on two counts), Edward Power Jr. (on two counts), for meter violations; Jerome Konkel and Seifert-Baldwin Motor Co., for overtime parking;

Two-State Deaths

Mrs. Herbert Baker
WABASHA, Minn. — Mrs. Herbert Baker, 77, died suddenly at her home here Thursday morning.

Survivors are: Her husband; a son, Arthur Pearson, Minnesota City; four grandchildren; one great-grandchild, and five sisters, Mrs. Herman Engel and Mrs. Bertha Beesler, Plainview; Mrs. Frank Barringer, Red Wing; Mrs. Carl Hensel, Veradale, Minn.; and Mrs. Minnie Johnson, Grother, S. D.

Funeral services will be held Saturday at 2 p. m. at the Schierfs Funeral Home, Wabasha, the Rev. D. H. Hoffmann officiating. Burial will be in Beaver Cemetery. Friends may call at the mortuary today.

Mrs. Albert White
ARKANSAW, Wis. (Special) — Mrs. Albert White, 67, died at her Maple Ridge home Monday.

Funeral services were held today at 3:30 p. m. at the Goodrich Funeral Chapel, Durand, the Rev. E. E. Jeffery officiating.

She was born May 28, 1887, a daughter of Mr. and Mrs. Frank Weber.

Surviving are two sons, Harold and Raymond, both of Arkansaw. Burial was in Arkansaw Cemetery.

John A. Kaiser
ARCADIA, Wis. (Special) — John A. Kaiser, 60, died Thursday afternoon at the Ft. Snelling Hospital, Minneapolis, where he had been a patient six weeks. Death was attributed to a heart attack following major surgery.

Funeral services will be held Monday at 8:30 a. m. at Our Lady of Perpetual Help Catholic Church, the Rev. Cyril J. Smetna officiating. Burial will be in Calvary Cemetery. Graveside rites will be conducted by the Ticker-Erickson American Legion Post. The Rosary will be said Saturday and Sunday nights at the Wiemer-Kilian Funeral Home.

Born Aug. 25, 1894, the son of Mr. and Mrs. Joseph Kaiser, he married Miss Hilda Thimmeseh. Kaiser was a painter. He was a member of the American Legion and the Catholic Order of Foresters.

Surviving are: His wife; a daughter, Mary Ann, at home, and two brothers, Louis, Chicago, and Theodore, Arcadia. A brother and two sisters are dead.

Jay Phillips
MINNESOTA CITY, Minn. — Jay Phillips, 69, died at 5:30 a. m. today at the Winona General Hospital. He had been a patient at the hospital since Sunday.

Funeral arrangements are being completed at the Smith Mortuary, Galesville, Wis.

Born Sept. 27, 1885, at Sheldon, Neb., he has resided here for a number of years.

Surviving are: His wife; two sons, Emmet J. Phillips, Chicago, and Charles, at home; three daughters, Mrs. Merle Martin, Minnesota City; Mrs. Frank Washburn, Armada, Mich.; and Mrs. Ervin Brommerich, Trempealeau, Wis.; three brothers, Orrin Phillips, 426 W. Bellevue St., Winona; Pay Phillips, 602 E. Sanborn St., Winona, and Arthur Phillips, 273½ E. 3rd St., Winona; two sisters, Mrs. Andrew Coyle and Mrs. Henry Yoeckel, both of Milledgeville, Ill.; and 11 grandchildren.

Louise Oech and George Carlson, for improper parking, and Mrs. Adolph Bremer, for parking in a no-parking zone.

Jury at Caledonia Gets McKenna Suit

CALEDONIA, Minn. — Samuel Halpern's action against former Caledonia mayor Leo McKenna went to a Houston County District Court jury at 11:30 a. m. today after the two principals and A. E. Sheridan, Waukon, Iowa, lawyer, had testified.

The Minneapolis attorney, who defended McKenna in the recent federal income tax action together with the Waukon attorney, is asking \$5,400 for fees and expenses in connection with the tax defense.

When a verdict is returned, court will be adjourned for the holidays until 1:30 p. m. Tuesday.

Halpern, Sheridan and McKenna were the only witnesses. The defense concedes some remuneration is forthcoming, about \$1,000, but fought the larger figure. Judge Karl Finkelnburg, Winona, is presiding.

Aunt of Dr. Potter Killed in Tornado

Miss Gertrude Williams, an aunt of Dr. Truman W. Potter, pastor of Central Methodist Church here, was among those killed in the tornado which leveled the village of Udall, Kan., Wednesday night.

Miss Williams, a sister of Dr. Potter's mother, resided in a rest home which was demolished by the tornado.

Until recently Miss Williams had been living with Dr. Potter's parents, the Rev. and Mrs. Robert A. Potter, Cheney, Kan.

CITY PLANS

(Continued from Page 3.)

The entire reservoir could be drained while the system operated on water provided by the wells, the overhead and underground reservoirs near the Johnson street pumping station.

Selection of the site culminates a long effort by the water board that

originated after the Board of Fire Underwriters recommended construction of a new reservoir, pointing out that the city had only a 6-hour supply of water in case of emergency. The new construction also should improve fire insurance rates.

Financing of the project will be discussed with the city attorney. The board now has authority to issue up to \$700,000 in bonds.

Other preliminaries to actual construction will include digging of two pits, about 5-feet square and 15-feet deep to verify findings of the borings. Cribbs said his crews probably would be unable to do the additional work and asked the water department to do the digging. Each pit will cost between \$150 and \$200.

Toltz, King & Day will require about two months to prepare plans, and with this in mind, the board recalled that a severe shortage of concrete is anticipated later this year. The city engineer advised against any winter construction, since reservoir construction requires near-perfect concrete work. The board also felt, and Duvall

agreed, that early months of the year are a favorable time for letting of contracts and that the work can be accomplished in one construction season.

Other Business
In other business Thursday, the board approved petitions by three groups of residents asking additional city water mains. The city engineer will prepare plans and cost estimates. Involved are a 1-block extension of the Bellevue street main between Carimona and Zumbro streets; another 1-block extension of Randall court mains east of Clark's Lane, and a 500-foot main from Gilmore avenue onto Terry Lane, in Kramer's 2nd Addition, extending south from Gilmore avenue beginning about 125 feet west of the junction of Gilmore avenue and Orrin street.

The board accepted the low bid

of the Seifert-Baldwin Motor Co., 121 W. 4th St. of \$1,389 for a tudor business sedan. Originally, the board had decided to ask bids on a ½-ton pickup truck that would be assigned to Harvey but also used for other department needs. The board subsequently decided to purchase the sedan. Harvey had used his personal car since taking office last July and the board felt that a sedan would be more suitable for the requirements. Other bids were submitted by the Quality Chevrolet Co., 105 Johnson St., \$1,423.87, and the Owl Motor Co., 201 Main St., \$1,431.82.

Attending the meeting were: President C. J. Borzyskowski, Vice President George A. DesRosier, C. S. Lukaszewski, R. Burr Mann, H. S. Horton, William M. Harst, Cribbs and Harvey.

NEW MEDICAL DISCOVERY

SPEEDS 3-WAY RELIEF FROM PAINS OF ARTHRITIS and RHEUMATISM

Unlike many temporary pain-relieving products which depend mainly on the action of common aspirin, PABASONE contains three ingredients: Sodium Salicylate helps stop pain, reduce swelling; Para-Aminobenzoic Acid helps your system retain pain-relieving benefits up to 24 hours a day (see chart) with perfect safety, no stomach distress; Ascorbic

Acid (Vitamin C) helps prolong relief from pain. Clinically tested and approved by doctors, the PABASONE formula is now available in tablet form without prescription. Accept no substitute. Get PABASONE today!

SOCIETY • CLUBS

Edward Richters To Celebrate Golden Wedding

Mr. and Mrs. Edward Richter, 615 Center St., will observe their 50th wedding anniversary at an open house Monday. They are celebrating in advance of the actual anniversary date, Aug. 20, 1955, so that a daughter from the West Coast, who is visiting here now, may join in the celebration.

The open house will be from 2 to 5 p.m. and friends and relatives are invited to call during the afternoon. No formal invitations have been issued.

A buffet supper will be served for the couple and their family at the home of Mr. and Mrs. Harold Richter, 829 W. 5th St., following the open house.

Mr. Richter is the son of the late Mr. and Mrs. Herman Richter, Winona, and Mrs. Richter, the former Christine Knoll, the daughter of the late Mr. and Mrs. Henry Knoll, Winona. Both were born in Winona. They were married in a ceremony at the Richter home here. Attendants were the late Mr. and Mrs. Herman Richter, brother and sister-in-law of Mr. Richter.

Mr. Richter worked for O. F. Burlingame from 1902 until 1929, at which time he started working for the Morrison Outdoor Advertising Co., continuing until his retirement last fall.

The couple has three children, Harold, Winona; Mrs. J. A. (Viola) Streiff, Stewartville, Minn., and Mrs. M. J. (Cleora) Gienza, Richland, Wash.; five grandchildren and one great-grandchild.

WCTU MEETING
PETERSON, Minn. (Special)—The Rushford WCTU recently met at the home of Mrs. Lamppins here. Six white ribbon recruits were received. Mrs. E. R. Jackman, Winona, conducted the dedicatory service. Mrs. Monroe Hisey, WCTU president, and Mrs. Oscar Tillman, Winona, assisted.

Their Golden Wedding Anniversary will be celebrated in advance by Mr. and Mrs. Edward Richter, 615 Center St., who were married Aug. 20, 1905, in Winona. They are holding open house Monday at their home. (Durfee Studios)

Helen Larson Wed in Germany

MABEL, Minn. (Special)—At the Flak Kaserne Chapel, Augsburg, Germany, April 16 at 1 p.m., Miss Helen J. Larson, daughter of Mr. and Mrs. Harley Larson, Mabel, became the bride of Capt. James W. Mann, son of Mrs. Esther Mann, Urbana, Ill. Chaplain Raily performed the ceremony.

The couple was attended by Capt. and Mrs. Horace Hunter. Ushers were Capt. William Barrows and Col. Reeves.

A reception for 60 guests was held in the Main Officers Club following the ceremony. The couple later left on a wedding trip in southern Germany, Switzerland and

Italy. They are now at home in Augsburg.

The bride is a graduate of Mabel High School, Fairview School of Nursing, Minneapolis, and the St. Louis Barnes School of Anesthesia. She is an Army nurse in Augsburg. The bridegroom is a graduate of the University of Illinois.

VISITS PARENTS

BLAIR, Wis. (Special)—Miss Odile Toraason, RN, spent from Thursday until Monday with her parents, Mr. and Mrs. Albert Toraason. Miss Toraason is employed at the Veteran's Administration Hospital, Downey, Ill.

FAMILY REUNION

ST. CHARLES, Minn. — The annual Nesler family reunion was held at the William Nesler farm near St. Charles Sunday noon.

Mrs. Pendleton Elected by Faculty Wives

The Winona Public School Faculty Wives met for a breakfast Thursday morning in the Winona Senior High School cafeteria.

Officers named for the coming year were Mrs. John Pendleton, president succeeding Mrs. Harry McGrath, and Mrs. Verdi Ellies, secretary - treasurer succeeding Mrs. Lewis Schoening.

Hostesses for the breakfast were the Mmes. William Zilliox, Charles Beckman, Glenn Anderson, Clifford Paswalk, Orley Myers, and Eugene Sweazey with Mrs. Morton Ouren acting as chairman.

OES Hears Grand Chapter Reports

CALEDONIA, Minn. (Special)—Forty members were present at the May meeting of Aidsen Chapter, OES, at the Masonic Hall. Guests from the Lansing, Iowa, chapter were the Misses Emma and Ellie Hifte, Mrs. Katherine Feurhelm and Mrs. Mae Crowley.

A report on the recent grand chapter sessions was given by Mrs. Jennings Lanning, Miss Helen Rice, Mrs. Robert Heffe, Mrs. Leslie Joerg, Mrs. Ralph Gordon and Mrs. Werner St. Mary.

Becoming associated with the order recently were Miss Maelyn Inglett, and Mrs. Donald Schroeder. Mrs. John Roling was soloist. Serving on the lunch committee were Mrs. Robert Richards Jr., Mr. and Mrs. Adolph Eiken, Mrs. Elmer Middendorf, Mrs. Robert Richards Sr., and Mrs. Beryl Kerrigan.

BETHLEHEM AID
LANESBORO, Minn. (Special)—Hostesses for the Bethlehem Ladies Aid meeting June 1 will be the Mmes. Alma Elthun, Howard Ward, O. Benson, A. M. Jochen, Ray Himlie, Walter Ode, Carmen Campbell, Arnold Soland and Harry Honsey. There will be a cradle roll program and devotions. Bible study will be led by Mrs. Virgil Bothun.

Gavel Corner

New president of the Cathedral of the Sacred Heart Parish Council of the NCCW, is Mrs. B. F. Perkins. Mrs. Perkins finds assisting her husband, a life insurance underwriter, with his office duties, raising a family and sewing for her three daughters somewhat limits her outside club activities.

However, she is a charter member of the Winona Toastmistress Club, and served as its vice president last year, and this year was its representative in Mrs. Perkins the North Central Regional speech contest.

She is the new secretary of the Madison School PTA, and is a member of the YWCA and Winona Country Club. Mrs. Perkins is a graduate of Winona Senior High School and the primary department of Winona State Teachers College, and taught for eight years before her marriage in 1939.

Her husband and she and their five children, Freddie, 12; Alyce, 10; Jayne, eight; Gregory, five, and Mary Ellen, 17 months, reside at 523 W. Sanborn St.

The Women's Golf Association of Westfield Golf Club is headed

by Mrs. William Hajieck who also is interested in other sports including bowling in which she bowls in the Pin Toppers League once a week, and base ball, being an ardent follower of the Winona Chiefs.

Mrs. Hajieck also has served on various committees at Westfield including the prize committee and the open tournament committee. Her husband who is employed by the Bay State Milling Co., and she now live on Winona Rt. 3, but until six years ago resided in Winona. She is a native of Augusta, Wis., and engaged in legal secretarial work before and since her marriage, continuing the work on a partial basis recently.

Community service included Red Cross, Community Chest and bond drive work during the war years.

An officer of the Women's Union of Grace Presbyterian Church for a number of years, Mrs. Thomas Lightfoot is now serving as president of the union. She was its treasurer for the past three years.

Service in the community has

included working as a member of the Red Cross canteen corps when it has been called on for voluntary service. She also has been in charge of the purchasing of shoes and other items with Good Fellows funds to outfit needy children, having done this work for 15 holiday seasons. Mrs. Lightfoot

In addition, she assists her husband at home in his accounting business. They reside at 467½ Winona St.

Mr. and Mrs. Lightfoot have two sons, Donald W., employed in the C B & Q Rd. office in St. Paul, and Thomas W. (Bud) who oper-

ates his own upholstery and furniture finishing shop in Minneapolis, and one daughter, Mrs. Robert (Kathleen) Hemming, Aurora, Ill.

Kappa Pi, Art Fraternity, Initiates Eight

Floor standards holding dark purple iris and a table arrangement made a background for the candlelight service at which eight new pledges were initiated at the meeting of Alpha Upsilon Chapter, Kappa Pi, national art fraternity at Winona State Teachers College, in the social room in Somsen Hall, at the college Wednesday evening.

Gold candles and an arrangement of purple iris and deep rose red peonies centered the table for the initiation.

Initiated were George Acheff, Winona; Kenneth Riska, Winona; Miss Patricia Severson, Lake City; Miss Patricia Diethert, Stillwater; Miss Mary Jane Kaehler, Winona; Miss Dixie Meinzer, Hokah, and Miss Margaret Caldwell, and Frank Kelley, St. Paul.

Conducting the ceremony were Jon Sontag, Winona, president; Charles Henthorne, Winona, vice president; Robert Jensen, St. Charles, secretary; Donald Lowrie, Lake City, treasurer; Miss Noel Grech, Minneapolis, historian-recorder, and Miss Floretta M. Murray, head of the art department at the college, who is counselor for the chapter.

The Greek letters for Kappa Pi in iridescent green on red palettes were at either side of a central arrangement of spring flowers on the table for the annual banquet held at the Oaks following the initiation. The palettes and cutouts of artists with berets and smocks were designed and executed by Henthorne while the hand-lettered stop-sign place cards were the work of Sontag.

New officers were installed in a candlelight ceremony in the Hiawatha Room at the Oaks following the dinner. Taking office were: Henthorne, president; Lowrie, vice president; Miss Kaehler, Winona, secretary; Orrin Tubbs, South Portland, Maine, treasurer; Miss Severson, Lake City, social chairman, and Mr. Kelley, St. Paul, historian-recorder.

Guests present were Mrs. Riska, Mrs. Tubbs, Robert Brown, Stillwater, and Jerome Antioff, Winona.

Harmony Garden Club Flower Show June 1

HARMONY, Minn. (Special)—The Harmony Garden Club will present its eighth annual flower show, "Spring Awakening," at the Methodist Church here June 1.

Entries are welcome those in charge stated but must be in place by 12 m. The show will be open to the public from 2 to 9:30 p.m. A silver tea is held in connection with the show and movies are shown, commencing at 8 p.m.

TO MINOT

ALTURA, Minn.—Mr. and Mrs. Vern Stephan and daughter Betty Lou left today for Minot, N. D., where they will attend the graduation of Miss Darlene Larson, Aurelia, N. D., at the St. Francis School of Nursing at Minot Sunday. Mrs. Christ Baab, Miss Pearl Baab and Clarence and Lester Baab, Elgin, were guests of Mr. and Mrs. Stephan Wednesday.

The Coming Marriage of
Miss Harriet Irene Larson, above, daughter of Mr. and Mrs. O. C. Larson, Stockton, Minn., will be announced by her parents. She will be married to Wallace Emil Alitz, son of Mrs. Edna Alitz, Minnesota City, June 11 at 10:30 a.m. at Central Lutheran Church.

Mrs. Bard Lists Legion Auxiliary Poppy Sale Staff

Mrs. Arthur Bard, president of the Auxiliary to Leon J. Wetzel Post 9, American Legion, has announced names of headquarters staff and some of the sales group for Poppy Days today and Saturday. Mrs. Bard has been assembling the sales force for Mrs. Howard Clark local chairman.

Mrs. Arthur Dorn and Mrs. R. C. Lang are in charge at Memorial Club headquarters and will be relieved by Mrs. William Richman and Mrs. R. Burr Mann. Mrs. Cecil Baldwin will take care of a midtown replenishment spot.

A partial list of workers is headed by the new auxiliary president, Mrs. Donald Schaefer, and several past presidents. Nearly all of the past presidents are helping in one way or another in the sale. Mrs. Miss Barbara Steele and Mrs. James Hermes worked today. Others working today were Mary Dugan, Kay Joswick, Coral Bamber, Peggy Ramsden, Mary Cisevski, Inez McCabe, Marie Altobell, Virginia Pellowski, Doris Holmay and Joyce Peplinski.

In addition, the list includes Roseanne Maze, Julie Maze, Sandra Holmes, Karen Fredericksen, Linda Olson, Joyce Kohner, Patricia Olson, Joan Dearman, Irene Goodrich, Kathy Kohler, Irene Kangel, Francine Losinski, Lorraine Munson, Phyllis Cunningham and Mrs. Henry Lockwood.

FROM WASHINGTON

MONEY CREEK, Minn. (Special)—Miss Shirley Todd, daughter of Mr. and Mrs. Sidney Todd, has returned from Washington, D.C., where she was a civil service employee in the Navy Building the past three months.

BAKE SALE

ST. CHARLES, Minn. (Special)—The WSCS of the Methodist Church will sponsor a bake sale at the Frisch & Johnson show room Saturday, starting at 2:30 p.m.

Woman's Relief Corps Installs Three Officers

Mrs. B. J. Cardelli was installed as chaplain, Mrs. Wayne Kinkham as secretary and Mrs. Fred Korupp as conductor at the meeting of the Woman's Relief Corps, Auxiliary to John Ball Post, GAR, in the community room of the city building Thursday afternoon.

The 20 members present reported making 46 sick calls, cash contributions of \$17.25, other service valued at \$25, and child welfare work valued at \$42.

The meeting June 9 will be omitted on account of the convention at Rochester June 7, 8 and 9. Only one meeting will be held in each of the two months, July and August.

The corps has been invited to attend services at Grace Presbyterian Church at 10:30 a.m. Sunday. Members will meet at the VFW Club at 9 a.m. Memorial Day to attend the Memorial Day services. They are requested to wear white. Members also have been invited to attend the golden wedding anniversary celebration of Mr. and Mrs. E. M. Karlen June 4.

Mrs. Oscar Rydman received the attendance prize. Lunch was served by Mrs. Fred Brehm and Mrs. Reuben Bolderman. Cards were played at four tables and a prize awarded at each table.

FTA Club Elects Marie Engrav As President

Marie Engrav, a junior at Winona High School, was elected president of the Sarah Allen Future Teachers of America Club for the school year 1955-56 at the May meeting of the club held at the school Thursday. Serving with Marie will be Donna Swenson, vice president; Barbara Haney, secretary, and Melvyn Awe, treasurer.

Betty Lundstrom and Robert Prudoehl were elected to take charge of the FTA scrapbook during the next school year. Members voted to sponsor a football dance Sept. 16 following the Austin game. Proceeds from this will be the beginning of a fund which will grow, as other money-making projects are completed, into a possible scholarship which will be given to a senior member of FTA next June.

It was agreed to extend written invitations next fall to incoming sophomores who are planning to teach and who wish to become members of FTA.

Retiring president, Charlotte Svenningsson, presided at the meeting and thanked club members for their cooperation during the past year.

Following the business meeting, members heard reports from Betty Lundstrom, Marjorie McCormick and Susan Schwager who attended the state convention April 16.

BAZAAR PLANNED

SPRING GROVE, Minn. (Special)—The Waterloo Ridge Ladies Aid will sponsor a bazaar at the Waterloo Ridge Church June 1 at 1 p.m. Lunch will be served.

CLASS REUNIONS

SPRING GROVE, Minn. (Special)—Reunions of the first and 25th classes at Spring Grove High School are being planned in connection with the graduation of the 50th class at the school June 2. The 1908 class was the first and as no classes were graduated in 1904 or 1905, the 1930 class becomes the 25th. The classes will sit in reserved sections the night of graduation and a representative from each class will speak briefly. Arrangements for the get-together the evening of June 2 are being made by Mrs. Burnell Osgard, Mrs. Arnold Sannes and Mrs. Henry Bieggen.

Alma Chapter, OES, Visited By Grand Matron

ALMA, Wis. (Special)—"In the Pink" was the theme Tuesday night in table decorations at the annual Order of Eastern Star inspection dinner at the Fountain City Reformed Church dining room. Mrs. Melvin Fried and Mrs. Marvin Fugina, Fountain City, were in charge.

The chaplain, Mrs. Alvin Accola, gave the invocation. Mrs. R. G. Bielefeldt was in charge of the corsages presented.

Inspection followed at the Alma Chapter rooms with Mrs. S. C. Richtman, Fountain City, as hostess. Guest of honor for the evening was Mrs. Ruth Steffens, Burlington, worthy grand matron, who visited the chapter officially.

Also presented in the East were Marvin L. Fugina, Fountain City, grand trustee and past worthy grand patron; Mrs. Doris Buchholz, Eau Claire, grand March, and Mrs. D. V. Boardman, Winona, worthy grand matron of the OES of Minnesota.

Officers of the Alma Chapter exemplified the work after which the guests were called upon for comments. Mrs. Steffens and Mrs. Boardman were presented with honorary memberships by Mr. Fugina. Mrs. Steffens was also the recipient of a gift from Mrs. Al Moor, associate matron, in behalf of the chapter.

Following inspection coffee and tea were served with the Mmes. G. E. La Duke and Norbert Bataglia pouring. The table was decorated with yellow candles and a centerpiece of iris. In charge of the table arrangements were the Mmes. Ray Winger, R. F. Keil and W. F. Kirchner.

Guests included Lawrence Buchholz, Doris Paulson, Eau Claire, and Mrs. Evelyn Berchard, Burlington, who accompanied Mrs. Steffens. The last two were overnight guests of Mrs. Richtman. The next meeting will be held June 3 with no committee serving.

Hans Holgers Observe 50th Anniversary

HARMONY, Minn. (Special)—In the Greenfield Lutheran Church parlors here May 22, Mr. and Mrs. Hans Holger observed their golden wedding anniversary, welcoming 350 relatives and friends at an open house. The family served a dinner.

All their children were present, Raymond Holger and his daughter Mrs. Ronald (Margaret) Gizdovich and her son Bobby, Newport, Ore.; Harold Holger and his wife and children, Sally and Kurt, Portland, Ore.; Herbert Holger and his wife and children, Sharon, Gaylene, and Bonnie, St. Paul; Gordon Holger and his wife and children, Ramona, Jeanne, Rolly and Joel, Harmony; Mrs. Frank Cole (Alpha) and Mrs. Lee Hollingsworth (Helen) and her son Barry, Miami, Fla., and Mrs. Forrest Bellows (Gladys) and her husband and children, Kenneth, Ronald, and Marlys, Minneapolis. The honored couple was married May 17, 1905, at the Union Prairie Church by the Rev. Henry Rasmussen. The only attendant living, Olaus Holger, brother of the bridegroom was present.

The centerpiece on the serving table was an anniversary cake. The anniversary table was centered with yellow roses, lilies of the valley and snapdragons.

A program was presented with Joseph Holger, a brother of the bridegroom as master of ceremonies. The Rev. K. Monson gave the scripture and a prayer. Orvis Johnson sang a solo, Kermit Holger gave a reading, a granddaughter, Gaylene Holger, played a clarinet solo. Joseph Holger gave an account of the couple's married life, the Rev. O. C. Brenna talked and Ramona and Jeanne Holger, granddaughters, sang, accompanied by Mrs. Carl Pederson.

Mrs. Michael Campbell and Mrs. Herbert Holger had charge of the guest book. Two daughters, Mrs. Cole and Mrs. Bellows, served the wedding cake and Mrs. Ronald Gizdovich and Mrs. Martin Bakken poured.

Relatives attending from a distance were from Parshall, N. D.; Waseca, Minn.; Ft. Lauderdale, Fla.; Mantorville, Austin, St. Paul, Minneapolis, Cresco, Spring Grove, Mabel, Preston, Chatfield, Whalan, Lanesboro, Fountain, Rushford and La Crosse, Wis.

RETURNS HOME
CALEDONIA, Minn. (Special)—Mrs. Mary Hellickson who spent several months with the John Collier family at Washington, D.C., returned home Saturday.

TO NORTH DAKOTA

CALEDONIA, Minn. (Special)—Mr. and Mrs. George Tony, Portal, N.D., and daughters have returned home after a visit with Mrs. Tony's parents, Mr. and Mrs. Theodore T. Hoff, and family. They had just visited Mrs. Tony's brother-in-law and sister, Mr. and Mrs. John Ashahr and family.

HONORED AT PARTIES
LANESBORO, Minn.—Mrs. Gerald Flaby and Mrs. Ferdine Olson were hostesses at a bridal shower given for Miss Marilyn Brekke at the Flaby home. Miss Brekke was guest of honor at a shower Sunday evening in Albert Lea, given by Miss Joan Bratvold, Miss Jane Ferguson and Miss Virginia Savick. Mrs. Keith Burmeister and Mrs. Curtis Johnson were hostesses in April at a miscellaneous shower at the Burmeister home in Harmony. Miss Brekke will be married June 12 at the Union Prairie Church.

Mrs. Earl Anderson To Head Rushford Legion Auxiliary

RUSHFORD, Minn. (Special)—Mrs. Earl Anderson was elected president of the American Legion Auxiliary at its annual meeting Monday evening. Mrs. Marvin Manion is the retiring president.

Other officers elected were Mrs. Clifford Ebner, vice president; Mrs. Otto Julrud, second vice president; Mrs. Maynard Dubbs, treasurer, and Mrs. Marvin Manion and Mrs. Elmer Rislove, executive board members. Appointive officers will be named by the new president.

Mrs. Manion and Mrs. Rislove were elected delegates to the district convention at Spring Valley and Mrs. Anderson and her secretary are to be delegates to the state convention at Rochester.

Mrs. Dubbs and Mrs. Ebner were elected alternates.

The program presented included a vocal solo by Madeline Howe with Miss Ruth Gruenier as her accompanist and a medley of popular songs played by Robert Stephans on the piano.

Lunch was served by Mrs. Henry Quarne, Mrs. Myron Forsythe and Mrs. Hulda Peterson.

DISTRICT 31 PICNIC
MINNESOTA CITY, Minn. (Special)—District 31 will hold its school picnic in the Green Lodge at the Farmers Community Park May 31. Everyone is to bring their own dishes, sandwiches and a salad, hot dish or cake or cookies. Everyone in the district is invited by those in charge.

Cost of Distribution of Food Will Continue to Rise

The cost of getting America's food from the farm to the consumer's table is likely to keep on going up.

It will keep on going up because of our American taste for leisure and the quick, easy way, predicts a research family economics bureau.

The postwar climb of distribution costs has caused the drop in agricultural prices to be only partially reflected in grocery price tags. The farmer's share of the consumer's food dollar dropped from 52 cents in early 1946 to 44 cents in early 1954, says the report.

Thus, food worth 44 cents at the farm cost another 58 cents to move to the consumer's kitchen. From two-thirds to three-fourths of this distribution charge represents wages of the workers who help perform the various distribution services.

These services have grown tremendously in the past half-century. They are mainly services of convenience — which makes the housewife's job quicker and easier. In the foreseeable future a still greater proportion of our population will use an increasing number of such services because:

The percentage of farm population continues to shrink; non-farm families buy more processed and transported foods than do farm families.

Our continuing high birth rate assures growing use of prepared baby foods. American concern for child health assures continued growth in use of inspected, sanitary-processed and sanitary-packaged foods.

Our rising percentage of retired persons means expanding use of convenience foods — canned, refrigerated, frozen, put up in small convenience packages and units.

Continued rise in general consumer purchasing power is indicated. This means that the American taste for leisure and the quick, easy way will be gratified by the American genius for providing such conveniences. The quick, easy way in the kitchen means semi- or completely prepared foods, with workers in food-processing plants doing a part of the housewife's work for her.

Approximately 50 per cent of the cost of distribution is the wages of workers directly engaged in food processing, transportation or marketing. Another 15 to 25 per cent of the cost is wages of workers indirectly contributing to food distribution — who make tin cans, cartons, dairy machinery, freight cars, delivery trucks; who mine the coal and petroleum burned by freight locomotives and trucks, etc.

Average hourly wage rates in food distribution industries went up 43 per cent from 1947 to 1953, and are still rising. Fringe benefits have risen faster than hourly rates, and continue upward. Though new machinery and shortcuts have achieved some economies, labor costs per unit of food distributed rose a government-estimated 35 per cent from 1947 to 1953.

Other items in the food distribution bill include local, state and federal taxes, electricity, gas and other fuels, rents, costs of new buildings and equipment, none of which seem likely to reverse their upward direction.

The item of profits has shown comparatively little change in recent years. Profits in food manufacturing industries have ranged from a little below to a little above three cents per dollar of sales. Supermarkets average about one cent profit after taxes, out of some 16 cents operating margin per dollar's worth of food sold. Of their remaining 15 cents margin, about 11 cents goes in wages to sales people, warehousemen, etc., and four cents goes for rent, taxes, advertising, and other expenses, the report says.

Combined profits of food processors, carriers, wholesalers and retailers have been estimated by the government at about eight per cent of food distributing costs, or about five cents of the consumer's retail food dollar. Undoubtedly all factors in food distribution will try to maintain their profit margin, the bureau says.

Thus the American consumer is likely to continue to demand and to get more convenience services with his food. Wage costs and material costs of such services are likely to keep on advancing. Therefore in spite of national and local investigations of the "middleman," the cost of distributing the nation's food will continue to rise, slowly but surely.

Try and Stop Me

By BENNETT CERF

With "do-it-yourself" books selling better all the time, Lynn Farnol suggests three sure-fire new titles: "Brain Surgery Self Taught," "How to Build Your Own Swamp" and "Head Shrinking for Fun and Profit."

Sandy McTavish held out for fourteen years against the purchase of a new suit, but succumbed when the local constable threatened to arrest him for indecent exposure.

As God will give me grace for all . . . The good I want to do.

These Days

Counterpart Fund Program Explained

By GEORGE E. SOKOLSKY

LONDON — There has been talk in Congress about the use of the British of the counterpart funds for the reduction of their national debt. The talk was unfavorable. The point must be made that while the Marshall Plan was very popular among the British it has run its course, and the defense aid which followed it is of value but not of the same value as the Marshall Plan because of changed conditions. Also the insistence upon giving some aid in the form of agricultural material out of the stockpiles or such products as grapefruit, which is an unusual food here, does sometimes makes for complication.

It is freely admitted here that some of the counterpart funds were used to reduce the national debt. It is suggested that it was a use that did not neutralize the benefit of dollar aid by creating an inflation. In a word, unless defenses were set up, the huge influx of dollars could have stimulated inflation. On the other hand, American public opinion was insistent that Marshall Plan money should not subsidize the budgets of receiving countries.

IT WAS PUT TO ME this way. This was the origin of the "special account," namely the system by which sterling counterpart (the proceeds of selling the dollar goods by which aid was brought into the country) was paid into a special account at the Bank of England and drawings out of the account could only be made by the treasury with the approval of the United States.

One of the objects specified in the Marshall Plan agreement was the extinction of debt. And as an act of deliberate policy the British government decided, with the approval of the American authorities, to dispose of the sterling in the special account in this way and not to spend it on the capital investment which was the pattern adopted for counterpart in continental countries. The British concept of their economy is to protect the balance of payments while avoiding inflation, and the surprising thing is that they have done it. They used our assistance under the Marshall Plan to do it, but what must be said of them that cannot be said of some other countries is that they used our aid well and to their permanent advantage; it did not go down the drain.

On the continent of Europe, counterpart funds were used to increase the number and volume of state or privately-owned investment projects.

In Great Britain investments were restricted to maintain the internal economic balance in order to avoid inflation. Even so there were too many state investments coming out of war conditions and it was not considered politically or economically advisable to use Marshall Plan counterpart funds to aid private investments.

THE TOTAL OF STERLING counterpart funds amounted to about \$680,000,000 pounds or about 1,500,000,000 dollars. The United States got five per cent of this and after making some deductions for small items the bulk of this amount was used to extinguish the national debt. Special arrangements were made that this use did not increase inflation. The debt reduction consisted of special non-interest bearing notes in which the counterpart was invested by the Bank of England where it was lodged in a special account. It did not increase cash circulation. The Marshall aid period was 1948-1951 and the amount of counterpart applied to debt extinction in each year was as follows:

1948-1948	107,000,000 pounds
1949-1950	132,000,000 pounds
1950-1951	275,000,000 pounds
1951-1952	55,000,000 pounds
1952-1953	55,000,000 pounds

Totaling 529,000,000 pounds. This amounts to \$1,481,200,000.

It is not understandable why there should be any secrecy about such a matter and it undoubtedly has been published elsewhere. When I left on this trip it was spoken of as a great secret. The British have to avoid inflation because their economy rests on a fine hair. They are about 50,000,000 people who live on islands that can produce food for about 15,000,000 people, which quite apart from the serious question of raw materials, metals, woods, fibers, food, takes on an importance here which it cannot have in the United States where we stockpile butter and what. The British can import ample food now but they want to keep it that way and all their economic maneuvering is designed to that end.

IN YEARS GONE BY

Ten Years Ago . . . 1945

Most drugstores in Winona will close daily at 8 p.m. with the exception of Fridays when they will remain open one hour longer.

A resolution to transfer offices of the Winona County Red Cross chapter from the city building to the Exchange building was adopted by directors of the organization.

Twenty-Five Years Ago . . . 1930

The Royal American shows commenced a six-day run at the West End show grounds.

Bernice Haesley has retained the girl's tennis championship of Winona High School.

Fifty Years Ago . . . 1905

The Adams Automobile Co. has this week made two sales of machines.

Frank Villa is building a launch for himself, Fred Schaffer and Earl Simpson.

Seventy-Five Years Ago . . . 1880

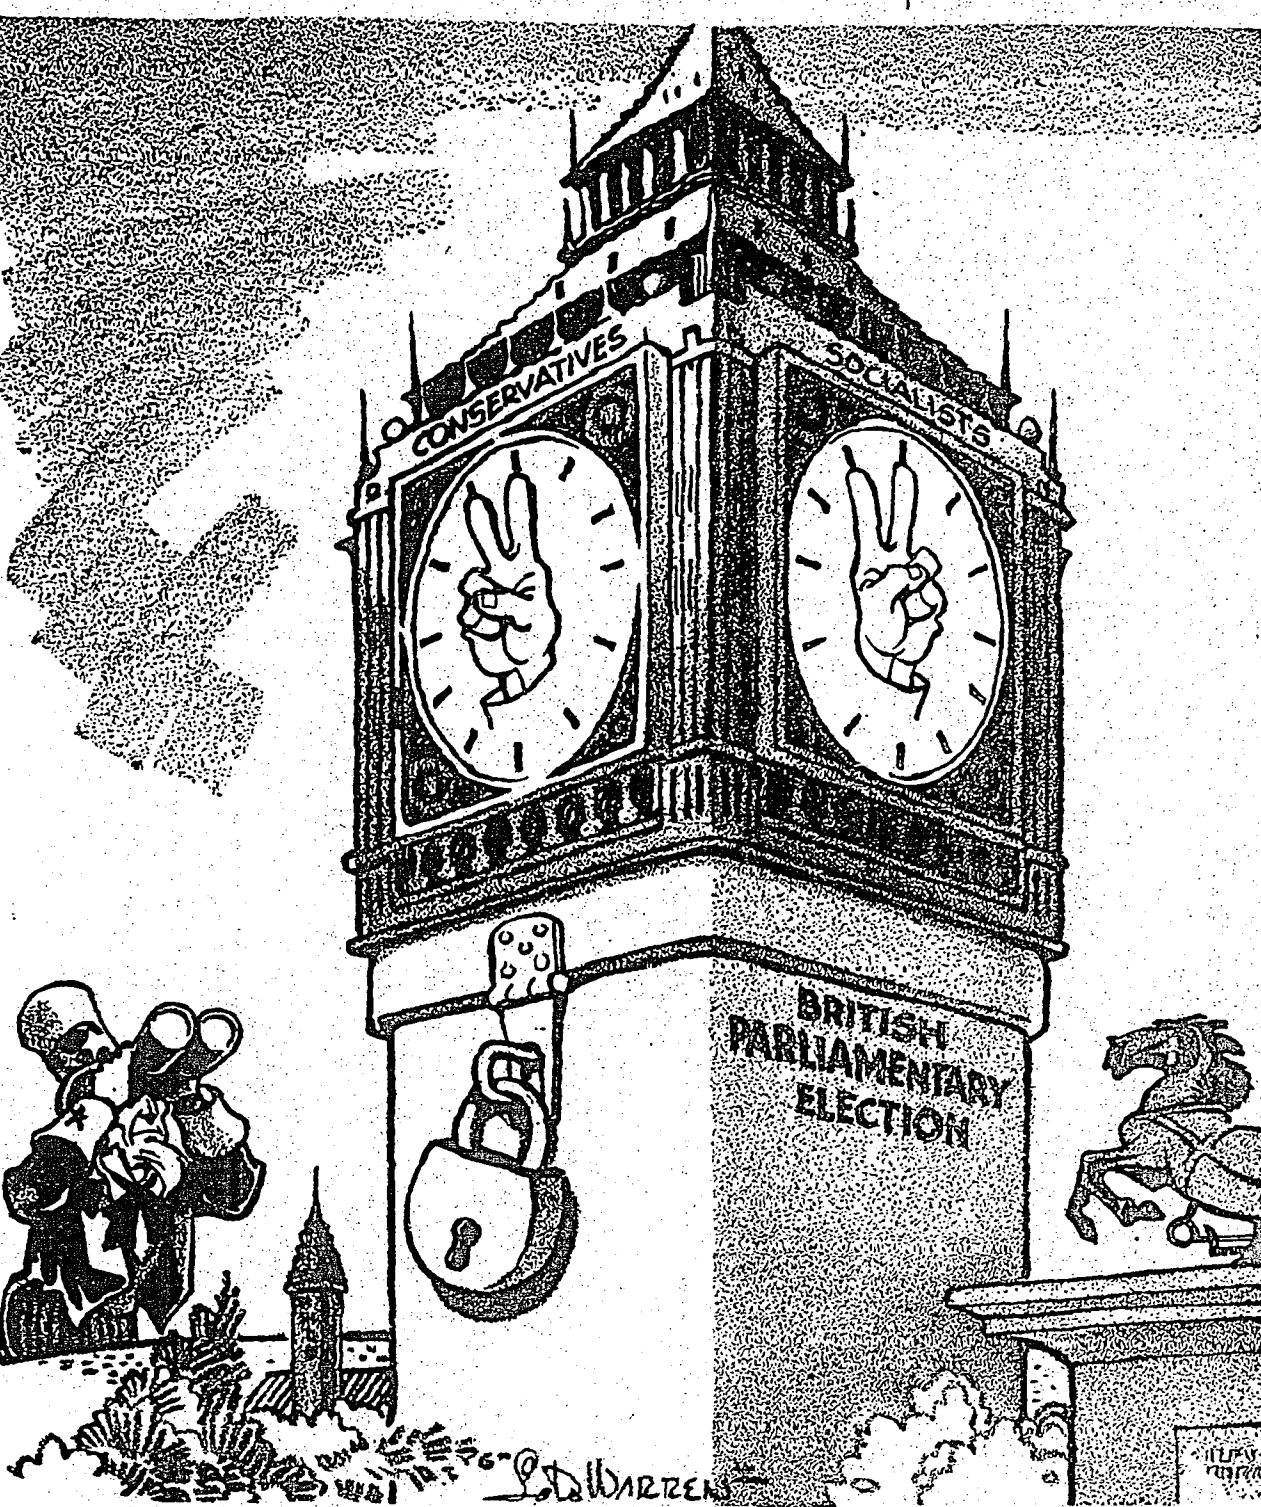

J. Newsalt, of Owatonna, a well known salesman, is in town.

There is a prospect of a glue factory being started here soon by Frank Burjar of Chicago.

The suit he bought came from a bargain counter, of course, and featured an extra pair of pants. He appeared in his new garb on the hottest day in twenty years — and virtually stopped traffic. "Ach, now," howled the constable, "ye've finally bought it, eh? How does it set on ye, mon?"

"Not good," admitted Sandy. "In all this heat, two pairs of pants are downright uncomfortable."

CLOCK WATCHER

Washington Merry-Go-Round

FCC Member Who Fought For Little Stations Fired

By DREW PEARSON

WASHINGTON—While one lady in high office who has helped cause confusion in the radio crisis is planning to bow out, another lady who has done a terrific job for the American public in regard to television is being fired.

The first lady, of course, is Mrs. Oveta Culp Hobby, who will leave the Cabinet when the Salk vaccine confusion has died down and when she will not be retreating under fire.

The second lady is Miss Frieda Henneock, first woman ever to be appointed to the Federal Communications Commission, who is being dropped as her term expires in June. Her replacement will be Richard Mack, a Florida utilities commissioner, reported to be a friend of the telephone company.

His appointment will be the third utilities commissioner and friend of A. T. and T. Ike has appointed; the others being John Doerfer of Wisconsin and John McConaughy of Ohio.

Meanwhile, scores of little broadcasters and TV independents meeting in Washington this week paid tribute to the lone lady who has fought the battles of the small radio-TV stations.

It was Commissioner Henneock who demanded and got 257 TV channels set aside for education. It was Miss Henneock who fought valiantly for the smaller ultra high frequency stations which have been blanketed out by the big networks.

It was Miss Henneock alone who dissented from giving American Tel and Tel an \$80,000,000 increase in rates. It was Miss Henneock who fought for 800 small daytime radio stations, who campaigned against crime and horror on television, and who opposed the increasing trend toward monopoly of communications.

And it's Miss Henneock who, despite her battles for the public and for the little broadcaster, is now being fired.

Note—It was the late Sen. Taft who largely put across Miss Henneock's appointment to the FCC. Taft, a Republican, vigorously supported Miss Henneock, a Democrat, because he was a staunch believer in the principle of free competition.

Soft Toward Communism

The Democrats have had their noses so relentlessly rubbed in the charge of being soft-toward-Communists that it will be interesting to see what they do about Ike's recent error in the same direction.

He has just appointed a man to the subversive control board who was definitely soft toward the Communist film-writers in Hollywood. Ex-Congressman John S. Wood of Georgia, the Eisenhower appointee in question, also paid \$15 initiation fee to join the Ku Klux Klan though later, he says, backing out; also hired a former Klansman, Walter LeCraw, to be counsel of the un-American activities committee. The Klan, of course, is on the list of subversive organizations which Wood as a member of the subversive control board will have to pass judgment on.

Wood's record is so unusual that capital observers were flabbergasted at his appointment. One explanation is that Wood is the uncle of Ike's golfing friend, Bobby Jones, which is a fact, though Jones has kept aloof from politics in the past.

Here is more of the inside story on the man now picked to sit on a board which rules on subversive organizations.

Hollywood Probe

Back in 1945, the old Dies committee had accumulated information that some of the top film-writers in Hollywood were Communists. So, when Cong. Wood inherited the Dies committee in July 1945, one of the first scheduled jobs was to probe Hollywood.

In preparation for this, a committee investigator, Louis J. Rus-

sell, had gone to Hollywood and collected important information. This was supplemented by two ex-FBI agents, H. A. Smith and A. B. Leckie.

But, after assembling this information, Cong. Wood did nothing. There was nothing wrong with the information. Later, it proved potent enough to send 10 of the film-writers to jail. It also served the Republicans with a dynamite-laden investigation after they took over from Wood in 1947.

But Wood, when chairman of the committee, did absolutely nothing about probing Hollywood. He simply let the information gather dust in his files. Finally, in December of 1946, after the Democrats had lost control of Congress and Wood was about to step down, he went out to Hollywood and was wined and dined. But he made no investigation.

And it was only after Wood was replaced as chairman that the Hollywood probe began and 10 screen-writers went to jail.

That is the record of the man Ike has picked to replace American Legionnaire Watson Miller on the subversive control board.

Mysterious Lawyer

Now, let's see why it was that Cong. Wood suddenly became soft toward Communism in Hollywood.

Astute Louis B. Mayer, head of Metro-Goldwyn-Mayer, had suddenly hired an obscure attorney from Wood's district in Georgia—Edgar Dunlap.

Mayer had many high-priced attorneys in Washington — ranging from Alfons Landis and Ellsworth Alford to Jimmie Byrnes, the ex-secretary of state, and Paul McNutt, former governor of Indiana. Both of the latter represented the motion-picture industry. Ignoring them, however, he reached into Georgia and hired an unknown attorney, Edgar Dunlap, to handle the proposed probe.

For Dunlap had one great advantage. He was a close friend of Cong. Wood's.

The strategy worked. Not only was the probe of Hollywood delayed for two years, but later, when the Republicans insisted on holding the probe, Wood sat on the committee and defended Hollywood witnesses.

On the night of Oct. 20, 1947, just before the Hollywood hearings were to start, Paul McNutt, attorney for the motion-picture producers who were then cooperating with the screen-writers, met privately with the screen-writers' attorneys.

"The only man friendly to us on the committee is Cong. Wood," McNutt explained. "We have had trouble getting him up here from Georgia, but we're going to meet his train tomorrow and hustle him up to the hearing."

Next day Wood arrived at the hearing a little late but well coached. The official transcript of the record, easily obtainable by the White House before Wood was appointed, shows how he asked carefully rehearsed questions to help out the witnesses from Hollywood.

Despite that record, Wood has now been picked to set standards for the American public on which organizations are Communist, which non-Communist.

In 1946, a Tokyo expert using an abacus proved he could calculate faster than an expert using a modern electric machine.

Boyle's Column

Girl Watching On Job's Not Fair to Boss

By HAL BOYLE

NEW YORK — Has the American working girl become too attractive?

Is her eye appeal so irresistible that her male coworkers in office, store or factory have difficulty keeping their minds on their jobs?

Wouldn't it make for more efficiency in the business world if the glamorous working girl were turned back again into a Plain Jane, perhaps by making her wear a standard uniform?

To many of us thoughtful students of the industrial scene the answer to all these questions is a stern and simple "Yes!" In the interest of a greater productive output, it is high time we did something to make working girls look nondescript, if not downright repulsive.

Girl watching has become a major disrupting factor in the average firm—so girl watching must go!

Let me explain:

Take an ordinary small office. Tillie the typist is dressed as chic, and made up as pretty, as a Hollywood starlet.

Every time Tillie steps out of the boss's office to go to the water cooler she passes the desk of Walter Beaver, the junior executive.

Walter glances up. His eyes follow her trim figure to the water cooler. They stay with her all the way until she trips back and disappears into the boss's office. So do the eyes of two young male clerks and the old bookkeeper.

What are these four men thinking of? One cannot be sure, of course, but it is reasonable to assume they aren't brooding about how to make more money for their employer. Their minds have been distracted from their tasks. And this doesn't happen once a day. It happens a dozen times—every time Tillie winks. How often the boss finds his own mind wandering when he looks at Tillie is his own secret. But after all he is human, too.

What happens in this one small office is duplicated in every other business establishment in America.

What can be done about it?

THE WORLD TODAY

Reason for Bomber Production Step-up

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—The Defense Department, after a two-weeks blasting by critics, now orders a boost in the production of long-range bombers. This could be a coincidence. Maybe it wasn't.

A little over a year and a half ago—Oct. 6, 1953—Secretary of Defense Wilson made a prediction about the Russians:

"It would be perhaps three years before they would have a reasonable number of bombs (H-bombs) and airplanes that could deliver them. I don't happen to think myself that this time factor is too important."

He said he thought American developments were about three years ahead of the Russians.

A month ago the Russians displayed over Moscow swarms of planes, fighters and long-range bombers, some of new types. That touched off public warnings that the Reds were pulling abreast, if not ahead, of American air power.

Sen. Symington (D-Mo.), who was secretary of the Air Force under President Truman, said Wilson had underestimated Soviet air strength. The Defense Department issued a statement saying the Russians were cutting into this country's lead in production of heavy, long-range and medium bombers.

Yesterday the Air Force announced it is ordering a boost in the production of America's newest long-range jet bomber, the B52. What is the tally, between the United States and Russia, in planes and their development?

Here is a boxscore put together from the information provided by Wilson and information put into the Congressional Record by Symington:

Long-range heavy bombers—For years the Russians had no long-range bomber. The United States stayed ahead with its long-ranger, the B36, of which it had plenty. But no more B36s are being built. They will be succeeded by the B52.

The B52, an eight-jet bomber, is not yet in operation in Air Force squadrons. The Air Force will have perhaps 15 or 20 of them by mid-summer. They have a speed of over 600 miles an hour, can range over 6,000 miles.

Over Moscow the Russians displayed 10 or more of their new long-range jet bombers, called Type 27, which Wilson himself said is comparable to the B52. It is said to have four jet engines and may be more powerful than the B52.

There is no point in employers pasting signs on a bulletin board saying: "Male employees will cease and desist from looking at the female help during working hours." That won't work.

Girl watching, once a fellow falls into the habit (and most fellows do), becomes an unconscious thing. A fellow can't help it.

The real answer is to make the American working girl so unattractive that watching her is no longer fun. Girls never in history looked more unattractive than they did in an old-fashioned gym class a couple of generations ago.

Anybody against this whole idea?

Letters to the Editor

Fair discussion of matters of general interest is welcomed. Articles must be temperate and not over 400 words long, the right being reserved to condense any too long or to eliminate matter unsuitable for publication. No religious, medical or personal controversies or articles supporting candidates for office are acceptable. The Winona Daily News does not publish original verse.

The writer's name and address must accompany each article and if publication of the name is not desired a pen name should be given. Unsigned letters receive no consideration. Where fairness to the public demands, publication of the writer's name will be required, but he will be given opportunity to decide whether he wishes the article published over his signature or withheld.

Pastor Tells of Additional Contributions

To the Editor:

I am much gratified by the manner in which you have taken action to back a campaign for funds for Robert Haslerud, and by the spirit in which you have made the appeal a matter of Christian open heartedness and generosity.

It is also interesting to notice the immediate spontaneous response which this appeal has drawn forth from people. Offers to help with the children, immediate funds, and other generous ideas have poured in already. No sooner was your paper out on Saturday than I had a telephone call from Matt Brady offering to sponsor a benefit outdoor movie in Whalan, which offer is being accepted, and plans made for the showing.

The following list is sent you for inclusion in the fund in accordance with your own decision and policy. It represents the very first funds which were solicited by Harris Anderson and T. O. Dybing, among the very nearest neighbors of the Gullicksons. The funds were turned over immediately, and were needed for purchase of clothing for the funeral. A similar amount was subscribed by the same people for the benefit of the Gullickson family. Perhaps you will want to include it in your list, — but remember, the money is already turned over. Perhaps you will want to list it separately.

Harris Anderson	\$10
Erlan Johnson	10
Edwards Brothers	10
Vernon Johnson	10
C. T. Dybing	10
T. O. Dybing	10
Matthew Hangerholt	10
Reuben Johnson	10
Neil Raen	5

The enclosed check for \$2 was handed me for the benefit of the fund. My own check for \$10 is also enclosed.

Again, thanks.
Sincerely,
Dale J. Simons, Pastor
Evangelical Lutheran Churches
Whalan, Minn.

NEW HOMES

that do you proud...cost

BOTSFORD LUMBER COMPANY TAKES THE MYSTERY OUT OF HOUSE BUILDING WITH EXACT COSTS ON ANY OF THESE 5 ENGINEERED HOMES!

ONE OF THE BEAUTIFUL HOMES PICTURED
HERE CAN BE YOURS FOR AS LITTLE AS

\$5,342

★ For materials and
partial erection as
shown below.

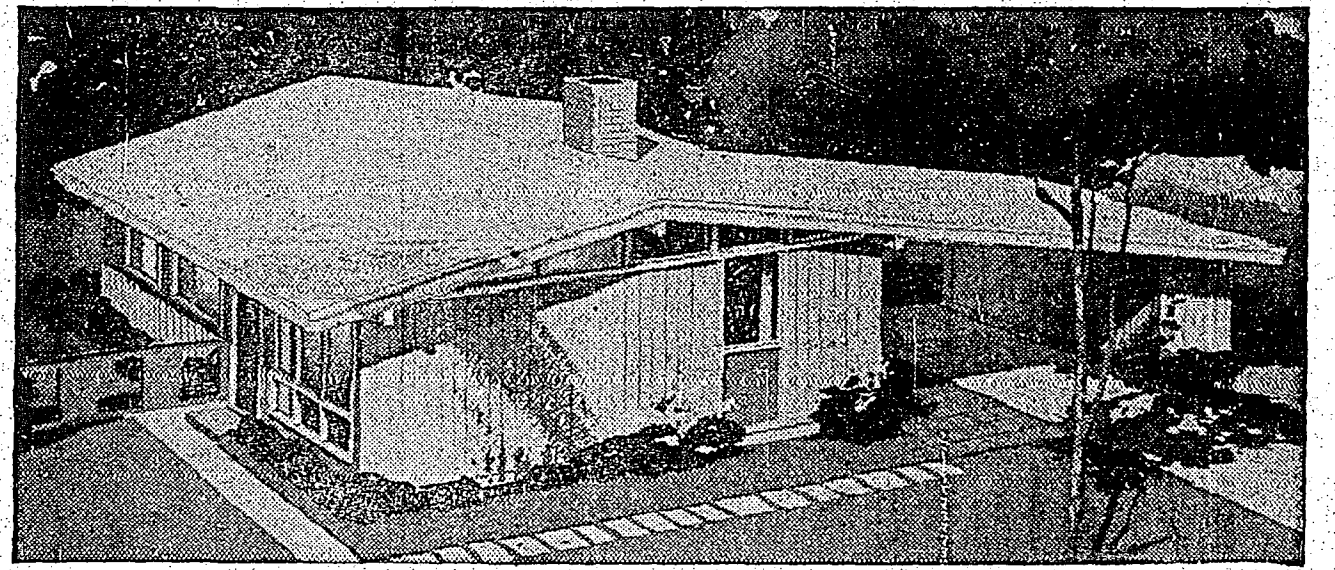

Erect Above Your Basement—

Joists, Sub-Floor, Walls, Roof, Roof Shingles,
Outside Trim, Install Weatherstripped Win-
dows and Outside Doors.

And Also Furnish—

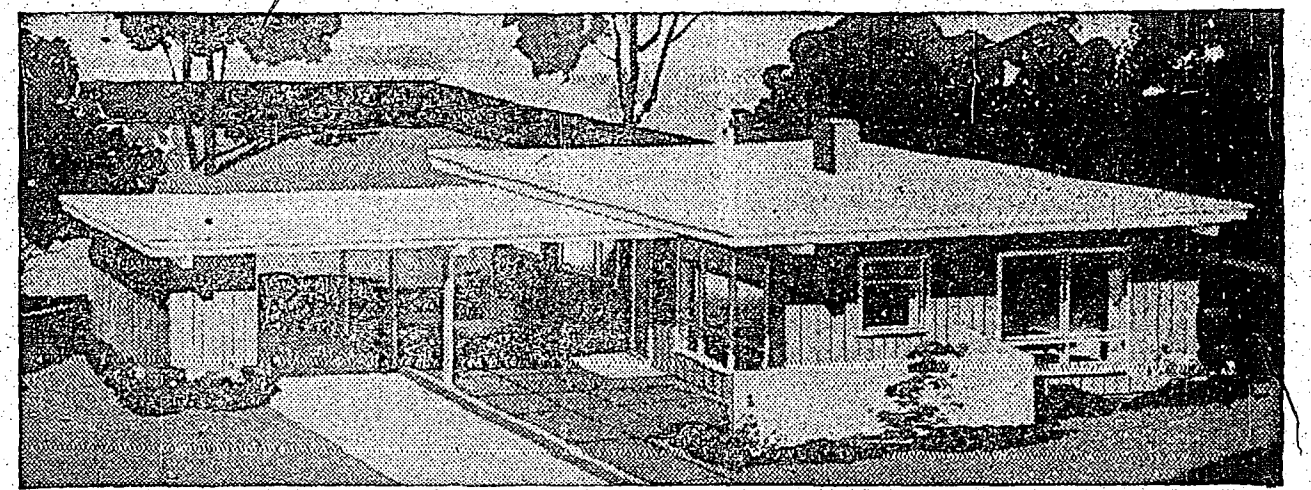

Siding, Inside Partitions, Insulation, Sheet Rock
or Rock Lath, Inside Doors and Trim for Doors
and Windows, $\frac{3}{8}$ " Plywood for Bath and
Kitchen Floor, Oak Flooring through rest of
house, Storm Sash, Screens, All Builders Hard-
ware and Nails.

NOW . . . you can know exactly to the penny how much your
home materials (and partial erection) will cost—because BOTS-
FORD has it figured that way on the five homes shown on this
page. Yes, sir! Panelized and Roof Trusses will fit any floor
plan you have and makes this great new way of buying your
home possible. These materials aren't just price materials to
give you low cost—they're top grade regular BOTSFORD stock,
the kind we have been selling for years—the economy comes
because we panelize it in large amounts on power tools that
chop hours off regular "on the job" cutting. Naturally, prices
vary somewhat with the type of material you choose for exter-
ior and interior trim, but when you do make your selection
BOTSFORD tells you to the penny what it will cost—and guaran-
tees it in writing. Has anything ever been more wonderful for
the folks who want to build that home of their own? Complete
plans and specifications are available at any BOTSFORD LUM-
BER COMPANY office. Stop in soon—see what this great plan
means to you in MORE HOME FOR YOUR MONEY. Get our

Survey Reveals Many Children Fed Poorly

Winona Co. Pupils Make Report to Home Council Women

By MRS. JOYCE RANDALL
Winona County Home Agent
LEWISTON, Minn. — If all the children in Winona County eat as do a group who were recently surveyed, then it is important that mothers begin to feed their families better.

Members of the Extension Home Council visited the schools near their homes and asked the children to write what they had eaten for the three previous meals. Here are the findings of this survey:

Two hundred ninety-six children, both rural and urban, were surveyed. Of these, 180, almost two-thirds, did not have even the bare minimum breakfast—fruit, cereal or toast and milk. One hundred thirteen did have at least that much and 29 had more.

It also was discovered that 138 children had no citrus fruit during the day and 132 of them had no vegetables of any kind.

What Did They Eat?
What do these children live on? It appears that they are eating primarily meat, potatoes and bread—all excellent foods but not good enough to give our bodies every nourishment they need. Proteins and starches must be supplemented with vitamins and minerals, and these are to be had largely through fruits, vegetables and milk.

Mrs. Randall child to like food should begin early in infancy and continue through the high school years, since children need food for growth and energy.

A child needs plenty of calories to take care of his needs for activity. Cereals, bread, potatoes and fat are the chief sources of energy.

He needs proteins, which are necessary for growth and maintaining the body. Body building protein foods include milk, eggs and meat. Eggs and meat are also rich in iron, and all three foods are good sources of vitamins.

Minerals such as calcium and phosphorus are essential because they give bones and teeth their rigidity. Milk is the best source of calcium. There are other minerals the child needs too, and he must get the various vitamins to insure normal functioning of the body and to promote growth.

21 No Milk
We found that 21 of our youngsters had no milk during the day. Milk is the most important single food in a child's diet, and most children should get from three cups to a quart of milk a day. But don't expect your child to take all his milk as a drink. Some of it should be served in soups and puddings, or on cereal. Ice cream or custard or cottage cheese is another way to get milk into your child's diet.

Children need all kinds of vegetables, especially the green and yellow varieties, to get vitamin A. Citrus fruits are rich in vitamin C. Referring to the seven basic food groups, as worked out by the human nutrition research branch of the U. S. Department of Agriculture, shows you how to give your child the right foods in a well-balanced meal. If you would like such a chart to remind you of your family's needs, write to the extension office for a copy.

WHITEHALL 4-H CLUB

WHITEHALL, Wis. (Special) — The Whitehall Willing Workers 4-H Club will meet today at 8 p.m. at Our Saviour's Lutheran Sunday School building. Grant Anderson and Jerry Sygula are planning the program and Mrs. Joe Sylls will serve.

GLENCOE HUSTLERS 4-H

ARCADIA, Wis. (Special) — Movies were shown at a recent meeting of the Glencoe Hustlers 4-H Club at the Coville School. Marlene Putz, a club member, will sing with the state club chorus at Madison in June. Refreshments were served by Mrs. Albin Rotering and Mrs. Wilmer Ziegewald.

Farmers Exchange

58 Main Street

This Unpretentious Device was invented by a Strum-Eleva farmer last summer to lift baled hay into storage spaces. It is claimed by implement dealers that it saves hours of labor and that more than 6,000 have been sold within the last few months. (Daily News photo)

Strum Farmer's Hay Bale Unloader Proves Success

WHITEHALL, Wis. (Special) — That necessity is the mother of invention proved true in the case of Maurice Hanson, Strum farmer, who in 1954 took his idea for a hay bale unloader to the Strum blacksmith, Jewel Berge, built it, and put it on the commercial market. About 6,000 already have been sold. Seven hundred dealers in Minnesota and Wisconsin are selling the unloader.

Hanson operates a 320-acre dairy farm near Strum. Short of help, he designed the unloader which Berge converted into steel. The unloader lifts 10 bales of hay from the rack to the hay mow in one simple move, yet is only 58 inches long

and weighs 39 pounds. It consists of two rows of four curved tines which hook into the inside of two rows of bales. Two more bales, placed between the two rows of hooked bales, are lifted without hooks by the weight of the eight bales on the outside.

The unloader, put into operation on Hanson's farm last summer, was operated by Hanson's 12-year-old son, Steven, key worker in moving more than 4,000 bales into the mow without lifting a single bale by hand.

It handles round or square bales with equal facility. Called the H-B 10-Bale Unloader, it contains no springs, no chains and no catches to break or wear.

Elgin Cornetist Tops Wabasha Co. Talent Contest

MISS MARLENE MATTILA
Wabasha County 4-H Club Agent
WABASHA, Minn. — Cornetist Glee Houghton of the Lucky Clovers 4-H, Elgin, is winner of the 1955 Wabasha County Search for 4-H Talent contest.

She will enter the district contest June 15 at Goodhue. This will be a repeat performance for Glee as she won the county title last year, too.

We now have a supply of tickets for the district contest. These are available to 4-H families, leaders, and friends of 4-H. They are available without charge while our supply lasts. We'll want a large delegation backing Glee and her cornet solo at Goodhue.

We appreciate the efforts of our talent judges, Kenneth Nelson and Irvin Burkhardt, both of Wabasha. They told us that entries ranking near the top were: Carol Ellis, pianist, Elgin Eagles 4-H, and Dianne Schueneman, acrobatic dancer, Elgin Eagles 4-H. The new and as yet unnamed club in Wabasha made its debut with three entries: Dianne Stromness, vocal solo; Danny Losinski and Mary Kurzeka, vocal duet, and Nancy Passe, piano solo. Also spotlighted on the program were Joan Sprenger, Bear Valley Cubs, piano solo; Fatsy Schurhammer, Wabasha Girls in Action, accordion solo; Phyllis Kere, Wabasha Girls in Action, vocal solo and Arlys Moechnig, Jolly Workers, accordion solo.

The county 4-H enrollment now stands over 370. This is a larger enrollment than the county has had since 1945. Leaders, members — keep up the good work by inviting new members and showing them such an interesting organization with worthwhile goals that we'll reach an all time high next year.

Looking ahead we see these events coming up: Homemakers camp, May 31-June 1. Frontenac (open to all homemakers who desire a top notch program, fun and fellowship); June 2-5, Frontenac 4-H camp, (30 Wabasha County members will join nearly 200 others for four days).

Brown Swiss Canton Show Wednesday on Rushford Grounds

RUSHFORD, Minn. — The Southeast Minnesota area Brown Swiss canton show will be held at the Rushford Library grounds next Wednesday.

Milton Hoberg, Fillmore County agent, said that he has received 20 entries to date. The show is open to any Brown Swiss breeder in the area, including 4-H and FFA members. Harold Seales, extension specialist in dairy, will be judge. The show will start at 9:30 a.m., and dinner will be served on the grounds.

Minnesota Still Top Butter Producing State

Wabasha Co. Agent Tells Importance Of Dairy Industry

By MATT METZ
Wabasha County Agent

WABASHA, Minn. — In behalf of the Wabasha County Dairy Day Committee and the dairy enterprises of Wabasha County, I am going to devote this week's column to facts about the Minnesota dairy industry.

Minnesota is the nation's top producer of butter, ranks second in nonfat dry milk solids production, stands third as a fluid milk and cheese producer and is a leading manufacturer of ice cream and evaporated milk.

The wholesale value of Minnesota's dairy products in a single year is over \$380 million. Over 90 per cent of the state's dairy production is sold outside the state borders.

There are 1 1/2 million dairy cows in Minnesota or one cow for every two persons. America's total dairy cow population is 4 1/2 million, 1 for every 7 Americans.

Dietitians believe that one of the main reasons for the high mortality rate among the Pilgrims during their first winter in the New World was lack of fresh milk. The Pilgrims' cows died en route to Plymouth Colony.

One out of every 15 Americans gains his livelihood from the dairy industry, which supplied \$6 billion dollars of the total farm income of the U.S. in 1953. The dairy industry is the world's largest and best equipped.

Butter is served in 70 per cent of the American homes, and in 1954 homemakers bought more butter than in 1953.

Never Outgrow Need

Dietitians are agreed that you never outgrow your need for milk. A nickel's worth of milk provides as much protein as 10 cents worth of round steak. A "milk habit" of three glasses of milk each day promotes a healthier nervous system. Each pound of butter contains four pints of cream.

Ice cream, called the dairy industry's "glamour food," uses 10 billion pounds of cream and milk plus 400 million pounds of fruits and nuts annually to satisfy America's sweet tooth.

Whole milk should be a part of reducing diets because it keeps protein, mineral and vitamin levels high while supplying only a fraction of the calories you need.

Ten million Americans are directly a part of the dairy industry. Wabasha County Dairy Day is June 8 at Plainview. Bring your family and enjoy a picnic and free ice cream and milk.

'Ag' School Plans Reunion June 11

ST. PAUL — The University of Minnesota School of Agriculture will hold its annual midsummer reunion and dance June 11.

All of the classes from 1947 through 1955 will use the midsummer reunion as their official get-together. The reunion is not limited to these classes; all alumni and former students are invited to attend. They are urged to bring friends and prospective students.

The picnic will start at 5:30 p.m. on the athletic field of the St. Paul campus. A convocation will be held at Coffey Hall Auditorium at 7:30 p.m. George Grim, who has just returned from Germany, will speak on "Inside East Berlin." Victor Doss, St. Paul, class of 1937, secretary-treasurer of the School of Agriculture Alumni Association, will extend greetings. Medical numbers will be given by former students of the school.

Following the convocation there will be a dance at the gymnasium.

HALE & HARDY TOUR

WHITEHALL, Wis. (Special) — Trempealeau County Club Agent Ray Shanklin accompanied the Hale & Hardy 4-H club on its annual club tour Saturday, visiting members who have calf projects. The tour closed with a picnic supper at the Richard Johnson home. At this time a gift was presented to Harold Richter, handicraft leader, who is leaving. A gift also was presented to Henry Schaefer in appreciation for his aid.

WOODMEN ACCIDENT AND LIFE COMPANY

Heavy Infestation of Grasshoppers May Occur in Buffalo Co.

By ARCHIE BROVOLD
Buffalo County Agent

ALMA, Wis. — Department of Agriculture surveys indicate that a heavy infestation of grasshoppers may be expected in Buffalo County this year. In some areas of the county they expect infestation of over 28 grasshoppers per square yard with possible destruction of all crops.

Grasshoppers may be controlled in the early stages of growth with little cost. The application of 1/4 pound technical aldrin per acre has given excellent grasshopper control if it is applied when the grasshoppers are young. For older nymphs or winged forms, 1/4 pounds technical aldrin will give good control. A 7-10 day period should be observed before harvest or pasturing sprayed areas.

Minnesota 4-H Club Week Set For June 7-10

By CARROLL B. LODAHL
Assistant Winona County Agent

LEWISTON, Minn. — Sixteen 4-H'ers from Winona County are among 1,000 Minnesota club members who will attend State 4-H Club Week on the St. Paul Campus of the University of Minnesota June 7-10.

They are: Bernard Walch, Altura Skyrockets; Alexander Henry, Clyde Livewires; Marlene Mueller, Crystal Springs Ridge Riders; Maxine McLeod, Fremont Green Clovers; Bonnie Engrav, Happy Hart; Marcia Hobbs, Homer Hilltoppers; Geraldine Sackreiter, Lewiston Wonder Workers; Marilyn Maus, Mt. Vernon Beacons; Darlene Whetstone, Minnesota City Spartans; Judy Roper, Pleasant Ridge Rustlers; David Harguth, St. Charles Peppers; Joyce Harney, Saratoga Challengers; Rita Bronk, Stockton 4-H; Donna Edwards, Utica Victory; Geraldine Curry, Warren Warblers; and Beverly Sobeck, Wilson Fireflies.

While attending club week, Beverly Sobeck will represent the county at the annual state 4-H Club Federation meeting and Geraldine Sackreiter and Bernard Walch will take part in the good grooming contest, in which each county will enter one boy and one girl.

Dr. Harold Macy, dean of the Institute of Agriculture, will welcome delegates to the conference. Gov. Orville L. Freeman will speak at an assembly on "Your State Government."

Classes on home economics subjects for girls and agricultural subjects for boys are scheduled for Wednesday and Thursday mornings. Discussions and workshops on new frontiers in agriculture, home economics, forestry and veterinary medicine will be led by university faculty and staff members. Tours of both St. Paul and Minneapolis campuses and the Twin Cities have been planned.

The good grooming and keep Minnesota green awards will be presented during the week. This year Minnesota is host to a delegation of Mississippi 4-H'ers. This group will present "Dixie Land Frolics" at an evening assembly. A gingham and denim party and the traditional candlelighting ceremony will close the state 4-H Club Week.

And here is a short note on a different subject. We have a limited number of free tickets for the district 4-H talent show, which will be held at the Goodhue High School June 15. If your club would like some tickets, please contact the county extension office in Lewiston.

12 Gale-Etrick Girls Will Attend State Convention

GALESVILLE, Wis. — Twelve members of the Gale-Etrick Chapter, Future Homemakers of America, will attend the 10th state FFA convention at Green Lake, Wis. June 6-10. Approximately 750 FFA members and their advisers are expected.

Representing the Gale-Etrick chapter as voting delegates will be Lorrain Bibby, daughter of Mr. and Mrs. Hollis Bibby and Betty Hoff, daughter of Mr. and Mrs. Henry Hoff. Other members also will participate. Rosemary Tardiff will take part in the style show. LaMae Hoem will sing in the chorus and Bonnie Schilling will run for a state office.

Carol Bibby has been a state vice president the last year and will preside over the Thursday morning session of the convention. Members of the FFA quartette, Beverly Baardseth, Betty Hoff, Donna Mahlum, and Ardyea Lien will sing a number on the Thursday evening program.

Carol, Mary Auset, Jean Johnson and Rachael Hansen all will receive the State Homemaker Degree at the convention.

Wisconsin has 205 chapters and 10,500 members.

More than half the chronically ill people in the United States are under 45 years old.

Fillmore Co. Land Judging School Scheduled June 8

PRESTON, Minn. — The Fillmore County land judging school will be held at the Porter Broadwater farm, south of Preston June 8 at 1 p.m.

According to County Soil Agent Harold Karli, these schools are open to everyone—4-H club members, vocational agriculture students, farmers and anyone else interested.

Participation in this event should aid a person in learning how best to manage the different classes of land as well as how to get the greatest yield from the land. County young people also will be preparing themselves for the state land judging contest at "Plowville '55" near Fergus Falls in September.

Each county 4-H group is urged to enter one team and each FFA district may enter three teams—all selected at local county contests, according to Roger Harris, extension soil conservationist at the University of Minnesota, who will have charge of "Plowville '55" land judging contests.

Although the United States uses more electric power than any other country, its per capita use is less than that of either Norway or Canada.

8 Wabasha Co. Girls Enter Queen Contest

Plainview Slated To Be Host to Dairy Day June 8

WABASHA, Minn. —Eight Wabasha County queen candidates have been named for the first annual Dairy Day June 8 at Plainview.

Matt Metz, county agent, also announced parade entries. Queen contestants are: Joan Jacoby, Wabasha, sponsored by the Wabasha Farm Bureau unit; Mary Cavanaugh, Plainview, FFA; Dalgay Schwantz, Plainview, Elgin FB unit; Verna Hassig, Plainview, Plainview Co-op Creamery; Jeanette Asleson, Lake City, Lake Pepin FB unit; Lorraine Herman, Zumbro Falls, Zumbro Falls FB unit; Geraldine Harney, Theilman, Farmers Union, and Carol Braun, Wabasha, Rural Youth.

Parade entries to date are: Floats—Wabasha FB, Bremen Beehives FB, Plainview FFA, Hoosier Ridge FB and 4-H Club, Wabasha County FB, Glasgow FB, Jolly Workers 4-H, HGH 4-H, Elgin FB, Plainview Co-op Creamery, Lake Pepin FB, Farmers Union, Rural Youth, Lucky Clover 4-H, Florin Dairy of Wabasha, King's & Rother's, Pierce Auto Electric of Plainview.

Plainview Turkey Growers, Consolidated Breeders Federation, Reiter Implement Store, Verda's Dress Shop, Boisford Lumber Co., Schultz Implement Co., Gem Publishing Co., Gem Theater, Interstate Power Co., Plainview Motors, Lakeside Packing Co., Plainview Produce Co., Walker Bros., H & H Dairy, Reiter-Murphy, Inc., Deming Radio Shop, Steffen Implement Co., Nedrelov Jewelry, Taylor Chevrolet Co., Tucker Brothers Tavern, Plain Auto Co., and Plainview Saddle Club, all of Plainview.

Mazeppa-Goodhue Saddle Club, George Mason, and several county high school bands marching units. In addition, several floats and queens will be entered from the city of Wabasha. Committees there are working on a preliminary contest to select representatives to Dairy Day.

Approximately 20 other Plainview business firms have indicated an interest in cooperating with another firm or group in building floats.

Barbara Berge Tops Trempealeau County 4-H Speech Contest

By RAY SHANKLIN
Trempealeau County 4-H Club Agent

WHITEHALL, Wis. —"Something to Crow About." That is the title of Barbara Berge's speech given at the Trempealeau County 4-H speaking contest. Barbara showed us how our little accomplishments all added up to develop us into better citizens.

We should take advantage of our opportunities in 4-H club work to improve ourselves. The Hutchins Stendahl Post 191 of the American Legion of Whitehall and Pigeon Falls also has something to crow about. Being an organization which promotes citizenship they are paying Barbara's expenses to State 4-H Club Week at the University of Wisconsin June 19-23 where she will compete with other county winners in a state 4-H speaking contest.

Myron Clark Named Speaker For Winona Co. Dairy Event

2 Buffalo County 4-H Members Appointed to Band

By MISS PAULINE POEHLER
Buffalo County Home Agent

ALMA, Wis. — Selection of two Buffalo County 4-H members to the state club band and chorus were announced this week by Vern Varney, assistant state club leader.

Marlene Putz, Glencoe Hustlers, 4-H, will represent the county in the soprano section. Daughter of Mr. and Mrs. Wilmer Putz, Arcadia, Rt. 1, Marlene earned a starred rating in class A with her soprano solo at the La Crosse district music festival this spring. Mr. and Mrs. Wilmer Ziegfeld are her 4-H club leaders.

Selection is based not only on musical ability, but also on a member's 4-H records. Marlene is enrolled in her eighth year of club work, and has been active in promoting musical activities in her local club. She had the outstanding food preservation record in the county last year.

Roland Moy, Mondovi, has been selected to play trombone in the state club band. The son of Mr. and Mrs. William S. Moy, Roland has completed eight years of club work in the Gilman Valley Club. His leaders are Mrs. Lester Moy and Mrs. Ivan Brotzman. He has been active in musical activities at the Gilman High School, and at the Wisconsin State College in Eau Claire where he is enrolled as a sophomore. He is a member of the Six Foot Four barbershop quartet, and plays in a dance band.

Both Marlene and Roland will receive trips to the State Club Week in Madison June 19-23.

The canning season has arrived for 1955, and homemakers want high quality food that is safe to eat from the jars and cans they're putting on their canning shelves these days. Spoiled food means waste of time, energy and food material—and may be dangerous, too.

There are really only three causes for food spoilage in our canned products. The first is underprocessing. When the canning time is too short or the wrong procedure is used, not all the spoilage organisms are killed. Low acid vegetables and meats should be processed in a pressure canner with an accurate gauge. Other canning methods will not kill all the spoilage organisms. Tomatoes and fruits may be canned in a boiling water bath.

The second reason for canned food spoilage is a faulty seal. To prevent faulty seals, check the top of each jar for nicks or cracks or chips. Before jar rubbers are used, they should be stretched to see if they will spring back and seal tightly.

Check Compound When metal covers left over from last year are to be used, the sealing compound should be checked first. If the sealing compound has become hard or brittle, the covers should be thrown away. When buying new covers, check to make sure that they're new stock.

Filled jars shouldn't be inverted or tipped while the food is hot. Storing canned food in a cool dark place protects rubbers from being weakened by heat and light.

Improper handling of food is the third cause of food spoilage. It's a good idea to follow the "two hours from garden to can" rule. Thorough washing of fruits and vegetables is another safety measure. Clean equipment and work surfaces are always important.

For more information on how to can, write for a free bulletin on "Home Canning of Fruits and Vegetables" from the county extension office in Alma.

Seven-minute frosting for a cake takes on new flavor when you add a couple of tablespoons of instant coffee powder to it. Nice on chocolate cake.

Farm Calendar

Saturday through Monday May 28-29

ARCADIA, Wis. —Broiler-Dairy Festival.

May 31-June 1
FRONTENAC, Minn. —Home-makers camp.

Wednesday, June 1

June 6-10
GREEN LAKE, Wis. —Wisconsin Future Homemakers of America convention.

Land Use Contest Planned June 6 On Caledonia Farm

By HARLIE LARSON

Houston County Soils Agent
CALEDONIA, Minn. —The Root River Soil Conservation District will sponsor a land use and soil judging contest June 6 on the Lawrence Wagner farm two miles west of here. The contest will start at 9:30 a.m. and continue into the afternoon.

Learning to know something about kinds of soil, amount of erosion, effect of slope and other factors will help in taking an inventory of what there is from which to grow crops. This is a necessary part of farming in order that those who till the soil and care for the land may know what is best to do in order to save the soil and at the same time increase production.

Each 4-H club in Houston County has been asked to send at least two representatives plus all boys and girls enrolled in forestry and soil conservation. Also invited are the FFA classes and anyone else interested in the judging contest. So pack a lunch and join the group. Cooperating with the Root River Soil Conservation District are the Soil Conservation Service, Future Farmers of America, veterans instructors and the extension service as well as the press and radio.

Houston Co. Cake Contest June 22

CALEDONIA, Minn. —Fun, facts, food and fellowship—these four "F"s are needed to make any meeting a success, according to Mrs. Alfred Albee, Houston County Farm Bureau.

She says they'll be in evidence at the county FB buttercake baking contest at the city hall here June 22. As a part of the program, each woman will bring a box lunch to be auctioned. Cakes baked will be served with the lunches.

Contests are being held in the various FB units with a good response in each, she said. Unit winners will compete in the county contest and the over-all champion will enter the district contest. Winners to date are Spring Grove-Wilmington, Mrs. Elling Solum, Mrs. Irvin Ingvalson and Mrs. Elmer Schroeder; Universal Five—Mrs. Wilfred Pohlman, Al Huesmann.

The safety poster contest is open to all 4-H and FB youth under 21. The posters are to be 17 by 22 inches, solid print and on good quality cardboard. They should deal with farm, home or highway safety, Mrs. Albee said.

Pantryshelf Help: Need an extra vegetable for unexpected company? Open a can of small white boiled onions, drain and heat in a cheese sauce. Sprinkle with minced parsley or green onion tops — if they are in the refrigerator — before serving.

Banquet Slated For June 8; Other Events Set

Myron J. Clark, area promotion director for the American Dairy Association and former Minnesota commissioner of agriculture, will be the main speaker at the second annual Winona County dairy banquet of the Oaks June 8.

County contestants for the little Princess Kay of the Milky Way will be honored guests following interviews with judges at the YMCA in the afternoon. Deadline for entering the contest is June 4 at the Farm Bureau office at 2nd and Center streets.

The queen will be crowned at a coronation ball Monday June 13 at the Winona Armory. Whoopie John playing for dancing. She will later represent Winona County in regional competition. Miss Sarah Jane Braun, formerly of the Ridge-way area and attendant to the first Princess Kay will crown the title.

Also to be named at the dairy week kickoff are the winners of a limerick contest for Future Farmers of America, Future Homemakers of America and 4-Hers. Entries must be five lines with a dairy theme, not four as originally announced. June 10 is the deadline for entries at the FB office. Don Bonham, KWNO farm director, will be judge.

On June 14 the dairy promotion will move to Gabrych Park where the Winona Chiefs will play football. Thursday, June 16, the finals in the Winona County buttercake baking contest will be held at the high school auditorium with a home economics demonstration by a Mississippi Valley Public Service Co. representative and a talk by Millard Chab, regional dairy inspector. Lunch will be served.

Window displays with prizes for winners will be placed in Winona stores June 13-18 by county youth.

Agent Discusses Hay Cutting Time

By HAROLD KARLI

Fillmore County Soils Agent

PRESTON, Minn. —Time of cutting of both legume and grasses is a most important factor in making quality hay or grass silage. Top quality alfalfa hay or silage will contain enough protein so that little or no purchased protein is necessary. This could mean a great saving to most farmers since, in this area, we feed stored roughage about seven months of the year.

It is a well established fact, that as hay and pasture plants approach bloom and pass into maturity, there is a progressive loss of protein. This is accompanied by an accompanying rise in per cent of fiber and greater leaf loss. Generally it is recommended that alfalfa be cut at 1/10 bloom stage. Once the plant starts to bloom, comparatively few days elapse before maturity is reached. In practice this means that even with favorable weather the farmer who has considerable hay to make finds that a sizable portion of his crop has become overripe by the time he has finished.

This adds up to earlier cutting—when alfalfa is well budged, thereby getting more of the hay or silage made before it becomes overripe. The practice of cutting alfalfa in the bud stage has been criticized on the ground that the stand would suffer, however, in this section of the state we have evidence that such is not the case.

We have observed "bed stage" cutting continuously for as much as six years on one field with no apparent reduction in stand from that cause. Generally stands fail due to shortage of one or more essential plant foods. While early cutting reduces somewhat the tonnage for the first crop, it is doubtful whether there is any reduction in yield for the full season.

Several alfalfa fields in this area were beginning to bud May 20, which means that we could start haying the last week in May. "Bud" Wolf, purebred Jersey breeder near Preston, cut six acres of alfalfa-brome hay May 18 and baled it May 21. He has made hay which looks very good and should be a wonderful feed. The hay was at least 24 inches tall and in past years has lodged rather badly which is another reason Wolf wanted to get it done early.

Buffalo Electric Elects Two New Directors

Manager Reports \$8,000 Net Margin At Annual Meeting

NELSON, Wis. —Two new directors were named and one incumbent re-elected to the board of Buffalo Electric Cooperative at the annual meeting of the co-op Wednesday at the Nelson Community Hall.

Elected to three-year terms were Richard Dierauer, Alma, and Carl Pabst, Mondovi. They replace Raymond Grob, Alma, and Charles Rutschow, Mondovi, who were ineligible for re-election under by-law limitations, having completed two consecutive terms.

Dierauer will represent district 6, the Alma area, and Pabst will represent district 9, Naples, Mondovi, Albion, Lima and Albany. Re-elected was Elmer Steiner, Alma, who will continue to represent district 3, Belvidere and Buffalo City.

About 400 members and friends of the co-op saw Claude Ebling, the farm-magic philosopher, combine sleight-of-hand with wit and wisdom. Ebling urged that rural people continue to push their own products, making a conscientious effort themselves to use them.

Net Margin \$8,000 In his message to the members, Manager Bill Maule reported a very successful year, with a net margin over \$8,000.

"We've gone over the hump financially this year after about five crucial years," the manager explained. "We now know that we are working on a stable basis that will yield adequate revenue to meet all our obligations. The first four months of 1955 was the best quarter in our history, and we feel that this will continue."

Other speakers at the meeting were John P. Madgett, general manager of Dairyland Power Cooperative, La Crosse, and James F. Sullivan, assistant director of public relations for Wisconsin Electric Cooperative, Madison.

Madgett urged the audience to remember that they own the local co-op and Dairyland.

"Electric cooperative members have built great institutions for themselves during the past 20 years," Madgett declared. "However, we shouldn't confuse their success in serving us by feeling they don't need continued active support from the members."

"An electric cooperative will continue to be strong only as long as members are willing to 'go to bat' for it," Madgett emphasized.

Commission Opposed Adopted at the meeting was a resolution to be sent to congress, urging that Hoover Commission recommendations on REA be rejected.

Urne Lutheran Ladies Aid served a dinner. Named delegates to the annual meeting of Dairyland Power Cooperative June 1 at La Crosse and the 1955 annual meeting of Wisconsin Electric Cooperative in Madison were: Ed Linse, Alma; Fred Sutcliffe, Fountain City; Elmer Steiner, Oscar Miller, Cochrane; Art Benjamin, Nelson; Raymond Grob, Arnold Hanson, Mondovi; Norman Comoro, Independence, and Oscar Glanzman, Mondovi.

River Falls Advisory Unit Meets at Whitehall

WHITEHALL, Wis. (Special) —The semi-annual meeting of the Trempealeau County advisory committee of the River Falls Production Credit Association was held here Monday evening.

Gaylord Carlson, Pepin, association president, pointed out that good quality livestock, fed for production, and good financial management spells the difference between success and failure of the farm enterprise.

Leonard M. Johnson, secretary-treasurer, reported on the state meeting of directors and secretary-treasurers held at Stevens Point, and Paul M. Sylla, fieldman, discussed questions members are asked about the PCA.

TODAY

Hard to Believe Reds Lead

By STEWART ALSOP

WASHINGTON—At his press conference a few days ago, Secretary of Defense Charles E. Wilson administered the expected large dose of soothing syrup, when he was asked about the status of American and Soviet air power. Technological know-how, one of his subordinates pointed out, is "the real key to superiority in the air," and Secretary Wilson made plain his conviction that American know-how is somehow inherently and unquestionably superior.

No doubt this conviction is entirely sincere. It is difficult for Americans, especially Americans with Secretary Wilson's background, to believe that the backward Russians really are capable of surpassing this country in technological achievement. Yet the cold, hard facts suggest that the Russians have done just that—and the British too, for that matter.

Power of Jet Take jet engines. The power of a jet engine, which largely determines the quality of jet planes, is measured in thousands of pounds of "thrust." Our best operational jet engine, designed and produced by Pratt and Whitney, develops a claimed thrust of 10,000 pounds. It is a fine engine. Yet there are at least two and probably three British engines which develop more thrust than any operational engine produced in this country.

Indeed, although the aircraft industry does not shout the fact from the house tops, American air power is dependent to a remarkable degree on British-designed engines manufactured here on license from Britain. The most important single contribution to American air power of Secretary Wilson's old company, General Motors, is probably the production of British-designed Sapphire engines. American naval air is particularly dependent on British engine design. At least one authority maintains that British jet "know-how" has rescued American air power from near oblivion in the jet age.

Shock to Complacency It should be a shock to most people's complacency that the British, with a defense budget a tiny fraction of our own, should have moved so far ahead of us in jet technology. But it really ought to shock even Secretary Wilson's complacency that the Soviets in turn are unquestionably ahead of the British.

Consider the story of the Bison, the new Soviet heavy bomber. The Bison has four engines, as compared with eight engines on its American equivalent, the B52. A single Bison was flown low over the American Embassy on May Day, 1954. When pictures and performance data on this nose-thumbing gesture reached the Pentagon, the experts figured out their slide rules that each of the Bison's four engines must deliver a thrust of 18,000 to 20,000 pounds.

This meant almost double the thrust delivered by any American jet engine and well above the thrust of any British engine. It meant a genuinely frightening technological lead for the Soviets. Rather than accept this meaning, with all its extensive implications, the Pentagon powers-that-be developed the "Potemkin Village Theory" to explain the new bomber. Prince Potemkin was, of course, the favorite of Queen Catherine II of Russia. He erected fake villages along the Queen's route in order to delude and please her.

Suppose, the Pentagon powers-that-be said, the Russians had made a fake heavy bomber with outward characteristics like the Bison, but capable only of short hauls with no payload, to delude and frighten us. The experts obligingly figured that a fake Bison could be powered with engines of less than 8,000 pounds thrust, and thereafter the Potemkin Village Theory to explain the new bomber happily put about.

Hard to Believe The recent flight of Moscow formations of operational Bisons knocked into smithereens. A feeble echo of the theory appeared in Secretary Wilson's wistful press conference remark, to the effect that the planes might be handmade

Annexation Meeting At Lima Wednesday

DURAND, Wis. (Special)—A special meeting of the electors of Joint School District 1, towns of Lima, Durand, Canton, Albany, Maxville and Peru will be held Wednesday at 8:30 p.m. at the Lima gymnasium.

Purpose will be to discuss and decide whether or not to annex this district to an operating district or districts. LaVerne Able-dinger is clerk of the board, Richard Brunner, director and Edwin R. Achenbach, treasurer.

Bogus Creek Watershed Elects Roger Johnson

PEPIN, Wis. (Special)—Roger Johnson was elected president of the Bogus Creek Watershed Association Monday at Stockholm.

Glenn Anderson was named vice president; Leslie Lidgerding, secretary-treasurer, and Dallas Wallin, Leslie Sandberg and Dewey Johnson, directors.

prototypes. But this notion flies in the face of all the evidence, and if Secretary Wilson really believes it, he is the last man in the Pentagon who does.

In short, hard as it is to credit, the Soviets have achieved a commanding technological lead over us in the key field of jet engine design. This is, of course, no cause for despair. In other important fields, American technology maintains a real advantage. Moreover, thanks above all to our force of well over a thousand B47 medium bombers, we still probably enjoy a superior long range striking power, despite our much weaker air defenses.

Indeed, if Secretary Wilson had chosen to say what was really in the minds of most informed Air Force men, he could have done so very briefly—"Thank God for the B47." But even in this field of the medium bomber, where our superiority is still real, the Soviets are pushing hard with their equivalent aircraft, the Badger, which also has superior jet engines. And surely the above facts suggest that self-deceiving complacency about "American know-how" is as dangerous as the Bison and the Badger put together. There is plenty of evidence that Secretary Wilson and his associates are not only deceiving the people about the seriousness of the Soviet air power threat—they are also deceiving themselves.

In a typical diamond mine, only one in 35 million parts of the material mined is diamond.

Tornado Rips Through Tiny Logging Camp

HOT SPRINGS, Ark. (AP)—A tiny logging camp deep in the Ouachita Mountains was shattered last night by a tornado which destroyed 10 or 12 of the settlement's 50 homes and the village commissary.

Miraculously, there was only one injury as the twister cut its path of destruction through the hamlet of Blakely, 16 miles northwest of here. The sole victim, 1-year-old Leo Turner, escaped with no more than a superficial head wound.

Garland County Sheriff Leonard Ellis said the tornado damaged every house in Blakely to some extent. Torrential rain, which continued late into the night, and darkness prevented officers from making an accurate assessment of the damage.

Manuel Bradley, manager of the smashed commissary, said he saw the storm approaching, and jumped into a nearby truck. "It was terrible," he said. "I saw two houses blow away. I was shaking more than the truck."

Communities Plan Memorial Day Rites

Hokah

HOKAH, Minn. (Special)—A salute to the firing squad and sounding of "Taps" will mark Memorial Day at three cemeteries here Monday.

A white cross with a wreath of poppies will be placed at the Mount Hope and Calvary cemeteries in the village and at Convent Cemetery north of Hokah.

A blanket of evergreens and poppies will be lowered into the Root River in honor of American servicemen who lost their lives at sea. The ceremonies will open with a 9:30 a.m. parade. Participating will be members of the American Legion and Auxiliary and school children. The parade will pause at each of the cemeteries for the brief ceremonies.

Arkansaw

ARKANSAW, Wis. (Special)—The WSCS of the Arkansaw Methodist church will serve a Memorial Day dinner in the church parlors.

Lake City

LAKE CITY, Minn. (Special)—Memorial Day services will be held Monday at 10 a.m. in Patton Park under the sponsorship of the American Legion. Veterans of Foreign Wars and their auxiliaries and the Ladies Circle of the Grand Army of the Republic.

Dale Ramlo, past American Legion commander at Austin, will be the main speaker with E. L. Hibbard as master of ceremonies. Prayers will be by the Rev. Glenn M. Reid, rector of St. Mark's Episcopal Church. Mrs. Robert Hull will present corsages to Gold Star mothers and the Campfire Girls, led by Mrs. Lena Heins, will present a floral tribute to the nation's war dead.

A squad commanded by Jake Krismier will fire rifle salute. The parade to the park will originate at the American Legion Hall at 9:45 a.m. and will march to the government pier after the ceremony for a tribute to servicemen who lost their lives at sea.

Ceremonies will be held at the Lincoln School auditorium in case of inclement weather.

Rushford

RUSHFORD, Minn. (Special)—Area veterans will be guests of the American Legion and Veterans of Foreign Wars at a 7 a.m. breakfast in the Legion Hall before Memorial Day services Monday.

Veterans will march with the Rushford High School band in a parade beginning at 10:15 a.m. The program at American Legion Park will begin at 11 a.m. Adolph Bremer, city editor, Winona Daily News, will be the speaker. A La Crosse radio station will air the program.

Stores here will close at 10 a.m. and the program will be present in the school auditorium in case of inclement weather.

World War I veterans will be in charge of the flag raising ceremony with the invocation and benediction by the Rev. John Lensink. James Corcoran, American Legion commander, will present the welcoming remarks.

Mabel

Carl Lundgren

MABEL, Minn. (Special)—Carl L. Lundgren, Minneapolis, the American Legion national committee-man of the department of Minnesota, will be the principal speaker during Memorial Day ceremonies Monday at the cemetery at 10:15 a.m.

Elgin

ELGIN, Minn. (Special)—State Sen. Robert Dunlap will be the principal speaker during Memorial Day ceremonies Monday at the cemetery at 10:15 a.m.

Ceremonies will begin with a 9:30 a.m. parade from the Elgin High School. In case of inclement weather, the program will be presented in the school at 10:15 a.m.

Marching in the parade will be a color guard, firing squad, Gold Star mothers and the school band. The Rev. Charles Sheffield will give the invocation and benediction during the ceremony at the cemetery. Music will be by a mixed vocal chorus and the band.

West Prairie

WEST PRAIRIE, Wis. (Special)—Afternoon Memorial Day services will be held at the Greenwood Cemetery Monday at 2 p.m. The address will be by the Rev. N. E. Benson.

Selections will be presented by the Trempealeau Girls Glee Club and Marie Willock and Carol Anderson will play a clarinet duet.

The invocation and benediction will be by the Rev. W. T. Walker and Miss Anne Carhart will give the welcoming address.

Lanesboro

LANESBORO, Minn. (Special)—Mrs. Lud Gartner, Preston, 1st District American Legion president, will be the speaker during Memorial Day ceremonies here Monday.

Veterans, members of the American Legion and Veterans of Foreign Wars and auxiliaries, the Lanesboro High School band, Boy Scouts, Girl Scouts and school children will march in a parade beginning from the Village Hall at 9:30 a.m.

The parade will pass through the business district to the bandstand at Sylvan Park. Gold Star Mothers will also be present as veterans will raise the flag. The invocation will be given by the Rev. A. M. Jochen, with the benediction by the Rev. William Gorman.

In case of inclement weather, ceremonies will be held at the Lanesboro Community Hall. Children will present flowers

and music will be by the band. A silent prayer, retiring of the colors and sounding of taps will conclude the program.

Graveside ceremonies will be held at Catholic and Lanesboro cemeteries immediately after the program.

Mondovi

MONDOVI, Wis. (Special)—Chief Justice Grover L. Broadfoot of the Wisconsin Supreme Court will be the Memorial Day speaker during ceremonies Monday at the Oak Park Cemetery.

Justice Broadfoot, a native of Independence, was mayor of Mondovi from 1943 to 1947 and practiced law here for 30 years prior to becoming attorney general in June 1948. He was appointed to the Supreme Court later that year. He is a World War I veteran.

Also participating in the program will be John Wulff, who will read the Declaration of Independence, and the Mondovi High School band. Allen Duncanson, who will call the roll and Chaplain L. Lubren, who will officiate during graveside ceremonies and also at a brief service at the bridge on Highway 10 honoring servicemen lost at sea.

The Rev. Stanley Andrzejewski will pronounce the invocation. A salute will be fired by a firing squad before the playing of "Taps."

At 10 a.m. a parade will leave the city building led by a color guard and the high school band. In the line of march are the firing squad, members of the American Legion, auxiliary, National Guard, Gold Star mothers, Boy Scouts, high school students, Sacred Heart School students, grade school band, grade school students and rural grade students.

Taylor

TAYLOR, Wis. (Special)—Services at the Taylor High School gymnasium and at the cemetery are planned during Monday's Memorial Day observance here.

At 9:45 a.m. ceremonies will begin with a parade from the Hann-Lien American Legion Post 363 clubrooms to the high school for the 10 a.m. program.

The Rev. Wayne L. Grover, Black River Falls, will deliver the address with the Rev. B. J. Hatlem pronouncing the invocation and benediction. Barbara Peterson will present a reading.

A roll call and placing of wreaths will highlight the graveside service. The program also will include a reading by Valerie Hanson, the "Star Spangled Banner" by the school band, a salute by the firing squad and sounding of "Taps."

St. Charles

ST. CHARLES, Minn. (Special)—A firing squad commanded by Ray Klein and Wallace Campbell Jr. will fire salutes at 11 area cemeteries Monday between 7:40 and 10 a.m. opening Memorial Day observances here.

The firing squad's schedule includes: Carpenter Cemetery, 7:40 a.m.; Saratoga Cemetery, 7:45 a.m.; Moravian (Altura) Cemetery, 8:25 a.m.; Worth Cemetery, 8:35 a.m.; Altura Cemetery, 8:35 a.m.; Sinclair Cemetery, 8:45 a.m.; Elba Cemetery, 8:50 a.m.; Calvary Cemetery, 9:15 a.m.; Todd Cemetery, 9:30 a.m.; Dover Cemetery, 9:30 a.m., and the Hillside Cemetery, 10 a.m.

At 10:15 a.m. the Memorial Day parade will form at the Skelly Oil Station, proceeding to the St. Charles High School auditorium for the program at 11 a.m.

Opening the program will be advance of the colors before members of the Veterans of Foreign Wars Donahue-Ham Post 5630 escort Gold Star mothers into the auditorium. The invocation and benediction will be by the Rev. G. W. Thomas, chaplain of Hugh-Watson American Legion Post 190.

Following a vocal duet by Mary Garvey and LaVerne Rubbers, a reading of "Flanders Fields" will be presented by John Gordon.

Speakers for the ceremonies will be the Rev. Philip A. Gangsli, He will be introduced by Joseph Karakas, commander of the American Legion post here.

A memorial will be presented by the Henry Morton Post of the Women's Relief Corps and "Taps" will be sounded by Forrest Smith and Charles Foulze.

Canton

CANTON, Minn. (Special)—Memorial Day services will be held at the Canton High School auditorium Monday at 11 a.m.

Members of the American Legion will assemble at the Legion Hall at 10:30 and march with the school band to the school. The Rev. Paul Halloran, Winona, will give the address. The son of Mr. and Mrs. Paul Halloran, he is a former Canton resident. Music will be by the school band.

Tribute will be paid to Gold Star mothers during outdoor service. A Gold Star mother will place the memorial wreath upon the cross. The Paul Blegen American Legion Post 400 is in charge of the program. Flags will be placed upon the soldier graves of all wars in Elliott, Prosper, Lenora, Calvery, Henrytown Lutheran and Henrytown-on-the-Hill cemeteries at sunrise.

Wykoff

WYKOFF, Minn. (Special)—The Fillmore Cemetery will be the site of Memorial Day services at 10 a.m. Monday.

The main address, invocation and benediction will be by the Rev. Mr. Baker of the Free Methodist Church, Fillmore. The Wykoff High School band also will participate in the program that will conclude with the firing of a salute and "Taps."

Arcadia

ARCADIA, Wis. (Special)—William Proxmire, state assemblyman from Dane County, will be the principal speaker during Memorial Day ceremonies here Monday.

His address will highlight Dairy-Broiler Festival events at the city ball park at 10:30 a.m. The Ticket - Erickson American Legion Post 17 is sponsoring the program, with Donald Stevenson, new 10th District commander, as chairman. Mrs. Leo Haines, a Gold Star mother, will place a wreath at the grave. Janet Fetting, daughter of Mr. and Mrs. Norbert Fetting, will present the weath. Thomas Dockendorff will recite "Lincoln's Gettysburg Address" and several numbers will be presented by the Arcadia High School band.

James Killian, Arcadia Boy Scout, will lead the pledge of allegiance to the flag and Germaine Suchla and David Peterson will play taps.

The invocation and benediction will be by Marvin Benning, a student pastor who is assisting the Rev. George F. Muecke, pastor of St. John's Christ-American Lutheran Church.

Durand

DURAND, Wis. (Special)—William E. McEwen, River Falls attorney and Pierce County veterans service officer, will be the principal speaker during Memorial Day services on the Pepin County Courthouse lawn Monday morning.

The ceremonies honoring the dead of all wars, will open with a parade through the business district at 10 a.m. The parade will begin near the fire station on Main street and proceed to the corner of 4th avenue before turning to the courthouse.

Both the American Legion and Veterans of Foreign Wars are participating in the observance with Walter Gilles and Roger D. Thornton as co-chairmen. Also participating in the parade will be the Durand, Lima and Arkansaw high school bands, the Urne Grade School band, Boy Scouts, Girl Scouts and auxiliaries of both veterans' organizations.

The memorial service will open with the flag raising and invocation by the Rev. Arthur N. Brown. Gilbert Bauer will be master of ceremonies. A memorial wreath will be placed at the base of the Grand Army of the Republic statue near the courthouse before the firing squad fires a salute. The playing of taps and a selection by the band will conclude the program.

Spring Grove

SPRING GROVE, Minn. (Special)—Dr. Leo M. Ochymowicz, a former Ukrainian refugee who now is a member of the faculty of St. Mary's College, Winona, will be the Memorial Day speaker at the Spring Grove Park at 11 a.m. Monday.

Members of American Legion Post 249 also will participate in the ceremonies.

Caledonia

CALEDONIA, Minn. (Special)—Memorial Day services will be held at the municipal auditorium Monday at 10 a.m. following a parade from the public school grounds at 9:30 a.m.

The American Legion Lovelless-Eikens Post and Auxiliary are in charge of arrangements for the program that will include an address by the Rev. Richard Hansen. Invocation and benediction will be by the Rev. Thomas Duane. Gold Star Mothers also will be honored during the ceremonies and a program also will be presented in the city hall park.

Black River Falls

BLACK RIVER FALLS, Wis. (Special)—Merlin Berlin, principal of the Alma Center High School, will be the main speaker during Memorial Day ceremonies at the cemetery Monday.

National Guard units will lead a parade from the Jackson County courthouse to the cemetery. The program is scheduled for 10 a.m. The Rev. Melvin Hanson will give the invocation with the national anthem by the Black River Falls High School band and "Taps" by Elmo Johnson.

Clifford Nelson is chairman of the Miles-Hagen American Legion Post 200 committee. Commanders of American Legion posts in the area are seeking information on veterans' graves that may have not previously been known.

Merillan

MERRILLAN, Wis. (Special)—George Purnell will present the Memorial Day reading during ceremonies Monday at Oakwood Cemetery.

The program, scheduled for 9:15 a.m., will follow a parade assembling at the school at 9 o'clock. Music will be by the joint Merrillan, Alma Center and Humbird school bands, which will participate in ceremonies at Alma Center and Humbird later in the day. The Rev. Rodney Dopp of the Merrillan Methodist Church will give the invocation and benediction and "Taps" will be played by Richard Kearney and Orville Olson Jr. Davis Porter American Legion Post 140, commanded by Wally Glassbrenner, is in charge of arrangements.

Money Creek

MONEY CREEK, Minn. (Special)—The annual Memorial Day dinner served by the Money Creek Cemetery Association will be Monday at the Methodist Church parlors. The roast beef dinner will be served from 11 a.m. until 2 p.m.

Pepin

PEPIN, Wis. (Special)—Memorial Day services will be held at 9:30 a.m. Monday at Oakwood Cemetery.

Dedication at the graveside by the American Legion will be followed by the pledge of allegiance to the flag, led by James Smith. The Rev. Frederick J. Smith will deliver the main address and pronounce the closing prayer and benediction. Community singing of "America the Beautiful," a number by the Pepin High School band and a recitation by Hicks Valley School students also are scheduled. The program will be held in the high school gymnasium in case of inclement weather.

La Crescent

LA CRESCENT, Minn. (Special)—The Gittens-Leidel American Legion Post has announced the schedule for Memorial Day services here Monday.

Led by a color guard and the American Legion drum and bugle corps of La Crosse's American Legion post, the parade will move from the Swanson building to the Prospect Hill Cemetery beginning at 10:45 a.m.

The Rev. Richard H. Speltz will speak during the ceremonies that also will include three numbers by the La Crescent mixed chorus.

Blair

BLAIR, Wis. (Special)—Three separate Memorial Day observances are planned for the Blair area. The parade will be closed throughout the day. Riverside Memorial Park will be the site of an 11 a.m. service that will include an address by the Rev. Norris Olson, Menomonee, chaplain of the American Legion's 10th District.

Veterans, members of the American Legion and auxiliary, the Blair High School band and school children will participate in a parade originating at the City Hall at 10:30 a.m.

Wreaths and flags will be placed at the park during a roll call ceremony. Knudsen-Mattison Post 6 of the American Legion 331 will provide a firing squad of 21 buglers. Sorger Urberg will be the speaker during Memorial Day ceremonies at the Trempealeau Valley Church Monday at 2 p.m. The program also will include a vocal duet by Norma Lippert and Rosalie Brynildson, a clarinet duet by Lois Rumppe and Valerie Hansen and a reading by Mrs. Clifford Boe. The Ladies Aid will serve a dinner at 11:30 a.m.

At 2 p.m. Monday, the Rev. C. E. Olson will deliver a Memorial Day address at the North Beaver Creek Church of the Zion Lutheran parish. The Blair High School boys quartet, a vocal duet by Donna and David Mahlum, vocal solo by Austin Underdahl, a coronet solo and "Taps" are included in the program. The church will sponsor a bazaar in conjunction with the program. Lunch will be served.

Plainview

PLAINVIEW, Minn. (Special)—Boy Scouts will raise the American flag at the school grounds here at sunrise Monday, opening Memorial Day ceremonies that will culminate with a program at the cemetery. Graves at the cemetery will be decorated at 9 a.m.

The ceremonies have been scheduled by the American Legion William Allen Post 159 and the Girl Scouts-Wedgwood Veterans of Foreign Wars Post and the auxiliaries.

A parade will form at 9:30 a.m. at the City Hall. Led by a color guard, the parade also will include an American Legion firing squad, members of the veterans organizations, Gold Star Mothers, veterans of the Spanish-American War, the Plainview High School band, Girl, Boy, Explorer and Cub Scouts, Daughters of the American Revolution, American Legion and VFW auxiliaries, school children and the school patrol.

The march to the cemetery will begin at 10 a.m. Following the invocation by the Rev. W. J. Brown, wreaths will be laid at the memorial grave by members of the Legion and VFW auxiliaries. Wayne Pretzer will recite Lincoln's "Gettysburg Address" and the firing squad will fire a salute before Walter Gludt sounds "Taps."

The Memorial Day address will be by the Rev. Brown who will also pronounce the benediction. The program will be held in the school auditorium in case of inclement weather.

Alma

ALMA, Wis. (Special)—A parade through the business district at 9 a.m. Monday will begin Memorial Day observances here. Forming near Lock & Dam 5, the parade will move south to the Alma Cemetery for the program.

Participating will be Boy and Girl Scouts, the American Legion and Auxiliary, a color guard and firing squad, the Alma High School band and Gold Star mothers. The Rev. Thomas Ash, pastor of the St. Lawrence Catholic Church, will give the Memorial Day address. The program will begin at 9:30 a.m.

Ettrick

ETTRICK, Wis. (Special)—Ettrick's two Gold Star mothers, Mrs. A. M. Onsrud and Mrs. Lewis Pederson, will ride in the Memorial Day parade here Monday morning.

The parade will be routed to two ceremonies. At 11 a.m. the Rev. Charles D. Brady will officiate during services at the Catholic cemetery and an hour later, services at Ettrick Cemetery will be conducted by the Rev. Luther B. Keay.

Scheduled to march in the parade are color bearers, a firing squad, the Gale-Ettrick High School band and members of the Runestrand - Pederson American Legion and auxiliary. Commander Martin Erickson is in charge of the parade. Girl Scouts, Boy Scouts, members of the brownie troop also will participate.

Services at the First Lutheran Church in North Beaver Creek, Town of Ettrick, will be held at 11:30 a.m. Monday. A dinner will be served at noon for the benefit of the cemetery association. Pastor of the church is the Rev. K. M. Urberg.

Julius Severson, Bangor, will speak during a program before dinner at the South Beaver Creek Lutheran Church Monday.

Whitehall-Pigeon Falls

WHITEHALL, Wis. (Special)—The Rev. Mitchell Whiteabbitt, pastor of the Winnebago Indian Mission Church Evangelical and Reformed, Black River Falls, will be speaker at Memorial Day exercises at Lincoln Cemetery Monday. The program will take place at the monument to the Unknown Soldier.

The Rev. Mr. Whiteabbitt and his family will participate in the parade, which will start from the City Hall at 9:30 a.m. Order of march will include the colors and color guard, Whitehall High School band, firing squad, veterans, American Legion Auxiliary, Gold Star mothers, school children and the public. Participants are to assemble at the hall at 9:15 a.m.

At the cemetery the Rev. Dominic Eichman will open the program with the invocation, followed by "The Star Spangled Banner" by the band; the reading of the honor roll of war dead by Tracy Rice. Also scheduled are the auxiliary trio and the traditional tribute to the war dead by the Legion Auxiliary.

John L. Johnson, commander of Hutchins-Stendahl Post, American Legion, will introduce the speaker.

Following the address, the high school band will play another selection, and the Rev. Mr. Eichman will pronounce the benediction preceding the traditional salute to the war dead by the Legion firing squad, and "Taps."

Immediately following the program here the speaker, the band, veterans and Auxiliary members will proceed to PIGEON FALLS for an 11 a.m. program there.

Kellogg

KELLOGG, Minn. (Special)—Rifle salutes, decoration of the grave of the unknown soldier and playing of "Taps" will mark Memorial Day at four area cemeteries here Monday.

The American Legion squad will be at the Minnekahta Cemetery at 8 a.m., St. Agnes Cemetery at 9 a.m., the Conception Cemetery at 10 a.m. and the Greenfield Cemetery at 11 a.m.

Auxiliary at Plainview Sells Poppies Saturday

PLAINVIEW, Minn. (Special)—The American Legion Auxiliary unit of Plainview will be selling poppies on the downtown streets and in the residential districts Saturday in observance of Poppy Day. The sale will be conducted entirely by volunteer workers of the local unit and every cent received goes for aid to the disabled men and to needy children of veterans.

A portion of the local unit Poppy Fund is used to entertain the veterans at the Rochester State Hospital each fall. Lunch, cigarettes, prizes and entertainment are provided by the Plainview unit. Also each year the unit dresses dolls and sends them to the Gift Shop at the Veterans Hospital, Minneapolis, along with other toys, greeting cards and handkerchiefs. The articles in this gift shop are available to all veterans who are patients at no cost to them.

MEMORIAL ASSOCIATION

The Winona Memorial Association will meet at the American Legion Club at 7 p.m. today.

Family Service Work Reported At Board Session

The virtual transition from an agency providing nursing, medical and hospital care to one providing a family counseling service was reported at the annual meeting of the Margaret Simpson Home Thursday evening at the YMCA.

"A great number of families" were served during the first year of the new service, Secretary Harold J. Libera reported to the members.

Elected as the new president by the board of directors was Adolph Bremer, succeeding J. Russell Smith, president since 1951. Libera was renamed secretary and J. L. Carroll treasurer, while W. F. Quiesner was elected vice president to succeed Bremer.

One New Director At a meeting of the membership preceding the annual directors' meeting, five directors were re-named to three-year terms and one new board member was elected. He is Eugene Sweazey, succeeding Mrs. O. M. Botsford, who has been on the board for many years. A resolution was passed thanking her for her service.

Directors re-elected are Mrs. Harry N. Smocke, Mrs. C. D. Tease, Smith, Carroll and Bremer. Holdover directors are Mrs. W. F. C. Heins, Miss Josephine Steinbauer, Quiesner, Mrs. Harry Strehlow, Mrs. R. M. Thomson, Mrs. M. A. Goldberg, Mrs. P. A. Mattison, Mrs. R. L. Lokensgard, Mrs. E. R. Streeter, Mrs. Harvey Hogan, Ray H. Hubblitz and Libera. In discussing the year's activities, Secretary Libera reported that among those served there were entire families, and, in other instances, one or two members of the family.

Lanesboro Hall Capacity 1,200 For St. Olaf Choir

LANESBORO, Minn. — Twelve hundred seats are available at Community Hall here for the concert by the St. Olaf College Choir next Thursday at 8 p.m.

One of the members of the choir is Maureen Jensen of Rushford.

The St. Olaf music department has long been held in high esteem by critics. The college was hardly 25 years old when it brought to its campus the man who was to mold a choir which would gain national and international fame. Dr. F. Melius Christiansen came to St. Olaf in 1903. Since 1943 the choir has been under the direction of Dr. Olaf C. Christiansen, son of the founder.

Following the Lanesboro concert the choir will sing concerts on route to New York from where the singers will sail for Europe June 22. The European concert tour will include Norway, Sweden, Denmark, Germany and Austria.

Tickets for the concert may be secured at the Hanson Drug Store or from members of the senior choir of the Bethlehem Lutheran Church.

Baptists at Pickwick Organize for Year

PICKWICK, Minn. (Special)—Elmer Walters has been named a three-year deacon and trustee and Mrs. Charles Gunn a three-year trustee by the Pickwick Baptist Church.

Other officials selected—all to serve one-year terms—were: Vice chairman, Thomas Stuck; music committee, Mrs. W. F. Griffin, chairman, and Mrs. Harris Melin; clerk, Miss Elizabeth Hatch, assisted by Mrs. Wayne Corey; treasurer, Mrs. Elmer Walters, assisted by Mrs. Gunn; missionary chairman, Mrs. Lester Irish; Sunday School superintendent, Ivan Sperbeck, assisted by Richard Walters; secretary and treasurer of the Sunday School, Daniel Sperbeck, assisted by Miss Shirley Walters, and co-chairmen of the social committee, Mrs. Gunn, Mrs. Walters and Mrs. C. E. McNally.

Total expenses for the year—ending April 30, 1935—were listed at \$206.62, including improvements on the church property, \$347.92, and benevolence, \$1,245.07. Meeting was May 13.

Our Saviour's Church To Graduate Class From Bible Department

WHITEHALL, Wis. (Special)—The seniors will be graduated from the high school Bible department at Our Saviour's Lutheran Church at 10:30 a.m. Sunday.

The graduates, announced the pastor, the Rev. O. G. Birkeland, include Audrey Amble, Grant Anderson, Dorothy Birkeland, Roger Erickson, Lois Everson, Marlene Garson, Camille Gilbertson, Shirley Herberg, Kay Iverson, John Roseland, Marian Skjonesby and Emeline Tweten.

A children's service will be held at 9:30 a.m. Sunday, with all children from the kindergarten through the sixth grade attending.

Adults and members of the junior and senior confirmation and Bible classes have been invited to the commencement service, when each graduate will be presented with a pocket testament and a diploma.

Independence Children To Receive Communion

INDEPENDENCE, Wis. (Special)—A class of 36 boys and girls will receive their first Holy Communion at St. Peter and Paul Catholic Church Sunday at the 8 a.m. Mass. Officiating at the solemn high Mass will be the pastor, the Rev. Lucian J. Kufel.

The first communicants will be ushered to church and to the altar by a group of older children in the parish.

These Section Leaders help train the world famous St. Olaf Choir, which will sing at Lanesboro next Thursday. They're Paul Christensen and Ray Champlin of Minneapolis; Clarence Niehaus, Grundy Center, Iowa, and Carolyn Solmonson, Willmar.

Canton Church Calls Minister

CANTON, Minn. (Special)—Paul Holland, student pastor for Presbyterian churches here and at Richland Prairie since October, unanimously was given a call to serve as regular pastor by the parish Wednesday evening.

Holland completed his seminary work last week and will leave Sunday for his Butler, Pa. home, where he'll be ordained in June. He and his wife will return here the latter part of June.

Ella, Pepin Hill Pastor Announced

ARKANSAW, Wis. (Special)—The Rev. Richard Haglund has accepted a call to the pastorate of the Ella and Pepin Hill Free churches and will assume his duties June 1, following his graduation from the Trinity Seminary, Chicago, Ill.

The Rev. Mr. Haglund will conduct his first service June 5, appearing at the Ella church at 10:15 a.m. and at Pepin Hill at 11:30 a.m.

An installation service and reception welcoming the new pastor, his wife and daughter will be held June 12 at 2:15 p.m., at Pepin Hill, with Dr. Hedstrom, district superintendent, in charge.

EUB Pastoral Changes Made in Wisconsin

ALMA, Wis. (Special)—In a series of pastoral changes effected by the Evangelical United Brethren Church, during its annual Wisconsin conference recently, the Rev. L. L. McCormick was named pastor of EUB churches here and at Herold.

He succeeds the Rev. Milton O. Stewert, who has been assigned to the Faith Church, Racine, Wis., after one year's service here.

The Rev. Mr. McCormick, who has been pastor of the Montana and Cochrane churches for several years, will occupy the Alma parsonage about June 1.

The Montana-Cochrane parish will be served by the Rev. Leslie Pardun, who was named to the pastorate of the Gilmanton congregation during the EUB conference.

Ordination June 4 Of Caledonian; Bishop to Preside

The Rev. Milo L. Ernster

CALEDONIA, Minn. (Special)—The Most Rev. Edward A. Fitzgerald, bishop of the Diocese of Winona, will ordain a Caledonian man, the Rev. Milo L. Ernster, to the priesthood in ceremonies at St. Peter's Catholic Church June 4 at 10 a.m.

The young deacon will be the only priest ordained for the diocese this year.

The son of Mr. and Mrs. Julius P. Ernster, he was born in Caledonia Nov. 8, 1929, and attended Catholic Central Grade School and Loreto High School.

His classical studies were taken at St. Mary's College, Winona, and he completed his courses in philosophy at Immaculate Heart of Mary Seminary. His four years of theology were taken at the St. Paul seminary.

The newly ordained priest will offer his first solemn high Mass June 5 at 10 a.m. in St. Peter's Church.

The pastor, the Rt. Rev. A. E. Wermerskirchen, will be the assistant priest June 5 and the Rev. Richard McKoske, La Crosse, will be the deacon.

The public has been invited to attend the ordination, the first Mass, the Sunday reception at 7:30 p.m., and the Solemn Benediction which will follow at St. Peter's Church.

113 Children Enrolled In Pepin Bible School

PEPIN, Wis. (Special)—Teachers at Immanuel Lutheran Church's Bible school here — which opened with 113 children this week — include:

Stockton Methodists To Mark Centennial

STOCKTON, Minn. (Special)—The Stockton Methodist Church will observe the 100th anniversary of its founding with day-long services Sunday.

A former pastor, the Rev. Walter E. Mahle, now pastor of the Plainview Methodist Church, will be the principal speaker at 10:30 a.m. worship services.

Following a noon dinner served by the women of the congregation, a special program featuring talks by other former ministers will get under way at 2 p.m.

Friends of the church have been invited to attend both services as well as the noon dinner.

Peterson Pastor Resigns to Take Advanced Course

PEPPERSON, Minn. (Special)—The Rev. Z. Hyland, pastor of the Grace Lutheran Church, has been granted a \$2,000 postgraduate scholarship award by the Lutheran Brotherhood of the Evangelical Church for advanced study in the field of Christian education.

The Rev. Mr. Hyland read letters of resignation to his congregations here and at Arendahl last Sunday and will leave the area the latter part of August. He will enter the Biblical Seminary, New York City, in September.

Special meetings of the two congregations here will be held June 8 and 9 to act on Pastor Hyland's resignation and elect a call committee.

Mrs. Hyland and the couple's five children will reside at Sioux Falls, S. D., while Pastor Hyland is attending school in New York.

Rotarians to Attend Chicago Convention

The delegation of Winona Rotarians, headed by President D. B. Robinson, will leave Saturday for the golden anniversary convention of Rotary International in Chicago.

Over 20,000 Rotarians from 65 countries of the world are expected for the five-day event. Rotary was founded in Chicago 50 years ago.

In addition to Mr. and Mrs. Robinson other Winonans planning the trip are Herbert O. Johnson, president-elect of the local club, Mr. and Mrs. C. D. Teare, Mr. and Mrs. D. S. Chappell, Mr. and Mrs. John A. Leaf and Mr. and Mrs. J. Russell Smith.

Advancement of international understanding, good will and peace is the keynote of the event. Rotary International today has 8,700 clubs in 90 countries with a total of 411,000 members. Vice President Richard M. Nixon will welcome the delegates to the United States.

Winona State Teachers College chorus, under the direction of Walter Grimm, gave a musical program at the Wednesday meeting of the local club.

A. M. Oskamp Jr. was introduced as a new member.

TS DINNER

The annual dinner meeting of the Winona County Tuberculosis and Health Association will be held at the Williams Hotel Wednesday at 6:15 p. m. not 1:15 p. m. as previously listed.

FOOD SALE

SPRING GROVE, Minn. (Special)—The annual bazaar and food sale will be held in the Black Hammer Church parlors Monday at 1 p. m. Lunch including romme-grat will be served.

Baccalaureate Rites At Loreto on Sunday

CALEDONIA, Minn. (Special)—Baccalaureate service for the seniors of Loreto High School will be held Sunday at 8 p.m. at St. John's Catholic Church.

Seniors will participate in the holy sacrifice of the Mass at 8 a.m. Sunday.

The evening service will include May crowning by Jean Ann Thery. Her attendants are Barbara Hosch and Fern Thillen. The Rev. Harold Gavin, principal of Cotter High School, Winona, will deliver the address.

Number of Doctors In Nation Increasing

CHICAGO (AP)—The nation's physician population grew 4,250 in 1934, a record increase.

This was reported today by the American Medical Assn. Council on Medical Education and Hospitals.

The report said an additional 7,917 physicians were licensed to practice by authorized boards, but that this was offset in part by 3,667 physician deaths.

In 1933 the physician population was increased by 3,609.

Jap Court Convicts GI of Theft, Beating

KOBE, Japan (AP)—The Japanese District Court yesterday convicted Pvt. Edward C. Hotalen, 20, Atlanta, Ga., of robbing and injuring two taxi drivers last October. It sentenced him to four years at hard labor. Hotalen remained in Army custody pending an appeal.

Formal training for registered nurses in the United States was first started in 1873.

Flopping Braves Fool Forecaster

By ED WILKS

The Associated Press

This was supposed to be the year the Braves finally cooked up a National League pennant, what with their power, speed and pitching. But as of now, the only thing brewing in Milwaukee is beer.

Bobby Thomson, Joe Adcock and Eddie Mathews were to supply the power. Warren Spahn was to lead a dandy pitching staff to greatness. Even Manager Charlie Grimm's ulcers were in great shape.

So what happens? The Braves aren't even playing .500 ball. And after yesterday's 5-4 defeat by Cincinnati, they're only two percentage points ahead of the fifth-place Redlegs.

Thomson, whose injury helped explain 1954's third-place finish, started well, but now is hitting .213 with only seven runs batted

in for the past 14 games. Adcock is batting .244, with just one hit in his last 14 at bats. Spahn, set for a seventh 20-victory season, is 3-6. Only Gene Conley, at 6-1, is going well.

And Mathews has been sidelined by an appendectomy just when he was starting to get the range. Without his bat, the Braves have lost six of seven—three by one run.

Yesterday's defeat left them 10½ back of the first-place Brooklyn Dodgers, who beat Pittsburgh 6-2.

The runner-up Chicago Cubs kept up their surprising pace, dropping St. Louis into sixth as veteran Howie Pollet spun a six-hit shut-out 3-0. In the lone night game, New York lost 3-2 in 11 innings to Philadelphia.

The New York Yankees gained a 2½-game American league lead, beating Washington twice 8-4 and

7-3 while Cleveland scrambled to win 10-9 after losing the first game of a double-header 3-1 to Chicago's White Sox. Baltimore beat Boston 2-0. Rain stopped Detroit at Kansas City.

Ted Kluszewski took the NL homer lead at Milwaukee with his 12th to get Cincinnati rolling for

its eighth victory in nine games, and a four-run fifth wrapped it up. The Braves rallied for two in the eighth, but it was too late as Gerry Staley won his fourth with help from Buster Freeman, Lew Burdette (2-3) lost it.

The Cubs rolled to their 11th victory in 13 games. Bob Speake's

third home run in five games scored two runs in the third to ice it. Gordon Jones was the loser.

Brooklyn stayed six games up on the Cubs by scoring four in the ninth. Don Newcombe, unbeaten, won his seventh, tripling and stealing home in the rally against loser Ron Kline.

Marv Blaylock, an ex-Giant, doubled against Hoyt Wilhelm to break up the game at Philadelphia. Richie Ashburn scored once, drove in a run with the first of his two doubles and took the NL batting lead at 400. The Phils made nine hits in support of Bob Miller, who relieved Bob Kuzava when the Giants tied it at 2-all in the sixth.

The Yanks made it 12 out of 14 as rookie Johnny Kucks went the distance a second time for a 3-1 record in the opener. Eddie Robinson hit a three-run homer and drove home four. In the nightcap, Yogi Berra homered with two on as Jim Konstanty won in relief of Bob Wiesler.

Bob Lemon, who lost his third straight by walking home a pair of runs in the opener, won the second game for Cleveland with a pinch single in the eighth. Jack Harshman won for Chicago, nursing a shutout until the ninth. The Tribe had seven doubles and a six-run inning in the nightcap that kept them in second place.

Jim Wilson dumped Boston on four hits, driving in one of the Orioles runs himself after Willie Miranda's triple.

Colonels Slice Minneapolis Lead

By THE ASSOCIATED PRESS

Rain and Louisville's stubborn Colonels combined to slice half a game from Minneapolis' American Assn. lead Thursday night.

Louisville clawed back from a three-run deficit to decision last place Charleston in 10 innings, 6-3, and move into undisputed second place in loop standings. The Colonels now are five games back of Minneapolis.

Indianapolis knocked Toledo into fourth place, six games off the pace, with a 10-0 pasting.

The Omaha - Minneapolis and Denver - St. Paul contests were washed out.

Charleston punched over all its runs in the second inning, aided by one of four Louisville errors and a walk which forced in one of the tallies.

Louisville was blanked for five innings in Floyd Meliere's one-hit pitching, then came alive with two in the sixth on three safeties and a walk. The Colonels knotted the score in the ninth on a sacrifice fly with the bases loaded.

A pair of walks off Dennis Reeder, third of four Senator hurlers, opened the 10th for the winners. After the runners advanced on a sacrifice, Marv Stendel doubled them home and scored himself on Frank Malzone's single.

Rightthander Howie Rodemeyer shackled Toledo on only six singles while his mates battered four

Sox pitchers for 14 hits, including Jim Dyck's triple, double and two singles.

Indianapolis counted runs against all the Sox hurlers but Charlie Eicknell, who hurled only two-thirds of an inning.

Hard luck jockey in Hialeah's famed \$100,000 Widener Stakes is veteran Hedley Woodhouse. He has been on the horse that finished second four times.

Midget League Meeting Saturday

Eight teams will be organized Saturday in the Park-Recreation Board Midget Baseball League.

The league meeting will be held at 10 a.m. in the City Building. The age level is 12 to 14 years. June 1, is the date used for this age classification.

Williams Set To Play for Bosox Tonight

By BOB HOOBING

BOSTON (AP) — Ted Williams, toughened and ready, is expected to make his first regular season appearance tonight against Washington — a birthday present for Manager Mike Higgins of the sagging Boston Red Sox.

General Manager Joe Cronin said he would wire American League headquarters in Chicago today to have Williams shifted to active player status from the restricted list. Such notification is all that's necessary to make the 36-year-old slugger eligible.

"I'll be ready to pinch-hit any how," Williams said yesterday after a brief conditioning workout at Fenway Park.

"I don't know whether Ted will just pinch-hit or be able to play," Higgins commented before the team left Baltimore to come home last night. "I'll have to wait until I talk with him."

"If Ted can play, he'll hit third in the batting order and I'll give (Gene) Stephens a shot in center field."

The way was cleared for Williams yesterday when the Sox optioned right-handed relief pitcher Russ Kemmerer to their Louisville farm club. The team has been operating at the legal player limit.

Williams, who has a .348 lifetime batting average, returns on Higgins' 47th birthday with the sixth-place Sox limping home after losing three of four games to Baltimore's cellar-locked Orioles.

Williams repeatedly said last year he was through with baseball once the '54 season ended.

But May 11, the day his divorce settlement was handed down by a court, he phoned Cronin from Miami he was coming back. Two days later he arrived to sign a contract for the balance of the year at an estimated \$75,000 and has been training daily since.

Etiquette Ties Rocky in Knots At Race Track

INGLEWOOD, Calif. (AP) — Rocky Marciano spent a rare day at the race track and this is to report that Marciano, the heavyweight champion of the world, lost a decision right off the bat.

He not only lost, he quit cold. Rocky was the guest of honor at the exclusive and private Turf Club at Hollywood Park.

The club has a rule that no one enter or enjoy its luxuries without a necktie. The chief enforcer of the regulation is a large man named William A. (Bill) Rodman, the manager. He is reported to weigh 250 pounds and is agile.

The champion has an elaborate wardrobe. But he is allergic to neckties. He likes open necked sports shirts.

So what happens at Hollywood Park? Marciano shows up impeccably groomed, including around the neck. A brand new soft white silk tie he has on.

"I heard about this manager. He's got too much weight," said Marciano.

Paul Halverson Competes in State Meet at Madison

BLAIR, Wis. (Special) — Paul Halverson, all around athlete of Blair High School, qualified and placed first in three events at the state sectional track meet held at La Crosse last Saturday according to coach Jerry Nelson.

Halverson won the discus with a throw of 122 feet, five inches; potted the high jumpers with a leap of 5 feet, 8 inches and won the 120 yard high hurdles with a time of 18.2.

Halverson will compete Saturday at Madison in the WIAA state track meet.

De Verl Dahl was the other only Blair entrant at La Crosse who finished among the leaders. He finished fifth in the half mile run and the pole vault.

6 LOSSES FOR LEFTY

Poor Slab Start Has Spahn Puzzled

By JACK VARICK

MILWAUKEE, Wis. (AP) — Warren Spahn shook his head and admitted his poor hurling this year has him puzzled.

The 34-year-old southpaw, first left in the National League to win 20 or more games six different seasons, won his first two 1955 starts then collapsed. He's 3-6 now.

Spahn was getting into his working clothes Thursday after returning from a hospital where he was given an injection to help relieve inflammation of a ligament in his left knee. That's the knee that was operated upon during the winter for removal of cartilage.

"It isn't coming along too fast," Spahn said, "and I figure medicine can help it along." Spahn, the only survivor of the Braves' 1948 pennant winners, said the knee bothers him when it acts up because he pivots on his left leg. But there was no hint of an excuse for his weak hurling.

"I don't know what's wrong," he said. "It's got me. If I knew I'd correct it."

"But I'm sure I'll pick up." I can't get much worse."

Last week after losing to the New York Giants, Spahn thought he had the answer. He figured he'd been babying his leg but said that it felt strong that night. He also said then that he hadn't been gripping his fast ball tight enough and thus it lacked speed.

However, that apparently wasn't the answer.

Spahn has started nine games this year and finished only two. He's worked a total of 56 innings and has been clipped for 67 hits and 27 earned runs. His earned run average is 3.93.

Last year at this time he was 5-3 and he went on to make it 21-12 for his sixth 20-game season. His best mark was 23-7 in 1953, the first year in Milwaukee for the Braves.

Spahn's inability to come through so far this spring typifies the general plight of the Braves. The starting hurlers are no great shakes, with the big exception of Gene Conley; the relief staff has

been well battered, and the hitting is weak.

"You can always use a few hits," Spahn agreed.

Spahn's last failure was Wednesday night when he lasted just the first two innings as the Cincinnati Redlegs pounded Milwaukee 13-2.

Cincinnati triumphed again Thursday, 5-4, to send the Braves limping off on a 20-game road trip just two percentage points above the fifth place Redlegs.

Spahn will take heat and exercise treatment for his knee but continue to pitch and look for the cure to snap him out of what bids to be his worst of 11 seasons in major league baseball with the Braves.

Warren Spahn, 34, is shown in action during his first start for the Milwaukee Braves.

Robert directs Ralph Bellamy in an entertaining role

An actor of considerable parts, Mr. Bellamy has starred in over 80 films, solved countless baffling cases as one of television's top sleuths, and has lately appeared in a succession of stage hits.

But in his private role of the good host, he was recently most pleased to get some expert advice from Robert Anthony, our Walker's DeLuxe butler.

Robert covered every step in the making of superlative old-fashioned, with special emphasis on the most impor-

tant step of all: choosing your whiskey.

As we all know, no drink can be better than the whiskey used in it. And this is the very reason why we suggest Walker's DeLuxe for every drink you order or make. Walker's DeLuxe is Hiram Walker's finest bourbon — aged 7 years in oak, and uncommonly elegant in taste.

It is one of the world's great whiskies.

Why not try Walker's DeLuxe yourself, soon?

7-year-old Walker's DeLuxe — the most elegant whiskey you can serve

Area Teams Face Busy Weekend, 4 Games in 4 Days for Winona

One of the heaviest weekends of the season in baseball faces area teams this weekend with more than 45 games scheduled between Saturday and Tuesday.

Leagues with games scheduled both Sunday and Monday include the Hiawatha Valley, Pierce-Pepin and Southern Minny.

Activity will be unusually heavy in the Southern Minny where most teams are scheduled to play four games in four days.

The slate of Southern Minny games scheduled for Thursday night was wiped out by rain and

three of the games have been rescheduled to be played Saturday—Winona at Fairmont, Albert Lea at Austin and Fairbault at Mankato. The Rochester-at-Waseca game has been rescheduled for tonight, but will probably be played Saturday night in the event of postponement by rain tonight.

The Winona Chiefs play at Fairmont Saturday night, here Sunday against Fairmont, at Mankato for a Memorial Day game Monday and back home Tuesday against Mankato.

Manager Emil Scheid will have

plenty of opportunity to test his pitching staff this weekend.

He'll throw Carl DeRose against the Martins at Fairmont Saturday night, counter with Jim Lawler against Fairmont here Sunday, start Whitey Felker Monday at

Managers Urged To Report Results

Because of the large number of baseball games scheduled over the Memorial Day weekend, managers and reporters of area leagues are urged to report results promptly to The Daily News.

In cases where games are played Sunday afternoon, we'd appreciate having the results called in Sunday night, phone 2322, collect, Winona, between 6 and 8 p.m.

The Daily News Sports department will also take results Monday morning. In cases where teams play Monday, results can be called in Monday night between 6 and 8 p.m., preferably, and also Tuesday morning.

Over 45 games are scheduled in area leagues over the weekend, and to have stories and standings for Tuesday's paper, cooperation of managers and reporters is requested.

Mankato and come back with either Wes Rinker or Bob Umfleet against Mankato Tuesday night at Gabrych Park.

Booster for the Chiefs for their four-game stand will be outfielder Jack Triplett, who arrived in Winona Thursday from Marion, N.D., where he teaches and coaches.

With Triplett available, Scheid announced the release of Ernie Sites, outfielder who had played the first two games in left field and had gone zero-for-nine at the plate.

Makeup games in some leagues will be played Monday, for instance, the Fillmore-Houston where the game of May 22 between Spring Grove and Lanesboro has been scheduled at Lanesboro.

Another Fillmore-Houston game of May 22 which was rained out, Spring Valley at Rushford, will be played Wednesday night at Rushford.

Michigan Team Favored to Win Big Ten Track

COLUMBUS, Ohio (AP)—The Western Conference put its track-field talent on display today, and Michigan's Wolverines were top-heavy favorites to end Illinois' four-year reign in the 55th annual meet.

Only the discus event was to be decided today, but qualifiers were booked in the broad jump, high and low hurdles, and the 100, 200 and 440-yard dashes to clear the way for Saturday's finals.

While the cinders were flying in the preliminary tests, the Big Ten athletic directors and faculty representatives had a session on tap, with the division of national and regional football telecast receipts the big topic.

Wreckage of Army Helicopter Found

SENDAI, Japan (AP)—Searchers today found the wreckage of a big U.S. Army helicopter and the bodies of six men carried to death when it crashed Wednesday in Sendai Bay.

The Japanese fishing boat Miojin Maru located the bulk of the sunken helicopter off Gamo Beach, near northern Honshu's Pacific coast. U.S. Navy "frogmen" found the bodies.

60 Golfers Bid For Big 10 Title

LAFAYETTE, Ind. (AP)—Sixty top-notch college golfers tackled Purdue's hilly south course today in the first half of the annual Big Ten Golf Tournament.

The two-day 72-hole stroke play tournament appeared to be wide open. Purdue and Minnesota carried undefeated records as they bid for the team championship being defended by Ohio State. The Buckeyes have lost only to Purdue this season.

The course plays 6,392 yards for par 72.

Hoyt Wins Pole Spot in 500 Race

INDIANAPOLIS (AP)—Young Jerry Hoyt, who will be in fast company Monday at the front of the 500-mile auto race lineup, said today, "I'll make no plans till the green flag drops."

Owners and drivers — mostly owners — were reluctant to send out their cars May 14 in the qualifying sessions that determined the pole car, inside spot on the front three-car row.

There were gusts of wind up to 36 miles an hour. Just before track closing time, Hoyt rushed out of the pits in his Jim Robbins Special and earned the pole with a run of 140.045 miles an hour.

Tony Bettenhausen, veteran racer from Tinley Park, Ill., was the only other driver to complete a qualifying run the first day and will start his Chapman Special from the inside of the front row on his 139.985 performance.

Jack McGrath of Inglewood, Calif., went out the second day and set a track record of 142.580. He fills out the front row on the outside spot. He has grabbed the early lead in three of the last four Memorial Day races.

Drivers made their final runs Thursday at unusually high speeds for fuel tests and chassis adjustments. McGrath and Art Cross of La Porte, Ind., starting in 24th place, were up to 138.5 miles an hour. Most of the others were checking their equipment almost as fast.

The NFL champion Cleveland Browns will play an exhibition game against the Green Bay Packers on Aug. 20 at Akron, Ohio.

Minneapolis Man Found Dead in Lake

MINNEAPOLIS (AP)—The body of Leonard Blomberg, 65, Minneapolis, was found floating face-down in Lake Nokomis late Thursday night.

The coroner's office said Blomberg had a history of heart trouble and it wasn't determined whether he had drowned or was the victim of a heart attack.

Unknowns Lead At Fort Wayne

FORT WAYNE, Ind. (AP)—Two unknowns from Ohio were out in front of the usual money winners today as they started the second round of the \$15,000 Fort Wayne Open Golf Tournament.

Dow Finsterwald of Bedford Heights, who never has won a major tourney, shot seven birdies and never went over par in a 32-33-65 round Thursday to take the lead.

George Bayer of Cincinnati cut six strokes off the Elks County Club par with 34-32-66 to take second place. Bayer, a former pro football player, is better known for hitting long drives than winning tournaments.

Jewels Disappear, Actress to Take Lie Detector Test

HOUSTON, Tex. (AP)—Actress Hedy Lamarr spent two hours at police headquarters but detectives said she was too upset to take a lie detector test.

Miss Lamarr had agreed yesterday to be questioned about the disappearance of \$50,000 in jewels from her home Tuesday.

Detective B. M. Squyres said she was too upset for the polygraph to function properly. Three attempts were made to give her the test, but each was inconclusive.

PALMOLIVE Rapid-Shave

OUT-SHAVES ANY LATHER OR BRUSHLESS CREAM!

FASTER! Just press the top for instant lather! Rapid-Shave saves time!

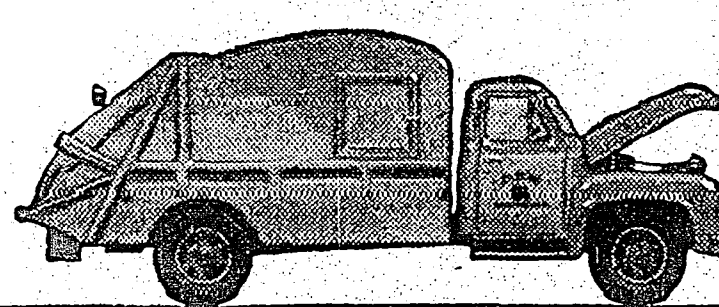

SMOOTHER! Creamy Rapid-Shave gives you smooth close shaves! Razor glides easily.

Large Field Clouds Nashua Favorite Role

9 Horses Run In Preakness Race Saturday

By GEORGE BOWEN

BALTIMORE (AP) — The unexpectedly large field of nine 2-year-olds had clouded up somewhat today the clear sailing forecast earlier for Nashua in tomorrow's Preakness at Pimlico.

While the prospective array had been confined to half a dozen it was accepted that Belair Stud's powerful runner could go out and win any way it pleased him.

But plans might well have to be changed before and during the mile and three-sixteenths race with eight other jockeys maneuvering around the track.

Setting up the opportunity for jams will be Cliff Moore's Traffic Judge, B and C Stable's Sticks, Dunthorn Farm's Fleet Path, Montpelier's Saratoga, Gee Cohen's Chuck Thompson, Roslyn Farm's Go Lightly, Everglades Farm's Nance's Lad and W-L Ranch's Honeys Alibi.

Just before Chuck Thompson, Sticks and Go Lightly were put on the list yesterday, trainer Joe Inzelone of Honeys Alibi gave a typical idea of the way things would go with six in the race.

"I expect Nance's Lad and Fleet Path to go out in front at the start. Jockey Eddie Arcaro will probably ease into third or fourth spot with Nashua and make his move when he likes."

That was their formula in the Kentucky Derby three weeks ago. It looked good except that when Nashua made his challenge down the homestretch Swaps refused to surrender and gave him his third licking in 13 races.

However, there's no Preakness entry of Swaps' caliber that meets the eye.

But the complexion of any could change if Nashua gets caught in a crowd and has to fight his way out.

There is \$68,050 waiting for the winner. It was suspected that several horses were entered for a crack at the \$25,000 second prize, \$15,000 third, and \$7,500 fourth more than anything else.

Red Radio Calls for Fisheries Meeting

TOKYO (AP) —Pyongyang radio today called on South Korean fisheries representatives to meet with the North Koreans for solving the question of fishing areas.

North Korea said Wednesday that South Korean fishermen could fish in certain North Korean waters during the Chogi—yellow fish—season if they came unarmed and observed regulations.

Friend Accidentally Kills State Airman

SPOKANE (AP) —An air policeman was fatally wounded Thursday when accidentally shot by a friend with whom he was standing guard duty at Fairchild Air Force Base, the information services officer said.

The victim was identified as A. J. C. Ollie Z. Hanson, Alexandria, Minn.

The information officer identified the man who accidentally fired the shot as A. J. C. Richard V. Herr, Pleasant Prairie, Wis.

Hanson was shot through the chest with a .45 caliber pistol while the pair was standing afternooon guard duty at a flight line gate, he said. Hanson died in the base hospital about 5:15 p.m.

Rochester Doctor Honored for Research

MILWAUKEE (AP)—Dr. William H. Feldman of Rochester, Minn., Thursday received the Trudeau medal for his contributions in the field of tuberculosis research.

Dr. Feldman, professor of comparative pathology with the University of Minnesota Mayo Foundation, was honored at the annual meeting of the National Tuberculosis Assn.

The medal, named for Dr. Edward L. Trudeau, the first NTA president, is awarded for meritorious contribution on the cause, prevention and treatment of tuberculosis.

About 40 per cent of the area of the United States is in the Mississippi River system.

8 State Clubs, Taverns Raided By State Agents

ST. PAUL (AP) — Raids on eight clubs and taverns in five northern Minnesota counties for alleged violation of liquor and beer laws, including three American Legion clubs, were reported today by Harry A. Sieben, state liquor control commissioner.

The American Legion Club at Red Lake Falls was charged with selling liquor to non-members. Commissioner Sieben said that he will continue to "crack down" on violators under Gov.

Freeman's strict policy of law enforcement

The raids were carried out the last few days by state liquor control agents in cooperation with Sheriff E. H. Chigren, Lake of the Woods County; John Cahill, Beltrami County; E. B. Sillerud, Roseau County; C. A. Kalkiel, Red Lake County; and C. N. Knutson, Polk County.

Charges of selling liquor without a license were brought against the Oasis Night Club at Bemidji, the Roland General Store at Roland, and the American Legion clubs at Brooks and Strathcona. These charges constitute gross misdemeanors.

Complaints charging after hours sales of liquor were brought against the Four Leaf Clover at Trail, Polk County; the municipal liquor store at Williams, and the Night Hawk at Roosevelt.

Atomic Cannon, Rocket Fired in Europe Test

GRAFENWOEHR, Germany (AP) —The U.S. Army announced today it has fired its 280mm. atomic cannon and "Honest John" rocket in Europe for the first time. Only conventional warheads were used.

The shooting of the giant gun and the big rocket climaxed a two day firepower exercise staged by the U.S. 7th Army at the Grafenwoehr training grounds, not far from the Czechoslovak border.

The Americans have 36 of the huge guns and one "Honest John" battalion in Germany. Both gun and rocket can fire conventional or atomic warheads.

Use of asphalt for road paving has increased in the United States from about half a million tons in 1919 to 11 million tons in 1954.

Maternal Instinct Makes Dog a Thief

SAN PEDRO, Calif. (AP) — The maternal instinct has turned Lady, a miniature brindle boxer, to doll stealing and puppy-napping.

The 3-year-old pet of Mr. and Mrs. Henry Alvarado first stole the dolls of the Alvarados' daughter Sandy, 7, and carried them around the house. She wouldn't let Sandy touch them.

Then, yesterday, Lady brought home four doberman pinscher

puppies. They are so young their eyes are just barely open. And Mrs. Alvarado can't find where they came from either.

"What'll I do now?" she asked. "I've been all over the neighborhood and I can't find the owner."

The Alvarados figure Lady's crime spree will end soon. In two weeks, they said, she's due to have puppies of her own.

The U.S. Census Bureau expects the population of California to be more than 18 million by 1965, and to have more people than New York State.
